## Special Needs Form

We want to reduce the impact of the City's Road Projects on people with special needs.

If you or a neighbor has any special needs (wheelchair, limited mobility, etc.) please fill out this form and return it to the City. If you have a barrier free parking tag or plate, the City will provide a Handicap Parking space during construction for each barrier free parking tag or plate, but they will not be assigned to individuals.

You may either bring the form to the front desk or dropbox at the Department of Public Services, mail it to the Department of Public Services address above, fax it to (248) 589-2679, or we can make arrangements to pick up the form at your home. Please call (248) 589-2294 to arrange a time.
