SECTION 3. A rotating list shall be maintained to guarantee equal opportunity in the distribution of special overtime (refer to *Article XII, Section 5*). Seniority and rank in the Department shall prevail in the distribution of emergency duty overtime work. Such leave shall accrue in terms of full days only, and shall not exceed twelve (12) service days in one (1) year.

If, for example, an employee on July 1, 1985 had accumulated forty (40) days of sick leave and earned twelve (12) days during the year, but had not used them for sick leave, the employee will have accumulated an excess of four (4) sick days. Said four (4) days shall be bought back by the City at fifty percent (50%) of the employee's wage rate. Payments shall be made between July 15th and July 30th following the end of each fiscal year. - Maximum negative sick days of twenty-four (24).

- D) From the third anniversary date of the employee's return to work to the fourth anniversary thereof

- 6) Any negative sick days requested by the employee shall be repaid by the employee within two (2) years following the employee's return to duty through the use of sick time, vacation time, compensatory time and/or by deducting the dollar value of the remaining time from the employee's pay or any other monies the employee would otherwise be entitled to.

An employee shall not be eligible for a negative sick bank in the event there is non-compliance with any of the terms and conditions set forth above or the employee is disabled as a result of a non-duty injury or illness which occurs more than four (4) years from the date of return to work from being disabled as a result of a first non-duty injury or illness.
