CM-15-188. Meeting Open to Public.

Gloria Moore, 27368 Dartmouth, invited the public to the next meeting of the Friends of the Madison Heights Area Senior Citizens on July 21, 2015 at 7:00 p.m. The meeting will be held at Fire Station #1 located at 31313 Brush and after the meeting there will be beverages and snacks at Leo's Country Oven.

Ken Thweatt, 27700 Brush, congratulated Mayor Swanson for being a role model in his marriage and thanked Mayor Swanson and Councilman Clark for their military service. He stated that he feels that seniors are being abused by being given unnecessary medical tests, and this leads to the dissolving of seniors life-savings. In addition, he stated that many seniors have transportation issues, especially if they can't rely on friends or family for help. He thanked the Madison Heights SHARP program, commenting that it is helping to keep seniors in their houses.

Peter Taylor, (refused to give address), expressed his displeasure with the Madison Heights 43rd District Court policies and the Police Department.

CM-15-189. Gospel Life Church – Request to Use Rosie's Park for Community Picnic on July 15 and July 22, 2015.

CM-15-197. Mayor and Council - Comments.

Councilman Corbett asked for an update on the City's increased code enforcement efforts. Deputy City Manager Marsh responded that the additional staff member started on July 6th, and the impact is already being noticed; staff have received positive comments from the community.

Councilman Bliss stated that the Halfman proposal conversation is ongoing, and this Thursday, July 16th, there will be a Parks and Recreation Advisory meeting where it will be discussed further. In addition, there is a public forum tentatively scheduled for August 13th at the Halfman site; once the date has been confirmed, the City will announce meeting details. He encouraged the public to attend the meetings and give their feedback.

City Attorney Sherman had no comments this evening.

Deputy City Manager Marsh had no comments this evening.

City Clerk Printz stated applications for absentee ballots for the Madison District Public Schools Special Election are available at the City Clerk's office.

Councilman Clark had no comments this evening.

Councilwoman Scott provided the answer to the trivia question from the last meeting:

Who served the longest term as Mayor?

c. George Suarez – serving 21 ½ years

She stated this week's trivia question is:

Who was the first woman mayor?

a. Marilyn Russell
b. Virginia Solberg
c. Elva Mills
d. Mary Francis Stema

Councilwoman Scott announced the 2nd Annual Animal Shelter Yard Sale, Bake Sale and Bottle Drive to be held at the Senior Center Pavilions on July 24th and 25th. All funds raised will benefit the Animal Shelter. She continued that she and Council are very impressed with all the work that has been done and is ongoing at the shelter. She advised that MDOT will be repairing the I-75 Bridge at 13 Mile Road starting today, July 13th. An alternate route is advised and the construction is expected to be complete by August 21st.

Councilman Soltis stated that he believes it behooves the City to look on the horizon and examine federal and state legislative agendas because they tend to trickle down to the local level. He stated that he is pleased to see that the law of the land is now for equality. He expressed his disappointment that the Governor signed into law HB 4052, which he believes is anti-working family and anti-labor legislation, stating the law ties municipalities' hands. He also commented that he believes South Carolina did the right thing by taking down the Confederate flag. He requested that City begin a Multi-Cultural and Equality Advisory Board, noting that he has researched other cities that have similar boards and he would like to help start one in the City.

Mayor Swanson re-iterated his announcement that he is running for Mayor.

CM-15-198. Adjournment.

There being no further business, the meeting was adjourned at 8:00 p.m.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
July 27, 2015

A Regular Meeting of the Madison Heights City Council was held on Monday, July 27, 2015 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Swanson, Mayor Pro Tem Hartwell, Councilmembers Bliss, Clark, Corbett, Scott, and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Bliss and was followed by the Pledge of Allegiance to the Flag.

CM-15-199. Resignation Of Mayor Pro Tem Hartwell and Declaration Of Council Seat Vacancy.

Motion by Councilman Corbett, seconded by Councilman Soltis, to accept the resignation of Mayor Pro Tem Brian Hartwell from City Council in accordance with Section 5.1 of the City Charter, and to declare the Council seat vacant.

Mayor Pro Tem Hartwell stated that his eight years on City Council, four as Mayor Pro Tem, would not have been as rewarding or enjoyable without the commitment to service demonstrated by his council colleagues. Madison Heights is a better place to live thanks to their creativity and passion. He noted the remarkable positivity of our residents as we survived the painful moments of the Great Recession and then the great flood of 2014. He also looked back to those occasional triumphs when we chose to share praise: winning the SAFER grant, saving the nature center, cleaning up illegal dumping at the incinerator, reducing our carbon footprint by 25%, becoming the 3rd most walkable city in Michigan, opening the wellness center, forming a 21st Century technology committee, and reforming a modern Crime Commission. He stated he would be remiss to not celebrate the day-to-day success of our staff and dedicated employees who face constant pressure to become more efficient and deliver greater services. Our team in Madison Heights is unquestionably devoted to serving our residents. He stated he will forever be grateful to the people who trusted him to serve in public office.

CM-15-200. Presentation - Certificate of Appreciation for Brian C. Hartwell.

City Manager Myers read the following Certificate of Appreciation into the record:

WHEREAS, the Mayor and City Council of the City of Madison Heights wish to express on behalf of the City their appreciation to

BRIAN C. HARTWELL

in recognition of outstanding service to the community; and,

WHEREAS, Brian has furthered those ideals that contribute to a better community.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council, being the duly elected representatives of the people of Madison Heights, express the City's appreciation and recognition to this distinguished citizen for his public service serving on the City Council from

November 13, 2007 to July 27, 2015

BE IT FURTHER RESOLVED, that a copy of this Certificate be presented to Brian C. Hartwell that it may serve as a lasting expression of the City's gratitude and appreciation of his contribution to the betterment of the City of Madison Heights, Michigan.

Councilwoman Scott noted the reason Mayor Pro Tem Hartwell resigned is because he is running for Mayor. She explained that the City Charter states if you run for another office other than the one you currently serve in, you must resign your seat to do so. She thanked him for his dedication and service to the community, and stated that she is sure that he is going to stay very involved in the City.

CM-15-203. Meeting Open to Public.

Peter Taylor, approached to give comment; however, once he was advised on the Council policy on meeting participation, he refused to give his address, did not make any public comments, and left the chambers.

Gloria Moore, 27368 Dartmouth, stated that Brian Hartwell is one of the good ones - he listens to you and tries to understand. Although she had to have two meetings of the Friends of the Madison Heights Seniors group this month due to an error in the meeting notices, they were both productive. She stated that the facilities at the Fire Department are extremely clean and well-kept and she appreciated being able to utilize the space.

CM-15-204. Agreement and Resolution to Assign Wholesale Customer Water Service Contract Rights Between Detroit Water & Sewer Department (DWSD) and the City of Madison Heights to the Great Lakes Water Authority (GLWA).

Motion by Councilman Clark, seconded by Councilwoman Scott, to approve the agreement and the following resolution to assign wholesale customer water service contract rights between Detroit Water & Sewer Department (DWSD) and the City of Madison Heights to the Great Lakes Water Authority (GLWA):

Resolution Regarding Assignment Agreement with the City Of Detroit
and the Great Lakes Water Authority

WHEREAS, on September 9, 2014, a Memorandum of Understanding Regarding the Formation of the Great Lakes Water Authority was adopted by the City of Detroit, the State of Michigan and the counties of Wayne, Oakland and Macomb; and,

WHEREAS, the Memorandum of Understanding required, among other things, that the City of Detroit and the counties of Wayne, Oakland and Macomb adopt Articles of Incorporation no later than October 10, 2014, and that the City of

Detroit and the Great Lakes Water Authority execute a lease agreement regarding the operation and management of the Detroit water supply and sewage disposal systems; and,

WHEREAS, on October 10, 2014, the City of Detroit and the counties of Wayne, Oakland and Macomb adopted the Articles of Incorporation of Great Lakes Water Authority; and,

WHEREAS, on June 12, 2015, the City of Detroit and the Great Lakes Water Authority executed two 40-year lease agreements regarding (1) the operation and management of the Detroit water supply system, and (2) the operation and management of the Detroit sewage disposal system ("Sewer Lease"); and,

WHEREAS, Pursuant to Sections 4.1(a)(i), 4.1(d) and 4.4 of the Sewer Lease, the City of Detroit assigned and the Great Lakes Water Authority assumed all of Detroit's rights, duties, liabilities, responsibilities and obligations under the wholesale customer wastewater disposal services contracts without any impairment to said contracts; and,

WHEREAS, Article III of the Sewer Lease provides that the effective date of the Sewer Lease is dependent upon the satisfaction of certain conditions precedent, including obtaining the consent of the wholesale sewer customers to the assignment of their 30-year wastewater disposal services contracts to the Great Lakes Water Authority pursuant to Section 3.2(j) of the Sewer Lease; and,

WHEREAS, pursuant to the Sewer Lease, and as provided in Aticle 13 of the Wastewater Disposal Services Contract, the City of Detroit has presented an Agreement to Assign Wholesale Customer Wastewater Disposal Services Contract between the City of Detroit Water and Sewerage Department, the Great Lakes Water Authority and this community for the assignment of the Wastewater Disposal Services Contract with the City of Detroit Water and Sewerage Department to the Great Lakes Water Authority with a request for approval; and,

WHEREAS, this Honorable Body finds it is in the best interests of this community to consent to the assignment of the Wastewater Disposal Services Contract to the Great Lakes Water Authority.

NOW THEREFORE BE IT RESOLVED, that the Agreement to Assign Wholesale Customer Wastewater Disposal Services Contract between the City of Detroit Water and Sewerage Department, the Great Lakes Water Authority, and is approved.

BE IT FURTHER RESOLVED, that a certified copy of this Resolution and the executed Agreement to Assign Wholesale Customer Wastewater Disposal Services Contract be returned to the City of Detroit Water and Sewerage Department within seven (7) days of the date of this Resolution.

CM-15-210. Mayor and Council - Comments.

Councilman Corbett asked for an update on the enhanced Summer 2015 code enforcement efforts in the City. City Manager Myers reported that he had two months' worth of data pertaining to the City's efforts focusing on blight, including debris; abandoned, unlicensed, and inoperable vehicles; as well as weeds and high grass. During the time period from May 16th to June 15th, and prior to the start of the additional Code Enforcement Officer, there were 31 debris, 8 abandoned/inoperable vehicle, and 207 weeds/high grass warning violations issued. The second set of data is for the period of June 16th through July 15th. There were 25 debris, 71 abandoned/inoperable vehicle, and 110 weeds/high grass warning violations issued. The total figures to date are 452 warning violations; of those, 56 were for debris, 79 for abandoned/inoperable vehicles, and 317 for weeds/high grass. He stated that he has seen a map of areas of enforcement and stated staff is doing a good job. Councilman Corbett stated that he is pleased with the efforts of the City departments and the residents are pleased with the enhanced enforcement as well. He also commented that it wasn't many years ago that Brian Hartwell was elected as the youngest City Councilmember. He continued by stating that Brian has been hard working, articulate, and a positive influence on the City. He concluded his comments by noting that it was almost one-year ago that the City experienced the great flood.

Councilman Bliss echoed the sentiments of Councilman Corbett's comments on Brian Hartwell, noting he was a great help to him when he started serving as a Councilmember. Next week, City Council gets to welcome Councilman Gettings

and he looks forward to sitting next to him. He mentioned that in an effort to obtain more feedback, the public forum on the Halfman proposal was postponed until September. He will announce the date once it has been finalized. He expressed his support for the proposed Multicultural Relations Advisory Board, noting he believes it is relevant, timely, and he personally feels it is needed in a city that is as diverse as Madison Heights.

City Attorney Sherman explained the steps and procedures relating to Brian Hartwell's resignation from the City Council and the history pertaining to this process. He also explained the procedure for filling the vacant Council seat which involves the seating of Bob Gettings, the next highest vote getter from the November 2013 Council election, at the August 10th meeting. On a personal note, he stated that his son completed his 3rd 300-mile ride for the Make-A-Wish Foundation. At 17 years of age, he is one of their youngest riders. The group traveled from Traverse City to the Michigan International Speedway over 3 days, completing 100 miles per day.

City Manager Myers thanked Deputy City Manager Marsh for covering for him at the last City Council meeting in his absence and stated that it was good to be back.

City Clerk Printz stated applications for absentee ballots for the Madison District Public Schools Special Election are available at the City Clerk's office and the last day to apply for an absentee ballot by mail for this election is Saturday, August 1. The City Clerk's office will be open from 9 a.m. – 2 p.m. for election business only. The election is Tuesday, August 4 for those residents residing in the Madison Public Schools District and polls will be open from 7 a.m. until 8 p.m. If you have any questions, please feel free to contact the City Clerk's Office.

Councilman Clark stated that Saturday, he received a phone call notifying him of retired Madison Heights Police Sergeant Michael Brenton's passing. He commented that when he arrived, Officer Robert Backlund was already on scene, and providing sincere compassion for the family. Councilman Clark provided funeral details, and asked that a Certificate of Condolence from City Council be sent to the family.

Councilwoman Scott stated that the August 4th election is for the Madison School District only. Voters will decide whether or not to trust the District's vision. She read the ballot proposal wording and noted the language can also be found on the City's website.

She provided the answer to the trivia question from the last meeting:

Who was the first woman mayor?

b. Virginia Solberg

She stated this week's trivia question is:

Who is the only person to serve as City Manager and Councilperson?

a. Jon Austin
b. Ernest Fisher
c. Bill S. Huffman
d. Ben Myers

Councilman Soltis stated that he wanted to talk about something important in the news today regarding Michigan Earned Income Tax Credit discussed under HB 4609. It appears that a certain party in Lansing is not taking working families into consideration when they are drafting legislation. Just recently, city control has been taken away on certain policies that could have helped our communities, and there have been attempts to eliminate unions, cut funding for senior programs, sabotage a real minimum wage increase, discriminate against LGBT equal rights, and now destruct of one of the good policies that has been successful for numerous years for working families, the Michigan Earned Income Tax Credit. According to the MLPP: "The House GOP roads plan eliminates the Michigan Earned Income Tax Credit – effectively raising taxes on 780,500 low-income working families raising 1 million kids. This plan robs poor Peter to pay Paul, and for the second time in five years will push thousands of families into poverty. The MEITC has proven to be an effective anti-poverty tool that reduces the number of children living in poverty. At its current rate, it lifts about 7,000 working families above poverty. The EITC has long-lasting, positive effects on children, improving infant health, helping students do better and go farther in school, and increasing work and earnings in future generations. When Michigan policymakers cut the EITC in 2011, reducing it from 20% to 6% of the federal credit, the average credit dropped 70%." Going hand in hand with this topic is children in poverty. Recently, according to MLPP, while most states have seen improvements in child well-being over the past five years, families in Michigan continue to suffer with more children living in poverty now than in the last full year of the Great Recession, according to the newly released 2015 KIDS COUNT Data Book from the Annie E. Casey Foundation. More than 524,000 Michigan children live in poverty, a rate of one in four, compared to the rate of one in five in 2008. He suggested a survey so we know where the City stands in terms of childhood poverty. He thanked Councilman Bliss for his support for the new proposed Multicultural Relations Advisory Board, noting that it is taking shape. You can read about it in this week's C&G Newspaper, and he continued that he is really excited about this idea and he hopes for a huge response.

Mayor Swanson echoed the sentiments of City Council, and thanked Brian Hartwell for his service, noting that he was definitely an asset to the City and to City Council.

Tim Waymaster, 29112 Mark, addressed Council on several topics pertaining to his street including: construction logistics, speeding, street sweeping schedules, clean-up of construction debris, a potential tree removal, and snow removal routes. He noted that the street project made it difficult to get his handicapped wife out of their home when their sidewalks and approach were removed at the same time. He expressed disappointment that despite addressing this matter with the engineer, his concerns were not relayed to the workers. City Manager Myers responded that he will follow-up with City staff on all of the issues presented and staff will respond directly to Mr. Waymaster.

Wayne Reif, 950 E Lincoln, expressed his disapproval of the proposed Halfman school site development. He requested that the City stick to their original agreements with the school district. Councilwoman Scott thanked Mr. Reif for restoring his historical home and commented that he may have found the original Kendall School bell in his basement.

Gloria Moore, 27368 Dartmouth, announced the 7:00 p.m., August 19th meeting of the Friends of the Madison Heights Area Senior Citizens at Fire Station 1. She also stated that she supports further studying on the south-side development proposal before any action is taken by City Council.

CM-15-227. Mayor and Council - Comments.

Councilman Corbett congratulated Bob Gettings on his appointment to City Council. He stated that he and Bob Gettings originally met in 1969 and he welcomed him back to City Council. He expressed his sympathy and sent his respects to Larry and Jeff Sherman and their families on the passing of their mother. In light of the Madison District Special Election results, the Council cannot ignore the outcome, noting that there is a correlation between the millage results and the discussion that is ongoing with the Halfman proposal. As a city, we need to preserve our options and he requested valuations on the City's property, the school property, and the combination of both, in an effort to be fully prepared to address any potential scenario arising from the ongoing discussions.

Councilman Bliss offered his condolences to the Sherman family and welcomed Councilman Gettings. He provided an update on the Sunset Park/Halfman discussion, stating that in an effort to obtain feedback from the residents, a survey is going to be available online. A public forum is scheduled for September; however, a date has not been finalized. He encouraged residents to please take the opportunity to provide their feedback. On another matter, he stated that the he asked for staff to create a page on the City's website for families to easily access information, and staff has done a phenomenal job in doing so. He noted that this is the one-year anniversary of the flood, and it is a good time to reflect on how far our community has come and how we pulled and banded together in a time of emergency.

Councilman Gettings stated he is sad for the Sherman family and expressed his condolences. He stated that he is looking forward to working together again, and he thanked Brian Hartwell for creating this opportunity for him.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers expressed his condolences to the Sherman family and welcomed Councilman Gettings.

Councilman Clark welcomed Councilman Gettings. He announced the After-Glow Car Show is this Sunday, the day after the Dream Cruise, at Lamphere High School and encouraged all to attend.

Councilwoman Scott sent her deepest condolences to the Sherman family, stating that Ester Sherman was a beautiful woman, who was graceful and a prime example of what it means to be a mother. She stated she will be missed, especially her husband, Eddie Sherman, who helped to develop the industrial center of the City. She acknowledged Jeff Hilliard in the audience, noting that he was responsible for the success of Madison Heights Wolverines for many years.

She provided the answer to the trivia question from the last meeting:

Who is the only person to serve as City Manager and Councilperson?

b. Ernest Fisher

She stated this week's trivia question is:

Who are the only two people that were elected to City Council and a school board position?

a. Elva Mills and Doug Mac Lean
b. Robert Gettings and Cindy Rothwell Holder
c. All of the above
d. None of the above

She stated that it was very nice to have Bob Gettings back on City Council.

Councilman Soltis welcomed Councilman Gettings, and expressed his sympathies to the Sherman Family. He stated the City is moving forward with the Multicultural Relations Advisory Board and he has received tremendous positive response so far. The resolution creating the board will be voted on by Council at our next session, August 24th. The board will essentially advise the City Council on human relations and diversity related issues which enhance human relations and cultural diversity; educate the community on the

city's rich cultural heritage, and promote equality and unity. He addressed HB 4609, stating this is legislation the State house is trying to push through. He believes this legislation is an anti-working family law that will push thousands of families into poverty. The Earned Income Tax Credit has proven to be an effective anti-poverty tool that reduces the number of children living in poverty. At its current rate, it lifts about 7,000 working families above poverty. The EITC has long-lasting, positive effects on children, improving infant health, helping students do better and go farther in school, and increasing work and earning in future generations. He encouraged the public to utilize their democratic right to voice their opinions and contact the representative sponsoring HB 4609, Representative Jeff Farrington of District 30 at his office: 517-373-7768 or email JeffFarrington@house.mi.gov.

Mayor Swanson welcomed Bob Gettings back to City Council. He stated that he received a thank you letter from the Great Lakes Water Authority for securing the Water Service contract. He welcomed Keys Grace Academy to the community, noting that this is a Chaldean charter school, with approximately 200 students. The location is the site of the former Edison school. He expressed his condolences to Sherman family.

Gloria Moore, 27368 Dartmouth, announced the next meeting of the Friends of the Madison Heights Area Senior Citizens on September 15th at 7:00 p.m., and welcomed all to attend.

Robert Redden 27724, Alger, asked what City Council's position was on permitting medical marijuana provisioning centers in the City of Madison Heights to serve cannabis patients. City Attorney Sherman responded that the City has received some requests related to this activity in the past, and if requested, counsel could provide City Council a legal update on this matter. He suggested that Mr. Redden contact the Community Development Department for answers to any specific questions he may have.

Kathy Smith, 843 E. Lincoln, stated that she was originally told that road repairs in front of her mother's house should be done in 2 weeks. Her elderly mother has doctor appointments and now she is being told construction may take 4 weeks to complete; she is concerned about getting her mother to and

from these appointments. City Manager Myers stated that the Community Development staff will respond directly to Ms. Smith.

CM-15-234. Resolution to Establish the Multicultural Relations Advisory Board.

Motion by Councilman Soltis, seconded by Councilwoman Scott, to adopt the following resolution establishing the Multicultural Relations Advisory Board:

> A RESOLUTION PROVIDING FOR THE CREATION, MEMBERSHIP, STRUCTURE AND RESPONSIBILITIES OF A MULTICULTURAL RELATIONS ADVISORY BOARD TO ADVISE THE CITY COUNCIL ON HUMAN RELATIONS AND DIVERSITY-RELATED ISSUES; TO RECOMMEND POLICIES, PROGRAMS, SERVICES, AND EVENTS WHICH ENHANCE HUMAN RELATIONS AND CULTURAL DIVERSITY; TO COMMUNICATE ACCURATE AND RESPECTFUL INFORMATION IN ORDER TO EDUCATE THE COMMUNITY ON THE CITY'S RICH CULTURAL HERITAGE, AND TO PROMOTE EQUALITY AND UNITY AND TO ACT AS A RESOURCE FOR INTERCULTURAL AWARENESS, EDUCATION, AND CELEBRATION AMONG ALL PEOPLE

WHEREAS, Madison Heights has become a city of different races and cultures, religions and beliefs, and experiences and traditions with a cultural life, economy, livability and neighborhoods that have been enriched by this growing diversity; and,

WHEREAS, the existence of a thriving and diverse community has also raised complex questions about how to build a truly inclusive city; and WHEREAS, the principles of representative democracy require that the interests of all people be heard and considered in the establishment and administration of ordinances and policies, and in the general governing of the City; and,

WHEREAS, the community will benefit from the creation of an advisory board, focused on cultural relations, with a mission to create greater cohesion in our community by promoting mutual respect, dignity and open communication among all people; and,

WHEREAS, the City of Madison Heights strives to promote and foster goodwill, and through cooperation and conciliation among all groups and segments of the population, to eliminate and prevent within its boundaries discrimination, segregation or separation because of race, color, national origin or ancestry.

NOW THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights, Michigan, determines that it is advisable, desirable, and to the overall benefit of the City of Madison Heights, Michigan, to create and

establish a Council-appointed Multicultural Relations Advisory Board, which shall act in an advisory capacity to the City Council so as to insure the implementation of the purposes set forth below.
BE IT FURTHER RESOLVED as follows:

1. The purpose of the Multicultural Relations Advisory Board is to advise the City Council on issues related to or affecting minority communities within Madison Heights, to monitor the policies and practices of the City of Madison Heights with respect to fair and equitable application, and to act as a resource for intercultural awareness, education, and celebration among all people.

2. The Board shall be comprised of nine (9) voting members and one (1) non-voting staff representative appointed by the City Manager. The voting members shall consist of a Councilmember Delegate (and Alternate), and eight (8) Madison Heights residents appointed by City Council.

3. The Council Delegate and Alternate shall be appointed for a two-year term ending in November of odd numbered years. Vacancies in any term shall be filled by the Mayor and City Council in like manner for the balance of the unexpired term.

4. The eight (8) citizen members shall be appointed for a term of three (3) years; however, the initial appointments to the Board shall be staggered such that four (4) members are appointed to a term of three (3) years; two (2) members are appointed to a term of two (2) years; and two (2) members are appointed to a term of one (1) year. Vacancies in any term shall be filled by the Mayor and City Council in like manner for the balance of the unexpired term.

5. Community organizations that represent cultural relations interests will be advised of the creation of the Board and encouraged to participate.

6. The Board shall appoint a Chairperson, Vice-Chairperson, and Secretary from among the eight (8) resident members.

7. For the first six (6) months, the Board shall meet on a monthly basis, with additional meetings thereafter scheduled as required and agreed upon by the Board. All Meetings shall be noticed and conducted in accordance with the Michigan Open Meetings Act (1976 PA 267, MCL 15.261 through 15.275, as amended).

8. Five (5) voting members of the Board shall constitute a quorum for the transaction of business. A majority of affirmative votes of the Board shall be required for adoption and recommendation of any proposed action of the Board.

9. The staff representative shall assist the Board in the performance of its duties and notify members of the date, time, and place of meetings of the Board.

10. The Board shall: a) Serve in an advisory role to the City Council on human relations and diversity-related issues; b) Serve as a resource and an advocate on behalf of the community on human relations and cultural diversity issues; c) Review, suggest and champion policies, programs, services, and events, which enhance human relations and cultural diversity by consciously and consistently seeking to serve all residents; d) Build purposeful relationships with residents, the outlying community, Council, other City leadership and a wide range of local, state, national and international groups, agencies and organizations to respect diversity and promote unity in the City; e) Communicate accurate and respectful information in order to educate the community of the City's rich cultural heritage and diversity; f) Provide support/vision to the staff to promote the cultural initiatives and events as identified by the Board and approved by the Council; g) Identify opportunities to increase the awareness of cultural diversity among citizens by establishing ongoing dialogue and interaction to promote respect for diversity among all citizens within the City.

11. This resolution shall be effective on the date adopted below. ADOPTED by the City Council of the City of Madison Heights, Michigan, this 24th day of August, 2015.

Councilwoman Scott suggested that one member of the commission belong to the Community Round Table and one be a youth delegate.

Mayor Pro Tem Corbett thanked Councilman Soltis for bringing this idea forward; it fits with our community as it progresses.

Councilman Bliss also thanked Councilman Soltis for the concept, stating that there is a need in the community for this type of board and it is relevant for today.

Councilman Soltis stated that he appreciates Council's support. He noted that he has already received a dozen inquiries to serve on the commission and he agrees with Councilwoman Scott's membership suggestions.

CM-15-238. Resolution in Opposition to House Bill 4609.

Motion by Councilman Soltis, seconded by Mayor Pro Tem Corbett, to approve the following Resolution in Opposition to House Bill 4609:

> RESOLUTION IN OPPOSITION TO MICHIGAN HOUSE BILL 4609 WHICH HINDERS WORKING FAMILIES AND LIMITS ECONOMIC OPPORTUNITY AND CREATES GREATER POVERTY BY ELIMINATING EARNED INCOME TAX CREDIT

WHEREAS, Michigan House Bill 4609 will eliminate the Michigan Earned Income Tax Credit (EITC) to pay for fixing Michigan's roads - effectively increasing taxes on nearly 800,000 low-income working families raising 1 million kids; and,

WHEREAS, the EITC lets working families who earn low wages or who have fallen on hard times keep more of what they earn to afford the basics; and,

WHEREAS, the EITC has proven to be effective anti-poverty tool that reduces the number of children living in poverty and at its current rate, it lifts about 7,000 working families above poverty; and,

WHEREAS, the EITC has long-lasting, positive effects on children, improving infant health, helping students to do better and go farther in school, and increasing work and earnings in future generations; and,

WHEREAS, Michigan ranks 29th in Tax Equality where state legislators rely too heavily on regressive sales and property taxes that excessively shoulder small business owners and employees with the responsibility of funding our shared obligations - education, roads and communities; and,

WHEREAS, Michigan ranks 48th in the percentage of local and state tax revenue contributed by businesses where the Michigan legislature passed the largest tax shift - from corporations onto individuals - in state history. As a result, individuals have seen their taxes increased by over $4 billion since 2012; and,

WHEREAS, while small business owners and employees do more than their part to invest in Michigan's future, corporations and the wealthiest 1 percent are not contributing their share to a state that educates their workforce, maintains the roads they rely on to move their goods and services, and provides healthcare to their low-income employees; and,

WHEREAS, Michigan has fallen from 16th to 35th in Median Household Income since 1999 and Income has declined by $15,633 (over 24 percent) since 1999, and "reforms" have done anything but make the problem worse by shifting taxes

from corporations onto working families and retirees, and cutting the essential services we all need to compete for jobs, create economic growth and shared prosperity; and,

WHEREAS, according to the U.S. Census Bureau in 2013, the Great Recession of 2008 had lasting effects even to this day with a tremendous impact on Madison Heights Household Incomes, as evidenced by the following statistics of those living in poverty over the last 12 months:

Married couple families with related children under 18 years - Michigan: 8.5% Madison Heights: 16.9%

Married couple families with related children under 5 years - Michigan: 8.5% Madison Heights: 27.3%
Families with female householder, no husband, with related children under 18 years - Michigan: 45.2% Madison Heights: 44.3%

Families with female householder, no husband, with related children under 5 years - Michigan: 54.7% Madison Heights: 76.3%; and,

WHEREAS, if the Michigan EITC stays at 6%, it will pull almost 7,000 families out of poverty and ease hardships for hundreds of thousands more. At 20%, the Michigan Earned Income Tax Credit will pull more than 20,000 families out of poverty.

NOW, THEREFORE BE IT RESOLVED, that the City Council of Madison Heights strongly believes that the EITC needs to at least stay at its current rate and advocates an increase in the EITC for the working families in Madison Heights as well as throughout southeastern Michigan in order to help restore some measure of economic equality for those who desperately rely on it.

BE IT FURTHER RESOLVED, in addition, through this public statement, Council wishes to create a sense of urgency of this issue as well as heighten awareness of those individuals who have been working while raising a family and who are more likely to experience dire consequences.

BE IT FURTHER RESOLVED, that the City encourages the Michigan Legislature to not tax poor working families and single mothers to pay for road repairs or for any other reason and instead to help alleviate children in poverty by sustaining the crucial safety net that so many Michigan and Madison Heights families rely on for economic survival.

BE IT FINALLY RESOLVED, that a copy of this Resolution be provided to U.S. Senators Debbie Stabenow and Gary Peters, U.S. Representative Sander Levin, Governor Rick Snyder, State Representative Jim Townsend, State Representative Jeff Farrington, State Senator Vincent Gregory, and the

Michigan Municipal League.

Councilman Bliss expressed his disappointment that City Council is considering this resolution, stating he believes that this type of legislation is not something the City Council should be deliberating. He believes Council needs to spend less time on these types of resolutions and more time on local legislative matters. He added that the City Council is a non-partisan body with the sole purpose of operating within our borders; this type of discussion detracts from what our jobs are as a City Council. He added, individuals, however, and by all means, should have a voice on these matters. He stated that he believes this resolution is partisan in nature, and City Council shouldn't engage because Council is a non-partisan board.

Councilman Soltis disagreed stating he believes City Council should look beyond our municipal borders, because these types of laws trickle down to the local level and affect those within our city limits. The key is solidarity and creating a binding voice, and resolutions such as this are ways to alert the citizens of Madison Heights to something that may be devastating to them. It is not partisan in nature; rather it is about our citizens.

Councilman Clark concurred with Councilman Bliss' comments.

CM-15-243. Mayor and Council - Comments.

Councilman Corbett stated he will be resuming Friday office hours from 1 p.m. - 3:00 p.m. at the library beginning on September 7th. No appointments are necessary.

Councilman Bliss provided an update on Sunset Park/Halfman discussion. He announced a public forum on September 17th at 7 p.m. at the Halfman School. The forum will provide an opportunity to hear what has been discussed so far and get your questions answered. He noted that there will be a survey on the city's website as well as one mailed to those residents in the area. The survey is only 9 questions and is a great opportunity for residents to voice their opinions.

Councilman Gettings had no comments this evening.

City Attorney Sherman congratulated Councilman Gettings on his re-appointment to City Council. He thanked Council, staff, former Council members, and the community for their outpouring of support through their kind words, Facebook posts, tributes, and condolence calls on the passing of his mother. It provided great comfort and strength to his family and him.

City Manager Myers had no comments this evening.

Councilman Clark stated the After-Glow Car Show was cancelled in June and is re-scheduled for August 29th, beginning at 8 a.m. at Lamphere High School. It is a fun day, with many great events planned. He announced that the Friends of Madison Heights Youth have invested over $260,000 towards youth programming in Madison Heights. He continued his comments by noting this is the season for home repair cons. He advised for senior residents to not engage with door-to-door solicitors or give them work. He requested that if you have an elderly person living close to you, and you see these types of solicitors, take a minute to go over to help out and be their eyes and ears. When in doubt call the police. He also stated that for $6 a year, residents can get the *Senior Scoop* delivered to their house. This past addition had 13 pages of things to do at the Senior Center, activities, and trips available for the community's seniors. He stated that the Veterans Program will be on Tuesday, November 10th at 11:00 a.m., and will honor those that have served in any of the armed forces. Veterans are invited to stay for a free lunch, and it is a very enjoyable program.

Councilwoman Scott provided the answer to the trivia question from the last meeting:

Who are the only people that were elected to City Council and a school board position?

a. Elva Mills and Doug Mac Lean
b. Robert Gettings and Cindy Rothwell Holder
c. All of the above
d. None of the above

c. All of the above is the correct answer

She stated this week's trivia question is:

Who was our first Police Chief and first Fire Chief?

a. Jerry Crossley and Donald Hoskins
b. Edward Sloan and his brother Ozzie Sloan
c. Robert Richardson and Joseph Sloan
d. Dale Whitefield and Willam Donahue

Councilman Soltis discussed the Earned Income Tax Credit further, emphasizing that it is crucial to continue to look at policies at other levels of government. He stated that he considers himself to be a public advocate, especially for those who don't have a voice at the upper levels of government. He stated that if you are interested in serving on Multicultural Relations Advisory Board, to please contact him.

Mayor Swanson stated that Assistant City Attorney Jeff Sherman did a wonderful eulogy at their mother's service and offered his support to the Sherman family. He concluded his comments by concurring with the sentiments of Council.

Jim Capizzo, 863 Venoy, stated that when upper level public officials don't listen to the will of their constituents, the responsibility falls to them.

CM-15-266. Mayor and Council - Comments.

Councilman Corbett stated that he is glad to see all of the schools successfully back in session.

Councilman Bliss provided an update on Sunset Park/Halfman discussion. He invited the public to the Parks and Recreation forum to be held on September 17th at 7 p.m. at the Halfman School. The forum will provide an opportunity to hear what has been discussed to date and get your questions answered. He noted that there is a survey on the city's website as well as one was mailed to those residents in the area. The survey is approximately 10 questions, and is a great opportunity for residents to voice their opinions. He encouraged everyone to take the time to participate. He stated that Movoto.com has ranked Madison Heights one of the top suburbs of Detroit for young professionals, citing our cost of living, public library and park facilities. He stated that this recognition is a great testament that living in Madison Heights is a best kept secret for young professionals, and the goal is to turn that into common knowledge for everyone.

Councilman Gettings had no comments this evening.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers stated that Police Lieutenant Tom Kenyon is facing a serious illness and has to travel out of state to undergo a dangerous operation. There is a GoFundMe site as well as a fundraiser on September 24 at the United Food and Commercial Workers Union to help alleviate some of the expense.

Councilman Clark invited seniors and anyone interested, to come see the new updates and paint at the Senior Center, and gave thanks to Erin Pruitt and the volunteers from Home Depot for their hard work. He announced the following events at the Senior Center: free flu shots will be available at the Mini Health Fair on October 15th; Apple Pie Day is on October 12th with orders beginning on October 5th; the Veteran's Day Program is on November 10th, and he encouraged veterans to participate in the event.

Councilwoman Scott provided the answer to the trivia question from the last meeting:

Who were the City of Madison Heights first Police Chief and first Fire Chief?

c. Robert Richardson and Joseph Sloan

She stated this week's trivia question is:

In what decade was the Lamphere district formed?

a. 1830's
b. 1920's
c. 1950's
d. 1960's

She encouraged people to attend the fundraiser for Tom Kenyon, commenting that he has put on wonderful workshops on protecting yourself in the workplace that she has attended and learned from. He and his family will appreciate any support received.

Councilman Soltis expressed his thoughts and prayers to the Kenyon family. He thanked Mayor Pro Tem Corbett for the historical documentation on the City's efforts in the past on addressing cultural change issues. He continued that the Multicultural Advisory Board is seeking applicants and those who are interested in serving can go online for an application or contact the City Clerk's office.

Mayor Swanson echoed the sentiments of City Council.

CM-15-271. Meeting Open to Public.

Gloria Moore, 27368 Dartmouth, she stated she lives in the south area of Madison Heights and likes the City's parks. She would support them being spruced up, but not being used for housing.

Jason Chaput, 20465 Starina, Clinton Township, spoke to the City Council regarding his personnel issues with the City. He requested to speak to staff regarding his questions. City Manager Myers noted that he will provide a report to Council on the matter.

Merri Busch, 1117 E. Hudson, thanked the City for being transparent in Sunset Park/Halfman discussion and stated that she appreciates the efforts made by Council to listen to the residents on their desires for the space. She requested that the Parks and Recreation Advisory Board minutes be updated online. She stated that the decisions we make, while they may be small in scope, have impact on generations into the future. She requested that the City find a way to buy the property, or get it back from the school district, so that the City retains green space.

Ron Goatley, 320 E Farnum, stated that he has lived in City all of his life, and the City has always prided itself on their parks. Sunset Park/Halfman is the only park in south end and we need to keep that park. The children south of Lincoln won't have a park if this is turned into houses, and he doesn't want to see that happen. He urged Council to save the park space.

Wayne Reif, 950 E. Lincoln, stated that he is not sure why the public comments are addressing the Sunset Park/Halfman issue at this time, since the City has no control over the land unless the school district closes the building. If the City does retain the land, he would like to see it returned to a park. He noted that the City's Parks and Recreation Master Plan identifies a deficiency of park space in this area. He stated that he is upset that the City has a history of closing parks in south end, and complained that there are no areas for children to play basketball in area.

Jeremy Haggard, 1116 E Brockton, echoed the previous comments made regarding Sunset Park/Halfman, adding that it is very important to keep parks open. He requested that the City perform code enforcement on businesses south of 11 Mile, noting that he believes Code Enforcement is doing their job, but could use some additional help.

CM-15-272. Ryan Spiteri – Resignation from the Parks and Recreation Advisory Board.

Motion by Councilman Bliss, seconded by Councilwoman Scott, to accept Ryan Spiteri's resignation from the Parks and Recreation Advisory Board and declare the seats vacant; and direct the City Clerk to prepare a Certificate of Recognition for his service to the City.

CM-15-282. Mayor and Council - Comments.

Mayor Pro Tem Corbett commented that no one on Council or the City Manager could answer the Mr. Chaput's questions tonight due to union policy, contract

stipulations, and federal law, and that is why there was no response when he spoke during public comments.

Councilman Bliss noted that the public forum was held on the Sunset Park/Halfman discussion, and the Parks and Recreation Advisory Board will be meeting the first week of October to formalize their recommendations to City Council. He noted that great suggestions and feedback have been received. He thanked the almost 80 residents that attended the public forum, the over 200 respondents that participated in survey, Parks and Recreation Advisory Board members for holding their meetings and hosting the public forum so that the issue could be well vetted, City staff for administrative support, Halfman staff for assistance with the forum, and City Council. He noted that there are two alternate seats open on the Parks and Recreation Advisory Board, and he encouraged those who spoke on this matter to apply. There are also three student representative spots open on the board as well, and he asked any students who may be interested to apply. He stated that the City is working on a Mock Student Council/Internship program which will give high school students a chance to sit in a council seat and understand the workings of city government as a whole. Anyone that is interested please contact the City for more information.

Councilman Gettings thanked residents for coming to meeting tonight, and for participating in the survey.

Assistant City Attorney Sherman thanked City Council for their thoughts and condolences on the passing of his mother.

City Manager Myers noted that while he is not quite to a 60th wedding anniversary like the couples this evening, he and his wife are celebrating their 24th wedding anniversary today.

Councilman Clark concurred with Mayor Pro Tem Corbett's comments on the personnel matter brought up this evening. He noted that the eulogy given by Assistant City Attorney Sherman was one of the warmest and best eulogies that he has ever heard. He reminded the audience that the Veterans Program is on November 10th at 11:00 a.m. at the Senior Center and the Apple Pie fundraiser is on October 12th, with orders beginning on October 5th.

Councilwoman Scott thanked the citizens who came this evening. She stated that she appreciates their ideas and comments.

She provided the answer to the trivia question from the last meeting:

In what decade was the Lamphere district formed?

a. 1830's

She announced that the graduating seniors and parents are working on the Lamphere All Night Party, and are having a Greektown Casino fundraiser bus trip. Visit the Lamphere website for more details. She wished her grandson, Dylan, a happy 17th birthday.

Councilman Soltis thanked those who volunteered to serve on the Multicultural Relations Advisory Board.

Mayor Swanson echoed the sentiments of City Council. He stated that the Michigan Association of Planning is recognizing Community Development Director Schafer for his 30 Years of Service and the City is also receiving a 20 Year Community award. He reminded the audience that this Sunday is the free Fall Festival, from Noon until 4 p.m. at the Nature Center. There will be lots of fun and activities for the family. He commented that Oakland County has replaced broken signs at the Nature Center. He stated that the fundraiser for Lieutenant Tom Kenyon was successful and his surgery is in California on Wednesday; please keep him in your prayers. He congratulated the City for receiving the Distinguished Budget Presentation Award from the Government Financial Officers Association. City Manager Myers recognized Deputy City Manager Marsh, former Executive Assistant Vesprini, Human Resources Director Misczak, and the Department Heads for their contributions on the budget document.

CM-15-297. Mayor and Council - Comments.

Councilman Bliss stated that the Friends of the Madison Heights Public Library annual used book sale would be taking place on Saturday, October 17, 2015 from 9:00 a.m. – 3:00 P.M. and on Sunday, October 18, 2015 from 1:00 p.m. – 3:00 p.m. There are some good deals to be found as paperback books are $0.50 and children's books, and hardcover are $1.00. Also, DVDs will be

$2.00. He also asked that DPS reach out to Rizzo to have a conversation about broken and or damaged trash cans or recycle bins.

Councilman Gettings had no comments this evening.

City Attorney Sherman glad was able to surprise Mayor Pro Tem and his wife with the 25th wedding anniversary certificate.

City Manager Myers stated that for those who have been around City Hall lately they have seen a lot of pink. It is Breast Cancer Awareness month and Madison Heights has an initiative called "Paint the City Pink", with several activities happening this month. Brian Christy, Co-Chair for the Susan G. Komen, Detroit Race for the Cure and Kamanos Cancer Instituite, was here October 1, 2015 from 12:30p.m. – 4:30 p.m., with information and an information wheel to test your knowledge. Also, we are selling pink t-shirts and we are sponsoring a best dressed window display the week of October 12-16. Take a photo and post it on Facebook, the most Facebook likes wins. In addition, there will be a best dressed in pink contest the week of October 19-23, 2015. City residents, companies and employees, friends, neighbors, etc. can get dressed in their best pink, take a photo and post it on Facebook. The most likes wins. Thank you to Madison Schools for allowing the use of the Wilkinson Middle School parking lot on Thursday, October 29, 2015 for the St. John Providence Mobile Mammography center. You can make an appointment by calling 844-757-6266. Finally, the Paint and Sip girls' night out will be held Thursday, October 29, 2015, from 6:30 p.m. - 8:30 p.m. Contact the DPS for registration information.

Acting Clerk Sanchez mentioned that the general election will take place on November 3, 2015, and anyone in need of an absentee ballot can apply now.

Councilman Clark stated that flu shots and a mini health fair will be offered on Thursday, October 15, 2015 at 10 a.m. at the Senior Center. Also, on Tuesday, November 10, 2015, the Senior Center will be holding a special Veterans Day program to honor those who have served in each branch of the armed forces. If you are interested in attending, please call 248-585-3464, by November 6, 2015 to sign up for lunch.

Councilwoman Scott stated that this week's trivia questions are:

17. What Madison Heights "Pioneer family" settled her in 1867 and donated a portion of their farm land in 1926 for a one-0room schoolhouse that stood in our city until it was torn down in 2005?

    a. Diesing
    b. Hiller
    c. Lamphere

d. Kendall

18. What local lumbar company opened here in 1939, advertised materials for backyard chicken coops and had the unofficial slogan of "If we don't have it, you don't need it!"?

a. Bolyard Lunber Co.
b. John R. Lumber
c. Billings Feed Store
d. Travnikar Sod

In honor of Breast Cancer Awareness month, we had our cross-town football game in which Madison Schools won the game 21-0 over Lamphere High School. There were several activities to raise funds, and it was a wonderful celebration. Thank you to Madison Schools for hosting the event. Madison School players wore pink uniforms and Lamphere School players wore pink socks and it was wonderful.

Councilman Soltis stated that there was an article in the C&G news regarding feedback for starting a Child Poverty Prevention Task force highlighting the playbook for the esteemed Monte Geralds who he had admired. Councilman Soltis stated that he would like implement a poverty taskforce within our city's limits. He continued that approximately 7,000 residents in our city live in or just above poverty. He also stated that he does not wish to reinvent the wheel, but to locate and identify the disconnects within the system and begin to make the necessary repairs. He closed by stating that poverty exists here and one child is too many, one senior is too many and one working family is too many.

Mayor Pro Tem Corbett stated that, for the benefit of those watching at home, the matter the gentleman raised under Meeting Open to the Public is an area that we cannot speak about in a public forum. He has a right to address the council for three minutes. He also commented that every Friday, Council has office hours at the library from 1 p.m. – 3 p.m. If you have an issue that you need assistance with, and any member of council may be there also, just call the Manager's office and they will schedule a time. He also stated the Madison Heights Community Round Table is hosting a Meet the Candidates Lunch at Lamphere Board Office, 31201 Dorchester, on October 21, 2015 at 11 a.m. A lunch will be served for a fee of $7.00 per person. Lastly, thank you for the Anniversary recognition.

Mr. Gettings has indicated that Dr. Robert Adas, Podiatrist, from Huntington Woods, will be going to the Senior Center to provide services to the seniors on site.

City Manager Myers read the following Certificate of Appreciation into the record:

CERTIFICATE OF APPRECIATION

WHEREAS, the Madison Heights Home Depot and the Home Depot Foundation were instrumental in helping the Madison Heights Senior Center receive a much needed and well deserved cosmetic update; and,

WHEREAS, for the past two years, Joe Frantangelo has worked with City staff as the main liaison for the Senior Center face-lift project, helping determine the job scope, determined a breakdown of all the needs, provided assistance with the grant application and filing, helped with the purchasing of supplies, and made sure the plan reached completion; and,

WHEREAS, Joe stayed in communication with Senior Center staff during the entire length of the project, including providing his private cell phone and answering any questions, even on his days off; and,

WHEREAS, Alana Hart of the Home Depot Foundation worked with Joe to finalize the project scope, assisted with the grant application, helped plan the work date, and was on-site for the job set-up and during the completion of the project to ensure that everything ran smoothly; and,

WHEREAS, the volunteer services provided by Joe Frantangelo of the Madison Heights Home Depot and Alana Hart of the Home Depot Foundation have greatly assisted the City in keeping our Senior Center updated and beautiful, and both have had a demonstrable positive impact on our community.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council extend heartfelt thanks to Home Depot employees Joe Frantangelo and Alana Hart for providing these great services, and extend this certificate as a symbol of our appreciation for their civic-minded contributions to the City of Madison Heights.

CM-15-305. Presentation – Certificate of Appreciation to Volunteers and Staff – Senior Center Improvement Project.

City Manager Myers read the following Certificate of Appreciation into the record:

CERTIFICATE OF APPRECIATION

WHEREAS, volunteers were instrumental in helping the Madison Heights Senior Center receive a much needed and well deserved cosmetic update; and,

WHEREAS, volunteer and Senior Advisory Board member Erin Pruitt envisioned the project, made weekly phone calls to Home Depot representatives and followed through on the planning, coordinated volunteers and monies for the painting portion of the project, cleaned out landscaping and re-established new garden beds, created 16 new pieces of art work for the center, and helped repurpose many pieces of furniture; and,

WHEREAS, Tim Pruitt worked with his wife, Erin, to cut back many overgrown trees and bushes around the Senior Center, pulled out old plantings, helped re-plant the gardens, and donated his time to install new lighting and a ceiling fan in the front room of the Senior Center; and,

WHEREAS, Senior Center staff Jennifer Cowan, Carrie Durkin, Geri Easton, and John Leuffgen assisted in the project by repurposing many pieces of furniture by reupholstering, repainting, and decorating numerous chairs and tables, and helped with the painting of the inside of the Senior Center; and,

WHEREAS, the volunteer services provided by these individuals have greatly assisted the City in keeping our Senior Center updated and beautiful, and all have had a demonstrable positive impact on our community.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council extend heartfelt thanks to Erin and Tim Pruitt, and Senior Center staff Jennifer Cowan, Carrie Durkin, Geri Easton, and John Leuffgen for providing these great services, and extend this certificate as a symbol of our appreciation for their civic-minded contributions to the City of Madison Heights.

Mayor Swanson presented the Certificates of Appreciation to Erin and Tim Pruitt, and Senior Center staff Jennifer Cowan, Geri Easton and John Leuffgen and thanked them for their dedication and hard work on the Senior Center Improvement project.

CM-15-310. I-75 Modernization Project Resolution.

Motion by Mayor Pro Tem Corbett, seconded by Councilman Gettings, to approve the following resolution, which was read into the record by City Manager Myers:

RESOLUTION IN OPPOSITION TO I-75 WIDENING PROJECT FUNDING METHODOLOGY AND IN SUPPORT OF SENATE BILL 557

WHEREAS, the Michigan Department of Transportation (MDOT) proposes to widen and improve I-75 from Hazel Park to Auburn Hills; and,

WHEREAS, this project has been in some phase of study and analysis since 2000; and,

WHEREAS, MDOT has publicly denoted the construction phases since February 18, 2014, with the Madison Heights phases scheduled for 2020, 2022 and 2024; and,

WHEREAS, MDOT unilaterally, without discussion or notice, changed the proposed construction phasing in the summer of 2015 such that the Madison Heights phases are now proposed to be in 2018, 2024 and 2026; and,

WHEREAS, MDOT proposes to utilize the Public Act 51 road funding formula to require that Madison Heights pay an estimated local share of $4,025,000 for all three phases ($800,000 in 2018, $425,000 in 2024, and $2,800,000 in 2026); and,

WHEREAS, this local match would essentially eliminate the City's ability to provide road maintenance and reconstruction for more than three years; and,

WHEREAS, the City has repeatedly voiced opposition to MDOT's proposed change to the project phasing as well as the use of the Act 51 funding formula for road projects with regional, national, and even international significance and impact; and,

WHEREAS, the City has cited the lack of any public or municipal notice or opportunity for input regarding the change in project phasing, the extensive and widespread impact on the City's road network during construction with no compensation by MDOT, the recent I-75 service drive improvements made by the City (based in major part on the previous project schedule), and the complete loss of future tax revenue from the 25 total property takings and 5 partial property takings.

NOW, THEREFORE BE IT RESOLVED, that the City Council of Madison Heights strongly objects to MDOT's planned advancement of the I-696 / I-75 "Braid" phase of construction from the original 2020 to 2018.

BE IT FURTHER RESOLVED, Council strongly supports Michigan Senate Bill 557, introduced by Senator Knollenberg, which would eliminate Act 51 requirements for local share contributions on this and other MDOT Trunkline projects.

BE IT FURTHER RESOLVED, that the City requests that MDOT honor its previous construction segment phasing.

BE IT FINALLY RESOLVED, that the City Clerk provide a copy of this Resolution to U.S. Senators Stabenow and Peters, U.S. Representative Levin, Governor Snyder, State Representative Townsend, State Senator Knollenberg, State Senator Gregory, State Senator and Transportation Committee Chair Casperson, the Cities of Royal Oak, Hazel Park, Troy and Auburn Hills, and Bloomfield Township, the Southeast Michigan Council of Governments, and the Michigan Municipal League.

ADOPTED by the City Council of the City of Madison Heights, Michigan, this 26th day of October, 2015

Mayor Pro Tem Corbett summarized the reasoning behind the resolution and the concerns that the City has pertaining to how the project is funded. He added that he believes that it is not fair that other communities will benefit from the improvements, but only the cities that actually have the project within their boundaries are being asked to pay.

CM-15-317. Mayor and Council - Comments.

Mayor Pro Tem Corbett reminded the audience that he has office hours on Fridays from 1:00 p.m. – 3:00 p.m. at the library. He is available to hear questions, concerns, and comments. He noted that the City General Election is on November 3rd and the polls open from 7 a.m. until 8:00 p.m. Please come out and exercise your right to vote. He thanked Council and the citizens for this unique community, and stated that it is interesting and a pleasure to contribute to. He looks forward to the next term.

Councilman Bliss stated he had opportunity to take his daughter to the library book sale where they both had a great time. He thanked all of the volunteers and the Friends of the Library for their hard work. He requested that staff look into the possibility of modifying one or more of the City Hall restrooms to be family restrooms, where the appropriate space exists.

Councilman Gettings acknowledged his my mother's birthday which would have been today.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers thanked the department heads and supervisors and assistant employees and bargaining units, and the bargaining teams for their work in negotiating their contracts.

City Clerk Printz stated that the deadline to apply for an absentee ballot by mail is Saturday, October 31st. The City Clerk's office will be open from 9 a.m. – 2 p.m. on that day for election business only. The City General Election is Tuesday, November 3, 2015. She noted that Precinct 5 is located at Madison Elementary School and Precinct 2 is located at the Keys Grace Academy, the former Edison School. Polls will be open from 7 a.m. – 8 p.m. If you have any questions, please call the City Clerk's office at 248-583-0826.

Councilman Clark stated that if you want a little exercise, the Senior Center has equipment for your use. The cost to join the center is $30 annually. He noted that every Thursday there is Bingo, and a Craft Show is scheduled for November 19th from 9 a.m. – noon. He thanked the volunteers for picking apples and baking pies, noting the apple pie fund raiser was a complete sell out. He stated on Tuesday, November 10, 2015, the Senior Center will be holding a special Veterans Day program to honor those who have served in each branch of the armed forces. If you are interested in attending, please call 248-585-3464, by November 6, 2015 to sign up for lunch. He also provided information on rats, including how they find shelter and food. He concluded his comments by stating how thankful he was to the volunteers for their efforts in updating the Senior Center.

Councilwoman Scott thanked Councilman Clark for his innovation in starting the SHARP program and getting so many to volunteers to help those that are in need. She acknowledged Councilman Gettings' mother's birthday, stating that Evelyn Gettings was a wonderful, inspiring woman and she is missed. She announced that Congressman Sander Levin will be at the next 9th District Democratic meeting at the Plumbers Local 98, 555 Horace Brown Dr., and encouraged those interested to attend. She thanked Mike Pietraszewski for his work in helping with the Heritage Rooms. There is a meeting tomorrow to finalize the grand opening details. She added that the room can be viewed at any time, just make an appointment at the library.

She stated that the answers to last Council meeting's trivia questions are:

What Madison Heights "Pioneer family" settled here in 1867 and donated a portion of their farm land in 1926 for a one-room schoolhouse that stood in our city until it was torn down in 2005?

d. Kendall

What local lumber company opened here in 1939, advertised materials for backyard chicken coops and had the unofficial slogan of "If we don't have it, you don't need it!"?

b. John R. Lumber

Councilwoman Scott stated that this week's trivial question is: What address and/or location is the oldest home to remain standing today in Madison Heights?

a. 1186 East 12 Mile Road, between Dequindre and John R.
b. 28960 John R Road, on the corner of 12 Mile and John R.
c. 1560 East 13 Mile Road, just west of Dequindre
d. 950 East Lincoln Avenue at the intersection of Wolverine

Councilman Soltis thanked the employees and everyone involved in ratifying contracts. He is very proud of our employees and glad we were able to agree on a fair contract. He noted that he found some interesting data from the Brookings Institute related to the Earned Income Tax Credit, showing how critical this program is to the citizens of Madison Heights. He provided data highlighting that there are a lot of people – including seniors and children of working families – struggling with economic inequality right in our own backyard. In 2013, the EITC lifted about 6.2 million people out of poverty, including about 3.2 million children. The credit also reduced the severity of poverty for another 21.6 million people, including 7.8 million children. This is why he feels so strongly that we can play a much bigger role to help those disadvantaged, especially seniors and children in our community. He also stated it is okay to speak out to Lansing or even Washington when it comes to our residents, and he firmly believes that it's our moral responsibility as a community and individuals.

Mayor Swanson echoed the sentiments of Council.

Emily (last name inaudible), a Royal Oak High School student, asked what was on the upcoming election ballot. Mayor Swanson responded that there were city offices for Mayor and City Council on the ballot.

Jim Capizzo, 863 Venoy, inquired how long the City has known about the I-75 construction project. City Manager Myers stated that MDOT first approached the City regarding the scope and the City's estimated contribution approximately 2 years ago when these details were first announced, and the planning and discussion on the overall project itself began in the early 2000's.

CM-15-320. Mayor and Council - Comments.

Mayor Swanson stated that it has been an honor to serve as Madison Heights Mayor for the past 16 years and he is very humbled, appreciative, and honored to have done so. He stated he holds the office of Mayor in the highest esteem, and it has been one of the greatest parts of his life. He continued by noting he has been blessed to work with great City Managers, department heads, and

great employees. He concluded his comments by stating that he is proud to have been the Mayor, wishes Mayor-Elect Hartwell the best of luck, and he thanked the citizens of Madison Heights for the opportunity to serve.

On behalf of City Council, Mayor Pro Tem Corbett presented Mayor Swanson with a plaque commemorating Mayor Swanson's service to the City of Madison Heights.

On behalf of City Council, Councilwoman Scott presented a Tribute Certificate to Mayor Swanson, and she read the tribute into the record as follows:

TESTIMONIAL CERTIFICATE

WHEREAS, Edward C. Swanson was first elected as the Mayor of the City of Madison Heights on November 8, 1999; and,

WHEREAS, Edward C. Swanson is the second longest serving Mayor in the City's history, serving in this capacity for 16 years from November 8, 1999 to November 9, 2015, and,

WHEREAS, Ed and his wife, Elaine, spearheaded the fundraising efforts to maintain the City's Tree Lighting Ceremony and the Nature Center's Fall Festival, as well as sponsored both of these events, ensuring the continuation of these cherished City activities; and,

WHEREAS, Ed's years of service have been marked by his exemplary dedication to the best interests of the community as he worked tirelessly for the betterment of its economic, cultural and aesthetic development, earning the admiration and high regard of those with whom he has interacted.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of Madison Heights wish continued success to this most esteemed public servant, who has demonstrated his deep and genuine love for this city and surrounding area and who has earned the respect of civic leaders and citizens alike.

BE IT FURTHER RESOLVED, that this certificate be hereby tendered on behalf of the entire community in deep appreciation for his distinguished service and with our best wishes for continued success in all his future endeavors.

CM-15-321. Meeting Open to the Public.

Former City Manager and resident, Jon Austin, 30880 Avondale, stated that he had the privilege to serve under Mayor Swanson for fourteen of his sixteen year tenure. He noted the attributes of Mayor Swanson including: success, class-act, humor, Christian, caring, dedicated, positive, supportive, loyal, service and a friend. He stated that these attributes represent just a part of Ed Swanson's great legacy as mayor of this fine city. On behalf of himself, his family, and the community he thanked Mayor Swanson for his service and wished him the best of luck.

Tammy Swanson, 31274 Kennwood, representing the Madison Heights Intermediate Women's Club, thanked Mayor Swanson for all that he has done and presented him with a token of their appreciation.

Oakland County Commissioner Gary McGillivray, 926 Tanglewood, presented a plaque from the Oakland County Board of Commissioners to Mayor Swanson, thanking him for his dedication and great job that he did as mayor.

Former City Councilman Doug McClean stated that Mayor Swanson brought the city through hard times and he thanked him for his service.

Former City Councilmember Lindell Ross, 30820 Plum Lane, presented his new book, *The Old West: A Poetic Documentary*, to Mayor Swanson and thanked him for his service.

Mayor Swanson stated that he really appreciates everyone being here tonight and it has been a great joy and a pleasure to serve; it has been a good 16 years.

CM-15-322. ADJOUNMENT OF THIRTIETH COUNCIL.

Mayor Swanson adjourned the Thirtieth City Council at 7:47 p.m.

CM-15-323. OATH OF OFFICE TO THIRTY-FIRST COUNCIL.

43rd District Court Judge Keith P. Hunt administered the Oaths of Office to Mayor Brian C. Hartwell, and Councilmembers Robert J. Corbett, Jr., Robert B. Gettings, and Margene Ann Scott.

CM-15-324. Call to Order the Thirty-First City Council.

Mayor Hartwell stated that being chosen by the people of Madison Heights to serve as Mayor is one of the greatest honors of his life. He noted that Mayor Swanson served with distinction and his impact on the City is deep and profound. Ed Swanson galvanized the spirit of cooperation at City Hall. He held the city together during the biggest economic recession since the great depression and he taught us to be patient even during wild public debates, because he truly values representative government. While Mayor Swanson is quick with a joke, when the time comes for business he employs his vast knowledge. Ed Swanson is gracious, a valued friend, and he thanked him for his service.

Mayor Hartwell recognized that he is only one of seven on Council, and if a Council person supports a project, the hope is that every project will benefit the residents first. He thanked his family, his girlfriend, Kathy Koziol, and his neighbors and friends, noting the biggest thanks goes to the voters. He stated that he is truly a local person, growing up in Madison Heights, having a business here, and he promises to work hard and give back to the community. He noted that his grandmother, Marge Dignard, was an immigrant who chose to settle her family in Madison Heights. He is grateful to her as well as his parents, Ray and Diane Hartwell, for their support. He introduced his family, and noted that his Dad reminded him on the night of the election that his grandmother Emma Hartwell worked hard to pass the City Charter and it was her birthday as well. He concluded his comments by stating everything he is he owes to his family.

Mayor Hartwell called the first meeting of the Thirty-First City Council to order and the City Clerk called the roll.

Present: Mayor Hartwell and Councilmembers Bliss, Clark, Corbett, Gettings, Soltis and Scott. City Manager Myers, City Attorney Sherman and City Clerk Printz.

Absent: None.

Mayor Hartwell called for a brief adjournment and recessed the meeting at 7:57 p.m.

Mayor Hartwell reconvened the meeting at 8:10 p.m.

CM-15-325. Mayor Pro Tem Appointment for the Thirty-First City Council.

CM-15-326. Presentation – Certificate of Recognition to Ryan Spiteri.

City Manager Myers read the following Certificate of Appreciation into the record:

CERTIFICATE OF APPRECIATION

WHEREAS, the Mayor and City Council of the City of Madison Heights wish to express on behalf of the City their appreciation to

Ryan Spiteri

in recognition of outstanding service to the community; and

WHEREAS, he has furthered those ideals that contribute to a better community.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council, being the duly elected representatives of the people of Madison Heights, express the City's appreciation and recognition to this distinguished citizen for his public service on the following Board:

Parks and Recreation Advisory Board
(October 27, 2014 to September 28, 2015)

AND BE IT FURTHER RESOLVED, that a copy of this Resolution be presented to Ryan Spiteri that it may serve as a lasting expression of the City's gratitude and appreciation of his contributions to the betterment of the City of Madison Heights.

Mayor Pro Tem Bliss introduced Mr. Spiteri and stated that his focus towards bettering people, particularly children, has been recognized not only locally, but nationally as well. Mr. Spiteri than gave a brief presentation on his SPEAK (Study of Positive Energy Among Kids) initiative, stating that there is a fine line between being bullied and kids being kids or people being people. He formed the program after being inspired by a local student and stated that he hopes to help children through fitness and confidence rebuilding. Mayor Hartwell then presented the Certificate of Appreciation to Mr. Spiteri.

CM-15-327. Meeting Open to the Public.

Gloria Moore, 27316 Dartmouth, invited the public to come to the Friends of Madison Heights Area Senior Citizens meeting at Wilkinson Middle School on November 17th at 7:00 p.m. She stated the group is going to be adopting a nursing home, and more details will be forthcoming as they are finalized.

Kenneth Thweatt, 27700 Brush, stated that freedom is not free, it never has been, and it never will be. The price is the currency of blood. He provided statistics on the Vietnam War and stated that every military person will get Post Traumatic Stress Disorder. He continued by stating that veterans come in all sizes, races, and nationalities, but they all serve their country. Please take time to thank a vet; it is free, it does not take long, and a vet will appreciate it.

Laurie Geralds, 299 Sonia, spoke on behalf of the Madison Heights Women's Intermediate Club, announcing that this Wednesday, November 11th, at 6:00 p.m. they will be holding their 3rd Annual Veterans Day Luminary Ceremony at the City Hall Gazebo. She invited veterans and the public to attend, noting that luminaries will be lit from 6 p.m. to 10 p.m. along the sidewalk for residents to stop by and pay tribute.

Councilwoman Scott introduced former Council member Lindell Ross, noting that he has had the great honor of becoming a published author. She stated that she has known Lindell since 1971; he was a former Council member for 15 years, of which he served six years as Mayor Pro Tem.

Lindell Ross, 30820 Plum Lane, wished Mayor Hartwell good luck. He stated for 10 years he was a cook and poet for Powderhorn Ranch in Colorado. He then read two poems from his new book, *The Old West: A Poetic Documentary*, for the audience.

County Commissioner Gary McGillivray, 926 Tanglewood, congratulated Brian Hartwell on his election. He reported that the distribution of Tri-Party Road Funds has been an issue with southern county communities. He is serving on a committee has been tasked to look at ways to make funding more equitable among the Oakland County communities, and he stated that he will strive to make all roads eligible for these monies.

Former Hazel Park Mayor Jack Lloyd, 992 E. Mahan, Hazel Park, expressed his congratulations to all the newly elected Council members. He stated the City has done a good job on roads, noting that the City of Madison Heights truly is a city of progress.

CM-15-328. Financial Audit Presentation.

The City's Auditing firm, Plante Moran, presented for Council their review of the City's financial statements for the fiscal year ended June 30, 2015. Mr. Joseph Heffernan, and Audit Partner, Keith Szymanski, explained the status of the General Fund revenues and expenditures and the status of Fund Balance as compared to prior years. Mr. Szymanski discussed the new accounting standards which apply to unfunded pension, and will apply to retiree healthcare liabilities starting in 2018.

Motion by Councilman Corbett, seconded by Councilman Gettings, to receive and file the Annual Financial Report.

CM-15-329. Long-Range Financial Outlook Presentation.

City Manager Myers and Deputy City Manager Marsh presented the five-year financial forecast through Fiscal Year 2020. This long-term financial outlook includes the regional economic outlook, summary of the General Fund Reserve, and detailed forecast assumptions. The five-year forecast provides staff, Council, and the public with a detailed estimate of revenues and expenditures, and serves as a tool to identify financial trends, shortfalls, and issues so that the City can proactively address them. It is essential for planning the future financial strategy of the City and is an integral part of the capital improvement and budget process.

CM-15-350. Mayor and Council - Comments.

Councilman Corbett congratulated Mayor Hartwell, wishing him a long and successful tenure. He also expressed his congratulations to his colleagues on their re-election. He announced that office hours will continue on Fridays, from 1 p.m. to 3 p.m., with the exception of November 27th due to the holiday. He expressed his interested in the continuation of enhanced code enforcement during the spring and as a budget goal.

Mayor Pro Tem Bliss thanked everyone for watching the meeting. He thanked Ed Swanson for his service to the city, noting he left a great legacy. He expressed congratulations on the re-election of his Council colleagues and to Mayor Hartwell, noting he is excited for the future. He announced there is a brown water notice for November 11th and 12th due to fire hydrant hydraulic testing. City Manager Myers added that the hydraulic testing is a planned activity that is required in order to complete the City's ISO re-rating. Mayor Pro Tem Bliss thanked his colleagues for entrusting him to serve as Mayor Pro Tem.

Councilman Gettings stated that he sent Mayor Swanson a card and commented that he led the City with class and a great sense of humor. He stated that he is looking forward to working with Mayor Hartwell, and congratulated his colleagues on their re-election.

City Attorney Sherman stated that this Council meeting has had a homecoming reunion feel to it. He stated that the City couldn't find anyone who would be more gracious in defeat than Ed Swanson was, and noted Brian Hartwell's grace in victory. He commented that Mayor Hartwell's family is very proud of him, continuing that no one can make accomplishments without their family and mentors. There have only been 4 mayors in almost 40 years in the City and 3 of them were here tonight, along with a former Mayor Pro Tem; this is a remarkable accomplishment. All of this speaks to the stability of the City and what a great place it is to work. He congratulated Mayor Pro Tem Bliss on his appointment as well as congratulated the newly re-elected members of Council.

City Manager Myers congratulated the returning members of Council and stated that it was an honor and privilege to work with Mayor Swanson, and that he is looking forward to working with Mayor Hartwell.

City Clerk Printz thanked all the election inspectors and student inspectors that worked on the November 3, 2015 City Election, stating they were instrumental in making the election run smoothly. She welcomed Mayor Hartwell and the returning members of Council.

Councilman Clark congratulated Mayor Hartwell and the three re-elected Council members.

Councilwoman Scott expressed a fond farewell to Ed Swanson, noting that he is the 2nd longest serving mayor and he earned it. Ed Swanson lived the role of Mayor and was a wonderful public relations person for the City. He always put humor into a situation. She welcomed Mayor Hartwell, noting that he is going to do a fine job. She thanked them both for running a very clean campaign, with dignity and respect. She stated that the Veterans Day celebration is tomorrow at 11 a.m. and this is a great way to honor our veterans. She conveyed her thanks to all the veterans. She announced tomorrow is the Annual Shelter at Big Boy. The Lamphere Drama Club is presenting The Great Gatsby and President Tuxedo donated all of the tuxedos for production. She congratulated Lindell Ross on his unique book on the old west and noted there will be a future book signing in the Heritage Room.

She stated that the answer to last Council meeting's trivia questions is:

What address and/or location is the oldest home to remain standing today in Madison Heights?

c. 1560 East 13 Mile Road, just west of Dequindre

This week's question is:

What was nickname given to housing area in the 1930's that was south of 13 Mile and east of John R and inhibited by welfare recipients?

a. "Tent City" because people lived in canvas tents anchored to the ground
b. "Ram Shacks" because it was a "ram shackle" area named for the Lamphere Rams
c. "Lamphere Loop" because it wrapped around the wooden schoolhouse which was the first building of the Lamphere School District
d. "Royal Ranch Homes" because it was built in what was then Royal Oak Township

Councilman Soltis congratulated the returning Council members and new Mayor. He stated that he is looking forward to serving on the Crime Commission. He also stated that he appreciates the heartfelt comments of the veteran expressed earlier tonight.

Mayor Hartwell thanked the audience for attending the Council meeting tonight. He added that he is humbled by the generosity of opinions of our residents. One subject that re-occurred while he was campaigning was the rolling power outages experienced by the neighborhoods. He noted that these outages are a matter of public safety and health. He stated that he was going to demand answers from DTE and request a report to Council on how DTE is going to address the outages we have experienced. In closing, he expressed a special thank you to his father, Ray Hartwell, noting that he can't thank him enough.

CM-15-351. Adjournment.

There being no further business, the meeting was adjourned at 10:05 p.m.

Special Meeting
Madison Heights City Council
Madison Heights, Michigan
November 21, 2015

A Special Meeting of the Madison Heights City Council was held on Saturday, November 21, 2015 at 8:30 a.m. at Red Oaks Youth Soccer Complex Meeting Room, 29601 John R Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott, and Soltis.

Also Present: City Manager Myers, Deputy City Manager Marsh, Community Development Director Schafer, Fire Chief Lelito, Library Director Yerman, Police Chief Roberts, Deputy Police Chief Haines, City Attorney Sherman, IT Provider Sam Girgenti (BPI), and City Clerk Printz.

CM-15-352. FY 2016-2017 Goal Plan

City Manager Myers opened the meeting and Mayor Hartwell led a discussion of the Goal Proposals for Fiscal Year 2016-2017. The following are the Goal Proposals as ranked by Council:

NEW PROPOSALS – OVER $20,000

Group I	
A.	New 10-Year "R-3" Residential Road Improvement Program
F.	Reestablish (Upgrade) Command Officer for Midnight Shift
I.	Evaluate Park and Recreation Opportunities for Former Sunset Park
E.	Next Generation 9-1-1 Phone System
C.	New 10-Year "V-3" Vehicle Replacement Program

Discussion

City Manager Myers noted that the current millage for roads and vehicles is set to expire next year. Council will need to decide whether to move forward with new millage proposals for roads and vehicle replacements.

He noted that staff is already working on evaluating future needs along with determining a comprehensive project schedule.

In response to Mayor Hartwell's question, City Manager Myers stated that should the Council choose to move forward on these millage proposals and place them on a future election ballot, there will be a special newsletter, informational video, and meetings with residents to publicize the planned millage proposals as the City has done with previous millages.

In response to Councilman Soltis' question, Deputy Police Chief Haines explained that the next generation 9-1-1 system is being spearheaded by Oakland County. The current 9-1-1 system is outdated and if the City does not move forward on replacing the old system, the City will no longer have the technology needed to be a public safety answering point and will not be able to operate as a 9-1-1 answering center. The result will be a service delay to those calling 9-1-1. If the upgrade is made, there are many improvements with the new system including: text-to-9-1-1, improved G.P.S. capabilities, VOIP protocol, and video capabilities.

In response to Mayor Hartwell's question, Deputy Police Chief Haines stated that with the exception of the City of Clawson, all surrounding communities conduct their own dispatch. The City of Clawson dispatches through the City of Troy.

Chief Roberts responded to Mayor Hartwell's question by noting the City has previously studied partnering with another community for dispatching. It was concluded that there were many logistical issues and the cost savings did not occur until after a significant period of time.

Councilman Soltis asked for more information on the Reestablish (Upgrade) Command Officer for Midnight Shift proposal. Deputy Chief Haines stated that as a gap measure, the number of positions was reduced to two. This has caused logistical issues, including the supervisor not always being able to respond on-scene when required, as well as on occasion, the two Command Officers do not see each other between shifts to discuss daily issues. When this occurs, it is difficult to effectively run the shifts smoothly due to the lapse in communication. He added that the position would be a staff promotion, and the budgetary staffing number remains the same. The department would be losing one patrol officer through the promotion to Sergeant.

In response to Councilman Soltis' inquiry pertaining to the Future Budget Goal of reinstating the Special Investigations Unit, Deputy Chief Haines explained that the elimination of this unit was also a budget gap measure. He expressed the need for the unit, which would be comprised

of three full-time officers, to conduct special investigations within the City. It would also require three additional vehicles. He highlighted some of the types of investigations that would fall under this unit, including those involving prostitution and illegal drugs.

Group II	
D.	Website Redesign and Content Overhaul
H.	Multi-Year Water and Sewer Internal Rate Study
B.	Document Scanning Program
G.	New Voting System

Discussion

Councilwoman Scott asked if the Document Scanning Program would start with historical documents, then move to current documents. City Clerk Printz responded that we would start with the oldest documents first, and staff would be imputing current documents as they are created. Community Development Director Schafer added that currently, we have many old documents that are literally disintegrating and staff feels that it is important to preserve these records.

Councilman Bliss asked what type of voting equipment the State of Michigan is acquiring. City Clerk Printz stated the State of Michigan currently has a Request for Proposals for new voting equipment. While technology has vastly improved over the past ten years since the current equipment was purchased, it is not clear yet what equipment will be selected and what attributes the final choice will include. It will, however, have improved reporting features, improved testing capability, be lighter weight, and be more user-friendly for handicapped voters.

NEW PROPOSALS – UNDER $20,000

Group I	
r.	Reestablish Spring Clean-Up Day/Free Brush Chipping Week
c.	Replace Global Positioning System (GPS) Unit
j.	Train Fire Command Staff to NFPA Safety Standard for Officer Qualifications
o.	Provide Library Internship/Grant Writer
b.	Downtown Development Authority TIF Plan Update

Discussion

City Manager Myers recommended that the Spring Clean-Up day be bi-annual or perhaps annual for the first couple of years to gauge the citizen response and participation.

Mayor Hartwell asked if the GPS Unit was also used in the Police Department. Community Development Director Schafer stated that the current system, purchased 16 years ago, is no longer functioning with the new satellites and software. He continued that the system was used in accident scene investigation; however, because it is not functioning, that is no longer possible and this has to be outsourced currently. With the new system, it will have joint use with Community Development, Public Services, and Police Departments. Personnel from all of these departments will be utilizing the system.

Councilman Soltis asked if all Fire Department command staff would be trained for NFPA Safety Standards. Chief Lelito explained that the training is for the minimum requirements outlined in NFPA 1521: Standard for Fire Department Safety Officer Professional Qualifications. The training and certification would be accomplished through a certified on-line class, and the on-line class would train all command staff to a level of Incident Safety Officer and Health and Safety Officer. Both titles play a significant role in the safety and well-being of the firefighters while performing at an emergency scene and working at the fire station.

Mayor Hartwell suggested expanding the scope of the Library Intern/Grant Writer. Library Director Yerman explained that generally, the City does not have the staff or time to explore and write potential grants, which tend to be very time consuming. The goal is meant to not be a costly measure and a part-time internship is what is being proposed. She stated that it is possible that the Library Intern/Grant Writer may also be able to look for and write grants for other City departments.

Group II	
s.	Replace Computer Aided Dispatch (CAD) Consoles
a.	Tax Abatement Policy Update
v.	Information Systems Performance Dashboard
i.	Reestablish Fire and Police Department Open Houses
k.	Establish Employee/City Intranet

d.	Administrative Approval Process for All Business Licenses
p.	Library Staff Visits to Schools
t.	Recruitment Program for Police Explorers
e.	Electronic Death Registration System
l.	Reestablish Document Shredding Services Contract
f.	Reestablish Window Cleaning at all City Buildings
g.	Reestablish Pest Control Services at all City Building
h.	Citizens' Academy for Boards and Commissions Recruitment
m.	Health Fair/MiLife Promotion
n.	Enhance Library Adult Programming
q.	Provide Library Teen Services Including Interior Space Evaluation
u.	City Hall Digital Signage

Councilman Corbett expressed that he was not in favor of administratively approving business licenses. City Clerk Printz commented that staff has received negative feedback from business owners who are not happy with the requirement of having to acquire City Council approval prior to their license being issued. In addition, staff surveyed Oakland County communities and only two others, Hazel Park and Oak Park, require Council approval. Community Development Direct Schafer added that although it is not required by the ordinance for business owners to appear before City Council for their license, many believe it is implied.

Councilman Corbett asked if the shredding would include all City departments and whether the flood clean-up eliminated some of the paperwork that needed to be shredded. City Clerk Printz replied that the shredding would include all City Hall departments. Due to State of Michigan Retention Schedules, some of the material could not be shredded until after the flood clean-up. The destruction and shredding of City records is and will be an ongoing process, and she added that this ties into the Document Scanning goal request. Clerk Printz noted that if we are able to scan our records, the State of Michigan does allow for permanent records to be in digital format as long as State of Michigan guidelines are followed.

Councilman Soltis requested that a fence around the Police Department Parking Lot be added to the New Proposals – Under $20,000 list. Deputy

Chief Haines stated that this request was initiated from the Union. There is a lot of pedestrian traffic, Lamphere students have access, and general safety is a concern. He stated that the estimated cost is approximately $34,000 for a decorative fence or $12,000 for a chain link fence. The existing gates can still be used, or replaced for approximately $5,800 for a standard gate or $30,000 for a power gate.

New Proposals – Budget Measures

Group I	
BB.	Long-Term Funding Policy for Unfunded Pension and OPEB Liabilities
CC.	Explore Fire Authority with City of Ferndale
EE.	Modify Financial Reserve Policy
AA.	Request for Proposals for Audit Services
DD.	Revise False Alarm Ordinance

In response to Councilman Corbett's question, Deputy City Manager Marsh stated that the Government Finance Officers Association recommends that audit services go out for proposal every 5-7 years. Mayor Hartwell comment about the cost of special labor counsel in comparison to other cities and a discussion ensued. Mayor Hartwell added that he was not requesting staff review at this time.

Councilman Corbett stated that he would like to see a presentation on the potential options for the Long-Term Funding Policy for Unfunded Pension and OPEB Liabilities prior to any decision making. Deputy City Manager Marsh agreed, stating this would be included as part of the process. She added that staff is just beginning to formulate a process for this Goal.

Councilwoman Scott asked if Fire Department personnel are opposed to exploring a Fire Authority with the City of Ferndale. Chief Lileto responded that staff is supportive of this goal, noting that a Fire Authority could benefit the department as well as residents by providing a funding solution. He continued that the City of Madison Heights has the lowest minimum staffing of the surrounding communities, and we would have to hire 9 additional firefighters to reach the mean staffing levels of the surrounding municipalities. He noted that Ferndale is in a similar situation, and exploring a Fire Authority shows fiscal responsibility and potentially provides funding for additional staffing. Staffing may, in turn, be reduced at other levels. He stated that there would have to be a millage to fund the Fire Authority.

NEW PROPOSALS – FUTURE YEARS

aa.	Residential Water Meter Replacement (District 1)
bb.	Reestablish Special Investigations Unit

Discussion

It was the consensus to move item bb, Reestablish Special Investigations Unit, from New Proposals – Future Years to New Proposals - $20,000 and Over.

CM-15-353. Miscellaneous Discussion

It was the consensus to re-issue the goal proposal ranking forms to City Council members with two new items: Reestablish Special Investigations Unit and Police Security Fence. In addition, it was agreed to rank 5 items from New Proposals - $20,000 and Over; 10 items from New Proposals – Under $20,000; and 5 items from New Proposals – Budget Measures. The new rankings will be returned to the City Manager by December 7th so that they can be compiled and presented at the December 14, 2015 City Council meeting.

It was the consensus for future goal setting to have a Council-staff discussion of the goals first, and then for Council to rank the goal proposals.

Mayor Hartwell and City Council thanked City staff for attending and for their valuable input in the process.

CM-15-354. Adjournment.

There being no further business, Mayor Hartwell adjourned the meeting at 10:52 a.m.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
November 23, 2015

A Regular Meeting of the Madison Heights City Council was held on Monday, November 23, 2015 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings (left at 8:01 p.m., returned at 8:30 p.m.), Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilman Clark and was followed by the Pledge of Allegiance to the Flag.

CM-15-355. Presentation – Oakland County – Proclamation Congratulating City on eCities Best Practice Award.

City Manager Myers introduced Dan Hunter, Oakland County Deputy Director of Economic Development and Community Affairs. Mr. Hunter presented a proclamation from Oakland County Executive L. Brooks Patterson recognizing the City for receiving the University of Michigan – Dearborn *eCities Best Practice Award*. He stated that Madison Heights is a very business-oriented community, and he noted that Economic and Community Engagement Supervisor Linda Williams and Community Development Director Jim Schafer are a great team to work with. City Manager Myers remarked that this is the 3rd consecutive year for Madison Heights to receive this award.

CM-15-356. Business Licenses Initial.

Motion by Councilman Clark, seconded by Councilwoman Scott, to approve the initial business license applications for JRE Tire, a tire and wheel installation shop at 30140 John R Road and Y&Y International Express, LLC, a courier service at 28941 John R Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-15-357. Public Hearing – Special Approval 15-03 - 436 E. 14 Mile Road to allow a Used Car Dealership.

City Manager Myers reviewed the proposed Special Approval.

A public hearing was held at 7:39 p.m. to hear comments pertaining to allowing used car sales in the M-1 District at 436 E. 14 Mile.

Bill Nalu, President of Interstate Auto Care, stated his building is two parcels away from the proposed used car dealership. As a business owner of 15 years, he commended the City stating that the streets are always kept clean and clear and the police are present. He stated that he does not believe the used car dealership is a good idea, and believes it would turn 14 Mile Road into what we see on 8 Mile Road. He stated the area should stay the same. He questioned the use of the space and does not feel the site would be astatically pleasing.

Community Development Schafer stated that the proposal reduces the auto repair activity on site. He referenced Sheet A-2 in the Council packet which shows the proposed layout. The front of the site will continue to be auto repair, with the rear housing used cars. Behind the existing wall there will also be 4 additional used vehicle sales spaces. He noted the conditions recommended, and stated nothing would be visible from 14 Mile Road.

Mr. Nalu commented that if the request is granted, the City may have to be prepared to entertain others wishing to do the same. He reiterated that used car lots are generally not very attractive.

Seeing no one further wishing to speak, Mayor Hartwell closed the Public Hearing at 7:45 p.m.

Motion by Councilman Clark, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from Moe Dia requesting used car sales at 436 E. 14 Mile Road in a M-1, Light Industrial District; and,

WHEREAS, a public hearing was published in the Madison Park News on November 4, 2015 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 436 E. 14 Mile

REQUEST: Special Approval to allow a Used Car Dealership in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Existing Automotive Repair Facility

STAFF ANALYSIS:

1. Special Approval is required to allow used car sales in the M-1 District. The owner of the existing automotive repair facility is now proposing to use a portion of the existing facility for internal and external used car sales. The existing auto repair operation will continue in the front portion of the building, while the proposal is for the used car facility to occupy the rear portion of the building, including exterior display of 4 used vehicles. No exterior modifications to the existing building are proposed.

2. Parking meets minimum ordinance requirements.

3. Hours of Operation: Mon – Fri: 8:00 am – 5:00 pm; Sat. 8:00 am – 2:00 pm

4. The Site Plan Review Committee has reviewed the plan and all plan review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

    a. No used vehicle display in front of building or north of the existing gated screen wall;
    b. No storage of any vehicles awaiting repair in front of building or north of the existing gated screen wall.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves the sale of used vehicles at 436 E. 14 Mile Road with the following conditions:

a. No used vehicle display in front of building or north of the existing gated screen wall;
b. No storage of any vehicles awaiting repair in front of building or north of the existing gated screen wall.

Councilman Soltis inquired if the recommended conditions would satisfy Mr. Nalu. Mr. Nalu replied that he is just concerned that the aesthetics will harm the look on 14 Mile Road and suggested that a minimum amount of space be available as a requirement for approval for a used car dealership. He also inquired if the property next to the applicants was approved for a used car dealership and if the property owner had knowledge of the request.

Community Development Director Schafer responded that a Special Approval was granted for the adjoining lot, and all applicants who are not the owners have to have the owner sign the application prior to the City processing the request.

In response to Mayor Pro Tem Bliss's questions, Mr. Schafer answered that under the Special Approval with the recommended conditions, the applicant would be allowed 4 used vehicles in the building and 4 outside. The front parking will remain for the current existing use.

Mayor Hartwell asked what the signage standards would be, and if temporary signs or flags can be used. Mr. Schafer responded that temporary signs or pennants, with the exception of American flags, are permitted for up to 4 months in calendar year, one month at a time.

RESOLUTION OF THE MADISON HEIGHTS CITY COUNCIL
City of Madison Heights, Michigan

WHEREAS, Oakland County is preparing an Annual Action Plan to meet application requirements for the Community Development Block Grant (CDBG) program, and other Community Planning and Development (CPD) programs, and,

WHEREAS, Oakland County has requested CDBG-eligible projects from participating communities for inclusion in the Action Plan, and,

WHEREAS, the City of Madison Heights has duly advertised and conducted a public hearing as follows:

The Chair of the CDBG Review Committee opened the Public Hearing at 5:02 pm on November 11, 2015 for the purpose of receiving public comments regarding the proposed use of PY 2016 Community Development Block Grant funds (CDBG) in the approximate amount of $107,950. There were no public comments. The Chair of the CDBG Review Committee closed the Public Hearing at 5:15 pm, and,

WHEREAS, the City of Madison Heights CDBG Review Committee found that the following projects meet the federal objectives of the CDBG program, are prioritized by the community as high priority need, and recommended that City Council apply for FY 2016 CDBG funds for the following projects:

Account Number	Project Name	Amount
730310	Code Enforcement	$ 92,950
732170	Public Service – Yard Service	$ 15,000

THEREFORE, BE IT RESOLVED, that the City of Madison Heights City Council concurs with the findings and recommendation of the CDBG Review Committee, hereby authorizes the CDBG application to be submitted to Oakland County for inclusion in Oakland County's Annual Action Plan to the U.S. Department of Housing and Urban Development, and hereby authorizes the Mayor to execute all documents, agreements, or contracts which result from this application to Oakland County.

CM-15-369. Mayor and Council - Comments.

Councilman Corbett thanked the Friends of Madison Heights Area Seniors for helping the Cambridge Home, stating this is a very kind gesture. The Saturday after Thanksgiving the Goodfellows will be selling their Christmas newspapers, please support this worthy cause. He added volunteers are also needed to sell newspapers. He stated there will not be Friday office hours this week due to holiday; however, they will resume a week from this Friday. He wished everyone a happy Thanksgiving.

Mayor Pro Tem Bliss thanked all that worked on Tree Lighting Ceremony. He wished everyone a happy Thanksgiving - enjoy the great food, Lions' victory and time with family.

Councilman Gettings wished everyone a happy Thanksgiving and commented that the Tree Lighting Ceremony was great.

Assistant City Attorney Sherman wished the Mayor, members of Council, staff and the residents a happy Thanksgiving; make sure to say I love you to your loved ones.

City Manager Myers wished everyone a happy Thanksgiving, and noted that the Department of Public Services did a great job on the Tree Lighting Ceremony.

Councilman Clark wished everyone a happy Thanksgiving.

Councilwoman Scott thanked the Historical Commission members who assembled a great display case at City Hall. An Open House for the reopening of the Heritage Rooms will be held on January 19th from 3 p.m. to 8 p.m. All are welcome to this free event.

She stated that the answer to last Council meeting's trivia questions is:

What was nickname given to housing area in the 1930's that was south of 13 Mile and east of John R and inhibited by welfare recipients?

answer:

a. "Tent City" because people lived in canvas tents anchored to the ground

This week's question is:

What significant event in the City occurred for the first time on February 5, 2008 and is due to happen again in January of 2016?

a. Competition of sled slide race down the sled hill north of City Hall
b. Winter Golf Outing and Chili Cook Off at Red Oaks Golf Course
c. Opening of the Heritage Rooms Museum which honors our local history
d. Dedication of a tree for our new Mayor in front of City Hall

She wished everyone a happy Thanksgiving; enjoy the love that you share with your family and friends.

Councilman Soltis thanked Mr. and Mrs. Claus for attending the Tree Lighting Ceremony. The Department of Public Services did a great job, everything looks great. Please keep in mind all the veterans serving this holiday season.

Mayor Hartwell recognized Jack Lloyd, former Hazel Park Mayor, in attendance this evening. He thanked all the City departments that helped create Tree Lighting Ceremony, including the Department of Public Services and Recreation Department, Police and Fire Departments, and all of the volunteers. He also thanked Biggby Coffee for their contribution to the event.

Donations can be brought to the meeting and all are welcome.

CM-15-378. Elected Officials Compensation Commission – Salary Order Resolution.

Motion by Councilman Corbett, seconded by Councilman Gettings, to receive and file the following Elected Officials Compensation Commission Salary Order Resolution with the City Clerk:

> WHEREAS, the Elected Officials Compensation Commission met on Tuesday, December 1, 2015, at 3:30 p.m. in the Madison Heights Municipal Building, pursuant to Ordinance 454 of 1972 consisting of seven members; Commissioners present: Jean Linville, Zachary McKenzie, James Smith and Maryanne Yemec.
>
> WHEREAS, Ordinance No. 454 of 1972, Section 2-214 provides as follows:
>
> "The Commission shall determine the salaries of elected officials in the City; which determination shall be the salaries unless the Mayor and Council by resolution adopted by 2/3rds of the members elected to and serving shall reject them. The determinations of the Commission shall be effective 30 days following the filing with the City Clerk of such determination unless rejected by the legislative body. In case of rejection, the existing salary shall prevail."

WHEREAS, after due consideration by the members of said Board, having been furnished with current salary statistics and after full and complete discussion of all pertinent matters, the recommended decision of the Commission is as follows:

BE IT RESOLVED, IT IS ORDERED, that the salary ($8,687) of the Mayor be increased by two percent (2%) to the sum of Eight Thousand Eight Hundred Sixty-One Dollars ($8,861) effective January 14, 2016 and increased by one percent (1%) to the sum of Eight Thousand Nine Hundred Fifty Dollars ($8,950) effective January 16, 2017; and,

IT IS FURTHER RESOLVED, that the salary ($6,696) of the Mayor Pro Tem be increased by two percent (2%) to the sum of Six Thousand Eight Hundred Thirty Dollars ($6,830) effective January 14, 2016 and increased by one percent (1%) to the sum of Six Thousand Eight Hundred Ninety-Eight Dollars ($6,898) effective January 16, 2017; and,

IT IS FURTHER RESOLVED, that the salary ($6,086) of the Councilmembers be increased by two percent (2%) to the sum of Six Thousand Two Hundred Eight Dollars ($6,208) effective January 14, 2016 and increased by one percent (1%) to the sum of Six Thousand Two Hundred Seventy Dollars ($6,270) effective January 16, 2017.

Councilman Clark noted that in the past, Councilmembers donated 10% of their salary back to the City's General Fund and he stated he would like to donate the additional money back as well.

Councilwoman Scott and Mayor Hartwell concurred with Councilman Clark's suggestion.

Mayor Pro Tem Bliss commented that he personally would have a hard time accepting a raise in salary when City Council has so many goals that we wish to accomplish. He suggested the Salary Order be rejected.

Councilman Corbett stated that prior to sitting on City Council he served on Elected Officials Compensation Commission for approximately 15 years. The Commission takes their job very seriously, and is designed to take the politics out of the decision making process. He continued that he will be supporting the motion out of respect for the process.

Councilman Gettings stated that if we look across the board, City employees have sacrificed and Council has participated. He supports receiving and filing the Salary Order and then, if it is a Councilmember's prerogative, they can donate the raise back to the City's General Fund.

Substitute Motion offered:

Motion by Mayor Pro Tem Bliss, supported by Councilman Clark, to reject the Elected Officials Compensation Commission Salary Order.

Roll Call Vote on Substitute Motion:
Yeas: Soltis, Bliss, Clark, Hartwell
Nays: Scott, Corbett, Gettings,
Motion Fails (4-3) (2/3 majority needed)

Roll Call Vote on Original Motion:
Yeas: Corbett, Gettings, Scott
Nays: Soltis, Bliss, Clark, Hartwell
Motion Fails (3-4) (2/3 majority needed)

City Attorney Sherman advised that because both motions failed, no action is taken on the Salary Order. As a result, the Salary Order will become effective after 30 days.

CM-15-379. Confirmation of Appointment of Police Chief.

Motion by Councilwoman Scott, seconded by Mayor Pro Tem Bliss, to confirm the City Manager's appointment of Corey Haines to the position of Police Chief of the City of Madison Heights effective January 29, 2016.

Councilman Soltis stated that he believes the City could not get a better Police Chief and he is happy that Deputy Chief Haines is willing to take this position. He stated that Mr. Haines will do a great job for the City.

Councilman Gettings stated that he has known Deputy Chief Haines for a long time. He stated that he is an excellent employee, and he has something that a lot of people don't seem to have these days - common sense, an even keel, and a good temperament. He believes he will make an excellent Police Chief.

Councilwoman Scott stated that she is very happy that Mr. Haines was placed in the position of Deputy Police Chief and is now the incoming Chief. She

acknowledged Police Chief Anthony Roberts for all of his contributions to the Police Department over the past years.

CM-15-380. 2016-17 Goal Plan.

Motion by Councilman Corbett, seconded by Councilman Clark, to concur with the recommendation of City Manager Myers and adopt the 2016-17 Goal Plan as follows:

City of Madison Heights
Adopted 2016-17 Goal Plan

Organizational Mission Statement

The Mission of the City of Madison Heights is to provide high quality services to residents and businesses in the most efficient, effective, and ethical manner possible so as to maintain and enhance, where possible, the public's health, safety and quality of life.

Health Related Goals

A. Reestablish the Free Department of Public Services (DPS) Spring Clean-Up Day and associated Free Brush Chipping Week as a means of encouraging residents to clean out garages, basements and yards, assisting neighborhoods experiencing rodent control problems, and reducing calls for code enforcement.
B. Train Fire Command Staff to meet the minimum requirements of the National Fire Protection Association's Safety Standard for Officer Qualifications, which plays a significant role in the safety and well-being of firefighters on-scene and at the workplace.

Public Safety Related Goals

C. Purchase, install, and train personnel on new Next Generation 9-1-1 Phone System in order to comply with mandated Oakland County upgrade offering enhanced capabilities such as text-to-911 and video/image upload.

D. Reestablish the Police Department's Special Investigations Unit to provide focused investigation and enforcement of narcotics violations, weapons offenses, larcenies, receiving and concealing stolen property, breaking and entering, armed robbery, warrant arrests, and prostitution.
E. Evaluate, identify, prioritize and create a new long-range, millage-based comprehensive Proposal "R-3" infrastructure replacement plan including roads, sewers and sidewalks to take before the voters in 2016.
F. Upgrade one Police Officer position to reestablish the second Police Sergeant position on the midnight shift, to improve departmental efficiency and communication, address safety concerns, and help mitigate overtime costs.
G. Purchase and train personnel on a replacement Global Positioning System (GPS) Unit to accurately measure roads, utilities, signs, and accident scene investigations in order to meet the field measurement needs for the Community Development Department, DPS and the Police Department that are not currently being met due to the lack of a functioning GPS and trained staff.
H. Purchase, install, and train personnel on three replacement Computer Aided Dispatch (CAD) Consoles, which are required in order to efficiently operate the new Oakland County dispatch software.

Quality of Life

I. Work with an area college or university to establish a Library Internship with an emphasis on grant writing to benefit the Library and all City Departments.
J. Reestablish the Fire and Police Department Open Houses to enhance the community's quality of life through education of police and fire services and the building of positive relationships.

Resource Management Related Goals

K. Develop a long-range, millage-based comprehensive Proposal "V-3" Vehicle Replacement Program to take before the voters in 2016.
L. Review and update the Downtown Development Authority's Tax Increment Financing and Development Plan, which expires in December 2017, to guide the continued development of the downtown development district.
M. Review and update the City's current tax abatement policy to reflect the recent changes to the state personal property tax exemption, including a review of the eligibility criteria and application procedures.

N. Streamline the current approval process for business license applications by providing for an administrative approval which removes the burden of evening meeting attendance for business owners.
O. Purchase, install, and train personnel on dashboard-based IT performance monitoring software to measure network and server reliability, improve communication between IT and City staff, and allow benchmarking of IT systems.
P. Develop and implement a plan and policy to fully address the City's unfunded liabilities for pension and other post-employment benefits (i.e. retiree health care).
Q. Explore the creation of a Fire Authority with the City of Ferndale to provide additional revenue supporting an increase in sworn minimum staffing, increase fire automatic aid response, share administrative costs, and realize savings in capital expenditures.
R. Modify the City's Financial Reserve Policy to comply with the Michigan Government Finance Officers Association's Best Practice of reserving two months' worth of operating expenditures or 16% of annual expenditures.
S. As recommended by the Government Finance Officers Association, issue a Request for Proposals for Auditing Services for a multi-year contract to evaluate service through a competitive process.
T. Revise the City's False Alarm Ordinance to allow for civil fines or ordinance violation after the seventh (7th) and subsequent false alarms in order to reduce the number of false alarms lessen the current enforcement burden under the existing ordinance.

Councilwoman Scott stated that she was glad that the City is in the position of being able to resume the goal setting process this year.

Councilman Corbett noted that while the City's financial outlook has improved, there still isn't program funding available; the process helps put a focus on the priorities of City Council and puts the City Management Team in sync with City Council. He continued that a lot of work was put into this process by both staff and City Council.

Mayor Pro Tem Bliss stated that he echoes Councilman Corbett's comments and stated that this is a strategic plan with two major themes - improved public safety, and increased efficiency. He is proud of the work that was put into this process. It is a strategic plan for the future and highlights what is important to us as a City Council.

Mayor Hartwell agreed with Mayor Pro Tem Bliss's comments, and highlighted some of the goals, including consideration of the reestablishment of the Police Department Undercover Unit, 911 and Dispatch software upgrades, and Fire Department personnel training. He noted that adoption of the goals is the very beginning of budgeting process.

CM-15-391. Mayor and Council - Comments.

Councilman Corbett wished Council and the public a Merry Christmas and a safe and Happy New Year.

Mayor Pro Tem Bliss stated that he was happy with the job that City staff did on the additional signage and modifications to City Hall bathrooms to make them family restrooms. He added that he would like to have a family restroom accessible during the Festival in the Park. He congratulated the Madison District Public Schools on their partnership with Google, noting that grades 4 through 8 will be taught computer program coding. He requested an analysis of the impact on the City if armored vehicles have to be returned to the federal government. City Manager Myers stated that staff will report back on this matter. He wished a Merry Christmas to all of the families in the City.

Councilman Gettings congratulated staff on the job done on the holiday lighting around the City; he stated that he believes it is the best it has ever been. He wished everyone a Merry Christmas and a Happy New Year.

City Attorney Sherman congratulated Deputy Chief Corey Haines on his appointment to Police Chief and congratulated Chief Roberts on his upcoming retirement. He stated that from the time Corey Haines started in the early 1990s, he has held almost every position in the Police Department, making him uniquely qualified for the position of Police Chief and he wished him the best. He echoed the sentiments of Council for a happy and safe holiday.

City Manager Myers congratulated Deputy Police Chief Corey Haines on his appointment to Police Chief and stated that he is looking forward to working with him. He wished everyone Happy Holidays.

Councilman Clark congratulated Deputy Police Chief Corey Haines on his appointment and stated that between him and Chief Roberts, they are one of the best teams the City has ever had. He wished everyone a Merry Christmas and a Happy New Year.

Councilwoman Scott congratulated Deputy Police Chief Corey Haines on being appointed the City's new Police Chief. She appreciates the work that he has done and she is looking forward to his term of office. She commented that she asked that chairs and benches be installed in our city offices so that people can

sit if they have to wait for any period of time, noting this has already been implemented and she appreciates staff's efforts for making this happen so quickly. An Open House for the reopening of the Heritage Rooms will be held on Tuesday, January 19th from 3 p.m. to 8 p.m. All are welcome to this free event.

She stated that the answer to last Council meeting's trivia questions is:

What significant event in the City occurred for the first time on February 5, 2008 and is due to happen again in January of 2016?

c. Opening of the Heritage Rooms Museum which honors our local history

The final trivia question for the 60th Anniversary year is:

Which two gentlemen graduated from Madison High School and achieved national fame as wrestlers, one as a teenager and one in his adult life?

a. Kyle Geralds and his grandfather Monte Geralds
b. Jim Myers and his younger brother Jack Myers
c. Robert Gettings and Ken Dallifior
d. Berney Gonzales and Jim Myers

She concluded her comments by wishing everyone Happy Holidays.

Councilman Soltis congratulated Chief Roberts on the tremendous job that he has done for the City. The City is blessed with such a tremendous staff for our Police and Fire Departments and he has tremendous respect for their work and sacrifice. For this holiday season, many police and fire personnel will not be with their families. He is working on purchasing holiday dinners for those working on these days, and stated that the City is accepting monetary donations to help. In addition, holiday cards can also be dropped off. We will be serving approximately 40 employees. He stated that he believes, overall, that police are receiving a bad rap, and we take them for granted. They are our unsung heroes. If you want to donate, drop off your donation at City Manager's Office or call him. Merry Christmas and God bless everyone.

Councilman Clark noted that he received a three page letter with concerns regarding senior pedestrians near Solberg Towers. Unfortunately it was anonymous. He would like the person to reach out and contact him so they can work together to resolve the concerns mentioned in the letter.

Mayor Hartwell stated that on the holidays, police and fire are working for the citizens of the City. In addition, the Department of Public Services is always on call for water main breaks and for snow plowing, no matter what day it is. He thanked the employees from the top down, noting our employees are what make this City as great as it is. He expressed his congratulations to Deputy Police Chief Corey Haines on his appointment to Chief. He announced that for the next few weeks, City Hall has an Art Exhibit from the *High School Art Challenge* which all three school districts participated in. This year's winner was Emily Tarchala. He wished everyone Happy Holidays and a Happy New year; stay warm and safe and let's have a great 2016.

Chester Grabowski, 26355 Wolverine, expressed his congratulations to newly elected Mayor Hartwell and Councilman Gettings. He stated that Chief Roberts has done an excellent job for the City and in his opinion, has gone above and beyond his job for the residents. He commented that he is happy that Chief Haines is now in command.

Jim Capizzo, 863 Venoy, read from an article from the Center for Public Integrity website regarding State integrity, noting the Michigan State Legislature was ranked last overall in comparison to the other states. He added that he believes the citizens of Michigan need to start waking up to what their government is doing.

CM-16-4. Resolution to Authorize Issuance of Refunding Bonds for the George W. Kuhn Drainage District.

Motion by Councilman Corbett, seconded by Councilman Gettings, to approve the following resolution authorizing Oakland County to issue Series 2016 Drain Refunding Bonds to refund the outstanding George W. Kuhn Drainage District Series 2007 Refunding Bonds:

RESOLUTION TO AUTHORIZE REFUNDING

WHEREAS, pursuant to the provisions of Act No. 34, Public Acts of Michigan, 2001, as amended ("Act 34"), the George W. Kuhn Drainage District issued its Drain Refunding Bonds, Series 2007, dated August 1, 2007, in the original principal amount of $12,460,000 (the "Prior Bonds"), to refund its Drain Bonds, Series 2000B, dated October 1, 2000, maturing in the years 2010 through 2022, and Drain Bonds, Series 2001E, dated January 1, 2002, maturing in the years 2013 through 2024, in anticipation of the collection of the several installments against

the City of Madison Heights (the "City"), the County of Oakland (the "County") and other units of local government on applicable special assessment rolls for the George W. Kuhn Drain; and,

WHEREAS, the City has been advised that conditions in the bond market have now improved from the conditions which prevailed at the time the Prior Bonds were sold and that the Prior Bonds could be refunded at a considerable savings to the City; and,

WHEREAS, it is the determination and judgment of this City Council that the Prior Bonds should be refunded to secure for the City the anticipated savings.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MADISON HEIGHTS, MICHIGAN, as follows:

1. The George W. Kuhn Drainage District is requested and authorized to issue its refunding bonds (the "Refunding Bonds") pursuant to the provisions of Act 34 in an amount necessary to refund all or part of the Prior Bonds (as shall be determined by the Drainage Board) and paying the costs of issuing the Refunding Bonds.

2. The proceeds of the Refunding Bonds shall be sufficient to pay the costs of issuing the Refunding Bonds and to establish an Escrow Fund in an amount which will be sufficient to pay the principal of and redemption premiums and interest on the Prior Bonds that are refunded without further payment by the City or the County.

3. The City agrees and consents to the imposition of special assessments against the City on a refunding bonds special assessment roll for the payment of the Refunding Bonds.

4. The Mayor or the City Manager is authorized, if necessary, to file an Application for State Treasurer's Approval to Issue Long-Term Securities with respect to the Refunding Bonds.

5. The Clerk, Treasurer, Mayor and City Manager are each authorized to approve the circulation of a preliminary and final official statement for the Refunding Bonds, and to cause the preparation of those portions of the preliminary and final official statement for compliance with Rule 15c2-12 issued under the Securities Exchange Act

of 1934, as amended (the "Rule"). The Clerk, Treasurer, Mayor and City Manager are each authorized to execute and deliver such certificates and to do all other things necessary to effectuate the sale and delivery of the Refunding Bonds.

6. CM-16-5. Resolution and Trust Document Establishing a General Employees Retirement Health Care Fund.

Motion by Councilwoman Scott, seconded by Mayor Pro Tem Bliss, to approve the trust document and resolution establishing a General Employees Retiree Health Care Trust as follows:

ESTABLISHMENT OF GENERAL EMPLOYEES RETIREE HEALTH CARE BENEFITS TRUST

WHEREAS, the City of Madison Heights wishes to create a health care trust fund for the accumulation and investment of assets to be used for the funding of health care benefits for those retirees of the City of Madison Heights General Employee Retirement System, who are eligible to receive retiree health care benefits from the City, and,

WHEREAS, with the creation of this trust, the City of Madison Heights wishes to terminate its participation in the Municipal Employees' Retirement System of Michigan ("MERS") Retiree Health Funding Vehicle (RHFV), closing this vehicle to future contributions, effective January 11 of 2016.

RESOLVED, that the General Employees Retiree Health Care Benefits Trust is hereby established, under the authority of the Public Employee Health Care Fund Investment Act, Public Act 149 of 1999 (MCL 38.1211 et seq.), and shall constitute a governmental trust pursuant to Section 115 of the Internal Revenue Code of 1986, as amended, and further,

RESOLVED, that the Trust shall include provisions, which may not be amended, expressly reflecting that (1) no trust assets may revert to the City, and (2) trust assets may only be used for health benefits described by Internal Revenue Code Section 105, and for reasonable and necessary cost of trust administration, and further,

RESOLVED, that the assets of the MERS RHFV be transferred to this trust and held for the exclusive purpose of providing health care benefits to eligible retirees of the General Employees Retirement System, and for the payment of the administrative expenses of the Trust, and further,

RESOLVED, that the City's Treasurer shall serve as the administrator of the General Employee Benefits Trust, and further,

RESOLVED, that the Board of Trustees, comprised of those individuals who serve on the Act 345 Retire Health Care Benefits Trust Board shall serve as the trustee of the General Retiree Health Care Trust Board and shall serve as the investment fiduciary to the assets of the Trust, and further,

RESOLVED, that the General Employees Retiree Health Care Benefits Trust shall be administered, managed and operating in accordance with the General Employees Retiree Health Benefits Trust document which is attached hereto and is hereby adopted and incorporated by reference.

CM-16-11. Mayor and Council - Comments.

Councilman Corbett wished everyone a Happy New Year and bright and prosperous 2016.

Mayor Pro Tem Bliss congratulated Chief Haines on his appointment, stating that he will do a phenomenal job. He asked Superintendent Speck to say a few words regarding the Madison District Public Schools partnership with Google.

Madison District Public Schools Superintendent Speck stated that the Madison School District is part of a small group of schools throughout the State of Michigan partnering with Google for the Google CS First Computer Science Program. The program will launch January 28th and involves grades 4-8. There will be new computer science classes and software. Google is providing software and some hardware for the schools and the kids are already engaged, excited, and learning.

Councilman Gettings congratulated Chief Haines for his hard work, and thanked Chief Roberts for the excellent job that he has done.

City Attorney Sherman concurred with Council's comments on Chief Haines and Chief Roberts.

City Manager Myers thanked Chief Roberts for his service and stated that he is looking forward to working with Chief Haines.

Councilman Clark reviewed some of the items found in the *Senior Scoop Newsletter*, including the Senior Center lunch schedule, and noted there are 19 pages of activities and things to do. He noted that there is a small annual subscription fee of $9 to cover the cost of the printing.

Councilwoman Scott wished everyone a Happy New Year.

She stated that the answer to last Council meeting's trivia questions is:

Which two gentlemen graduated from Madison High School and achieved national fame as wrestlers, one as a teenager and one in his adult life?

d. Berney Gonzales and Jim Myers

The Grand re-opening of Heritage Room will be Tuesday, January 19th from 3 p.m. – 8:00 p.m. with the ribbon cutting ceremony at 4:30 p.m. She acknowledged Linda Williams help in securing a red carpet for the ceremony. The new Heritage Room is located on the lower level of City Hall. She noted that the Historical Commission is always looking for historical items and pictures to be donated. Please come by at any time to visit the Heritage Room, simply contact the library to schedule your visit.

Councilman Soltis thanked everyone who helped with providing Christmas dinner for those first responders working on Christmas. He thanked Laurie Geralds and Merri Busch for their help and the Betsy Ross and Leo Country Oven restaurants for their food donations. He congratulated new Police Chief Corey Haines. He also commented that he did not agree with President Obama on his Executive Order pertaining to gun control.

Mayor Hartwell welcomed everyone back from the holidays and stated that it is going to be a good year. While the City still faces financial challenges, our staff will help lead us. He encouraged citizens to take a look at the CIP, noting this is a five-year plan which shows our planning for major expenses. He concurred with Council's sentiments on thanking Chief Roberts and Chief Corey Haines for their service to the City. He acknowledged Madison District Public Schools Superintendent Randy Speck and School District President Al Morrison who were in the audience this evening.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
January 25, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, January 25, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilwoman Scott and was followed by the Pledge of Allegiance to the Flag.

CM-16-16. Addition to the Agenda.

Motion Carried

Motion by Councilman Corbett, seconded by Councilman Clark, to approve the initial business license application for The Diamond Lounge, a cigar/hookah lounge and tobacco sales, at 31075 John R Road, Suite G; subject to all State of Michigan requirements, entering into a signed Entertainment Agreement with the City, approval by all City Departments, and in compliance with all City Ordinances.

The applicant, Joe Jammoua, 30706 Knighton Dr., Farmington Hills, stated he'd be happy to answer any of Council's questions.

In response to Councilwoman Scott's questions, Mr. Jammoua answered that patrons would be smoking during their open hours. They will be monitoring minors by verifying identification during the daytime hours of the retail shop as well as during the evenings, with additional Security personnel verifying identification on the weekends. All patrons must be over the age of 18 years old. In addition, in an effort to discourage young patrons, the price of the hookahs will be higher than at similar establishments, along with a limitation on the number of people (2-3) who can share the hookah which increases the price. He stated he is looking to have an adult environment. He answered that the reason he requested to be open until 3 a.m. on the weekends is because their busiest time is between 9 p.m. and 3 a.m. on the weekends. He added that many patrons visit after bars have closed and are looking for a place to relax. He replied that he would only be serving sealed goods including Pepsi products, candy, water, and snacks. In order to comply with State Law, there will be no food service. He stated that patrons will stay at the establishment for various time periods, some for a few hours, others for an hour. On the weekend, there is usually a DJ or music, so patrons will stay longer.

For the benefit of the audience, Mr. Jammoua explained what a hookah was. He noted that it uses flavored tobacco with natural products such as sugar or honey. The tobacco is smoked from a pipe-like apparatus that has a hose and cold water. The cold water is heated with a piece of charcoal. He noted that hookahs started off as a cultural tradition, but has grown to be a social experience with all cultures participating.

In response to Councilman Soltis, Mr. Jammoua reiterated that during the weekdays everyone's IDs will be checked and on the weekend there will be security checking IDs. He will also have a dress code which will discourage the younger crowd. If you don't have an ID, you cannot enter the establishment.

Mr. Jammoua answered Mayor Hartwell's questions by stating that he used to be in the banking business, and he also has another hookah establishment in Southfield. The retail portion of his business will sell cigarettes, tabacco, vape, electronic cigarettes, and hookahs. He also responded that he is required to have a State of Michigan license for the lounge portion of the business.

Mr. Jammoua answered Councilman Gettings question by stating that there is no cover charge to get into the lounge; however, he may occasionally have a cover charge on the weekend if there is entertainment.

Councilwoman Scott inquired what type of ventilation system will be used. Mr. Jammoua stated that while he was unsure of the brand, the ventilation system will cost around $15,000 and is typical for this type of establishment. The business will have a separate ventilation system from adjacent businesses.

Fire Chief Lelito advised City Council that the Fire Marshal would be overseeing the establishment and enforcement of capacity limits for the business.

In response to Councilman Corbett's question, Assistant City Attorney Sherman stated that an Entertainment Agreement would be required for this business.

Assistant City Attorney Sherman asked Mr. Jammoua if he would be willing to enter into an Entertainment Agreement with the City and if he would be agreeable to changing the closing time to 2 a.m.? Mr. Jammoua replied he would be willing to sign an Entertainment Agreement; however, he is reluctant to change the closing time. He stated that most other hookah establishments are open until 4 a.m., but he thought 3 a.m. was fair.

Councilman Corbett stated his main concern would be securing an Entertainment Agreement rather than altering the closing time.

Mr. Jammoua added that the type of entertainment he may have included a DJ, maybe local singer, but no loud bands.

City Manager Myers advised that Entertainment Agreements contain a standard provision for a review, typically annually prior to renewal.

CM-16-19. Emergency Operations Support Plan.

Motion by Councilman Clark, seconded by Councilwoman Scott, to approve the following resolution adopting the 2016 Emergency Operations Support Plan:

A RESOLUTION TO ADOPT THE CITY OF MADISON HEIGHTS EMERGENCY OPERATIONS SUPPORT PLAN.

WHEREAS, the City of Madison Heights elected to be incorporated into the Oakland County Emergency Management Program and that by becoming part of the Oakland County Emergency Management Program, the City of Madison Heights, and Oakland County have certain responsibilities to each other; and,

WHEREAS, this Emergency Operations Support Plan has been developed to identify the responsibilities between the City of Madison Heights and Oakland County in regards to emergency management activities; and,

WHEREAS, the plan provides a framework for the City to use in performing emergency functions before, during, and after a natural disaster, hostile attack, technological incident or other emergency; and,

WHEREAS, this support plan is to be used in concurrence with Oakland County's Emergency Operations Plan as it is a supporting document; and,

WHEREAS, the support plan will be maintained in accordance with the current standards of the Oakland County Emergency Operations Plan. Review of this plan shall be accomplished every four years.

NOW, THEREFORE, the Madison Heights City Council hereby adopts this Emergency Operations Support Plan, in support to the Oakland County Emergency Operations Plan.

CM-16-20. Red Oaks Youth Soccer Complex Use Agreement.

Motion by Councilman Gettings, seconded by Councilman Bliss, to approve the 3-year extension of the Use Agreements with the Madison Heights Youth Soccer Association (MHYSA) with an annual fee of $500, a term ending on December 31, 2018, and to authorize the Mayor and Clerk to sign on behalf of the City.

Councilman Gettings stated that he is requesting that the annual fee be reduced because he believes that $500 is a fair fee and the requested increase really would have no impact on the City's budget, but could be put to better use by the Association.

DPS Director Vitali stated that the fee increase was actually proposed by the Madison Heights Youth Soccer Association. They stated they wanted to help the City. He continued by noting the City spends approximately $20,000 annually on maintenance, materials, and labor for the complex. City Manager Myers added the City also has hard costs, such as water, which is in the range of $11,000 annually.

Mr. Mandarino, Madison Heights Youth Soccer Association, confirmed the organization originally offered more than the proposed additional $500. He stated he appreciated Councilman Getting's sentiments, but the Association feels that they have the money to help and added that the fee is earmarked for field improvements. The Association already has the amount set aside for this purpose and he stated that the City does an excellent job with the maintenance. Mr. Myers confirmed that this revenue does not go back into the General Fund, but rather is deposited into the Parks Improvement Fund.

Substitute Motion
Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve the 3-year extension of the Use Agreements with the Madison Heights Youth Soccer Association (MHYSA) with an annual fee of $1000, a term ending on December 31, 2018, and to authorize the Mayor and Clerk to sign on behalf of the City.

CM-16-22. DPS Streets Division Platform/Sign Truck Replacement.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve the purchase of one aerial platform truck with the chassis from Wolverine Truck through the MITN Purchasing Cooperative (via the City of Rochester Hills) at a unit cost of $73,480, and the body from Cannon Truck Equipment through the State of Michigan MiDeal Purchasing Cooperative at a unit cost of $93,869, for a total cost of $167,349.

DPS Director Vitali answered Councilman's Soltis' question by stating the expected life of the vehicle is approximately 15 years. As for renting as an alternative, he stated that the rental rates on these types of vehicles are high, typically over $100 dollars per hour. Mr. Myers added that in regard to the current vehicle which the City will keep on hand, the City is separating the sign work from tree trimming work. The City is not adding a second truck to the fleet for purposes of long term maintenance or replacement, but rather the City is looking to extend the useful service life of the new vehicle.

In response to Councilman Gettings's inquiry on the dimensions of the truck, Mr. Vitali confirmed that the proposed truck would not be able to be used for bulb replacement in City parks and that the City has contracted out that function for several years, when needed.

CM-16-26. Mayor and Council - Comments.

Councilman Corbett congratulated Linda Williams, Economic Development Coordinator and Community Engagement Supervisor, who was named one of the Oakland County Executive's - Elite 40 under 40 for 2016. This is a wonderful for her and a tribute to the City.

Mayor Pro Tem Bliss stated he was excited to see the Multicultural Relations Advisory Board roster completed today. He continued that this is an engaged group and he encouraged the public to come to future meetings. He added

that ITAC has some exciting things coming up, including review of the City's Request for Proposal for a new telephone system and a possible partnership with Oakland County for a *Tech Talk for Teens* presentation. He commented that the City is currently studying security measures at City Hall; however no formal policy has been adopted. He stated discussion on this topic will be held at a future Council meeting and he encouraged public feedback on the matter.

Councilman Gettings requested financial reports pertaining to the Recreation Department. He noted that recreation, in addition to Library, Police and Fire Departments are essential to a community. He shared that recreation programs in the City played an integral part of his life while he was growing up and it is his desire for the City to have the best recreation programming in the area.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

City Clerk Printz stated that applications for absentee ballots for the March 8, 2016 Presidential Primary are available in the Clerk's office. She reminded voters that this election is a Closed Primary, which means you must pick either a Democratic or Republican ballot to vote in this election. She noted that by declaring what ballot you would like, you are not committing to being a member of that party, but advised that the information put on the application is public information and is available to the public through the Secretary of State's office.

Councilman Clark reviewed some of the items found in the *Senior Scoop Newsletter*, and stated that advertising opportunities were available. He also noted that copies were available for the audience. He stated that the Coffee Concerts are beginning soon. There is a $5 fee for the two-hour concerts.

Councilwoman Scott thanked City staff for their assistance with the Heritage Room and all the wonderful volunteers that worked tirelessly to re-establish the room. She stated the museum is a hands-on learning environment. The Grand Re-Opening was last Tuesday and was very successful. She thanked everyone for their support, including the Junior Women's Club, Chamber of Commerce, and all those that volunteered, attended and donated. She encouraged scouting troops to visit, stating it is a great learning experience.

Councilman Soltis thanked Councilman Gettings for sharing his personal story. He commented that the Flint water crisis was a government failure on all levels, and is such an unnecessary tragedy and shame. It has made news all over the world. He stated that he would like to see what assistance the City can offer to the City of Flint. He commented that Governor Snyder signing the "gag rules" legislation is another travesty and requested that City pass a resolution in opposition to Public Act 269.

Mayor Hartwell expressed his gratitude to the members of the Historical Commission for the hundreds of hours spent cataloging and organizing the City's history. He stated that the City received a Special Tribute from Governor Snyder and Representative Townsend recognizing the City's 60th Anniversary and read part of the Tribute.

February 8, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, February 8, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilman Soltis and was followed by the Pledge of Allegiance to the Flag.

CM-16-28. Proclamation for Random Acts of Kindness Week, February 14-20, 2016.

City Manager Myers read the following proclamation into the record:

PROCLAMATION
RANDOM ACTS OF KINDNESS WEEK

WHEREAS, our daily news is dominated by tragic stories of crime, violence and disaster, often leaving citizens with feelings of despair and helplessness; and,

WHEREAS, Random Acts of Kindness Week is enacted to encourage Madison Heights residents to commit conscious acts of goodwill toward one another as an affirmation of the goodness and generosity of the human spirit; and,

WHEREAS, by performing small acts of kindness during this week, we have an opportunity to recognize and celebrate the far reaching effects we as individuals can have on the world around us; and,

WHEREAS, non-monetary kindness acts inspire and brighten the day of fellow citizens; and,

WHEREAS, the City of Madison Heights will be honored as "City of the Week" on local radio station WCSX 94.7 in recognition of its celebration of Random Acts of Kindness Week.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council proclaim the week of February 14 – 20, 2016 as

RANDOM ACTS OF KINDNESS WEEK

in Madison Heights and urge all citizens to join in celebrating the week with acts of kindness, patience and understanding.

Councilwoman Scott noted that this was the 20th year for Random Acts of Kindness Week in Madison Heights and the concept started with a random act of kindness to herself and her husband.

Councilman Soltis thanked the Friends of the Madison Heights Area Senior Citizens for their random act of kindness for City Council.

CM-16-29. Business Licenses Initial.

CM-16-30. Meeting Open to the Public.

Gloria Moore, 27316 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens next meeting will be on February 16, 2016 at 7:00 p.m. at Wilkinson Middle School. She invited the public to a *Gospel Benefit Singing* on Saturday, February 13th beginning at 6:00 p.m. at the New Beginnings Baptist Church located at 950 Gardenia.

County Commissioner Gary McGillivray announced that Oakland County is now hiring summer help. For those interested, information can be found at oakgov.com. He updated the Council on the status of equity road funding for cities and villages. He stated that he is still working on this and will report back as things progress. He stated that every year he hosts a spring cleanup at the Nature Center and will do so this year as well; he will provide more information once a date is secured. He commented that the people delivering for the Free Press on Friday and Saturday are throwing junk papers onto resident's approaches. He asked that the City look into the matter and, if applicable, enforce the Handbill Ordinance.

Chester Grabowski, 26355 Wolverine, commented that he read about security proposals for the City Council Chambers and it is his belief that the existing cameras are already a deterrent; to add additional security will be offensive and should not be considered. He also noted that Police Department activities should not be in the open while they are ongoing, but rather reported once there are results.

Tom Smith, 1166 E. Kalama, commented on the unfunded liability proposal. He asked what other factors have caused the problem. City Manager Myers responded that this topic is an item on the agenda this evening and a presentation detailing the proposal will take place at that time. He clarified that the bonding being discussed this evening only pertains to the pension liability. Mr. Smith stated that he is more interested in the Other Post-Employment Benefits (OPEB) liability and asked what is causing the major underfunding in the OPEB. He stated that the City should be getting an actuarial report biannually, and if that is the case, that means these obligations haven't been fully funded. City Manager Myers responded that while the pension and OPEB liabilities are underfunded, the City has done remarkably better at funding these obligations than most other communities. Mr. Smith continued by stating that if the City doesn't fund the pension and OPEB when it is due, you end up putting the funding into the future, similar to credit card debt. In other words, current taxpayers are paying for services that were received in prior years. He concluded his comments by stating that he believes it is important to make good on the City's obligations and meet their responsibilities. Mr. Myers added that the City has closed all of their post-employment health plans to new hires, and the upcoming discussion will help answer Mr. Smith's questions.

Frances Zick, 38216 Medville Dr., Sterling Heights, asked what the rules are for temporary signage. Mayor Hartwell noted that the Planning Commission is

currently reviewing and revising the temporary sign ordinances. City Manager Myers advised Ms. Zick to contact Community Development Director Schafer for clarification on her questions.

CM-16-31. Leila Bickford – Resignation from Tax Board of Review.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to accept Leila Bickford's resignation from the Tax Board of Review, declare the seat vacant, and send a Certificate of Appreciation to Ms. Bickford for her service to the community.

CM-16-34. Resolution Opposing State Prohibition of Public Information for Local Ballot Questions.

Motion by Councilman Corbett, seconded by Councilman Clark, to approve the Resolution Opposing State Prohibition of Public Information for Local Ballot Questions as follows:

RESOLUTION OF THE CITY OF MADISON HEIGHTS
IN OPPOSITION TO PUBLIC ACT 269 AND IN SUPPORT OF SENATE BILL 703
AND HOUSE BILL 5251

WHEREAS, Governor Snyder signed into law with immediate effect Public Act 269 (Senate Bill 571) despite widespread calls for a veto of this bill, including from members of his own party; and,

WHEREAS, both the Michigan Senate and the Michigan House of Representatives passed Senate Bill 571 late into the night of December 16, 2015, just prior to recessing for the year; and,

WHEREAS, one of the last minute amendments made to Senate Bill 571, without the knowledge of the Michigan Municipal League or other local government organizations, and approved without any public testimony or awareness, pertained to new language inserted into Section 57, Subsection (3); and,

WHEREAS, Section 57, Subsection (3) prohibits a public body, or a person acting for a public body, from using public funds or resources for the purpose of communicating any information to the electorate regarding a local ballot question that is to appear on the ballot, within 60 days of an election, and,

WHEREAS, this law places an immediate "gag order" on entities with ballot questions on the March 8th ballot and every election thereafter; and,

WHEREAS, municipal elected and appointed officials have a civic and legal duty to the residents of their communities to fully inform them regarding the issues placed before them, upon which they may exercise their constitutional right to vote; and,

WHEREAS, existing laws, including the former language in Section 57, and decades of guidance from the Michigan Secretary of State, already prohibit the use of public funds to advocate for or against ballot issues; and,

WHEREAS, existing laws already provide for an allowance for elected and appointed officials to express their views without fear of violating the act; and,

WHEREAS, because the new law bans only communication on local ballot issues, it creates inconsistent treatment of statewide ballot questions versus local initiatives; and,

WHEREAS, there are substantial questions regarding the constitutionality and legality of the new law, including a possible ban on freedom of speech;

NOW, THEREFORE BE IT RESOLVED, as follows:

(1) The City Council of the City of Madison Heights calls for an immediate repeal of the new language in Section 57, Subsection (3) of PA 269 of 2016; and,

(2) In conjunction with the Michigan Municipal League, the Michigan Association of Counties and the Michigan Townships Association, City Council supports the enactment of Senate Bill 703 and House Bill 5221 and any similar pieces of legislation which repeal the "gag order" provision in Public Act 269 and lift the limitations on local officials regarding their effort to give voters important, basic and factual information on local ballot issues, and,

(3) City Council directs that a copy of this Resolution be forwarded to the City's representatives in the Michigan House of Representatives and the Michigan Senate, to the Governor's Office, and the Michigan Municipal League.

CM-16-35. Resolution Opposing Senate Bill 639 – Amendment to Michigan Election Law.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve a Resolution Opposing Senate Bill 639 – Amendment to Michigan Election Law as follows:

RESOLUTION OF THE CITY OF MADISON HEIGHTS
IN OPPOSITION TO SENATE BILL 639

WHEREAS, State Senator Dave Robertson introduced Senate Bill 639 to the Michigan Senate amending Michigan Election Law; and,

WHEREAS, Senate Bill 639 has been referred to the Committee on Elections and Government Reform; and,

WHEREAS, this proposed law is unnecessarily burdensome to the Clerk's office by requiring the City Clerk to report daily, beginning 45 days prior to an election, the name of each person voting absentee to the county clerk as well as permits challengers within the Clerk's office anytime during this 45-day time frame; and,

WHEREAS, Senate Bill 639 prohibits the Clerk from deputizing staff for the purpose of verifying the identification of a first time voter for the purpose of voting absentee, effectively making the City Clerk the only person in the office with the ability to verify identification; and,

WHEREAS, Senate Bill 639 thwarts any efforts by the Clerk's office to accommodate the citizens of their community by prohibiting the clerk's office from being open beyond the normal business hours for the purpose of processing, accepting or issuing absentee ballots as well as prohibits a clerk from operating a satellite office for the purpose of processing, accepting, or issuing an absentee ballot; and,

WHEREAS, the intent of this legislation is to clearly disenfranchise new voters who registered by mail, typically college students who live away at school, from voting absentee by prohibiting them from showing their identification at a Clerk's office or a Secretary of State Branch Office for the purpose of qualifying for voting absentee; and,

WHEREAS, Senate Bill 639 authorizes political campaigning 100 feet from the Clerk's Office during the 45 days prior to an election; and,

WHEREAS, Senate Bill 639 prohibits municipalities from granting or conducting any election activity that is not permitted specifically under the act.

NOW, THEREFORE BE IT RESOLVED as follows:

(1) The City Council of the City of Madison Heights believes that voting and public participation is necessary and vital in a successful democracy; and,

(2) Senate Bill 639 is intrusive, creates barriers to the election process, disenfranchises new voters, and makes it more difficult for citizens to register and exercise their right to vote; and,

(3) The City Council of the City of Madison Heights opposes Senate Bill 639 and strongly encourages the state legislature to tackle more pressing election issues such as increasing access to the voting booth by implementing such measures as "No Reason" absentee voting; and,

(4) City Council directs that a copy of this Resolution be forwarded to the City's State Representative and State Senator, the Governor's Office, and the Michigan Municipal League.

CM-16-36. Resolution Authorizing the Publication of a Notice of Intent to Issue Pension Obligation Bonds.

Motion by Councilman Corbett, seconded by Councilman Gettings, to approve a Resolution Authorizing the Publication of a Notice of Intent to Issue Pension Obligation Bonds as follows:

RESOLUTION AUTHORIZING
NOTICE OF INTENT TO ISSUE BONDS

WHEREAS, Section 518 of Act 34, Public Acts of Michigan, 2001, as amended ("Act 34") authorizes a city to issue bonds to pay all or part of the costs of the unfunded pension liability for a city's retirement programs; and

WHEREAS, the City of Madison Heights, County of Oakland, Michigan (the "City") intends to issue limited tax general obligation bonds pursuant to Section 518 of Act 34, in a principal amount not to exceed Fifteen Million Two Hundred and Fifty Thousand Dollars ($15,250,000) (the "Bonds") for the purpose of paying part of the costs of the unfunded pension liability for the City's general pension retirement program; and

WHEREAS, a notice of intent to issue the Bonds must be published before the issuance of the Bonds in order to comply with the requirements of

Sections 517 and 518 of Act 34.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Clerk of the City is hereby authorized and directed to publish a notice of intent to issue bonds in the *Daily Tribune*, a newspaper of general circulation in the City.

2. Said notice of intent shall be published as a one-quarter (1/4) page display advertisement in substantially the following form:

NOTICE TO TAXPAYERS AND ELECTORS OF THE CITY OF MADISON HEIGHTS,
MICHIGAN OF INTENT TO ISSUE BONDS AND THE
RIGHT OF REFERENDUM RELATING THERETO

PLEASE TAKE NOTICE that the City of Madison Heights, County of Oakland, State of Michigan (the "City"), intends to issue and sell its limited tax general obligation bonds pursuant to Act 34, Public Acts of Michigan, 2001, as amended, in a principal amount not to exceed Fifteen Million Two Hundred and Fifty Thousand Dollars ($15,250,000) for the purpose of paying part of the costs of the unfunded pension liability for the City's general pension retirement program.

SOURCE OF PAYMENT OF BONDS

THE PRINCIPAL OF AND INTEREST ON SAID BONDS SHALL BE PAYABLE from the general funds of the City lawfully available for such purposes including property taxes levied within applicable constitutional, statutory and charter tax rate limitations.

BOND DETAILS

SAID BONDS will be payable in annual installments not to exceed sixteen (16) in number and will bear interest at the rate or rates to be determined at public or private sale but in no event to exceed the maximum rate permitted by law on the balance of the bonds from time to time remaining unpaid.

RIGHT OF REFERENDUM

THE BONDS WILL BE ISSUED WITHOUT A VOTE OF THE ELECTORS

OF THE CITY UNLESS A PETITION REQUESTING SUCH A VOTE SIGNED BY NOT LESS THAN 10% OF THE REGISTERED ELECTORS RESIDING WITHIN THE BOUNDARIES OF THE CITY IS FILED WITH THE CITY CLERK OF THE CITY WITHIN FORTY-FIVE (45) DAYS AFTER PUBLICATION OF THIS NOTICE. IF SUCH PETITION IS FILED, THE BONDS MAY NOT BE ISSUED WITHOUT AN APPROVING VOTE OF A MAJORITY OF THE QUALIFIED ELECTORS RESIDING WITHIN THE BOUNDARIES OF THE CITY VOTING THEREON.

THIS NOTICE is given pursuant to the requirements of Sections 517(2) and 518(3), Act 34, Public Acts of Michigan, 2001, as amended.

CHERYL E. PRINTZ
City Clerk

City Manager Myers began the discussion by stating that as part of the FY 2016-17 City Goal plan, Council adopted the resource-related goal to develop and implement a plan and policy to fully address the City's unfunded liabilities for pension and other post-employment benefits. Staff is presenting the option of pension obligation bonding to address a portion of this unfunded liability as it relates to pensions. He continued that the City currently fully funds two pension systems, and only partially funds the two retiree health care trusts. The total unfunded obligation is currently calculated to be $104 million for all plans, of which $46.7 million is for pensions and $57.2 million is for retiree health care. The agenda item before Council tonight is to address a portion of this liability for the General Employees Pension. This unfunded liability accounts for $15.7 million of the total $104 million. He stated that it is important to note that plans related to the Police and Fire Pension and Retiree benefits are funded through the dedicated 345 tax millage. There are several items to be considered including plan design and eligibility, actuarial assumptions and funding methods. These items include:

1. Over the past three rounds of negotiations, the City and Union have worked to address the liabilities for pension and retiree health care. Specifically, defined benefit pensions and retiree health care have been eliminated for employees hired into the City since 2005 with the exception of Police and Fire Employees. Police and Fire employees are the only employees where new hires are eligible for a tiered pension.

2. During 2015, the assumptions used to calculate plan liabilities were updated to include a revised mortality table that factors in longer life expectancy and the reality of lower interest rates on investments.

Deputy City Manager Marsh noted that as the City's contributions to these plans are expected to grow, funding from current year revenues becomes more and more difficult. Pension Obligation Bonds (POBs) are bonds issued by a state and local government to pay its obligation to the pension fund or system in which its employees are members. This bond liability would replace a majority of the pension liability – it is therefore not a new liability such as issuing debt to buy and build something new, but instead works more like rolling a home equity loan into a mortgage.

She further stated that in 2012, the State of Michigan passed a public act giving municipalities the right to issue these bonds only if certain conditions are met such as that the plans are closed to new hires, the entity has a high credit rating of at least AA, and the entity files a comprehensive financial plan with the State. A number of communities have subsequently issued POBs. All issues also have to be preapproved by the State of Michigan. Madison Heights meets all of the State's criteria.

Ms. Marsh continued that it is staff's recommendation that Council consider issuing bonds for the General Pension unfunded liability only. This is because our Police and Fire plans are not closed to new hires. Based on the financial analysis, issuing pension obligation bonds for the general employees could produce savings to the City of approximately $4 million over the next sixteen years. Also, bonding for retiree health care is a riskier proposition. Retiree health care has many moving parts such as the volatility of health care cost increases, improvements in the quality of health care, advancements in medical technology, the future of health care in America as a whole, and discussions at the state level for a future retiree health care pool on behalf of local units of government.

Specifically, she noted that the unfunded liability for General Employees is $15.7 million as of the last valuation date, December 31, 2014. Consideration is being requested to bond for 95% of this liability or $14,915,000 plus issuance cost. The request is being made for only 95% of the total in order to guard against overfunding the plan in the case of higher investment earnings than are actuarially assumed. If actuarial requirements are met, this will require additional pension contributions being needed. She highlighted the following benefits to the City of POBs:

1. POBs can produce significant savings. The City estimates a savings of approximately $4 million dollars over the next sixteen years, based on actual investment interest rates earned;
2. Bond proceeds are invested immediately in the pension trust which is managed by Municipal Employees' Retirement System or MERS. The pension system assumptions have an assumed rate of earnings projected each year. For the General Employees Pension, this interest rate is 7.75%;
3. Taxable bond rates are currently roughly 3.7-4.2% for less than 30 year debt, including the cost to issue bonds and a possible interest rate increase before these bonds are issued. Earnings would need to exceed 5.2% over the next 16 years in order to make this a feasible option;
4. Relief will be provided to the budget through a consistent bond payment that is less volatile that the required pension contributions for the term of the bond. Based on the investment returns, it is possible that the City will still have to make a pension contribution in addition to the bond payment, depending on the funding status;
5. Despite the City making its actuarially required contributions, the funding level is now only 64% for general employees. By funding this liability, employees and their unions should be able to rest assured that the benefits the City has promised can be provided.

She noted that negative earnings because of lower than expected investment interest rates and a potential for overfunding the pension fund are risks of POBs.

City Manager Myers noted that the timing is important in the decision to move forward with issuing Pension Obligation Bonds. If Council decides to issue these bonds, a resolution would need to be approved tonight authorizing the newspaper publication of a notice of intent to issue the bonds. In March, Council will be asked to approve the bond resolution, including a not to exceed amount. This approval timeframe will allow for bonds to be sold in May or June of this year. He added that voter approval would not be required as the bond issue would be conducted pursuant to Michigan Public Act 329. The bond issue timeframe does, however, include a 45-day voter referendum following publication of the notice of intent.

Councilman Corbett stated that the City has had actuaries, accountants, and advisors. One of the most significant impacts on the City's liability was the actuarial revision of the mortality table. Whatever past decisions we have

made, the impact has been multiplied due to this revision. City Manager Myers added that the annual impact is $850,000 between the two plans.

Mayor Hartwell asked for an explanation of the potential $4 million dollar savings. City Manager Myers showed a table illustrating the Interest Rates Cash Flow Comparisons at the 7.75% assumed interest rate. He added that one benefit of bonding is that it reduces volatility; however, it is dependent on investments and the market. Deputy City Manager Marsh added that MERS believes they can meet the 7.75% rate over the long term. The rate is averaged out over 16 years.

In response to Mayor Hartwell's question, Special Bond Counsel Tom Colis stated that the cost of issuance includes the underwriting, bond counsel, financial advisor, and filing fees as well as the cost for producing the disclosure statement. In response to Mayor Hartwell's question on oversight of fees charged and why a larger bank is being used as opposed to a local bank, Special Bond Counsel Colis answered that the City's financial advisor will be overseeing the fees, and that local banks do not typically specialize in this area. The underwriter works with the City, but not for the City. The financial advisor will be working for the City. He replied that it is important that we use a bigger bank because they will be initially purchasing the bonds and have the ability to sell them on the secondary market; in other words, they act as underwriters. Local banks, on the other hand, would have a role similar to issuing a loan. In addition, the pricing that you get is affected by the underwriter's ability to trade the bonds on the secondary market.

Councilman Soltis noted that tonight's presentation covered the important elements of the POBs. He stated that in addition, City Council did have a meeting with key stakeholders. He expressed his appreciation for everyone's hard work and noted that timing is key to locking in the best interest rate so that we can make the most of the current market.

CM-16-37. Telephone System and Ethernet Network Equipment.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to award the purchase of a telephone system and Ethernet network equipment to the lowest responsible bidder, Netech Corporation, for unit costs in an amount not

to exceed $194,500 based upon the budgeted amount plus reimbursements expected from Oakland County.
Mayor Pro Tem Bliss explained the Request for Proposals (RFP) and the evaluation scoring process, as well as the recommendations from ITAC. He noted that $4,500 of this purchase is for the Nature Center, and this portion will be covered by Oakland County Parks and Recreation pursuant to the terms of the lease agreement. In addition, the handsets specified in the RFP may be reduced from four line to two line handsets. If this is item is modified, it will reduce costs to within the budgeted amount. He also remarked that the new system will have additional public safety components that the current system does not have.

In response to Mayor Pro Tem Bliss's question, City Manager Myers answered that the current system is approximately 20 years of age or older.

IT Provider James Blackburn detailed the RFP process by noting that it started with determining if the phone system was adequate or at end of its current life. It was determined that the current network structure would not support a modern system. Each Department Head was interviewed to see their departmental needs, a user survey was conducted, and from there, the RFP was developed. After the initial RFP was created, ITAC was asked for their input. Once all the input was received, the City went out for formal proposals. A pre-bid meeting was held and potential vendors questions were answered. The City received eight qualified proposals. The proposals were reviewed on weighted scoring system of ten specific items. The three highest scoring vendors were given an in-depth interview. Each interview took approximately three hours with six pages of questions. The results were reviewed by ITAC, and ITAC verified the technology being recommended as well as the process. Going forward, Mr. Blackburn stated that the City is not only looking at the purchase of the technology, but the maintenance for a period of approximately 5 to 8 years.

CM-16-43. Mayor and Council - Comments.

Councilman Corbett congratulated Councilwoman Scott on the Proclamation for Random Acts of Kindness Week and for keeping the initiative going. He stated that Council will be holding special office hours on Fridays from 1 p.m. to 3 p.m. at the library. If you need another time, please call the City Manager's office to arrange.

Mayor Pro Tem Bliss thanked staff and ITAC for their work on the telephone system, stating that it is important to have quality for the residents. The fact that the item is at or below budget is a credit to staff and ITAC. The proposal had a high level of detail of the specific needs of the City and he is looking forward to seeing the end result. He highlighted an upcoming program, the City Council Student Internship. He also advised members of the State Legislature that while he believes ideas are important, the execution is falling short. Proposals such as the ones discussed in this evening's resolutions need to be vetted in an open process and with the stakeholders. In both of these bills, this process was not done and this is not a way to govern. He commended staff and the public for voicing their concerns and keeping dialog open.

Councilman Gettings had no comments this evening.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers commented that the City will be donating one of the old phone sets to the Heritage Room.

City Clerk Printz stated that applications for absentee ballots for the March 8, 2016 Presidential Primary are available in the Clerk's office. She reminded voters that this election is a Closed Primary, which means you must pick either a Democratic or Republican ballot to vote in this election.

Councilman Clark verified that Mr. Smith, who spoke during Public Comments, received the information he asked for during the POBs agenda item discussion.

Councilwoman Scott recognized Dan Garvey, Tim Kennedy and Michael Hoag on their retirements from the City. She noted that Tim kept a history on the Fire Department and the City thanks him for his contributions of our history. She stated that the Heritage Rooms are open on Tuesday's between 3 p.m. and 7 p.m. and admission is free. If you visit after 4:30 p.m., when the City Offices are closed, use the elevator entrance and take the elevator to the lower level. She announced that this Saturday there is a Memorial Day Fundraiser – a 1950s Sock Hop. The event will be at the Madison Place Hall which is located at 876 Horace Brown Drive. The dance is from 6 p.m. until 11:30 p.m. and the cost is $10.

Councilman Soltis asked what the time frame was for keeping the voter's party preference from a Presidential Primary Election. City Clerk Printz answered that the State maintains the preference information for 22 months; however, the information is only available to political parties. He thanked ITAC for their participation in the telephone system purchase and noted that he is glad to see the local high schools will be participating in City Council Internship. He gave the details for the *Gospel Benefit Singing* event mentioned in the public comments.

Mayor Hartwell thanked the public for attending tonight's meeting as well as those who watch at home. He added that the comments Council receives from the public are helpful and needed. He thanked the DPS Director and DPS Streets Supervisor for their quick and efficient response to a citizen's concern regarding a garbage truck dropping hydraulic fuel. He shared that he went on a ride along with Police Officer Malak on his day shift patrol. He stated that it was an eye opening experience, and there were multiple mental health related calls. He expressed the need for officers to be trained to handle these types of situations. He reminded Council that the Hiller Elementary Leadership Day is this Wednesday, February 10th at 12:30 p.m.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
February 22, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, February 22, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. Deputy City Manager Marsh, Assistant City Attorney Sherman and City Clerk Printz.

The invocation was offered by Mayor Pro Tem Bliss and was followed by the Pledge of Allegiance to the Flag.

CM-16-45. Presentation – DTE Energy Electrical System Health Check.

Mayor Hartwell welcomed representatives from DTE Energy. Michael Palchesko, Regional Manager of Corporate and Government Affairs, Kathleen Simone, Supervising Engineer, and Naera Haghnazarin, Staff Engineer, gave a formal presentation to City Council regarding power service concerns in Madison Heights. Topics covered included an overview of the basic electrical system; circuit boundaries; the substations that feed the City; electrical capacity within the City; outage types; the number of sustained outages in the City, and the number of people affected. They also reviewed the reliability measures that DTE Energy is taking to help curb the number of sustained outages, including tree trimming and updating of transformers within the City.

Doug McLean, 2743 Park Ct.; Tony Austin, 28675 Couzens; Gloria Moore, 27368 Dartmouth; Barbara Perkins, 27855 Hampden; Joseph Jenkins, 26708 Osmun; Christopher Dzieliniski, 252 E Parker; and Jessica Evans, 28276 Groveland, commented on the presentation. The following items were discussed: increased cost of electrical service; a preference to underground utilities; loads on the existing lines; chemicals used on the lines to prevent vegetation; non-weather related outages; difficulties of residents with medical needs during outages; underreporting of outages due to short length outages; level of difficulty when using the DTE website and smart app; and the sources of electricity for the City.

After discussion, City Council members requested that DTE Energy report back on the following:

1. What is the 5 year trend of outages in Madison Heights?

2. What is the percentage of energy from nuclear or coal power plants for the City?

3. Please provide a list of all Madison Heights' customers with outages, regardless of frequency. Would it be possible to get this list in an excel spreadsheet?

    a. How many Madison Heights' customers experienced 8 outages in 2015, as well as 7 and 6outages?

    b. Number of outages in Madison Heights overall, including those that experienced less than 4outages

4. Please provide a report on whether or not the investment DTE is making is working. Can DTE show that their investment will reduce the number of Madison Heights' outages?

5. How can citizens register or get on the call-list for planned outages? Will DTE consider establishing a Registry so that seniors and those with medical equipment needs can sign up with DTE for priority consideration during outages?

6. In the past 5 years, what is the number of outages that are related to trees?

    a. Should the recent increase in outages due to trees have been anticipated and addressed with more aggressive tree trimming sooner?

    b. When will tree trimming begin in Madison Heights?

    c. What will the typical resident see as far as DTE's trimming efforts?

    d. How are costs for accelerated tree trimming passed on to the consumer?

e. When will tree trimming begin, how many trucks at a time? Will it be like an "invasion"?

f. What is the recourse when a resident refuses to have trees on private property trimmed?

g. Based on the average number of outages experienced in other communities, tree trimming efforts, and other capital improvements, what is Madison Heights anticipated number of outages for 2016?

7. What should residents look for in identifying poles that need to be replaced and how would they report this information?

8. Can DTE provide to Council regular reports on the gross number of outages in the City?

9. What chemicals (plant growth regulators) are used in Madison Heights by DTE Energy to prevent vegetation growth?

Mr. Palchesko and DTE staff stated that they will attempt to report back to the City on these items within two weeks.

CM-16-46. Public Hearing – Rezoning Request No. 1078 (Ordinance No. 2109) – Rezone 28050 John R from O-1, Office to B-3, General Business (Second Reading).

A public hearing was held to hear comments, if any, to rezoning 28050 John R fromO-1, Office to B-3, General Business; said property is located at the northeast corner of John R and Gardenia.

Mayor Hartwell opened the public hearing at 9:10 p.m. to obtain comments, if any, from the public regarding the rezoning request. Hearing no comments from the audience, the public hearing was closed at 9:11 p.m.

Motion by Councilman Corbett, seconded by Councilman Gettings, to adopt Ordinance 2109 on second and final reading, as follows:

Gloria Moore, 27316 Dartmouth, apologized for those who wanted to attend the last meeting and were locked out of the school building due to spring break. She stated that the Friends of the Madison Heights Area Senior Citizens next meeting will be on March 15, 2016 at 7:00 p.m. at Wilkinson Middle School and all are invited.

Christopher Dzieliniski, 252 E Parker, asked if a cellular store was going in at 363 12 Mile Road. Community Development Director Schafer responded that the location is a retail center which is zoned commercial, and that one of the

permitted uses could be cellular store; however, the City has no specifics on tenants.

Keith Holsen, representing Criminal Racketeering Against Patients, stated that he is a medical marijuana patient and complained about the treatment he has received by law enforcement. He also stated his dissatisfaction with the City's response to his FOIA request. He urged the City to train their police officers and help protect medical marijuana patients.

Please call Lamphere High School for details and tickets. She thanked all those that participated in Random Acts of Kindness Week and thanked WCSX for making Madison Heights the Citizens of the Week. As part of the week, the Family Coalition made special greetings and treats for those at St. John Oakland Hospital and toured the hospital. She thanked all those who participated.

Councilman Soltis thanks Deputy City Manager Marsh for serving as the Acting City Manager for tonight's meeting. He expressed his gratitude to all those who participated in tonight's meeting and thanked Andy Kozlowski from C and G Newspapers for attending this evening.

Mayor Hartwell stated that he really appreciates City Council's interaction tonight and he encouraged public participation at future meetings. He concluded by stating that the country lost Supreme Court Justice Antonin Scalia, and while you may or may not agree with him, he offered his quote "I attack ideas I don't attack people – and some very good people have some very

bad ideas." He continued by stating that while we disagree sometimes, we move on.

CM-16-60. Meeting Open to the Public.

Oakland County Treasurer Andy Meissner stated that he was honored to partner with the City of Madison Heights on a number of issues. He urged the Mayor and City Council to reach out to the City's residents who may be behind on their property taxes. If the homeowner does not act, they could lose that entire interest in their property. Oakland County would like to do anything they can to avoid that from happening, including setting up payment plans.

Currently, the County has approximately 7,800 payment plans for delinquent property taxes. The County is willing to work with homeowners; however, it will take creating partnerships. He stated that Laura Schmidt, a Madison Heights resident, is Chief of Property Tax Administration and she is working hard and is a great credit to the community. He advised that March 31, 2016 is the deadline to pay outstanding property taxes so please contact the County either on his personal number 248-421-Andy or the office at 248-858-0611. They can also be contacted through the County's website: oakgov.com/treasurer. Please reach out to anyone you know who may need assistance so we can help. He distributed a timeline on the tax foreclosure process. He reiterated that if you are willing to get on a payment plan, there is no reason to lose your property. In addition, the County's free service, the Financial Empowerment Center, can help those who are having a tough time with their finances and get them on the right path. He concluded by noting that Madison Heights has been a place that has really embraced small businesses. Oakland County has resources to assist these small businesses through the Oakland County Business Finance Corporation. He stated that 7 out of 10 new jobs come from small businesses. Mayor Hartwell thanked Mr. Meissner for attending tonight and stated that the City will put a link on our website to Oakland County Treasurers Office and he thanked him for wanting to help the citizens of the community.

Councilman Scott introduced members of Boy Scout Pack No. 1591 from Simonds Elementary School, who visited the Heritage Room prior to the meeting. She thanked the Pack for carrying on the tradition along with the parents and leaders for their time and making sure that the Scouts are earning their badges. She thanked them for attending the meeting and invited them to ask City Council questions.

Cub Scout Nicholas Kabacinski asked how the proposed freeway expansion will affect the city. Mayor Hartwell responded that the expansion will affect the City financially and there may be a public taking of private land. On a regional level, a $1,000,000 is going to be spent to assist motorists in passing through town on their way to another destination. The construction itself will be dusty, dirty, and may create potential traffic problems.

Cub Scout Georgio Aramouni questioned if City Council makes laws? Mayor Hartwell answered, yes, the City creates laws. He further explained that the City exists as a subdivision of State government and the City can do only what the State of Michigan allows us to do. We call our City laws ordinances.

Cub Scout Tyler London asked how City Council makes the world a better place? Mayor Hartwell stated that City Council makes the world a better place by giving you what you want and making Madison Heights a place where you want to live. Mayor Pro Tem Bliss added that part of City Council's job is to inspire leaders of the next generation. Hopefully our answers will make you excited and want to be a future leader. He continued that members of City Council went to the same schools, played in the same streets as the Scouts attending this evening, and we want you to eventually sit in these City Council seats. Councilwoman Scott added that the Scouts attending this evening are already making the world a better place by participating in Cub Scouts and noted that the students have the power to change things and make them how you want them to be.

Cub Scout Pack No. 1591 Den Leader Mark London, 27119 Vance St., stated that the Scouts had an occurrence where they needed a local place to pitch a tent and start a camp fire; however, our City ordinances don't currently allow that. He asked if the City would consider revising this. City Manager Myers responded that the City is currently working on an update to the fire code.

Gloria Moore, 27316 Dartmouth, wished everyone a happy Pi Day, St. Patrick's Day, and Easter and stated that the Friends of the Madison Heights Area Senior Citizens next meeting will be on March 15, 2016 at 7:00 p.m. at Wilkinson Middle School and all are invited. She also announced a membership rally on April 14th at Wilkinson Middle School beginning at 6:30.

CM-16-61. Gospel Life Church - Request for Civic Center Park Fee Waiver.

CM-16-66. Mayor and Council - Comments.

Councilman Corbett wished everyone a Happy St. Patrick' Day. He reminded the public that he will have office hours on Friday between 1 p.m. and 3 p.m. at the library and encouraged anyone interested to stop by to discuss City issues.

Mayor Pro Tem Bliss stated that he was excited for the kick off of the Mock City Council Program. He provided program details, including the entry requirements and program dates. He noted that in addition to reaching out to the local high schools, anyone interested and eligible to participate can obtain information on the City's website. This is going to be beneficial program about inspiring leaders of tomorrow.

Councilman Gettings had no comments this evening.

City Attorney Sherman stated that the Cub Scouts who attended this evening asked excellent and difficult questions to City Council.

City Manager Myers had no comments this evening.

City Clerk Printz thanked all her election workers and student workers for the outstanding job they did working the March 8th Presidential Primary. It is long, difficult day. Their service was appreciated and their performance was outstanding.

Councilman Clark announced the following events:

July 16th	Bike Rodeo (helmets provided), 10 a.m. – 3 p.m. at the Madison Heights Police Department
April 16th	*5K Run for Help*, 8 a.m. at the Nature Center
October 7th	Manufacturing Day Open House for future workforce, various City locations

He stated that Garage Muscle, located on 11 Mile Road, has opened and the business is geared towards healthy lifestyles for younger kids. He will provide more detail on the business at the next meeting.

Councilwoman Scott thanked the Cub Scouts who were here tonight. She encouraged them to register to vote when they are 18. She also thanked everyone for participating in the March 8th Presidential Primary.

Councilman Soltis commented that e-cigarettes are not regulated by the State of Michigan or the FDA. In his opinion, they are not a safe alternative to smoking. They appeal to youth and this is doing our kids a disservice. Since there is no regulation at the federal or state level, he requested that the City look at the possibility of an ordinance to address this issue. City Attorney Sherman noted that there are a couple of bills pending on this issue at the State level which they are watching. City Manager Myers added that at one point the Federal Government was also considering regulation, but nothing has been done at the Federal level to date.

Councilman Soltis also stated that City is looking into crime mapping which would map every area of the City and indicate the type of crime and where it occurred. Once in place, this information will be put on the City's website. He wished everyone a Happy St. Patrick's Day.

Mayor Hartwell concurred with Councilman Soltis' comments on e-cigarettes. He congratulated Tim Pawlowski on his appointment to Deputy Police Chief, and noted that it is great to live in a City where we have so many talented officers that we can entrust in these roles.

CM-16-67. Adjournment.

There being no further business, Mayor Hartwell adjourned the meeting at 8:28 p.m.

James Capizzo, 863 Venoy, stated that a couple of weeks ago on a windy day Rizzo put his trash can in the back yard and he is thankful.

CM-16-72. Resolution in Opposition to the I-75 Widening & Expansion Project.

Motion by Councilman Corbett, seconded by Councilman Clark, to approve the following Resolution opposing the I-75 widening and expansion project.

RESOLUTION FOR RESPONSIBLE SPENDING OF TRANSPORATION FUNDS IN SOUTHEAST MICHIGAN

WHEREAS, communities across the southeast Michigan face an acute shortage of transportation funds to repair existing streets and bridges, address safety needs, and provide the quality of life that attracts and retains residents and employers; and

WHEREAS, within the City of Madison Heights these needs specifically include the repair of existing roads; and

WHEREAS, the Michigan Department of Transportation has approved and intends to commence major highway reconstruction and capacity expansion projects on 1-75 in Oakland County and I-94 in Detroit, with expected costs that may exceed $4 billion dollars, including hundreds of millions for capacity expansion; and

WHEREAS, the 2040 Long-Range Plan states that traffic congestion in southeast Michigan is "limited," that the region will not regain its 2000 population with the next 25 years, and that any increase in traffic levels will be modest; and

WHEREAS, surveys performed by SEMCOG show that a majority of the region's residents do not support raising taxes for the purpose of expanding highway capacity; and

WHEREAS, the expansions threaten significant negative impacts to the communities they traverse, including displacement of residents, destruction of local tax base, loss of property value, increases in traffic noise, aggravated air pollution, and continued disinvestment;

WHEREAS, it has been well established that such road expansions provide only temporary relief, while exacerbating traffic congestion in the long run; and

WHEREAS, $4 billion would be far better spent addressing our region's desperate need for a comprehensive regional transit system to meet the needs of residents; and

WHEREAS, cities across the state are suffering consequences of decades of anti-urban policies, such as freeway expansions, which encourage sprawl while decreasing investment in the very population centers where the majority of residents live; and

WHEREAS, state law dictates that not only must cities and villages suffer the consequences of these policies, but in fact, must bear a portion of the cost of opening, widening, and improving state trunk line highways resulting in further deterioration of existing local infrastructure; and

WHEREAS, SB 557 introduced by State Senator Knollenberg proposed to eliminate the requirement that

Madison Heights residents' tax dollars be redirected to a project that harms our community; and

NOW THEREFORE BE IT RESOLVED, the City Council of the City of Madison Heights opposes the inclusion of these highway capacity expansion projects in the 2040 Long-Range Plan; and

BE IT FURTHER RESOLVED, the City Council especially opposes the proposed Transportation Improvement Project amendments pertaining to the acceleration of the widening of 1-75 between Eight Mile Road and M-59; and

BE IT FURTHER RESOLVED, the Madison Heights City Council requests that the funding currently programmed for these capacity projects be redirected to other roadway projects, such as performing preventive maintenance and rehabilitating existing major roads, bridges and local streets; addressing critical safety needs; developing and implementing mass transit; and enhancing the overall quality of life through these measures; and

BE IT FURTHER RESOLVED, that the City of Madison Heights will utilize all legal means at its disposal to prevent this expansion from taking place; and

BE IT FURTHER RESOLVED, that the City of Madison Heights supports the passage of SB 557 which, at the very least, would end the requirement that Madison Heights residents fund a project that will bring harm to our city; and

BE IT FURTHER RESOLVED, this Resolution shall be transmitted to SEMCOG and its Member Communities, the Michigan Municipal League, the Michigan Department of Transportation (MDOT), Governor Rick Snyder, and Representative James Townsend and Senator Marty Knollenberg.

BE IT FINALLY RESOLVED, the City of Madison Heights hereby adopts this Resolution requesting that the two expansion projects be excluded from the 2040 Long-Range Plan, and funding redirected towards other needs, until such time as their utility is re-examined in the light of current transportation and funding conditions.

Mayor Pro Tem Bliss stated that there is much in the resolution that does not resonate well with our community and city. He also stated he disagreed that the entire project does not have value, but does agree that the project is too big, the funding mechanism is ridiculous and should be done on a county or state level and not forced on the local community. However, there are a lot of absolutes in the resolution that he feels are key points he does not agree with.

Councilman Corbett stated that, respectfully, he is unable to find the positive in the project. The project is vastly different from the original proposal that was submitted in the past. He continued stating that the freeway will be clogged again when as we continue with bad policy and bad government encouraging non-mass transit options. The resolution puts the City on record with our neighbors.

Councilman Gettings stated he was in favor or putting in an additional lane; however, he was not pleased with the fact that they moved up the funding from 2020 as it is hitting us very hard. Yet the idea behind it does have some merit.

Mayor Hartwell stated that this project is an example of inefficiency when it takes $4 million dollars to make it easier for people to get farther away from the urban core and would be more efficient if we focused on the center.

CM-16-73. Resolution Authorizing Issuance of Pension Obligation Bonds.

Motion by Councilman Clark, seconded by Councilman Soltis, to approve the following Resolution to authorize issuance of the 2016 Limited Tax General Pension Obligation Bonds not to exceed $15,250,000.

RESOLUTION AUTHORIZING
2016 LIMITED TAX GENERAL OBLIGATION BONDS
(FEDERALLY TAXABLE)

CITY of MADISON HEIGHTS
County of Oakland, State of Michigan

Minutes of a regular meeting of the City Council of the City of Madison Heights, County of Oakland, State of Michigan (the "City"), held on March 28, 2016, at 7:30 p.m., prevailing Eastern Time.

PRESENT: Members: _____

_____

ABSENT: Members: _____

The following preamble and resolution were offered by Member _____ and supported by Member _____:

WHEREAS, as part of the City's retirement program (the "Retirement Program"), the City has previously established a defined benefit pension plan for all City employees other than sworn police and fire employees (the "Defined Benefit Plan") which is comprised of 6 divisions that are administered through the Municipal Employees' Retirement System of Michigan ("MERS"); and

WHEREAS, the City has closed all 6 of the divisions of its Defined Benefit Plan to new hired employees; and

WHEREAS, as part of the Retirement Program, the City has also implemented a defined contribution plan (the "Defined Contribution Plan"); and

WHEREAS, Section 518 of Act 34, Public Acts of Michigan, 2001, as amended ("Act 34") authorizes a city, in connection with the partial or complete cessation of accruals to a defined benefit plan, such as the Defined Benefit Plan, or the closure of the defined benefit plan to new or existing employees, and the implementation of a defined contribution plan, such as the Defined Contribution Plan, to issue bonds to pay all or part of the costs of the unfunded pension liability for that retirement program and the costs of issuance of the bonds; and

WHEREAS, the City intends to issue limited tax general obligation bonds pursuant to Section 518 of Act 34, in one or more series, in an aggregate principal amount of not to exceed Fifteen Million Two Hundred Fifty Thousand Dollars ($15,250,000) (the "Bonds") for the purpose of paying all or a part of the costs of the unfunded pension liability for its Defined Benefit Plan; and

WHEREAS, a notice of intent for bonds has been published in accordance with Act 34 which provides that the bonds may be issued without a vote of the electors of the City unless a proper petition for an election on the question of the issuance of the bonds is filed with the City Clerk within a period of forty-five (45) days from the date of publication and as of this date no petition has been filed with the City Clerk; and

WHEREAS, it is necessary for the City to prepare a comprehensive financial plan (the "Comprehensive Financial Plan") prior to the issuance of the Bonds, in accordance with Section 518 of Act 34; and

WHEREAS, it is further necessary for the City to obtain the approval of the Michigan Department of Treasury prior to the issuance of the Bonds; and

WHEREAS, the City has received a proposal from Fifth Third Securities, Inc. (the "Underwriter") to purchase the Bonds pursuant to a negotiated sale.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Authorization of Bonds; Bond Terms. Bonds of the City designated 2016 LIMITED TAX GENERAL OBLIGATION BONDS (FEDERALLY TAXABLE) (the "Bonds") are authorized to be issued in the aggregate principal sum of not to exceed Fifteen Million Two Hundred Fifty Thousand Dollars ($15,250,000) for the purpose of paying all or part of the costs of the unfunded pension liability for the City's Defined Benefit Plan and the costs incidental to the issuance, sale and delivery of the Bonds. The issue shall consist of bonds in fully-registered form of the denomination of $5,000, or multiples thereof not exceeding for each maturity the maximum principal amount of that maturity, numbered as determined by the Transfer Agent (hereinafter defined) and dated as of the date of delivery (or such other date as determined at the time of sale therof). The Bonds shall mature on January 1 in the years and in the principal amounts as determined by the City Manager or Deputy City Manager (each, an "Authorized Officer" and together, the "Authorized Officers") at the time of sale, and be subject to prior redemption as determined at the time of sale of the Bonds. The Bonds shall bear interest at a rate or rates to be determined upon negotiated sale thereof, but in any event not to exceed six percent (6.0%) per annum, payable semiannually on January 1 and July 1 of each year, first payable on such date as determined at the time of sale thereof, by check or draft mailed by the Transfer Agent (as hereinafter defined) to the registered owner of record as of the 15th day of the month prior to the payment date for each interest payment. The record date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the City to conform to market practice in the future. The principal of the Bonds shall be payable at the designated office of a bank or trust company to be selected by an Authorized Officer (the "Transfer Agent").

2. Execution of Bonds. The Bonds of this issue shall be executed in the name of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City and shall have the seal of the City, or a facsimile thereof, printed or impressed on the Bonds. No Bond executed by facsimile signatures shall be valid until authenticated by an authorized officer or representative of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser or other person in accordance with instructions from an Authorized Officer upon

payment of the purchase price for the Bonds in accordance with the bid therefor when accepted.

The Bonds may be issued in book entry only form through the Depository Trust Company in New York, New York ("DTC") and the Authorized Officers are authorized to execute such custodial or other agreements with DTC as may be necessary to accomplish the issuance of the Bonds in book entry only form and to make such change in the Bond Form within the parameters of this Resolution as may be required to accomplish the foregoing.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

3. Transfer of Bonds. The Transfer Agent shall keep the books of registration for this issue on behalf of the City. Any Bond may be transferred upon such registration books by the registered owner of record, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Transfer Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The Transfer Agent shall require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer.

4. Limited Tax Pledge; Bond Fund; Defeasance. The City hereby pledges its limited tax full faith and credit for the prompt payment of the Bonds. The City shall, each year budget the amount of the debt service coming due in the next fiscal year on the principal of and interest on the Bonds and shall advance moneys as a first budget obligation from its general funds available therefor, or,

if necessary, levy taxes upon all taxable property in the City subject to applicable constitutional, statutory and charter tax rate limitations, such sums as may be necessary to pay such debt service in said fiscal year.

The City Treasurer is authorized and directed to open a separate fund with a bank or trust company designated by the City Treasurer as the 2016 LIMITED TAX GENERAL OBLIGATION BONDS – BOND FUND (the "Bond Fund"), the moneys to be deposited into the Bond Fund to be specifically earmarked and used solely for the purpose of paying principal of and interest on the Bonds as they mature. Into said fund there shall be placed the accrued interest, if any, received at the time of delivery of the Bonds.

In the event cash or direct obligations of the United States or obligations the principal of and interest on which are guaranteed by the United States, or a combination thereof, the principal of and interest on which, without reinvestment, come due at times and in amounts sufficient to pay at maturity or irrevocable call for earlier optional redemption, the principal of, premium, if any, and interest on the Bonds, shall be deposited in trust, this resolution shall be defeased and the owners of the Bonds shall have no further rights under this resolution except to receive payment of the principal of, premium, if any, and interest on the Bonds from the cash or securities deposited in trust and the interest and gains thereon and to transfer and exchange Bonds as provided herein.

5. Costs of Issuance; Proceeds of Bond Sale. The City Treasurer is authorized and directed to open a separate depository account with a bank or trust company or establish a separate account on the books of the City, to be designated 2016 LIMITED TAX GENERAL OBLIGATION BONDS – PROCEEDS FUND (the "Proceeds Fund") and deposit into the Proceeds Fund the proceeds of the Bonds less accrued interest, if any, which shall be deposited into the Bond Fund. The moneys in the Proceeds Fund shall be used solely to pay the costs of issuance of the Bonds and to pay costs of the unfunded pension liability of the Defined Benefit Plan to MERS.

6. Bond Form. The Bonds shall be in substantially the following form with such changes as may be required to conform to the final terms of the Bonds established in the Sale Order:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF OAKLAND

CITY OF MADISON HEIGHTS
2016 LIMITED TAX GENERAL OBLIGATION BOND
(FEDERALLY TAXABLE)

Interest Rate	Maturity Date	Date of Original Issue	CUSIP
	January 1, 20__	_____, 2016	

Registered Owner:

Principal Amount: Dollars

The City of Madison Heights, County of Oakland, State of Michigan (the "City"), acknowledges itself to owe and for value received hereby promises to pay to the Registered Owner specified above, or registered assigns, the Principal Amount specified above, in lawful money of the United States of America, on the Maturity Date specified above, unless prepaid prior thereto as hereinafter provided, with interest thereon (computed on the basis of a 360-day year consisting of twelve 30-day months) from the Date of Original Issue specified above or such later date to which interest has been paid, until paid, at the Interest Rate per annum specified above, first payable on January 1, 2017 and semiannually thereafter. Principal of this bond is payable at the corporate trust office of _____, _____, _____, or such other transfer agent as the City may hereafter designate by notice mailed to the registered owner not less than sixty (60) days prior to any interest payment date (the "Transfer Agent"). Interest on this bond is payable to the registered owner of record as of the fifteenth (15th) day of the month preceding the interest payment date as shown on the registration books of the City kept by the Transfer Agent by check or draft mailed to the registered owner of record at the registered address. For prompt payment of this bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

This bond, including the interest thereon, is payable as a first budget obligation from the general funds of the Issuer, and the City is required, if necessary, to levy ad valorem taxes on all taxable property in the Issuer for the payment thereof, subject to applicable constitutional, statutory and charter tax rate limitations.

This bond is one of a series of bonds aggregating the principal sum of $_____, issued for the purpose of paying all or a part of the costs of the unfunded pension liability for the City's retirement programs. This bond is issued under the provisions of Act 34, Public Acts of Michigan, 2001, as amended and a duly adopted resolution of the City.

Bonds of this issue maturing in the years 20__ to 20__, inclusive, shall not be subject to redemption prior to maturity. Bonds or portions of bonds of this issue in multiples of $5,000 maturing in the year 20__ and thereafter shall be subject to redemption prior to maturity, at the option of the City, in any order of maturity and by lot within any maturity, on any date on or after January 1, 20__, at par and accrued interest to the date fixed for redemption.

[Insert term bond provisions, if necessary]

In case less than the full amount of an outstanding bond is called for redemption, the Transfer Agent, upon presentation of the bond called in part for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owner of any bond or portion thereof called for redemption by mailing of such notice not less than thirty (30) days prior to the date fixed for redemption to the registered address of the registered owner of record. A bond or portion thereof so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the Transfer Agent to redeem said bond or portion thereof.

This bond is transferable only upon the registration books of the City kept by the Transfer Agent by the registered owner of record in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution authorizing this bond and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law to be done, precedent to and in the issuance of this bond and the series of bonds of which this is one, exist and have been done and performed in regular and due form and time as required by law, and that the total indebtedness of the City, including this bond and the series of bonds of

which this is one, does not exceed any constitutional, statutory or charter debt limitation.

This bond is not valid or obligatory for any purpose until the Transfer Agent's Certificate of Authentication on this bond has been executed by the Transfer Agent.

IN WITNESS WHEREOF, the City of Madison Heights, by its City Council, has caused this bond to be signed in the name of the City by the facsimile signatures of its Mayor and City Clerk and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

7. Negotiated Sale. The City Council has considered the option of selling the Bonds through a competitive sale and a negotiated sale, and, pursuant to the requirements of Act 34 determines that a negotiated sale of the Bonds will allow more flexibility in accessing the municipal bond market, and to price and sell the Bonds at the time that is expected to achieve the most advantageous interest rates and costs to the City, and will provide the City with greater flexibility in structuring bond maturities and adjust terms for the Bonds. The Authorized Officers are each authorized to negotiate the sale of the Bonds to the Underwriter.

8. Bond Purchase Agreement; Award. Each Authorized Officer is hereby individually authorized to negotiate the sale of the Bonds with the Underwriter, negotiate and execute a bond purchase agreement with the Underwriter, execute a Sale Order specifying the final terms of the Bonds and take all other necessary actions required to effectuate the sale, issuance and delivery of the Bonds within the parameters authorized in this Resolution, *provided that* the interest rate per annum on any of the Bonds shall not exceed 6.0%, the Bonds shall mature in more than 16 annual installments, and the underwriter's discount on the Bonds shall not be greater than 1% of the principal amount of the Bonds.

9. Authorization of Other Actions. Each Authorized Officer is hereby individually authorized to adjust the final Bond details set forth herein to the extent necessary or convenient to complete the transaction authorized herein, and in pursuance of the foregoing are authorized to exercise the authority and make the determinations authorized pursuant to Section 315(1)(d) of Act 34, Public Acts of Michigan, 2001, as amended, including but not limited to, determinations regarding interest rates, prices, discounts, maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery and payment, and other matters within the parameters described in this resolution. Each Authorized Officer is individually authorized and directed to take all other actions necessary or advisable, and to make such other filings with any parties, including the Michigan Department of Treasury, to enable the sale and delivery of the Bonds as contemplated herein, including, if necessary, an application to the Michigan Department of Treasury for approval to issue and sell the Bonds, in such form as shall be approved by either Authorized Officer. Each Authorized Officer is further individually authorized to pay any necessary fees in connection with any such applications or waivers.

10. Official Statement; Qualification for Insurance; Ratings. Each Authorized Officer is individually authorized and directed to cause the preparation and circulation of a preliminary and final Official Statement with respect to the Bonds; to procure qualification of the Bonds for a policy of

municipal bond insurance, if deemed appropriate by the City's financial advisor and bond counsel; and to obtain ratings on the Bonds.

11. Continuing Disclosure. The City agrees to enter into a continuing disclosure undertaking for the benefit of the holders and beneficial owners of the Bonds in accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, and either Authorized Officer is authorized to execute such undertaking prior to delivery of the Bonds.

12. Preparation of Comprehensive Financial Plan. Either Authorized Officer is hereby authorized to prepare a Comprehensive Financial Plan in accordance with Act 34. Either Authorized Officer or the City Clerk is authorized and directed to post the Comprehensive Financial Plan on the City's website to be available to the public prior to the issuance of the Bonds, in accordance with Section 518 of Act 34.

13. Covenant with Bondholders and State of Michigan. The City hereby covenants with the holders of the Bonds and the State of Michigan that it will not, after the issuance of the Bonds and while the Bonds are outstanding, rescind whatever action it has taken to make a partial or complete cessation of accruals to the Defined Benefit Plan or the closure of the Defined Benefit Plan for new or existing employees.

14. Appointment of Bond Counsel. The appointment of the law firm Miller, Canfield, Paddock and Stone, P.L.C. of Detroit, Michigan, as bond counsel for the Bonds is hereby confirmed, notwithstanding the periodic representation by Miller, Canfield, Paddock and Stone, P.L.C. in unrelated matters of parties and potential parties to the issuance of the Bonds, including the Underwriter.

15. Appointment of Financial Advisor. The City hereby appoints H.J. Umbaugh & Associates to act as financial advisor with respect to the Bonds.

16. Rescission. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

CM-16-74. 2016 Roads and Vehicles Ballot Proposals.

Motion by Councilman Corbett, seconded by Councilman Gettings, to approve the following 2016 Roads and Vehicles Ballot Proposals Resolution.

RESOLUTION PROPOSING AMENDMENT TO THE CHARTER OF THE CITY OF MADISON HEIGHTS

BE IT RESOLVED, by the City Council of the City of Madison Heights, Michigan, as follows:

1. That said City Council by a three-fifths vote of its members-elect, pursuant to the authority granted by Act 279 of the Public Acts of 1909, as amended, proposed that Section 9.1 of the Charter of the City of Madison Heights shall be amended, effective December 31, 2016, to read as follows:

SECTION 9.1 POWER TO TAX; TAX LIMIT.

The City shall have the power to assess taxes and levy and collect rents, tolls and excises. Exclusive of any levies authorized by statute to be made beyond Charter tax rate limitations, the annual ad valorem tax levy for general budget purposes

shall not exceed 1.0 percent of the assessed value of all real and personal property subject to taxation in the City. In addition, the City shall have the power to levy not to exceed 0.2 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2017, for purposes of necessary public residential street rights-of-way repair and reconstruction, and related sewer repair and reconstruction. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2017, for purposes of the replacement of vehicles to be used in providing police, fire, street maintenance and other City services. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed fifteen (15) years, beginning in 2010, for purposes of providing Advanced Life Support/Paramedic Emergency Medical Services through the Fire Department. In addition, the City shall have the power to levy not to exceed 0.1 percent of the assessed value of all real and personal property for not to exceed ten (10) years, beginning in 2011, for purposes of supporting and maintaining the public library.

Provisions of existing Section 9.1 of the Charter of the City of Madison Heights to be altered or abrogated by such proposal, if adopted, now reads as follows:

SECTION 9.1 POWER TO TAX; TAX LIMIT.

The City shall have the power to assess taxes and levy and collect rents, tolls and excises. Exclusive of any levies authorized by statute to be made beyond Charter tax rate limitations, the annual ad valorem tax levy for general budget purposes shall not exceed 1.0 percent of the assessed value of all real and personal property subject to taxation in the City. In addition, the City shall have the power to levy not to exceed 0.2 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2007, for purposes of necessary public residential street rights-of-way repair and reconstruction, and related sewer repair and reconstruction. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2007, for purposes of the replacement of vehicles to be used in providing police, fire, street maintenance and other City services. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed fifteen (15) years, beginning in 2010, for purposes of providing Advanced Life Support/Paramedic Emergency Medical Services through the Fire Department. In addition, the City shall have the power to levy not to exceed 0.1 percent of the assessed value of all real and personal property for not to exceed ten (10) years, beginning in 2011, for purposes of supporting and maintaining the public library.

(Amended April 7, 1958; Amended August 6, 1996; Amended June 23, 1997; Amended August 8, 2006; Amended November 3, 2009; May 3, 2011)

2. The language of the ballot proposals for the amendment of Section 9.1 shall be as follows:

A. Shall the Charter of the City of Madison Heights be amended to renew the provisions providing for public residential street rights-of-way repair and reconstruction , and related sewer repair and reconstruction, by levy and collection of two (2.00) mills per year for ten years, beginning in 2017? If approved, it is estimated that 2.00 mills would raise approximately $1,605,000 when first levied in 2017.

B. Shall the Charter of the City of Madison Heights be amended to renew the provision providing for replacement of vehicles to be used in providing police, fire, street maintenance and other City services, by levy and collection of one-quarter (0.25) mill per year for ten years, beginning in 2017? If approved, it is estimated that 0.25 mills would raise approximately $200,600 when first levied in 2017.

3. The City Clerk shall forthwith transmit copies of the proposed amendment to Section 9.1 to the Governor of the State of Michigan for his approval, and transmit a copy of the foregoing ballot proposal to the Attorney General of the State of Michigan for his approval, as required by law.

4. The proposed Charter Amendment to Section 9.1 shall be, and the same are hereby ordered to be, submitted to the qualified electors of this City at the State Primary Election to be held in the City of Madison Heights on the second day of August, 2016, and the City Clerk is hereby directed to give notice of the election and notice of registration therefore in the manner prescribed by law and to do all things and to provide all supplies necessary to submit each Charter Amendment to the vote of the electors as required by law.

5. The proposed amendment to Section 9.1 shall be submitted to the electors in the following form:

PROPOSED AMENDMENT TO SECTION 9.1 OF THE CHARTER OF THE CITY OF MADISON HEIGHTS.

<u>PROPOSAL R</u>

6. The proposed amendment shall be published in full together with the existing Charter provisions altered or abrogated thereby as part of the notice of election.

7. The canvass and determination of the votes of said question shall be made in accordance with the laws of the State of Michigan and the Charter of the City of Madison Heights.

Mayor Pro Tem Bliss stated that this proposal would not be a special election as it would be added to the August 2, 2016 State Primary Ballot. Additionally, the current proposal ends in July 2016 and that is why it will be on the August 2, 2016 ballot and not the November 8, 2016 ballot.

Mr. Myers added that the August 2, 2016 election gives the City time to prepare for the next construction season for road projects.

Councilman Clark indicated that he worked on this proposal and can see all the good that that has come from this proposal. Roads have improved 100% and we are up to date on all of our equipment, especially the police and fire vehicles.

Councilman Corbett stated that without this proposal the cost associated with these types of projects would be very expensive for our residents and the local community.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be having a membership rally on April 14, 2016 at 6:30 p.m. at Wilkinson Middle School and the regular third Tuesday meeting will be held on April 19, 2016 at 7:00 p.m. at Wilkinson Middle School also. All are welcome.

Merri Busch, 1117 E. Hudson, thanked Councilman Bliss and the City for creating the pothole Twitter account, and although she has not noticed very many potholes, those that she has encountered have been nicely filled. She continued that due to lack of local journalism, residents tend not get as much information as previously. She noted that on the Madison District Public Schools Facebook page, they stated they were selling some District property. She commented that she is simply trying to get more information and emphasized the need for transparency on these types of matters. She acknowledged that the School District has the right to sell their property; however, she requested that the residents be informed on what is going on. While she realizes that City Council is a separate body from the school district, due to the effect the sale may have on the City, she asked for the City to look into the matter. Mayor Hartwell responded that he will contact the District to try to find out more information.

CM-16-87. Ordinance No. 2110 - Use of Tobacco by Minors Ordinance Amendment, First Reading.

Motion by Councilman Clark, seconded by Councilman Soltis, to adopt Ordinance No. 2110, amending the Use of Tobacco by Minors Ordinance on first reading by number and title only, as follows:

ORDINANCE 2110

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending Chapter 16, Article V, Sections 16-71, 16-72, and 16-73, of the Code of Ordinances, City of Madison Heights, Michigan.

In response to Mayor Pro Tem Bliss's questions, City Attorney Sherman stated that the fine structure was modeled off legislation drafted by the State Legislature. The second offense fine is the maximum that the City is allowed by statute. He added that the Governor vetoed this particular legislation; however, if the State passes a law in the future, and if necessary, our ordinance could be updated to mirror that language. He also noted that Madison Heights is one of the first communities in Michigan to consider this type or ordinance; however, there are 23 states that have enacted similar legislation.

Director of the Madison Heights Community Family Coalition Rick Lewis thanked City Council for addressing this issue. The ordinance is really designed to protect the minors, and this ordinance puts in place best practices for the City.

Chief Haines stated that the City will monitor compliance similar to how we treat compliance with other ordinances. He continued that this type of business caters to the younger generation and is getting kids addicted to nicotine. The ordinance is another tool in our toolbox to help the City get in front of the issue.

ORDINANCE 2111

> An Ordinance to amend Ordinance 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending, in part, Chapter 5, Article I, Section 5-4, to restrict certain animals from being kept in the city to protect the public health, safety and welfare.

In response to Councilman Corbett's questions, Animal Control Officer Gysel stated that most complaints pertain to loose chickens or improper care. Chief Haines added that he could only recall one repeat situation, and all others have been more educational in nature. City Manager Myers stated that staff will put together a report on the enforcement issues to date and the number of licenses currently held.

CM-16-89. Ordinance No. 2112 – Animal Control Ordinance Amendment – Anti-Tethering, First Reading.

Motion by Councilman Corbett, seconded by Councilman Clark, to adopt Ordinance No. 2112, amending the Animal Control Ordinance – Anti-Tethering on first reading by number and title only, as follows:

ORDINANCE 2112

> An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 5, Article I, Section 5-3 of the Code of Ordinances, City of Madison Heights, Michigan, to prohibit animal cruelty and neglect including conditions for the humane tethering of a dog.

In response to Councilman Corbett's question, Animal Control Officer Gysel stated that the ordinance amendment is not designed to ban tethering, but rather the City wants to make sure tethering is done properly so not to harm the animal. For example, it may be appropriate to properly tether an animal so that it won't jump a fence. We want to make sure the tether is not too close to a fence so that the animal can't get stuck. Tethering may also be proper when there are no fences.

Michigan Political Action Committee for Animals spokesperson Courtney Pratt-Sanders stated they support the proposed ordinance and stated it is a public safety measure. She added that animals that are tethered for long period of times often tend to become anti-social. They also advocate that if your dog is kept outside, you should be home and they support no long-term tethering or outdoor dogs when there is not an adult at home.

In response to Mayor Pro Tem Bliss's question, Chief Haines answered that staff looked at ordinance as a whole and recommended what would be best for the residents and animals. Ms. Gysel added that the City's Animal Cruelty and Neglect ordinance mirrors State statute and requires proper care and the maintenance of an animal's health. Staff believes our existing ordinances can address any situation where a tethered dog may not be properly cared for.

Substitute Motion.
Motion by Mayor Pro Tem Bliss, seconded by Councilman Soltis, to add the following language to the proposed ordinance amendment:

It shall be unlawful for a person to tether a dog at any time without a person over the age of 18 being physically present with the dog at all times.

Chief Haines stated that the inclusion of this language could lead to potential enforcement issues including the large area that would need to be monitored and the difficulty of the verification process. It is staff's belief that the Animal Cruelty and Neglect ordinance addresses neglect of animals and is adequate.

Councilman Corbett expressed his objection to the substitute motion noting that the additional language may be intrusive absent any cruelty.

Mayor Pro Tem Bliss withdrew his substitute motion and asked that staff report back on possible ordinance language revisions.

CM-16-90. Ordinance No. 2113 – Water Service Disconnection Ordinance Amendment, First Reading.

Motion by Councilman Corbett, seconded by Councilman Clark, to adopt Ordinance No. 2113, amending the Water Service Disconnection Ordinance on first reading by number and title only, as follows:

ORDINANCE 2113

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 29, Article II, Division 3, Section 29-48, of the Code of Ordinances, City of Madison Heights, Michigan, to revise the water service disconnection ordinance.

Councilman Soltis stated that he believes that water shutoffs should be prohibited and the word change from "shall" to "may" is not sufficient.

In response to Councilman Soltis's question, City Manager Myers stated that there are a number of reason why a water shutoff may be necessary including vacant homes, broken service lines, as well as there are a number of properties

that do not go delinquent with Oakland County. In addition, there have also been serious delinquencies with commercial properties. He added that regarding the Water Residential Assistance Program discussed previously this evening, if a participant is on a payment plan and they do not make their payments, they cannot continue to be on the WRAP plan. Councilman Soltis responded that he believes water is a human right and he hates to see anyone cut off. He stated that cutoffs usually affect two vulnerable groups, children and seniors.

Mayor Hartwell commented that currently the ordinance is very draconian and the proposed amendment will give the City flexibility to take each circumstance on a case by case basis. As the ordinance currently exists, it gives no flexibility.

In response to Councilman Bliss's comment, City Manager Myers stated that every exception was not listed in order to give the City flexibility.

Councilman Gettings stated that the matter comes down to common sense. When staff has the ability to use it, we will achieve better results. Mayor Hartwell concurred, adding that this is a step in the direction of flexibility.

Mayor Pro Tem Bliss requested that an alternative version of the ordinance amendment which includes listing all of the exceptions be presented for consideration.

Councilman Corbett reminded City Council that delinquencies go to Oakland County and the County makes the City whole. It doesn't relieve the cloud on the title, but there are also circumstances where a shutoff may be proper. It is his belief that the City does not have problem with shutting off anyone's water improperly and Council needs to be cognizant of being caught up in specific language in an ordinance.

CM-16-93. Mayor and Council - Comments.

Councilman Corbett stated that he will continue office hours on Fridays from 1:00 p.m.- 3:00 p.m. at the Library. He addressed the topic of redevelopment, noting that Code Enforcement helps maintain and keep the City vibrant. While he recognizes that Madison Heights doesn't have a traditional downtown, we do have strengths that come into focus, and maybe there are things more appropriate for Madison Heights to be looking at. The current DDA is coming to end of its tenure, so maybe it is time to redirect the DDA and expand its current boundaries, perhaps to 12 Mile Road. The strategic thinking would be to look at development between 11 and 12 Mile Roads. The key is that

development is going to have to be organic, from within, to reflect who we are. We will need to look at the heart of our community and how we want it to be. He suggested consideration of perhaps small medical centers or a restaurant corridor. Of course, this will require plenty of public discussion. We need to use this opportunity to engage our stakeholders. He summarized his comments by stating that perhaps the expansion of the DDA from 12 Mile should be considered, we need to consider alternative ideas and concepts for the area, seek public input, and have an organic development as the guiding principle.

Mayor Pro Tem Bliss stated that he concurred with Councilman Corbett's comments. We have natural benefits to our community that young professionals are looking for, including access to freeways, great parks, and affordable housing. He suggested tech hubs and corridors for the DDA area be considered as well. He stated that the City's pothole Twitter initiative has already proven successful. It was tested on the first day and the City filled the pothole within 90 minutes. He thanked staff for rolling the initiative out effectively.

Councilman Gettings thanked Mr. Sherman and Mr. Myers for meeting with him.

City Attorney Sherman stated that he learned today of the passing of Harry Gibson, father of former Police Officer Larry Gibson. Mr. Gibson served on the Lamphere School Board for twenty-two years and served on various City boards and commissions. He expressed his condolences to the family and requested that on behalf of the City Council, a condolence resolution be sent to the family.

City Manager Myers stated that this Saturday is the *Run for the Health of It 5k Run/Walk* at the Nature Center. Participants can register on line or at the Recreation Department and the event begins at 8 a.m. On behalf of County Commissioner Gary McGillivray, he announced the Annual Red Oaks Nature Center/Suarez Woods Spring Clean-up is on April 24th from 9 a.m. to 12 p.m. You can volunteer at volunteer@oakgov.com or by calling 248-975-9717.

Councilman Clark had no comments this evening.

Councilman Soltis stated that he was pleased with the vapor ordinance. He requested a demographic report on the homes that are affected by water delinquencies.

Mayor Hartwell expressed his gratitude to the Department of Public Services for always being there for the residents of the community.

CM-16-94. Adjournment.

There being no further business, the meeting was adjourned at 9:00 p.m.

Special Council Meeting
Madison Heights City Council
Madison Heights, Michigan
April 20, 2016

A Special Meeting of the Madison Heights City Council was held on Wednesday, April 20, 2016, at 7:00 p.m. in the Council Chambers of the Municipal Building at 300 W. 13 Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Clark, Gettings, Scott and Soltis. City Manager Myers, Deputy City Manager Marsh and City Clerk Printz.

Also Present: City Attorney Sherman, Fire Chief Lelito, Human Resources Director Misczak, Police Chief Haines, Deputy Police Chief Pawlowski, Community Development Director Schafer, Department of Public Services Director Vitali, Library Director Yerman, 43rd District Judge Hunt, and Court Administrator Arseneault.

CM-16-95. Meeting Open to the Public.

No members of the public were present to speak.

CM-16-96. Presentation and Review of Proposed FY 2016-17 Budget.

Mayor Hartwell welcomed everyone to the Special Council Meeting to review the Proposed Fiscal Year (FY) 2016-2017 Budget.

City Manager Myers and Deputy City Manager Marsh provided the Council with an overview presentation of the Proposed FY 2016-2017 Budget.

City Manager Myers began the presentation by commending the Deputy City Manager, Department Heads, and staff for their work in preparing a proposed budget that maintains existing services with limited revenues. He thanked the City Council for their feedback and direction as part of the Financial Outlook, goal setting process, and Capital Improvement plan which are important parts of the budget development process.

Mr. Myers stated that the Proposed Budget is presented in accordance with a detailed calendar that is contained in the Policy Document. Last Fall, the annual budget process for 2017 formally began with the development of the Long Range Financial Outlook presented to Council in

November. Major capital items over $30,000 are included in the City's Five Year Capital Improvement Plan, or CIP, which was presented to Council in January. Following the CIP, the City Manager, Deputy City Manager, and staff began development of the proposed budget which was submitted to Council on April 7th. The remaining highlights of the budget calendar include today's Council Budget Presentation and Workshop, and the adoption of the Budget and Tax Levy scheduled to take place on the second Monday in May, which is May 9th.

He summarized the budget presentation this evening stating that it will include: the guiding principles used in developing the budget, the financial challenges we continue to face, the overall Proposed FY 2017 Budget, and the goals and priorities that were taken into account in balancing the General Fund budget, and discussion of other funds including the proposed water and sewer rates for 2017.

Mr. Myers continued by stating that in preparing the budget, the goals and financial policies adopted by City Council guided our process. First, staff has conservatively estimated revenues and expenditures, including a thorough review of each department with the respective department head, and a careful and updated analysis of projected revenues. Second, we balanced each special millage with the applicable expenses, focusing on millage reserves and prioritized, needed projects. Third, we analyzed projected fund balance levels and avoided the use of fund balance for ongoing expenditures such as salaries, allowing us to maintain the updated target fund balance. Fourth, we reviewed taxes and fees being charged to the residents and businesses to make sure they remain reasonable.

Deputy City Manager Marsh indicated the number one financial challenge facing Madison Heights and most municipalities in the State of Michigan is the current State tax structure. . Under the State Headlee Amendment and Proposal "A", growth in property tax values is limited to 5% or the rate of inflation, whichever is less. This forces the City to share in the financial burden during tough times, but it doesn't allow for local governments to share in the prosperity of good times. To illustrate this point, in FY 2017, Madison Heights's residential real property values increased by 13.7%, and overall residential, commercial and industrial values increased by 10.3% from the prior year. However, since the inflation factor was calculated to be 0.3%, the City's revenues can only increase by 0.3% plus additions, forcing the City's tax revenues to remain artificially low. This hampers our ability to provide services and create new initiatives to make our City a better place to live.

Ms. Marsh continued that the second major financial issue also relates to City taxes and State law. In 2012, legislation was passed providing personal property (PPT) exemptions for small taxpayers and eligible

manufacturing personal property. This legislation also provided local units of government with 100% reimbursement for all lost PPT revenue through a new Local Community Stabilization Authority. Beginning in Fiscal Year 2017, County equalization directors will report the personal property exemption loss amounts to Treasury. In October, the City received the initial distribution of $113,000. However, based on direction from Oakland County Equalization, we have only budgeted the minimum amount of $80,500 in potential reimbursement amounts. We expect updated information from Oakland County in the next several months.

Ms. Marsh stated there are 10,082 single-family homes and condominiums in Madison Heights. For Fiscal Year 2017, the average home market value is $90,215 with a taxable value of $32,891 and an average tax bill of $757 for City services.

Ms. Marsh stated that the City millage is proposed to increase slightly by just over five hundredths of a mill in FY 2017. Only one of the City's ten millages, the Fire Stations bond millage, is changing rates for FY 2017, and that is in order to match the bond payment schedule. The average home with a taxable value of $32,891 will see an additional $1.75 in City taxes in the summer as a result of this Fire Stations bond millage increase.

Human Resources Director Misczak stated addressing the issue of legacy cost for pensions and retiree health care remains a third central financial challenge for the City. The current unfunded liabilities for pension and retiree health care stand at $46.7 million and $57.2 million, respectively, for a total unfunded liability of $103.9 million. While the City continues to make its actuarially required contributions to pensions in FY 2017, as well as a planned contribution to Other Post-Employment Benefits (OPEB) in the amount of $6.6 million, City Council has taken an additional important step by approving the issuance of $15.25 million in Pension Obligation Bonds (POBs) to convert 95% of the unfunded liability for General Employees Pension to a 16-year debt service amortization. In addition to offering a projected $4.0 million in savings over the 16-year period, the POB financing also provides budget relief through a constant fixed payment over the term of the bonds. The sale of bonds is planned for June 2016, with the City to receive the bond proceeds prior to June 30, 2016.

Ms. Misczak continued that the City is allowed by statute to issue debt to provide for the acquisition and construction of major capital facilities. As of June 30, 2016, the City will be at 33.87% of the City's debt limit of $75.7 million, which is based on 10% of assessed valuation. The City has general obligation bonds outstanding in the amount of $2.8 million of an original $5.9 million Fire Station Bond issue, and $1.1 million of the original $1.5 million water and sewer bonds. The City is also responsible

for our share of eight bonds related to the GWK Drain Project for a total of $7.0 million. Also, as explained earlier, the balance at June 30, 2016 will include the bonds for pension obligations in the amount of $15.1 million.

Ms. Misczak stated the City's Bond ratings were reevaluated in December 2013 when S&P upgraded the City's rating from A+/Stable to AA- due to continued strong financial management. The bond rating will be re-evaluated again as part of the Pension Obligation Bonding process.

Ms. Misczak noted that throughout the economic downturn, City Council and staff responded to this challenge by reducing expenditures and enhancing revenues to close a gap of over $13.4 million as the City successfully controlled the impact of the financial crisis. The most significant changes during this period were the decreases in full-time staff of over 27% and a case-by-case review of vacant positions that continues into FY 2017.

Ms. Misczak then commented that Personnel services comprise almost 18.7 million or 70% of the General Fund Budget. The FY 2017 Budget includes a net reduction of 1.3 full-time equivalencies, including the elimination of the vacant, outsourced Building Official position and the elimination of a full-time vacant Equipment Operator position in Parks as a result of contracted grass cutting. The budget also includes the addition of a dedicated part-time clerical employee for the DPS, which in the past has been split between the City Clerk's office and DPS.

Regarding Other Funds, City Manager Myers noted the City and the entire southeast Michigan region continue to face the major financial challenge of how to fund the major repairs and ongoing maintenance that are needed for the area's road system. In an effort to address the deteriorating road and bridge network state-wide, in November 2015, Governor Snyder signed nine bills into law which will raise $1.2 billion for the new transportation revenue package. This includes a Registration Fee and Fuel Tax increase as well as a dedication of State General Fund to the Michigan Transportation Fund or MTF among other changes. This is the largest state investment in transportation in Michigan history.

Mr. Myers stated the FY 2017 budget includes an increase in the Major Street Fund for $192,000 and Local Street Fund for $106,000 based on MDOT's projections of revenues from fuel tax increases and vehicle registration fees included in this State Restricted Revenue Package. It is estimated in the first year after full phase-in, Madison Heights will receive $427,700 in additional MTF monies. This estimate is conditional on the Legislature passing a concurrent resolution in FY 2017 for $100 million in Roads Innovation Funds (RIF).

Mr. Myers stated the total budget equates to $47.9 million and includes funding of operating and capital purposes for 11 appropriated funds. This amount represents a $97,600 or 0.2% increase from the prior year amended budget. The operating budget is projected to increase by $926,000 or 2.3%, while the capital budget decreases by $828,000 or 10.4%.

Mr. Myers continued that last fall, staff and City Council focused on the development of City-wide goals which were adopted by Council in December for FY 2017. These adopted goals were considered by department heads and city management when formulating the proposed budget. There are a total of 20 goals divided into four major categories. He illustrated a summary of the goals, noting that some items have funding included in the Proposed Budget in order to achieve the goal. Noteworthy goal examples include an analysis of our roads, infrastructure and service fleet toward a recommendation for a Proposal "R-3" Road Improvement Program and "V-3" Vehicle Replacement Program, the reestablishment of the police special investigations function, and an upgrade to the Next Generation 9-1-1 system.

Deputy City Manager Marsh noted Capital Outlay purchases total $7.2 million for all funds including $973,000 for the General Fund. The majority of purchases are funded through dedicated millages such as Proposals "V-2" and "L". General Fund projects include waterproofing of the City Hall elevator pit and the Library exterior walls, election tabulation equipment, a tandem Axle Dump Truck with a V-Box, a trail overlay at Civic and Ambassador Park trails, and replacing the totscape, swings and surfacing at Wildwood Park. Other purchases funded for Fire and Police include a Police Department upgrade to the Next Generation 911 Telephone Answering System, the first phase of funding for the underground fuel storage tank located behind the Police Department building, parking lot improvements to Fire Station #2, and the purchase of a Power Load Stretcher Lifting System, and V-TAC equipment for the Reserve Fire Engine.

Ms. Marsh stated that other funds include a capital outlay of $6.2 million. The majority of this amount, $3.3 million, is budgeted for road rehabilitation and reconstruction projects including R-2 dedicated millage projects, major roads sectional work, and the sidewalk repair and gap program. As Council is aware, the R-2 road millage is scheduled to expire in FY 2017. On August 2, 2016, Madison Heights voters will be asked to consider millage renewals for the City's long-range neighborhood roads and vehicle replacement program.

She noted that the FY 2017 budget includes a continuation of water main replacements associated with Proposal "R-2" road projects at $415,000 and Non-R-2 watermain for $426,000. The Non-R-2 water mains have

been determined to be in serious need of replacement and are being funded through a use of fund reserves. Other capital purchases that are included in the budget are replacement of a 1996 trailer air compressor at $25,000, a sewer vactor at $410,000, a sewer camera trailer at $75,000, one 4x4 pickup truck at $34,000, and Phase 2 of 2 for a box van at $30,000 for a total purchase of $60,000, and updates to the collectors for the automated meter reading system at $9,000. The budget also includes several improvements to the Department of Public Services facilities located on Ajax Drive. These improvements are detailed in the Capital Outlay chapter and include items such as Phase 2 of 3 for the salt containment structure and Phase 1 of 3 for the replacement of the underground fuel storage tanks.

Ms. Marsh continued that the FY 2017 budget also includes Phase one of a four-year water meter replacement program based on the age of the current meters. Money has been reserved to fund this project with the first phase budgeted at $1 million with a total project cost estimated at $3.875 million. Staff analyzed the performance of our water meters through the Automated Meter Reading system and proposed to begin this project in FY 2017 starting with District 1 which is located between 10 and 11 Mile Roads. Madison Heights's water meters were last replaced City-wide in 1995-97. Water meters are given a service expectation of approximately twenty years. Given the age of these meters, it is prudent to start planning for the replacement of the meter system as they near the end of their functional life. As meters age, they begin to under-register due to wear of internal components, and buildup of sediment and debris in the meter chamber. District 1 was identified as the starting point because it has the oldest meters in the City, and was the first district to be changed out.

Ms. Marsh indicated that the City's successful management of our financial constraints has presented us with both new challenges and opportunities. As of June 30, 2015, the General Fund unreserved fund balance was $7.1 million. Based on the budgeted use of fund balance, the City projects this fund balance will be $5.3 million at the end of FY 2017, or 19.8% of FY 2017 projected expenditures. City Council policy directs staff to keep fund balance equal to or above a minimum of two months of regular operating expenditures plus one year of debt payments, which is roughly equivalent to 16%. Staff was mindful of this policy as we worked to propose the FY 2017 budget for Council's consideration. She then reviewed the City's General Fund expenditures, revenues, and levels of fund balance required to meet Council's policy.

City Manager Myers continued the presentation by noting the Major Street Fund is projected to be down by $445,000, or 21% in FY 2017. This is directly related to available revenues and road projects that are included in the budget from one year to the next. Rehabilitation work is being budgeted in FY 2016-17 for a total of $570,000. This includes a National

Highway Performance Project on Thirteen Mile Road, additional work on Thirteen Mile, and sectional concrete replacement on Whitcomb from Barrington to Dequindre; East Lincoln from Wolverine to Dequindre; southbound Stephenson Highway from Girard to 12 Mile; Stephenson Highway turnarounds; Edward from Mandoline to Whitcomb; and 11 Mile from John R to Dequindre.

He stated the Local Street Fund accounts for expenditures associated with the construction and maintenance needs of our local street network and can be divided into the Proposal "R-2" road construction and the non-"R-2" related expenditures. Proposal "R-2" tax revenue expires after FY 2017. He noted that voters will be asked to consider 10-year renewals of the roads and vehicles programs on August 2nd. The Proposal "R-2" road construction projects scheduled for this year include Madison from Millard to 31605 Madison at $328,000; Meadows from Whitcomb to 31608 Meadows at $321,000; Dorchester from 13 Mile to Windemere at $87,000; Windemere from Dorchester to Edgeworth at $295,000; Kenwood from Millard to 31601 Kenwood at $286,000; and Moulin from Dulong to 1353 Moulin at $450,000. In an effort to address the failing major and local commercial and industrial roads, sectional repair projects have been programmed for Harlo at $275,000. He briefly noted the other Non-R-2 sectional projects on Sherman, Kempar, Research Park, Tech Row, Montpelier, Horace Brown, and Whitcomb sectional- west of Mally.

Regarding the Water and Sewer Fund, Mr. Myers noted revenues are generated through user charges to residential and commercial customers. Given the current strong financial position of the Fund, the FY 2017 Budget absorbs the 5.6% GLWA wholesale rate increase without a pass-through to Madison Heights residential and commercial water customers; however, a new sewer rate structure is being proposed in FY 2017 and customers will see a change in the calculation of their stormwater charge, effective with billings on or after July 1st.

He stated that under the City's current billing methodology, stormwater discharge is treated as a component of the regular sewage bill and is tied to the amount of water consumed. To more accurately bill this charge and to bring Madison Heights in line with a number of other municipalities in Southeast Michigan, stormwater will now be billed based on the individual parcel's amount of pervious and impervious surface which directly correlates to stormwater runoff. Starting with billing dates on or after July 1, 2016, the City will operate under a new rate structure designed to split out stormwater from the existing sewer charge by establishing a new stormwater charge that is based on the customer's Equivalent Residential Unit or ERU. In order to complete this rate calculation, the City Engineer calculated the ERUs for each parcel in the City. An ERU is a standard engineering calculation designed to determine stormwater runoff based on pervious and impervious areas, and has been calculated as 2,600 square

feet for one ERU. While a parcel's ERU is a fairly static number, it may change in the future based on permitted changes in pervious and impervious areas such as a major addition, parking lot, or driveway construction. Parcels containing a higher amount of impervious surface will have a higher amount of ERUs and hence, a higher bill for stormwater. The total amount billed for stormwater and sanitary sewer will continue to cover all of the City's expenses charged by the Oakland County Water Resources Commissioner, which are estimated to increase by 3%. But as a consequence of the rate restructuring, the sewer rate, if approved, will decrease by approximately 25% from $5.10 to $3.83 per unit effective with billings on or after July 1st, and there will be a new stormwater charge of $5.17 per ERU on each bill.

Mr. Myers concluded the presentation by stating that for the balance of today's meeting, the Deputy City Manager and he would like to answer any questions on the presentation, and make use of the line item budget to walk through the General Fund Revenues and Expenditures and Other Funds. He noted for Council that if expenditures are increased or revenues decreased, staff will need Council's direction to rebalance the Proposed Budget to compensate for those Council-requested changes. After today's Budget Workshop, the plan would be to move forward with the May 9th Public Hearing and the Adoption of the Budget.

In response to Councilman Corbett's question, Deputy City Manager Marsh confirmed that the debt balance increase in 2016 is due to the Pension Obligation Bonding, as the City will receive bond proceeds by June 30th of this year.

In response to Mayor Hartwell's question, Ms. Marsh stated that Pension Obligation Bonds are a useful tool because they provide stabilization to the budget by making the payment amount the same every year. In addition, they are projected to provide a savings to the City over the life of the bonds.

In response to Councilman Soltis' question, Ms. Marsh stated the phase out of the Personal Property Tax has financially hurt the City. At issue is the phase in of the local reimbursement. The City is still waiting to be made whole. Currently, the City is annually losing approximately $200,000 and that amount increases yearly due to the increase in eligibility of the number of businesses that become exempt from Personal Property Tax. She stated that at this time, there has been no ability to correlate the reduction in Personal Property Tax with an increase in economic activity with the City.

In response to Councilman Soltis' question, City Manager Myers stated that the Great Lakes Water Authority (GLWA) used the same methodology as the Detroit Water and Sewer Department to calculate this year's 5.6%

rate increase. He continued that the City does not have an increase for residents in the proposed budget due to the strong financial position of Water and Sewer Fund; however, the zero increase will not likely continue on an annual basis. He added that for the coming fiscal year, the City also wanted to implement GLWA's new storm water sewer rates and give the residents an opportunity to become familiar with this new billing process.

In response to Mayor Hartwell's question, Mr. Myers answered that staff will work hard to implement all the Council goals this fiscal year; however, he could not guarantee that they would all be implemented in their entirety.

Deputy Chief Pawlowski responded to Mayor Hartwell's question by stating that although the Special Investigations Unit will not be re-established this fiscal year, it has been proposed that an officer become part of the FBI's Violent Crimes Task Force. He noted that there are other communities in the area that contribute officers to this unit, and that our proposal is to contribute one officer. He continued that the Violent Crimes Task Force would focus on issues that may occur in our City, such as prostitution, drugs, larcenies and items of that nature. Mr. Myers noted that Task Force participation will require the budgeting of ½ an officer position, and that is reflected in this proposed budget. Councilman Soltis congratulated the Crime Commission for their participation in the budget item and noted that they concurred with Chief Haines' recommendation and approved the proposal.

Mayor Hartwell reviewed the Proposed FY 2016-2017 Line-Item Budget document page-by-page. During the review of the document, the City Manager and Department Heads addressed Council's questions on a department-by-department basis.

Council discussed the DPS Municipal Building amount earmarked for chair replacement and the alternative suggestion of reallocating these funds to be used for a paid internship to serve as a brand manager and grant writer for the City. DPS Supervisor Vitali noted that the item was included in the budget due to the functionality of the chairs coming to an end. After discussion on the merits of the proposal and the budget goal ranking process, it was the consensus to keep the line item in the budget; however, staff is to obtain quotes for the chairs and report back to Council so that the matter can be revisited, if desired by Council.

CM-16-97. Council Comments.

Councilman Corbett had no comments.

Mayor Pro Tem Bliss thanked the Department Heads for all the work that they do. He stated that because of their leadership, the City is moving forward and in the right direction.

Councilman Gettings thanked the leadership team for putting together a comprehensive budget and making Council's job easier.

Councilman Clark thanked all the Department Heads and Supervisors for their work on the budget. He noted that he understands that it is difficult to see things that you want to do, but not have funding available to do it.

Councilwoman Scott thanked the staff for all their expertise. She stated that she sees a trend of working on behalf of the citizens, recognizing what are limitations are, and looking for ways to assist the residents. She thanked the volunteers in the City for working to financially sponsor their own projects because the City cannot fund some of the things that we used to. She stated that she is glad the City is working towards improvement and not always accepting the status quo.

Councilman Soltis concurred with Councilwoman Scott's comments. He thanked the City Manager and staff, commenting that he thinks they do a great job and he appreciates all that they do. He added that he also appreciates the stable water rates for this fiscal year.

Mayor Hartwell recognized the City Manager and Deputy City Manager and thanked them for being advocates for their employees. The City has had tough budgets, and he is glad to see that we can reinvest in our employees. Our employees have always done their jobs second to none and even in the hardest times. Our employees' integrity has never lacked.

CM-16-98. Adjournment.

There being no further business, the Special Meeting was adjourned 8:20 p.m.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
April 25, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, April 25, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilwoman Scott and was followed by the Pledge of Allegiance to the Flag.

CM-16-99. Police Reserve Officers Swearing-In.

Deputy Police Chief Pawlowski introduced Police Reserve Officers Steve Gralewski and David Mento. He and Lieutenant Alan Fecteau reviewed their backgrounds and qualifications and provided a summary of the Police Reserve Officer duties.

City Clerk Printz administered the Oath of Office to Police Reserve Officers Gralewski and Mento.

CM-16-100. Police Officers' Memorial Week Proclamation.

City Manager Myers read the following proclamation into the record:

POLICE OFFICERS MEMORIAL WEEK PROCLAMATION

WHEREAS, the Congress and President of the United States have designated May 15th as Police Officer's Memorial Day, and the week in which it falls as Police Week; and,

WHEREAS, the members of the Madison Heights Police Department play an essential role in safeguarding the rights and freedoms of Madison Heights; and,

WHEREAS, it is important that all citizens know and understand the problems, duties and responsibilities of their police department, and that members of our police department recognize their duty to serve the people by safeguarding life and property, by protecting them against violence or disorder, and by protecting the innocent against deception and the weak against oppression; and,

WHEREAS, the Madison Heights Police Department has grown to be a modern and professional law enforcement agency that provides vital public service.

NOW THEREFORE, BE IT RESOLVED, that the Mayor and Council call upon the citizens of Madison Heights and upon all patriotic, civic and educational organizations to observe ***May 15-21, 2016, as POLICE WEEK***, to commemorate police officers, past and present, who by their faithful and loyal devotion to their responsibilities have rendered a dedicated service to their community and in doing so, have established for themselves an enviable and enduring reputation for preserving rights and security of all citizens.

BE IT FURTHER RESOLVED, that ***May 15, 2016*** be observed as ***POLICE OFFICERS MEMORIAL DAY,*** in honor of those police officers who, through their courageous deeds, have lost their lives or have become disabled in the performance of duty.

Mayor Hartwell presented the proclamation to Deputy Police Chief Pawlowski.

CM-16-101. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilwoman Scott, to approve the initial business license application from Boender-Custer LLC, dba Century Floorspace, a floor cleaning service at 25359 Dequindre Roa, ABC Supply Co., Inc., a building material shop at 30391 Stephenson Highway and the temporary seasonal license applications for outdoor sales from Harbor Freight Tools, 32706 John R Road, and The Home Depot, 660 W. 12 Mile Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-102. Public Hearing - Special Approval 16-02 – 1409 E. 10 Mile Road, Proposed Auto Body Shop.

City Manager Myers reviewed the proposed Special Approval 16-02.

A public hearing was held at 7:44 p.m. to hear comments pertaining to proposed Special Approval 16-02, allowing an auto body shop in the M-1, Light Industrial District.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:45 p.m.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Clark:

WHEREAS, a Special Approval Board application has been received from Loai Essa requesting an auto body shop at 1409 E. 10 Mile Road in a M-1, Light Industrial District; and,

WHEREAS, a public hearing was published in the Madison Park News on April 6, 2016 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 1409 E. 10 Mile

REQUEST: Special Approval to allow an auto body repair facility in the M-1 District under Section 10.329(2) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Vacant

STAFF ANALYSIS:

1. Special Approval is required to allow an auto body repair facility in the M-1 District. Applicant proposes to use the existing vacant 2,880 s.f. building for auto body repair (Bump and Paint).

2. All aspects of the operation, with the exception of repair vehicle storage, must be conducted completely inside the building.

3. The plan includes the required 6' high masonry screen wall and obscuring gates to allow outside storage of vehicles awaiting repairs. In addition, the plan includes removal of a non-conforming driveway on Dei Street.

4. Parking exceeds minimum ordinance requirements.

5. Hours of Operation: Mon – Fri: 9:00 am – 6:00 pm

6. The Site Plan Review Committee has reviewed the plan and all plan review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

    a. All vehicles awaiting repairs must be stored inside the building or within the screened parking area.

    b. All repair work of any kind must be conducted within the building during all phases of work.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves an auto body shop in the M-1, Light Industrial District at 1409 E. 10 Mile Road with the following conditions:

a. All vehicles awaiting repairs must be stored inside the building or within the screened parking area.

b. All repair work of any kind must be conducted within the building during all phases of work.

CM-16-103. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens' regular third Tuesday meeting will be held on May 17, 2016 at 7:00 p.m. at Wilkinson Middle School. The group will be voting on their officers at this meeting and all are welcome.

County Commissioner Gary McGillivray reported there were 115 volunteers who participated in the Nature Center clean-up. The volunteers performed approximately $10,000 worth of work, including laying wood chips, raking, and removing dead trees and vegetation. He thanked the DPS for their assistance as well as Mayor Hartwell and Councilman Clark for their help. He announced the Madison Heights Youth Assistance fundraiser and Information Night scheduled for April 27th, at the Plumbers Hall located at 555 Horace Brown Drive. He stated that on Moulin, all the trees were cut down for water main work. He continued by saying the removal of trees devastates the neighborhood, and while he understands that some have to be removed, he wondered if it was necessary on both sides of the street. City Manager Myers responded that this area is impacted by both water main and road re-construction project, affecting both sides of the street. While the City does not like to remove trees, due to the root systems' proximity to the road, the trees do not usually survive the stress from the construction.

Merri Busch, 1117 E. Hudson, stated that she is a veracious reader and it has been a privilege to serve on Library Advisory Board. In her opinion, the Library is the intellect of the City. As a citizen, she stated that she is deeply pleased with the e-book availability along with Chinese language books. She continued that a survey of the library building concluded that the physical condition of the building is wanting. She also commented that there is a lack of participation in 21st century social media at the Library; however, she did acknowledge that this is a 2016 goal for the Library. She stated the lack of progress on the Library Advisory Board as the reason for her resignation from

the board, but she hopes to keep participating in the City. She concluded her comments by stating that it is vital for the City of Progress to maintain an electronic presence.

Paul Sanders, 26433 Rialto St., stated that the community has some really good schools. This past Friday night, the Madison District Schools held a carnival and the noise was extremely loud. While he doesn't mind music, in his opinion, it was excessive. Mayor Hartwell stated that the carnival was a great event for the school district and the community, and he encouraged Mr. Sanders to bring this matter up with school officials. Mayor Hartwell also stated that he will mention the matter when he interacts with school officials in the future.

Troy Oja, 361 W. Barrett, stated he was at the meeting to ask for guidance on Monroe Park. He commented that he went to a School Board meeting and he is not happy about the sale of the property and other residents don't seem happy with the sale either. He also asked for a change in the Open Burning Ordinance to permit fire pits and open burning. City Manager Myers stated that the Fire Chief, Police Chief, and City Attorney are currently working on amendment to the ordinance, and it will be presented shortly. Mayor Hartwell advised that the City does not have jurisdiction over the school district's property.

Doug Penny, 28525 Regent Court, Southfield, stated that he was following up on creating a graphic map of the City. Originally he talked to former City Manager Jon Austin regarding the map and Mr. Penny stated that there would be no cost to the City and residents would be provided maps free of charge. He presented a map sample and letters of endorsements from neighboring communities to Council.

Jim Capizzo, 863 Venoy, presented City Manager Myers an article written by a retired Detroit water engineer regarding the rise and fall of Detroit Water and Sewage Department and asked that it be distributed to Council.

CM-16-106. 2016 Roads and Vehicles Ballot Proposal Amendment.

Motion by Councilwoman Scott, seconded by Councilman Corbett, to amend CM-16-74 adopted at the March 28th City Council meeting approving the 2016 Roads and Vehicles Ballot Proposals Resolution by striking in paragraph 4, "*at the State Primary Election"* and inserting "*at a Special Election held in conjunction with the State Primary Election,"* as follows:

RESOLUTION PROPOSING AMENDMENT TO THE CHARTER OF THE CITY OF MADISON HEIGHTS

BE IT RESOLVED, by the City Council of the City of Madison Heights, Michigan, as follows:

1. That said City Council by a three-fifths vote of its members-elect, pursuant to the authority granted by Act 279 of the Public Acts of 1909, as amended, proposed that Section 9.1 of the Charter of the City of Madison Heights shall be amended, effective December 31, 2016, to read as follows:

SECTION 9.1 POWER TO TAX; TAX LIMIT.

The City shall have the power to assess taxes and levy and collect rents, tolls and excises. Exclusive of any levies authorized by statute to be made beyond Charter tax rate limitations, the annual ad valorem tax levy for general budget purposes shall not exceed 1.0 percent of the assessed value of all real and personal property subject to taxation in the City. In addition, the City shall have the power to levy not to exceed 0.2 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2017, for purposes of necessary public residential street rights-of-way repair and reconstruction, and related sewer repair and reconstruction. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2017, for purposes of the replacement of vehicles to be used in providing

police, fire, street maintenance and other City services. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed fifteen (15) years, beginning in 2010, for purposes of providing Advanced Life Support/Paramedic Emergency Medical Services through the Fire Department. In addition, the City shall have the power to levy not to exceed 0.1 percent of the assessed value of all real and personal property for not to exceed ten (10) years, beginning in 2011, for purposes of supporting and maintaining the public library.

Provisions of existing Section 9.1 of the Charter of the City of Madison Heights to be altered or abrogated by such proposal, if adopted, now reads as follows:

SECTION 9.1 POWER TO TAX; TAX LIMIT.

The City shall have the power to assess taxes and levy and collect rents, tolls and excises. Exclusive of any levies authorized by statute to be made beyond Charter tax rate limitations, the annual ad valorem tax levy for general budget purposes shall not exceed 1.0 percent of the assessed value of all real and personal property subject to taxation in the City. In addition, the City shall have the power to levy not to exceed 0.2 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2007, for purposes of necessary public residential street rights-of-way repair and reconstruction, and related sewer repair and reconstruction. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed ten years, beginning in 2007, for purposes of the replacement of vehicles to be used in providing police, fire, street maintenance and other City services. In addition, the City shall have the power to levy not to exceed 0.025 percent of the assessed value of all such real and personal property for not to exceed fifteen (15) years, beginning in 2010, for purposes of providing Advanced Life Support/Paramedic Emergency Medical Services through the Fire Department. In addition, the City shall have the power to levy not to exceed 0.1 percent of the assessed value of all real and personal property for not to exceed ten (10) years, beginning in 2011, for purposes of supporting and maintaining the public library.

(Amended April 7, 1958; Amended August 6, 1996; Amended June 23, 1997; Amended August 8, 2006; Amended November 3, 2009; May 3, 2011)

2. The language of the ballot proposals for the amendment of Section 9.1 shall be as follows:

A. Shall the Charter of the City of Madison Heights be amended to renew the provisions providing for public residential street rights-of-way repair and reconstruction , and related sewer repair and reconstruction, by levy and collection of two (2.00) mills per year for ten years, beginning in 2017? If approved, it is estimated that 2.00 mills would raise approximately $1,605,000 when first levied in 2017.

B. Shall the Charter of the City of Madison Heights be amended to renew the provision providing for replacement of vehicles to be used in providing police, fire, street maintenance and other City services, by levy and collection of one-quarter (0.25) mill per year for ten years, beginning in 2017? If approved, it is estimated that 0.25 mills would raise approximately $200,600 when first levied in 2017.

3. The City Clerk shall forthwith transmit copies of the proposed amendment to Section 9.1 to the Governor of the State of Michigan for his approval, and transmit a copy of the foregoing ballot proposal to the Attorney General of the State of Michigan for his approval, as required by law.

4. The proposed Charter Amendment to Section 9.1 shall be, and the same are hereby ordered to be, submitted to the qualified electors of this City at a Special Election held in conjunction with the State Primary Election to be held in the City of Madison Heights on the second day of August, 2016, and the City Clerk is hereby directed to give notice of the election and notice of registration therefore in the manner prescribed by law and to do all things and to provide all supplies necessary to submit each Charter Amendment to the vote of the electors as required by law.

5. The proposed amendment to Section 9.1 shall be submitted to the electors in the following form:

ORDINANCE 2110

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending Chapter 16, Article V, Sections 16-71, 16-72, and 16-73, of the Code of Ordinances, City of Madison Heights, Michigan.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

Chapter 16, Article V, Sections 16-71, 16-72 and 16-73 are hereby amended in their entirety to read as follows:

Article V. - PURCHASE, POSSESSION, USE OF TOBACCO PRODUCTS, VAPOR PRODUCTS OR ALTERNATIVE NICOTINE PRODUCTS BY MINORS; SELLING, GIVING OR FURNISHING TOBACCO PRODUCTS, VAPOR PRODUCTS OR ALTERNATIVE NICOTINE PRODUCTS TO MINORS.

Section 16.71 – Purchase, possession or use of tobacco products, vapor products or alternative nicotine products by minors in public; penalty;

A person under 18 years of age shall not purchase, possess or use a tobacco product, a vapor product or an alternative nicotine product, in any form, on a public highway, street, alley, park, or other lands used for a public purpose, or in a public place of business or amusement in the city. A person who violates this section is responsible for a civil infraction punishable by a fine of not more

than $100.00 for a first offense and $500.00 for a second or subsequent offense.

Section 16-72 – Definitions as used in the article:

(a) "Tobacco products" mean any product that contains nicotine or synthetic nicotine, or its equivalent, and is used for smoking, chewing, sucking, inhaling or placing against the gums of a user. This includes but is not limited to any cigarette, cigar, cigarillo, little cigar, pipe tobacco, chewing tobacco, tobacco snuff or other kinds and forms of tobacco.

(b) "Vapor products" mean any product that contains nicotine or synthetic nicotine, or its equivalent, that employs a heating element, power source, electronic circuit, or other electronic, chemical, or mechanical means, regardless of shape or size, that can be used to produce a vapor or mist, in a solution or other form. This includes but is not limited to any electronic cigarette, electronic cigar, electronic cigarillo, electronic little cigar, electronic pipe, hookah, vaporizer or similar product or device and any cartridge or other container of nicotine or synthetic nicotine, or its equivalent, in a solution or other form.

(c) "Alternative nicotine products" mean any product containing nicotine or synthetic nicotine, or its equivalent, intended for human consumption or use, whether chewed, absorbed, dissolved, or ingested by any means.

(d) The terms "Tobacco products," "Vapor products" or "Alternative nicotine products" shall not include products regulated by the United States Food and Drug Administration under Chapter V of the Food, Drug and Cosmetic Act.

Sec. 16-73. – Tobacco products, vapor products or alternative nicotine products; furnishing to minors; public health department sign, affirmative defense, rebuttal and penalty.

(1) No person in the City of Madison Heights shall sell, give to or in any way furnish tobacco products, vapor products or alternative nicotine products, in any form, to any person under 18 years of age. A person who violates this section or section (2) is guilty of a misdemeanor punishable by a fine of not more than $100.00 for a first offense and/or 90 days imprisonment and by a fine of not more than $500.00 for a second or subsequent offense and/or 90 days imprisonment.

(2) A person who sells tobacco products, vapor products or alternative nicotine products, at a retail location, shall post, in a place close to the point of sale and conspicuous to both employees and customers, a sign produced by the State of Michigan Department of Public Health, or a sign produced by the person in absence of a sign produced by the State of Michigan Department of Health, that includes the following statement or its equivalent:

"The purchase, possession or use of tobacco products, vapor products or alternative nicotine products by a minor under 18 years of age and/or the selling, giving or furnishing of tobacco products, vapor products or alternative nicotine products to a minor are prohibited by law. A minor unlawfully purchasing, possessing or using tobacco products, vapor products or alternative nicotine products, is subject to civil penalties. A person unlawfully selling, giving or furnishing tobacco products, vapor products or alternative nicotine products to a minor is subject to criminal penalties."

(3) If the sign required under subsection (2) is more than six feet from the point of sale, it shall be five and one-half inches by eight and one-half inches, and the statement required under subsection (2) shall be printed in 36-point boldface type (approximately three-eighth-inches high). If the sign required under subsection (2) is six feet or less from the point of sale, it shall be two inches by four inches and the statement required under subsection (2) shall be printed in 20-point boldface type (approximately one-fourth-inches high).

(4) The Michigan Department of Public Health has been mandated under state statute [MCL 722.641(4)] to produce such signs as they pertain to tobacco products. Licensed wholesalers, secondary wholesalers, and unclassified acquirers of cigarettes and other tobacco products described in subsection (1) are required under state statute [MCL 722.641 (4)] to obtain copies of the sign from the Michigan Department of Public Health and distribute them free of charge, upon request, to persons who are subject to subsection (2). The Michigan Department of Public Health is mandated under state statute to provide copies of the sign free of charge, upon request, to persons subject to subsection (2) who do not purchase their supply of cigarettes or other tobacco products described in subsection (1) from licensed wholesalers, secondary wholesalers, and unclassified acquirers of cigarettes and other tobacco products described in subsection (1).

(5) If such a sign as required above has not yet been produced by the Michigan Department of Public Health to include prohibitions of vapor products and alternative nicotine products, the retailer who sells such products may use a sign produced by the Michigan Department of Health for tobacco products and must produce and post its own sign regarding the prohibition of vapor products and alternative tobacco products, at a size and in boldface type, as required by subsection (3).

(6) It is an affirmative defense to a charge pursuant to subsection (1) that the defendant had in force at the time of arrest and continues to have in force a written policy to prevent the sale of tobacco products, vapor products and alternative nicotine products to persons under 18 years of age, and that the defendant enforced and continues to enforce such a policy. A defendant who proposes to offer evidence of the affirmative defense described in this subsection shall file and serve notice of this affirmative defense, in writing,

upon the court and the city attorney. The notice shall be served not less than fourteen days before the date set for trial.

(7) A city attorney who proposes to offer testimony to rebut the affirmative defense described in subsection (6) shall file and serve a notice of rebuttal, in writing, upon the court and the defendant. The notice shall be served not less than seven days before the date set for trial, and shall contain the name and address of each rebuttal witness.

SECTION 2: Repealer.

All ordinances, or parts of ordinances, in conflict with the revisions of this ordinance are repealed only to the extent necessary to give the revisions of this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase in this ordinance be declared by the court of law, with competent jurisdiction, to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part so invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective date.

This ordinance as ordered shall take effect ten (10) days after its adoption by the Madison Heights City Council and upon its publication.

SECTION 6. Inspection.

Paul Sanders, 26433 Rialto St., expressed his concerns on the fines for the civil infractions for this ordinance, stating that he believes the penalties are excessive for minors. City Attorney Sherman clarified that the penalty amounts are the maximum that could be imposed, and it would be up to the

judge to determine the fine if the fine was contested. City Attorney Sherman also noted that the ordinance also requires businesses that sell these types of products to post signs in designated areas. Councilwoman Scott added that when this ordinance was initially proposed, the Madison Heights Family Coalition contacted the City with their concern regarding sales of these types of products and expressed their support for the ordinance.

CM-16-110. Ordinance No. 2111 - Animal Control Ordinance Amendment – Domesticated Hens, Second Reading.

Motion by Councilman Corbett, seconded by Councilman Clark, to adopt Ordinance No. 2111, amending the Animal Control Ordinance – Domesticated Hens on the second and final reading as follows:

ORDINANCE 2111

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending, in part, Chapter 5, Article I, Section 5-4, to restrict certain animals from being kept in the city to protect the public health, safety and welfare.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1 Amendment:

That Chapter 5, Article I, Section 5-4 of the Code of Ordinances of the City of Madison Heights is hereby amended in its entirety to read as follows:

Sec. 5-4. Restrictions on keeping certain animals.

(1) No person shall keep, house, possess, breed, exchange, buy, sell, feed or harbor any animals within the city except domesticated dogs, domesticated cats, domesticated house birds, tank fish, domesticated rodents, domesticated rabbits, domesticated hens, domesticated ferrets or small tank reptiles. It shall be unlawful for a person to keep, house, possess, breed, exchange, buy, sell, feed or harbor any other animal, whether domesticated or not, in the City, including, but not limited to, the following animals:

(a) Any, primates including lemurs, lorisids, galagos, tarsiers, monkeys, or apes;
(b) Any poisonous reptiles, spiders, insects or animals;

(c) Any, constrictor snakes four feet or more in length; snakes under four feet must be kept in cages and not permitted to roam freely;
(d) Any feral cats and cats from the wild family, including bobcats, cheetahs, cougars, jaguars, leopards, lions, lynxes, mountain lions, panthers, pumas or tigers;
(e) Any carnivorous animals including hybrid crosses of non-domesticated carnivorous animals, including, raccoons, skunks, wolfs, wolf hi-breeds or foxes;
(f) Any crocodilians including alligators, crocodiles, gharials or caiman families;
(g) Any waterfowl including, ducks, geese, swans or seabirds;
(h) Any carnivorous marsupials including opossums, quolls, dunnarts, the numbats or Tasmanian devils;

(2) Domesticated Hens. A single-family residence or educational institution shall be allowed to keep up to three (3) domesticated hens. A domesticated hen shall mean a female chicken kept as a pet with the added benefit of the possibility of an egg for consumption but not for sale by the resident/owner. Roosters or male chickens are prohibited. A domesticated hen does not include any other type of fowl.

(a) License required. A resident or educational institution wishing to keep up to three (3) domesticated hens shall obtain an annual license from the city and pay the required license fee established by city council. The license shall be valid from January 1, to December 31, of each calendar year. Only one license and fee per single-family residence shall be required for all domesticated hens allowed under this Section. Each domestic hen licensed under this Section, shall at all times have attached to the leg of the domestic hen, a leg band, that shall be supplied by the City, that shall have a number that corresponds to the license.

(b) Adequate shelter, care and control required. Any person or educational institution licensed to keep hens under this section shall comply with all of the provisions and definitions of the Code of Ordinances regarding care, shelter, sanitation, health, rodent control,

cruelty, neglect, noise, reasonable control and any other requirements pertaining to the adequate care and control of domestic animals in the city. In addition, it shall be unlawful to slaughter a domestic hen for human consumption or other food source.

(c) No ground feeding. Ground feeding shall be prohibited. A feeding container shall be used for feeding and all unused or unconsumed food shall be adequately secured and stored after every feeding as to prevent access by other animals or rodents. All feeding shall be conducted in a manner as to prevent unconsumed food to be left open or accessible by other animals or rodents.

SECTION 2. Repealer.

All Ordinances or parts of Ordinances in conflict with this Ordinance are repealed only to the extent necessary to give this Ordinance full force and effect

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase of this Ordinance be declared by a Court of competent jurisdiction to be invalid, the validity of the Ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this Ordinance takes effect are saved and may be consummated according to the law in force when they commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

SECTION 6. Inspection.

CM-16-111. Ordinance No. 2113 – Water Service Disconnection Ordinance Amendment, Second Reading.

Motion by Councilman Soltis, seconded by Councilman Corbett, to adopt Ordinance No. 2113, amending the Water Service Disconnection Ordinance on the second and final reading as follows:

ORDINANCE 2113

CITY OF MADISON HEIGHTS
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 29, Article II, Division 3, Section 29-48, of the Code of Ordinances, City of Madison Heights, Michigan, to revise the water service disconnection ordinance.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 29, Article II, Division 3, Section 29-48 of the Code of Ordinances, City of Madison Heights, Michigan, is hereby amended in its entirety to read as follows:

Sec. 29-48. Rates; due date; failure to pay; disconnection.

The rates to be charged consumers of water shall be such as are now in force, or which shall be established from time to time by council resolution. The rates charged for water supply shall be uniform as to the various classes of users and discrimination as to rates is hereby prohibited. All charges shall become due at such time as shall be established by resolution of the council, and if such charges are not paid within 20 days after the same shall become due, then a penalty of ten percent shall be added thereto. The department shall not disconnect and discontinue the water supply to said premises for non-payment, except in the following circumstances:

(a) When consumers are substantially delinquent in their payments, meaning two or more billing periods in arrears, and are not participating in an approved assistance plan; and/or

(b) When the premises has been abandoned or is vacant; and/or

(c) When the premises is subject to foreclosure, demolition and/or fire department action; and/or

(d) When the premises is subject to suspected criminal activity and/or police department action; and/or

(e) When the premises is subject to leaks, broken pipes, run-offs, flooding, or other equivalent circumstances; and/or

(f) When emergency situations occur, including but not limited to water use restrictions [as described in Section 29-18], wasting of water [as described in Section 29-41], irrigation restrictions [as described in Section 29-43], tampering with the water system [as described in Section 29-44], unapproved or improper cross connections with the public water supply [as described in Section 29-53], protection from water supply contamination [as described in Section 29-53(e)] and all other violations of Chapter 29 of the Code of Ordinances; and/or

(g) When all reasonable means of collection have failed; and/or

(h) When the health, safety and welfare of the residents require such action being taken, as determined by the City Manager [as described in Section 29-42], or his or her designee, and subject to notification of City Council.

SECTION 2: Repealer.

All ordinances, or parts of ordinances, in conflict with the revisions of this ordinance are repealed only to the extent necessary to give the revisions of this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase in this ordinance be declared by the court of law, with competent jurisdiction, to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part so invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect ten (10) days after its adoption by the Madison Heights City Council and upon its publication.

SECTION 6. Inspection.

A copy of this ordinance may be inspected or purchased at the Madison Heights City Clerk's office between the hours of 8:00 a.m. and 4:30 p.m. on regular business days.

In response to Councilman Corbett's questions, City Manager Myers reviewed the list of exceptions for disconnection. Mr. Myers stated that the list of exceptions is a fairly inclusive and would enable the city to administer the program. City Attorney Sherman stated that is their recommendation to not differentiate between different classes of customers because of the concern over an equal protection argument - the ordinance will be applied across the board.

Councilman Bliss stated that changing the wording from *shall* to *may* gives too much wiggle room to the City. This amendment has a clear understanding of what items have to take place in order for water to be cut off and leaves no room for ambiguity. He stated that staff did a good job of addressing his concerns.

In response to Mayor Hartwell's question, Mr. Myers stated that the ordinance as approved will allow the City to remain eligible to participate in the Community Acton Alliance WRAP program.

In response to Mayor Hartwell's question, Councilman Soltis answered that there are currently approximately 1,240 water delinquencies in the City.

CM-16-114. Mayor and Council - Comments.

Councilman Corbett stated that he will continue office hours on Fridays from 1:00 p.m. - 3:00 p.m. at the Library.

Mayor Pro Tem Bliss recognized the student participants of the Mock City Council program. He stated students are observing tonight and will participate in an upcoming meeting. He read excerpts of the essays they completed to participate in the program and welcomed them.

Councilman Gettings thanked the Recreation Department for the nice job they did on the Fun Run. He commented that there were approximately 250 participants and he thanked staff for the good job.

City Attorney Sherman had no comments.

City Manager Myers stated the WRAP (Water Residential Assistance Program) will be staring in May and will be on a first-come, first-served basis. Program information is available on the City's website, on our social media, or residents can contact WRAP directly by calling 313-386-9727 or accessing their website at www.waynemetro.org/wrap.

Councilman Clark stated that he agrees it is devastating to see all the trees gone on Moulin; however, the right-of-way is too narrow to support those types of trees. The large scale trees upset drainage and ruin concrete, and it is his hope that the trees are replaced with something smaller in scale.

Councilwoman Scott stated that the Madison Heights Youth Assistance (MHYA) event is not only a fundraiser, but also designed to help residents find out what the MHYA is about and to seek input from community. The event is scheduled for April 27th from 4 p.m. – 7 p.m. at the Plumbers Local 98 Union Hall on Horace Brown Drive. Come out to discuss and hear what is going on with the youth in the community and how you can get involved. She thanked the Madison District for bringing the carnival back to the community and hopes that the noise will be reduced next time. She announced the Lamphere High School spring production, *The Addams Family*, and noted that it is a musical comedy. Tickets are available at the high school and performances are April 28th, 29th, and 30th. She thanked the students for performing play for the seniors.

Councilman Soltis stated May 11th is the senior trip to the State Capitol for *Older Michiganian Day*. This is a free event for seniors and includes lunch. The bus leaves at 9 a.m. from the Senior Center and if you are interested in

going, please call 248-219-6381. He stated that the Woodside Church is having a 2016 Life Impact Summit focusing on the issue of human trafficking. He referenced an article in the Troy Gazette written by Peter Marrow titled, "Time for Businesses to Pay." The article stated that of the 1.6 million corporations active in the United States in 2012, 70% had no income tax liability. He gave the examples of General Electric, Prudential Financial, and Time Warner Cable, Inc. and noted their profits, income tax rates, and their monetary level of campaign contributions. He stated the focus should be on this systemic corruption rather than whether families and seniors have paid their water bills.

Mayor Hartwell thanked everyone for joining the Council meeting this evening and he welcomed the students participating in the Mock City Council program. He took a moment to give a summary of the strengths and passions of each of the Council members for the audience, and commented that the Council works as a team and in the end comes together.

Madison Heights, Michigan
May 9, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, May 9, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilman Soltis and was followed by the Pledge of Allegiance to the Flag.

CM-16-116. Proclamation for National Public Works Week, May 15-21, 2016.

City Manager Myers read the following proclamation into the record:

WHEREAS, the public works services provided in our community are an essential part of our citizens' everyday lives; and,

WHEREAS, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water distribution, sewer maintenance, storm water management, streets and highways, public buildings, fleet maintenance, parks, recreation and solid waste collection; and,

WHEREAS, the health, safety and comfort of our community greatly depends on these facilities and services; and,

WHEREAS, the quality and effectiveness of these facilities and services, as well as their planning, design, and implementation, are vitally dependent upon the efforts and skill of our Department of Public Services employees; and,

WHEREAS, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the peoples' attitude toward and understanding of the importance of the work they perform.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights does hereby proclaim the week of

and calls upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions that our public services employees make every day to our health, safety, comfort, and quality of life.

Mayor Hartwell presented DPS Director Vitali with the proclamation.

CM-16-117. Letters of Recognition to Mock City Council.

City Manager Myers read the letter of recommendation for the Mock City Council Internship Program participants and, on behalf of City Council, Mayor Hartwell presented each student with their letter.

CM-16-122. Public Hearing – Fiscal Year 2016-17 Budget Resolution and Tax Levy.

Mayor Hartwell opened a public hearing at 7:57 p.m. to hear comments on the FY 2016-17 Proposed Budget to appropriate funds, levy the property tax, and approve the related fee adjustments. There being no comments from the audience, the public hearing was closed at 7:58 p.m.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve the FY 2016-17 Budget Resolution and Tax Levy as follows:

FY 2016-17 Budget Resolution

A RESOLUTION TO ADOPT A BUDGET FOR MUNICIPAL PURPOSES FOR THE CITY OF MADISON HEIGHTS FOR THE FISCAL YEAR 2016-17 TO APPROPRIATE FUNDS FOR SAID PURPOSES AND TO PROVIDE FOR A LEVY OF TAXES FOR SAID BUDGET APPROPRIATIONS

WHEREAS, in accordance with Section 8.4 of the Charter of the City of Madison Heights, it is provided that the City Council shall adopt a budget for the fiscal year, appropriate funds for said purposes and provide for a levy of taxes for said Budget appropriations; and

WHEREAS, on May 9, 2016, a public hearing was held in accordance with Section 8.3 of the Charter of the City of Madison Heights, and the statutes of the State of Michigan for the fiscal year.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. That the Budget hereto as Exhibit "A" is hereby adopted.

2. That the amounts set forth in said Budget are hereby appropriated for the purposes stated therein.

3. That 23.0150 mills per $1,000 State Taxable Valuation on the real and personal property in the City of Madison Heights be levied to provide funds for said Budget for municipal purposes:

RESOLUTION
AMENDMENT TO WATER/SEWER AND STORMWATER CHARGE SCHEDULE

WHEREAS, the City of Madison Heights has adopted a City Code containing a building code, housing code, and other provisions to protect the public health safety and welfare: and

WHEREAS, it is provided in said Code that the City Council, by resolution, shall establish reasonable fees to be charged by the City for acts and services performed there under; and

WHEREAS, in accordance with Section 13.3 of the Charter of the Madison Heights, the City Council shall have the power to fix from time to time such just and reasonable rates and other charges as may be deemed advisable for supplying public utility services; and

NOW, THEREFORE, BE IT RESOLVED that the said schedule of fees be, and hereby are, determined and established for the July 1, 2016 billings as follows:

WATER/SEWER AND STORMWATER RATES

Description	**Old Rate**	**New Rate**
Water (per 1,000 cubic feet)	$33.90	$33.90
Sewer (per 1,000 cubic feet)	$51.00	$38.30
Meter/Maintenance Charge	$ 3.00	$ 3.00
Total	**$84.90**	**$75.20**
Stormwater (per ERU)*	$0.00	$5.17

* Stormwater charge is new starting in FY 2017. Each customer has an Equivalent residential Unit (ERU) calculated for their property. An ERU is a standard engineering calculation designed to determine stormwater runoff based on pervious and impervious areas.

Mayor Pro Tem Bliss stated that he disagrees with the DPS Municipal Building amount earmarked for chair replacement for the City Council Chambers and City Hall conference rooms; however, he would be voting for the budget as a whole because the item is a very small part of the overall budget, and will be considered by Council as a separate agenda item in the future.

City Manager Myers stated that all millage rates are remaining the same for Fiscal Year 2016-2017 except the Fire Stations Bond millage which will be increasing by just over five-hundredths of a mill to match next year's debt service payment.

CM-16-123. Special Approval 16-03 – 32370 Howard, Metal Plating.

City Manager Myers reviewed the proposed Special Approval.

A public hearing was held at 8:04 p.m. to hear any comments pertaining to allowing metal plating in the M-1 District at 32370 Howard. There being no comments from the audience, the public hearing was closed at 8:05 p.m.

Motion by Councilman Clark, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from Moe Dia requesting metal plating at 32370 Howard in a M-1, Light Industrial District; and,

WHEREAS, a public hearing was published in the Madison Park News on April 20, 2016 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 32370 Howard

REQUEST: Special Approval to allow a metal plating facility in the M-1 District under Section 10.329(3) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Vacant Industrial Building

STAFF ANALYSIS:

1. Special Approval is required to allow a metal plating facility in the M-1 District. Applicant proposes to use the existing vacant 13,422 s.f. building for metal plating.

2. Parking meets minimum ordinance requirements. Applicant proposes to remove two nonconforming front yard parking spaces on Howard, which will bring the parking lot into compliance with current standards.

3. Applicant has provided a supplemental summary of the plating operation and associated environmental precautions. If special approval is granted, containment and drainage system will be reviewed and approved as part of the permitting process to insure compliance with City and MDEQ requirements.

4. Hours of Operation: Mon – Fri: 6:00 am – 10:00 pm

5. The Site Plan Review Committee has reviewed the plan and all plan review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

    a. Removal of the two front yard nonconforming parking spaces prior to occupancy.
    b. Compliance with City and MDEQ standards for the water and air containment systems.

6. Attached are specific review standards and criteria for review of Special Approvals (Section 10.201.1) and general standards for all City Council zoning-related decisions (Section 10.805).

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(3) of the Code of Ordinances, hereby approves a metal plating operation at 32370 Howard Street with the following conditions:

    a. Removal of the two front yard nonconforming parking spaces prior to occupancy.
    b. Compliance with City and MDEQ standards for the water and air containment systems.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens' regular third Tuesday meeting will be held on May 17, 2016 at 7:00 p.m. at Wilkinson Middle School. The group will be voting on their officers at this meeting and all are welcome.

Jim Cappizo, 863 Venoy, quoted Senator Patrick Leahy regarding the ongoing Supreme Court vacancy and nomination process. He shared a Washington Monthly magazine article which highlights laws that have destroyed the middle class.

Hillary Taylor, 26131 Wolverine, asked what the current millage for the Library was. City Manager Myers responded the Library millage is 1.0 mill. In response to her question on submitting a ballot petition to increase the library millage she was referred to the City Attorney's Office for clarification to any questions she may have. She also suggested that if the budgeted funds were not spent on chair replacement, as an alternative, the City should consider creating a food bank.

CM-16-126. Ordinance No. 2112 – Animal Control Ordinance Amendment, Anti-Tethering, Second Reading.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to adopt Ordinance No. 2112, amending the Animal Control Ordinance, Anti-Tethering on the second and final reading as follows:

ORDINANCE NO. 2112
CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 5, Article I, Sections 5-1(1)(m), 5-3(1) and 5-5 of the Code of Ordinances, City of Madison Heights, Michigan, to prohibit animal cruelty, neglect and control of animals including conditions for the humane tethering of a dog.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 5, Article I, Section 5-1(1)(m), Section 5-3(1) and Section 5-5 of the Code of Ordinances, City of Madison Heights, Michigan, are hereby amended in their entirety to read as follows:

Sec. 5-1. - Definitions.

(1) For the purposes of this chapter:

(m) "Tethering" means the restraint and confinement of a dog by means of a coated steel cable designed for restraining dogs.

Sec. 5-3. – Animal cruelty and neglect prohibited, penalties.

(1) An owner, possessor, or person having the charge or custody of an animal shall not do any of the following:

(a) Knowingly kill, torture, mutilate, maim, or disfigure an animal.

(b) Commit a reckless act knowing or having reason to know that the act will cause an animal to be killed, tortured, mutilated, maimed, or disfigured.

(c) Knowingly administer poison to an animal, or knowingly expose an animal to any poisonous substance, with the intent that the substance be taken or swallowed by the animal.

(d) Fail to provide an animal with adequate care.

(e) Cruelly drive, work, or beat an animal, or cause an animal to be cruelly driven, worked, or beaten.

(f) Carry or cause to be carried in or upon a vehicle or otherwise any live animal having the feet or legs tied together, other than an animal being transported for medical care, or a horse whose feet are hobbled to protect the horse during transport or in any other cruel and inhumane manner.

(g) Carry or cause to be carried a live animal in or upon a vehicle or otherwise without providing a secure space, rack, car, crate, or cage, in which livestock may stand, and in which all other animals may stand, turn around, and lie down during transportation, or while awaiting slaughter. As used in this subdivision, for purposes of transportation of sled dogs, "stand" means sufficient vertical distance to allow the animal to stand without its shoulders touching the top of the crate or transportation vehicle.

(h) Abandon an animal or cause an animal to be abandoned, in any place, without making provisions for the animal's adequate care, unless premises are vacated for the protection of human life or the prevention of injury to a human. An animal that is lost by an owner or custodian while traveling, walking, hiking, or hunting is not abandoned under this section when the owner or custodian has made a reasonable effort to locate the animal.

(i) Negligently allow any animal, including one who is aged, diseased, maimed, hopelessly sick, disabled, or non-ambulatory to suffer unnecessary neglect, torture, or pain.

(j) Tether a dog unless the tether is a coated steel cable specifically designed for restraining dogs and is at least three times the length of the dog as measured from the tip of its nose to the base of its tail and is attached to a harness or non-choke collar specifically designed for tethering, with a swivel attached to both ends, done in such a manner as to not cause injury, strangulation or entanglement of the dog on fences, trees, another tethered dog, or any other manmade or natural objects.

(k) Use a tether or any assembly or attachments that weigh more than ten (10) percent of the animal's body weight, or due to weight, inhibits the free movement of the animal within the area tethered.

(l) Tether more than one dog to a single tether or tether one dog to a single tether that would allow the dog to come within three (3) feet of another tethered dog or a property line.

(m) Tether a dog without access to adequate shelter, food and water done in a manner that would prevent the dog from entangling with or tipping over the shelter, food or water.

Sec. 5-5. - Reasonable control required.

(1) It shall be unlawful for any person having the charge or custody of an animal to do any of the following:

(a) to allow any animal in their possession or control to run at large without reasonable control unless held properly in leash, tether or confined to an adequately fenced area on private property.

(b) to leave an animal tethered or confined to an adequately fenced area on private property without having a person at the home who is monitoring and supervising the animal and who is capable of controlling the animal.

SECTION 2. Repealer.

All ordinances, or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

SECTION 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and 12:30 p.m. 4:30 p.m. on regular business days.

Councilman Corbett stated he does not support the revised version of the ordinance. City Council is now telling homeowners that tethering as a secondary security measure is not allowed without any other evidence of abuse. He believes the original amended ordinance was a reasonable alternative.

At Councilman Getting's request, Animal Control Officer Gysel summarized that the "reasonable control" provision is contained in the City's existing animal control ordinance. The proposed amendment includes other measures that were added to make sure that if a dog is tethered, it is done in a humane way. She added that monitoring and supervising animals is applied to all animal owners, whether they tether or not.

CM-16-129. Mayor and Council - Comments.

Councilman Corbett expressed his congratulations to the Mock City Council members, and wished them good luck on their meeting. He stated that he will continue office hours on Fridays from 1:00 p.m. - 3:00 p.m. at the Library.

Mayor Pro Tem Bliss noted that there is a poverty task force on the federal level. He continued that despite the level of spending the federal government does in relationship to poverty, the number of people in poverty remains constant. He believes that there are not many roles municipal government can play in preventing or alleviating poverty, but municipal government can report and communicate up to the federal government which controls the spending. He stated his congratulations to the participants on the Mock City Council, and noted that this was an experience to see how government works behind the scenes.

Councilman Gettings stated hats off to Councilman Bliss, City Clerk Printz, and Department Heads for their efforts on the Mock City Council. Staff's hard work made the day successful. He announced the Festival in the Park on June 26th and stated that there will be good music and it is a good opportunity for the community to come together.

City Attorney Sherman had no comments.

City Manager Myers thanked the students for participating in the Mock City Council Internship Program and City Clerk Printz for her work on the event.

City Clerk Printz stated that it was a privilege to spend the day with the students of the Mock City Council and she stated that she enjoyed the experience.

Councilman Clark welcomed the young adults who are participating in the Mock City Council Internship Program and stated that we may be voting for them in the future. He invited the residents and the students to participate in honoring our veterans on May 28th at the Memorial Day Parade and ceremony.

Councilwoman Scott welcomed the students and stated that their futures are going to be bright and she appreciates their participation. She invited the students to participate in the May 28th Memorial Day Parade. She stated that on May 18th, the Community Round Table will be presenting their annual awards at Club Venetian. This event honors and recognizes citizens and groups for their work in the community. She acknowledged the loss of former Assistant City Manager, Aubrey Greene, who served the City for fourteen years. She expressed her condolences to the family and requested that a condolence resolution be sent to the family and that Mr. Greene be recognized in the City's Heritage Museum.

Councilman Soltis stated that this Wednesday is the 3rd trip to Lansing for *Older Michiganian Day* and invited those interested in participating to contact the Senior Center for additional information.

Mayor Hartwell thanked Councilman Soltis for his inspiring presentation on childhood poverty. He added that the United Way has a call system, and if you dial 2-1-1, you can get temporary help with food, utilities, and domestic issues. The United Way puts you into contact with private agencies that can offer assistance.

CM-16-130. Adjournment.

There being no further business, the meeting was adjourned at 8:38 p.m.

CERTIFICATE OF APPRECIATION

WHEREAS, the Madison Heights Police Reserve Unit is a quasi-military group having specific rules and regulations which designate the Reserve Unit's role; and,

WHEREAS, City Ordinance Number 508 was passed on November 12, 1973, establishing the Police Reserve Unit; and,

WHEREAS, Madison Heights Police Reserve Unit is under the direction of the Chief of Police and supervised by the Auxiliary Services Sergeant, a sworn member of the Madison Heights Police Department. The primary function of the Reserve Unit is to aid and assist the sworn, MCOLES certified Police Officers of the City, to allow the certified police officers more time to do their patrol functions; and,

WHEREAS, the Police Reserves are utilized for many special events within the City which can be very large, with attendance of several thousand people. These special events include the Memorial Day Parade, the Pre-Fourth of July Festival in the Park, School sporting events, and emergency functions as necessary.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council extend heartfelt thanks to the Madison Heights Police Reserves Unit for providing these great services, and extend this certificate as a symbol of our appreciation for their civic-minded contributions to the City of Madison Heights.

CM-16-132. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve the initial business license application from Edge Living, a dietary supplement shop, at 1413 W. 14 Mile Road and the temporary/seasonal business license for Value Center Market, 1485 W. 14 Mile Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-133. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens' regular third Tuesday meeting will be held on June 21, 2016 at 7:00 p.m. at Wilkinson Middle School. All are welcome.

Jo-Ann Sztaba, 113 W. Dallas, stated that she and her neighbors are trying to fight the development of the former Monroe Elementary School property and they are opposed to building houses on the site.

Kurt Yurich, 420 W. Kalama, stated that he is opposed to the development of the school property; his children and neighborhood children are always using the park and field area and he does not wish to see houses replace the green space.

James Bettridge, 114 W. Dallas, stated that it would be a wonderful idea to keep the area green. Madison Heights already has dense housing and having green space is a benefit to the neighborhood. He stated that he hopes the property can continue to be for public use.

CM-16-134. Mary Merkel – Resignation from the Historical Commission.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to accept the resignation from Mary Merkel from the Historical Commission, declare the seat vacant, and send a Certificate of Appreciation for her service.

CM-16-139. Mayor and Council - Comments.

Councilman Corbett stated there will be office hours on Friday at 1 p.m. at the Library. He expressed congratulations to the Police Reserve Officers and stated that the City is very grateful for their work. He requested that a resolution be drafted for consideration by City Council that opposes discrimination based on gender, gender identity, or sexual orientation and the issue of improper use of religious liberty as a defense of discrimination. He thanked Chief Haines for assistance in helping resolve the issues on Edward Street last week, and requested staff to coordinate road work with garbage day parking restrictions. He also noted that the Memorial Day Parade is this weekend, and stated that the parade is a tremendous community event. The Pancake Breakfast begins at 8:00 a.m. at the Senior Center, and the parade follows at 10:00 a.m.

Mayor Pro Tem Bliss congratulated those awarded commendations this evening. He stated that the Police and Police Reserves are unsung heroes and he acknowledged everything they do for community and noted that they work on our behalf every day. He stated that he is a proponent of transparency and noted that the City has started live streaming Council meetings. He suggested that the City consider televising every public meeting the City has, if not live, then at a minimum, the day after a meeting is held.

Councilman Gettings stated that the Police and Police Reserves do an outstanding job, and he appreciates their work. He announced that the 2016 Festival in the Park is June 26th with activities beginning at 6 p.m. He thanked Deputy City Manager Marsh for her work as Acting City Manager.

Assistant City Attorney Sherman had no comments.

Deputy City Manager Marsh had no comments.

Councilman Clark thanked all the people receiving awards this evening and noted that the Police Reserves do an outstanding job for our community.

Councilwoman Scott stated the Memorial Day Parade is this Saturday, May 28th and she invited all to come celebrate with the City. The Parade begins at 10 a.m. She thanked Rick Lewis for agreeing to moderate the parade with her. She noted that the parade will also be televised live on the City's cable channel. She thanked Martha Kehoe and all of the Parade Committee who have worked hard throughout the year to make the event a success. She requested that City publish the Community Round Table award recipients on the website to acknowledge their work in the City. She noted that the *Special Volunteer of the Year* was awarded to Carol Spellman and *Corporation of the Year* was awarded to Texas Road House. She concluded her comments by congratulating all of the City's students that are graduating this year.

Councilman Soltis thanked the Police Officers for all of their great work. Their stories of bravery, courage, and hard work are appreciated. He noted that *Older Michiganians Day* at the State Capitol was last week, and this was the third year Madison Heights seniors attended. This is a great event and the seniors were announced on the Michigan House floor. He thanked Mayor Hartwell for donating the flags to the group. He stated he concurs with Councilman Corbett's comments on discrimination. He commented that he attended a Syrian Refuge Fundraiser last week, noting it was great event; it was an event about tragedy, but it was also about hope and overcoming adversity.

Mayor Hartwell stated the he concurs with Councilman Corbett's comments on discrimination and looks forward to seeing what Council may adopt. He thanked the Police Officers, Police Reserves, and those that contribute to our safety. He thanked those who participated in the public comment portion of the meeting and noted that Council appreciates public opinion. He added that there is constant dialogue with the school districts and the City. He stated that the development of the Monroe site is important to the City and himself personally. He stated that Arbor Day was a month ago and he suggested that the City consider celebrating Arbor Day with the City's school children. He commented that on Moulin Street, the character of a street was destroyed by the removal of trees due to construction. There are benefits to trees including aesthetics, increase in home values, absorption of water, and reduction of energy costs. He requested that the City consider a change of policy on tree removal for the sake of paving and replacing pipes.

CM-16-140. Adjournment.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
June 13, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, June 13, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman and City Clerk Printz.

Mayor Hartwell read a statement in support of the families of the victims of the mass shooting in Orlando, Florida this past weekend. The invocation was then offered by Councilman Clark and was followed by the Pledge of Allegiance to the Flag.

CM-16-141. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve the initial business license application from Team Rehabilitation, a physical therapy business, at 1433 E. 12 Mile Road; Madison Kitchen, Inc., a restaurant, at 1467 W. 14 Mile Road; and Exclusive Quick Lube, a quick lube shop and online sales of used cars, at 30195 John R Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-142. Resolution Opposing Discrimination Based on Gender, Gender Identity, or Sexual Orientation.

Gloria Moore, 27368 Dartmouth, expressed her opposition to the resolution and requested that Agenda Item D-3, *Resolution Opposing Discrimination Based on Gender, Gender Identity, or Sexual Orientation*, be moved up on the agenda and discussed at this time.

Hearing no objection by City Council, Mayor Hartwell opened the discussion on Agenda Item D-3 by stating it was a non-binding resolution that if adopted, will be sent to the State Capitol to persuade our State leaders to not pursue laws that will prevent local control over discrimination matters. We have been grappling with this issue for several years. Tonight, the City Council is not working on a human rights ordinance; but rather, up for consideration is a

non-binding resolution that states the legal and cultural history of the LGBT community. We as a city would be reaffirming our commitment to the equal protection clause in the 14th Amendment. A copy of the resolution would be sent to our leaders in Lansing, and is a statement rather than a law.

City Manager Myers read the resolution into the record.

Alyssa Bottrell, 31553 Madison, thanked the City Council for offering to send this resolution to our State representatives. She stated Madison Heights is the *City of Progress*, and she wants it to be an inclusive, loving, community. This is a small step in the right direction. It is not okay to treat a group of people as less than human, it is not okay to discriminate, and it is not okay to hate. The Orlando incident makes it even more important that this resolution be considered. The person who committed this crime was a mad man, and this was not an act of Islam; he used Islam as an excuse. She concluded that she is raising a young child and it deeply hurts her that someone could do this to children. We need to protect people's rights and treat them as human beings.

Paul Sanders, 26433 Rialto, noted the sign on the Council dais, and stated that it appears that City Council has already made their minds up on this matter. He asked how far the City is going to push this matter and asked that it be thought through a little more.

George Stevens, 28777 Groveland, stated that he was disgusted with the short notice that the public received on such a serious issue. He stated that he found out about it in the newspaper, and he continued that he was a upset how Christians were characterized in the newspaper story. He also asked who compiled the misinterpretation of Title IX. He doesn't agree with President Obama withholding funds or with Vice President Biden, and he stated that just because he supports marriage, doesn't mean that he is homophobic. It's important to note that throughout the newspaper article, it was the Christian faithful who were demonized. He noted that the baker sold products to the gay couple until they wanted to purchase a cake for the union of a same sex couple and that is what the baker opposed. That baker was ruined financially, and that is an example of intolerance. He continued, what we are witnessing is a state sponsored persecution of Christians. It is his opinion that the City is rushing into this, and his group will begin picketing tomorrow.

Motion by Councilman Corbett, seconded by Councilman Soltis, to approve a resolution Opposing Discrimination Based on Gender, Gender Identity, or Sexual Orientation as follows:

RESOLUTION OF THE CITY OF MADISON HEIGHTS OPPOSING DISCRIMINATION BASED ON GENDER, GENDER IDENTITY OR SEXUAL ORIENTATION

WHEREAS, the First Amendment of the Bill of Rights is the cornerstone of our country's free, open, and tolerant society. It is the basis of a representative democracy that prizes individual liberty. The Amendment protects five (5) freedoms: Freedom of Religion, Freedom of the Press, Freedom of Speech, Freedom of Assembly and Freedom of Petition. The First Amendment specifically states as follows:

"Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble and to petition the Government for a redress of grievances."

WHEREAS, the First Amendment originally applied to only federal limitations on individual rights; but by virtue of the passage of the Fourteenth Amendment, and its requirement for due process of law and equal protection under the law, and the Court's doctrine of incorporation, these First Amendment freedoms were extended to the States. Cantwell v. Connecticut 310 U.S. 296 (1940) "Free Exercise Clause"; and Everson v. Board of Education, 330 U.S. 1 (1947) Establishment Clause;" and,

WHEREAS, in regard to Freedom of Religion, the First Amendment can be divided into two (2) clauses: The "Establishment Clause" and the "Free Exercise Clause." The Establishment Clause states: "Congress shall make no law respecting an establishment of religion." The Free Exercise Clause states: "or prohibiting the free exercise thereof"; and,

WHEREAS, the Establishment Clause guarantees that the Government shall not establish a state religion; shall not prefer one religion over another religion; and, shall not prefer religion over no religion or vice versa. The Free Exercise Clause guarantees that the Government cannot prohibit a person from worshipping or practicing his or her own religion; and,

WHEREAS, the Establishment Clause and the Free Exercise Clause have, at times, conflicted with each other; but the Courts resolve such conflicts, with the U.S. Supreme Court being the ultimate arbiter; and,

WHEREAS, the U.S. Supreme Court has said that the Free Exercise Clause protects beliefs, not all actions in the name of religion. Therefore, the Government is free to prohibit acts in the name of religion so long as it has a compelling interest in doing so. For example, the

original Mormon practice of polygamy was deemed unconstitutional and subject to prohibition. The Court, in Reynolds v. United States, 98 U.S. 145 (1879), said that "those who practice polygamy could no more be exempt from the law than those who may wish to practice human sacrifice as part of their religious belief." The Court, in Employment Division v. Smith, 494 U.S. 872 (1990), denied the appeal of two Native Americans, fired from their jobs as counselors, for ingesting peyote as part of their religious ceremonies as members of the Native American Church. The Court held that an individual's religious beliefs do not excuse him or her from compliance with an otherwise valid law prohibiting conduct that the government is free to regulate. The Court, in Prince v. Massachusetts, 331 U.S. 158 (1944), held that the use of children to distribute religious literature, contrary to child labor laws, did not violate the Free Exercise Clause or parental rights. The Court stated: "The right to practice religion freely does not include the right to expose the community or the child to communicable disease or the latter to ill-health and death." And, In the Matter of Elisha McCauley, 409 Mass 134 (1991), the Massachusetts Supreme Court held that a child's interest outweighs the interest of religion, when the child's parents, Jehovah's Witnesses, refused consent for a needed blood transfusion for their eight year old daughter suffering from leukemia; and,

WHEREAS, although religious freedom or liberty is a fundamental part of our country, it does not give any of us a right to ignore the law or to harm others because of who they are or be used as an excuse to discriminate against people because of their gender, gender identity or sexual orientation; and,

WHEREAS, a florist in the State of Washington refused to sell flowers to a same-sex couple, Curt Freed (a faculty member at Columbia Basin College) and Robert Ingersoll (a manager at Goodwill), for their wedding, because of the florist's religious beliefs. The trial court in Benton County, Washington held that businesses open to the general public may not violate anti-discrimination laws, even on the basis of sincerely held religious beliefs; and,

WHEREAS, a baker in the State of Colorado refused to bake a wedding cake for a same-sex couple, Charlie Craig (age 35) and David Mullins (age 31), because of the baker's religious beliefs. The Colorado Civil Rights Division (CCRD) held that the baker violated Colorado law which prohibits businesses from refusing service based on factors such as race, sex, marital status or sexual orientation; and,

WHEREAS, a baker in the State of Oregon refused to sell a wedding cake to a woman, even though the woman had purchased baked goods

from this same bakery before, after she informed the baker that the cake was for her same-sex wedding, despite the fact that the baker's actions were contrary to the Oregon Equality Act of 2007; and,

WHEREAS, an elected County Clerk in the State of Kentucky, who was sworn into office agreeing to uphold the United States Constitution, refused to handout marriage licenses to same-sex couples, notwithstanding the decision of the U.S. Supreme Court that legal prohibitions of same-sex marriage violated the due process and equal protection requirements of the Fourteenth Amendment. Obergefell v. Hodges, 576 U.S., 135 S.Ct. 2071 (2015); and,

WHEREAS, the State of North Carolina has passed legislation [House Bill 2, codified at N.C.G.S. 143-760(a)(1) & (b)] outlawing the right of local communities to pass anti-discrimination ordinances and forcing transgender people to use restrooms based only on their biological gender, notwithstanding the fact that such action constitutes a violation of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e, et seq., Title IX of the Education Amendments of 1972, and the Violence Against Women Reauthorization Act of 2013 ("VAWA"); and,

WHEREAS, a funeral home in the State of Michigan fired its funeral director for being a transgender woman, notwithstanding the fact that Federal Courts and the Equal Employment Opportunity Commission have held that sex discrimination in employment protects transgender people; and,

WHEREAS, notwithstanding the serious problems facing the State of Michigan, such as crumbling roads and bridges, unsafe drinking water in Flint, and dilapidated schools in Detroit, State Senator, Tom Casperson, has seen fit to introduce legislation (Senate Bill 993) -- similar to the controversial law in North Carolina -- that would legalize discrimination against transgender people. If passed, this legislation will cost the State of Michigan millions of dollars in needed Federal funds and subject the State to boycott; and,

WHEREAS, it was not very long ago, when business owners objected to civil rights laws integrating restaurants and other public accommodations because of their sincerely held religious belief that God wanted the races to be separate; when religious affiliated universities prohibited students from engaging in interracial dating, because their religious beliefs were opposed to interracial relationships; when interracial marriage between consenting adults was prohibited in some states; and when employers insisted that they should be allowed to pay

women less money, because their religious beliefs dictated that men should be the primary breadwinners of the family; and,

WHEREAS, requiring integration, equal rights and equal pay are not attacks on religious freedom or liberty, but necessary measures to ensure a free, open, and tolerant society for everyone;

NOW, THEREFORE, BE IT RESOLVED: That, on this 13th day of June, 2016, the City Council of the City of Madison Heights, a Michigan Municipal Corporation, organized under and existing by virtue of the Laws of the State of Michigan, states that religious freedom or liberty does not give anyone the right to ignore the law or to discriminate against others because of their gender, gender identity or sexual orientation.

BE IT FURTHER RESOLVED: That, on this 13th day of June, 2016, the City Council of the City of Madison Heights, a Michigan Municipal Corporation, organized under and existing by virtue of the Laws of the State of Michigan, reaffirms its commitment to due process of law and equal protection under the law for all people, including those who are gay, lesbian, bisexual, transgender or questioning their gender identity.

BE IT FURTHER RESOLVED: That a copy of this Resolution be sent to Michigan Governor Rick Snyder, Michigan Attorney General Bill Schuette, Michigan Secretary of State Ruth Johnson, State Senator Vincent Gregory, State Representative Jim Townsend, Oakland County Chief Executive L. Brooks Patterson, Oakland County Commissioner Gary McGillivray, U.S. Senator Gary Peters and U.S. Senator Debbie Stabenow.

Councilmember Clark stated he has personally witnessed discrimination and that he is opposed to all discrimination.

Mayor Pro Tem Bliss stated that there are many opinions on both sides. This is a heated, difficult discussion, with passions that run deep. He expressed his opposition to writing non-binding resolutions, and stated that in his opinion, these resolutions amount to opinion pieces, have no impact, and are costly to produce. He continued that these resolutions amount to spending taxpayer money to send a letter. He stated that it is unacceptable to discriminate against anyone, for any reason. These resolutions do nothing but let everyone know where we stand.

Substitute Motion:

Motion by Mayor Pro Tem Bliss, seconded by Councilman Clark, to approve a substitute motion to add the following non-protected classes from the Equal Employment Opportunity Commission website to the resolution: marital status, political affiliation, and status as a parent.

Councilman Corbett expressed his opposition to the substitute motion, noting that the items added are not subject to a religious test and this addition is an attempt to gut the resolution.

Mayor Pro Tem Bliss disagreed, noting that despite not agreeing with the City Council adopting non-binding resolutions, he would be voting for the resolution presented. He stated that he does not want discrimination to occur for any reason.

Assistant City Attorney Sherman clarified that adoption of the resolution would be City Council going on record saying that City of Madison Heights opposes discrimination based on gender, gender identity, or sexual orientation. All of the cases cited in the resolution are examples of people using the idea of religious liberty as a defense of discrimination. He is not aware of any cases where a defense based on religious liberty has been used for discrimination involving marital status, political affiliation, or status of a parent. City Council is not asking anyone to change their religious or personal beliefs, but is asking people to acknowledge that we cannot discriminate against others because of their gender, gender identity, or sexual orientation, and the use of religious liberty is not an appropriate defense. Broadening the resolution would essentially dilute its purpose.

Mayor Pro Tem Bliss disagreed with Assistant City Attorney's comments and then withdrew his Substitute Motion. Councilman Clark agreed to withdraw his support of the Substitute Motion.

Councilman Soltis stated that he was glad that Assistant City Attorney Sherman discussed the history of the resolution and his comments helped put matters in to perspective. He disagreed with Mayor Pro Tem Bliss's comments on non-binding resolutions, stating he believed they are valuable. He continued that this is an important issue and a cost can't necessarily be placed on it. He added that if other cities do the same, it can create change.

CM-16-.143 Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens' regular third Tuesday meeting will be held on June 21, 2016 at 7:00 p.m. at Wilkinson Middle School. All are welcome. She state she was stunned by the vote on the discrimination resolution.

Hilary Taylor, 26131 Wolverine Street, asked for clarification on the procedure for appointments to Boards and Commissions. City Manager Myers responded that appointments are a standing agenda item and will be discussed later in the meeting.

Alyssa Bottrell, 31553 Madison, disagreed with Mayor Pro Tem Bliss's belief that the Anti-Discrimination Resolution is a waste of taxpayer money. She stated that the topic of discrimination may be difficult to discuss, but it is not a waste of money.

CM-16-144. United Way of Southeastern Michigan – Request to Use Rosie's Park for "Meet Up and Eat Up" event on June 23, 2016.

Motion by Councilman Corbett, seconded by Councilman Gettings, to approve United Way of Southeastern Michigan request to use of Rosie's Park for the "Meet Up and Eat Up" event on June 23, 2016 from 3:00 p.m. to 6:00 p.m. and waive the pavilion and damage deposit fees; subject to compliance with the Council's Policy on Uniform Insurance Requirements for Special Events.

CM-16-146. West Nile Virus Abatement Reimbursement Resolution.

Motion by Councilman Clark, seconded by Councilwoman Scott, to approve the West Nile Virus Abatement Resolution as follows:

WHEREAS, upon the recommendation of the Oakland County Executive, the Oakland County Board of Commissioners has established a West Nile Virus Fund Program to assist Oakland County cities, villages and townships in addressing mosquito control activities; and

WHEREAS, Oakland County's West Nile Virus Fund Program authorizes Oakland County cities, villages and townships to apply for reimbursement of eligible expenses incurred in connection with personal mosquito protection measures/activity, mosquito habitat eradication, mosquito larviciding or focused adult mosquito insecticide spraying in designated community green areas; and

WHEREAS, The City of Madison Heights of Oakland County, Michigan has incurred expenses in connection with mosquito control activities believed to be eligible for reimbursement under Oakland County's West Nile Virus Fund Program.

NOW THEREFORE BE IT RESOLVED, The Mayor and City Council of Madison Heights authorizes and directs its Director of Public Services, Joseph G. Vitali, as agent for the City of Madison Heights, in the manner and to the extent provided under Oakland County Board of Commissioners 2016 Mosquito Smarts Program to request reimbursement of eligible mosquito control activity under Oakland County's West Nile Virus Fund Program.

In response to Councilman Corbett's question, DPS Director Vitali stated that the current program may eventually morph into simply a Mosquito Abatement Program, rather than a program specifically designed to address the West Nile Virus. He stated that there are currently six cases of Zika Virus, all related to travel. He also summarized how the program is currently administered, and noted that Oakland County treats Friendship Woods for mosquitos.

CM-16-153. Mayor and Council - Comments.

Councilman Corbett stated that there will be office hours at the Library this Friday from 1 p.m. to 3 p.m. and encouraged anyone interested to stop in. He noted that this will be the last Friday for the summer and office hours will return after Labor Day.

Mayor Pro Tem Bliss stated that we do not have bathroom facilities in many of our parks and asked staff to give a cost analysis of long term rentals of portable toilets in all eight City parks. He suggested that Council consider using any money that may remain from the allocation for chairs or use the City Council training budget to fund the request. He reiterated his opposition to non-binding resolutions and suggested that City Council act on issues rather than issue resolutions. It is his opinion that Council members need to distinguish which action is appropriate, and whether the issue is personal, should involve an act of Council, or whether an adoption of ordinance is appropriate.

Councilman Gettings acknowledged DPS Director Vitalit for his work on the park pathways, Deputy City Manager Marsh for her hard work on amending the City's liability insurance, and Community Development Schafer for testifying before the State Legislature committees on the I-75 project. He continued by thanking everyone at City Hall for their hard work. He expressed his condolences to Councilman Clark on the loss of his wife, Lois, noting she was a wonderful lady, and that God may have taken her, but he cannot take away his memories.

Assistant City Attorney Sherman extended his sincerest condolences on the passing of Councilman Clark's beautiful and wonderful wife, Lois.

City Manager Myers expressed his condolences to Councilman Clark and to the family of retired Police Chief James Keary. He announced the following dates for neighborhood informational meetings to discuss, explain, and answer questions related to City Ballot Proposals R and V which are on the August 2, 2016 ballot: June 21st at Lessinger Elementary (30150 N Campbell), June 23rd at Madison Elementary (27107 Hales), June 30th at Keys Grace Academy (formerly Edison Elementary, 27321 Hampden) and July 13 at City Hall. All of the meetings are at 7 p.m.

City Clerk Printz stated that applications for the August 2, 2016 State Primary Election are available at the Clerk's Office or online. The deadline to register for this election is Tuesday, July 5, 2016.

Councilman Clark concurred with Mayor Pro Tem Bliss on the non-binding resolutions. He thanked everyone that sent a card or made a telephone call on the passing of his wife.

Councilwoman Scott offered her condolence to Councilman Clark. She stated that Lois Clark was a wonderful friend and lady and she always lightened up her day. She knows Lois loved her family very much. She also expressed her condolences to the family of James Keary. She stated that on June 23 there will be a neighborhood block party at the Madison Elementary School to kick off the summer meal program. The Madison Heights Women's Intermediate Club is having a fundraiser at Penn Station on June 25th from 11 a.m. until 7 p.m. to raise funds for our veterans to take part in the Mid-Michigan Honor Flight. Twenty-percent of the total bill will be donated back for this cause. More information is available on the City's website.

Councilman Soltis stated that for anyone interested, he recommends the Zero Water Pitcher to filter lead and copper out of water. He noted that he took ride with Meals on Wheels driver today in Madison Heights. He appreciated talking with the seniors receiving meals and noted that there is a tremendous need. He was also able to learn about other issues they are facing, and stated that he knows of a veteran in need of a portable ramp for his motorized scooter. Please contact him if you know anyone that can volunteer their skills to help. He also visited the food pantry at the Free Will Baptist Church. He talked to the Pastor and it is a top-notch operation. There is definitely a need in the community and he stated that he is willing to gather volunteers and seek donations to host a full pantry at City Hall. He concluded his comments by noting he is glad that the City Council voted unanimously for the anti-discrimination resolution. Our country usually overcomes discrimination, sometimes painfully, sometimes slowly, but we do usually overcome it. He noted that Congressman Levin

contacted him regarding the Child Poverty Report that he presented to Council and he has sent him a copy.

Mayor Hartwell stated that it is easy for people to disengage from talking about constitutional rights, but the rights in our constitution are our rights and the Bill of Rights only make sense when we use it. He cited the examples of freedom of press, freedom to assemble, and the 4th Amendment all being relative to local government. He continued that citizens use these rights, they are amendable, they are changeable and they have been improved throughout history. He stated that he is proud of the City Council for taking a difficult issue and asking the State leaders to slow down the hate that has been seen in other states. He stated that he mourns the loss of Councilman Clark's wife, Lois, noting that she was a good friend.

Chester Grabowski, 26355 Wolverine, noted that noise from loud radios have been decreasing, but he would like to keep improving noise levels. He suggested that these types of speakers should be illegal to both buy and use, and he urged the Council to contact Lansing and let them know that these speakers are not only annoying, but they can also be used as weapons and should be outlawed.

CM-16-159. Oakland County Law Enforcement Mutual Aid Agreement Resolution.

Motion by Councilman Corbett, seconded by Councilman Gettings, to approve and endorse the following Oakland County Law Enforcement Mutual Aid Agreement Resolution, adopt the Oakland County Law Enforcement Mutual Aid Agreement, and authorize the City Manager to sign on behalf of the City.

RESOLUTION OF PARTICIPATION IN THE OAKLAND COUNTY LAW ENFORCEMENT MUTUAL AID AGREEMENT DATED MAY 11, 2016

WHEREAS, the City of Madison Heights acknowledges that emergencies requiring a large number of trained public safety personnel and specialized emergency equipment sometimes exceed the ability of any community to cope effectively with them; and,

WHEREAS, the Mutual Police Assistance Agreements Act, 1967 PA 236, MCL 123.811, *et. seq.*, as amended, the Urban Cooperation Act, 1967 PA 7 (Ex Sess), MCL 124.501 *et seq.*, as amended, and the Intergovernmental Contracts between Municipal Corporations Act, 1951 PA 35, MCL 124.1 *et seq.*, as amended, provide that communities may enter into agreements to provide mutual police assistance to each other in case of emergencies, and for certain standards to be included in such agreements; and,

WHEREAS, the Oakland Chiefs of Police Association wishes to replace the Oakland County Law Enforcement Mutual Aid Agreement Dated June 1988 and make the benefits of such an agreement available to all Oakland County communities, including local community colleges and

public universities that have a campus and public safety department in Oakland County; and,

WHEREAS, the Oakland County Chiefs of Police Association has adopted the Oakland County Law Enforcement Mutual Aid Agreement dated May 11, 2016 and recommends that all Oakland County communities agree to participate therein.

HOW THEREFORE BE IT RESOLVED that the City of Madison Heights on June 27, 2016 does hereby agree to participate in the **OAKLAND COUNTY LAW ENFORCEMENT MUTUAL AID AGREEMENT DATED May 11, 2016** and to give effect to its provisions to the best of its ability. An original of this Resolution shall be sent to the President of the Association.

CM-16-161. Discussion on Improving the Forward Progress of the City By Hosting a Food Pantry.

Discussion followed on Councilman Soltis's suggestion of the City hosting a food bank.

Motion by Councilman Soltis, seconded by Mayor Pro Tem Bliss to request a preliminary report by staff by the date of the next council session (July 11, 2016) with an action plan for implementation of a Food Pantry to be hosted by the City within the next couple of months.

City Manager Myers clarified that identifying the recipients or the vetting process would not be a City responsibility - that would be up to the program administrators. If approved by Council, the City's role would be limited to hosting the pantry and providing non-perishable food storage. He suggested that the report consist of two phases. Phase I, due on July 11, 2016, would be

for staff to report on possible building locations and facility access, and Phase II (in response to Mayor Pro Tem Bliss's remarks), which would come at a later date, would identify community support and response.

CM-16-169. Mayor and Council - Comments.

Councilman Corbett noted that his comments during the portable bathroom discussion were intended to make sure the process is followed for transparency purposes and so Council can make informed decisions. He encouraged

residents to call him or any member of Council with any concerns they may have. He wished everyone a Happy 4th of July.

Mayor Pro Tem Bliss thanked Council for considering the portable bathroom issue, and stated that he believes it was time sensitive matter and apologized for any inconvenience. He also stated that he personally feels the removal of a tree canopy is detrimental, hurts the City's physical image, and hurts property values. He stated that he would like a policy regarding tree removal which includes what steps have to take place in order to remove trees and what we can do as a city to replace them. Mayor Hartwell commented that it may be appropriate to defer a tree policy to the City goal process since there will be a cost associated with this type of report. Mayor Pro Tem Bliss requested a preliminary report outlining the steps that would have to be in place to allow for discontinuance of tree removal as part of road construction, and he asked that the report include a discussion regarding a possible City discount to residents to help facilitate tree replacement in the event of tree removal.

Councilman Gettings thanked the Department of Public Services staff for the successful Festival in the Park.

City Attorney Sherman had no comments this evening.

City Manager Myers thanked the Department of Public Services, Police, Fire and Recreation staff for another successful pre 4th of July Festival. He invited DPS Director Vitali to comment on the fireball finale display. Mr. Vitali stated that during the week prior to the festival, City staff, which included the Fire Marshal, Fire Chief, Police Chief, and himself were contacted by a representative from Great Lakes fireworks about the possibility of an added enhancement to our firework show at no cost to the City. They met at Civic Center Park to witness and analyze a fireball finale demonstration and discuss whether we wanted to add this item to our firework show. All City staff concurred, that the fireball finale would be a safe, added addition to our firework display. While some questions have surfaced today regarding the fireball finale, he noted that Madison Heights has always been known for their outstanding firework display and yesterday was no different. The fireball finale was planned and all safety concerns were answered prior to implementation. The ignition of this fireball display was well within the firework launching area and had no impact whatsoever on the 420 foot radius or 840 foot diameter fall-out zone, and the fireball finale went off without a hitch. Everything happened according to plan. City Manager Myers reminded residents that fireworks are prohibited on July 1st and 2nd and pursuant to our City Ordinance, they are also prohibited from 12 a.m. until 8:00 a.m. on July 3rd, 4th, and 5th. Please enjoy the holiday safely. He announced the upcoming informational meetings at Keys Grace Academy on June 29th and June 30th and at City Hall on July 11th and July 13th.

City Clerk Printz stated that applications for the August 2, 2016 State Primary Election are available at the Clerk's Office or online. The deadline to register for this election is Tuesday, July 5, 2016.

Councilman Clark complimented the Police Department and Reserves for their professionalism with the crowd control at the Festival in the Park. There was not one problem during the evening, and it only took about 15 minutes to clear the area after the show. He suggested that if residents are storing a vehicle at the RV Lot, they obtain insurance for their vehicles' contents. He also suggested the City may want to consider raising the rental cost in return for enhanced security, such as a gate.

Councilwoman Scott concurred with Councilman Clark's comments on the professional crowd control at fireworks by the Police Department and Reserves. She stated her concerns over the "fireball" display at the conclusion of the fireworks, and noted that perhaps that portion of the evening should be reconsidered. She thanked the delegation from the Gospel Life Church for cleaning up the park after the festival, noting they were organized and friendly.

Councilman Soltis thanked his colleagues and the staff for supporting the proposed food bank. He also stated that there is traffic cam software that you can download to take pictures of hotel rooms that you visit and, in turn, these pictures can be used to help authorities with investigating human trafficking incidents.

Mayor Hartwell had no comments this evening.

CM-16-170. Adjournment.

There being no further business, the meeting was adjourned at 9:04 p.m.

CM-16-181. Mayor and Council - Comments.

Councilman Corbett had no comments this evening.

Mayor Pro Tem Bliss commented that the Pokémon Go app has more daily users then Twitter. He requested staff look into the possibility of the City hosting a Pokémon Go Day to highlight the city's parks and perhaps kick off the food bank concept. City Manager Myers added that the idea can also be presented at the July 21, 2016 Parks and Recreation Advisory Committee meeting.

Councilman Gettings concurred with Mayor Pro Tem Bliss's suggestion.

City Attorney Sherman stated that the City supports the fallen officers of Dallas as well as those lost at the Berrien County Court House and this is a reminder that those who wear the badge serve in a dangerous world.

City Manager Myers stated that the City was notified on July 7th that our Public Protection Classification rating has improved from a Class 4 to a Class 3 and noted that this rating is done by the Insurance Services Office. The rating reflects a comprehensive evaluation of our Fire Department, emergency communication, and water supply system, and is important because it is used by insurance companies for underwriting purposes and determining what properties to insure. Of the over the 48,000 communities that the ISO classifies, only 9% are rated a Class 3 or better.

City Clerk Printz stated that applications for the August 2, 2016 State Primary Election are available at the Clerk's Office and online. She reminded voters that this is a Primary Election, and as such, either the Republican or Democratic portion of the ballot, along with the proposals can be voted. If you vote for both parties, you will spoil that portion of your ballot.

Councilman Clark stated that a resident called and told him about a situation that they witnessed with a police officer who stopped to help a child having difficulty with their bike. He noted that this type of outreach builds respect and trust for our men and women in uniform and he appreciates all of their efforts. He also stated that he has gotten many emails about the excessive neighborhood fireworks. He stated that he would like to see the firework legislation repealed; fireworks are loud, scare animals, and there is too much debris. He also stated that he believes MDOT has failed, and northbound travel on a weekend on 1-75 is nearly impossible. MDOT narrows traffic down to one lane and then there is little signage to help outline alternative routes.

Councilwoman Scott stated that she also received many emails about the excessive fireworks in the neighborhoods, which frighten dogs, keep children awake and are generally disruptive. She would like the City to ask the Michigan Municipal League to work on behalf of the City to try to get the firework legislation repealed. She thanked Police Chief Haines for representing the City at the service honoring law enforcement in Pontiac today, especially in light of the tragedy in Berrien County. She stated that we all need to respect law enforcement. She expressed her condolences to the family of Wilfred Webb, a former State Representative and School Board member, who recently passed. She also expressed her condolences to the family of Nancy Brown, who along with her husband, raised four children in the City. Her daughter, Cynda Avery and her son-in-law serve on the Parade Committee and they are also raising their family here in Madison Heights. She was an important lady, a Charter member of the Intermediate Women's Club as well as a honorary lifetime member.

Councilman Soltis read a statement expressing support of our police department and his confidence in the city's Police Chief, Deputy Chief and all of the officers who perform one of the most difficult jobs imaginable. Without our courageous police force, communities would fall apart and chaos would ensue. He stated that we are witnessing these first hand in major cities across America because, he believes, we are not supporting our officers enough and that is coming from the top down. His heartfelt sympathies and prayers go out to the Dallas police and their families and all the men and women who serve their cities, counties and states with the utmost regard for our safety and protection. What happened in Dallas was sickening and pathetic. The worse attack on police in recent history. He asked if you could imagine working the day to day grind as an officer, seeing the worst in people, getting blamed for

everything, having your family fear and hope you come home each night and then some idiot starts blasting at you and kills your friends and colleagues? How is it possible they just don't say to hell with it? They don't because it's a calling for them. They are the protectors; brave and selfless. In Dallas, the loudest people criticizing the police were the first ones running the other direction while the police were running towards the gunfire. Do you think certain politically hungry prosecutors, Attorney Generals, certain defense attorneys, local politicians, twitters, or protestors would do that? Of course not, because they rely on the men and women who take an oath to protect and to serve unconditionally. These public officials will be the first to jump on the band wagon to crucify police. In his opinion, this deadly tragedy was not coincidental to the rioting going on throughout our country in the so-called name of justice. He stated that he believes *No Justice No Peace* is inflammatory and irresponsible. In his opinion, it is completely reckless and negligent for public officials to feed into to that lawlessness and then comment and pass judgment on criminal investigations without all the facts. They see a video and then they think they have all of the answers. This is not how our process works, and our law enforcement process works, make no mistake. Councilman Soltis stated that he has seen more racial division in the last 8 years. In one of the first incidents of police accusation, before the facts came in, the U.S. Attorney General forced his way in and almost a year later concluded "that the facts do not support the filing of criminal charges against Officer Darren Wilson in this case. Michael Brown's death, though a tragedy, did not involve prosecutable conduct on the part of Officer Wilson." The rush to judgment, the chaos and publicity, riots, hands up slogan, destruction and now we see it end up as a wrong initial foregone conclusion by so many – all based on erroneous pretenses. This seems to him to be a repeating problem, and again only adds fuel to the fire and unnecessarily puts all of our police officers in harm's way. You can now see many incidents with sick individuals taking shots at our officers and innocent bystanders because they are white. And for what? Absolutely nothing. So let's take another look at this banner sign we have hanging in Council Chambers tonight and reflect on all of these brave men and women who make us safe. He requested that the city continue to keep this banner up in the City Hall lobby as a reminder of the ultimate sacrifice these individuals made.

Mayor Hartwell concurred with the sentiments of Council.

CM-16-182. Adjournment.

There being no further business, the meeting was adjourned at 8:08 p.m.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
July 25, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, July 25, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilwoman Scott followed by the Pledge of Allegiance to the Flag.

CM-16-183. Condolence Resolution for the Family of Nancy Brown.

City Manager Myers read the following resolution into the record and Mayor Hartwell presented the following resolution to the family of Nancy Brown:

CONDOLENCE RESOLUTION

WHEREAS, it was with profound sorrow that the Madison Heights Mayor and City Council learned of the passing of Nancy Brown, a 46-year City resident, homemaker, educator, and longtime civic volunteer, on July 9, 2016; and,

WHEREAS, Nancy was the beloved wife of the late Alton L. Brown, with whom they have four beautiful children, Keith Brown, Krisanne Young, Paul Brown, and Cynda Avery, along with fourteen grandchildren, and seven great grandchildren. Their children and grandchildren brought them many moments of pride, joy and happiness throughout the years; and,

WHEREAS, Nancy was active in the local community and acted in the Frantic Capers benefit variety shows for Lamphere Schools, where she later worked as a pre-school instructor. She was a charter member of the Madison Heights Intermediate Women's Club, joining the organization in 1977, and becoming an Honorary Lifetime Member in 2014; and she was a member of the local Red Hat Society and Book club; and,

WHEREAS, her tireless volunteer service to the City included stints at the Madison Heights Public Library, the Madison Heights Nature Center, the Madison Heights Parade Committee, and the Madison Heights Senior Center where she was recognized in 1998 for the "Make a Difference" project; and,

WHEREAS, Nancy will be remembered as a devoted wife, caring mother, and a cherished grandmother who nurtured the intellectual and creative potential of her children and grandchildren, passing on her appreciation for books, music, politics and community involvement.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Council of the City of Madison Heights do hereby extend the community's condolences to the family of Nancy Brown and hope that the good and cheerfulness that she shared in her lifetime will comfort and console them.

BE IT FURTHER RESOLVED, that a copy of this resolution be presented to her family as a token of our sympathy and as a lasting tribute of love and respect.

CM-16-184. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve the business license applications from Annie's Nails, a nail salon, at 29068 Campbell; City Pharmacy, a prescription drug shop, at 26795 John R Road; and Sav-A-Lot, a retail grocery store, at 27117 John R Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-185. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that she was opposed to taxpayer money being spent on the purchase of chairs and any money spent should be for the benefit of the taxpayer.

Richard Taylor, undisclosed address, read the 14th Amendment of the Constitution and stated that he believes the staff of 43rd District Court violated this amendment. He continued that the Pontiac police are conspirators, and he expressed his opinion regarding Councilman Soltis and Mayor Hartwell.

Gloria Moore, 27368 Dartmouth, noted that she believed it would be an excellent idea to have a meal together and for everyone to bring ethnic dishes to share. She also stated that it was her understanding that there will be a joint meeting with City Council and the DDA on August 18th at Wilkinson Middle School as well as the Friends of Madison Heights Area Senior Citizens will be meeting there as well on July 16th at 7:00 p.m. and all are welcome.

Paul Sanders 26433 Rialto, stated that he gets the local papers and about 6 months ago, there was a meeting about I-75 and the costs associated with the construction project. He asked how the City is going to pay for it, and how will it affect the City budget? City Manager Myers clarified that the millage renewal proposal on the August 2nd ballot is dedicated for neighborhood roads only and no funding for the I-75 project could come from these monies. The question of funding the I-75 project is still open. As of today, this project would take 2.5 years of Major or Local Roads funding, and the City would have to budget for this at the expense of other road projects. Currently, the City is actively seeking a legislative remedy to override Governor Snyder's veto of the road funding legislation that would have corrected the funding inequity. The question remains, however, that the city estimated cost is approximately four million dollars and how the City is going to pay for it. City Manager Myers continued that both the Michigan House of Representatives and Senate supported the bipartisan legislative remedy that the Governor vetoed. The City is hoping for an override of veto; however, if the legislature does not override it, the City hopes that legislation will be introduced to correct the funding inequity during the next legislative session. He also added that the City has reached out to legislative officials regarding this issue.

CM-16-186. Resolution In Opposition to Veto of Senate Bill 557 (State Trunkline Funding).

Motion by Councilman Corbett, seconded by Councilman Clark, to adopt the Resolution in Opposition to Veto of Senate Bill 557 (State Trunkline Funding) as follows:

RESOLUTION IN OPPOSITION TO VETO OF SENATE BILL 557

WHEREAS, the Michigan Department of Transportation (MDOT) proposes to widen and improve I-75 from Hazel Park to Auburn Hills; and,

WHEREAS, MDOT proposes to utilize the Public Act 51 road funding formula to require that Madison Heights pay an estimated local share of $4,025,000 for all three construction phases with $800,000 required in 2018, $425,000 in 2024, and $2,800,000 in 2026; and,

WHEREAS, this local match would essentially eliminate the City's ability to provide road maintenance and reconstruction for more than two years; and,

WHEREAS, the City has repeatedly voiced opposition to MDOT's proposed change to the project phasing as well as the use of the Act 51 funding formula for road projects with regional, national, and even international significance and impact; and,

WHEREAS, the City has cited the lack of any public or municipal notice or opportunity for input regarding the change in project phasing, the extensive and widespread impact on the City's road network during construction with no compensation by MDOT, the recent I-75 service drive improvements made by the City (based in major part on the previous project schedule), and the complete loss of future tax revenue from at least 25 total property takings and 5 partial property takings; and,

WHEREAS, by resolution on October 26, 2015, City Council indicated their support for Michigan Senate Bill 557, a bi-partisan bill introduced by Senator Knollenberg, which would eliminate Act 51 requirements for local share contributions on this and other MDOT Trunkline projects; and,

WHEREAS, the City has provided supportive testimony to both the Senate and House Committees on Transportation, both of which unanimously recommended approval of the legislation; and,

WHEREAS, the Michigan Senate and House unanimously approved Senate Bill 557 on May 31, 2016, and June 9, 2016, respectively; and,

WHEREAS, on July 1, 2016, while admitting that the Act 51 requirement for local cost sharing places a hardship on those communities required to use most, if not all, of their available local road funding for interstate highway projects, Governor Snyder vetoed Senate Bill 557.

NOW, THEREFORE BE IT RESOLVED, that the City Council of Madison Heights strongly objects to the Governor's veto and urges a legislative override this year in order to alleviate the financial burden to local communities and restore some measure of equity to state highway funding in Michigan.

BE IT FURTHER RESOLVED, that the City Clerk provide a copy of this Resolution to U.S. Senators Stabenow and Peters, U.S. Representative Levin, Governor Snyder, State Representative Townsend, State Senator

Knollenberg, State Senator Gregory, the Southeast Michigan Council of Governments, the Michigan Municipal League and the following forty-four impacted Cities: Detroit, Grand Rapids, Warren, Sterling Heights, Lansing, Ann Arbor, Flint, Dearborn, Livonia, Westland, Troy, Farmington Hills, Kalamazoo, Wyoming, Southfield, Rochester Hills, Taylor, St. Clair Shores, Pontiac, Dearborn Heights, Royal Oak, Novi, Battle Creek, Saginaw, Kentwood, East Lansing, Roseville, Portage, Midland, Muskegon, Lincoln Park, Bay City, Jackson, Holland, Eastpointe, Port Huron, Southgate, Burton, Oak Park, Allen Park, Garden City, Mount Pleasant, Wyandotte, and Inkster.

CM-16-193. Mayor and Council - Comments.

Councilman Corbett announced the sale of the oldest property in Madison Heights which is located on 13 Mile Road, and he noted that the purchasers are looking to keep the charm of the home and rehabilitate it to reflect its historic character.

Mayor Pro Tem Bliss stated that the family portable restrooms have been delivered to Huffman, Monroe, and Rosie's Parks on a trial basis. He stated that he has received positive response so far, and this will help allow the City to gauge the need for the future. He stated that the City is working on a tentative Pokémon Go! Block Party that would involve community service organizations and noted that people of all ages are playing the game. A good percentage of stops are in City parks and municipal areas. He thanked staff for meeting on the concept and the idea is to have the parks adopted out by service organizations. The event is tentatively scheduled on August 11th from 5:30

p.m. until 9:00 p.m. and more information will be disseminated as the event becomes confirmed. He also announced the joint meeting of the City Council and the DDA on August 18th from 5:30 p.m. - 7:30 p.m. at Wilkinson Middle School, and encouraged the public to participate. He requested the meeting be televised, if possible. City Manager Myers commented that staff will need Council direction regarding the televising of the meeting.

Councilman Gettings had no comments this evening.

City Attorney Sherman commented on Nancy Brown's dedication to the community and noted that yesterday he attended a beautiful tribute to Lois Clark.

City Manager Myers announced the Annual City Golf Outing will be Friday, August 5th, and those interested should contact the Department of Public Services by August 2nd to register for the event. He reminded the audience that Tuesday, August 2nd is Election Day and urged everyone to vote.

City Clerk Printz stated that applications for the August 2, 2016 State Primary Election are available at the Clerk's Office and online and that the last day to apply for an absentee ballot by mail is 2 p.m., Saturday, July 30th. The State Primary Election will be held next Tuesday, August 2nd in all voting locations in the City. She reminded voters that this is a Primary Election, and as such, either the Republican or Democratic portion of the ballot, along with the proposals can be voted. If you vote for both parties, you will spoil that portion of your ballot.

Councilman Clark had no comments this evening.

Councilwoman Scott thanked the family that lived at 1560 E. 13 Mile (the oldest property in the City) for caring for it and maintaining its historical character to the best of their ability. She thanked Councilman Corbett for helping with the sale of the property and stated that the buyers will honor the historical character of the property that dates back to 1846 - before we were even a state. She stated that she appreciated the Clark family honoring Lois Clark's memory with a beautiful party. She noted that last weekend her family utilized the Fire Station meeting room for a family event, and thanked the City for their accommodations. She stated that she appreciates everyone's thoughts and kind wishes for her upcoming back surgery and that she will be available through email during the period of time while she is off.

Councilman Soltis wished Councilwoman Scott well on her upcoming surgery. He stated his support for a fence for the Police Department and asked that the Food Pantry be on next session's agenda, if possible. He asked about disparaging comments by public and the Council's policy as it relates to this.

City Attorney Sherman stated that City Council does have rules that prohibit these types of inappropriate acts and Councilman Soltis requested that they be enforced in the future.

Mayor Hartwell concurred with Food Pantry being included on the next Council agenda and he thanked Mayor Pro Tem Bliss for his Pokémon Go! initiative. He stated he would review the council rules of procedure regarding disparaging comments and encouraged everyone to vote on August 2nd.

CM-16-197. Police Department Bicycle Presentation.

Police Chief Haines stated on July 16th, the Police Department held a Bicycle Rodeo at Civic Center Park. D & D Bicycles donated their time, providing safety inspections prior to the children participating in the bike rodeo and even

replaced two children's inner tubes so they could participate in the rodeo at no expense. Michigan Schools and Credit Union (MSGCU) graciously donated three (3) bicycles from D & D Bicycles, located in Berkley, for the winners of the raffle. The winners of the event this year are Georgio Aramount, Dante McGuire and Lisiah Hesley. Police Chief Haines also thanked Youth Officer Hirst, Meatta Reeves and Rosetta Kass-Shamoun from Michigan Schools & Government Credit Union and Brianna from D & D Bicycles for their efforts to make this a successful event.

CM-16-198. Presentation – Crime Mapping Tool.

Police Chief Haines presented a new mapping tool that merges the data from the police reports and incidents that are reported and entered daily into Courts and Law Enforcement Management System (CLEMIS). The information is entered into a system and provides us the ability to see the crimes on a pin map. The crimes reported on the map are crimes that most affect our citizens'; however, it does not include all crimes.

This mapping tool will allow us to be more transparent to our community and can be accessed through our website. Residents are able to be more in tune with their neighborhoods and the criminal activity taking place in the area. Additionally, a link to the tool will be placed on the Police Department's Facebook page as well as the City's Facebook page.

Councilman Soltis indicated that the likes the transparency of the tool and provides information about the crimes in the area that the Police Department is dealing with. He also asked Chief Haines how far back the data covers and if he could show that on the map. Chief Haines indicated that a six-month period is the longest time frame allowed and he displayed that time frame for the audience to see. Also, Chief Haines stated that no personal information is displayed and no addresses are reported.

Mayor Hartwell asked about the number of incidents that the department handles in a year. Chief Haines indicated that last year there were over 26,000 calls received.

Mayor Pro Tem Bliss thanked Chief Haines for engaging our residents with this technology. The tool indicates how busy our Police Department is in our safe and peaceful city.

Councilman Corbett asked if the tool has a mobile app. Chief Haines stated there is a mobile version and it can be used in a variety of ways by both residents and officers. He continued stating that this system is updated daily.

CM-16-199. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilman Gettings, to approve the business license applications from Select Care Pharmacy, LLC, a retail pharmacy, at 28003 John R; Thunder Express, a shipping business, at 27882 John R; Wright Tax Accounting & Financial Services, Inc., a tax preparation & financial consultation, at 28709 Dequindre; and Healing Haven, a behavior therapy and counseling office, at 30821 Barrington; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-200. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be holding a meeting on Tuesday, August 16, 2016 at 7:00 p.m. at Wilkinson Middle School. She also stated that on August 18, 2016 there will be a town hall meeting at Wilkinson Middle School.

Colleen Porter, a concerned mother at 30223 Longfellow stated since the beginning of 2016 her family has trapped 13 rats on their property. The neighbor at 30229 Longfellow has been feeding cats continuously regardless of the fact that he has been told not to. The resident stated that the neighbor has also built small structures in the backyard to hide the feeding bowls. The house has large overgrowth and smells of cat urine which is very overwhelming. Rats can be seen in the bushes and in the backyard. She stated that they have had a privacy fence installed so they would not have to see the mess in the neighbor's yard, yet it doesn't stop the rats from coming into her yard. She also stated that an exterminator has been hired to help with the rats, yet the problem exists. She continued stating she is very concerned for her children's safety and asked members of Council to come sit on her front porch to understand what they are dealing with.

Theresa Peters, owner of 30223 Longfellow, the home where her daughter, son-in-law and three grandsons live, stated that in the fall of 2015 they began working with various departments and city leaders in regard to the concern of 30229 Longfellow, which includes excessive feeding of cats and the poor condition of the adjacent yard. We have followed all the recommendations from the city leaders and it is our understanding that this individual has been issued multiple citations and had to appear in court on two separate occasions. Despite all our efforts, the problems have continued with a rat infestation,

unbearable urine smell and an unsafe and unhealthy environment for our family and other residents. It is our belief that the constant providing of food and water which is strategically placed outside provides food for rats and other wildlife. We are asking for a search warrant to be sought and issued to gain access to the backyard to provide proof that he continues to feed animals which is a violation of his parole. She would like to know what we can do to go into the back yard. She stated that this situation that may require some creative work to resolve. Ms. Peters stated that she appreciates the City's efforts, but we have not been able to resolve the problems to date.

Kenneth Thweatt, 27700 Brush, would like the City to adopt an ordinance to allow each resident to have a goat as they provide multiple benefits.

Robin Seemann, 30237 Longfellow, stated she lives next to the house with the rat infestation and this is not first time in front of City Council. She was here the year of the storm in 2014. Over the years, the house has never had any maintenance done to it. The resident will not allow anyone to the access to the interior of the home. She continued stating that because of the smell and the flies she cannot host her daughter's graduation party at her home and has elected to hold it somewhere else. She will allow entry into her yard for staff to view the neighbor's yard. Ms. Seemann stated that this is a hoarding situation and that there are multiple cars that do not run. Ms. Seemann also stated that the occupant of the home has never removed any of the damaged property from the flood back in 2014.

Susan Wright Barbe, 30211 Longfellow, challenges each of you to come and sit and will provide coffee and brownies. Code enforcement has come and said that he is in compliance. She stated she would like the rules to be stricter so that something can be done. She asked that Council members please come by and take a look as no one would want to live by this.

Mayor Hartwell stated maybe it's time to pursue condemnation efforts and at a minimum someone needs to contact Adult Protective Services.

City Manager Myers stated he was at the site with the Police Chief and Code Enforcement Officer last Friday and Animal Control Officer was out also there at a different time that day. A ticket issued on Friday, August 5, 2016 for an inoperable vehicle. Additionally, we would encourage as much documentation as possible.

Mr. Sherman stated this has been an issue since 2009. In 2009 when the party in court, he was given one year probation and additionally there have multiple prosecutions, which have result in probations. The request for search warrants is not an easy process; however, based on years of issues at this location it is important that staff come up with a plan to address the problems.

Our staff has been out to that house on a regular basis and we don't want to create the impression that we are not trying to do everything possible to help the situation. We may need to take a fresh look at the situation. We understand the problem and are going to do everything we can to help.

Mayor Hartwell stated that the homeowners were welcome to view our BS&A software program. This program will provide information about a specific address and code enforcement issues can be viewed.

Mayor Pro Tem Bliss asked if there was a way for us to strengthen our ordinances so that we can help in situations like these. Mr. Sherman indicated that these are 90 day ordinance violation issues and if someone continues to violate the law they will be brought to court and justice will be imposed.

CM-16-201. Association of Chinese Americans – Special Event at Civic Center Park.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve the use of Civic Center Park Pavilions A & B for the Association of Chinese American for Family Fund Day, to be held on Sunday, August 28, 2016 from 3:00 p.m. to 8:00 p.m; subject to compliance with the Council's Policy on Uniform Insurance Requirements for Special Events and to waive the fee and deposit.

Mayor Pro Tem Bliss stated that Association of Chinese American is a nonprofit organization and would like to waive the pavilion and damage deposit fees.

City Manager Myers stated that the organization did not request a fee waiver.

Councilman Corbett indicated that the organization did not ask for a fee waiver; however, he would agree to the modification to the motion.

Councilman Corbett and Mayor Pro Tem Bliss agreed to amend the motion to also include a waiver of the pavilion and damage deposit fees. Councilman Corbett asked the staff to report back on the policy implications.

CM-16-203. Animal Shelter Direct Adoptions.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Clark, to approve the direct adoption program the Madison Heights Animal Shelter.

Councilman Corbett requested the Animal Control Officer to give a brief explanation of the program and inquired as to the number of animals that would be placed on an annual basis.

ACO Gysel stated that the average intake is about 300 animals with the majority being returned to their owners. In the past few years, there are about 160 animals have placed into rescue groups. Therefore, we are anticipating that we will adopt out 160 animals per year. She also stated that there will be an application process and a background check to determine whether there is a good fit between the family and animal.

CM-16-204. Ordinance No. 2114 - Fire Code Amendments First Reading.

Motion by Councilman Corbett, seconded by Councilman Clark, to adopt the proposed Ordinance No. 2114, amendments to the City Fire Code, on first reading by number and title only, as follows:

ORDINANCE NO. 2114

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by Amending Chapter 12, of

the Code of Ordinances to provide for a Fire Department and Fire Prevention and to adopt by reference the 2015 Edition of the International Fire Code, including Appendix Chapters B, C, D, E, F, and G, as published by the International Code Council, to protect the public health, safety, welfare and property within the City of Madison Heights.

Mayor Hartwell stated that this amendment clears up the debate as to whether or not backyard fires are permitted.

Councilman Soltis asked Fire Marshal Knight to comment. He stated that based on the history of open burning complaints; there will be complaints on either side of the issue. Many of the surrounding communities allow a form of open burning and this new code gives us the ordinance. Any nuisances such as smoke can be addressed on an individual basis through other code provisions.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be holding a meeting on Tuesday, September 20, 2016 at 7:00 p.m. at Wilkinson Middle School. All are welcome.

Jim Capizzo, 863 Venoy, stated that when connecting to the library's Wi-Fi, it automatically opens up a commercial website. He requested that this be changed, if possible. City Manager Myers responded that staff will look into the matter and correct the issue, if one exists.

Wayne Peters, 30223 Longfellow, thanked City Council and staff for listening to and addressing their concerns pertaining to 30229 Longfellow at the last meeting. In response to Mr. Peters' question on the status of a search warrant for the property located at 30229 Longfellow, Mayor Hartwell noted that there is an active criminal case associated with this address, so the City cannot comment on the status at this time. Mr. Peters requested an appointment to meet with the City Manager, Chief of Police, and City Attorney to discuss the matter and what options that may be available to them. City Manager Myers stated that he will facilitate a meeting with Mr. and Mrs. Peters.

CM-16-212. Ordinance No. 2114 - Fire Code Amendments, Second Reading.

Motion by Councilman Clark, seconded by Councilman Corbett, to adopt the Ordinance No. 2114, amendments to the City Fire Code, on second reading as follows:

ORDINANCE NO. 2114

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by Amending Chapter 12, of the Code of Ordinances to provide for a Fire Department and Fire Prevention and Protection and to adopt by reference the 2015 Edition of the International Fire Code, including Appendix Chapters B, C, D, E, F, and G, as published by the International Code Council, to protect the public health, safety, welfare and property within the City of Madison Heights.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 12, Section 12-1 through 12-144, of the Code of Ordinances, City of Madison Heights, Michigan, is hereby repealed in its entirety and replaced as follows:

CHAPTER 12. FIRE DEPARTMENT AND FIRE PREVENTION AND PROTECTION

ARTICLE I. IN GENERAL

Sec. 12-1. Creation.

There is hereby created, in accordance with the Charter of the City of Madison Heights, and the Home Rule Cities Act, P.A. 279 of 1909, as amended, a Fire Department of the City of Madison Heights.

Sec. 12-2. Powers and Duties of the Fire Chief.

The Fire Department, and its personnel, shall be under the administration and supervision of the Fire Chief, who shall have charge of all activities relating to the prevention and extinguishment of fires, the protection of life and property against fire, the removal of fire hazards and hazardous material incidents and emergency medical services. The Fire Chief shall be responsible for the maintenance and care of all property owned by the Fire Department. The Fire Chief and his designated representatives are the fire code officials responsible for fire prevention inspection activities and code enforcement of building and occupancies as related to the risk of fire or explosion and are designated as Code Officials under this ordinance. The Fire Chief and his or her designated representatives are the fire code officials and shall be responsible for compliance by the Fire Department with all duties and requirements of the statutes of the State of Michigan and the Ordinances of the City of Madison Heights regarding fire prevention and fire protection and for the enforcement of those laws.

Sec. 12-3. Compliance with state law required.

No person shall violate any state law or any rule or regulation adopted by any duly authorized state agency or department relative to fire prevention.

Sec. 12-4. Vehicles crossing fire hose.

A vehicle shall not be driven or propelled over any fire hose of the Fire Department when laid down on any street, alleyway, private drive or property or any other vehicular roadway without the consent of the Fire Chief or his duly authorized representative in command of said operation.

Sec.12-5. Unlawful boarding or tampering with Fire Department emergency equipment.

A person shall not, without proper authorization from the Fire Chief or his duly authorized representative in charge of said Fire Department emergency equipment, cling to, attach himself to, climb upon or into, board or swing upon any Fire Department emergency vehicle, whether the same is in motion or at rest, or sound the siren, horn, bell or other sound-producing device thereon, or to manipulate or tamper with, or attempt to manipulate or tamper with any levers, valves, switches, starting devices, brakes, pumps, or any equipment or protective clothing on, or a part of, any Fire Department emergency vehicle.

Sec. 12-6. Damage or injury to Fire Department equipment or personnel.

It shall be unlawful for any person to damage or deface, or attempt or conspire to damage or deface any Fire Department emergency vehicle or equipment at any time, or to injure or attempt to injure or conspire to injure Fire Department personnel while performing departmental duties.

Sec. 12-7. False alarms.

It shall be unlawful for any person to summon, in any way, the Fire Department unless a valid reason for their response is present. Chapter 7, Article XI, of this Code of Ordinances, shall apply to the activation of an alarm system causing a sound or visual signal through mechanical failure, faulty equipment, malfunction, improper installations, lack of testing and/or lack of prudent maintenance, or the negligence of an alarm user or of his, her, or its employees, agents, guest, residents, or invitees.

Sec. 12-8. Activation of fire alarm systems.

A person shall not activate a fire alarm system in any building or place within the City of Madison Heights unless a valid fire emergency exists within that building or place. A fire alarm system is any system which upon activation warns the occupants of the building or place that a fire emergency exists.

Exceptions:

1. A fire alarm system may be operated for the purpose of conducting a scheduled fire drill.
2. A fire alarm system may be operated for the purpose of testing a water flow or fire alarm system.
3. The owner of the structure in which any supervised alarm system is located, or the licensed contractor working on any supervised alarm system shall notify, and receive approval from, the Fire Department to conduct a fire drill, or to test or operate the fire alarm system.

Sec. 12-9. Open buildings due to fire.

The Fire Chief or his duly authorized representative is empowered to order the securing of fire damaged buildings and structures. If the owners of the affected building are present, this order shall be given to them. If no owner or owners representative of the building are present, or if the owner refuses to secure said building or structure, the Fire Chief, or his duly authorized representative, may have the building secured. The expense of securing the structure shall be a debt to the city from the owner in fee and shall be collected as any other debt to the city and shall be enforced as a special assessment as provided in the City Charter and Code.

Sec. 12-10. Fire suppression system; permit required.

Before any fire suppression system or component is installed, enlarged, extended or modified, a permit shall be obtained from the city. This shall include any device or relay connected to or controlled by the fire suppression system. All work must be performed by a qualified installer who is properly licensed or certified to perform such work, as determined by the fire code official. Construction documents shall be reviewed by the fire code official prior to the issuance of the permit.

Sec. 12-11. Fire alarm or detection system; permit required.

Before any fire alarm or detection system or component is installed, enlarged, extended or modified, a permit shall be obtained from the city code official. This shall include auxiliary devices such as magnetic locks, electronic locks, or any device or relay connected to or controlled by the fire alarm or detection system. All work must be performed by a qualified installer who is properly licensed or certified to perform such work, as determined by the fire code official. Construction documents shall be reviewed by the fire code official prior to the issuance of the permit.

Sec. 12-12. Conflicts.

Where conflicts occur between the provisions of this Code and any referenced codes or standards, the provisions that establish the higher standard, for the promotion of the health, safety and welfare of the public, shall apply.

Sec. 12-13. Penalty; each day a separate offense.

(a) A violation of any of the provisions of this chapter shall constitute a misdemeanor punishable as provided in Section 1-7 of this Code of Ordinances.

(b) A separate offense shall be deemed committed upon each day during which or when a violation occurs or continues.

Secs. 12-14 through 12-25. Reserved.

ARTICLE II. FIRE PREVENTION

Sec. 12-26. Adoption of fire prevention code.

A certain document, a copy of which is on file in the office of the City Clerk of the City of Madison Heights, being marked and designated as the 2015 Edition of the International Fire Code, including Appendix Chapters B,C,D,E,F, G, and H, as published by the International Code Council, is hereby adopted by reference as the code of the City of Madison Heights for regulating and governing the safeguarding of life and property from fire and explosion hazards arising from the storage, handling and use of hazardous substances, materials and devices, and from conditions hazardous to life or property in the occupancy of buildings and premises in the City of Madison Heights and providing for the issuance of permits for fire suppression systems, fire alarm systems and other uses or operations; and each and all of the regulations, provisions, conditions and terms of such International Fire Code, 2015 edition, published by the International Code Council, on file in the office of the City Clerk are hereby referred to, adopted and made a part hereof as if fully set out in this ordinance.

Sec. 12-27. Amendments to the 2015 Edition of the International Fire Code.

The following sections of the 2015 Edition of the International Fire Code are amended, deleted, supplemented or additional sections added as follows:

Section 101.1 Title. Amended to read:

These regulations shall be known as the *Fire Prevention Code of The City of Madison Heights*, hereinafter referred to as "this code."

Section 105.1.1(a) Failure to obtain required permit. Added to read as follows:

Any person, company, firm, corporation, association, or other entity that takes any action requiring a permit under this section and fails to obtain a permit required under this section, shall be assessed an investigative fee equal to the permit fee in addition to any required permit and administrative fees.

Section 105.6. Required Operational Permits. Amended as follows:

The code official is authorized to issue operational permits for the operations set forth in sections 105.6 through 105.6.47. The code official is authorized to waive any permit requirements under this section.

Section 109.2.1.1. Notice Waived. Added to read as follows:

The requirement for written notice of violation shall be waived where the code official deems the violation to be an imminent danger to the public health, safety or welfare.

Section 109.3. Violation penalties. Amended as follows:

Persons who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, install, alter, repair or do work in violation of the approved construction documents or directive of the code official, or of a permit or certificate used under provisions of this code, shall be guilty of a Misdemeanor, punishable by a fine of not more than $500.00 or by imprisonment not exceeding 90 days, or both. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

Section 111.4. Failure to comply. Amended as follows:

Any person who shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be guilty of a Misdemeanor, punishable by a fine of not more than $500.00 or by imprisonment not exceeding 90 days, or both. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

Section 307. Open Burning, Recreational Fires and Portable Outdoor Fireplaces. Deleted and Amended in its entirety as follows:

Section 307. Outdoor burning.

Section 307.1 Definitions.

"Campfire" means a small outdoor fire with a diameter of less than four feet enclosed by non-combustible materials intended for recreation or cooking but not including a fire intended for disposal of waste wood or refuse.

"Clean wood" means natural wood which has not been painted, varnished or coated with a similar material; has not been pressure treated with preservatives; and does not contain resins or glues as in plywood or other composite wood products.

“Construction and demolition waste” means building waste materials, including but not limited to waste shingles, insulation, lumber, treated wood, painted wood, wiring, plastics, packaging, and rubble that results from construction, remodeling, repair, and demolition operations on a house, commercial or industrial building, or other structure.

"Fire Chief" means the Chief of the Madison Heights Fire Department or his duly authorized representative.

"Open burning" means kindling or maintaining a fire where the products of combustion are emitted directly into the ambient air without passing through a stack or a chimney. This includes burning in a burn barrel.

"Outdoor burning" means a campfire, open burning, burning in a portable outdoor fireplace or burning in a permanent outdoor fireplace.

“Permanent Outdoor Fireplace” means a permanent outdoor structure designed and built, to applicable codes, with appropriate non-combustible materials equipped with a chimney intended for recreation, cooking or heating.

“Portable Outdoor Fireplace” means a commercially produced chiminea, portable fire pit, portable fireplace, patio warmer, or other portable wood-burning device used for outdoor recreation and/or heating.

“Refuse" means any waste material except trees, logs, brush, stumps, leaves, grass clippings,
and other vegetative matter.

Section 307.2 General.

A person shall not kindle or maintain or authorize to be kindled or maintained any, campfire, open burning or outdoor burning unless conducted in accordance with this Section.

307.2.1 This ordinance does not apply to grilling or cooking food using charcoal, wood, propane or natural gas in cooking or grilling appliances.

307.2.2 This ordinance does not apply to burning for the purpose of generating heat in a stove, furnace, fireplace or other heating device within a building used and approved for human habitation.

307.2.3 This ordinance does not apply to the use of propane, acetylene, natural gas, gasoline or kerosene in a device intended for heating, construction or maintenance activities.

307.2.4 The ordinance does not apply to burning conducted by the Fire Department in connection with training or the performance of its duties.

Section 307.3. *Extinguishment authority.*

The Fire Chief, or his authorized representative, and the Police Department are authorized to order the extinguishment by the property owner, another responsible person or the fire department of outdoor burning when it creates or adds to a hazardous situation or is determined to constitute a health hazard or a nuisance.

Section 307.4. Outdoor burning of refuse.

Burning of refuse and construction or demolition waste is prohibited including the burning of brush, leaves, grass clippings and yard waste.

Section 307.5 Outdoor burning.

All outdoor burning shall occur in a permanent outdoor fireplace, a portable outdoor fireplace or in a fire pit with a diameter of less than four feet enclosed by non-combustible materials, such as a fire ring, fire brick or fire block and covered by a spark arrestor which prevents the emission of flammable debris from the fire.

All outdoor burning shall be done with only clean, seasoned and dry hardwood.

All outdoor burning shall be located at least 20 feet from the nearest structure which is not on the same property as the outdoor burning and at least 15 feet from the nearest structure on the same property as the outdoor burning.

All outdoor burning shall be attended at all times by at least one person who is 18 years of age or older.

There shall be at a minimum a garden hose connected to a reliable water supply, one-gallon bucket of water, or a 2a10BC rated fire extinguisher within 20 feet of any outdoor burning.

Except for barbecue, gas, and charcoal grills, no outdoor burning shall be undertaken during periods when the Governor of Michigan has issued a burning ban applicable to the area.

No outdoor burning may be conducted on days when there has been declared an "air quality or ozone action day" applicable to the City of Madison Heights.

All burning shall be conducted in a safe, nuisance-free manner, when wind and weather conditions minimize adverse affects and do not create a fire hazard, health hazard or a nuisance.

Section 506.1. When required. Amended as follows:

Where access to or within a structure or an area is restricted because of secured openings or where immediate access is necessary for life-saving or fire-fighting purposes, or where an alarm signaling system or device is installed that may summon the fire department, key boxes shall be installed in accessible locations. All key boxes shall be a "Knox Box" brand, manufactured by the Knox Company, 17672 Armstrong, Irvine, CA 42614. Orders for all such boxes shall be made on forms provided by the Madison Heights Fire Department. The Madison Heights Fire Department shall approve the number and location of any required key box and all boxes shall contain keys to gain access to all areas of the structure. This section shall apply to the following Occupancy Classifications, as defined by Section 202 of the International Fire Code, currently adopted by the City of Madison Heights: Assembly Group A; Business Group B; Educational Group E; Factory Industrial Group F; High-hazard Group H; Institutional Group I; Mercantile Group M; Storage Group S; Miscellaneous Group U; Residential Group R-1 and Residential Group R-2.

Section 507.5.4.1 Vehicles. Added to read as follows:

Vehicles, trailers, or other equipment shall not be parked or placed within fifteen (15) feet of fire hydrants, fire department inlet connections or fire protection system control valves, unless in approved parking areas shown on an approved site plan. The fire department shall not be deterred or hindered from gaining immediate access to fire protection equipment or fire hydrants.

Section 507.5.5. Clear space around hydrants. Amended as follows:

Posts, fences, growth, trash, landscaping, storage and other materials or objects shall not be placed within ten (10) feet of fire hydrants, fire department inlet connections or fire protection system control valves in a manner that would prevent such equipment or fire hydrant from being immediately discernable and accessible. The fire department shall not be deterred or hindered from gaining immediate access to fire protection equipment or fire hydrants.

Section 507.5.7. Fire hydrant use and maintenance. Added to read as follows:

(a) A fire hydrant shall not be placed into, or removed from service until approved by the Fire Chief or his duly authorized representative.

(b) If, upon the expiration of the time mentioned in a notice of violation pursuant to Section 508.5.4, obstructions or encroachments are not removed, the Fire Chief or his duly authorized representative shall immediately proceed to remove the same by any necessary means. All expenses incurred shall be a debt to the city from the responsible person or business entity and shall be collected as any other debt to the city and shall be enforced as a special assessment as provided in the Charter.

(c) A person shall not use or operate any fire hydrant intended for use of the Fire Department for fire suppression purposes unless such person first secures a permit for such use from the City of Madison Heights Department of Public Services.

(d) A person shall not obstruct, remove, tamper with or otherwise disturb any fire hydrant or fire appliance required to be installed or maintained under the provisions of the fire prevention code, except for the purpose of extinguishing fire, training or testing purposes, recharging, or making necessary repairs, or when permitted by the Fire Chief or his duly authorized representative. Whenever a fire appliance is removed as herein permitted, it shall be replaced or reinstalled as soon as the purpose for which it was removed has been accomplished. Defective and

non-approved fire appliances or equipment shall be replaced or repaired as directed by the Fire Chief or his duly authorized representative.

Section 511. Fire Lanes. Added to read as follows:

SECTION 511
FIRE LANES

511.1 Authority; criteria for determining necessity.

The Fire Chief or his duly authorized representative shall be responsible for establishing fire lanes on private property within the city. The following criteria shall be used in determining the necessity of said fire lanes:

1. Fire lanes shall be established as deemed necessary at all types of structures and uses except one and two family detached dwellings as defined by the Michigan Residential Code.

2. The necessity of access into the above areas from public thoroughfares.

3. The necessity of traffic lanes free from parked vehicles, and other obstructions, both to and around the above enumerated establishments capable of handling city fire vehicles.

511.1.1 Determination.

This determination shall be made whenever the Fire Chief or his duly authorized representative deems such lanes are necessary for the safety of occupants and property of the above enumerated establishments or after a petition by a private landowner or his authorized representative to have said fire lanes established on his or her own property is filed. The Department may declare fire lanes thereon in accordance with the above criteria.

511.2 Applicability; notification of owners of property whereon lanes established.

This article shall apply to all such existing facilities within the city. For fire lanes at new construction sites or modification of existing structures, this article shall also apply and be administered by the Fire Department through the site plan review process as set forth in the Madison Heights Zoning Ordinance. It shall be the duty of the Fire Chief, or his duly authorized representative, to notify the landowner of any such property whereon fire lanes are established by mailing notice of the same to the address of the owner as found in the records of the city assessor

511.3 Posting, uniformity, responsibility.

All fire lanes shall be conspicuously posted with uniform fire lane signs in compliance with the standards established in the *Michigan Manual of Uniform Traffic Control Devices*, and located as prescribed by the Fire Chief or his duly authorized representative, and erected no further than 100 feet apart, and in conformance with 511.3.1, in all areas designated as fire lanes. The erection and maintenance of said signs shall be the responsibility of the property owner. Any owner who, upon notification that a fire lane has been established on his property and within 30 days thereof, fails to erect uniform fire lane signs shall be in violation of this article and subject to punishment as provided herein. Further, when said signs are not erected within 30 days of notification, the Fire Chief or his duly authorized representative may direct that said signs are to be erected and the cost thereof assessed against the property and collected as prescribed in the Charter for the collection of special assessments. When such fire lanes are adjacent to a parking lot, such fire lanes shall be clearly outlined with curbing, posts or other markings raised above the grade sufficiently so they will not be obscured by snow or other materials.

Exception:

The Fire Chief or his duly authorized representative may grant permission for parking of certain vehicles, objects or trailers in designated fire lanes for limited periods where such parking will not interfere with the usage of the fire lane by emergency vehicles. Whenever such permission is granted, the driver or operator must be present at all times to provide immediate removal of such obstructions when necessary.

5*11.3.1 Signage Specifications*.

All roads, lanes or drives required for emergency access shall be posted as required by 1998 NFPA 1141, Section 4.4 with the following exceptions:

1. Entryways and drives shall be posted with signs reading "No Standing - Fire Lane".

2. Main drives adjacent and parallel to structures shall be posted with signs reading "No Standing - Fire Lane" or "No Parking - Fire Lane" on the side adjacent to the building and the opposite side shall be posted with signs reading "No Stopping - Standing - Parking - Fire Lane". Parking shall be prohibited on one side of all main isles.

3. Paved areas on the sides and rear of buildings which are less than thirty (30) feet wide shall be posted "No Parking - Fire Lane" on both sides of the paved area.

Signs shall be installed with their faces perpendicular to the roadway, six feet, eight inches (6'8") high, facing the direction of travel, and shall be located so that at least one sign is clearly readable from any location on the posted road, lane or drive.

Exception:

Where a hardship exists due to sidewalk width or architectural considerations the Fire Chief may approve signs mounted on the face of the structure.

511.4 Enforcement.

(a) When any administrative officer of the Fire Department, ordinance officer, code official or any member of the city police department shall observe any vehicle, trailer or other object in a posted fire lane herein established and such vehicle, trailer or other object is in violation of the regulations set forth under Section 511.3, above, any of the foregoing may issue a violation notice or a citation and affix it to said vehicle, trailer or other object.

(b) If any vehicle, trailer or other object is located within a fire lane at the time the Fire Department is responding to an alarm for reason which necessitates the use of such a lane, then any member or members of the police department or Fire Department may move, or cause the same to be moved, by any means possible, without liability for any damage being incurred by the City or any officer, agent or employee thereof.

511.5 Appeal.

If any property owner is aggrieved by any decision as to the establishment of fire lanes, he shall, within thirty (30) days of the date of mailing of the fire lane establishment notice, as provided for in Section 511.2 of this article or of denial of a petition to establish a fire lane, file with the Fire Chief or his duly authorized representative a written exception to such decision together with the reasons for same. Within ten days from the date of receipt of such exception by the Fire Chief or his designated representative, shall, after consideration of the reasons for such exceptions, affirm, modify, or rescind his original decision. If the aggrieved party is still without satisfaction, he may file an appeal with the City Council through the office of the City Clerk. City Council may affirm, modify, or rescind the decision.

Section 903.3.5. Water supplies. Amended as follows:

Water supplies for automatic sprinkler systems shall comply with this section and the standards referenced in Section 903.3.1. The potable water supply shall be protected against backflow in accordance with the requirements of this Section, the Michigan Plumbing Code, and the rules of the Michigan Department of Public Health. The City of Madison Heights cannot control the volume or pressure in the municipal water system and can not guarantee that the pressures observed during flow testing can be maintained during peak use periods. For this reason fire protection systems in the City of Madison Heights shall be designed using the lowest recorded sustained residual water pressure (seasonal low) as determined by the Madison Heights Water Department and approved by the Fire Chief or Fire Marshal. It shall be the obligation of all contractors to obtain the current design pressure from the Fire Chief or Fire Marshal.

Section 903.3.7. Fire department connections. Amended as follows:

The location of the fire department connection shall be approved by the fire code official. Fire department connections shall be a five inch (5") Storz connector, or an approved equivalent, and shall be within one hundred forty (150) feet of a public fire hydrant. The Fire Department connection shall be a minimum of ten feet from any gas or electric service and clearly visible from the adjacent roadway or driveway. If visibility is obstructed a sign shall be placed above the connection, in a location approved by the Fire Department, reading "Fire Department Connection" in a size and location acceptable to the Fire Department.

Section *2205.6* is amended as follows by adding item 8.:

8. The person shall remain in attendance outside of the vehicle and in view of the nozzle.

Section 3205.1.1.1. Location. Amended as follows:

The storage of flammable cryogenic fluids in stationary containers shall be prohibited in all areas of the City of Madison Heights except the M-1 (Light Industrial) and M-2 (Heavy Industrial) zoning districts.

Section 3404.2.9.6.1. Locations where above-ground tanks are prohibited. Amended as follows:

The storage of Class I and Class II liquids in above-ground tanks outside of buildings shall be prohibited in all areas of the City of Madison Heights except the M-2 (Heavy Industrial) zoning district.

Section 3406.2.4.4. Locations where above-ground tanks are prohibited. Amended as follows:

The storage of Class I and Class II liquids in above-ground tanks shall be prohibited in all areas of the City of Madison Heights except the M-2 (Heavy Industrial) zoning district. Exception: Not more than two hundred fifty (250) gallons of Class I or II liquids may be stored on a construction site with approval of the Fire Department.

Section 3804.2. Maximum capacity within established limits. Amended as follows:

The storage of liquefied petroleum gas is restricted for the protection of heavily populated or congested areas and shall be permitted only as follows:
R-2 & R-3 (Residential), R-T (Two Family), H-M (Mobile Home) zoning districts – not more than two (2) twenty (20) pound cylinders per residence;
R-M (Multiple Family) zoning district – Not more than one (1) twenty (20) pound cylinder per dwelling unit;
B-2 (Planned Business) and B-3 (General Business) zoning districts - not more than seven hundred fifty (750) gallons by water volume capacity;
M-1 (Light Industrial) zoning district - not to exceed five thousand (5,000) gallons water volume capacity; and M-2 (General Industrial) zoning district - within the limits prescribed in this Chapter.

Appendix C, Section C103.2. Additional hydrants. Is added to read as follows:

For all buildings with a sprinkler or standpipe system equipped with a Fire Department connection, a fire hydrant must be placed within one hundred forty (140) feet of the Fire Department connection.

Secs. 12-28 – 12-60. Reserved.

ARTICLE III.
FLAMMABLE LIQUIDS

Sec. 12-61. - 12.62 Reserved.

Sec. 12-63. Containers in passenger vehicles; restrictions on filling and transporting.

(a) No container shall be filled with flammable liquid while inside a passenger-carrying vehicle. Containers shall be removed from the interior of passenger cars and from the cab or enclosed portion of other vehicles during filling.

(b) No portable container or containers holding in excess of a total of six (6) gallons of gasoline shall be filled for transportation from a service station in a passenger vehicle.

Sec. 12-64. Labeling and construction of containers; unlawful to fill any container of certain persons.

(a) Containers filled or sold containing gasoline shall be bright red and shall be lettered with the word "gasoline."

(b) No kerosene, fuel oil, turpentine, mineral spirits or similar-type liquids shall be sold or put into containers painted bright red and labeled "gasoline."

(c) Containers shall be of approved construction, having a tight closure with screwed or spring cover, and approved by the Fire Chief

(d) It shall be unlawful for any person to deliver flammable liquids into any type of container to any other person who is in his judgment not of sufficient age or sufficiently responsible to understand the proper use of the product or when he has reason to believe that the intended use of the flammable liquid would constitute a hazard to life and property

Sec. 12-65. Storage for private use; restrictions.

(a) Storage of flammable liquids, such as ether, or gasoline, and all similar type liquids, having a flash point below one hundred (100) degrees Fahrenheit, shall not be used or stored in a cellar, basement, pit or living area of any residential building.

(b) Flammable liquids with a flash point below one hundred (100) degrees Fahrenheit, when used or stored on residential property, must be remote from any dwelling, in an enclosure with direct ventilation to the outside and away from flame or open fire.

(c) Storage of flammable liquids for residential use and having a flash point below 100 degrees Fahrenheit shall be limited to not more than a total of six gallons.

(d) Storage of flammable liquids with a flash point above one hundred (100) degrees Fahrenheit and used in residences for necessary maintenance and decorating of the premises shall be limited to not more than a total of ten gallons.

(e) Storage of chain saws, lawn mowers, lawn equipment and any two and four-cycle engines powered by gasoline shall not be stored in a basement, cellar or living area of any residential building.

(f) No person shall store flammable liquids for private use unless such flammable liquids are stored, handled and used as set forth in this section.

Sec. 12-66. Regulations and prohibitions on storage or handling.

(a) The storage or handling of flammable liquids above or below ground shall be in accord with rules and regulations as prescribed and authorized in Sections 4 and 5 of Act 207 of the Public Acts of 1941, as amended and supplemented.

(b) The use of any facilities for the handling of gasoline or flammable liquids or the filling of any containers with such flammable liquids in any basement or sub-basement is prohibited.

(c) No person shall place or cause to be placed any gasoline or any flammable liquids in any sewer or drain leading to sewers, nor shall any person permit such liquids to flow or drain into such sewers.

(d) The use or storage of flammable liquids in any hotel, rooming house, lodging house, multiple dwelling or place of assembly is prohibited except as is otherwise authorized by law.

Secs. 12-67 – 12 71. Reserved.

ARTICLE IV. FIREWORKS

Sec. 12-72. - Ignition, discharge and use of consumer fireworks.

(a) A person shall not ignite, discharge or use consumer fireworks except on the day before, the day of, or the day after the following national holidays: New Year's Day; Martin Luther King, Jr. Day; Washington's Birthday; Memorial Day; Independence Day; Labor Day; Columbus Day; Veterans Day; Thanksgiving Day and Christmas Day, and such ignition, discharge or use of consumer fireworks shall be prohibited between the hours of 12:00 Midnight and 8:00 a.m. and between the hours of 1:00 a.m. and 8:00 a.m. on New Year's Day, as provided in the Michigan Fireworks Safety Act, Public Act 256 of 2011, as amended. A person that violates this subsection is responsible for a civil infraction and may be ordered to pay a civil fine of not more than $500.00.

(1) *Exception.* The city, upon application in writing on forms provided by the city and payment of a fee set by council, if any, may grant a permit for the ignition, discharge or use of consumer fireworks within the city, on days other than the day before, the day of, or the day after one of the listed national holidays. After a permit has been granted, use of consumer fireworks, for the purposes described in the permit only, may be made in conformance with this section. A permit granted under this subsection is not transferable and shall not be issued to a minor.

(i) Before a permit for consumer fireworks ignition is issued, the person, firm, or corporation applying for the permit shall furnish proof of insurance in an amount, character, and form deemed necessary by the city to satisfy claims for damages to property or personal injuries arising out of an act or omission on the part of the person, firm, or corporation or an agent or employee of the person, firm, or corporation, to protect the public health, safety and welfare.

(ii) The city shall rule on the competency and qualifications of the applicant as required under NFPA 1123, and on the time, place, and safety aspects of the ignition, discharge or use of consumer fireworks, before granting a permit.

(b) A person shall not ignite, discharge or use consumer fireworks on public property, school property, church property, or the property of another person without that organization's or person's express permission to use those fireworks on those premises. A person that violates this subsection is responsible for a civil infraction and may be ordered to pay a civil fine of not more than $500.00.

(c) A person shall not use consumer fireworks or low-impact fireworks while under the influence of alcoholic liquor, a controlled substance, or a combination of alcoholic liquor and a controlled substance. A person that violates this section is guilty of a misdemeanor punishable by imprisonment for not more than 30 days or a fine of not more than $500.00, or both.

(d) A person under the age of 18 shall not possess, ignite, discharge or use consumer fireworks without the direct supervision of an adult who is present and directing the ignition, discharge or use of consumer fireworks.

(e) The area selected for the discharge of aerial shells shall be located so that the trajectory of the shells shall not come within 25 feet of any overhead object. A person that violates this subsection is responsible for a civil infraction and may be ordered to pay a civil fine of not more than $250.00.

(f) A person should wear head, eye and hearing protection and should wear cotton, wool, or similarly flame-resistant clothing during the ignition, discharge or use of consumer fireworks, unless remotely detonated.

(g) A person shall not ignite, discharge or use consumer fireworks without having, readily available for immediate use, a fire extinguisher or hose of sufficient rating or capacity to extinguish a fire caused by a consumer firework. A person that violates this subsection is responsible for a civil infraction and may be ordered to pay a civil fine of not more than $250.00.

Sec. 12-73. - Use and display permits.

(a) A permit from the city shall be required for the use of agricultural or wildlife fireworks, articles pyrotechnic, display fireworks, or special effects manufactured for outdoor pest control or agricultural purposes, or for public or private display within the city by municipalities, fair associations, amusement parks, or other organizations or individuals approved by the city. Application shall be made in writing to the fire department on forms provided by the fire chief or his designated representative, and shall include payment of a fee established by resolution of city council. After a permit has been granted, sales, possession transportation, use or display of fireworks only for the purposes described in the permit may be made. A permit granted under this subsection is not transferable and shall not be issued to a minor.

(b) Before a permit for articles pyrotechnic or a display fireworks ignition is issued, the person, firm, or corporation applying for the permit shall furnish proof of financial responsibility by a bond or insurance in an amount, character and form as established by resolution of city council to satisfy claims for damages to property or personal injuries arising out of an act or omission on the part of the person, firm, or corporation or an agent or employee of the person, firm, or corporation, and to protect the public.

(c) A permit shall not be issued under this act to a nonresident person, firm, or corporation for ignition of articles pyrotechnic or display fireworks in this state until the person, firm, or corporation has appointed in writing a resident member of the bar of this state or a resident agent to be the legal representative upon whom all process in an action or proceeding against the person, firm, or corporation may be served.

(d) The local governing authority shall rule on the competency and qualifications of articles pyrotechnic and display fireworks operators as required under NFPA 1123, as the operator has furnished in his or her application form, and on the time, place, and safety aspects of the display of articles pyrotechnic or display fireworks before granting permits.

Secs. 12-74 - 12-101. - Reserved.

ARTICLE V. RECOVERY OF COSTS AND EXPENSES FOR EMERGENCY RESPONSE

Sec. 12-102. Definitions.

(a) Costs and expenses of response shall include, but is not limited, to the following:

(1) The costs and expenses incurred by the City of Madison Heights in making an emergency response, including salaries, wages, overtime wages, fringe benefits or any other compensation of all fire department personnel, law enforcement personnel, emergency medical personnel, department of public service personnel, department of community development personnel, contractors and subcontractors or special personnel or companies or organizations called to the scene to assist in the response.

(2) The costs and expenses for equipment used and supplies lost or expended during the response, but said costs and expenses include those costs and expenses directly arising because of the response to a particular incident.

(3) The costs and expenses to inspect, secure, test, clean and restore the site of an emergency response to the pre-existing condition or a safe and secure condition.

(b) Hazardous materials shall mean explosives, pyrotechnic, flammable gas, flammable compressed gas, non-flammable compressed gas, flammable liquid, combustible liquid, oxidizing material, poisonous gas, poisonous liquid, irritating material, etiologic material, radioactive material, corrosive material, or liquefied petroleum gas or any other hazardous material as defined under the Fire Prevention Code, MCLA 29.1 et seq. and the Hazardous Waste Management Act MCLA 299.501 et seq.

(c) Hazardous materials incident shall mean an explosion, spill, leak, release, accident or related occurrence involving the transportation, storage, handling, sale, use or processing of hazardous materials by an entity, firm, person or vehicle.

(d) Responsible party shall mean any person, individual, firm, corporation, association, partnership, commercial entity, consortium, joint venture, government entity or any other legal entity that owns, operates, maintains, occupies, controls any building, premises, property, or vehicle where an emergency response incident arises.

(d) Technical rescue shall mean complex rescue incidents requiring specially trained personnel or special equipment to complete the rescue, which includes, but is not limited to, "trench rescues", "confined space rescue", and "high angle rescue".

(e) Utility shall mean any public or private utility company, person, individual, firm, corporation, association, authority, partnership, commercial entity, consortium, joint venture, government entity or other legal entity, including, but not limited to telecommunication, cable, water, sewer, electric, gas, lighting and other fuel providers.

(e) Utility incident shall mean any event requiring an emergency response by the City of Madison Heights that involves any public or private utility property and requires the emergency responders to remain at the incident to protect the health, safety and welfare of the public until the utility responds to the incident and takes corrective measures.

Sec. 12-103. Cost recovery authorization.

(a) The City of Madison Heights shall be entitled to recover all assessable costs and expenses of response from a responsible party when emergency equipment, personnel or services are provided to persons or property in response to a request or report of the need for emergency equipment, personnel or services.

(b) When an emergency response by the City involves a utility incident and a necessary response by the associated utility company, the costs and expenses of response shall not be assessed for the first 1 (one) hour of response after notification by the City. The utility shall be responsible for all costs and expenses of response exceeding 1 (one) hour of response if no utility personnel have responded to the incident.

(c) Any costs and expenses of response collected pursuant to this Article shall be supplemental to other methods of financing emergency response, including but not limited to general fund appropriations, ad valorem taxation, grants and other sources permitted by law.

Sec. 12-104. Calculation of Costs.

The costs and expenses of response shall be calculated as follows:

(a) Equipment. The cost of the equipment shall be invoiced by the quarter (¼) hour, using the fully calculated formula of $1 (one) dollar per quarter (¼) hour for each $1000 (one thousand) dollars in value as established by each city department responding to an incident.

(b) Expendable Items. Actual replacement cost for reasonable and customary items necessary in making an emergency response.

(c) Personnel. The costs of personnel shall be commensurate with the established City FOIA rate and fringe benefits associated with each individual responder and shall be billed in quarter (¼) hour increments.

Sec. 12-105. Billing

(a) Once the amount of a responsible party's liability for the costs and expenses of response has been determined, that amount shall be billed to the responsible party by a department or agent of the City, as designated and provided in a resolution and contract approved by the City Council.

(b) When a particular emergency service directly benefits more than one responsible party, each responsible party so benefited shall be jointly and severally liable for the expense of the emergency response. For the purposes of an emergency response involving a motor vehicle, occupants other than the operator and the registered owner shall not be liable for the expense of the emergency response. For purposes of an emergency response involving real property, occupants other than the owner, lessor, lessee and operator shall not be liable for the expense of the emergency response.

(c) The costs and expenses of response shall constitute a debt of the responsible party and is collectible by the City in the same manner as in the case of an obligation under a contract, express or implied. If, in fact, the costs and expenses of response are recoverable under an insurance policy, it shall be the duty of the responsible party to notify the City within 30 (thirty) days of the incident of the name and address of the insurance company issuing the policy and the policy number.

CM-16-216. Mayor and Council - Comments.

Councilman Corbett complimented everyone involved in the Town Hall meeting held at Wilkinson, continuing that he thought it was a great meeting and an open and inclusive process. This was an opportunity to provide input in the process and although there is a great deal of energy in the current DDA, it is his opinion that the district should be amended and be expanded in the future. He thanked Mayor Hartwell and Mayor Pro Tem Bliss for their leadership and staff for their assistance in making the event a success.

Mayor Pro Tem Bliss noted that the City's annual goal session is coming up soon. During this process, we will be looking at short and long term goals, and one that he would like to suggest for consideration is the acquisition of land. As a body, we need to start looking at this as it pertains to parks. He noted that he is not necessarily looking to spend any money at this time, but wants to start looking at the goal so that when something may become available, there is a process in place. He stated that he is looking for input from the public, including where we should be looking. Please email or call him with any input and ideas. One specific advantage we have here in Madison Heights is the amount of quality parks that exist and he stated that he would like to further enhance the park system.

Councilman Gettings thanked Linda Williams, City staff, the Madison District School Board, and the DDA for hosting the Town Hall meeting. He noted that it was well attended and many good ideas came from the meeting.

City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

Councilman Clark had no comments this evening.

Councilman Soltis advised the audience that at the next City Council session a vote will be held on security fence for the Police Department. He encouraged the public to take a look in the neighborhoods to see how many fences exist within the City without you even noticing. He continued that the request has unanimous support from police staff and their support is a testament of what the police think they need. If you agree, please feel free to support the item at our next meeting.

Mayor Hartwell stated that he attended a Dream Cruise party hosted by the Senior Center and it was a great event. He thanked DDA for hosting the Town Hall event and all the stakeholders for their participation. He thanked City Council for assisting in and reaching out to the community and helping to work towards one of the City goals of reviewing and updating DDA plan.

CM-16-221. Presentation - Certificate of Appreciation – Lowe's Store Manager Rob Spudowski.

City Manager Myers read the following into the record:

CERTIFICATE OF APPRECIATION

WHEREAS, Madison Heights resident Frederick Huard, is an eight-year combat Vietnam War veteran who relies heavily on a motorized scooter for mobility; and,

WHEREAS, the Veteran's Administration does not supply veterans with portable handicap accessible ramps; and,

WHEREAS, the Madison Heights Lowes Home Improvement Store has a charity with a focus on United States Veterans; and,

WHEREAS, upon learning of Mr. Huard's needs and at the request of Councilman David Soltis, Store Manager Rob Spudowski of the Madison Heights Lowes store facilitated the donation and installation of a ten-foot portable aluminum ramp for Mr. Huard, valued at seven-hundred and thirty-eight dollars; and,

WHEREAS, The donated ramp is collapsible and light enough to carry, attaches to the porch, and features a winter tread for traction in any weather.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council extend their heartfelt thanks to Mr. Rob Spudowski and the Madison Heights Lowes Home Improvement Store for helping to increase the mobility, access, and safety of one of our cherished Veterans, and extends this certificate as a symbol of our appreciation for their civic minded contributions to the citizens of Madison Heights.

Mayor Hartwell presented the Certificate of Appreciation to Mr. Spudowski.

Police Chief Corey Haines introduced Police Reserve Officer Eric Kerr and reviewed his background and qualifications.

City Clerk Printz administered the Oath of Office to Reserve Police Officer Eric Kerr.

CM-16-223. Presentation - Resolution Commemorating September 11, 2001.

City Councilmember Soltis read the following resolution into the record:

RESOLUTION

WHEREAS, on September 11, 2001, terrorists hijacked four civilian aircraft, crashing two of them into the towers of the World Trade Center in New York City, a third into the Pentagon near Washington, DC, and a fourth was prevented from also being used as a weapon against America by brave passengers who placed their country above their own lives; and,

WHEREAS, thousands of innocent Americans were killed and injured as a result of these attacks, including the passengers and crew of the four aircraft, workers in the World Trade Center and in the Pentagon, rescue workers, and bystanders; and,

WHEREAS, fifteen years later the country continues to, and shall forever, mourn their tragic loss and honor their memory; and,

WHEREAS, these attacks destroyed both towers of the World Trade Center, as well as adjacent buildings, and seriously damaged the Pentagon; and,

WHEREAS, these attacks were by far the deadliest terrorist attacks ever launched against the United States, and, by targeting symbols of American strength and success, were intended to assail the principles, values, and freedoms of the United States and the American people, intimidate our Nation and weaken its resolve; and,

WHEREAS, memorials have been constructed to honor the victims of these attacks at the Pentagon, in Shanksville, Pennsylvania, and on the World Trade Center grounds, so that Americans and people from around the world can visit to mourn those lost and to pay tribute to the heroic action and sacrifice of those who have served our communities and our country in the years since the attacks; and,

WHEREAS, even after the fifteen years after September 11, 2001, the United States continues to fight terrorists and other extremists who threaten America and her friends and allies; and,

WHEREAS, the terrorist attacks that have occurred around the world since September 11, 2001, remind us of the hateful inhumanity of terrorism and the ongoing threat it poses to freedom, justice, and the rule of law; and,

WHEREAS, United States law enforcement and intelligence agencies and allies of the United States around the world have worked together to detect and disrupt terrorist networks and numerous terror plots since September 11, 2001, and have ensured that no attacks have been carried out on American soil since that day; and,

WHEREAS, the Nation is indebted to the brave military, intelligence, law enforcement, and civilian personnel serving in Afghanistan, Iraq, and elsewhere in advancement of United States national interests; and,

WHEREAS, thousands of families have lost loved ones in the defense of freedom and liberty against the tyranny of terror; and,

WHEREAS, the passage of fifteen years has not diminished the pain caused by the senseless loss of nearly 3,000 persons killed on September 11, 2001.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights:

(1) recognizes September 11th as a day of solemn commemoration;

(2) extends again its deepest sympathies to the thousands of innocent victims of the September 11, 2001 terrorist attacks, and to their families, friends, and loved ones;

(3) honors the heroism and the sacrifices of United States military and civilian personnel and their families who have sacrificed much, including their lives and health, in defense of their country;

(4) credits the heroism of first responders, law enforcement personnel, state and local officials, volunteers, and others who aided the victims of these attacks and, in so doing, bravely risked their own lives and long-term health;

(5) commends the military and intelligence personnel involved in the removal of Osama bin Laden; and,

(6) reaffirms that the American people will never forget the sacrifices made on September 11, 2001, and will never bow to terrorist demands.

CM-16-224. Business Licenses – Initial.

CM-16-225. Special Approval No. 16-06 – 1650 E. 12 Mile Road – Outdoor Seating at Existing Restaurant.

City Manager Myers reviewed the proposed Special Approval 16-06.

A public hearing was held at 7:46 p.m. to hear comments pertaining to proposed Special Approval 16-06, allowing outdoor seating at an existing restaurant.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:47 p.m.

Motion by Councilman Corbett, seconded by Councilwoman Scott:

WHEREAS, a Special Approval Board application has been received from Lawrence Bongiovanni requesting outdoor seating at 1650 E. 12 Mile Road in a B-1, Local Business District; and,

WHEREAS, a public hearing was published in the Madison Park News on August 24, 2016 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION:	1650 E. 12 Mile Road
REQUEST:	Special Approval to allow outside seating at a proposed restaurant under Section 10.319(4) of the Zoning Ordinance.
EXISTING ZONING:	B-1, Local Business
EXISTING USE:	Salvatore Scallopini

STAFF ANALYSIS:

1. Special Approval is required for outdoor seating at restaurants in the B-1 District. This location is currently being remodeled. As part of that remodeling, Salvatore Scallopini is now seeking outdoor seating for 8 patrons on a patio in front of the proposed facility.

2. Parking meets the minimum requirements of the Zoning Ordinance. Applicant proposes to share parking with the adjacent property to the east to provide 4 additional parking spaces (3 are required). This is permitted by the Zoning Ordinance.

3. Proposed Hours of Operation: Monday through Saturday: 11:00 am – 10:00 pm Sunday: 1:00 pm – 9:00 pm

4. The Site Plan Review Committee has reviewed the site plan and has no additional comments to address.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves outdoor seating in the B-1, Local Business District at 1650 E. 12 Mile Road.

CM-16-226. Special Approval No. 16-05 – 800 E. 14 Mile Road – Outdoor Sales of Pumpkins and Christmas Trees.

City Manager Myers reviewed the proposed Special Approval 16-05.

A public hearing was held at 7:47 p.m. to hear comments pertaining to proposed Special Approval 16-05, allowing outdoor sales of pumpkins and Christmas Trees in the M-1, Light Industrial District.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:48 p.m.

Motion by Councilwoman Scott, seconded by Councilman Soltis:

WHEREAS, a Special Approval Board application has been received from Mike Kanakrv requesting outdoor sales of pumpkins and Christmas trees in the M-1, Light Industrial District.

WHEREAS, a public hearing was published in the Madison Park News on August 24, 2016 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 800 E. 14 Mile Road

REQUEST: Special Approval to allow outdoor sales of pumpkins and Christmas Trees in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1, Light Industrial

EXISTING USE: Vacant Parking Lot

STAFF ANALYSIS:

1. Special Approval is required for outdoor sales in the M-1 District. This location is a vacant portion of the parking lot for the Shannon Precision Fastener. Applicant proposes to sell pumpkins, straw bales, cornstalks and Christmas trees from 9-15-16 to 12-20-16. A 1,800 sq. ft. tent is proposed and may be permitted as part of special approval.

2. Parking for the site exceeds the minimum requirements of the Zoning Ordinance.

3. Proposed Hours of Operation: Monday through Sunday: 8:00 am – 9:00 pm

4. The Site Plan Review Committee has reviewed the site plan and has no additional comments to address.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves outdoor sales of pumpkins and Christmas Trees in the M-1 District at 800 E. 14 Mile Road.

CM-16-227. Police Department Perimeter Fence

Police Officer and Police Officers Union President Ed Malak requested that Item D-1, Police Department Perimeter Fence, be moved forward on the agenda. There were no Council objections.

Motion by Councilman Soltis, seconded by Mayor Pro Tem Bliss, to approve a supplemental appropriation of $50,000 from the General Fund for the purchase and installation of a perimeter security fence around the rear (north) lot behind the Police Station., as follows:

General Fund		FY 2016-17 Adopted Budget	09-12-16 Amendment	FY 2016-17 Amended Budget
Expenditures				
101-301-9870-000	Improvements	$67,000	$50,000	$117,500
101-851-9100-000	Insurance and Bonds	$432,363	($50,000)	$382,363

Officer Malak noted that he was present with several of his colleagues and read a statement in support of the need to secure the rear police lot with a perimeter fence. He thanked City Manager Myers for presenting the item for City Council's consideration and to the City Council for considering the request.

Retired Police Officer and Crime Commission Chair Doug MacLean noted the Crime Commission's unanimous support of the perimeter fence.

Paul Sanders, 26433 Rialto, stated that the fence was a great idea for the safety of our officers and to protect the vehicles, quoting "good fences make good neighbors."

Johnnette Eggert, a 15-year resident, stated that she stands in support of our officers and believes that the fence is necessary.

Craig Brundage, 28549 Denise Street, spoke in support of the fence, noting that residents go to bed and lock up and secure their belongings and so should our police. Unfortunately, we are in a time where attacks and ambushes on police officers exist, and the fence is needed for security. While it won't be fail safe, it will act as a deterrent.

Councilman Clark explained that the fence appropriation should have been a budgeted item and should not have been added in the middle of the fiscal year. This is a $50,000 expenditure that wasn't planned. If the appropriation was spent on equipment to be used by officers that are on duty and on the road, he would not hesitate. Ambush is usually a well thought out plan and no fence will stop a calculated plan. He added that most ambushes are on the road, when an officer lets their guard down. By putting a fence up, we are showing ISIS or any other group that we are afraid of them and that is just what they want. He stated that he will reluctantly vote yes on the item, but it still should have been a budgeted item. He added that he had served as a Reserve Officer for 24 years, starting in the 1970s and has rode with every officer and understands what they are experiencing.

Councilman Corbett concurred with Councilman Clark's comments, adding that the problem is that the expenditure did not follow the established process. No one on Council, to his knowledge, ever opposed the fence, but it is a lot of money. What turned him from an "on the fence" to a yes vote is the present times we are living in. Society has gotten awfully aggressive towards officers, and he believes this is a reasonable step to take.

Councilman Gettings stated that the fence is a good idea; however, he hopes that Council does not get into a habit of bringing forth items for consideration that are not in the budget. In response to Councilman Gettings' question, Chief Haines stated that there may be safety issues with leaving the electronic fence open during the Festival in the Park.

Mayor Pro Tem Bliss stated that he believes this is how the system is designed to work. A need was identified and he appreciates staff finding savings in other places. The City budgets the best we can, but times do change. He also stated that he appreciates the time put into the budgeting process, but sometimes changes do need to be made. In response to Mayor Pro Tem Bliss's questions, Chief Haines stated that the perimeter fence is a top safety priority for staff. He continued that he sat down with Union representatives to discuss their top safety concerns, including securing the parking lot and purchasing bullet proof vests. All parties concurred that the perimeter fence was the most pressing need. Other cities are or have taken steps to help with securing parking areas for their officers including Royal Oak who are discussing underground parking in their new facility should their budget allow for it; Midland has a cement wall with gates; and the City of Warren uses an underground security garage.

Councilwoman Scott thanked the Police Department personnel for coming forward and letting City Council know their need. She stated that she considers this expenditure as an emergency, and Council does have the right to address emergency expenditures. To her knowledge, this is the first time that the police officers have come forward and told us of a specific need. She added that she trusts the Department Heads to communicate what their department's needs are. She concluded her comments by noting that she was moved by the petition and by the Crime Commission's support of the purchase.

Councilman Soltis stated that he appreciates all of the officers coming to the meeting today and he believes the fence is an important issue. He stated that he wants the security fence because the officers want it, and he noted that they know more about their needs than he ever will. He continued by stating that police officers put their lives on line every day when they come to work. They are here to protect and serve; they are the ones who see the worst in people. As a community, sometimes we really don't know who they are and we interact with them only if we are in trouble or are getting in trouble. They are just like us, they have family and friends, struggles and triumphs. At the end of the

day, they want what is best for the community that they serve and work in. He feels approving the purchase of the fence is something Council can do for them.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be holding a meeting on Tuesday, September 20, 2016 at 7:00 p.m. at Wilkinson Middle School. All are welcome. She also noted that the Cambridge East Nursing Home is looking for volunteers if anyone would be interested in volunteering.

Jo-Ann Sztaba, 113 W Dallas, stated that she has always had her street cleaned regularly, but hasn't seen DPS street cleaning for over a month. The City Manager confirmed that the City has an every-other week street cleaning policy and he will have staff respond to the issue.

Wayne Peters, property owner at 30223 Longfellow, stated that on behalf of his family, he would like to take the opportunity to thank City officials for listening and taking action to try to resolve the matter discussed at the Council meeting of August 9, 2016. His family appreciates the compassion, and he continued that we knew going into this, there would be no winners. We pray that the actions taken will help with the health and safety of all parties involved. He offered any assistance he can to help to achieve the best solution for all those involved.

CM-16-229. Jennifer DiPerna – Request to use Civic Center Park for Factor V Leiden Awareness Walk.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve the request from Jennifer DiPerna to use Civic Center Park and Pavilion C on Sunday, September 25, 2016 from 10:00 a.m. until 12:00 p.m. for the Awareness Walk for Factor V Leiden and to waive the associated fees; subject to compliance with the Council's Policy on Uniform Insurance Requirements for Special Events.

CM-16-246. Mayor and Council - Comments.

Councilman Corbett recognized and thanked the ongoing efforts of State Senator Vincent Gregory for his work in Lansing seeking alternative funding for the I-75 construction project. He stated that MDOT has floated an alternative to the 11 Mile Road exit design and Councilman Corbett expressed the need for the stakeholders to discuss the alternative plan further before any plans are finalized.

Mayor Pro Tem Bliss requested that staff policy be revised to include Enhanced Code Enforcement. He continued that while Code Enforcement efforts work in most situations, there may be a need for updated policy on frequent or repeat occurrences, with a defined way to address those situations. He encouraged residents to report any Code Enforcement issues that may be occurring in their neighborhoods.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

Deputy City Manager Marsh had no comments this evening.

City Clerk Printz stated that the deadline to register for the Presidential Election is October 11th. Anyone interested in registering can come to the City Clerk's Office or do so at any Secretary of State office. She also stated that anyone interested in obtaining an Absentee Ballot should contact the City Clerk's Office for an application.

Councilman Clark had no comments this evening.

Councilwoman Scott announced that on September 28th from 6 p.m. to 9 p.m. the Madison Heights Intermediate Women's Club is sponsoring an Honor Flight Michigan fundraiser at Wingstop located in Warren. The Nature Center Open House is on October 2nd from 12 p.m. to 4 p.m. and refreshments will be available, and the event is free. A Meet the Candidates forum will be held October 19th from 11:30 a.m. to 1:30 p.m. at the Lamphere Board offices. Lunch will also be available for a fee.

Councilman Soltis stated that he appreciates L. Brooks Patterson's position on taking a pause on refugees who may be coming into the State of Michigan. He noted that he is troubled that City Council does not have a say on this matter, and he is looking for more transparency and oversight on the refugee issue, and he believes refugees may be a security risk to our State. He also commented that he attended the funeral of the Detroit Police Officer Sergeant Ken Steil.

Councilman Clark concurred with Councilman Soltis's refugee comments, noting that while there appears to be funding set aside for the re-settling of refugees, there is no money for veterans.

Mayor Hartwell stated that the City of Madison Heights has always been a very welcoming community and it is remarkable to see the diversity within the City. Among other immigrants, we have a large Vietnamese population and many

Chaldean refugees from Iraq. He also stated that he appreciates the work of the City's Multicultural Relations Advisory Board.

CM-16-247. Adjournment.

There being no further business, the meeting was adjourned at 8:04 p.m.

CM-16-249. Presentation – Proclamation Recognizing Fire Prevention Week, October 9- 15, 2016.

City Manager Myers read the following proclamation into the record:

The City of Madison Heights Fire Prevention Week Proclamation

WHEREAS, the City of Madison Heights is committed to ensuring the safety and security of all those living in and visiting Madison Heights; and,

WHEREAS, fire is a serious public safety concern both locally and nationally, and homes are where people are at the greatest risk from fire; and,

WHEREAS, U.S. home fires resulted in 2,745 civilian deaths in 2014, representing the majority or 84 percent of all U.S. fire deaths; and,

WHEREAS, in one-fifth of all homes with smoke alarms, the smoke alarms are not working; and,

WHEREAS, working smoke alarms cut the risk of dying in reported home fires in half; and,

WHEREAS, all smoke alarms should checked yearly and be replaced at least once every ten years; and,

WHEREAS, the Madison Heights Fire Department is dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education.

NOW THEREFORE, BE IT RESOLVED, that City Council does hereby proclaim October 9-15, 2016, as Fire Prevention Week throughout the city and urges all residents to check their smoke alarms and replace them if they're more than 10 years old.

BE IT FURTHER RESOLVED, that all residents are encouraged to participate in the many fire safety activities being held during the Fire Department's open house on Saturday, October 15, 2016, from 10 am to 2pm.

Mayor Hartwell presented the proclamation to Fire Chief Greg Lelito.

CM-16-250. Business Licenses – Initial.

Motion by Councilman Clark, seconded by Councilman Gettings, to approve the business license applications from S & E Imports, a clothing shop, at 1460 E 12 Mile Road, and the temporary/seasonal business license application from Paul La Torre to operate a Christmas Tree Lot at 30728 John R Road; subject to approval by all City Departments and in compliance with all City Ordinances.

CM-16-251. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be holding a meeting on Tuesday, October 18, 2016 at 7:00 p.m. at Wilkinson Middle School. All are welcome. She also noted that they will be sponsoring an Ice Cream Kit Raffle. Anyone interested in participating can attend the meeting or submit a name on the group's Facebook page.

Courtney Protz-Sanders, 102 W. Guthrie, MI-PACA representative, addressed the shooting of a dog in the City stating that she wanted to bring the matter to the attention of City Council. She noted that residents are upset and have safety concerns.

Lauren Foster, 27382 Palmer, stated that she is the owner of the pet, Aurora, who was shot a week ago. While she was very excited to move to the City, this tragedy in her backyard has been unbelievable. She noted that she has recieved great support from the community and her neighbors. She does not understand how someone could shoot a non-threatening animal and have a gun pointed at herself in her own yard. She asked that something be done to help make them feel more welcome and safe in this community.

City Attorney Sherman advised that the matter was investigated by the Madison Heights Police Department and referred to the Oakland County Prosecutor's Office for further investigation. He stated that it would not be appropriate for City Council to comment on an ongoing investigation.

Merri Busch, 1117 E Hudson, addressed the City's goal setting process. She reviewed the City's demographics, praised the City's leadership, and stated that the City needs to be a bedroom community that people like to come home to; a city that is a business and resident oriented community. She suggested the following areas to focus on in the goals setting process: expanding the DDA, developing the City's brand, supporting job growth with a focus on high wage jobs, supporting quality of life issues such as parks and the library, revitalizing inactive boards such as the Environmental Citizens Committee, and using the City's website as a vehicle to donate to favorite City causes/events. She concluded by stating that she hopes City Council will develop goals that are a collaborative vision for the City of Madison Heights.

Michael Andring, 27382 Palmer Blvd., stated that he is Lauren's fiancé and they have received a ton of support from the community and wanted to bring awareness to the situation. He continued that they were advised by the Judge to approach the City to take action on lesser charges, such as discharging a firearm. Mayor Hartwell welcomed Mr. Andrig and Ms. Foster and stated the City has an open door policy on speaking with any member of Council, City

Attorney, or Administration. He continued that anytime a firearm is discharged in the community, it is a serious charge and that these types of incidents affect the entire city. As elected officials, the City Council's role is limited; however, Council members are animal advocates. He advised that due process needs to be applied and asked the City Attorney to explain what happens when a case goes to the County Prosecutor's office. In response to Mayor Hartwell's request, City Attorney Sherman explained that when an investigation is sent from Madison Heights Police Department, the County Prosecutor is not only looking at felony charges, but they are looking to enforce State law, including misdemeanor offenses. Mr. Andring stated that at the minimum tonight, they want to create awareness and he appreciates Council listening. City Attorney Sherman added that when all the pieces of evidence are examined, the Prosecutor will be the one to determine what, if any, charges may be brought. The City has no direct authority once turned over to Oakland County for a determination of charges. Mayor Hartwell commented that the City is limited on what we can enforce, as opposed to what can be enforced at the county level. In response to Councilwoman Scott's question, Mr. Andring stated Aurora has had her entire left arm removed but seems to be adapting to three-legged life. Going forward, Mayor Hartwell invited Mr. Andring, Ms. Foster, MI-PACA, and residents to advise Council on what policies or ordinances that may be needed to help prevent something like this in the future.

Dawn Clayton, 27267 Dartmouth, MI-PACA member, stated that we have to be careful as a city not to set a dangerous precedent by tolerating or condoning such behavior. Residents want to use the laws to act in a civilized manner to resolve our differences without the discharge of a firearm. MI-PACA works really hard in the City and we can't let this be seen as the image of Madison Heights and how we treat our animals.

Ashley Morris, Royal Oak resident and Lamphere Schools educator, stated that while she was not present during the incident and understands the City Attorney's statement, she wants to emphasize that City Council's power is not null and void. As she teaches her students, you do have influence and it is not negligible and we can do better. Discharging a firearm is a serious matter and should be investigated to its fullest, regardless of the outcome.

Vaughn Derderian, 655 W Girard, stated that neighbors worked at Gravel Park this past Sunday and planted trees. He stated that he has talked about new playscape for the park with the Mayor, and suggested that perhaps a grant from the State be used to fund the project. He continued by stating that a number of new homes have been built where young families now live, and the one thing we don't have at the park is a playscape. Although there are parks in the area, they are at a distance and a major road has to be crossed which creates a safety issue. This is a quality of life issue, and even a small

playscape would be used. He continued stating houses in neighborhoods with pocket parks have higher values. He noted that the Madison Heights Men's Club has been very supportive and there are also companies with charitable interest that are interested in the project. These resources may help to defray costs and the project will bring a lot of value to the neighborhood.

Nicole Dicicco, 28400 Palmer, stated she was speaking as a worried neighbor and she is concerned for her pet's safety. Our neighborhood has children playing and a stray bullet could have been devastating. She advocated for Animal rights, stating that all animals' rights matter.

Michael Sutton, Warren resident, stated he was a family member and commented that with the current state of the society as it relates to police shootings, pointing a weapon is serious and something has to be done.

CM-16-252. Resolution to Adopt Health Care Cost Sharing Model.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to adopt the Resolution to Adopt Health Care Cost Sharing Model as follows:

RESOLUTION TO ADOPT THE 80/20
COST SHARING MODEL AS SET FORTH IN PA 152

WHEREAS, PA 152, passed by the state Legislature, was designed to lessen the burden of employee healthcare costs on public employers;

WHEREAS, Communities are given three options for complying with the requirements of the Bill;

WHEREAS, those three options are as follows:

1) Apply the Hard Cap (capped dollar amount each government employer may pay towards an employee's healthcare costs), which for 2017 are as follows:

Single	$6,344.80
Couple	$13,268.93
Family	$17,304.02;

2) Adopt by majority vote the 80%/20% (employer/employee) cost-sharing model;

3) Opt out of the cost-sharing model by a super majority vote of five as set forth in the bill and revisit it prior to the next year.

WHEREAS, the City of Madison Heights has determined to adopt the 80%/20% (employer/employee) cost sharing model as its choice of compliance under PA 152;

NOW, THERFORE, BE IT RESOLVED, the Madison Heights City Council elects to comply with the requirements of the Publicly Funded Health Insurance Contribution Act by adopting the 80%/20% (employer/employee) cost sharing model set forth in PA 152.

CM-16-254. NexGen 911 Public Safety Answering Point Agreement Resolution.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Gettings, to adopt the following resolution approving the Information Technology-Public Safety Answering Point Agreement with Oakland County and authorize the City Manager and City Clerk to sign on behalf of the City.

INFORMATION TECHNOLOGY-PUBLIC SAFETY ANSWERING POINT AGREEMENT BETWEEN THE COUNTY OF OAKLAND AND THE CITY OF MADISON HEIGHTS RESOLUTION.

WHEREAS the Oakland County Board of Commissioners adopted the Final Amended 9-1-1 Service Plan for the County of Oakland pursuant to the Emergency 9-1-1 Service Enabling Act, Public Act 32 of 1986, MCL 484.110, under Miscellaneous Resolution 13-176; and

WHEREAS the 9-1-1 Service Plan for the County of Oakland identifies municipalities operating Public Safety Answering Points (PSAPs) under that Plan; and

WHEREAS Oakland County is developing a Next Generation 9-1-1 Emergency Services IP Network (ESInet) to replace the legacy copper 9-1-1 network in order to provide enhanced location accuracy of emergency callers and enhanced features and functionality for emergency call processing; and

WHEREAS the deployment of the ESInet and associated networked Call Processing Equipment (CPE) at the PSAPs will create new duties and responsibilities on the part of both the County and the PSAPs; and

WHEREAS Oakland County, including the Departments of Information Technology and Corporation Counsel along with the 9-1-1 Coordinator, developed an Agreement in conjunction with the Cities, Villages and Townships operating PSAPs which delineates the duties and responsibilities of all parties;

NOW THEREFORE BE IT RESOLVED that the City of Madison Heights City Council approves the attached Agreement with the County of Oakland and authorizes the City Manager and City Clerk to sign the agreement on behalf of the City of Madison Heights and to sign the contract with Emergency Call Works for the purchase and installation of the Next Generation 9-1-1 equipment.

Police Chief Haines explained that the new system will allow for *Text to 911*, *Videos to 911*, and instant typing for the hearing impaired. Currently our system's GPS capabilities will locate the caller within one hundred yards; the new system will locate the caller within three feet. He added that the City was able to sit down with contractors to address our needs with less expensive equipment which resulted in a cost savings.

CM-16-258. Mayor and Council - Comments.

Mayor Pro Tem Bliss thanked everyone who came out and spoke tonight. He stated that it was great to see so many people willing to speak before Council, and although Council can't say much on the matter, he wanted the audience to know Council is listening. He shared some of his ideas for the goal process, including establishing a formal process to identify parkland acquisition targets with the goal of small pocket parks in every neighborhood as well as fixing up those that already exist, continuation of seasonal portable bathrooms, creating a formal process for code enforcement that penalizes frequent offenders, increasing the number of city events, and a long-term goal of a splash pad in a City park. He stated that if any particular goal residents would like City Council to discuss, please contact or email us to tell us how we can best serve you.

Councilman Gettings commented that the meeting was very heartwarming; stating he was sorry for Aurora being shot and noting it was good to see the collaboration of the neighborhood on the issue.

City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

City Clerk Printz stated that the deadline to register for the Presidential Election is tomorrow, October 11th. Anyone interested in registering can come to the City Clerk's Office or do so at any Secretary of State office. She also stated that anyone interested in obtaining an Absentee Ballot should contact the City Clerk's Office for an application.

Councilman Clark stated that while he is 100% for parks, there was a crime committed in one of our neighborhoods and we need to use our budget and goal process for supporting our police and fire departments so that they have the tools and equipment needed to make our citizens and children as safe as possible.

Councilwoman Scott stated that last Saturday night there was a party for our retiring firefighters and a proclamation from City Council was presented to each one of them by Mayor Hartwell. She acknowledged Sergeant Paul Biliti for organizing the event which honored Michael Hoag, Shawn Knight, John Morgan, Tim Kennedy, Scott Brockmann, Dan Garvey, and Michael Stefanka who she stated are all wonderful public servants. She thanked them on behalf of the citizens and herself, and wished them the best on their retirements. She thanked the Madison Heights Men's Club for helping with the tree planting at Gravel Park along with Lowes and Home Depot for their tree donation. She announced that the Tree Lighting will be on November 28th at 6:30 p.m., prior to the City Council meeting. She reminded residents that there will only be one Council meeting in December, on the 12th. She encouraged everyone to exercise their right to vote and stated there will be a *Meet the Candidate* luncheon October 19th from 11 a.m. to 1:30 p.m. at the Lamphere Board offices. Please contact Jackie Owens at the Lamphere Administration building for more information. She stated that she has been attending SEMCOG meetings for several years and there are regional issues that have been discussed including K-12 education funding. She noted that from 2007 to 2012, Michigan expenditures on K-12 education dropped 10% and went from 8th in the nation to 25th. When you do go and vote, especially for your State representatives, please pay attention to what their focus is on education and how important it is to them, because it is so important to our city. She expressed her thanks to Ms. Foster for telling Council her story and wished Aurora good luck on her recovery.

Councilman Soltis thanked everyone for coming out and he stated that he appreciates their passion on the issue. He continued that the system does work, and when City Council is able to act, we do. He commented on the two police officers who were murdered in California, one a young mother and the other about to retire, stating that he is upset that there has not been more outrage.

Mayor Hartwell stated that he is pleased that residents came to address their City Council. This was not just a political issue, but rather a family and safety issue. He continued that City Council members are policy makers that work for the residents. All seven Council members will be willing to advance your position, but we must also support independent law enforcement and the prosecutorial process. He further stated that Ms. Busch challenged City Council to work as policy makers and be creative problem solvers. City Council is here to address and state our values that an illegal discharge of a firearm cannot be tolerated. He asked that MI-PACA, residents, and the family to work with City Council so that we can make differences. He concluded by thanking the residents for attending the City Council meeting and encouraged the continuation of dialogue.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
October 24, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, October 24, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Grochowski, and City Clerk Printz.

The invocation was offered by Councilwoman Scott followed by the Pledge of Allegiance to the Flag.

CM-16-263. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be holding a meeting on Tuesday, November 15, 2016 at 7:00 p.m. at Wilkinson Middle School. The group will be having an Ice Cream Kit raffle and all are welcome.

Jo-Ann Sztaba, 113 W. Dallas, stated that she is in favor of the portable bathrooms; however, she requested that when the grass is mowed, be sure to remove the cut grass from the area or it can create a smell. She also requested additional code enforcement in her area, and noted that DPS has taken good care of everything in her neighborhood.

Merri Busch, 1117 E. Hudson, commented about the connection between active boards and citizen input. She stated that she reviewed the boards and commission minutes, noting that she believes some are not updated, or are no longer relevant, and expressed that citizen boards need to be active. She offered ideas such as restructuring of committees, alternative meeting ideas, and the need to reactivate some dormant committees. She stated that it is City Council's responsibility to keep boards filled and active. She encouraged councilmembers to report on their committee meetings during their comments. Having citizen engagement in the goals and objectives of the City will add to the vibrancy, vitality and improved satisfaction with living in the city. She also suggested review of committee structures, city ordinances, and progress of committees. She concluded by stating that citizens need Council's support in getting involved. Knowing that citizen participation makes a real difference is what will have people show up at meetings.

CM-16-269. Ordinance No. 2117, Unattended Child in Motor Vehicle, First Reading.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Soltis, to adopt the proposed Ordinance No. 2117, Unattended Child in Motor Vehicle, on first reading by number and title only, as follows and, further, to request alternative language extending the age range in the definition of a child:

ORDINANCE NO. 2117

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by Amending Chapter 16, Article III, Sections 16-43 through 16-53, of the Code of Ordinances, City of Madison Heights, Michigan, to prohibit leaving a child unattended in a vehicle and to prescribe penalties.

Discussion followed on previous unattended child in a motor vehicle procedures under existing State law, improved efficiency in enforcement, age of minors under the ordinance as well as in the State law, the definition of unattended and risk of harm, officer discretion in assessing risk of harm, and penalty for subsequent offenses. In response to Councilwoman Scott's

question, Assistant City Attorney Grochowski stated that a minor is defined as a child less than six years of age and unattended means without supervision of someone 13 years or older.

CM-16-273. Mayor and Council - Comments.

Councilman Corbett encouraged everyone to exercise their democratic right to vote, and noted that regardless of where you are at and what you are thinking, go vote - many men and woman have fought to protect this right.

Mayor Pro Tem Bliss thanked the ITAC committee, and noted that since the board was established, the member positions have been filled. He added that the committee has done some great work and he is appreciative of their efforts. He continued by stating the City does have other open boards and commissions, so if you are willing to make an impact, find one that suits your needs and interests and apply.

Councilman Gettings remind everyone that November 28th is the Tree Lighting ceremony beginning at 6:30 p.m.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers stated that *Shop Small Saturday* is November 26th. This is a day to promote and encourage shopping at small, local, mom-and-pop businesses. More information can be obtained by calling the Chamber of Commerce at 248-542-5010 or the City's Community and Economic Engagement Supervisor, Linda Williams, at 248-583-0831.

City Clerk Printz stated that the Presidential Election will be held at all precinct locations in the City of Madison Heights. Polls will be open from 7 a.m. until 8 p.m. Information on your voting location can be located on the City's website. Please remember to bring your photo identification and patience. Expect long

lines and please treat our election workers with respect and understanding. They work a very long day, with little compensation to make sure the Election is run as efficiently as possible. The last day to request an absentee ballot by mail will be Saturday, November 5th. The City Clerk's office will be open on November 5th from 9 a.m. to 2 p.m. to accommodate any absentee requests. She also stated that anyone interested in obtaining an Absentee Ballot should contact the City Clerk's Office for an application.

Councilman Clark stated on November 9th at the Senior Center a Veteran's Day program will be held beginning at 11 a.m. Please RSVP to attend by November 4th. Activities include a flag folding ceremony, meal, music, and personal stories of veterans' experience. He commented on the beautiful new police vehicle the City recently purchased.

Councilwoman Scott thanked Michael Pietraszewski who has previously donated historical items and today donated old farm nails that were found on his property. This as well as the other donated items will be on display in the historical museum. She also thanked the Madison Heights Women's Intermediate Club who worked all year on their charity auction which was held last Saturday. Money raised is redistributed throughout the community. The highlight of the event was the auction of a lunch with Mayor Hartwell and Councilman Soltis, which raised $215; she thanked them for donating their time.

Councilman Soltis had no comments this evening.

Mayor Hartwell also recognized Michael Pietraszewski and shared that it was Mr. Pietraszewski's idea to repaint some of the City's fire hydrants. He noted that some volunteer groups have been located to assist with this task in the spring.

Special Meeting
Madison Heights City Council
Madison Heights, Michigan
November 1, 2016

A Special Meeting of the Madison Heights City Council was held on Tuesday, November 1, 2016 at 7:00 p.m. in the Red Oaks Youth Soccer Complex Meeting Room, 29601 John R Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott, and Soltis.

Also Present: City Manager Myers, Deputy City Manager Marsh, Community Development Director Schafer, Department of Public Services Director Vitali, Fire Chief Lelito, Library Director Yerman, Police Chief Haines, City Attorney Sherman, IT Provider James Blackburn (BPI), and City Clerk Printz.

CM-16-275. FY 2017-2018 Goal Plan

City Manager Myers opened the meeting with a presentation summarizing the City's Five-Year Financial Forecast and Mayor Hartwell led a discussion of the Goal Proposals for Fiscal Year 2017-2018. Discussion followed on the process of determining goal rankings and meeting again for re-evaluation of the rankings once more definitive financial figures are in place.

New Proposals – Over $30,000.

NEW PROPOSALS – OVER $30,000	
A.	Establish a Right of Way Tree Replacement Program
B.	Institute Document Scanning Program
C.	Reinstitute City-Funded Recreation and Community Events
D.	Reclassify and Equip the Fire Department's Front Line Fire Engines from a Basic Life Support (BLS) Response Vehicle to an Advanced Life Support (ALS) Response Vehicle
E.	Refurbish Police Department Gun Range
F.	Assign Police Officer to Troy Special Investigations Unit (SIU) & Backfill

G.	Investigate Options for Splash Pad
H.	Devise Strategy for Removal and Clean-Up of Former SOCCRA Incinerator
I.	Investigate Acquisition of Land for Pocket Parks in Underserved Areas
J.	Explore Options to Upgrade/Add/Replace Playscapes
K.	Devise Strategy for Enhanced Code Enforcement
L.	Convert Part-Time Recreation Coordinator Position to Full-Time
M.	Add Second Part-Time Recreation Coordinator Position (added at meeting)

Councilman Corbett noted that some goals have straightforward associated costs, while some have grey areas related to the costs, making it difficult, at times, to determine where a goal should be ranked.

In response to Council's questions, Chief Lelito stated that the advantages of the goal proposal of *Reclassifying and Equipping Fire Engines from Basic to Advance Life Support* include that the $80,000 price tag of heart monitors is a one-time cost and they typically last 8-10 years; it will equip engines with advanced heart support so that these procedures can be performed in the event an ambulance is not readily available and thus eliminates delay in treatment; and there are always two trained paramedics on engines and currently they do not have the equipment to perform critical lifesaving ALS procedures. He noted that ALS fire trucks would be available for use at all of the times. He added that while the City does have good mutual aid with surrounding cities, response delays still exist.

In response to Councilman Soltis's question, City Manager Myers stated that the goal proposal *Assign Police Officer to Troy Special Investigations Unit (SIU) & Backfill* is related to last year's goal and the assignment of one officer to the FBI's Violent Crimes Task Force. This would be an additional officer assigned to the Troy SIU. Chief Haines stated with our participation, there would be eight cities to participate in the SIU, so they are planning on splitting the unit into two enforcement groups to cover specific areas. The City is trying to work around $500,000 price tag of the City having our own Special Investigations Unit by using an alternative concept which would provide what we would have with our own unit, but it would be multi-jurisdictional.

In response to Councilman Soltis's questions, Chief Haines stated that the gun range is in rough shape. Currently we have to return the target manually and in the back of the range, there is a real possibility of a

ricochet. If we don't replace the range, we will have to outsource and use an outside range which creates manpower issues. A rough estimate of the cost of outsourcing is $40,600, with a large percentage of this cost created by overtime. Currently, we can use the range while officers are on duty. In addition to currently having to go outside for rifle training, we will have to pay outside trainers and work on their schedule. As for the existing range, none of the computer components work and they cannot be replaced or fixed due to age. Currently, we are trying to compensate manually, but the panels are damaged and a ricochet is a real potential problem. He added that there is a possibility for Royal Oak to utilize our range temporarily while their new facility is being built, and added the ventilation at the range is also a hazard.

Councilman Corbett stated that he agrees that the gun range is very badly needed. As for the *Assign Police Office to Troy Special Investigations Unit (SIU) & Backfill,* what kind of local support is needed to join? Chief Haines responded that there may be a potential cost of providing a backup car that is not factored into the presented cost because the vehicle is something that would be normally utilized in the line-of-duty. He added that City would also have the other jurisdictions in the task force to fall back on if we didn't have the manpower needed, but personnel and equipment are all factored into the cost. In response to Mayor Hartwell's question, Chief Haines stated that the FBI has been a great help to the City. They assist our detective bureau, we utilized their equipment, and they help us apprehend. The FBI opened an investigation into prostitution at local hotel and arrested 6 persons under federal charges. In response to Mayor Pro Tem Bliss's question, Chief Haines stated the Troy SIU will be multi-faceted; they focus currently on larceny, arm robbery, stolen vehicles, and home invasions, and whatever issues a department is experiencing will determine where their resources will focus. He noted that priorities are established by the current issues departments are facing, and most of these areas are interrelated and multi-jurisdictional.

Mayor Pro Tem Bliss addressed goal proposal *Explore Options to Upgrade-Add-Replace Playscapes* and stated that he believes that the City is undercutting our ability to pay for public safety by not making investments in parks. He stated that he is concerned from a long-term perspective, noting that we are a starter home community that can attract young families. In response to Mayor Pro Tem Bliss's questions, DPS Director Vitali stated that the newer playscapes at Hoffman, Civic, Monroe parks are designed to cater to the 2-5 year age range and the 5-12 year age range. Most of the new playscapes hit that mark. The playscapes at Wildwood, Edison, Exchange, or Gravel, are older playscapes that really are not catering to either group. Some of our playgrounds are over 20 years old. Upgrades have been part of the

Capital Improvement Plan, including Wildwood Park in the next two fiscal cycles. He cautioned that some of the newer playgrounds are approaching 10 years in age and will need to be updated as well. It is his hope that we can address the older playgrounds soon, and continue to plan for the new ones as they age. He also stated that the National Playground Safety Institute has revised and updated their safety rules and regulation over the years and the City inspects the playgrounds twice a year for safety. Mayor Pro Tem Bliss noted that he would like to keep in mind the needs of our park system, including upgrading of playscapes. He continued that splash pads so popular, safe, and good for young children. In both surveys the City put out, a splash pad was ranked the number one new item to add to our park system. He added that anyone can play on one, there are no barriers to entry, and the handicapped can play on them as well. In response to Mayor Pro Tem Bliss's question, DPS Director Vitali stated that in his preliminary review, there are some grant opportunities and added that he is trying to find a funding match for the Wildwood playground. He noted that he will continue to pursue funding through grant resources as well as other options. In his opinion, if he had to choose between a splash pad or new playgrounds, bringing current play structures up to compliance would be his priority; however, he will continue to watch for possible funding options for a splash pad.

Councilman Gettings asked the Council consider making the part-time position a full-time one in the Parks and Recreation Department and stated this department has an impact on people's lives and he urged them to keep an open mind.

In response to Councilman Solitis's question, City Manager Myers stated that the additional cost of making the existing position full time is $107,000. That is based on the pay grade currently in the union contract and includes benefits due to making the part-time position to full-time. Councilman Corbett added that this would also lead to additional programming costs. In response to Mayor Pro Tem Bliss's question, DPS Director Vitali stated that it is his opinion that making the position full-time would be prioritized above new playscapes. He noted that this would be a step in the right direction toward giving the community better recreational programming, and the position could work to increase programming, plan more city events, help to realign the senior center staffing, and allow for more time for the Recreation Coordinator to get out and communicate with coaches and staff. Deputy City Manager Marsh commented that while changing that position to full-time would only be 10 more work hours a week, perhaps an additional part-time employee for the department would be an option. She stated the cost of an additional part-time employee is approximately $30,000. On the positive side, City Manager Myers stated that an

additional part-time employee would increase the number of staff hours for recreation beyond that of one full-time position and provide for flexibility in scheduling. On the down side, DPS Director Vitali stated that it is difficult to keep the right people in the position when it is not full-time and there is also a potential for the Supervisors Union to object.

New Proposals - $2,000 - $29,999

NEW PROPOSALS- $2,000 - $29,999

o.	Retain and Expand Use of Portable Toilets in Parks
p.	Increase Number of City Events
q.	Modify Policy to Waive Resident Portion of EMS Transport Fee
r.	Record Audio/Video of All City Board Meetings for Future Playback

Councilman Soltis stated that the budget we will we have to work with is important to the decision making process. Councilman Corbett stated that the City needs to prioritize; however, he recognized that there may be significant funding issues. He continued that once Council has a prioritized list, then we can re-categorize the list based on financial figures.

Councilman Corbett addressed the *Modify Policy to Waive Resident Portion of the EMS Transport Fee* goal proposal. He stated that when the City adopted the ALS millage, the justification for it was it would provide residents with an ALS service. There were no mention of any additional costs that were to be billed should the service be utilized. He reviewed the billing process, noting that those who don't use the service are still paying and they should not have to pay again if they use it at a later date. According to Deputy City Manager Marsh, there is approximately $19,000 in fees that go uncollected annually. This is not considered revenue nor does it go to collections, so it is not considered bad debt, but the City does write it off. She noted that some money is collected when the City bills the resident and they subsequently forward the bill to their insurance company for payment. Chief Lelito commented that there may be other considerations when deciding who to waive, such as property tax verification. Mayor Pro Tem Bliss noted that there may be some saving of staff resources from not billing.

In response to Mayor Hartwell's question regarding the *Adding Public and Private Dashboard Information Management Tool*, Mayor Pro Tem Bliss stated that the City does have internal budget measures, but the biggest benefit lies in a real-time dashboard is that it is always active, and decisions can be based on real time facts and figures. A specific example would be overtime or usage of the park system.

In response to Councilman Corbett's question, Library Director Yerman stated that most library goals fall under the Consent category; however, there is a need for a specific footprint for a young adult space and the Library Board would like to hire a design firm. In response to Mayor Hartwell's question, Library Director Yerman stated the vision does not necessarily require an expansion, but there is a need to have someone familiar with library design to work on creating and recommending the space. She stated the Library may have space in the existing physical footprint and there is a need to offer additional programming and space for this population. In response to City Manager Myers's question, Library Director Yerman stated that while the Breckinridge Room is a popular meeting space, it certainly can be looked at for potential use for this purpose.

Mayor Pro Tem Bliss stated that he would like to see the *Retain and Expand Use of Portable Toilets in Parks* goal adopted. He stated that the bathrooms are not a year-long expense and really only a seasonal item. He continued that he believes it valuable and would like to see the usage expanded. He also stated that he would also like to keep the indoor restrooms open at peak times as well and, perhaps, expand the temporary bathrooms to temporary semi-permanent structures in the future. DPS Director Vitali stated that restrooms are only open when staff is on duty or for a pavilion rental, and is dependent upon the Park Ranger schedule. Councilman Corbett commented there is also a public safety issue with unmonitored restrooms. Mayor Pro Tem Bliss requested that the open hours be posted and that they remain open, specifically during peak times.

Discussion followed on the *Reinstitute Grants to Outside Agencies* goal proposal. Councilman Corbett stated that agencies that received grants in the past all have their own history and it was a painful budget cut. These are real people and circumstances. Mayor Hartwell noted that the agencies had to provide one thing of value in return to the City. Deputy City Manager Marsh advised that should this be reinstated, there would have to be clear guidelines because the City is not allowed to donate tax-payer money to a charity. Mayor Hartwell stated that should this be adopted, perhaps one-time grants may be considered when creating the guidelines.

New Proposals – Under $1,999 and Budget Measures.

NEW PROPOSALS – UNDER $1,999 AND BUDGET MEASURES	
AA.	Offer A Building Department "How To" Seminar – Decks 101

NN.	Partner with Chamber of Commerce and Michigan Manufacturing Association to Offer Periodic Collaborative Meeting
OO.	Devise a Formal Strategy for Acquisition of Park Property
PP.	Analyze and Submit a Proposal for an MEDC/Patronicity Placemaking Grant
QQ.	Promote Heritage Room Utilization

City Manager Myers advised that the Consent Budget Items are low or no cost concepts that staff would like to move forward on and are innovative in nature.

Councilman Soltis noted that there was a negligible cost to the *Partnering with Chamber of Commerce and the Michigan Manufacturing Association to Offer Periodic Collaborative Meeting* consent goal proposal and he believes it would be worthwhile pursuing.

Discussion followed on the procedure for goal ranking and it was the consensus to rank all of the goals rather than the top five. In a forthcoming goal meeting, there will be a better idea of what funds are available to use towards the goals. It was also the consensus to add to the goals item M. *Add Second Part-Time Recreation Coordinator Position* to the ranking list.

City Manager Myers responded to Councilman Soltis's question stating that the difference between the budgeted CIP (Capital Improvement Plan) and budget goals is that goals costing over $30,000 are a subset of the CIP.

CM-16-276. Adjournment.

Mayor Hartwell and City Council thanked City staff for attending and for their valuable input in the process.

There being no further business, Mayor Hartwell adjourned the meeting at 9:17 p.m.

Motion Carried

CM-16-284. Ordinance No. 2115 – Business License Ordinance Amendment – Second Reading.

Motion by Councilwoman Scott, seconded by Councilman Gettings, to adopt Ordinance No. 2115 on second reading as follows, and further, to request a monthly report to City Council from staff on all business licenses issued.

ORDINANCE NO. 2115

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by Amending various Sections of Chapter 7, of the Code of Ordinances, City of Madison Heights, Michigan, to regulate the application, approval, denial and revocation of business licenses with in the city to provide a means for the city to promote, protect and safeguard the public health, safety and welfare of its citizens and to enable the city to keep accurate records of retail and service businesses within the city.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That the following Sections of Chapter 7, of the Code of Ordinances, City of Madison Heights, Michigan, are hereby amended to read as follows:

Sec. 7-1. Definitions.

The following words and phrases when used in this chapter are defined as follows:

Accessory use is a use, under the same ownership and in the same location, and incidental and subordinate to the permitted principal use of a building.

Commercial establishment shall include food establishments, retail sales establishments and service establishments.

Floor area is the sum total of the gross floor area of all of the inhabitable floors of a building and its accessory structures measured in square feet from the exterior faces of the exterior walls or from the center line of party walls separating two buildings or business establishments on each of the respective floors and shall include any basement floor. In computing such floor area, there shall not be included any open area devoted to vehicular parking or interior or exterior loading docks.

Food establishment is a building or premises, or a portion thereof, the principal use of which is devoted to the sale, dispensing, distribution, serving or storage of food, foodstuff or drink for consumption on or off the premises or in or out of the building.

Highway, street, alley, sidewalk, public areas, together or separately, shall mean any highway, street, alley or sidewalk, whether on public or private property, which is used by the public for the purpose of vehicular or pedestrian traffic, vehicular ingress and egress or the parking of motor vehicles and shall include the area between the public street and the property line and any public sidewalk.

Measured area shall be expressed in square feet shall be rounded to the nearest square foot.

Non-commercial includes, but is not limited to, activities considered to be for charitable, religious, civic, educational or philanthropic purposes.

Operation of a business for the purpose of this article, shall include, but not be limited to, an exchange of money, credit, property, financial assistance, or other thing of value or any part thereof, including bartering, for any service, assistance, advise, labor or for any goods, wares or merchandise including food items whether for a commercial or a noncommercial purpose.

Owner is any individual, firm, association, partnership, corporation, trust or any other person or legal entity having a proprietary interest in the business.

Retail sales establishment is a building or premises, or a portion thereof, the use of which is retail or wholesale sale or distribution of food, materials, goods, wares, merchandise to the general public.

Service establishment is a building or premises, or a portion thereof, the use of which is the rendering of personal or material services for profit, either in their place of business or as a service outside their place of business; such as, but not limited to; hair and nail salons and barber shops; servicing or washing motor vehicles and equipment; dry cleaning and tailoring; servicing or repair of buildings and electrical, mechanical or plumbing equipment; printing, blueprinting, photocopying, duplicating or similar reproduction services; a hotel, motel, or similar housing facilities for transient guests or persons; insurance, unchartered financial institutions including any form of loan or check cashing; and instruction, training, participation in or presentation of the fine arts, athletic skills, dexterity or physical skills. This definition shall not include:

(a) Medical practitioners licensed by the State of Michigan Board of Medicine.

(b) Banks and financial institutions who are chartered by, or whose deposits are guaranteed by, an agency of the Federal Government.

Sec. 7-21. - Application; contents under oath; approval by city clerk.

(a) Each person required to obtain a license from the city shall make application for said license to the city clerk in the form and manner prescribed by him/her and shall state under oath such facts as may be required for, or applicable to, the granting of such license, including the following:

(1) The full name, business address, residence address, phone number, date of birth and drivers license or state identification card number of all owners of applicant's business.

If the applicant is a corporation the name, home and business address, and phone numbers of each officer and the registered agent. In addition the corporation shall submit the date of birth and drivers license or state identification card number for the chief executive officer and the registered agent.

(2) The full legal business name and the location in the city where the applicant proposes to maintain the applicant's business and the hours during which such business is proposed to be conducted.

(3) The nature and kind of business that the applicant proposes to conduct and the type of goods, wares, merchandise or services to be sold, offered for sale or otherwise provided by the applicant.

(4) A list of all assumed names under which applicant intends to do business.

(5) Whether or not the applicant or person conducting or managing the applicant's business has been convicted of a crime, misdemeanor or the violation of any municipal ordinance, and if so, full particulars in connection therewith.

(6) A signed approval and any required fees for a background check; and the application fee as provided in section 7-24

(b) When approvals have been received from the police, fire, community development, treasurer's department, the county health officer and all other required agencies, where applicable, a business license shall be issued by the city clerk. The applicant shall not open the establishment to the public prior to the issuance of a business license.

(c) In the event that an initial application is denied by a department based on grounds for denial contained in sections 7-23, 7-27 or 7-32, the clerk shall notify the applicant of the denial and advise the applicant of the right to appeal pursuant to section 7-33.

Sec. 7-22. - Terms; nontransferable to new location; collection of fees; no refund.

(a) All retail and service businesses in the city shall file with the city clerk an application for a license, or renewal of an existing license, to operate such retail or service business in the city on or before January 1st of each year or at such time as the business desires to commence operation in the city. Application forms for such licenses shall be made available by the city clerk. Subject to the terms and provisions of this article, all licenses shall be issued for a maximum of one year and shall expire at 11:59 p.m. on December 31st of the year issued, unless a different date or period of time is designated by the city clerk, in which case the date will be listed as the expiration date of the business license by the city clerk. If the license is an annual business license, it shall begin on January 1st of the year for which a license is issued and shall terminate on December 31st of the same year. All fees shall be paid in full prior to the issuance of a license. Applicants submitting renewal applications after January 31st shall pay a late fee in addition to the application fee. The late fee shall be set by resolution of council.

(b) Retail and service businesses or activities which are temporary or seasonal in nature shall be required to complete an application for submission to the

city clerk containing the specific dates, times and consecutive periods of time such activities are proposed to be conducted. The application must contain a site plan for the proposed location. The site plan shall indicate building locations, parking areas, sidewalk areas, fences, landscaped areas, driveways and the specific areas outside of a building where proposed business activities are to be conducted. Applications will not be accepted that include activity dates that extend beyond a one year period from the application date.

(c) The required fee for each license shall be paid in full at the time of the submission of an application. No rebate or refund shall be made of any license fee or part thereof by reason of the death of the licensee or by reason of denial of the application, nonuse of the license or discontinuance of the operation of the retail or service business establishment. In the event the retail or service business moves its place of operation from one location in the city to another location in the city, a new license and fee shall be required for the new location in accordance with the terms and provisions of this article.

Sec. 7-23. - Conditions for issuance.

(a) No license required by this article shall be issued to any applicant until such applicant has complied with all the provisions of this Code applicable to the type of business for which application for license is made.

(b) No temporary or seasonal license shall be issued unless a site plan is submitted for the proposed location. The site plan shall indicate building locations, parking areas, sidewalk areas, fences, landscaped areas, driveways and the specific areas outside of a building where proposed business activities are to be conducted.

The community development department and the fire department shall review and approve the site plan before the application is submitted to the city clerk. The departments may, at their discretion, require changes to the site plan and that certain conditions or requirements be placed on the granting of a license. In rendering a decision as to any condition or requirement, the departments and city clerk shall take into consideration the health, safety and welfare of the public, including, but not limited to, such factors as the nature and intensity of the business or activity and its affect on the surrounding neighborhood; the effect of the business or activity on pedestrians or vehicular traffic, such as interference with ingress and egress or whether the business or activity causes obstructions to the flow of traffic or creates any other hazard, and whether such business or activity is offensive or hazardous at the specific location on the premises.

(c) No license shall be issued prior to approval of the fire department, police department, treasurer, community development department, the county health officer, and all other required agencies, where applicable.

Sec. 7-24. - Fees and exemptions.

(a) The city council shall establish business license fees by resolution. All fees shall be paid in full prior to the issuance of a license.

(b) No business license fee shall be required from any person exempt from payment of the fee by state or federal law. Such persons shall comply with all other provisions of this article. The city clerk shall, in all such cases, designate on the license the fee exemption and the reason therefore.

(c) The city manager may, upon written request, waive a business license fee if it is determined that the business being conducted is for a charitable, religious, civic, educational or philanthropic purpose.

Sec. 7-27. - Grounds for denial.

(a) *Grounds for mandatory denial.* No license for the operation of a retail or service business establishment in the city shall be issued if any department of the city determines that one or more of the following conditions exists:

(1) The building or premises of the business does not comply with the provisions in terms of property maintenance code, zoning ordinance, fire regulations, health regulations or any other ordinances and regulations of the city.

(2) The building or premises of the business are in such unsanitary or unsafe condition as to endanger the public safety, health and welfare.

(3) The business activities or premises would be in violation of federal law, state law or local ordinance.

(4) The owner of the retail or service business establishment or such legal entity compromising the retail or service business establishment has unpaid real or personal property taxes or special assessments due to the city, or is otherwise indebted to the city.

(b) *Grounds for permissive denial, suspension or revocation.* The police department or city clerk may deny, suspend or revoke a business license if any of the following conditions exist. Applicants may appeal such denial pursuant to section 7-33.

(1) The applicant, if an individual, or any of the stockholders; or any of the officers or directors, if the applicant is a corporation; or any of the partners, including limited partners, if the applicant is a partnership; or the holder of any lien, of any nature, upon the business; and the manager or other person principally in charge of the operation of the business, have been convicted of any of the following offenses:

a. An offense involving the use of force and violence upon a person.

b. An offense involving sexual misconduct, including, but not limited to, criminal sexual conduct, prostitution, and indecent exposure.

c. An offense involving narcotics, dangerous drugs or dangerous weapons.

d. An offense involving disorderly conduct related to sexual conduct.

e. An offense involving ordinance violations related to improper business activity.

(2) Any cause listed in section 7-32 of this article.

(c) Retail or service businesses shall not be permitted within a residential district unless the use is in compliance with the provisions and terms of the Madison Heights Municipal Code and Zoning Ordinance.

Sec. 7-28. - Building enclosure of goods, wares and merchandise including food items.

(a) Unless approved by the city clerk as part of a temporary or seasonal business license or by a special use approval, the outdoor sale, display or storage of any goods or materials, including food, is hereby expressly prohibited, except for those items which are permitted to be stored outdoors in compliance with the Madison Heights Code of Ordinances and Zoning Ordinance.

(b) The city clerk may, upon application for a temporary or seasonal business license, approve the outdoor sale or display if such activity is of a limited duration, such as, but not limited to, a sidewalk sale or seasonal sale, or if such activity is conducted for a charitable, religious, civic, educational or philanthropic purpose but only if the applicant and its membership are conducting the activity without the assistance of professional solicitors or promoters. Any activities approved under this provision shall comply with the other requirements of this article. The city clerk shall set the specific dates and times for the activities and may limit the number of consecutive days for such activities. This provision shall not supersede special approvals by city council under the zoning ordinance that allow the outdoor sale and display of goods, wares or merchandise, or the consumption of food in connection with restaurants or food establishments.

Sec. 7-31. - Annual renewal for full-time, permanent licenses.

Unless otherwise provided in this article, an application for renewal of a current permanent license shall be approved by the city clerk provided that:

(1) There are no unpaid real or personal property taxes, water bills, or special assessments due to the city.

(2) The applicant is not otherwise indebted to the city.

(3) A valid certificate of occupancy is in effect for the building occupied by the business.

(4) Where required, the business is in full compliance with Article VII and Article XII of this chapter.

Sec. 7-32. - Cause for denial, non-renewal, suspension or revocation.

Any license issued under this chapter may be initially denied, denied renewal, suspended or revoked by a city department for the following reasons:

(1) Fraud, misrepresentation, false statement, or withholding of information contained in the application for license;

(2) Fraud, misrepresentation, false statement or withholding of information made in the operation of a business;

(3) Violations of federal law, state law or local ordinances;

(4) Failure to comply with all conditions, standards, plans or agreements entered into, or imposed by the city, in connection with the issuance or continuance of the license, or failure to comply with all agreements or judgments entered into subsequent to the issuance of the license;

(5) Existence of any conditions listed under section 7-27

(6) Maintenance of a nuisance upon, or in connection with, the licensed premises including, but not limited to, any of the following:

a. The property is in violation of the building, electrical, mechanical, plumbing, zoning, health, fire prevention, property maintenance or other applicable regulatory codes;

b. A pattern of patron conduct in the neighborhood of the licensed premises that is in violation of the law or disturbs the peace, order and tranquility of the neighborhood;

c. Failure to maintain the grounds and exterior of the licensed premises, including litter, debris or refuse blowing or being deposited upon adjoining properties;

d. Activity on the licensed premises that disturbs the peace, order and tranquility in the neighborhood of the licensed premises;

e. Any advertising, promotion or activity in connection with the licensed premises which by its nature causes, creates or contributes to disorder, disobedience to rules, ordinances or laws, or contributes to the disruption of normal activity of those in the neighborhood of the licensed premises.

(7) Failure by the licensee to permit the inspection of the licensed premises by the city's agents or employees in connection with the enforcement of this section.

(8) Failure by the licensee to report any change in location, use, ownership or occupancy of the licensed business.

(9) In addition to the foregoing provisions, a hearing officer appointed by city council, may deny renewal, suspend or revoke a license or permit based upon the following considerations:

a. The license renewal was subject to applicable provisions of existing policy for new license applicants and licensee or permittee failed to comply.

b. The licensee or permittee has failed to comply with all conditions, standards and plans established and approved at the time of issuance or renewal as required.

c. Tax considerations:

1. All licensees owning the property in which their business is located shall be held responsible for paying all real property taxes, personal property taxes and other bills due the city arising from their use and occupancy by their due dates each year.

2. All licensees renting or leasing the property in which their business is located shall be responsible for paying all personal property taxes and other bills due to the city arising from their use of that property by their due dates each year.

Sec. 7-33. - Procedure for appeal.

(a) *Notice.* Any applicant who is denied an initial or renewal license, or has a license suspended or revoked, shall be entitled to a hearing before a hearing officer, appointed by city council, to determine if grounds for denial, non-renewal, suspension or revocation exist under sections 7-27 or 7-32. Such appeal shall be taken by the applicant or licensee within 21 days of written notice by the city of denial, nonrenewal, suspension or revocation. Such appeal shall be made in writing by the applicant or licensee and shall state the reasons for the appeal. The hearing shall be held within 30 days of receiving an appeal by an applicant or licensee. Notice of the hearing shall be in writing and served at least ten days prior to the date of hearing by serving the person in charge of the business establishment by first class mail at the address on the license or application. The notice shall state as follows:

(1) The date, time and place of hearing.

(2) Notice of the proposed action.

(3) Reasons for the proposed action.

(4) A statement that the licensee may appear and present evidence on their behalf and has the right to be represented by legal counsel.

(b) *Hearing procedure.*

(1) The hearing officer appointed by city council shall conduct the hearing, which shall be open to the public.

(2) The city, its attorney or representative shall be allowed to present evidence, extrinsic or otherwise, and testimony in support of the denial, revocation, suspension, or non-renewal.

(3) The applicant or licensee shall be entitled to present evidence, testimony and cross-examine any witnesses.

(4) The hearing shall be informal in nature, hearsay shall be allowed and the Michigan Rules of Evidence do not apply to these hearings.

(5) The standard of proof shall be by a preponderance of the evidence.

(c) *Opinion and appeal.* Within 14 days of the hearing, the hearing officer shall provide the city and the applicant a written opinion approving the business license, subject to city council approval, or upholding the denial, non-renewal, suspension or revocation of the license, which shall contain findings of fact and the rationale therefore. The hearing officer may attach any reasonable conditions in the approval of an appeal from a business license denial or revocation. The business license applicant or business owner may appeal the decision of the hearing officer to the Oakland County Circuit Court within 21 days after the date of the written opinion of denial, non-renewal, suspension, or revocation.

SECTION 2. Repealer.

All ordinances, or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

SECTION 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and between the hours of 12:30 p.m. and 4:30 p.m. on regular business days.

Councilwoman Scott stated that while license applications will be reviewed administratively as usual, she would like to be kept informed of the licenses issued on a regular basis. Councilman Corbett noted that he appreciated the second option submitted by staff, but it is his preference to maintain the status quo business licensing process. Mayor Pro Tem Bliss concurred on Councilman Corbett's position, noting he would still like an alternative that would allow Council to keep a veto power, yet streamline the process. He also stated that he supported the monthly reports should the ordinance be adopted. Mayor Hartwell stated that he is balancing businesses interests versus oversight, but he is satisfied that every business gets reviewed adequately.

CM-16-289. Mayor and Council - Comments.

Councilman Corbett stated that before the City Council meets again, we will be having Thanksgiving and the Goodfellows will be out fundraising for *No Child Without A Christmas* on the following Saturday. He continued that volunteers are needed and will be meeting at the Venetian Club on Saturday, November 26th and working from 9 a.m. to approximately 2:00 p.m. Our Tree Lighting Ceremony is on November 28th, and in conjunction, the Goodfellows will also be having a canned food drive. Any can goods that you can donate would be appreciated. He wished everyone a Happy Thanksgiving.

Mayor Pro Tem Bliss stated that the audit report from Plante Moran demonstrates how well we as a City navigate the financial terrain. He congratulated Council and especially staff for their hard work and for being able to navigate in such a way that our fund balances are growing and we have an increase in funding for public safety. This report gave our City very high marks and he commended everyone involved. He acknowledged Mayor Hartwell along with the Lamphere High School students for raking leaves at the homes of senior citizens who are unable to do so themselves.

Councilman Gettings acknowledged the Finance Department and City staff for their great work on the audit. He continued that he is proud to sit on this City Council because staff makes our job easy. Thank you for the work you do every day.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers recognized the Finance staff for their work on the audit. He congratulated Economic Development and Community Engagement Supervisor Linda Williams on her efforts to help the City receive the University of Michigan-Dearborn I-Lab's *E-Cities 5-Star Award*, noting that to be recognized every year since 2010 as well as receiving the Best Practices Community recognition for three consecutive years, says something about our commitment to economic development, maintaining relationships with the business community, and how we, as a city, value entrepreneurship and success in Madison Heights. He also wished everyone a Happy Thanksgiving.

City Clerk Printz thanked all of the election workers and student workers who were in the trenches on Election Day for helping to facilitate the successful administration of the November 8th Presidential Election. She also thanked the City's Department of Public Services, Police and Fire Departments and the City

Clerk's staff for their assistance in helping make sure the day went as smoothly as possible for the citizens.

Councilman Clark stated that on Wednesday, November 9th, the Senior Center hosted the Veteran's Day program. The event was a success and all that attended were honored and recognized. He thanked staff for their work in putting together the successful event. He stated that he, along with Councilman Soltis, are requesting that the City adopt a proclamation at the next Council meet which would make the *City a Purple Heart City*. He added that he is looking for a resident that is a Purple Heart recipient to assist in the facilitation of this designation. If you or anyone you know would be interested in helping, please contact city hall. He apologized to any residents he may have offended when referencing veterans using the male pronoun when he previously spoke of the Veteran's Day event. He stated that the invitation was for all, and noted that he has great respect for all veterans.

Councilwoman Scott stated that she knows in her heart that Councilman Clark meant every veteran when he invited veterans to participate in the Veteran's Day event. She thanked the City Clerk for her work on the election and thanked the 63% of the registered voters that turned out to vote. She congratulated Gary McGillivray on his re-election, along with Christin Cole, Bill Pittman, Mark Kimble, and Donald Brecht on their election to the Madison District School Board and Anthony Austin and Paul Cavanaugh to the Lamphere School District Board. In response to her inquiry, City Clerk Printz responded that Ryan McCann was a certified write-in candidate for the Lamphere School District Board and that he did receive votes; however, until the Oakland County Board of Canvassers certified the election, she could not report on whether he was elected. Councilwoman Scott stated the Tree Lighting would take place prior to the next City Council meeting on November 28th and the Page Middle School band and choir will be the entertainment. The event begins at 6:30 p.m. She announced a Spaghetti Dinner Fundraiser for the Goodfellows for their 14th Annual *No Child Without A Christmas* on November 26th, starting at 3 p.m. at Augies Bar and Grill. There will be dessert, hot chocolate, along with Santa and the cost is $10. She thanked the Mayor and all the students that participated in the leaf raking for seniors and the physically challenged. She thanked Madison Heights Community Coalition and all the people who participated in this event, including our Mayor, former Fire Chief Jim Martin, and all the children and grandparents who got involved.

Councilman Soltis stated that he felt compelled to comment, despite being a non-partisan elected official, on the Presidential Election. He referenced Slate magazine's correspondent, Jamelle Bouie, who has written articles after the election that focus on race. He referenced his article titled "White Won" noting that he agrees with the writing in the article. He commented that when he took his sons to Washington DC this past year, they visited the Martin Luther

King and the Holocaust memorials, both of which were spectacular. They each had inspirational quotes that are pertinent, and he stated that he tries to follow these quotes as his personal mantra. The first is from a Lutheran minister during the Nazi regime and the second a quote on the Martin Luther King memorial and he read both quotes.

Mayor Hartwell thanked Councilman Soltis for his comments, noting that while this is a non-partisan body, we do still have opinions. While Donald Trump will be our president and the Republicans will lead for at least the next two years - including in the State of Michigan - as local leaders we need to remind our state leaders and our federal officials that there are many issues that need addressing including our schools, infrastructure, higher education, and that our seniors need help. The Madison Heights Community Coalition raking event was neighbors being kind to each other, and there is hope in that. Perhaps we can make the community a better place through our actions and deeds. He also asked for a report from DTE on the status of their progress to help lessen the impact on power outages in the City.

CM-16-290. Adjournment.

There being no further business, the meeting was adjourned at 9:05 p.m.

CM-16-292. Presentation – Purple Heart City Proclamation.

City Manager Myers read the following proclamation into the record:

PROCLAMATION
CITY OF MADISON HEIGHTS, MICHIGAN
~ A PURPLE HEART CITY ~

WHEREAS, the people of the City of Madison Heights have great admiration and the utmost gratitude for all the men and women who have selflessly served their country and this community in the Armed Forces; and,

WHEREAS, veterans have paid the high price of freedom by leaving their families and communities and placing themselves in harm's way for the good of all; and,

WHEREAS, the contributions and sacrifices of the men and women from Madison Heights who served in the Armed Forces have been vital in maintaining the freedoms and way of life enjoyed by our citizens; and,

WHEREAS, many men and women in uniform have given their lives while serving in the Armed Forces; and,

WHEREAS, many citizens of our community have earned the Purple Heart Medal as a result of being wounded while engaged in combat with an enemy force, construed as a singularly meritorious act of essential service; and,

WHEREAS, November 28, 2016 has officially been designated as the day in Madison Heights to remember and recognize veterans who are recipients of the Purple Heart Medal.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Madison Heights, Michigan, hereby proclaims Madison Heights as a Purple Heart City, honoring the service and sacrifice of our nation's men and women in uniform wounded or killed by the enemy while serving to protect the freedoms enjoyed by all Americans.

Mayor Hartwell presented the proclamation to Councilman Clark and Councilman Soltis, who proposed this idea, and requested a fitting place to display the proclamation to honor those veterans.

Councilwoman Scott suggested that the proclamation be placed on the wall of heroes that will be installed in the hallway of the Heritage Room Museum.

CM-16-293. Meeting Open to the Public.

Jack Lloyd, resident of Hazel Park, congratulated the Council on the Tree Lighting Ceremony and also wished everyone a safe and happy Holiday.

CM-16-297. Mayor and Council - Comments.

Councilman Corbett thanked the community for its support of the Goodfellows this past weekend. The funds raised will be used by the volunteers this coming weekend to fill the orders on behalf of Santa for the young people receiving assistance this season.

Mayor Pro Tem Bliss thanked everyone who contributed to tonight's tree lighting ceremony especially the Intermediate Woman's Club, Costco, and Biggby Coffee for their donations. Additionally, he asked that staff prepare a resolution congratulating Father Gerard Battersby, a Lamphere graduate, Class of 1978, as he has been named Auxiliary Bishop for the Archdiocese of Detroit by Pope Francis. This is a major accomplishment for him and his roots are here in Madison Heights.

Councilman Gettings thanked the Department of Public Service and everyone involved in the tree lighting ceremony and to everyone who pitched in to be sure the event went off without a hitch.

City Attorney Sherman hoped everyone had a wonderful Thanksgiving with their families and also wished a Happy Holiday Season to the Mayor, Council, Staff and all of their families.

City Manager Myers stated he would also like to thank the Page Middle School and Lamphere High School Bands, Oakland County Parks and Recreation with the bandshell. He also reminded the public that there will be only one council meeting next month, which will take place on December 12. Lastly, this is the

last week for yard waste pick up. The program ends December 2, 2016 and will resume again the first week of April 2017.

Councilman Clark relayed a story about a phone call he received from someone claiming he had won the Publishers Clearing House Sweepstakes; however, he needed to send cash to claim his prize. After investigating further, it was learned that the person was calling from Jamaica and wanted cash sent to Alabama. Councilman Clark continued stating that everyone should be cautioned about these scams and to not be fooled by them.

Councilwoman Scott stated that her mother had also been subjected to these types of scams and that it's important to watch out for your elderly loved ones. She also wanted to thank Goodfellows' members Bob and Linda Corbett, Jean Linville, Lori Fecteau and everyone else involved by making Christmas brighter for the residents of Madison Heights. She also stated that the Fire Department has smoke detectors for Senior Citizens and low-income families which they will install to those who do not have any smoke detectors in their homes once an application has been received and approved. Contact them at the non-emergency number, 248-588-3605

Councilman Soltis thanked Lowe's for donating approximately 50 poinsettias which were given to the meals on wheels recipients and the remaining were given to the Senior Center to distribute. Also, there is going to be a dinner for police and fire departments and if anyone would like to donate funds or send cards to the departments it would be appreciated.

Mayor Hartwell stated that the Goodfellows act as the clearing house for all the charities that want to donate to needy families in Madison Heights. They do the checks and reviews of the families in our community and do the yeoman's work for the various charities. He stated the City does accept donations for the tree lighting ceremony that was held tonight. Anyone interested in donating can send a check to the City of Madison Heights.

Mayor Hartwell also liked to acknowledge an outstanding employee, Police Officer, Ed Malak, who received a thank you note through the Police Chief from the father of a girl involved in a traffic accident. The quote read "I observed such professional and compassionate interaction between Officer Malak and my daughter that I am certain that this officer was exactly why my daughter did not just fully shut down possibly needing further medical attention from the shock of the event. The way this gentleman, Officer Malak conducted himself with my daughter, I felt almost certain that he must be a father himself, and if not then is truly an exemplary human being." Mayor Hartwell stated that this really touched his heart and he thanked him and all the other employees for all their hard work.

CM-16-298. Adjournment.

There being no further business, the meeting was adjourned at 7:55 p.m.

Madison Heights, Michigan
December 12, 2016

A Regular Meeting of the Madison Heights City Council was held on Monday, December 12, 2016 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilman Clark and was followed by the Pledge of Allegiance to the Flag.

CM-16-299. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be meeting December 20th at Wilkinson Middle School at 7:00 p.m. She also noted that Cambridge Nursing Home is still seeking volunteers.

CM-16-300. Special Approval No. 16-08 – 660 W. 12 Mile road – Home Depot Outdoor Display.

City Manager Myers reviewed the proposed Special Approval 16-08.

A public hearing was held at 7:32 p.m. to hear any comments pertaining to proposed Special Approval 16-08, to allow permanent outdoor sales area for plants and display of compact power equipment in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:33 p.m.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from Home Depot requesting a permanent outdoor sales area for plants and display of compact power equipment at 660 W. 12 Mile Road in a M-1, Light Industrial District; and,

WHEREAS, a public hearing was published in the Madison Park News on November 23, 2016 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 660 W. 12 Mile Road

REQUEST: Special Approval to allow permanent outdoor sales area for plants and display of compact power equipment in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1, Light Industrial

EXISTING USE: Home Depot

STAFF ANALYSIS:

1. Special Approval is required for outdoor sales in the M-1 District. This location has previously received special approval for both the Home Depot use as well as outdoor sales within the existing "Garden Center" noted on the site plan. Home Depot is now asking for permanent outside display area for plant sales in front of the Garden Center as well as for compact power equipment. Home Depot has sought and received seasonal approval for outdoor sales in the past and now wishes to have ongoing approval in the same area without the need to apply each year. In addition, they seek to display power equipment in 5 parking spaces at the northeast corner of their existing front parking lot.

2. Parking for the site exceeds the minimum requirements of the Zoning Ordinance, even with the 5 spaces taken up by the proposed power equipment display area.

3. Proposed Hours of Operation: Monday through Sunday: 6:00 a.m. – 10:00 p.m.

4. The Site Plan Review Committee has reviewed the site plan and has no additional comments to address.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves a permanent outdoor sales area for plants and display of compact power equipment at 660 W. 12 Mile Road in a M-1, Light Industrial District at 660 W. 12 Mile Road.

CM-16-301. _ Resolution in Support of Senate Bill 1068 (State Trunkline Funding).

Motion by Councilwoman Scott, seconded by Councilman Gettings, to adopt the following resolution:

RESOLUTION IN CONTINUED OPPOSITION TO I-75 WIDENING PROJECT FUNDING METHODOLOGY AND SUPPORT FOR SENATE BILL 1068.

WHEREAS, The Michigan Department of Transportation (MDOT) proposes to widen I-75 from Hazel Park to Auburn Hills; and,

WHEREAS, This project has been in some phase of study and analysis since 2000; and,

WHEREAS, MDOT has publicly denoted the construction phases since February 18, 2014, with the Madison Heights' phases scheduled for 2020, 2022 and 2024; and,

WHEREAS, MDOT unilaterally, without discussion or notice, changed the proposed construction phasing in the summer of 2015 such that the Madison Heights' phases are now proposed to be in 2018, 2024 and 2026; and,

WHEREAS, MDOT proposes to utilize the Act 51 road funding formula to require that Madison Heights pay an estimated local share of $4,025,000 for all three phases ($800,000 for 2018, $425,000 in 2024, and $2,800,000 in 2026); and,

WHEREAS, this local match would essentially eliminate the City's ability to provide any road maintenance and reconstruction for more than 3 years; and,

WHEREAS, The City has repeatedly voiced opposition to MDOT's proposed change to the project phasing; and,

WHEREAS, The City has cited the lack of any public or municipal notice or opportunity for input regarding the change in project phasing, the extensive and wide-spread impact on the City's road network during construction with no compensation by MDOT, the recent I-75 service drive improvements by the City (based in major part on the previous project schedule), and the complete loss of future tax revenue from the 28 total property takings and 6 partial property takings.

NOW, THEREFORE BE IT RESOLVED, that the City Council of Madison Heights strongly objects to MDOT's planned advancement of the I-696 / I-75 "Braid" phase of construction from the original 2020 to 2018.

BE IT FURTHER RESOLVED, Council strongly supports SB 1068, introduced by Senator Knollenberg, which would eliminate Act 51 requirements for local share contributions on this and other MDOT limited access trunk line projects.

BE IT FURTHER RESOLVED, that the City requests that MDOT honor its previous construction segment phasing.

BE IT FINALLY RESOLVED, that the City Clerk provide a copy of this Resolution to U.S. Senators Stabenow and Peters, U.S. Representative Levin, Governor Snyder, State Representative Townsend, State Senator Knollenberg, State Senator Gregory, the Cities of Royal Oak, Hazel Park, Troy and Auburn Hills, Bloomfield Township, and the Michigan Municipal League.

CM-16-305. Mayor and Council - Comments.

Councilman Corbett congratulated the Department of Public Services' staff for their terrific job on clearing the roads. He expressed best wishes to everyone for a happy holiday season, Merry Christmas, and a prosperous New Year.

Mayor Pro Tem Bliss concurred with Councilman Corbett's accolades to the Department of Public Services on their work on clearing the roads. He also thanked all public safety officials for working in the inclement weather and for keeping the community safe.

Councilman Gettings noted that Dennis Dardzinski, a Department of Public Services employee, had unexpectedly passed away, and he expressed his condolences to the family. He wished everyone a great Christmas and Happy New Year.

City Attorney Sherman echoed the comments of Council for a happy and safe holiday season.

City Manager Myers expressed his condolences to the Dardzinski family, stating he had known Dennis since 1992, and noted he was a good employee and person. He echoed the holiday sentiments of Council and concurred that the Department of Public Services did an outstanding job of clearing the snow. He announced that due to the inclement weather, GFL has delayed trash collection by one day and he apologized for any inconvenience caused. He wished the community happy, healthy, holiday season and a Happy New Year.

Councilman Clark wished everyone a Merry Christmas and a happy and safe New Year.

Councilwoman Scott recognized and praised Sergeant Peter Poertner, and Firefighters Matthew Arnold, Brian Kadjan, and Alan Rutter, who assisted her husband on November 23rd and stated that as always, they performed their duties expertly. She continued that the City is very fortunate to have such great personnel. She thanked all of the City employees for working so hard to make this a great city, especially the Department of Public Services for their work in clearing the streets. She stated that Councilman Clark gave her a

book, *Michigan a Home to Be Proud Of*, which includes interesting facts about the State of Michigan and its counties. She announced that on Friday, during the lunch period, the Historical rooms will be open and she noted that the Historical Commission always welcomes residents to share any of their experiences in Madison Heights.

Councilman Soltis had no comments this evening.

Mayor Hartwell stated that he had prepared a *2016 End of the Year Report* which will be available to read on the City's website. He expressed his sincere condolences to the family of Dennis Dardzinski, stating that the loss breaks our hearts. He commented that he is looking forward to a successful New Year.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
January 9, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, January 9, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman and City Clerk Printz.

The invocation was offered by Councilman Corbett and was followed by the Pledge of Allegiance to the Flag.

CM-17-01. FY 2018-2022 Five Year Capital Improvement Plan.

Motion by Councilman Corbett, seconded by Councilman Gettings, to receive and file the FY 2018-2022 Five Year Capital Improvement Plan as presented.

In response to Mayor Pro Tem Bliss's request to have all proposed budget goals included in the Capital Improvement Plan (CIP), City Manager Myers explained that all of the approved goals will be listed in the Proposed Budget presented to Council, and those that are capital-related will be incorporated into the CIP. The Capital Improvement Plan presented this evening does not include all of the goals because the goals are not yet approved by City Council. Further, program or personnel related goals are not CIP related; for example, the goals of adding an officer to the Troy Special Investigations Unit and the addition of a part-time Recreation Coordinator position are personnel related goals and would not be included in the CIP. He continued that CIP items are one-time, capital purchases of $30,000 or more. He added that the City always has many more capital requests than funding available. Some budget items are not goal related, but are CIP related. For CIP planning purposes, staff selected the top five initially ranked goal proposals, and of this group, included two capital-related items in the CIP. He continued that the initial CIP is a planning document and that it will be updated once the budget process is complete. He stated that when City Council receives the final Proposed Budget, all of the adopted goals will be included in the appropriate areas of the budget document. In response to Mayor Hartwell's question on the Right-of-Way Tree Replacement Program being included in the CIP, Mr. Myers noted that this goal proposal, assuming it is approved by Council, would not be considered a capital improvement project, but rather will be a contractual item included as part of the neighborhood road projects.

Motion Carried

CM-17-02. Ordinance No. 2118 False Alarm Ordinance Amendment.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to adopt Ordinance No. 2118, Establishing Penalties for False Alarms, on the Second and final reading as follows:

ORDINANCE NO. 2118

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 7, Article XI, Section 7-198(A) of the Code of Ordinances, City of Madison Heights, Michigan, to establish penalties for false alarms in the City.

THE CITY OF MADISON HEIGHTS ORDAINS:

Section 1. Amendment.

That Chapter 7, Article XI, Section 7-198(A) of the Code of Ordinances, City of Madison Heights, Michigan, is hereby amended in its entirety to read as follows:

Sec. 7-198 Violations; Penalties.

The occurrence of a false alarm shall constitute a violation of this ordinance. To ensure that all alarm systems are properly maintained in good operating order and to minimize the cost to the City for false alarms, alarm users shall be held responsible as provided in this section. Notwithstanding any penalties provided for convictions for violation of this ordinance, and notwithstanding the fact that a prosecution for violation of this ordinance has or has not been commenced, alarm users shall pay to the City a fee or fine provided in this section, for each false alarm, and shall also be held responsible as follows:

* Alarms within a consecutive twelve (12) month period.
** Cost of response is determined by City Council fee resolution.
*** Faulty fire alarm systems may constitute a hazard to occupant safety. Inspections as well as proof of repair or modification may be required as the result of any false fire alarm, as determined by the Fire Chief or his designee.

Section 2. Repealer.

All ordinances, or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

Section 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

Section 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

Section 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. to 11:30 a.m. and 12:30 p.m. to 4:30 p.m. on regular business days.

CM-17-06. Mayor and Council - Comments.

Councilman Corbett wished everyone a happy, prosperous, and healthy New Year.

Mayor Pro Tem Bliss had no comments this evening.

Councilman Gettings stated that there are openings in the youth basketball program; please contact Parks and Recreation staff to register.

City Attorney Sherman concurred with Councilman Corbett's sentiments on the New Year.

City Manager Myers announced that last week, Governor Snyder signed into law Senate Bill 1068, which will exempt the City from paying the $4.025 million local cost share of the State's 1-75 project. He stated that this expenditure would have consumed our Major and Local Roads budgets for a two-year period. Traffic signals, maintenance, and snow removal would have all been impacted. He thanked Senator Knollenberg, Senator Gregory, and Governor Snyder for supporting the legislation as well as City Council for passing multiple resolutions in support. He also thanked John LaMacchia and Chris Hackbarth of the Michigan Municipal League for getting the City's voice heard, and recognized staff, especially Community Development Director Jim Schafer, for his work on this effort. He announced the upcoming Coffee Concerts to be held on Wednesdays at 7:00 p.m. at the Senior Center. The first concert is on February 1st and Blackthorn will be performing.

Councilman Clark had no comments this evening.

Councilwoman Scott asked that condolence resolutions be sent to the families of Jane Jasinski, the City's part-time Recreation quilting instructor since 2009, and Jozef Milicaj, owner of Charlie's Family Restaurant. She announced the City's photo contest, "This is Home" which is open to amateur and professional photographers who are City residents. She stated that photos submitted will be used for publicity, the city's website, and on official City documents. Contest information and rules are available on the front page of the City's website.

Councilman Soltis stated that based on the current political climate we find ourselves in, many are asking the question, "What are we to do?" He stated that the current political unbalance at both the state and federal levels of government undermines our democracy and leads to the politics of extremism. This unbalance is a recipe for disaster for working families and the poor. He stated that some of the talk of proposed changes, including cuts to health care, tax breaks for rich, corporate welfare, cutting public education, unlimited contributions to campaigns, as well as cuts to social welfare programs, have many asking themselves, "What are we to do?" He stated that each individual has to look within themselves to decide what is right and what is morally wrong. Each community must come together for the greater good of humanity. "What are we to do" begins with a mindset that wants to right the wrong, and then puts the words into action.

Mayor Hartwell stated welcome back and happy New Year. He announced that the DDA has a meeting tomorrow at 8:00 a.m. for anyone interested in attending. On behalf of Gloria Moore, he stated that the Friends of the Madison Heights Area Senior Citizens will be meeting on January 17th at 7 p.m. at Wilkinson Middle School and all are welcome. February 23rd at 7:30 a.m. will be the Hazel Park and Madison Heights State of the City Addresses sponsored by the Chamber of Commerce. The event is $15 to attend and will be at MRA Mobile Experiential Tours, located at 950 E. Whitcomb. He noted that he is appreciative of the support the city receives from the business community.

Councilman Gettings acknowledged and thanked Councilman Soltis, Laurie Geralds, Betty Ross Restaurant, and Leo's Country Oven for providing Christmas dinner to our first responders. He stated that they did a great job.

CM-17-11. Proclamation for Random Acts of Kindness Week, February 12-18, 2017.

City Manager Myers read the following proclamation into the record:

PROCLAMATION
RANDOM ACTS OF KINDNESS WEEK

WHEREAS, our daily news is dominated by tragic stories of crime, violence and disaster, often leaving citizens with feelings of despair and helplessness; and,

WHEREAS, *Random Acts of Kindness Week* is enacted to encourage Madison Heights residents to commit conscious acts of goodwill toward one another as an affirmation of the goodness and generosity of the human spirit; and,

WHEREAS, by performing small acts of kindness during this week, we have an opportunity to recognize and celebrate the far reaching effects we as individuals can have on the world around us; and,

WHEREAS, any act of kindness, however small, inspires and brightens the day of fellow citizens.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council proclaim the week of February 12 – 18, 2017 as

RANDOM ACTS OF KINDNESS WEEK

in Madison Heights and urge all citizens to join in celebrating the week with acts of kindness, patience and understanding.

Mayor Hartwell presented the proclamation to Councilwoman Scott. She stated this was the 21st year that the City celebrated Random Acts of Kindness Week and she credited her husband with the concept and thanked Council for their ongoing support. She noted that this year's theme is *You Don't Have to be in Agreement to be Kind to Each Other*.

CM-17-12. Presentation of Purple Heart Plaque.

City Manager Myers read the *City of Madison Heights - A Purple Heart City Proclamation* which was adopted by City Council at their November 28, 2016 meeting. Mayor Hartwell welcomed Joe Didia along with Larry Pretzer, Commanders of the Lance Corporal Patrick Gagnon Chapter 18 Military Order of the Purple Heart. Mr. Pretzer stated that it was a great honor for the City to adopt the proclamation, and on behalf of Chapter 18, he presented the Military Order of the Purple Heart Special Recognition Award and a flag designating Madison Heights as a Purple Heart City. He acknowledged the eight Madison Heights military members who gave their lives in defense of the country and noted that many more have been wounded protecting our country. On behalf of City Council, Mayor Hartwell accepted the plaque and thanked Mr. Didia and Mr. Pretzer for their attendance this evening.

CM-17-13. Ordinance No. 2116, Zoning Text Amendment 15-01, Public Hearing and Second Reading.

City Manager Myers reviewed the Ordinance No. 2116, Zoning Text Amendment 15-01.

A public hearing was held at 7:47 p.m. to hear comments pertaining to Ordinance No. 2116, Zoning Text Amendment 15-01.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:48 p.m.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to adopt Ordinance No. 2116, Zoning Text Amendment 15-01 on the Second and Final reading as follows:

Ordinance No. 2116

Zoning Text Amendment 15-01

An ordinance to amend Ordinance 571, being an ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending Appendix A, Section 10.332 and 10.332A– Permitted Uses and Uses Permissible on Special Approval in M-2 District; Section 10.505 and 10.506 – Parking; Section 10.510 – Planting Materials, and Section 10.513 Screen Walls, of the Zoning Ordinance to establish measures and

safeguards to provide for the public health, safety and welfare.

The City of Madison Heights ordains:

One (1) space for each two hundred (200) square feet of gross floor area.

Section 13. Section 10-505(11)(r) is hereby amended to read as follows:

(r) Planned business district and shopping centers greater than 25,000 square feet.
One (1) for each three hundred (300) square feet of gross building area. Parking requirements for such places of assembly shall be determined in accordance with their individual requirements as provided in this section. The parking requirement for the remaining portion of the planned business district or shopping center shall be in accordance with that indicated above. The term "place of assembly" shall include all uses listed in Use Group A in the adopted building code including, but not limited to, restaurants, private clubs and churches.

Section 14. Section 10-505(11)(v) is hereby amended to read as follows:

(v) Retail sales in wholesale establishments:
One (1) space for each one hundred ninety (190) two hundred fifty (250) square feet of retail sales floor area.

Section 15. Section 10-505(11)(w) is hereby amended to read as follows:

(w) Retail stores except as otherwise specified herein:
One (1) for each two hundred fifty (250) square feet of gross building area.

Section 16. Section 10-505(11)(x) is hereby amended to read as follows:

(x) Restaurants, bars, taverns and night clubs:
Carry-out only facilities: One space for each two hundred fifty (250) square feet of gross area. Drive through facilities must also provide sufficient stacking space separate from required parking spaces and drives.

Self-service, fast food and drive through facilities: One (1) space for each two (2) patrons of maximum seating capacity plus one (1) space for each two (2) employees. Drive through facilities must also provide sufficient stacking space separate from required parking spaces and drives.

Full service restaurants, bars, taverns and night clubs: One (1) space for each two (2) patrons of maximum seating capacity plus one (1) space for each employee. Drive through or pick-up facilities must also provide sufficient stacking space separate from required parking spaces and drives.

Section 17. Section 10-505(11)(dd) is hereby amended to read as follows:

(dd) Veterinarian offices and clinics:
One (1) space for each two hundred (200) square feet.

Section 18. Section 10-506(4) is hereby amended to read as follows:

(4) Each off-street parking space shall be in accordance with the following table, and shall be of usable shape and condition. Access drives shall be a minimum of twelve (12) feet in width and where a turning radius is necessary it will be of an arc of sufficient size to reasonably allow an unobstructed flow of vehicles.

*Two (2) feet of the minimum parking space length may over hang a landscaped area or a sidewalk, where the walk is a minimum 7' wide.

Section 19. Section 10-506(8) is hereby amended to read as follows:

(8) A bicycle rack shall be provided on all sites that require site plan review. The rack shall not block walks or drives. One required parking space may be designated for bicycle parking by the owner or developer of any land use. Said space shall be noted on the approved site plan for the site and shall include a bicycle rack permanently affixed to the ground

Section 20. Section 10.510 of the Zoning Ordinance is hereby deleted in its entirety and replaced as follows:

Section 10.510. Landscaping and Screening

Screening and landscaping, where required, shall adhere to the following minimum standards where new development (or major redevelopment where existing buildings and / or parking areas are demolished) requires site plan review,

(A) General Provisions

In all zoning districts the following minimum standards apply:

(1) All landscaping as shown on the approved site / landscape plan shall be continuously maintained in a healthy condition.

(2) All required landscape plantings that are diseased or dead must be replaced in conformance with the approved landscape plan.

(3) All required landscape areas that abut vehicular drives, parking or other uses areas shall be separated from the vehicular use area with a 6" concrete curb.

(4) Landscaping shall be designed to maintain clear vision at intersection, drives, sidewalks and building entrances at time of planting as well as mature plant growth.

(5) Where greenbelts, landform buffers or buffer strips are required or proposed, they may be encroached upon or punctuated by approved driveways, sidewalks and structures, in conformance with applicable setback standards. Common driveways between two or more properties are encouraged. Where a common driveway serving two or more parcels is located on or adjacent to a property line no greenbelt, landform buffer or buffer strip is required adjacent to areas occupied by the common drive.

(6) Use of landscape areas for storm water management is encouraged. Design of storm water systems may include swales and infiltration areas to convey water to drainage structures and detention areas. Curbing requirements may be flexible to achieve storm water management objectives. Detention ponds, swales and infiltration areas may be considered in calculating minimum area requirements for parking lot landscaping, where they include required plantings and meet the applicable location and size requirements.

(B) Landscaping Standards

This subsection is intended to define the various types of landscaping required in specific instances by this ordinance. These standards are applicable wherever they are specifically required in this ordinance.

(1) Landform Buffer

A landform buffer is any combination of a raised earthen berm and plantings intended to forms a visual barrier at least three (3) feet above the surrounding grade and a visual buffer of varying additional height. All landform buffers shall also conform to the following:

a. Planting design standards:

1. The landform buffer shall be comprised of soil and covered with grass, except for planting areas, which shall consist of planting materials, living groundcover, woodchips, mulch, stone, or any combination of the above.

2. One (1) two and one-half (2 1/2) inch caliper deciduous tree or one (1) five (5) foot high evergreen tree for every fifteen (15) linear feet of required landform buffer.

3. Four (4) 24-30" high or wide evergreen or deciduous shrubs for every fifteen (15) linear feet of landform buffer.

4. Plantings shall be a mixture of evergreen and deciduous trees, shrubs and groundcover.

b. The berm shall have a maximum side slope of 3:1 and a minimum height of three (3) feet.

(2) Buffer Strip

A Buffer Strip is a landscaped area of trees, shrubs and groundcover intended to form a visual buffer of varying height. All Buffer Strips shall conform to the following:

a. The Buffer Strip shall be a minimum of fifteen (15) feet wide.

b. Planting design standards:

1. The buffer strip shall be covered with grass, except for planting areas, which shall consist of planting materials, living groundcover, woodchips, mulch, stone, or any combination of the above.

2. One (1) two and one-half (2 1/2) inch caliper deciduous tree or one (1) five (5) foot high evergreen tree for every twenty (20) linear feet of required buffer strip.

3. Four (4) 24-30" high or wide evergreen or deciduous shrubs for every twenty (20) linear feet of buffer strip.

4. Plantings shall be a mixture of evergreen and deciduous trees, shrubs and groundcover.

(3) Screen Wall Greenbelt

A Screen Wall Greenbelt is a combination screen wall and landscape area intended to form a complete visual barrier at least six (6) feet in height. When a screen wall is required it shall meet the following standards:

a. All walls shall conform to the following provisions:

1. Screen walls shall be located where required by subsection (C) *Required Minimum Screening and Landscaping* below. Required walls shall be a minimum six (6) feet high or, after approval by the Site Plan Review Committee, to a height which is in continuity with an existing adjacent screen wall. The Site Plan Review Committee may require screening walls up to eight (8) feet where they find it necessary due to the nature and location of the use district, proposed use, or adjoining use(s) or district(s).

2. Required screen walls shall be located on the property line except where underground utilities interfere and except in instances where this Ordinance requires conformance with front yard setback lines in abutting residential districts. Required screen walls may be located on the opposite side of an alley right-of-way from a nonresidential zone that abuts a residential zone.

3. Screen walls shall have no openings for vehicular traffic or other purposes, except as approved after site plan review. All screen walls herein required shall be constructed only of poured concrete or masonry materials on a concrete foundation.

4. Screen walls shall be reduced to a maximum three (3) feet in height for fifteen (15) feet to maintain visibility at the intersection of driveways or alleys with rights of way and sidewalks.

b. Required screen walls shall include a minimum five (5) foot wide greenbelt adjacent to the required wall for its entire length, planted in accordance with the greenbelt planting standards below.

(4) Greenbelt

A greenbelt is a landscaped planting area of trees, shrubs and groundcover. All greenbelts shall conform to the following planting design standards:

a. The greenbelt shall be covered with grass, living groundcover, woodchips, mulch, stone, or any combination of the above.

b. One (1) two and one-half (2 1/2) inch caliper deciduous tree or one (1) five (5) foot high evergreen tree for every thirty (30) linear feet of required greenbelt. No evergreen trees are permitted where a greenbelt is adjacent to a public or private road right of way

c. Four (4) 24"-30" high or wide evergreen or deciduous shrubs for every thirty (30) linear feet of greenbelt.

d. Minimum width for required greenbelts shall be five (5) feet unless otherwise specified in this ordinance.

(5) Right of Way Screen Wall Option

Wherever a greenbelt is required in this ordinance which is adjacent to a public street right of way, a masonry screen wall may substituted for the required greenbelt subject to the following:

a. Approval of the right of way screen wall option is required as a part of site plan approval.

b. The wall shall be thirty (30) inches in height and shall be of common or face brick, or a masonry material that is compatible with that of the principal building(s) on site and other existing walls in the area.

c. The wall shall be designed to maintain adequate separation from vehicular drives and parking areas.

d. Greenbelts are encouraged adjacent to right of way screen walls and, where installed, should meet the guidelines in subsection (4) *Greenbelts* above.

e. Concrete curbing, wheel blocks or guard posts may be installed where necessary to prevent vehicular damage to the wall.

(6) Interior Landscaping

For every new development that requires site plan review, except site condominiums as regulated in Section 10.515, interior landscaping areas shall be provided, equal to at least five (5) percent of the total impervious area (buildings and paved areas). These landscaped areas may be grouped near building entrances, building foundations, pedestrian walkways and service areas. All interior landscaping shall be designed to the following general design standards:

a. The interior landscaping area shall be covered with grass, ground cover, wood chips, mulch, or any combination of the above.

b. One (1) two and one-half (2 1/2) inch caliper deciduous tree; and then one (1) two and one-half (2 1/2) inch caliper deciduous tree for every additional four-hundred (400) square feet of required interior landscaping area.

c. Two (2) eighteen (18) inch high or wide shrubs; and then two (2) eighteen (18) inch high or wide shrubs for every additional four hundred (400) square feet of required interior landscaping area.

(7) Parking Lot Landscaping

In addition to the Interior Landscaping above and the other required landscaping herein, within every parking area containing ten (10) or more required spaces there shall be parking lot landscaping in accordance with this subsection. These landscaping areas shall be located so as to better define parking spaces, drives and required fire lanes. All required parking lot landscaping shall conform with the following:

a. Any off-street parking areas containing ten (10) or more parking spaces shall provide five (5) square feet of parking lot landscaping per parking space.

b. All required parking lot landscaping shall be designed to conform to the following requirements:

1. The parking lot landscaping area groundcover shall be grass, living ground cover, wood chips, mulch, or any combination of the above.

2. One (1) two and one-half (2 1/2) inch caliper deciduous canopy tree shall be required for every one hundred (100) square feet of required parking lot landscaping area.

3. Parking lot landscaping areas shall be curbed with 6" concrete curbing.

(8) Trash Receptacle, Transformer, and Mechanical Equipment Screening

a. Dumpsters and Trash Storage Enclosures

All areas used for the storage of trash, and other waste products or materials, shall be completely screened from view. The following standards shall apply to all such trash enclosures:

1. Enclosure shall be constructed of masonry materials similar to the buildings to which they are accessory.

2. Enclosures shall be at least six (6) feet but not more than eight (8) feet high and shall obscure all wastes and/or containers within. An obscuring gate shall be installed which forms a complete visual barrier the same height as that of the other three sides.

3. No enclosures shall be permitted within a required front yard or street-side side yard setback.

4. All dumpsters and the truck maneuvering area immediately in front of the dumpster shall be located on a minimum eight (8) inch concrete pad. Bollards shall be placed where necessary to protect walls.

b. Transformer and Mechanical Equipment Screening

All ground mounted transformers, generators, mechanical equipment, and similar equipment shall be screened from view from any street or adjacent property by a wall constructed of the same exterior materials as the building and not less than the height of the equipment to be screened. As an alternative, the equipment may be screened by landscaping if approved as a part of site plan review.

(C) Required Minimum Screening and Landscaping

The following Table specifies the minimum required screening and landscaping between a subject parcel and adjacent properties, excluding those properties with common driveways as specified in subsection (A)(7) above:

(D) Suggested and Prohibited Trees and Shrubs for Landscaping

The City may maintain a list of suggested or prohibited trees and shrubs for landscaping, however, it is the responsibility of the professional site designer to determine appropriate plantings in compliance with City regulations.

(E) Exceptions:

It is the intent of this Ordinance to promote development, redevelopment and/or reuse of sites that may be unable to meet the standards herein. Therefore, any of the forgoing requirements may be waived or modified, through the site plan review process, where cause can be shown that no good purpose would be served, due to site design, parking, parcel configuration, building location and/or other pertinent and relevant factors, by the strict application thereof.

Section 21. Section 10.513 of the Zoning Ordinance is hereby deleted in its entirety and replaced as follows:

Section 10.513. Screen walls.

(1) Screen walls shall be constructed in accordance with Section 10.510(B)(3).

Section 22. Repealer.
All ordinances or parts of ordinances in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

Section 23. Severability.
Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

Section 24. Savings.
All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

Section 25. Effective Date.
This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

Section 26. Enactment.
A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and 12:30 p.m. and 4:30 p.m. on regular business days.

Motion Carried

CM-17-14. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Senior Citizens will be holding a meeting on February 21st at 7 p.m. at Wilkinson Middle School. All are welcome and she also wished everyone a Happy Valentine's Day.

Jim Capizzo, 863 Venoy, stated that he was surprised and happy that he finally read that a corporate leader acknowledged global warming.

April Anselmo, 25608 Dei Street, stated that the United Methodist Church located at 246 E. 11 Mile Road has a Veteran's Program. The program serves brunch and dinners free for veterans. Brunch is the 2nd Sunday of every month from 11:00 a.m. - 12:30 p.m., and the dinner is the 3rd Saturday of every month from 5:00 p.m. - 6:30 p.m. If you are not a veteran, the cost is $8 per person, and all are welcome to participate.

Planning Commission Chair Andy Wakeland, 29182 Shirley, thanked the City Council and staff for their support of the Planning Commission and for their vision leading to the betterment of the community.

CM-17-21. Mayor and Council - Comments.

Councilman Corbett stated that he holds office hours on Friday's from 1 p.m. to 3 p.m. at the library; no appointment is needed. If you would like to meet with another member of Council, please contact City Manager's office to make arrangements. He thanked Councilman Soltis and Councilman Clark for their efforts in making Madison Heights a Purple Heart City. He stated that his dad was a Purple Heart recipient and he appreciates veteran's sacrifices on our behalf.

Mayor Pro Tem Bliss announced that the 2nd Annual Mock City Council program, and noted that this year's program is expanding to have students attend a citizen board as well. He continued that this was a great experience for him when he was younger, and the program helps shine a light on what government can be. He stated that City Council works together, no matter what differences we may have. He introduced former Mock Council Mayor, Emma Green, who was in the audience and invited her to speak on her experience last year. Ms. Green stated that while she was a little hesitant at first, through the program she was able to shadow department heads, see how the Fire, Police, and Public Services departments work and learn about parliamentary procedure. From the program, she found her personal passion for government. She stated that her personal goal is to attend every Council meeting this year. In response to Mayor Hartwell's question, she listed all of the colleges and universities that have accepted her.

Councilman Gettings commented that the Mock City Council program goes back to when he was in high school, and stated that it is a great program, giving students hands-on experience and he hopes that the program will continue for a long time.

City Attorney Sherman stated that every one of the six colleges Ms. Green was accepted to will be happy to have her as a student.

City Manager Myers concurred with City Attorney Sherman's comments.

Councilman Clark had no comments this evening.

Councilwoman Scott thanked Ms. Green for attending the meeting tonight. She stated that she is hoping to be a good mentor to her and noted that Ms. Green is a dedicated person and the City looks forward to learning from her. She commented that she admires and respects her associates and is very

proud of her colleagues that participated in the Women's March. She thanked all of the women who participated in any capacity, and stated that she was so proud to see everyone walking. This was not an unfocused protest march, it was a march bringing attention to issues that are of importance to women and families, and it was world-wide in over 20 countries. She continued by urging the public to not be afraid to be involved in government and she applauded all who are involved and focused on the future and on what they can do.

Councilman Soltis stated that he appreciated Councilwoman Scott's comments on the Women's March. He thanked the Commanders for attending and dedicating the plaque and flag to the City this evening. He noted that every veteran that dies in battle receives a Purple Heart, and the City has memorial for those who sacrificed their lives. He requested that the City draft a resolution in opposition the Oakland County putting the Area Agency of Aging on notice that their funding from the County may be discontinued. He stated that this is the agency that provides seniors with Meals on Wheels, and if the threat is carried out, it will lead to devastation. He stated that he believes it is not fair to threaten this action and it is misguided. He then made the following motion:

CM-17-22. Draft of a Resolution Addressed to the Oakland County Board of Commissioners Regarding the Subject of their Resolution Threatening the De-funding of the Area Agency on Aging 1-B.

Motion by Councilman Soltis, seconded by Councilman Gettings, to direct the City Manager and staff to present a draft resolution for City Council's future consideration addressed to the Oakland County Board of Commissioners regarding the subject of their resolution threatening to defund the Area Agency on Aging 1-B.

Discussion followed on the following: appreciation of Councilman Soltis's sentiments and concerns on this matter, the need for more information and vetting of this issue - including why Oakland County made the threat and approved the resolution unanimously, the desire for staff to provide background information prior to Council considering placing a resolution on an upcoming agenda, and the idea that the County should consider different ways of conveying their dissatisfaction with the Area Agency on Aging 1-B that would not harm the Meals on Wheels program.

Mayor Pro Tem Bliss requested a roll call vote.

Roll Call Vote:
Yeas: Gettings, Scott, Soltis, Hartwell
Nays: Bliss, Clark, Corbett

Motion Carried

Mayor Hartwell stated that the State of the City Breakfast is sponsored by the Chamber of Commerce. He offered to pay for anyone who would like to attend the breakfast on February 23rd. If you would like to attend, contact either him directly, or Executive Assistant Mary Daley through the City Manager's office. He thanked the representatives of the Order of the Purple Heart for recognizing the City and stated it is the least the City can do to raise awareness for veterans.

CM-17-23. Adjournment.

There being no further business, the meeting was adjourned at 8:37 p.m.

CM-17-26. Presentation of Condolence Resolution – Family of Jane Jasinski.

City Manager Myers read the following resolution into the record:

CONDOLENCE RESOLTUION

WHEREAS, the Madison Heights Mayor and City Council were saddened to learn of the passing of Jane Jasinski on December 23, 2016; and,

WHEREAS, Jane had two loving brothers, Ken and Steven, who shared many moments of joy and happiness with her throughout the years; and,

WHEREAS, Jane was raised in Madison Heights and was a Madison High School graduate; and,

WHEREAS, in addition to Jane being a well-liked part-time quilting instructor for the City of Madison Heights since 2009, she also taught crochet, scrapbooking, and needlepoint, and had a successful twenty-five year career as a travel agent; and,

WHEREAS, Jane volunteered for the Capuchin Soup Kitchen and her caring nature will be remembered by all those that knew her.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights Mayor and City Council, on behalf of our residents, do hereby extend our community's sincere condolences to the family of Jane Jasinski and hope that the good and cheerfulness that she shared in her lifetime will comfort and console them.

BE IT FURTHER RESOLVED, that a copy of this resolution be presented to this family as a token of our heartfelt sympathy and as a lasting tribute of love and respect.

On behalf of City Council, Mayor Hartwell presented the resolution to Jane's brothers, Ken and Steven Jasinski.

CM-17-27. Special Approval No. 16-09 – 32415 John R – Karaoke Entertainment in proposed lounge/restaurant, Public Hearing.

City Manager Myers reviewed the proposed Special Approval 16-09.

Assistant City Attorney Sherman recommended that should Council decide to approve the Special Approval, the following condition be added: A separate entertainment agreement be entered into with the City.

A public hearing was held at 7:40 p.m. to hear comments pertaining to Special Approval No. 16-09 – 32415 John R – Karaoke Entertainment in proposed lounge/restaurant.

Seeing no one wishing to speak, Mayor Hartwell closed the public hearing at 7:41 p.m.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss:

WHEREAS, a Special Approval Board application has been received from Zing Qin Wong requesting karaoke entertainment in a proposed lounge/restaurant at 32415 John R Road in a B-3, General Business Districts, and;

WHEREAS, a public hearing was published in the Madison Park News on January 25, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 32415 John R Road

REQUEST: Special Approval is requested in the B-3 General Business District (Section 10.326(10)) to allow for entertainment (karaoke) in a proposed restaurant

EXISTING ZONING: B-3, General Business

EXISTING USE: Vacant (former Cici's Pizza)

STAFF ANALYSIS:

1. Special Approval is required for entertainment at restaurants in the B-3 District. This location is currently being remodeled as a restaurant with private rooms as well as general seating. As part of that remodeling, the applicant is now seeking approval for karaoke entertainment in the private rooms as well as the general seating area.

2. A separate entertainment agreement will be required if Special Approval is granted by City Council.

3. Parking meets the minimum requirements of the Zoning Ordinance.

4. Proposed Hours of Operation: Monday through Sunday – 11:00 am to 2:00 am

5. The Site Plan Review Committee has reviewed the site plan and has no additional comments to address. Should City Council grant Special Approval, the following conditions are recommended:

1. Special approval is limited to karaoke entertainment only.
2. No Regulated Use(s), as defined in Section 10.502(A), are permitted at any time.
3. A separate entertainment agreement be entered into between the applicant and the City.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Code of Ordinances, hereby approves karaoke entertainment at the proposed lounge/restaurant located at 32415 John R Road with the following conditions:

1. Special approval is limited to karaoke entertainment only.
2. No Regulated Use(s), as defined in Section 10.502(A), are permitted at any time.
3. A separate entertainment agreement be entered into between the applicant and the City.

CM-17-38. Mayor and Council - Comments.

Councilman Corbett stated that he holds Council office hours on Friday's from 1 p.m. to 3 p.m. at the library; no appointment is needed. He wished everyone a Happy Valentine's Day. He stated that he hopes Councilwoman Scott has a speedy recovery from her surgery.

Mayor Pro Tem Bliss echoed the sentiments on Councilwoman Scott's recovery. He reminded any eligible high school students that they should apply for the City's Mock City Council program as the deadline is fast approaching.

Councilman Gettings also wished Councilwoman Scott a quick recovery continuing that Council misses her, but be sure to take the time needed to heal.

City Attorney Sherman stated he also echoes the sentiment of Council regarding Councilwoman Scott. He wished his brother, City Attorney Larry Sherman, and his daughter a Happy Birthday.

City Manager Myers concurred with Council's comments of well wishes for Councilwoman Scott.

Councilman Clark stated there are two more Coffee Concerts on Wednesday evenings. He continued that this is a nice way to spend your evening and the $5 charge is well worth the money.

Councilman Soltis had no comments this evening.

Mayor Hartwell also expressed his hopes that Councilwoman Scott gets well soon. He stated that one of the privileges he has as Mayor is attending special events, including the Chinese New Year's celebration at the Chinese Cultural Center. Madison Heights is blessed to have this community center in City and commented on how fortunate the City is to have a vibrant multicultural community. He wished everyone a "Happy New Year" and the "Best of Luck and Prosperity" in Mandarin.

CM-17-49. Public Comment.

There were no public comments.

CM-17-50. FY 2017-2018 Goal Plan.

City Manager Myers opened the meeting with a presentation summarizing the City's tentative proposed budget goals and the available funding for 2018. He stated that the tentative proposed FY 2017-18 budget maintains the Fund Balance at the Council Policy Minimum Level at 16% (plus one year of debt service), and includes: a Capital Outlay of $1,405,700 which includes the top-rated capital goal proposals of ALS-Equipped Fire Engines and Refurbished Gun Range, all of the consent goal proposals, and an available amount of $51,000 for additional Council goals in 2018. He reviewed the initially ranked goal proposals by City Council and presented a suggested final goals list as follows:

#	Proposal
A	Reclassify and Equip the Fire Department's Front Line Fire Engines from BLS to ALS
B	Refurbish Police Department Gun Range
C	Establish a Right of Way Tree Replacement Program
D	Analyze Dequindre Road Pedestrian Crossing and Make Improvements
E	Covert Police Dept. Policies to PowerDMS Electronic System
F	Modify Policy to Waive Resident Portion of EMS Transport Fee
G	Retain and Expand Use of Portable Toilets
H	Institute Community Outreach Program – File of Life Program
I	Offer Building Department "How To" Seminar – Decks 101

J	Implement Electronic Permit Application Process
K	Streamline Boards/Commissions Record Keeping & Re-Appt. Process
L	Convert to 95-Gallon Residential Trash Receptacles
M	Implement E-Lock Box Service for Non-ACH Elec. Payments
N	Analyze and Review Job Descriptions
O	Conduct Online Surplus Auctions
P	Conduct Ebook and Zinio Training for Patrons
Q	Establish and Install Little Free Library
R	Provide Library Transportation for Seniors
S	Establish Young Adult Book Club
T	Reinstitute Summer Beautification and Holiday Light Awards
U	Periodic Collaborative Manufacturing Mtgs. w/Chamber & MMA
V	Promote Heritage Room Utilization
W	Analyze/Submit Proposal for MEDC/Patronicity Placemaking Grant

Mayor Hartwell then led a discussion on finalizing the Goal Proposals for Fiscal Year 2017-2018. Discussion followed on the rankings now that more definitive financial figures are in place.

In response to Mayor Hartwell's question, City Manager Myers stated that there are capital outlay items already incorporated into the budget. For example, the Fire Department budget includes the 1st Phase purchases of a pumper as well as an ambulance replacement vehicle. Both of these items will be funded from the dedicated Vehicle Millage. Mr. Myers also stated that the DPS budget includes swing set replacement in parks that is partially grant funded.

In response to Mayor Pro Tem Bliss's question, City Manager Myers stated that the top two goals of Council have been incorporated into the proposed budget presented tonight. He continued that while the two goal items of *Refurbishing the Gun Range* and *Participating in the Troy Special Investigation Unit (SIU)* are comparable in cost, the Gun Range is a capital item and a one-time expense, while the SIU would be an ongoing personnel cost. He responded to Councilman Corbett's question by stating that it would be staff's preference, at this time, to address the one-time expense. He continued that the suggested goals list also include an ongoing expense which is included in the tentative budget: the 10-year Tree Replacement Program.

In response to Councilman Corbett, Deputy City Manager Marsh stated that based on historical averages, the anticipated reimbursement from MMRMA is $400,000 in FY 2018 and this figure has been incorporated into the proposed budget. Mr. Myers also stated that a forecasted 1.86% property tax increase was also included in the budget.

Councilwoman Scott expressed that residents should be made aware what hospital transports are covered under the *Policy to Waive Resident Portion of the EMS Transport Fee.* City Manager Myers stated that the policy is anticipated to include transportation to Royal Oak Beaumont or St. Joe's hospitals. Councilman Corbett requested that Children's Hospital also be included in the covered transports. Mr. Myers responded that he would forward the Fire Department protocols to Council as well as a report on how the information is communicated to patients.

Councilman Gettings stated that the Parks and Recreation Advisory Commission ranked the Parks and Recreation goals and it was their opinion that a *Full-Time Recreation Coordinator* ranked number one. Councilman Corbett added that their rationale was that a full-time position would be more responsible, facilitate better coordination, and based on members past experience, a full-time position resulted in a better recreation product. They also expressed concern that there would be overlap between 2 part-time positions as opposed to 1 full-time. The Commission also highly ranked *Continuation of Portable Bathrooms*, but expressed a preference that they be family style. As for the *Splash Pad*, they were not enthusiastic about this concept, but instead preferred a Red Oaks Water Park voucher plan. This would be a subsidized voucher program based on financial need. They also expressed that they believe *Upgrade/Add/Replace Playscapes* is important and underscored the importance that the playscapes be differentiated by age bracket. Councilman Corbett noted that the members ranked items only pertaining to Parks and Recreation. City Manager Myers noted that there is $175,000 in this tentative budget earmarked for Parks and Recreation capital outlay. Mayor Pro Tem Bliss stated that he appreciated that the *Splash Pad* concept was a discussion item, and it started the conversation. He agreed that the voucher system would be a good alternative. Mayor Pro Tem Bliss commented that adopting the goal of a *Full-time Recreation Coordinator* would cause the elimination of other goal items. City Manager Myers noted that should the Council decide to move forward with the goal of a *Full-time Recreation Coordinator* in the future, the City would undergo a competitive process to fill the position. Council Gettings expressed his support of a full-time or part-time Recreation Coordinator position. Mayor Pro Tem Bliss expressed his support for a seasonal intern to help address the needs of the Parks and Recreation Department. Councilman Gettings suggested the need for assistance in the fall as opposed to the summer, stating that the Department already has seasonal summer help. It was the consensus to move forward with a *Part-time Seasonal Recreational Coordinator Intern* position and a *Voucher Program for Red Oaks Water Park*.

Councilwoman Scott requested that once finalized, the City Council goal proposals be displayed at City Hall.

Discussion followed on whether the *Refurbishing of the Gun Range* or *Participating in the Troy SIU* should be a priority for this budget. Rates of crime, reputation of the City, cost savings, and safety were all discussed. It was the consensus that the goal item included in the final goals list would be based on the final recommendation of the Police Chief.

It was the consensus that the goal process remains similar for next year, with the addition of input from other Boards and Commissions on their goal rankings following Council's initial rankings, Council also requested a report clarifying other budget capital line items that are not goal related and what their funding source is.

PROCLAMATION

WHEREAS, when a call for animal control services is requested, the prompt response of the animal control officer is very important for the protection of human life and the welfare of helpless animals and pets that are rescued from injury, disease, harm and inhumane treatment; and,

WHEREAS, our Animal Control Officer provides a number of services to this community including, responding to domestic animal calls and complaints, checking the welfare of pets, inspecting pet stores and other animal facilities, catching and returning loose pets, ensuring pets are properly vaccinated and licensed, investigating complaints and animal bites, responding to calls on wildlife and moving wildlife to other locations for their safety; and,

WHEREAS, our Animal Control Officer is a hard-working member of the Madison Heights Police Department and is dedicated to the service of animal control needs in this community; and,

WHEREAS, this week of appreciation recognizes and honors ACO Suzette Gysel, part-time assistant Jennifer Emmitt, Lois Vitale, Ashley Pierce, Brigitte Catlin, Brittany Eckert, Charles Bosco, Chris McPhail, Dalton Merrel, Danielle Rickard, Dawn Clayton, Debbie Cory, Elle Cannon, Gloria Alvin, Jackie Smith, Joan Szynkowski, Judy Mitts, Katherine Nawrocki, Kathleen Simpson, Kathryn Holloway, Kim Pomaville, Lisa Stewart, Lori Carriere, Maria Werner, Megan Cory, Megan Evan, Misty Laity, Sean Senecal, Shannon Tokarski, Shari Lewis, Sheila Zasadny, Steve Ruskowski, Susan Dommer, Vicki Jourdan, Vicki Stewart and Vicky Zollars.

NOW, THEREFORE BE IT RESOLVED that the City Council of Madison Heights declares the week of:

April 9-15, 2017 as
NATIONAL ANIMAL CONTROL OFFICER APPRECIATION

in Madison Heights, in honor of the men and women whose diligence, caring and protections of animals help keep our City, citizens and animals safe.

Mayor Hartwell presented the proclamation to Animal Control Officer Suzette Gysel and the Animal Shelter volunteers, and acknowledged and thanked

them for their services to the City. ACO Gysel introduce the new part-time ACO, Jennifer Emmitt.

CM-17-58. National Public Safety Telecommunications Week.

City Manager Myers read the following proclamation into the record:

PROCLAMATION

WHEREAS, emergencies can occur at any time that require police, fire or emergency medical services; and,

WHEREAS, when an emergency occurs the prompt response of law enforcement, firefighters and paramedics is critical to the protection of life and preservation of property; and,

WHEREAS, the safety of our police officers and firefighters is dependent upon the quality and accuracy of information obtained from citizens who telephone the Madison Heights Dispatch Center; and,

WHEREAS, Public Safety Dispatchers are the first and most critical contact our citizens have with emergency services; and,

WHEREAS, Public Safety Dispatchers are the single vital link for our law enforcement, and fire personnel by monitoring their activities by radio, providing them information and insuring their safety; and,

WHEREAS, Public Safety Dispatchers of the Madison Heights Dispatch Center contributed substantially to the apprehension of criminals, suppression of fires and treatment of patients; and,

WHEREAS, each dispatcher has exhibited compassion, understanding and professionalism during the performance of their job in the past year;

NOW, THEREFORE BE IT RESOLVED that the City Council of Madison Heights declares the week of:

April 9-15, 2017 as
NATIONAL PUBLIC SAFETY TELECOMMUNICATIONS WEEK

in Madison Heights, in honor of the men and women whose diligence and professionalism keep our city and citizens safe.

Mayor Hartwell presented the proclamation to Lieutenant Fecteau who

accepted on behalf of the City's dispatchers, and acknowledged the important work that dispatchers do for the community.

CM-17-78. Mayor and Council - Comments.

Councilman Corbett stated that if any resident would like to stop by, he holds Council office hours at the library on Fridays from 1 p.m. to 3 p.m. No appointments are necessary. He also noted that if you wish to speak with another member of Council, please contact the City Manager's office to coordinate. He wished everyone a Happy St. Patrick's Day.

Mayor Pro Tem Bliss stated that he believes the goal process was improved this year. City Council was able to identify and prioritize goals from both City Council and staff. These goals were reviewed, feedback was received from citizen boards, and Council met with Department Heads at a public meeting resulting in over two dozen goals being adopted and budget savings identified. This process is a testament to the hard work by staff. He noted that Public Safety comprise of two-thirds of the budget goal financial investment, and includes adding an officer to Troy Special Investigation Unit. This additional officer will have an immediate effect on the citizens of our community. The City is also upgrading all EMS units to ALS transport, waiving EMS co-pays for all residents, keeping portable restrooms in parks, hiring an intern for the Recreation Division, implementing a tree replacement program, and starting a Red Oaks Water Park voucher program. He stated that he is very proud of this year's Goals process and thanked his Council colleagues and the Department Heads for their hard work. He recognized the students in the audience who are participating in this year's Mock City Council program, and asked them all to introduce themselves.

Councilman Gettings announced that there was still time to sign up for the 5K Walk/Run which is on April 15th beginning at 8:00 a.m. Registration can be made at the Parks and Recreation Department and is $20.

City Attorney Sherman had no comments this evening.

City Manager Myers welcomed the Mock City Council students and stated that he is looking forward to working with them. On behalf of the City's staff, he thanked City Council for their work in the Goal setting process.

Councilman Clark had no comments this evening.

Councilwoman Scott applauded the students for participating in the Mock City Council program and state Council will learn from the students. On March 23rd at Lamphere High School from 7:00 p.m. until 9:00 p.m., the Madison Heights Community Coalition is sponsoring a talking session on what is really happening to youth in the community. She thanked all those who have sent her a card or message on her recovery.

Councilman Soltis congratulated the students for participating in this year's Mock City Council program. He noted that a citizen called and suggested that labels be available on the recycling bins and requested that the City look into the suggestion with the GFL, the City's trash contractor. He wished everyone a Happy St. Patrick's Day.

Mayor Hartwell stated that he owes thanks to Council for their work on this year's goals. He stressed the City's appreciation to Senators Knollenberg and Gregory for their successful effort to enact legislation relieving local communities of the financial burden for limited access state trunkline repair and reconstruction and requested a thank you letter be sent. He also thanked DTE Energy officials for their efforts to restore power as a result of last week's windstorm and noted that the city suffered very few outages as a direct result of DTE trimming trees for the past year in the community. He noted the services that the City provides the residents, including advanced life support, police protection, public works, roads, parks, water delivery, and quality of life services such as the Senior Center and Library and advocated the city be a "welcoming city" to any resident, no matter where they were born.

CM-17-80. Letters of Recognition to Mock City Council.

City Manager Myers read the letter of recommendation for the Mock City Council Program participants and, on behalf of City Council, Mayor Hartwell presented each student with their letter.

CM-17-81. One Stop Ready Program Resolution.

Oakland County Community and Economic Development Department representatives Dan Hunter and Bret Rasegan presented a PowerPoint overview of the One Stop Ready Program and answered questions from City Council pertaining to the program.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve the following resolution:

CITY OF MADISON HEIGHTS - ONE STOP READY PROGRAM

WHEREAS, Oakland County Executive L. Brooks Patterson, established the One Stop Ready program to help local communities assess their strengths as an economic asset, follow their vision for the future, and empower leadership and staff to take action in order to be ready for economic and community development opportunities; and

WHEREAS, The One Stop Ready program is a community focused economic development program built on self-evaluation, information sharing and outstanding customer service; and

WHEREAS, the City of Madison Heights commits to work together with county staff to respond quickly and efficiently to economic development opportunities that strengthen the tax base and improve the quality of life for residents, businesses and governments; and

WHEREAS, the county is encouraging communities to participate in the One Stop Ready program to collaborate with the county and fellow communities for the purpose of improving economic development readiness; and

WHEREAS, the City of Madison Heights wishes to join the One Stop Ready program, will have all elected and appointed officials, and appropriate staff members sign a participation poster, and will designate an individual to be the local liaison to the One Stop Ready program; and

NOW, THEREFORE BE IT RESOLVED THAT, the Madison Heights City Council hereby accepts membership in the Oakland County One Stop Ready Program on this 27th Day of March, 2017.

Wayne Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens will be having a bowling fundraiser on April 14th, at 6:00 p.m. at Bowl One Lane. Please RSVP by April 9th to 248-819-1875. If you would like to attend and not bowl, the cost is $5 for pizza and pop.

Theresa Peters, owner of 30223 Longfellow, expressed her gratitude for the work the City is doing, especially Chief Haines and his officers, and thanked the City for their continued efforts toward reaching a final resolution to the problem.

Roslyn Grafstein, 29637 Spoon, thanked the City for allowing students to participate in the Mock City Council program and stated that she thought they did a great job. She stated that she was happy to see both the Madison and Lamphere school districts represented, and suggested that the City also reach out to Bishop Foley students.

Jim Capizzo, 863 Venoy, requested the Library add the Detroit News to their subscriptions.

CM-17-84. Resolution in Support of Maintaining a Pedestrian Overpass on I-75 South of 12 Mile Road.

Motion by Councilman Clark, seconded by Councilman Corbett, to approve the following resolution:

RESOLUTION IN SUPPORT OF MAINTAINING A PEDESTRIAN BRIDGE OVER I-75 SOUTH OF 12 MILE ROAD AS PART OF THE PROPOSED I-75 WIDENING PROJECT

WHEREAS, the Michigan Department of Transportation (MDOT) proposes to widen I-75 from Hazel Park to Auburn Hills; and,

WHEREAS, there are currently 9 bridges providing pedestrian crossing opportunities over I-75, one of which is a designated pedestrian bridge south of 12 Mile Rd; and,

WHEREAS, the proposed widening project will eliminate the existing Dallas Street cross-over Bridge and the Northbound Stephenson Hwy Bridge, leaving only 7 bridges providing pedestrian crossing opportunities over I-75; and,

WHEREAS, the City's adopted People Powered Transportation and Sidewalk Repair Program (PPTP) denotes the existing pedestrian bridge and calls for it to remain; and,

WHEREAS, the proposed I-75 widening project will disrupt vehicular and pedestrian access across I-75 during the several years of anticipated construction; and,

WHEREAS, it is paramount that MDOT mitigates the impact of their proposed widening project on pedestrians both during construction as well as after the widening is completed; and,

WHEREAS, continued pedestrian access across I-75 is vital to Madison Heights residents; and,

WHEREAS, the City of Royal Oak has passed a Resolution in support of MDOT maintaining the pedestrian crossing; and,

WHEREAS, the pedestrian bridge provides a critical link for pedestrians between Royal Oak and Madison Heights.

NOW, THEREFORE BE IT RESOLVED, that the City Council of Madison Heights strongly supports MDOT maintaining the existing pedestrian bridge, which is in need of immediate repairs, until such time as the widening project commences.

BE IT FURTHER RESOLVED, that City Council strongly supports MDOT maintaining this pedestrian bridge during construction, while the Dallas Bridge is removed and the 11 Mile Road Bridge is replaced, to insure continued pedestrian access across I-75 at all times.

BE IT FURTHER RESOLVED, that City Council strongly supports MDOT replacing the pedestrian bridge as a part of the proposed widening project and providing ongoing and timely maintenance of the bridge over its service life.

BE IT FURTHER RESOLVED, that Council requests that the City of Royal Oak repair their portion of the existing sidewalk connection to this pedestrian bridge and create the necessary sidewalk connections within the City of Royal Oak to insure safe and logical pedestrian connectivity between our cities.

BE IT FINALLY RESOLVED, that the City Clerk provide a copy of this Resolution to MDOT, and the Cities of Royal Oak, Hazel Park and Troy.

ADOPTED by the City Council of the City of Madison Heights, Michigan, this 27th day of March, 2017.

CM-17-85. Resolution Supporting Michigan Department of Natural Resources (MDNR) Grant Application for Wildwood Park Playscape.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to adopt the following resolution:

RESOLUTION IN SUPPORT OF THE MICHIGAN DEPARTMENT OF NATURAL RESOURCES (MDNR) RECREATION PASSPORT GRANT FOR THE WILDWOOD PARK IMPROVEMENTS PROJECT

WHEREAS, the Madison Heights City Council supports the submission of an application titled, "Wildwood Park Improvements" to the Michigan Department of Natural Resources Recreation Passport Grant for development of: an ADA pathway to the park amenities, a Universally Accessible playscape, engineered wood fiber surfacing, two (2) swing sets (including 4 toddler swings), four (4) benches, two (2) waste receptacles, two (2) Universally Accessible picnic tables, and several additional ground features.

WHEREAS, the proposed application is supported by the City's 5-Year Approved Parks and Recreation Plan; and, WHEREAS, the City of Madison Heights has made a financial commitment to the project in the amount of $45,000 in matching funds, and an additional $13,600 in cash and/or force account (in-kind labor); and,

NOW, THEREFORE BE IT RESOLVED, that the Madison Heights City Council hereby authorizes submission of a Michigan Department of Natural Resources Recreation Passport Application for $75,000, and further resolves to make available a local match through financial commitment and donation(s) of $58,600 (44%) of a total $133,600 project cost,

CM-17-86. Stormwater , Asset Management and Wastewater (SAW) Grant Contract Award.

Motion by Councilwoman Scott, seconded by Councilman Gettings, to award the bid for the 2017 / 2018 Madison Heights Closed-Circuit Television (CCTV) Sanitary Sewer Investigation / Sewer Cleaning Project to the lowest responsible bidder, United Resource, LLC of Livonia, Michigan, in the amount of $1,955,167 as part of the City's approved SAW Grant.

In response to Mayor Hartwell's question, City Engineer Tim Germain noted that the original grant amount was $2.4 million and the request before Council this evening is for less. He stated that the original grant amount was determined to maximize the grant. This is the first component of grant, and 95% of overall cost and the award includes hardware, software, and analysis which totals approximately $1.9 million. In response to Councilwoman Scott, Mr. Germain stated that the City has not done a city-wide inspection program in the past 25 years; however, the City does maintenance and televising, but not to this large of scale. This project will encompass the entire City, and include all sanitary pipes which we are responsible for from 6 to 60 inches. He continued that this is a great preventative measure and will give the City a picture of the situation as it stands today. The grant says the City has three years to fix problems identified and this will give the City the opportunity to prioritize, rank, and address any significant repairs first. Mr. Germain stated that funding for repairs may be obtained through DEQ low-interest loans or by utilization of other potential funding sources. City Manager Myers noted that City Council will see repair amounts programmed in the Five-Year Capital Improvement Plan. In response to Councilman Corbett, Mr. Germain stated that the service life of sanitary sewers is approximately 75-80 years, and the City is approaching this time frame in some areas.

CM-17-89. Mayor and Council - Comments.

Councilman Corbett thanked the students for participating in the Mock City Council program and stated they did a great job.

Mayor Pro Tem Bliss commented that of all the ideas that the City Council has allowed him to suggest and approve, the Mock City Council program is one of the things he is most proud of. He also noted that it was great that the students attended some of the citizen boards and noted that this is where a lot of the decision making is made. He encouraged the students to apply to serve on City committees once they turn 18, and he thanked them for participating in today's program. He also thanked staff for their work on the Mock City Council program.

Councilman Gettings reminded everyone that the 5K Fun Run is April 15th at Red Oaks Nature Center/Golf Course and there is still time to sign up.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers echoed the comments of City Council and thanked the students for participating in the Mock City Council program.

City Clerk Printz noted that it was a pleasure to work with all the students who participated in the Mock City Council program.

Councilman Clark stated that it was a real pleasure to work with the students and that he learned a great deal from them.

Councilwoman Scott thanked the students, noting that there is nothing like teaching something to really learn it. She stated that Madison Heights will be sponsoring an Easter Egg Hunt from March 31 through April 7 and eggs can be found in our local parks, businesses, and on city property. Each egg will have something inside, and she thanked local businesses for donating items that were placed in the eggs. She congratulated Kathy Forzley for being named the new Director of the Oakland County Health and Human Services Department and noted that the promotion was well deserved.

Councilman Soltis stated that *Older Michiganians Day* is Monday, May 17th and he encouraged Madison Heights seniors to come out and participate, noting it is a great time. He stated that the City and the Chamber of Commerce is trying to facilitate an I-connect meeting with local manufacturers with a tentative meeting date in June. He stated that he will announce more information once a date is confirmed.

Mayor Hartwell thanked students for their participation, impact, and information that they brought to this year's Mock City Council program. He complemented City Council for their thoughtful discussions on tonight's agenda, noting that there were a lot of big issues to consider.

1. Robert (Bob) Stouffer	1. Rosyln Yerman
2. Daniel Jasina	2. Kirby Rochester
3. Chris Ahern	3. Melba Kastelic

CM-17-96. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens next meeting will be at 7:00 p.m. on Tuesday, April 18th at Wilkinson Middle School, and all are welcome. She also stated her opposition to the Special Approval for a gas station on John R and 11 Mile Roads. Mayor Hartwell noted that there will be a public hearing at the next Council meeting to discuss the Special Approval.

County Commissioner and resident Gary McGillivray, 926 Tanglewood, stated that Oakland County is seeking employees for the Red Oaks Water Park. Any

teens interested can obtain information on these jobs and other summer employment on oakgov.com under the Human Resources tab. He stated that many years ago, when he was on the City Council, the City was able to cover the personnel costs of the Memorial Day Parade. When the economy crashed, the City had to make cuts; however, now that the City is doing a little better, it would be a good time to fund this portion of the parade again. He continued that this is a function that honors our veterans and should be considered as a City function. He stated that he sees nothing wrong with tax dollars paying to honor our war veterans. He added that the Parade Committee would still have to fundraise for the amenities portion of the parade costs.

CM-17-97. Memorial Parade Funding.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to approve staff creating a report on alternative funding sources for personnel for the Memorial Day Parade including police, fire and public services; the report is to be completed prior to the 2017 withdrawal of funds for reimbursement of personnel costs from the Parade Escrow Account.

Andy McGillivray, speaking on behalf of the Parade Committee, stated that private funding sources are dwindling and further cuts will need to be made if alternatives are not found for the Memorial Day Parade. He stated that it costs approximately $9,000 to put on the parade, with half going towards City personnel costs. Discussion followed on: what the Parade budget encompasses; other areas that could be cut, scaled back, or eliminated from the parade; clarification of how overtime is allocated and accounted for in the budget; what costs are specifically reimbursed to the City from the Parade Escrow Account; the number of personnel allocated towards the parade; and the use of Compensatory Time Off (CTO) instead of overtime. Mr. McGillivray stated that although the Parade Committee is not an official city board, it is the Parade Committee's request to have the City cover the cost of City personnel and the Committee will continue to raise funds for the remaining parade costs. Parade Project Director Martha Kehoe, 1765 Dulong, stated that she and the Committee appreciate everything that the Council and Mayor have done to support the parade in the past, and if the request for assistance wasn't necessary, they would not be before Council this evening.

CM-17-99. Mayor and Council - Comments.

Councilman Corbett gave a reminder that there will be no Council office hours this week due to the Easter holiday; however, they will resume next week and appointments are not necessary. He wished everyone a Happy Easter and Happy Passover.

Mayor Pro Tem Bliss thanked Council for supporting the motion regarding the Memorial Day Parade funding. He noted that the City has found savings in other areas for other projects, and stated Council is asking staff to be creative once again.

Councilman Gettings reminded everyone that the 5K Fun Run is April 15th at Red Oaks Nature Center/Golf Course and there is still time to sign up. The event begins at 8:00 a.m.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers had no comments this evening.

Councilman Clark had no comments this evening.

Councilwoman Scott wished Martha Kehoe a Happy Birthday. If you have a little one, the Library is having a special program called April Showers. To participate, register your child online or call the Library. Please support Library programs, they offer a lot to the community. She stated that there is a 24-hour Pollution Hotline available for residents. If you see anything please report it to the hotline at 248-858-0931. City Manager Myers commented that the hotline is monitored by the Oakland County Water Resources Commission and that the City has also used it to report pollution. Councilwoman Scott continued her comments by noting that the Oakland County Times advertises events in Oakland County, and she would like to see City organizations, along

with the City, use this resource to spread the word about upcoming events. She also requested the information regarding the Pollution Hotline and the Oakland County Times be added to the City's website. She thanked Andrew McGillivray for all of the contributions he has made to the City and stated that she hopes that he can continue to be active in Madison Heights.

Councilman Soltis stated that *Older Michiganians Day* is Monday, May 17th and he encouraged Madison Heights seniors to come out and participate, noting it is a great time. The group will be meeting at Senior Center at 9:30 a.m. He stated that the event is free and includes lunch. Please contact the Senior Center or himself if you would like to participate.

Mayor Hartwell stated that despite the strange weather, the lights have stayed on in Madison Heights. He stated that he would like to publish a report on the success of eliminating the power outages within the City. Mayor Hartwell echoed the sentiment in Councilwoman Scott's comments on Andrew McGillivray and thanked him for his service to the City.

County Commissioner McGillivray announced the *Great Marshmallow Drop* will be at Catalpa Park on April 14th at 10 a.m. There will be music and activities, and he noted that parking is limited.

CM-17-100. Adjournment.

There being no further business, the meeting was adjourned at 8:17 p.m.

CM-17-103. Special Approval No. 16-10, 27025 John R, Circle K Gas Station.

City Manager Myers reviewed the proposed Special Approval 16-10.

A public hearing was held at 7:47 p.m. to hear any comments pertaining to proposed Special Approval 16-10, under Section 10.326(7) of the Zoning Ordinance to allow construction of a gasoline service station, in the B-3, General Business District, at the northwest corner of John R and 11 Mile Road, 27025 John R. Road.

Gloria Moore, 27368 Dartmouth, noted that at the City's town hall visioning meeting, it was the consensus that this piece of property should be a park along with small businesses, a green space and something that would be enjoyable for the residents. Not an intersection of gas stations.
Benjamin Quiggle, 27112 Brush, stated that while the property could be a gas station, this is not the most attractive option. Mr. Quiggle continued that he believes it is already difficult to turn in this area, and this development may compound the problem. In response to his inquiry, Mayor Hartwell stated that a Traffic Study was available to the public and part of this evening's agenda packet. Mr. Quiggle also stated that he is concerned about noise from a 24 hour business.

Geraldine Hatcher, 637 E. Guthrie, stated that she was not happy with the proposal and the City has too many gas stations already. The City needs to have a development that helps to beautify the community.

Alexander Marr, 27129 Alger, stated that he believes there are too many gas stations already and that this is a short-term gain for long-term misery. He strongly encouraged a denial.

Larry Lewis, 26105 Osmun, believes a gas station shouldn't be approved. The development will increase traffic and he is worried about the safety of children. He stated that there are too many gas stations already.

Bobbie Lewis, 26105 Osmun, stated that she was not in favor of gas station. The school crossing is in this area and this is already a high traffic concentrated area. She stated that it is okay to have a green space.

Ron Butcher, 27105 Palmer, stated that he lives three blocks from intersection and he does not feel the community needs another gas station in the area. He stated that the City needs to develop a downtown to stay relevant and to truly be the City of Progress. He stated anecdotally, residential property values in surrounding communities are about 25% higher; the City needs to be forward thinking, not approving more gas stations.

Jousif Jarbo, 26122 John R, owner of Amori's Market and We Scream for Ice Cream, stated that as a business man, he welcomes new business, but not another gas station. He stated that he is a member of the Downtown Development Authority (DDA). It is his vision to have shops, restaurants, cafes, walkable and family areas in the downtown. He asked that the request be denied.

Mike Van Buren, 26346 John R, owner of Artech Printing and DDA Chair, stated that as a business owner he has mixed feelings about the request. The City doesn't need another gas station or liquor store; however, the property has been vacant for a long time due to contamination and the City has someone willing to clean it up.

Christopher Molencupp, 1854 E. Gregg Ave, stated that as a resident, you don't want to live by a 24-hour gas station due to the noise. While he understands it has been difficult getting a business at this location, he believes other alternatives should be sought.

Philip Ruggeri, 43231 Schoennher, stated that he is a zoning attorney representing the business community in the area. He stated that the proposed 24-hour facility is adjacent to residential property. This will diminish the property value of those homeowners. A gas station is not a way to attract new development. The negatives of this proposal include: a decrease in property values, the nuisance of a 24-hour operations, lighting concerns, the possibility of loitering, noise, traffic concerns, and the proximity and easy access to I-75 and I-696 make it an easy target for crime. The proposed development with 20 gas pumps has a potential of 3,200 cars per day. He distributed a map of existing gas stations in the surrounding areas. He urged Council to seek alternatives such as a nice commercial development with green space that will attract people. He concluded his comments by stating that this proposal is a

second-rate use of the property, and we may need to be patient to get the best use. The City has to watch out for a lack of creativity resulting in smaller businesses suffering. Business saturation can be very harmful. He also presented petitions in opposition to project with approximately 120 signatures to be entered into the record.

Mayor Hartwell read an email from Zaid Elia, owner of the shopping center on the northeast corner of John R and 11 Mile Roads. He stated that he is in support of the project because the parcel has been vacant for a long time, and the proposed use will add tax revenue to the City, bring much needed traffic to the area, will help eliminate an eyesore that is bringing property values down, and will be a vibrant redevelopment that will bring much needed energy to the area.

Randy Speck, Superintendent of the Madison District Schools, echoed the concerns regarding students' safety crossing the street in this area. He stated that the City has plenty of gas stations and he wouldn't want the City to be considered pro gas station and not pro homes.

Al Morrison, Madison District Schools Board President, stated that he is a strong advocate of south end as well as the whole city of Madison Heights. He stated that to keep young professionals in the City, we need to have a reason to keep them here. He stated that he is also concerned about student safety. He asked Council to take into consideration whether they would like to live by a gas station that is open 24 hours.

David Hurnevich, Principal of Madison High School, asked Council to be extraordinary. He stated that sons of this City are extraordinary because they took a chance. The people that are assembled here tonight who are trying to sway your opinion are taking a chance as well. Sometimes being extraordinary begins with one vote. Young people and parents want more than this for their City, and this vote tonight represents the best of who we can become.

Circle K representatives, Director of Real Estate Rich Lawrence and Consulting Engineer Robert Weller were present. Mr. Lawrence stated that while Circle K may not be a destination location, they are planning on making a high quality facility that the City and residents can be proud of. This is a $4 million investment and they are planning a modern, high quality, well designed, 5,000 square foot facility with on-site food preparation. He continued by noting that Circle K has an excellent reputation within the industry of being very strong operators. The business will be not be franchised out, it will be run by the company. Mr. Weller presented elevations and the site plan for Council and the audience. Mr. Weller stated that he has worked in this industry for 30 years. This is 5,000 square feet, masonry and stone building, with food services in building. He noted that the inside sales aspect of the proposal is in compliance with zoning requirements. The outside areas provide for adequate

circulation of vehicles and transport trucks, the lighting plan downcast, LED lighting that is shielded and designed not to be obtrusive to the neighbors, there will be a masonry screening wall on north property line, enclosed trash area, and landscaping on the road frontages. The site will be spacious, safe, well lighted, and secure. He presented the architectural elevations. Mr. Lawrence noted that they just opened a new location in Battle Creek, and the structure is built to last. In addition, they have a site opening in Warren at Van Dyke and I-696 and invited anyone interested to take a look at it.

Jim (no last name given) stated he was a resident and business owner, and that he was in favor of project. It will create jobs and add tax revenue.

Rashad Hassan, owner of BP Gas Station located at 26016 John R, stated that the business may generate tax revenue, but will put others out of business. He added that the bigger the gas stations tend to generate more traffic as well.

Roslyn Grafstein, 29637 Spoon, stated that this was not one of the visions of the town hall meeting. She noted that while it is great that the developer is willing to clean the property up, she asked if they would consider the project without the gas station component.

Property owner Ed Bahoura stated that he has been trying for the last fourteen years to develop this property. In those fourteen years, there have only been three proposals, none of which came to fruition - mostly due to economic reasons. He stated that he has been running the Sav-A-Lot and supporting the community and he understands concerns the community has; however, the reality is that the City has known about his need to develop the property. We have an opportunity here, and while he would have loved to do something more complimentary, there is nothing currently in the pipeline.

Christopher Barich, 894 E. Kalma, stated that he does not want another gas station or liquor store.

Seeing no one further wishing to speak, Mayor Hartwell closed the Public Hearing at 8:30 p.m.

Motion by Councilman Clark, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from Robert Wellert (Wellert Corporation) requesting under Section 10.326(7) of the Zoning Ordinance to allow construction of a gasoline service station at 27025 John R. Road in a B-3, General Business District; and,

WHEREAS, a public hearing was published in the Madison Park News on April 5, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 27025 John R

REQUEST: Special Approval is requested under Section 10.326(7) of the Zoning Ordinance to allow construction of a gasoline service station in the B-3 General Business District.

EXISTING ZONING: B-3, General Business

EXISTING USE: Vacant

STAFF ANALYSIS:

1. Special Approval is required for gas stations in the B-3 General Business District. The Applicant proposes a gas station and convenience store with alcohol sales. The convenience store and alcohol sales do not require special approval and could be developed on the site through the site plan review process without gasoline sales.

2. Parking exceeds the minimum requirements of the Zoning Ordinance.

3. Proposed Hours of Operation: 24 Hours per day – Seven Days per week.

4. The applicant provided a traffic impact analysis for the proposed facility. The site plan and traffic study were reviewed by the Traffic Safety Committee. The TSC's comments were addressed on revised plans regarding 11 Mile bus stop location and curbing of proposed traffic island on 11 Mile Rd. Driveway. The TSC has no additional comments to address.

5. No automotive repair is proposed.

6. The Site Plan Review Committee has reviewed the site plan and has no additional plan-related comments to address. The

proposed site plan does not meet the following provisions of the Zoning Ordinance:

a. Fuel Loading Area – Section 10.507(b) prohibits these areas where they face any street. The proposed fuel drop area is between the proposed canopy and John R – immediately adjacent to the front property line. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

b. 11 Mile Road Driveway Curb Opening – Section 10.319(2)(f) requires driveways to be a maximum 35' wide, with a maximum 50' curb opening. The proposed 11 Mile driveway is 48' wide with a 120' curb opening. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

c. Gas Station / Alcohol Sales Separation Requirement – Section 10.319(2)(j) prohibits alcohol and gasoline sales in the same building unless there is a masonry firewall between the alcohol and gas sales areas and they are separated by a minimum of 500' between entrances. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as Special Approval Board in accordance with the Section of the Code of Ordinances, for the reasons stated on the record, included in staff reports, and as guided by the City Code, DENIES Special Approval 16-10.

Councilman Corbett stating the reasons for the Zoning Variances are more nuanced than simply gasoline sales. The presence of alcohol sales, the lack of distance between the entry of the gasoline sales and the alcohol sales, and the placement of the intake for fuel are the reasons the special use had been rejected. Additionally, what is relevant is the impact of traffic and the associated risk, there is not a need for this service at this location, and impact of possible pollution to the area. In addition, it is almost inevitable that with the existence of a gas station there is contamination to the soil in the future. This is relevant to the neighboring community and could have a detrimental effect on the homeowners. After reviewing the standards of our ordinance, the particular plan before us that has been submitted, in his opinion, has deficiencies that were created by the petitioner.

In response to Mayor Hartwell's question, City Manager Myers read the list of variances that would need to be obtained by the applicant:

a. Fuel Loading Area – Section 10.507(b) prohibits these areas where they face any street. The proposed fuel drop area is between the proposed canopy and John R – immediately adjacent to the front property line. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

b. 11 Mile Road Driveway Curb Opening – Section 10.319(2)(f) requires driveways to be a maximum 35' wide, with a maximum 50' curb opening. The proposed 11 Mile driveway is 48' wide with a 120' curb opening. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

c. Gas Station / Alcohol Sales Separation Requirement – Section 10.319(2)(j) prohibits alcohol and gasoline sales in the same building unless there is a masonry firewall between the alcohol and gas sales areas and they are separated by a minimum of 500' between entrances. A variance from this Section of the ordinance would be required should City Council grant Special Approval.

Mayor Hartwell noted that in addition to not meeting the Zoning Ordinance, other standards in our ordinance support denial, including: Section 10.201.4 (C) The use shall be designed and located so that it is compatible with the surrounding properties, neighborhood and vicinity; Section 10.201.4 C(4) - need for the proposed use in specified area of the City; there is no need for this use on this site and it does not conform with public vision specifically in the DDA; and Section 10.201.4 G - there may be an adverse impact on the environment. Mayor Hartwell stated that he believes the proposed use is too intense for this site.

Mayor Pro Tem Bliss stated that the reason we have Special Approvals is to be purposeful in making these decisions and to know what the needs of the area are. This project does not have a defined need in the area; there is a risk of increased traffic; and he has empathy for the residents with added traffic and safety issues. He stated that he does not see a fit due to the environmental and safety issues.

Councilman Corbett stated that we need to recognize that this is private property and while we can't force certain types of development, we can enforce our Special Approval Review Standards and Criteria.

In response to Councilwoman Scott's question, Mr. Lawrence stated that the screening wall is six-feet high and masonry construction. It will be located on the northern property line. Community Development Director Schafer stated that the six-foot screening wall is the standard and the requirement between commercial and residential districts.

For reference, City Attorney Sherman read the General Standards to be considered by City Council for the granting of a Special Approval, and noted that specifically, Section 10.319 (4), 10.201, and 10.805 have been discussed this evening and applicable to each application before City Council. He read the following into the record:

Section 10.805. Standards.

Each case before the City Council, Zoning Board of Appeals or Plan Commission shall be considered as an individual case and shall conform to the detailed application of the following standards in a manner appropriate to the particular circumstances of such case. All uses as listed in any district requiring approval for a permit shall be of such location, size and character that, in general, it will be in harmony with the appropriate and orderly development of the district in which it is situated and will not be detrimental to the orderly development of adjacent districts. Consideration shall be given to the following:

(1) The location and size of the use.

(2) The nature and intensity of the operations involved in or conducted in connection with it. (See section 10.319(4).)

(3) Its size, layout and its relation to pedestrian and vehicular traffic to and from the use.

(4) The assembly of persons in connection with it will not be hazardous to the neighborhood or be incongruous therewith or conflict with normal traffic of the neighborhood

(5) Taking into account, among other things, convenient routes of pedestrian traffic, particularly of children.

(6) Vehicular turning movements in relation to routes of traffic flow, relation to street intersections, site distance and the general character and intensity of development of the neighborhood.

(7) The location and height of buildings, the location, the nature and height of walls, fences and the nature and extent of landscaping of the site shall be such that the use will not hinder or discourage the appropriate development and use of adjacent land and buildings or impair the value thereof.

(8) The nature, location, size and site layout of the uses shall be such that it will be a harmonious part of the district in which it is situated taking into account, among other things: prevailing shopping habits, convenience of access by prospective patrons, the physical and economic relationship of one type of use to another and related characteristics.

(9) The location, size, intensity and site layout of the use shall be such that its operations will not be objectionable to nearby dwellings, by reason of noise, fumes or flash of lights to a greater degree than is normal with respect to the proximity of commercial to residential uses, not interfere with an adequate

supply of light and air, not increase the danger of fire or otherwise endanger the public safety. (Ord. No.597, § 6, 4-10-78)

Mr. Sherman continued that these are all general standards that City Council needs to consider when making a decision on the motion.

Councilman Soltis stated that he agrees with the discussion pertaining to the Special Approval Standards, specifically as they relate to safety and environmental issues, public input, and the impact on existing businesses; he stated that he believes it is appropriate to consider a denial of the request.

Councilwoman Scott thanked the applicants and the public for addressing Council this evening.

CM-17-104. Special Approval No. 17-01, 580 Ajax, Faithful Companion Memorials, Inc. Crematory.

City Manager Myers reviewed the proposed Special Approval 17-01.

A public hearing was held at 8:56 p.m. to hear any comments pertaining to proposed Special Approval 17-01, under Section 10.329(5) of the Zoning Ordinance to allow a crematorium to operate in the M-1, Light Industrial Zoning District, at 580 Ajax Drive.

Gloria Moore, 27358 Dartmouth, asked about the filtration system, specifically will there be ash in the air and are the animals checked for disease?

Faithful Companion General Manager and Director of Development Tom Rood responded that the filtration is a self-contained retort unit. It is a two burner unit, with the first burner combusting what comes off of the remains. There is a stack that comes approximately 6-8 feet off the roofline of the building; however, just heat energy is released, no smoke or cremated remains are released from the stack. Their business has been in operation since the early 1990s and they have two human cremation facilities. Annually, they cremate approximately 7,000 humans, 15,000 pets privately, and 19,000 pets communally. He noted that in every other state other than New York and Michigan, crematories are located in the funeral home. The facility does not emit smoke or odor.

Linda Dourough-McGillivray, 30151 Brush, stated her opposition to the Special

Approval, and commented that based on her research she has found that facilities such as this can omit mercury which would be dangerous for housing in the area.

Keith Hurkett, 1805 Castlewood, asked where the bodies are stored when the crematorium is not operating. He stated the he is opposed to the crematorium in the City after years of having an incinerator located here. This is a high activity operation which is open until midnight and handling a lot of bodies; we don't need to have this in our city.

Mr. Rood responded that the facility is equipped for redundancy. If they have a machine that goes down, they have other machines on site. If there was a simultaneous failure, they can transfer the deceased to an alternate location. There is very little storage of bodies and they never have a body for more than 18-24 hours. There is also a refrigerated area that is utilized.

Jim Capizzo, 863 Venoy, urged Council to make sure there are zero emissions prior to voting on the Special Approval.

Gary Brown, 30104 Alger, stated that he is concerned about the omissions, and in the past three years we have overcome a lot between the economy and flooding and we are just getting out of the red. He thinks it will hurt the value of the homes in the area.

Mayor Hartwell read business owner Richard Moores's comments into the record stating that he called City Hall to express his disapproval of the Special Approval and noted that his concerns are regarding smell, disease, and the effect on property values.

Partial Owner of Faithful Companion Joseph Santieu, 50903 Denali Ct., Novi, commented that even with the volume of the operations at their Royal Oak location, most people do not even know they are there. He stated that this is a very discreet operation.

Seeing no one further wishing to speak, Mayor Hartwell closed the public hearing at 9:05 p.m.

Motion by Councilman Clark, seconded by Councilman Soltis :

WHEREAS, a Special Approval Board application has been received from Faithful Companion Memorials requesting under Section 10.329(5) of the Zoning Ordinance to allow a crematorium to operate in the M-1, Light Industrial Zoning District, at 580 Ajax Drive; and,

WHEREAS, a public hearing was published in the Madison Park News on April 5, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 580 Ajax Road

REQUEST: Special Approval is requested under Section 10.329(5) of the Zoning Ordinance to allow a crematory facility to operate within the existing building at 580 Ajax Rd.

.

EXISTING ZONING: M-1, Light Industrial

EXISTING USE: Vacant

STAFF ANALYSIS:

1. Special Approval is required for operation of a crematory facility in the M-1 District. Faithful Companion Memorials, Inc. proposes to operate a pet and human crematory facility in the existing building. Information regarding the proposed cremation process and facilities is attached. It has been reviewed by the Fire Marshal and Building Official and they have no additional comments to address.

2. The site plan has been revised to address the new required landscaping and bike rack standards.

3. Parking exceeds the minimum requirements of the Zoning Ordinance.

4. Proposed Hours of Operation: 8:00 am – 12:00 Midnight – Seven days per week.

5. The Site Plan Review Committee has reviewed the site plan. All review comments have been addressed.

6. Approval would be conditioned upon compliance with 3-7, Oder, 3-8 smoke; 3-9 flash

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as Special Approval Board in accordance with the Section of the Code of

Ordinances, hereby approves a crematorium at 580 Ajax Road.

Councilman Corbett asked if the location that the business is currently at is more industrial in nature than the proposed Madison Heights location. Mr. Rood stated they are in an industrial area in Royal Oak; however, a residential area is two blocks away, similar to the Madison Heights location.

In response to Mayor Pro Tem Bliss's question, Community Development Director Schafer stated that the residential area is approximately 250 feet away; he continued that the proposed location is surrounded by light industrial property.

In response to Mayor Hartwell's question, Mr. Schafer answered that the adjacent property existing land use is light industrial. There is residential property on the north side of Gerard, on the opposite side of the street. He confirmed the Mayor's question that the business is accountable for emissions, and the City does have an ordinance regulating this. Mr. Schafer noted that this ordinance could be referenced as a condition to the approval so that it is on the record as part of the Special Approval. It would give the applicant, the public and City Council the defined standards that will be used to determine compliance.

Mr. Rood stated that there is no ash because cremated remains are contained; in addition, the process is tightly regulated by the Michigan Department of Environmental Quality. Odor is not emitted and is not allowed by State law. He continued that the company has been in death care since 1970, is State licensed, and bodies are unloaded in an enclosed garage area and typically cremated within 7-8 hours. They are highly respectful of the body; they do not store deceased humans or animals other than those waiting for cremation.

In response to Councilman Soltis's question, Mr. Rood stated that in Michigan, crematories are not allowed at a funeral home, only at individually owned facilities or at a cemetery.

City Attorney Sherman reviewed the Special Approval standards to be considered by City Council.

In response to Councilwoman Scott, Mr. Rood stated that there will be signage on the building that says "Southern Michigan Services and Faithful Companion;" however, the word crematorium will not be on the sign.

City Manager Myers clarified for City Council that the closest residential property appears to be 261.8 feet according to the City's GIS system.

Councilman Clark commented that if there are any violations or the residents complain, the City will act on it immediately.

In response to Councilman Corbett's question, Mr. Root stated that he could provide technical data on the retort manufacturer that states the equipment exceeds standards for the release of any toxic omissions, including mercury. This is also part of the MDEQ code that oversees our operation. The State has a zero tolerance for the release of anything through the stack and it is consumed in the secondary burner.

CM-17-105. Meeting Open to the Public.

Former Hazel Park Mayor Jack Lloyd commended City Council for how they handled the issues before the board tonight. He stated that he thinks Madison Heights is moving forward and is the City of Progress.

Christopher Barich, 894 E. Kalma, stated that there appears to be a lot of rentals around where he lives and he was wondering if there is a certification that the landlord needs to get. Mr. Schafer responded that the City does have a licensing process. The property is inspected and has to comply with the Property Maintenance Code. It is a three-year license; if you notice anything is in disrepair or if you believe someone is not licensed, please call Code Enforcement for follow-up.

CM-17-110. Mayor and Council - Comments.

Councilman Corbett stated there will be Council office hours at the Library this Friday from 1 p.m. – 3 p.m., no appointment is necessary.

Mayor Pro Tem Bliss reported that there has been a resolution to the hoarder house and stated that a lot of work was put in by staff to resolve the issue. He asked staff to compile a report to detail what we learned and for the purpose of using it as a guide for future issues. He also requested that a formalized group be established in case the issue should arise in the future.

Councilman Gettings stated that the 5K Run had a good turnout; he thanked the volunteers and noted that the event went off well despite weather.

City Attorney Sherman commented that this evening, the City had full Council chambers and noted that the police personnel received standing ovations upon

the presentation of their awards. He stated that he thought that was a very nice gesture, and it was nice that the City honored local citizens as well for their noble acts.

City Manager Myers noted that on April 28th the City will be participating in Arbor Day at Ambassador Park. There will be information on tree and tree planting, and the City will also offer 30% discounts on memorial trees to residents.

City Clerk Printz stated that the Oakland County is in the process of purchasing and implementing new voting equipment. More information will be forthcoming once details are finalized.

Councilman Clark had no comments this evening.

Councilwoman Scott announced the Madison Spring Family Carnival from April 24th until April 27th and noted that arm bands are available to purchase. She stated that there will be lots of events and the event in the past has been well attended. She also announced that the Lamphere Schools Drama Club will be presenting Grease this Thursday, Friday, and Saturday as well as a Sunday matinee. The price for tickets is $15 for an adult and $10 for seniors. They will be having elementary and middle school students participating in the production as well.

Councilman Soltis had no comments this evening.

Mayor Hartwell thanked Mike Pietraszewski for his input and noted that he had an excellent idea last fall to paint the fire hydrants. Mayor Hartwell stated that details on the implementation of this project will be announced soon.

Special Council Meeting
Madison Heights City Council
Madison Heights, Michigan
April 26, 2017

A Special Meeting of the Madison Heights City Council was held on Wednesday, April 26, 2017, at 7:00 p.m. in the Council Chambers of the Municipal Building at 300 W. 13 Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Clark, Gettings, Scott and Soltis (arrived at 7:04 p.m.). City Manager Myers, Deputy City Manager Marsh and City Clerk Printz.

Also Present: Assistant City Attorney Sherman, Fire Chief Lelito, Police Chief Haines, Community Development Director Schafer, Department of Public Services Director Vitali, Library Director Yerman, IT Administrator James Blackburn, 43rd District Judge Hunt, and Court Adminiostrator Arseneault.

CM-17-114. Meeting Open to the Public.

Madison Heights Firefighter Union President Ray Gilson, 18046 TeTerra Drive, Macomb, thanked Council for making the paramedic ALS ambulances a priority in the upcoming year's budget. The run volumes have increased 50% since 1999. He stated that he would like Council to consider increasing the minimum staffing of the Fire Department, noting that in the past five years, he has seen a 27% increase in run volume despite no additional staffing. He stated that he would love the opportunity to share ideas and discuss staffing level issues and how to address this in the future.

CM-17-115. Presentation and Review of Proposed FY 2017-18 Budget.

Mayor Hartwell welcomed everyone to the Special Council Meeting to review the Proposed Fiscal Year (FY) 2017-2018 Budget.

City Manager Myers and Deputy City Manager Marsh provided the Council with an overview presentation of the Proposed FY 2017-2018 Budget.

City Manager Myers began the presentation by commending the Deputy City Manager, Department Heads, and staff for their work in preparing a proposed budget that maintains existing services with limited revenues. He thanked the City Council for their feedback and direction as part of the Financial Outlook, goal setting process, and Capital Improvement plan which are important parts of the budget development process.

Mr. Myers stated that the Proposed Budget is presented in accordance with a detailed calendar that is contained in the Policy Document. Last Fall, the annual budget process for 2018 formally began with the development of the Long Range Financial Outlook presented to Council in November. Major capital items over $30,000 are included in the City's Five Year Capital Improvement Plan, or CIP, which was presented to Council in January. Between November and March, Council and staff determined the City's focus for 2018 through the development and adoption of city-wide goals. Preparation of the Operating Budget began in January and following the goal plan adoption, the City Manager, Deputy City Manager, and staff finalized the Proposed Budget which was submitted to Council on April 6th. The remaining highlights of the budget calendar include today's Council Budget Presentation and Workshop, and the adoption of the Budget and Tax Levy scheduled to take place on the second Monday in May, which is May 8th.

He summarized the budget presentation this evening stating that it will include: the guiding principles used in developing the budget including the approved budget process, the financial challenges we continue to face, significant changes that are included in the budget, a summary of the overall Proposed FY 2018 Budget, and the goals and priorities that were taken into account in balancing the General Fund budget, and discussion of other funds including the proposed changes to the water and sewer rate structure for 2018.

Mr. Myers continued by stating that in preparing the budget, the goals and financial policies adopted by City Council guided our process. First, staff has conservatively estimated revenues and expenditures, including a thorough review of each department with the respective department head, and a careful and updated analysis of projected revenues. Second, we balanced each special millage with the applicable expenses, focusing on millage reserves and prioritized, needed projects. Third, we analyzed projected fund balance levels and avoided the use of fund balance for ongoing expenditures such as salaries, allowing us to maintain the updated target fund balance. Fourth, we reviewed taxes and fees being charged to the residents and businesses to make sure they remain reasonable.

Mr. Myers stated as an important ingredient of the Budget, City Council and staff focused on the development of City-wide goals which were adopted by Council in March for Fiscal 2018. All of the adopted goals are referenced in the Budget Policy Document. Goals which require funding have been included in the Proposed Line-Item Budget to accomplish these goals. Some noteworthy examples including adding a Police Officer position for the Troy Special Investigations Unit, upgrading our front-line fire engines from basic to advanced life support, improving pedestrian and traffic safety along Dequindre between 11 and 13 Mile Roads, establishing a right-of-way tree replacement program, retaining and expanding available portable restrooms in the parks, and increasing library services including a young adult book club and training for electronic book options. A complete list of approved goals is included in the budget document and available online.

Deputy City Manager Marsh stated that looking ahead to Fiscal 2018, we continue to see encouraging signs of economic recovery both state-wide and locally. While this trend is gradually lessening the budgetary constraints on the City, we continue to face four major financial challenges that restrict the City's ability to keep up with growth and the expectations to restore services and staff that were reduced during the Great Recession from 2008 to 2015. These continued challenges are the overall state-wide municipal funding model, the reduction of the City's tax base due to personal property tax reform, the lack of significant increases in State Revenue Sharing, and legacy cost for pension and other post-employment benefits, namely retiree health care. These challenges have hindered the City year after year and will continue to cause funding problems until the State legislature makes significant reforms to the structure of City funding and legacy cost, such as eliminating or offsetting the drastic cumulative effect of the Headlee Amendment and Proposal "A" caps on taxable value.

Ms. Marsh indicated the number one financial challenge facing Madison Heights and most municipalities in the State of Michigan is the current State tax structure. . Under the State Headlee Amendment and Proposal "A", growth in property tax values is limited to 5% or the rate of inflation, whichever is less. This forces the City to share in the financial burden during tough times, but it doesn't allow for local governments to share in the prosperity of good times. To illustrate this point, in FY 2018, Madison Heights's residential real property values increased by 2.7%, and overall residential, commercial and industrial values increased by 11.3% from the prior year. Overall, taxable value increased by only 0.8%. This hampers our ability to provide services and create new initiatives to make our City a

better place to live. Due to millage adjustments, General Fund property tax revenues are projected to increase by 2% in Fiscal Year 2018.

Ms. Marsh continued that the second major financial challenge facing Madison Heights and other Michigan municipalities is the decline in personal property taxes (PPT) due to the personal property tax reforms passed by the State. Starting in 2014, personal property taxes are not assessed on parcels that have $80,000 or less in personal property. And in 2016, taxes were also eliminated on all eligible manufacturing personal property (EMPP). EMPP acquired prior to 2006 and after 2012 is now fully exempt from property taxes, and exemptions of EMPP purchased between 2006 and 2012 will be phased in over the next seven years. In Madison Heights, this latest implementation of personal property tax reform has reduced our taxable value for personal property by over 75%, resulting in a reduction of property taxes by over $2.5 million. Fortunately, the tax reform law includes reimbursement of this loss in its entirety; however, to date the City has received only about $2 million in new stabilization revenue or 79% of the lost PPT revenue.

Ms. Marsh stated the third major financial issue also relates to long-term revenue loss imposed on the City from the State of Michigan through State Shared Revenue. According to the Michigan Municipal League's website - SaveMiCity.org - the City has lost over $11 million dollars in revenue sharing payments from the time period of Fiscal 2003 to Fiscal 2015. During this same period, the State's revenues have increased by almost 29%, but revenues the state provided to local government for services like police, fire, and recreation, decreased by more than 56%. Michigan is the only state to experience a decrease in general municipal revenue from 2002 to 2012. State shared revenue is the City's second largest revenue source budgeted at $2.8 million or 10% of General Fund Revenue. The City has not been close to full funding of State Revenue Sharing since 2003.

City Manager Myers stated addressing the issue of legacy cost for pensions and retiree health care remains a fourth central financial challenge for the City. As of June 30, 2016, the unfunded liabilities for pension and retiree health care stood at $46.6 million and $75.4 million, respectively, for a total unfunded liability of $122 million. In September 2016, the City issued $15.25 million in Pension Obligation Bonds (POBs) to fully fund the General Employees Pension with a projected savings of $4 million over the next 16 years. This brought the General Pension liability to zero with the only required payments being for each year's normal cost, which is defined as the pension cost earned by the active employees in the current year only.

Mr. Myers continued by stating that the 2018 budget includes the $3.1 million actuarially required contribution for all pensions, as well as a planned contribution to Other Post-Employment Benefits or OPEB of $3.8 million, totaling $6.9 million. This increase is directly related to a change in the mortality table for members of the Police and Fire Pension system. The required Police and Fire Pension contribution will necessitate an increase in the millage that supports this contribution and will be discussed in detail later. Please note that this contribution is in addition to the debt payments for the recently issued Pension Obligation Bonds for General Employee pensions.

Mr. Myers stated that for Fiscal 2018, there are two major proposed changes to the millage rate. The City's millage rate for Police and Fire Pension is increasing from 5.86 mills to 6.96 mills to cover the actuarially required pension contributions. In addition, this millage will result in the same amount as last year going toward the City's calculated annual contribution for OPEB, covering 57.8% of the recommended contribution. The second change relates to the continued restructuring of the Water, Sewer and Stormwater rates. In Fiscal 2018, we have budgeted to remove the debt for the George W. Kuhn Drain project from the rate structure, applying it instead as a millage on the summer tax bills. A number of municipalities use this methodology, which is the preferred approach for collecting the debt and is allowed under Chapter 20 of the Michigan Drain Code. The new millage, called a Chapter 20 Drain Debt, will be 1.1562 mills in Fiscal 2018. One of the City's eleven proposed millages, the Fire Stations Bond Millage, is being reduced in order to match the bond payment schedule. The average home with a taxable value of $34,340 will see an additional $77 in City taxes in the summer as a result of these changes in millages. For Fiscal 2018, the average home market value is $97,400 with a taxable value of $34,340 and an average tax bill of $868 for City services.

Deputy City Manager Marsh commented that as of June 30, 2017, the City will be at 22.7% of the City's debt limit of $77.6 million, which is based on 10% of assessed valuation. The City has general obligation bonds outstanding in the amount of $17.6 million. The City is also responsible for our share of eight bonds related to the George W. Kuhn Drain project, for a total of $5.6 million. These bonds, which are scheduled for final payment in Year 2029, are not counted toward the debt limit. The City's latest government bond rating occurred in June 2016, when the City secured a rating from Standard and Poor's ("S&P") for the issuance of general obligation bonds. S&P assigned a "AA-/stable" underlying rating, describing the City as having strong management with

good financial policies and practices under the financial management assessment methodology; adequate budgetary performance, including operating surpluses in the General Fund and at the total government fund level; and very strong liquidity.

Ms. Marsh noted that the Fiscal 2018 Budget reflects a total net increase of 3.1 full-time equivalencies (FTEs). This increase is due to hiring a new Part-Time Probation Officer at the Court which coincides with decreasing budgeted hours for the two current Part-Time Probation Officers; increasing the hours for the Part-Time Office Assistants in DPS and the Clerk's office; adding a new Part-Time Recreation Intern which is an Adopted City Goal; incorporating the Part-Time Social Media Intern position into our personnel schedule; and adding a new Full-Time Police Officer position to accomplish the Adopted Goal of participating in the Troy Special Investigations Unit.

City Manager Myers stated that included in the Fiscal 2018 proposed budget are several significant changes from past fiscal years. The first set of changes pertains to our water and sewer rate structure. First, the water rate will decrease in Fiscal 2018 by 10.3% from $3.39 per unit to $3.04 per unit. Sewer rates will decrease 10.1% from $3.83 per unit to $3.44 per unit. The Stormwater rate is charged per equivalent residential unit (ERU) and is currently $5.17 per statement, billed quarterly for residential and monthly for commercial. In Fiscal 2018, this will change to $11.37 per quarter for all billing types. Also, the quarterly $3.00 meter replacement charge is being eliminated along with the flat rate Service Charge for commercial accounts.

Mr. Myers continued that in order to more accurately and properly charge for the City's principal and interest debt service payments for the George W. Kuhn Drainage District improvements, the FY 2018 Budget reflects moving the payment from the Water and Sewer Fund to a new millage, as allowed under Chapter 20 of Public Act 40 of 1956. The net effect of the move to the City is zero, but each property owner will be affected differently based on their water and sewer usage and the taxable value of their home. For the example the home cited earlier with a taxable value of $34,340, assuming quarterly water usage of 12 units and a Stormwater ERU of 1.072, the annual water and sewer bill in Fiscal 2016 would have been $419.52 and would have decreased by 9.3% to $380.73 in Fiscal 2017. In Fiscal 2018, this homeowner will pay $359.79 in water and sewer charges and a Chapter 20 Drain millage amount of $39.70, resulting in a net increase of $18.77 under the new methodology. It is important to note that over the two-year stormwater adjustment period, this homeowner's total bill will decrease by 4.8%, factoring in the new drain debt millage.

Mr. Myers continued that the Fiscal 2018 Budget also reflects an increase in required pension contributions. In Fiscal 2017, the Police and Fire Pension required contribution was budgeted to be $2,549,000. For Fiscal 2018, the required amount has increased to $2,824,000, based on actuarial mortality table changes that reflect increased life expectancy. Council will also note a new Pension Obligation Bond Department in the Fiscal 2018 General Fund Budget to account for the principal and interest payments on the recently issued Pension Obligation Bonds. To offset this expense, all pension contributions for General Employees have been reduced to the normal cost for the fiscal year, where the normal cost is the pension cost earned by the active employees in that current year only. The total net effect on the budget for all pension changes equals a savings of over $54,000 as compared to Fiscal 2017.

Also, City Manager Myers stated the City has established a New Internal Service Fund for the Department of Public Services employee personnel cost allocation. In the past, all DPS employees were allocated by a fixed amount to each DPS Division in the City where they regularly perform tasks. Through the new internal service fund, 100% of all personnel for DPS employees will be charged to this Fund and the services will be allocated monthly to each Division based on the actual task performed as tracked in the Workorder system. This results in the addition of a DPS Charge under Other Services & Charges. This change will also assist with our accounting to comply with reporting requirements under Public Act 51 which pertains to our State gas and weight tax road allocations.

Mr. Myers noted that the Proposed Fiscal 2018 General Fund budget was balanced through the utilization of $327,000 of fund balance. As of June 30, 2016, the General Fund unreserved fund balance was $8.4 million, and is estimated to be $5.9 million at June 30, 2017. Based on the budgeted use of fund balance, the City projects that fund balance will be $5.6 million at the end of Fiscal 2018, or 16% plus one year of debt payments. This is in compliance with the financial policies approved by City Council, directing staff to keep fund balance equal to or above 16% of regular operating expenditures plus one year of debt payments. The total budget equates to $51.3 million and includes funding of operating and capital purposes for 13 appropriated funds. This amount represents a $1,074,000 or 2.0% decrease from the prior year amended budget. The operating budget is projected to decrease by $840,000 or 1.9%, while the capital budget decreases by $233,000 or 2.6%.

Ms. Marsh stated that Fiscal Year 2018 Capital Outlay purchases total $8.6 million for all funds including $1.3 million for the General Fund. Of

the General Fund purchases, 47.8% or $574,000 are funded through dedicated millages including Proposals "V-3", "L" and the Senior Millage. The General Fund purchases that are not funded through dedicated millages include the second phase of the underground storage tanks located behind the Police Department building, a Microsoft Exchange Server, upgrading the fire engines from basic to advanced life support (which is a City Goal), two (2) chest compression systems for the Fire Department, phase one funding for an ambulance rescue vehicle, Fire Station #2 parking lot improvements and apparatus room floor resurfacing, a toolcat utility vehicle for the Streets Division, a roof replacement for the Nature Center, replacement of aging swing sets throughout the city parks, replacement of the Wildwood Park playscape, and pavement and a parking lot replacement at Ambassador Park.

Regarding Other Funds, Deputy City Manager Marsh noted they include a capital outlay of $7.3 million. The majority of this amount, or $3.4 million, is budgeted for road rehabilitation and reconstruction projects including Proposal R-2 dedicated millage projects, major roads sectional work, and the sidewalk repair and gap program.

She continued that the Fiscal 2018 budget includes a continuation of water main replacements associated with Proposal "R-3" road projects at $707,000 and Non R-3 watermain for $592,000. These water mains are being funded through a use of fund reserves. Other capital purchases that are included in the budget are $206,400 as a local match for a $1 million grant-funded sanitary sewer inspection and rehabilitation program, the final phase of the underground storage tanks located behind the Department of Public Services, replacement of the salt dome structure, repairs and replacement to the Department of Public Services parking lot, a utility locator, an updated Neptune Collector for the Automatic Meter Reading System, and a sewer camera trailer. The Fiscal 2018 budget also includes $1 million for District Two or Year Two of a four-year program for the City-wide replacement of water meters which were last replaced between 1995 and 1997 and are at the end of their useful service life. District 2 will cover the area between 11 and 12 Mile Roads. Money has been reserved to fund this project with the first phase budgeted at $1 million and a total project cost estimated at $3.9 million.

Mr. Myers stated the FY 2018 budget includes an increase in the Major Street Fund of $267,000, or 15.6%. This is directly related to available revenues and road projects that are included in the budget from one year to the next. Rehabilitation work is being budgeted in Fiscal 2017-18 for a total of $1.2 million. This includes sectional concrete replacement on East Lincoln from Wolverine to Dequindre; 11 Mile from John R to Dequindre;

Whitcomb from Barrington to Dequindre; Stephenson Highway southbound from Girard to 12 Mile, Edward from Mandoline to Whitcomb; and Stephenson Highway Turnarounds.

He also noted that the Local Street Fund accounts for expenditures associated with the construction and maintenance needs of our local street network and can be divided into Proposal "R-2" road construction and non-"R-2" related expenditures. Fiscal 2018 is the final year of the Proposal "R-2" program. Proposal "R-3" tax revenue was approved by voters on August 2, 2016 and will expire in ten years. The Proposal "R-2" road construction projects scheduled for this year include Dei from Lincoln to the Southend for $150,000; Hales from 13 Mile to Winthrop for $501,000; and Lincoln Sectional work at $314,000. Non R-2 repairs include sectional concrete replacement for Sherman and Montpelier.

Regarding the Water and Sewer Fund, Mr. Myers stated that revenues are generated through user charges to residential and commercial customers. The Proposed Fiscal 2018 Budget includes a combined increase from the Great Lakes Water Authority and Oakland County for 4.8% or $372,000 per year for water, sewage and stormwater treatment. Staff's proposed budget to Council includes the final phase in restructuring of the utility rates including water, sewer and stormwater. Starting in Fiscal 2017, a new charge was established to separate stormwater from the sewer rate calculation based on the customer's Equivalent Residential Unit or ERU. At that time, the sewer rate decreased by approximately 25% from $5.10 to $3.83 per unit and the new stormwater charge was implemented at $5.17 per ERU on each bill, quarterly for residential customers and monthly for commercial customers. The Fiscal 2018 rate restructuring takes into account the wholesale rate increases to the City and includes the following adjustments: 1) moving the Debt Service Payment for the GWK Drainage Debt from the rate calculation and adding it to the millage rate of the City starting in the summer of 2017; 2) equalizing the stormwater charge by moving it to the same quarterly rate of $11.37 for all customers regardless of residential or commercial; 3) eliminating the meter replacement charge of $3 per quarter; and 4) removing the fixed rate service charge for commercial and industrial customers.

Mr. Myers concluded the presentation by stating that for the balance of today's meeting, the Deputy City Manager and he would like to answer any questions on the presentation, and make use of the line item budget to walk through the General Fund Revenues and Expenditures and Other Funds. He noted for Council that if expenditures are increased or revenues decreased, staff will need Council's direction to rebalance the Proposed Budget to compensate for those Council-requested changes.

After today's Budget Workshop, the plan would be to move forward with the May 8th Public Hearing and the Adoption of the Budget.

Mayor Hartwell reviewed the Proposed FY 2017-2018 Line-Item Budget document page-by-page. During the review of the document, the City Manager and Department Heads addressed Council's questions on a department-by-department basis.

In response to Councilman Corbett's question, Deputy City Manager Marsh stated that differences in the adopted budget and the amended budget pertaining to the General Fund stated that the $2,154,397 is the difference between the proposed budget of 2018 and the amended budget of this year. The biggest difference was an amendment to the budget for an OPEB contribution under Personnel Services. In addition, another major factor would be a MERS contribution prior to the issuing of the Pension Obligation Bonds and then subsequently the payment of the bonds themselves. Moving forward, this number will consist only of the normal cost plus the bond payments and will remain this way for the next 16 years, will be $1.1 million. Other changes were most likely attributable to changes in capital outlay and personal property tax. She explained that based on several factors, the actual taxable value increased .8%, less than the Statewide inflation level of .9%.

In response to Mayor Pro Tem Bliss's question, BPI IT Administrator James Blackburn stated that the exchange server included in the budget is for a replacement of the current server and right-sizes what is appropriate for the City. He continued that the IT Department began migrating the old server two years ago by utilizing existing equipment; however, they are requesting that it be replaced before the current equipment is too old. He noted that the licensing we have currently for the existing equipment is only a couple of years old, so rather than go to a cloud based system at this time, the City wanted to get extended use out of these existing licenses. He forecasted that the current system will be in use for approximately 5-6 years and then at that point, the City will re-evaluate their needs. In response to Councilwoman Scott, Mr. Myers stated that VPN is an acronym for Virtual Private Network and is used to operate computer equipment externally in a secure manner. Mr. Myers stated that there are increased security measures being implemented with the updated website as well.

In response to Councilwoman Scott's questions, Chief Haines stated that the overhead lighting is to replace old equipment over the next three years in four overhead lighting systems. The new lighting improves safety for officer, can make pattern adjustments, and has traffic control capabilities.

In response to another question, he stated that he is not aware of specific criteria that determine the ideal number of full-time employees based on population. Mr. Myers added that this ratio is, however, a benchmark typically used comparatively across municipalities.

In response to Councilman Soltis's question, Chief Haines stated that the canine vehicle is proposed to be replaced due to the fact that it is well beyond its life expectancy with over 100,000 miles and is beginning to fail and becoming costly. The proposed vehicle is a SUV, which is the same cost as other vehicles in the fleet, but we are also adding the capability to transporting prisoners. The SUV will be more adaptable to our fleet, and will eliminate the need for having a second car unless a backup necessary. The vehicle will be paid for with drug forfeiture monies. Chief Haines also answered that he believes the Youth Bureau line item budget is stable and able to do what is needed without expanding their budget.

In response to Councilwoman Scott, Chief Lelito estimated that 80% of the Fire Department calls are EMS. He noted that the city's aging population increases the strain on the EMS system. He continued that while it may be determined whether an ALS unit is needed initially during the 911 call evaluation, it is typically decided at the scene. He also answered that the advantage to ALS allows the City to send fire engines with ALS equipment, and then there is no delay in care for patients who need ALS services. In response to Mayor Hartwell's question, Chief Lelito stated that when the City is assisting another community on a fire call and there is a need in the City of Madison Heights, another community may be called to assist. If there is enough staffing available during that time, the department can respond to calls within the City itself. In response to Councilwoman Scott, Chief Lelito stated that the last time the City received a FEMA grant for staffing was two cycles ago and the City reviews the matter on an annual basis. In response to Mayor Pro Tem Bliss, Chief Lelito stated that all firefighters are ALS trained at this time; if all are out on calls, the City relies on third-party ambulance services or neighboring communities for response. In response to a Council question, he stated that he would report back the number of runs that rely on outside or neighboring communities. Councilwoman Scott stated that she understands that the Fire Department has been understaffed for a number of years and the Department is doing the best that it can and she asked what the ideal staffing level would be. Chief Lelito stated that while there are no standards based on population levels, professional recommendations and comparisons to other community staff levels are looked at to determine this number. When comparing to neighboring communities, the benchmark the City currently uses is 1.8 firefighters per 1,000 population. Chief Lelito answered Mayor Pro Tem Bliss's question, noting that

response times are still fantastic and meet or exceed benchmarks. He added that neighboring communities do lend assistance when needed. Per Mayor Hartwell's request, Chief Lelito explained that the ISO ratings are based on water supply/pressure, hydrant maintenance, pressure, staffing levels, training, and response time; these criteria are all factored into insurance rates for the residents. Councilman Soltis requested that a copy of the independent report on staffing be distributed to City Council. City Manager Myers noted that he believed the report dated back to 2007. Councilman Soltis asked Chief Lelito to give an analysis of the report recommendations and Mayor Pro Tem Bliss requested that the estimated cost of recommissioning the report be determined.

Community Development Director Schafer answered Mayor Pro Tem Bliss's question by stating that the large format monitors were to be used to conduct plan reviews in their full size.

In response to Councilwoman Scott's question, City Manager Myers stated that the part-time social media intern position currently exists; the budget simply incorporates this position into the Personnel Schedule. Mr. Schafer stated the position responsibilities include the City's website, televising and posting of City Council meetings, all aspects of social media, and technical issues related to social media. City Manager Myers added that the Social Media Intern has been part of the website redesign, photo contest, as well as other special projects.

In response to Council questions, Department of Public Services Director Vitali stated that a MDNR grant for Wildwood park has been submitted to the State of Michigan and is currently under review. The City should hear something on the status sometime in January. Should the grant be approved, the two Wildwood playscapes will be replaced. In addition, the budget includes swing sets to be replaced throughout the twelve park system. The number is dependent upon the costs that come back in the Request for Proposal. Mr. Myers added that Oakland County Parks and Recreation is very interested in partnering with the City on vouchers for Red Oaks Water Park.

CM-17-116. Council Comments.

Councilman Corbett commented that the City did great work budget wise, and he reminded the public that the City is losing money due to the changes in Personal Property Tax, other changes implemented in Lansing, and problems due to State funding challenges.

Mayor Pro Tem Bliss complimented the goals process, the IOI innovation

sessions, and noted that he was happy with the process. Cumulatively, this was an outstanding job from staff. The City is getting hammered from all sides including from the State of Michigan and having unfunded liabilities; we are making every dollar count and doing as much work as we can with limited staffing. As we move forward, we have to weigh our hope and ideas with economic realities. He stated he is appreciative of staff and council for their creativity and stated the City has to continue to find ways to save money for flexibility in the future.

Councilman Gettings thanked the staff, City Manager, and Deputy City Manager for the time devoted to the budget. He thanked the department heads for their time, and Councilman Bliss and Department of Public Services Director Vitali for their assistance and support in adding the recreation intern to the budget.

Councilman Clark commented that the City is running smoothly thanks to the staff, Mayor and Council and he hopes to keep it that way.

Councilwoman Scott thanked staff for a very well done budget. It takes months to create and she appreciates staff looking for opportunities in the process. She thanked the firefighters for attending the meeting tonight, and continued by urging the department not to give up on getting extra personnel, stating she supports that effort. She also thanked Library Director Yerman for her work at the library.

Councilman Soltis echoed all the comments of his colleagues. The budget is a difficult process, with limited resources and difficult decisions had to be made. He stated that while he is disappointed that the gun range improvements weren't in the budget document, they are part of the Capital Improvement Plan. He thanked everyone for their hard work.

Mayor Hartwell stated that staff did a phenomenal job on the budget. It is very reassuring how professionally organized the budget is, the presentation was well done, and the budget is clear and progressive. He commented that for an average tax bill of $868, residents get full-time professional police and fire departments along with all of the other services provided. He continued that the State of Michigan keeps pummeling us, with a $600,000 loss due to changes in the Personal Property Tax. Those losses directly equate to public safety jobs lost. He thanked the staff, and stated that he is optimistic and looking forward to completing the adopted goals.

CM-17-121. National Public Works Week Proclamation.

City Manager Myers read the following proclamation into the record:

National Public Works Week Proclamation

WHEREAS, the public works services provided in our community are an essential part of our citizens' everyday lives; and,

WHEREAS, informed citizenry is vital to the efficient operation of public works systems and programs such as water distribution, sewer maintenance, storm water management, streets and highways, public buildings, fleet maintenance, parks, recreation and solid waste collection; and,

WHEREAS, the health, safety and comfort of our community greatly depends on these facilities and services; and,

WHEREAS, the quality and effectiveness of these facilities and services, as well as their planning, design, and implementation, are vitally dependent upon the efforts and skill of our Department of Public Services employees; and,

WHEREAS, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the peoples' attitude toward and understanding of the importance of the work they perform.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of

Madison Heights does hereby proclaim the week of

MAY 21-27, 2017
NATIONAL PUBLIC WORKS WEEK

and calls upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions that our public services employees make every day to our health, safety, comfort, and quality of life.

On behalf of City Council, Mayor Hartwell presented Department of Public Services Director Vitali with the proclamation.

CM-17-122. Fiscal Year 2018 Budget Resolution and Tax Levy.

Mayor Hartwell opened a public hearing at 7:40 p.m. to hear comments on the FY 2017-18 Proposed Budget to appropriate funds, levy the property tax, and approve the related fee adjustments. There being no comments from the audience, the public hearing was closed at 7:41 p.m.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve the FY 2018 Budget Resolution and Tax Levy as follows:

CM-17-123. Meeting Open to the Public.

Special Environmental Counsel Hugh Thomas read the City's official press release pertaining to Madison Heights closing the SOCCRA facility located within the City due to immediate hazards.

Gloria Moore, 27368 Dartmouth, stated the SOCCRA news was a bit startling. Ms. Moore continued that the Friends of the Madison Heights Area Senior Citizens will have a meeting on Tuesday, May 16, 2017 at 7:00 p.m. at Wilkinson Middle School. All are welcome. She also gave her opinion that the K-mart property should be developed with smaller shops.

Al Morrison, 26668 Townley, thanked the City Council for its hard work and noted that he believes the City is moving in the right direction. He also gave information on the Madison District's K2C initiative which establishes a Children's Savings Account (CSA) in the name of every Madison Elementary student with an initial investment of $100. Families then have the opportunity to contribute to the fund as they would like. Upon graduation, the students are given a check to use toward college tuition or career training.

Jim Capizzo, 863 Venoy, asked who owns the SOCCRA site. City Manager Myers answered that SOCCRA owns the site and Mr. Thomas explained that SOCCRA is a State created government authority made up of twelve communities. Mr. Thomas also stated that Madison Heights is not a member of SOCCRA.

Roslyn Grafstein, 29637 Spoon, inquired who issued the violations to SOCCRA. Mr. Thomas replied that SOCCRA was issued violations by the City due to violations of City ordinances based on the Dangerous and Unsafe Building and the Fire Prevention and Protection ordinances. He added that the City is authorized by State law to administer safety at the site. Mr. Thomas continued that ultimately, a judge will make the final decision on whether or not the City has this authority and he noted that there are a myriad of issues that would be required to be addressed by SOCCRA in order for the site to be in compliance with City codes. In response to Ms. Grafstein's question on when the last time the City inspected the SOCCRA site, Mr. Thomas stated that was in August 2014. Mr. Thomas stated that at that time, the City issued a Notice of Violation and demanded a structural analysis of the building and stacks. SOCCRA resisted this demand because at that time, they had no plans to use the building.

CM-17-124. Welcoming Cities Resolution.

Motion by Councilman Corbett, seconded by Councilman Soltis, to adopt the Welcoming City Resolution as follows:

Welcoming City Resolution

WHEREAS, the City of Madison Heights, Michigan believes in the innate dignity of all people; and,

WHEREAS, The City of Madison Heights acknowledges, honors, and values our immigrant and migrant roots, and embraces the values of family, faith, and hard work; and,

WHEREAS, the City of Madison Heights celebrates diversity and recognizes that invaluable contributions to our social, religious, cultural, and economic landscape have come from a wide variety of racial and ethnic backgrounds; and,

WHEREAS, the City of Madison Heights, and the southeastern Michigan region as a whole, has long been home to immigrants from around the world, who

come seeking opportunity, stability, prosperity, and a better life for their families; and,

WHEREAS, the City of Madison Heights has long been recognized as a hospitable and welcoming place, where people, families, and institutions thrive and the contributions of all are celebrated and valued; and,

WHEREAS, as evidenced by our publicly supported Multicultural Relations Advisory Board, the City of Madison Heights is committed to being a diverse, inclusive, and global city; and,

WHEREAS, recent events on the national stage demand that people and communities of conscience speak out in defense of, and reaffirm their commitment to, this most basic American value; and,

WHEREAS, the City of Madison Heights will continue to provide a neighborly and welcoming atmosphere, where all are respected and accepted; and,

WHEREAS, the Welcoming Madison Heights initiative aims to build cooperation, respect, and compassion among all in our city, including immigrants and non-immigrants alike; endeavors to create an atmosphere in which immigrants and refugees have increased opportunities to integrate into the social fabric of their adopted hometowns; and seeks to embrace diversity while supporting and retaining unique cultural identities; and,

WHEREAS, the City of Madison Heights commits to promote inclusion within the local government and the broader community.

NOW, THEREFORE BE IT RESOLVED by the Madison Heights Mayor and City Council, that the City of Madison Heights is affirmed as a place where all foreign-born and native-born Americans can live, work, and play together, share in each other's customs and ideals, and appreciate and promote cultural diversity.

FURTHER, BE IT RESOLVED, that by approving this Resolution, the Madison Heights Mayor and City Council are NOT declaring the City Madison Heights to be a "Sanctuary City".

FURTHER, BE IT RESOLVED that the intent of this Resolution is not to condone illegal immigration or to promote the circumvention of requirements relative to obtaining and updating a U.S. Visa or Permanent Resident ("Green") Card.

FINALLY, BE IT RESOLVED that City Council expresses its appreciation of and respect for those who came to this country through legal means, endured lengthy processes, and worked hard to become U.S. citizens. City Council encourages all Visa holders who wish to remain in the U.S. to keep their Visas current.

CM-17-132. Mayor and Council - Comments.

Councilman Corbett stated there will be Council office hours at the Library this Friday from 1 p.m. – 3 p.m., no appointment is necessary. He reminded the residents that there would be free wood chipping available this week and asked DPS Director Vitali to provide the details of the program. Mr. Vitali noted that wood chipping would be provided as part of the regular trash pickup schedule and he asked that the branches be stacked neatly in the Right-of-Way, with the ends toward the road. City Manager Myers added that this program is

associated with this year's Spring Clean-Up Day this Saturday, May 13th, from 8:00 a.m. until noon, at the DPS facility on Ajax. You can bring your household debris, including those things that cannot be taken to the curb including concrete, stumps, and rootballs. Household hazardous waste, e-waste, or contractor debris, however, will not be accepted.

Mayor Pro Tem Bliss encouraged the residents to read the City's official statement on the SOCCRA site and stated that if there are any questions, they should be directed to Special Environmental Counsel Thomas.

Councilman Gettings had no comments this evening.

City Attorney Sherman stated that he thought Councilwoman Scott's invocation was beautiful given that this Sunday is Mother's Day. He thanked Special Environmental Counsel Hugh Thomas for attending the meeting this evening.

City Manager Myers had no comments this evening.

Councilman Clark echoed the thoughts on Special Environmental Counsel Hugh Thomas and thanked him for his presence at tonight's meeting.

Councilwoman Scott stated that while so many of us have lost our mothers, Mother's Day can be poignant and hard to get through, but she advised that we look at the good times and great memories we have of our moms.

Councilman Soltis had no comments this evening.

Mayor Hartwell thanked Special Environmental Counsel Hugh Thomas for being present this evening and for his work on the SOCCRA issue. He also thanked staff for their work on the budget, noting that this evening; City Council set a path for the next twelve months for all of our budget and policy priorities.

the State of Michigan as follows, designate the City Clerk as the Grant Manager, and authorize the City Clerk to sign on behalf of the City:

CITY OF MADISON HEIGHTS
COUNTY OF OAKLAND

A RESOLUTION AUTHORIZING ACCEPTANCE OF THE VOTING SYSTEM GRANT AGREEMENT

WHEREAS, the Grant Agreement is the mechanism by which Counties, Cities and Townships apply to the State of Michigan to receive Federal HAVA and State-appropriated funded voting systems, including optical scan tabulators, accessible voting devices and Election Management System (EMS) software, pursuant to the Federal Help America Vote Act (HAVA) of 2002; and,

WHEREAS, the Grant Agreement process applies to voting system purchases occurring between March 1, 2017 and April 30, 2018; and,

WHEREAS, The Grant Agreement is to establish a grant program to use State-appropriated and Federal HAVA funds to acquire and implement replacement voting systems throughout the state; and,

WHEREAS, The Michigan Department of Technology, Management and Budget has entered into a Master Contract with each Contractor selected to provide voting systems; and,

WHEREAS, State-appropriated and Federal HAVA funding provided via the Grant Agreement covers the purchase of the voting system, the software license fee for the EMS software for the full 10-year contract term, and the initial service and maintenance period for all components (which covers the acquisition year, plus 4 additional years); and,

WHEREAS, the Master Contract includes an extended service and maintenance period beyond the initial service and maintenance period for an additional five-year period the costs of which along with any other additional expenses, if any, are the sole responsibility of each individual county/local jurisdiction; and,

WHEREAS, the Municipality shall obtain this Grant by entering into the Voting Systems Grant Agreement.

NOW, THEREFORE, BE IT RESOLVED THAT the City Clerk is designated as the Grant Manager and authorized to sign and enter into the Voting System Grant Agreement on behalf of the City of Madison Heights, Oakland County, Michigan.

CM-17-148. Mayor and Council - Comments.

Councilman Corbett stated there will be Council office hours at the Library this Friday from 1 p.m. – 3 p.m., no appointment is necessary. He continued this would be the last Friday Council office hours until the fall. If you need to make an appointment over the summer, please contact the City Manager's Office to make arrangements. He wished everyone a safe and happy Memorial Day weekend, and noted that the Memorial Day Parade is this Saturday, beginning at 10:00 a.m.

Mayor Pro Tem Bliss recognized the members of the Information Technology Advisory Committee (ITAC) who were honored at the Madison Heights Community Roundtable Awards Banquet as the Madison Heights City Council Volunteer Group of the Year. He stated that this group is comprised of professionals in the community and have assisted the City on numerous information technology related decisions including how information technology is delivered in the City, upgrades to both the cable TV and to Council meeting videos, social media improvements, and the soon to be launched City website. He thanked them for their service to the community.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

Deputy City Manager Marsh had no comments this evening.

Councilman Clark encouraged everyone to participate in this year's Memorial Day Parade on Saturday and noted that prior to the parade, a pancake

breakfast is being held at the Senior Center at 9:00 a.m.

Councilwoman Scott thanked the Save the Parade Committee that has worked so hard on the parade, and she recognized Martha Kehoe, Rita Dickel, and Andy McGillivray for their efforts. She thanked Rick Lewis for moderating this year's parade and noted that the public can also watch the parade on cable. She stated that last week was the Madison Heights Community Round Table Awards Banquet. She recognized Laurie Geralds for the Madison Heights City Council Volunteer of the Year Award and Sandy Malotke for the Madison Heights Community Round Table Volunteer of the Year Award and noted both are worthy recipients.

Councilman Soltis had no comments this evening.

Mayor Hartwell encouraged everyone to participate in this year's Memorial Day Parade and the related Memorial Day events. He stated that the VFW is also opening their doors to the public after the parade as well. He recognized ITAC and Laurie Geralds for their awards, and noted that Laurie Geralds has her hand in a lot of public service activities, the local schools, and in community arts. He continued that she was responsible for the establishment of *Make a Difference Monday* which is an effort to refurbish City parks every Monday during the summer.

CM-17-160. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, Friends of the Madison Heights Area Seniors Citizens, will hold their meeting on Tuesday, June 20, 2017 at Wilkinson Middle School. Also they will be hosting a picnic in August and anyone interested in participating should get in touch with the members.

Roslyn Grafstein, asked if any of the council members have looked into SB 184? She indicated that the bill is an income tax credit of up to $5,000 for anyone who is purchasing or renovating their principle residence to improve accessibility.

Councilman Corbett requested the City Manager's office to research SB 184 and if appropriate develop a resolution in support for Council to consider.

Ms. Grafstein also inquired if Council was able to comment in anyway on the S.O.C.R.R.A. issue. She stated that she had been talking with Mr. Thomas who has stated that the matter is in litigation and he can no longer make any comments. She continued by saying that there is conflicting information depending on which news source one follows, therefore she asking City Council. Mayor Hartwell directed the question to Assistant City Attorney Jeffrey Sherman.

Mr. Sherman stated that she could go to Oakland County Circuit Court website to see the agreement that has been entered into with executory provisions with which S.O.C.R.R.A. must comply. At this time, there is no public allowed on the site until the safety issues have been corrected and approved by the Madison Heights Fire Marshall and Building Official. Only contractors dealing with the safety issues are allowed on-site at this time. There are a few other provisions in the agreement that must be followed.

Ms. Grafstein, stated that her understanding of this is that in the past, contractors would bring their leaves a couple of times a year, and that for the most part that was all that was happening at S.O.C.R.R.A. A few months ago they wanted to allow the contractors and public to dump construction debris at the site and the City said no due to safety concerns with the site and building. Now, the contractors are not using the site, but are the leaves still going to be allowed at the site? Mr. Sherman indicated that this agreement has nothing to do with the leaves, it addresses the life safety issues at the site before the public will be allowed to use this facility. Mr. Sherman stated he would be happy to speak with her after the meeting if she would like to do so.

Councilman Corbett stated that there was a very good article by C & G with comments by the Mayor and Mayor Pro Tem, which were spot on.

CM-17-161. United Way of Southeastern Michigan – Request to use Rosie's Park for "Meet Up and Eat Up" event on Wednesday, June 28, 2017.

Motion by Councilman Corbett, seconded by Councilman Clark, to approve United Way of Southeastern Michigan request to use Rosie's Park for their "Meet Up ad Eat Up" event on June 28, 2017 from 3:00 p.m. to 6:00 p.m. no fee waiver is needed; subject to compliance with the Council's Policy on Uniform Insurance Requirements for Special Events.

Mayor Hartwell indicated that the United Way would have volunteers in the neighborhoods a few days before the event, knocking on doors, canvassing the area around Madison Elementary and making people aware of the event taking place.

CM-17-162. Leukemia & Lymphoma Society - Request to use Civic Center Park for the Light The Night Walk event on Saturday, October 14, 2017.

Motion by Councilman Clark, seconded by Mayor Pro Tem Bliss, to approve Leukemia & Lymphoma Society request to use Civic Center Park for their Light The Night Walk event on October 14, 2017 from 8:00 a.m. to 11:00 p.m. and to waive the pavilion and damage deposit fees; subject to compliance with the Council's Policy on Uniform Insurance Requirements for Special Events.

Councilman Gettings stated that we are extending the hours for the organization as the park usually closes at 10:00 p.m.

Mr. Sherman indicated that this is a Light The Night Walk event and it doesn't usually get dark until later and council is able to extend until 11:00 p.m., although the scheduled event ends at 9:00 p.m. and 9:00 p.m. until 11:00 p.m. is clean up.

Mayor Pro Tem Bliss stated that the Jaycee's used to run the haunted house and they had access to the park until 11:00 p.m. or later on a few occasions, therefore, it is not unprecedented and fits this use request.

Motion by Councilman Corbett, seconded by a Councilman Soltis, to adopt the resolution to Opt-Out of Public Act 152 and to comply with the Publicly Funded Health Insurance Contribution Act by adopting the Opt-Out model as set forth by Public Act 152.

Resolution to Opt-Out as Set Forth in Public Act 152

WHEREAS, PA 152, was passed by the state Legislature;

WHEREAS, Communities are given essentially three options for complying with the requirements of the Bill, depending on the impact of the Bill on the employees of each public employer and the Employer;

WHEREAS, those three options are as follows:

(1) Apply the Hard Cap (capped dollar amount each government employer may pay towards an employee's healthcare costs);

(2) Adopt by majority vote the 80%/20% cost-sharing model;

(3) Opt out of the cost-sharing model as set forth in the bill and revisit it the next year.

WHEREAS, the City has elected its option.

NOW THEREFORE BE IT RESOLVED, the City of Madison Heights has elected to comply with the requirements of the Publicly Funded Health Insurance Contribution Act by adopting the Opt-Out model as set forth in PA 152.

CM-17-171. Mayor and Council - Comments.

Councilman Corbett stated that his wife had a hip replacement on June 1. She is in rehab and is doing well and is looking forward to being home this week. Also, he wished Cheryl Printz a speedy recovery and looks forward to seeing her back in a couple months.

Mayor Pro Tem Bliss expressed that he is really excited to have a new city website launching on June 15, 2017. The ITAC board worked very hard with our staff and our vendor to insure a better user experience that is streamlined. Also, he wanted to thank his wife Allison for all she does to allow him to serve the community as a councilman attending council meetings and many other activities. The couple celebrated their 10-year anniversary here in the City of Madison Heights.

Councilman Gettings reminded everyone that the Festival in the Park scheduled for Sunday, June 25, 2017. This is the 32nd annual with fireworks and other activities. Also, wants to wish Cheryl a speedy recovery.

Assistant City Attorney Sherman stated that his wife teaches visually impaired students and has been asked to teach a student this summer at Simonds Elementary here in Madison Heights.

Assistant City Manager Marsh stated that today was the opening of the summer reading program. This year's theme is "Build A Better World" and it has a family component, there is a chance to win prizes and there is no cost to join.

Councilman Clark had no comments this evening.

Councilwoman Scott congratulated all the graduates from Bishop Foley, Lamphere and Madison High Schools, in alphabetic order. Special thank you to all those who have help her return from her hip replacement surgery and thank you to all those carried all her bags and such. She especially wanted to thank her husband for all his work to help her.

Councilman Soltis had no comments this evening.

Mayor Hartwell thanked everyone who participated in the Memorial Day parade including the City workers, volunteers and especially Councilwoman Scott who works on the broadcast team. Also, the items added to the agenda tonight are big items. They were Labor Agreements with Public Safety including, Police Officers, Police Command and Fire Fighter's Union. The City Manager's office and the City Council believe we have budget stability for next year and so we negotiated an agreement for one year extension with a 2% wage increase across the board. We think it's important that city employees pay a portion of their

health care so we adjusted the model with a 10% premium sharing for health care. Additionally, he thanked the employees for being diligent and coming to the bargaining table and our bargaining team for striking a deal quickly and efficiently. We do have other groups to meet with, but this is a good start.

A resident, spoke about a large helicopter was hovering around houses on Brush near Cowan. She didn't think that was appropriate. She stated she spoke to others about it and they thought it was something related to drugs. She also stated that she didn't think that the helicopter was a good use of resources. She stated that she thinks the City is a wonderful place.

Mayor Hartwell stated that the City of Madison Heights does not own a helicopter, and that the closest agency that does he believes is the Oakland County Sheriff's office.

Motion Carried

CM-17-179. City Council Tax Abatement Policy Amendment.

Motion by Councilmember Clark, seconded by Councilmember Soltis, to approve the City Council Tax Abatement Policy Amendment resolution, as follows:

WHEREAS, the Plant Rehabilitation and Industrial Development District Act of 1974 as amended authorizes local communities to offer tax relief as incentive to build, renovate, purchase, and/or modernize industrial real property; and,

WHEREAS, the City of Madison Heights considers it necessary for the prevention of blight and the preservation of property values to encourage the renovation, modernization, remodeling and replacement of industrial structures; and,

WHEREAS, the City of Madison Heights also considers it necessary to foster the economic health of our existing industries and to have the ability to attract new industry and at the same time guarantee the continued fiscal soundness of the City's finances.

NOW, THEREFORE, BE IT RESOLVED, that the Resolution adopted by the City Council on October 23, 1995, relating to plant rehabilitation and industrial development to read as provided herein,

BE IT FURTHER RESOLVED, the City of Madison Heights hereby declares its intent to accept applications for tax exemptions for new and rehabilitation projects of a real property nature with the City.

BE IT FURTHER RESOLVED, all applications will be considered on an individual basis, with consideration being given to whether or not a particular project is in the best interests of the City of Madison Heights, the effect of the project on City revenues, and other criteria as deemed necessary by City Council to evaluate the application.

BE IT FURTHER RESOLVED, applications are submitted to City Council for their consideration and approval or disapproval at the sole discretion of City Council.

BE IT FURTHER RESOLVED, tax abatement requests for real property will be considered only if the proposed investment meets the minimum of $1,000,000. The level of credit years eligible will be based on total value of investment for real property improvements. No abatement shall be granted for a period longer than ten (10) years.

BE IT FURTHER RESOLVED, the applicant must show proof in the form of purchase agreement or executed lease agreement demonstrating applicant responsibility for payment of taxes for which the tax abatement is sought at the time the application is made. Applications will be deemed incomplete without this form of proof of ownership or lease.

BE IT FURTHER RESOLVED, a one-time, non-refundable, application fee established by resolution of City Council, will be charged to the applicant.

BE IT FURTHER RESOLVED, that no application will be accepted for consideration from any applicant who is currently engaged in any dispute relative to its real or personal property tax or assessment, including but not limited to, any court of law or tax tribunal having jurisdiction over these disputes. In addition, the City shall recommend to the Michigan State Tax Commission that the Certificate shall be revoked if an applicant commences an action to dispute its real or personal property tax or assessment, including but not limited to actions before the Michigan Tax Tribunal or State Tax Commissioner, any court of law or tax tribunal having jurisdiction over these disputes.

BE IT FURTHER RESOLVED, that the City reserves the right to petition the Michigan State Tax Commission to terminate the tax abatement and district if property taxes levied by the City against the property owned, leased, or controlled by the Certificate Holder become delinquent.

BE IT FURTHER RESOLVED, no application will be accepted for consideration from any applicant who is involved with litigation of any kind against the City nor will a certificate be continued in force if an applicant becomes involved with any legal action that in the City's sole discretion is contrary to the City's best interest.

BE IT FURTHER RESOLVED, all applicants will be required to sign a Letter of Agreement regarding conditions required prior to consideration by City Council for a tax abatement district and/or certificate.

BE IT FURTHER RESOLVED, in the event the review and audit procedures disclose a failure to comply with stipulations made in the Letter of Agreement, then the City reserves the right to recalculate the terms of abatement, up to and including revocation.

BE IT FINALLY RESOLVED, that the City Council hereby approves the use of the following chart to calculate the length of eligible tax abatement.

Tax Exemption Chart for Industrial Facilities

Councilman Bliss asked if City Manager Myers could provide some additional details of the goals that this policy change accomplishes.

City Manager Myers explained that the primary reason for this goal was the State Law change to eliminate personal property taxes and the need to update our policy to reflect that point. The philosophical changes come from recognizing that many businesses have been in Madison Heights for a number of years and to reflect that in terms of their investment in new real property versus these businesses going from community to community looking for the best deal around the State of Michigan. He further commented that staff does not think that was an equitable solution for our current businesses that have been here for a long time; paying taxes and now wanting to make more investments.

Community Development Director Jim Schafer stated this new policy also simplifies how we come up with the calculation for our businesses. With the previous methodology calculation we were unable to tell businesses immediately for how long and for how much they would qualify for because of the complex equation with different variables that were used at the time. The idea behind this was to deal with the State Law changes and to provide some incentive for our long time city businesses, and to also make it easier for them to understand that this may be able to help them.

CM-17-185. 2017-18 Annual Spray Patch Road Repair Work.

Motion by Councilmember Clark, seconded by Councilmember Gettings, to approve the lowest responsible bid from Spray-Patch Road Repair of Madison Heights at a unit price of $425 per ton in an amount not to exceed $110,000 for spray patch road repair; and approve to move to the second lowest bidder, SJR Pavement Repair at a unit price of $425 per ton in an amount to not exceed $110,000 should the lowest bidder fail to meet the requirements of the contact, including competition of the work in a timely and professional manner.

Councilman Soltis stated that he noticed that only two vendors bid on the project and that the bids were identical. He asked if that had ever happened before.

City Manager Myers stated that he also found the identical bid amounts peculiar, and verified that both bidders filed the correct signed non-collusion affidavit.

Councilman Soltis then asked how one bidder was chosen over the other.

DPS Director Joe Vitali stated that the 2016 bid for R-1 and R-2 spray patch repair work, was very close then, too. So, to see these two bids at the same price is not surprising. But, it is very competitive between these two contractors as the bids indicate. Also, the City has had more experience with Spray-Patch of Madison Heights and in terms of the product holding up, Spray-Patch of Madison Heights has been better from year to year. SJR Pavement Repair of Warren had to do a large amount of warranty work the year they did work on the R-1 and R-2 project.

Councilman Soltis asked if SJR Pavement Repair of Warren had come in lower, would we have still used them even though they have a history of problems. DPS Director Joe Vitali stated it would have been his

recommendation to move forward with Spray-Patch Road Repair of Madison Heights based on their prior performance. City Manager Myers stated that when we did have issues with SJR Pavement Repair, the company was able to rectify the issues to our satisfaction through warranty work following the project.

Mayor Pro Tem Bliss stated that three bids or more is the standard we use to make sure the price is appropriate; however, in the past when we have less than three bids staff has reached out to additional contractors to make sure that the prices are competitive and he wants to confirm that was done in the case and we are comfortable with the current prices. Mr. Vitali stated that a number of vendors downloaded the specs for this bid, and although we have been doing spray patch since 1999, there are only two contractors doing this type of work and it is these two companies which submitted bids.

Councilman Corbett asked Mr. Vitali to give a short explanation of the process of spray patch because he received resident calls from the last round of work indicating the patch was not holding up.

Mr. Vitali responded that the joint is scarfed out of old material and then blown and cleaned out and what is applied is a material with a mix that has stone in it. It takes about a week to set up, but there will be what appears to be gravel that will come away from the patch. After the week, we will sweep up the gravel-like material that comes away from the patch.

CM-17-189. Mayor and Council - Comments.

Councilman Corbett wanted to thank Staff, DPS and the crew from Gospel Life Church for the clean-up and participation in the Festival In The Park. He wished everyone a happy and safe 4th of July.

Mayor Pro Tem Bliss stated it was a great festival and everyone put in a great time and effort to make it awesome. It's a great opportunity for out of town folks to see what Madison Heights is about. He continued by saying that it is great that the City was able to come to an agreement with all our Unions. Mayor Pro Tem Bliss continued that while walking around Civic Center Park, he noticed that several of our memorial tree plaques are in disarray. He asked that staff look in to how to preserve those plaques around the City to keep them from falling into disrepair. Mayor Pro Tem Bliss also requested that staff look into establishing a new City Board that would focus on Arts & Culture.

Councilman Gettings thanked the Department of Public Services staff for all their efforts to produce a good Festival In The Park. He also thanked all those who donated to the event.

City Attorney Sherman wished everyone a happy and safe 4th of July holiday.

City Manager Myers also thanked the Department of Public Services, Recreation, Police, Fire, Police Reserves and Explorers, stating it was a very smooth event. He thanked Councilwoman Scott, Historical Commissioners Martha Kehoe and Joy Davids, and Library Director Roslyn Yerman for putting together a reception for a gathering for City Retirees for a photo for the Memorial Tree for late Assistant City Manager Aubrey Greene. Last, he wished all residents a safe and happy holiday and reminded residents that under State Law and City Ordinance, fireworks are allowed the day before, the day of, and the day after holiday except between midnight and 8:00 a.m.

Councilman Clark stated that there was a terrific crowd for the fireworks and thanks to the Church for the clean-up immediately following the fireworks. He attended a class here at City Hall how to erect a deck properly. If residents come to the city and speak to the inspectors, they will provide you with the information that you need to know. Another class will focus on how to refinish your basement.

Councilman Soltis stated that he liked the ideas that Mayor Pro Tem Bliss spoke about tonight.

Mayor Hartwell thanked the staff, who put a lot of effort into making the Festival a clean and safe event for the people to enjoy. It was nice to meet so many people from so many different cities who were able to celebrate the independence of our country on a beautiful summer night here in Madison Heights.

CM-17-190. Adjournment.

There being no further business, the meeting was adjourned at 8:24 p.m.

CM-17-196. Bid Award – Police Department K-9 Vehicle.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve the purchase of a 2017 Utility Police Interceptor from Signature Ford, through the Macomb County Cooperative Bid program, in the amount of $31,799.

Mayor Pro Tem Bliss asked Chief Haines if he could provide more information on why we are proposing this purchase.

Chief Haines stated that the current K-9 vehicle is due for replacement, has over 106,000 miles on it, and is rapidly becoming an issue with maintenance.

With the new vehicle, we are able to provide more room for the K-9 and the lighter color to help with the heat associated with the K-9. He continued stating that we are adding a prisoner compartment to the unit, which will free up other vehicles that would be used for transport purposes. Also, the current vehicle is scheduled and due to be replaced.

City Manager Myers noted that we are proceeding forward with our strategy to move our police road fleet to the SUV vehicle from the sedan as the SUV provides more versatility and functionality.

Mayor Hartwell stated that he has heard the Ford Interceptors are better for maintenance, are easier to purchase parts in bulk for, experience fewer breaks down and are more spacious. He asked if Chief Haines could comment on how the product was working.

Chief Haines stated that with the exception of a few of the vehicles that we had fuel issues with, they have been outstanding. The maintenance has been low, we have good relationship with the dealer, so when we need to have the vehicle serviced for something under warranty it has been easy to address. Since switching over to the Ford fleet, we have been very happy.

CM-17-200. Mayor and Council - Comments.

Councilman Corbett acknowledged the roll out of the voucher program for the Red Oaks Waterpark. There is information on the City's website. He continued stating that he would like to acknowledge the work of the Parks and Recreation Advisory Board on this program. It was an attempt to meet a need in the community and to do so in an economical way. Also, he has received some photos of swing sets and playscapes for children with disabilities, specifically, a swing that is suitable for kids in wheelchairs. He would like a report from staff as to what may be done in the current year to include this type of playground equipment and about incorporating some of the future funding to go toward equipment for children with special needs. He continued stating that he would like to coordinate with other Council members to incorporate this into a more comprehensive approach through a future goal proposal.

Mayor Hartwell stated that the idea is well received and indicated that there is a willing partner in Madison District Public Schools who have expressed interest in collaborating with the City. Also, this might be a way to help offset some costs and possibly accelerate the excitement of this idea throughout the community. Councilman Corbett stated that there have also been a few church groups that have indicated their interest in the project.

Mayor Pro Tem Bliss stated that he is excited about the new voucher program which was the last council goal that was adopted. It was a downsized version of the splash pad goal that he had introduced, because the financial reality was that a splash pad was not going to be feasible this year or next year. However, as a part of the discussion, the splash pad was the number one new item request by residents who filled out the park surveys. It has been made clear that many families in our community are not able to utilize the waterpark that is right here in our City due to high cost. At the end of the long goal process,

this was the program that came out of those discussions. He continued stating that he put a notification on his personal Facebook page, detailing the program, and was happy to share that he received many likes to the post and many shares. He read some of the comments received for the audience. He stated that he is thrilled to report that today alone, the Department of Public Service sold about 160 vouchers. Mayor Pro Tem Bliss then thanked the Parks and Recreation Advisory Board, City staff, City Council for coming together to accomplish this goal. Lastly, one other Council goal went into effect this month too: portable restrooms were added to the parks. Now families can spend more time in the parks without having to run home for bathroom breaks. This is a really exciting time for Parks and Recreation in our City and he is appreciative of everyone's efforts.

Councilman Gettings wanted to thank the Police Department for their assistance in an incident that occurred at Edison Park after 10:00 p.m. with a large amount of fireworks. The Police arrived on the scene within a few minutes of call and the crowd was disbursed.

City Attorney Sherman had no comment this evening.

City Manager Myers had no comment this evening.

Councilman Clark had no comment this evening.

Councilwoman Scott announced that the Madison Heights Intermediate Women's Club is going to be using a new name, which will be the Madison Heights Women's Club. The Club is part of the General Federation of the Women's Clubs which are all over the United States. The Federation held an international convention in California in June, where Michigan had won the award for legislation and public policy, which was chaired by Darlene Berent. She congratulated all the ladies who participated including, Pat Ross, Ginny Likowski, Beth Hall, Mary Anne Yemec, Carole Prysby, Allison Dutton and Diane Follis and the many others who helped the group. She continued by thanking the Friends of the Madison Heights Area Senior Citizens for the Cheer-Up Gift. She stated it was such a nice gesture and was grateful for the gift. Lastly, she realized while doing some history for the City, that a couple weeks ago, on June 28, 1993, she was first installed on City Council. She has now sat on the City Council for 24 years. She has great pride for the job the citizens have given her, has worked with excellent colleagues and a great administration. She is very proud of being able to serve the community and applauded the people who vote, who make their wishes known, and she stated she is appreciative of the input from the citizens. At this time, she stated that she believes she is the holds the record for longest serving Council member.

Mayor Hartwell stated that Councilwoman Scott is an inspiration to us all and he would like the City to acknowledge her service with a proclamation.

CM-17-203. Special Announcement – Judge Charles Goedert.

Judge Charles Goedert of the 43rd District Court – Hazel Park, stated that the 43rd District Court serves the communities of Madison Heights, Hazel Park and Ferndale. The building that housed the Hazel Park Division Courthouse was in poor shape, structurally and functionally inadequate, dramatically undersized

and lacked the necessary security measures. As a result, he initiated a renovation project in 2015, the ground breaking took place in 2016 and the project has now been completed. Judge Goedert invited the Mayor and City Council of Madison Heights, city staff and the residents to come to the Ribbon Cutting Ceremony and Open House of the Hazel Park City and Courthouse on Friday, August 11, 2017 from 3:00 p.m. to 5:00 p.m., to view the renovated building, at 111 E. Nine Mile Road, Hazel Park. Tours of the new and renovated facility will take place after the ribbon cutting ceremony along with light refreshments.

CM-17-204. Presentation – Certificate of Recognition for Margene Scott.

City Manager Myers read the following Certificate of Recognition for Margene Scott:

CERTIFICATE OF RECOGNITION

WHEREAS, Margene Scott was first appointed as City Councilmember on June 28, 1993; and,

WHEREAS, Margene Scott is the longest serving City Councilmember in the City's history, with 24 years of service from June 28, 1993 through June 28, 2017; and,

WHEREAS, Margene has also served on many boards and commissions, which have included, the Historical Commission, Community Improvement Housing Commission, Charter Amendment & Ordinance Revision Committee, Environmental Citizens Committee, Gateway Counseling as Council Representative, City-School Liaison Committee and the 50th Anniversary Committee; and,

WHEREAS, Margene has co-narrated the Memorial Day Parade for many years, and her love of history and genealogy culminated in the establishment of the Heritage Rooms, the City's first museum, which when coupled with her love of photography, led to her co-authoring Arcadia Publishing's Images of America - Madison Heights.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council hereby recognize the outstanding achievements of

MARGENE ANN SCOTT

and offer this Certificate of Recognition as a lasting expression of the City's gratitude and appreciation of her contributions to the betterment of our community.

Councilwoman Scott stated that is has been a pleasure to serve the community for 24 years and she is still working to accomplish many more things and invites new ideas. She stated she wanted to acknowledge Councilman Richard Clark and Councilman Robert Corbett who have been here almost as long as she has. She appreciates the great Council and great City Administration for making her job easy.

Mayor Pro Tem Bliss stated that he grew up watching Councilwoman Scott serving this community that they both love. She has been an inspiration to him since he was a child and remembers meeting her at a Meet the Candidate session at Page Middle School and he appreciated that she took the time to answers a child's question back then. He continued by thanking Councilwoman Scott for being an amazing public servant.

Councilwoman Scott then thanked Mayor Pro Tem Bliss and all City Council for their recognition.

CM-17-205. Police Department Bicycle Presentation.

Police Chief Haines stated that on June 10th, the Police Department held its annual Open House and Bicycle Rodeo at Civic Center Park. Children who completed the bicycle safety obstacle course received one entry into a drawing for a new bike that was graciously donated by Michigan Schools and Government Credit Union. The two (2) bicycles were purchased from D & D Bicycles, located in Berkley. The bicycle winners this year are Castiel Kogelman and Selena Gorges. Chief Haines introduced Branch Manager Henry and Assistant Manager Rose from Michigan Schools and Government Credit Union who, along with the Manager from D & D Bicycles, presented the winners with the new bicycles.

CM-17-206. Presentation – Certificate of Appreciation for Volunteer Fire Hydrant Painting Program.

City Manager Myers read the following Certificate of Recognition for the volunteers of the fire hydrant painting program:

CERTIFICATE OF APPRECIATION

WHEREAS, the Department of Public Services is responsible for the maintenance and upkeep of over 1,100 fire hydrants throughout the City of Madison Heights; and,

WHEREAS, the Madison Heights Men's Club approached the Department of Public Services regarding a City-wide volunteer fire hydrant painting program and were instrumental in soliciting volunteers, providing supplies, promoting the program, coordinating with all involved, scheduling the work, and record keeping; and,

WHEREAS, the Department of Public Services provided the Men's Club with a list of residential fire hydrants that required wire brushing, general cleaning, and painting; and,

WHEREAS, during the week of June 10th thru June 17th, 2017, several volunteer groups completed the painting of 137 fire hydrants throughout the City of Madison Heights and provided a much needed maintenance and cosmetic update to the City's infrastructure.

NOW, THEREFORE, BE IT RESOLVED**,** that the Mayor and City Council extend heartfelt thanks to

for providing these great services, and extend this certificate as a symbol of our appreciation for their civic-minded contributions to the City of Madison Heights.

Mayor Hartwell stated that there was a citizen who encouraged the City to getting this project going. Mike Pietraszewski is the one who delivered a bucket of paint brushes to City Hall in hopes of kicking off this project and Mayor Hartwell thanked him for his efforts.

CM-17-207. Public Hearing - Special Approval No. 17-02, 350 E. 14 Mile and 32814 Groveland – Used Car Dealership.

City Manager Myers reviewed the proposed Special Approval 17-02.

A public hearing was held at 7:52 p.m. to hear any comments pertaining to the proposed Special Approval 17-02, allowing a Used Car Dealership in the M-1 District.

Attorney Thomas R. Walcott, 22655 S. Chrysler Drive, Hazel Park, stated he is representing Rawnag Shaba, who is seeking a special use approval to put in a Used Car Dealership, and stated that they feel this is a positive improvement as this is an area that is largely unused. The proposed use will remove a fence and improve the entire area. They have no issues with any of the recommendations from City staff and will be working with the Road Commission of Oakland County to close the Fourteen Mile entrance which will be a positive benefit for the City as it is a potential hazard as it is.

There being no further comments, the public hearing was closed.

Motion by Councilman Corbett, seconded by Councilman Clark:

WHEREAS, a Special Approval Board application has been received from Rawnas Shaba requesting a used car dealership at 350 E. 14 Mile in a M-1 District; and:

WHEREAS, a public hearing was published in the Madison Park News on July 5, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 350 E. 14 Mile and 32814 Groveland

REQUEST: Special Approval to allow a Used Car Dealership in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Restaurant

STAFF ANALYSIS:

1. Special Approval is required to allow used car sales in the M-1 District. The owner of the existing restaurant is proposing to use the existing facility for used car sales. The building will be used for sales office activity only. The existing restaurant will be discontinued in its entirety.

2. Applicant proposes to remove the existing curb cut and drive on 14 Mile. This is a very positive design improvement for the site, eliminating turning movements immediately adjacent to the 14 Mile / Townley intersection.
3. No automobile repair is proposed.

4. Parking meets minimum ordinance requirements.

5. Hours of Operation: Mon – Sat: 10:00 am – 7:00 pm

6. The Site Plan Review Committee has reviewed the plan and all plan review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

    a. No used vehicle display in front (north) of building
    b. No vehicle repair
    c. Used car sales office and ancillary activity only in the building.

7. Attached are specific review standards and criteria for review of Special Approvals (Section 10.201.1) and general standards for all City Council zoning-related decisions (Section 10.805).

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, herby approve a used car dealership at 350 E. 14 Mile Road with the following conditions:

    a. No used vehicle display in front (north) of building
    b. No vehicle repair
    c. Used car sales office and ancillary activity only in the building.

CM-17-208. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated the Friends of the Madison Heights Area Senior Citizens is having a Community BBQ on August 19, 2017 serving food from noon until 7 p.m. Everyone is welcome and we hope to see everyone there.

The Girl Scout Leader for Troop #70922 stated that every year the girls decide to donate cookies to different group every year. This year the troop chose City Council to donate two cases of cookies to because of all the work that they have done for the City with so many improvements. The girls are also looking forward to working with the City in the future with tree planting project. Also, the troop will be donating two (2) cases of Girl Scout cookies to the Police Department.

CM-17-209. Resolution Supporting Senate Bill 184 Amending PA 281, the Income Tax Act of 1967.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to adopt the resolution in support of Senate Bill 184 amending PA 281, the Income Tax Act of 1967.

RESOLUTION SUPPORTING SENATE BILL 184 AMENDING PA 281,
THE INCOME TAX ACT OF 1967

WHEREAS, Michigan Senate Bill 184 passed on June 28, 2017 and has been received by the Michigan House of Representatives and referred to the House Committee on Tax Policy; and,

WHEREAS, this Bill would allow a taxpayer to claim a credit against the individual state income tax for tax years beginning on and after January 1, 2018, and before January 1, 2023, in an amount equal to 4.0% of the total purchase price paid for a qualified principal residence or 50% of the total amount spent for the retrofitting of a principal residence for the purpose of improving accessibility or providing visitability; and,

WHEREAS, such programs could help city residents who have physical limitations make improvements to their principal residence; and,

WHEREAS, the Mayor and City Council are committed to assisting our residents with living the best life possible;

NOW, THEREFORE, BE IT RESOLVED that the Mayor and City Council of the City of Madison Heights support the passing of SB 184.

City Manager Myers stated this bill could potentially assist our residents that have physical limitations by offering a tax credit for doing accessibility type of home improvements.

Mayor Hartwell stated that this idea came from a citizen during a meeting open to the public comment period. He asked if there were any comments from residents since this came as a suggestion from a resident.

Roslyn Grafstein stated that she was the resident who brought this issue to City Council last month and if we can help to put this in place it can help seniors stay in their homes.

Mayor Pro Tem Bliss stated that these types of resolutions take a lot of staff time to compile and by the time this resolution was written, this Bill had already passed through Senate and is now in committee of the House. He continued stating that he supports this Bill, but we need to be aware of the cost of staff hours used in preparing these types of resolutions, when in reality it might be better to address them on a personal level to our Senators and Representatives, thereby keeping costs at a minimum.

CM17-210. Extending the Red Oaks Water Park Voucher Program.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve a $2,500 supplemental appropriation from the General Fund Fund Balance to the General Fund Recreation Activity Community Promotion Account for the purchase of additional vouchers for the Red Oaks Water Park voucher program.

Councilman Corbett stated that under normal circumstances he would be objecting to this proposal because it was walked in and we are spending public money without forewarning. This type of action has been the topic of debate amongst Councilmembers over time. All the proposals anticipate exceptions, such as emergencies, unusual circumstances and so on. The normal course of procedure would consist of the proposal being vetted through staff and following the two (2) week cycle and printed with the agenda in advance of the next meeting. This is not an option because the Madison School District will be starting school before the next regular council meeting. The district is scheduled to begin classes on August 8th and the City Council does not meet again until August 13th, therefore, in fairness to the kids, and with the popularity of this program with the residents, he understands the urgency. However, tonight's proposal is not an emergency, yet there is urgency for it and for this reason, he

is going to refrain from requiring that the regular procedure be followed and encouraged other council members to do the same.

Mayor Pro Tem Bliss stated there has been commentary on this subject that has been going on for more than three years. During the goal process we are aware that summer aquatic type activities would be popular and with the articles and the social media viralness of this activity, this program had sold 40% of its available vouchers on day one, and was sold out completely within eight days. This small amount of money has made a huge impact for the residents of the City, not only those with young families, but grandparents as well. Also worth noting is that of the 617 vouchers sold, more than 200 were at zero cost to low income residents. The Department of Public Services has been taking names for a waiting list and Mayor Pro Tem Bliss requested that those on the waiting list have vouchers reserved for them prior to any additional being sold to the public. This has been an incredible program and possibly the most popular recreation program we have had in at least 10 years. Because of how quickly the original voucher sold out, adding this supplemental appropriation makes sense and he agrees with Councilman Corbett that the urgency is there to do so. Lastly it might be worth reengaging the discussion of the splash pad in the near future.

City Manager Myers clarified that because of the variables involved in the program, mainly the income thresholds and household sizes, we cannot anticipate the number of tickets that will be available. He suggested instead of reserving tickets for those on the waiting list, we can contact those individuals before going out to general sales to all residents.

Councilman Gettings asked City Council to keep an open mind about some future recreation programs to possibly supplement in the future. Because of the popularity of this program, maybe we could use this in other areas of recreation also. City Manager Myers stated that Councilman Gettings raised a good point commenting further that for a number of years there has been a financial scholarship program available to residents for recreation activities, based on income, and it might be time to re-publicize that program.

Councilwoman Scott stated that she would have much preferred to have more time to review the issue, have discussion with staff and find out if this is feasible under the budget. However, she stated that this is a wonderful program and she would like to see it continue on next year as part of the goals and maybe even expanded. Something more is needed as a broader range of letting residents know this program is available. She stated that she only saw it on social media and not everyone has the advantage of social media and it would be fairer if we could get the word out to others where to get the vouchers. Also, to refuse this at this time would not be popular and she is pleased that this program is available.

Councilman Corbett stated we really didn't know what we were getting into with this program and these tickets are not being given away, they are discounted and he shares the Councilwoman's concerns.

CM-17-212. Toolcat Utility Vehicle.

Motion by Councilwoman Scott, seconded by Councilman Corbett, to approve the purchase of a 2017 Bobcat Toolcat Utility Vehicle with attachments, from Carleton Equipment Company of Livonia, in the amount of $73,453.09 through MiDeal State Cooperative Bid.

Mayor Hartwell asked if staff could explain the additional features of the vehicle and why they are important.

DPS Director Vitali shared some photos of the vehicles and its attachments, which include a couple of different buckets, a set of forks for moving construction material, an auger attachment, front end broom attachment and a snow blower attachment with will be the primary use of the vehicle. Currently we do not have a snow removal vehicle in the fleet to plow all the sidewalks.

City Manager Myers stated that we have been looking at this vehicle for a number of years. We have looked at our plows and our two smaller pick-up trucks, and there is not a commercial grade metal plow available for them, which forces us to use plastic, which simply does not hold up. This vehicle became more financially palatable as the age of those two smaller pick-up trucks increased and we can offset the cost by removing both of them from the fleet when they reach the end of their service life.

CM-17-214. Mayor and Council - Comments.

Councilman Corbett stated as a continuation from the last council meeting he would like to increase the number of swings and recreation equipment available in the parks for handicapped children. It was discussed at the Park & Recreation Advisory Board meeting where it was agreed to look into this in the fall and the winter when we begin the budget development process. There will be an article about the accessibility at the park and the kind of things parents of handicapped children would like to see in our parks. He continued stating that he has visited Friendship Park in Orion Township which was recommended to him, where they have a couple of versions of handicapped accessible swing sets and the play area was very padded too. In our current plans we have some allocation in different parks for equipment suitable for all children, but he looks forward to working with the Committee and Council to more broadly incorporate into all of the parks.

Mayor Pro Tem Bliss stated that we rarely add items to the agenda as supplemental appropriation without going through the process. Most items go through the normal process which includes vetting the item properly. At this time he wanted to announce a goal that he wants to initiate which is to have extended office hours twice a month so that those residents who are working can get here. One of the biggest complaints that he received on Facebook was that the vouchers were gone by the time people were able to take a day off work to get to City Hall during business hours. Therefore, we need to make it possible to have people make it to City Hall to take care of their business during different hours, possibly once or twice a month and possibly on Council Meeting days. He further stated that Plymouth Township has recently implemented evening hours and has had great success. He would like to see this happen sooner rather than later, even to keep the building open an hour later would be a really great win for our City.

Mayor Hartwell stated that this idea will be interesting for the goal process and understands that our public and residents live and operate at different times other than just 8 a.m. – 5 p.m.

Councilman Gettings stated that the volunteers are what make this such a great City and we have been fortunate to have had volunteers for the last 60 years. Keep up the good work everyone.

Assistant City Attorney Sherman stated that his wife is teaching a visually impaired student at Simonds Elementary and he would like to donate one of the donated boxes of Girl Scout Cookies to that student.

City Manager Myers stated the city wide golf outing is August 4, 2017 at Glen Oaks Golf Course in Farmington Hills. Registration is through August 1, and those interested should contact the Department of Public Services Recreation Department. Second, the first district of our water meter replacement program beings one week from today. This is a City wide, multi-year, multi-million dollar replacement of every in residential meter Madison Heights. He asked DPS Director Vitali to give some more information to the public.

DPS Director Vitali stated that District 1, which is all residential homes south of 11 Mile Road, will be up first for replacement. Everyone should have received a pamphlet of frequently asked questions which contains beneficial information. Next they will receive a postcard from the installer with additional information indicating they will need to schedule an appointment, either online, over the phone or with the Department of Public Services. It is imperative that people call to schedule the appointments. Also, there is a website at www.mynewmeter.com and the phone number is 248-837-2807 for meter changeover specifically. Last, all UMS employees will be wearing badges and also, they will have door tag on their vehicles and the appointments will be set up in advance.

Councilman Clark had no comment this evening.

Councilwoman Scott stated that tomorrow 4:00 p.m. is the filing deadline for petitions to be submitted for candidates who wish to run for Mayor and City Council. She also extended an open invitation and offered a personal tour of the Heritage Room, to all the candidates, which is open every Tuesday from 3-7 pm, and she delights in meeting all of the candidates. Also, she thanked her fellow Councilmembers for the flowers.

Councilman Soltis wanted to thank Margene Scott for her tireless service to City and for all her assistance during his first term. He continued stating that after a tragic accident of a man who was struck by a vehicle after falling from his motorized scooter into the road, our seniors in this area need more help, especially those who struggle daily. This year City Council approved the goal

plan that includes a traffic study to Dequindre Road between 11 Mile and 13 Miles to analyze pedestrian crossings and possibly to make improvements. Also, he wished to thank Linda Williams for an I-Connect meeting that was recently held. There were several manufacturers that met up, talked, and toured a plant that had fantastic technology. He is very interested in helping the manufacturers in our area as he believes manufacturing it is the bloodline of our economy.

Mayor Hartwell stated he was inspired by all of our volunteers that went around and painted the fire hydrants that had the most urgent need to be painted. It was somewhat of a walking history lesson as the hydrants are stamped with the date they were cast. Mike Pietraszewski deserves the credit for the inspiration to gather the volunteers and get these hydrants painted. Also, about a week ago he learned that the city cut down trees on Fontaine, which is only a few blocks away from Moulin where more than 60 trees were removed a year ago. He asked if there is a reason as to what happened and why we do this and found out that there is a reason for the removal and there is a plan to replace trees when allowed. He then asked if staff would explain that process.

DPS Director Vitali stated we had two stand-alone water main projects this year, one on Tawas and one on Fontaine that the Mayor eluded too. What DPS does prior to a project is to go out and assess every tree that will be impacted by construction. We look at the overall health of the tree and try to determine what the impact of construction will be on each tree and whether or not it will survive the construction activity on both of those streets, we removed the trees that were in fair to poor condition because history has indicated that those trees will need to be removed in one to two years anyway because they will not survive the construction. This has been the practice for quite a few years; however, what is new this year is that residents were notified that if they have a tree that will need to be removed due to construction, it can be replaced at no cost to the resident. We are vetting that process now and the response from homeowners has been very positive and we feel it will be very successful plan.

City Manager Myers stated that we are picking options for tree species that were not picked 50 years ago, which will give us a better life in the right of way.

DPS Director Vitali stated he has been working with a nursery to comprise a list of 10-15 variety of tress that are drought tolerant, have good growth shape and will be ideal in the right-of-way setting.

Mayor Hartwell stated that ideally it would be nice if the city removes a tree it replaces the tree. There ae some community groups such as the Woman's Club and the Girl Scouts who have reached out to the City letting them know that they are interested in planting trees, so let's see if we can work together to replace some of the trees.

CM-17-221. Mayor and Council - Comments.

Councilman Corbett welcomed City Clerk Printz back from her leave of absence.

Councilman Gettings also welcomed the City Clerk back and noted that Ms. Sanchez did a great job in her absence. He thanked staff for their efforts on the road construction within the City.

City Attorney Sherman echoed the comments by Councilmen Corbett and Gettings regarding City Clerk Printz, and concurred that Ms. Sanchez did a wonderful job filling in.

City Manager Myers also thanked staff for their efforts pertaining to the road project at the intersection of Whitcomb and John R, and noted that by closing the street for a week, it saved an additional three weeks of lane restrictions. He also welcomed City Clerk Printz back and thanked Ms. Sanchez for her help during the Clerk's absence.

City Clerk Printz thanked the Madison Heights community for all of their well wishes while she was out and stated that it was good to be back.

Councilman Clark stated that it was good to see Cheryl back. For those who haven't done so, please check out the Senior Center. He stated that there are great activities always going on, including today when they had a 50's dance. He noted that it was a fun event.

Councilwoman Scott stated that she is delighted Cheryl is back and concurred that Romona did a great job, but she is glad the City Clerk is back. She encouraged residents to attend and show their support for the Community BBQ sponsored by the Friends of the Madison Heights Area Senior Citizens. She stated that she appreciates the work they are doing for the seniors of the City. She also encouraged the community to attend the local high school football games to cheer the kids on, noting that they work very hard.

Councilman Soltis gave a shout out to the Department of Public Services stating that their presence is always seen in the community. Whether it is street sweeping, garbage pickup, or sidewalk repair resulting from damage made by tree roots, they are always working hard. He announced that the City is setting up an email for residents to send their code enforcement issues and photos to. The address is codes@madison-heights.org. He expressed that his prayers go out to the Charlottesville victims and families, stating that there is too much hate in the world today.

Councilwoman Scott added that she is looking forward the solar eclipse and reminded residents that you have to protect your eyes and need safety glasses. She stated there are solar eclipse glasses available at the library. City Manager Myers noted that there is a limited supply of solar eclipse glasses available for library card holders only and there is a limit of two pairs per family.

Mayor Pro Tem Bliss stated that the Code Enforcement email address is a nice enhancement to the City's code enforcement efforts. He echoed Council's comments on City Clerk Printz's return and stated it was a job well done by Ms. Sanchez. He concurred that the construction at Whitcomb and John R was handled very well, was well signed, and caused limited inconvenience. He noted that the Friends of the Madison Heights Area Senior Citizens are always trying to help the community and improve the lives of seniors, and he encouraged residents to attend their Community BBQ at Huffman Park. He stated the *Pink Out* football game is on October 20th at Madison High School and they will be

playing Lamphere High School. He stated that it will be a lot of fun to experience the game together and hoped that many will attend. He thanked everyone for their support during his chairing of the Council meeting this evening.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
August 28, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, August 28, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Grochowski, and City Clerk Printz.

The invocation was offered by Councilwoman Scott and was followed by the Pledge of Allegiance to the Flag.

CM-17-223. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, asked why the City would pay for a roof for the Nature Center if it is owned by Oakland County. City Manager Myers responded that the City owns the property, but Oakland County leases it. The City has a cost-share agreement for maintenance of the property with Oakland County. The amount the City is considering authorizing later in this meeting for the Nature Center roof replacement is in compliance with the cost-share agreement. Ms. Moore also commented that the Friends of the Madison Heights Area Senior Citizens will be having a meeting Thursday, September 19th, at 7:00 p.m. at Wilkinson Middle School. All are welcome. She thanked Mayor Hartwell for attending the coming to community BBQ, Councilwoman Scott for providing a side dish, Mayor Pro Tem Bliss for attending with his family and helping with the cleanup, and all of the other community members for their assistance and participation in the event.

James Capizzo, 863 Venoy, asked if the City website will have information on the upcoming City election and whether there is going to be a candidate debate. City Clerk Printz responded that currently the election date and voting locations are on the website. Ms. Printz added that there is a Meet the Candidate Night at City Hall on Wednesday, September 13th and in conjunction with that event, the City will be demonstrating the new voting equipment.

CM-17-232. Mayor and Council - Comments.

Councilman Corbett expressed his condolences to the family of Talley Madosky and acknowledged her volunteer work at the Nature Center, stating that she was a lovely and kind person and requested that the City prepare a Condolence Resolution. He wished everyone a safe Labor Day weekend and echoed Councilwoman's Scott's prayer comments pertaining to the hurricane and the City of Houston.

Mayor Pro Tem Bliss thanked Mr. Vitale for the information he provided on the sewer camera replacement agenda item. He concurred with Ms. Scott's comments on the Houston hurricane, and stated that his thoughts and prayers go out to everyone experiencing this. He encouraged everyone to help however they can. He stated that the City recently had four excellent community events including the Solberg Community Carnival, the Friends of the Madison Heights Area Senior Citizen's Community Picnic, the Central Church Movie Night, and the Chamber of Commerce sponsored Trucks, Trucks, Trucks event. These great events bring the community together and are great to be part of. He added that he would like to see an Art Fair in the City of Madison Heights, and announced that he was vetting a proposal and will be discussing it at future meeting. He also stated that the City will soon be considering the establishment of an Arts and Culture Advisory Board that may be able to assist the City with an Art Fair.

Councilman Gettings concurred with the request for a Condolence Certificate for Mrs. Madosky noting that she had 2500 volunteer hours at the Nature Center, and in 2001 was named the Madison Heights Volunteer of the Year. He stated that she was a good lady and she will be missed.

Assistant City Attorney Grochowski had no comments this evening.

City Manager Myers announced that Ms. Madosky's family will be holding a memorial service for her at St. Vincent Ferrer on September 10th and that the City is going to invite the family to attend the September 11th City Council meeting to receive the Condolence Resolution. He echoed the comments on the City of Houston disaster, and noted that the Trucks, Trucks, Trucks event had 400 attendees.

Councilman Clark stated that candidates are campaigning on the issue of blight in the City. He suggested that the City enlist seniors to patrol the neighborhoods and look for blight. He is not proposing they have any authority, but rather assist with identifying problems. He suggested they monitor and report to the City on a monthly basis to assist the code officer and requested that staff report back on the suggestion.

Councilwoman Scott concurred with Councilman Clark's suggestion and noted that the idea deserves exploring. She expressed her condolences of the passing of Talley Madosky and noted that she had privilege of working with her at Nature Center for approximately 15 years. She was wonderful person and nice to work alongside of and that the City will really miss her.

Councilman Soltis stated that he wrote a letter to editor of the Detroit News in response to an article on August 23rd. He read his letter, which stated that he was speaking out in defense of the SWAT team members, and he believes and trusts in these officers. He also stated that he took his son to the Selfridge Air Show which was a great event and he thinks that the United States Flag should always be respected.

Mayor Hartwell thanked Mayor Pro Tem Bliss for chairing the last meeting in his absence. He noted that Councilwoman Scott's words on the hurricane were inspiring. He stated that the Red Cross is reputable and helps in catastrophes like this. He stated that he attended the Chinese Cultural Center Healthy Gardening event and noted that the Cultural Center offered to host a fall festival or farmers market for the City. The City or a charity would need to do the promotion and organize, but their facilities could be used. He announced that the Mayor of Royal Oak has challenged the City to a recycle competition. He stated that a year or two ago a City business experienced a fire. There is an Organization that is promoting HVAC ventilation systems for businesses and he suggested that a resolution reminding businesses of the importance of HVAC ventilation systems and the need for regular inspections so that in the event of a fire, the damage can be contained. Mayor Hartwell concluded his comments by noting that tonight's meeting covered topics that aren't necessarily fun or exciting, but are necessary for the proper functioning of a city.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
September 11, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, September 11, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Soltis and a video was shown honoring the fourteen Michigan first responders who have died in the line of duty during the past year. The Pledge of Allegiance to the Flag followed.

Mayor Hartwell announced the passing of former Mayor Ed Swanson at the age of 87, on September 10, 2017. He then read the press release issued by City highlighting the accomplishments and legacy left by Mayor Swanson. He stated the City honors the Mayor's legacy and extends our deepest condolences to Mayor Swanson's family during this difficult time and he announced that the City's flags will be flown at half-staff in honor of Mayor Swanson.

CM-17-233. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, commented that the Friends of the Madison Heights Area Senior Citizens will be having a meeting Thursday, September 19th, at 7:00 p.m. at Wilkinson Middle School. All are welcome.

Roslyn Grafstein, thanked Mayor Hartwell for his kind words on Mayor Swanson. She spoke of her experiences with Mayor Swanson stating that he was a good man and cared about the City, and although he left the limelight a few years ago, he never left her heart. She thanked him for his service.

CM-17-234. Fire Station Alerting and Mapping Software.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve the three-year professional service agreement with Bryx Inc., to provide the Fire Department with an internet protocol (IP) fire station alerting system and emergency mapping software in the amount of $25,855.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve Ordinance No. 2121, an amendment to waive EMS response fees for residents, by number and title only, as follows:

ORDINANCE NO. 2121
CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN
AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 12, Article V, Section 12-105 of the Code of Ordinances, City of Madison Heights, Michigan, to provide for the billing of the costs and expenses for emergency response and to provide an exception for permanent residents of the City for emergency medical response costs.

Assistant City Attorney Sherman noted that the definition of *"permanent residency"*, as defined by the State of Michigan, has been added to the ordinance. City Manager Myers added that the adopted Fiscal 2018 Budget reflects the anticipated decrease in revenue of $19,525 that will result due to the adoption of this ordinance.

CM-17-238. Mayor and Council - Comments.

Councilman Corbett reflected on his memories of Mayor Ed Swanson, stating that he loved every minute of being Mayor. He went into retirement with grace and elegance and accepted the will of the voters. He enjoyed his service, meeting and interacting with people. He was solid, honest, and he could argue with you and forget it the next day. Councilman Corbett thanked Ed for his service, stating that he enjoyed his tenure and praised his service to this community. Councilman Corbett announced that Council Office hours will resume this Friday, from 1 p.m. until 3 p.m. at the library; all are welcome to stop in to talk about anything related to the City. If you need an alternative time, please contact the City Manager's office to make arrangements.

Mayor Pro Tem Bliss stated that he has known Mayor Swanson for a couple decades beginning in his youth and most recently by serving on Council

with him. He stated that it was an honor to serve with him. He served in a very selfless manor, putting others above himself, spending countless hours and he made everyone feel at home. You do not have to look far in the City to see where Ed Swanson left his mark. Part of his legacy is the way that we serve and he is honored to have known and served with him, and admires how he served the community. He stated that he is happy to honor his legacy and how much he meant to the City, as a whole, and for himself personally.

Councilman Gettings commented that Ed Swanson loved the nature center and the tree lighting, and always sponsored those programs. He stated that he loved Mayor Swanson's stories and he expressed his condolences to his family.

Assistant City Attorney Sherman commented that is was a distinct honor and pleasure to serve with Ed Swanson. He was a successful businessman who was also a beloved public servant. He loved his family and we will all miss him.

City Manager Myers stated that in the 16 years he worked with Mayor Swanson, he has never seen a more upbeat, positive ambassador for the City, and stated that he comported himself with style, class, and humor. He loved being mayor and he was humble about it. He found real pleasure in serving the community and working with staff as a team. He helped us become and last as a great team. He is saddened that the community lost such a treasure and he expressed his condolences to the family.

Councilman Clark commented that Elaine and Ed Swanson and he and his wife used to go out for drives. Ed Swanson always ended the drive with the comment, "if there is anything I can do for you let me know" and that's how he was with everyone.

Councilwoman Scott stated that it was hard to hear the news about Ed. His wife, Elaine, is a wonderful friend and they took good care of each other. She acknowledged the Swanson family, noting they had 9 children and 9 great-grandchildren and Ed lived a long wonderful life. Ed Swanson was always very knowledge historically, and in the Heritage Rooms we honor our mayors. She read the summary of Mayor Ed Swanson that can be found in the Heritage Rooms. She continued by stating the he had so many contributions to the community and he always bragged about Madison Heights. To remember Ed is to remember him with laughter and enjoyment. She announced that the Historical Commission will want to set up a special display in his memory, and she thanked him for what he has done for our city. We will miss you terribly.

Councilman Soltis stated that on this date sixteen years ago, he saw the second plane hit the second world trade tower on television. Pontiac has an incredible memorial that is definitely worth visiting, a great tribute to first responders. He expressed his condolences to the Swanson family and reflected on his first experience meeting Mayor Swanson. He stated that he is wearing a specific tie tonight in his honor.

Mayor Hartwell stated that on the anniversary of the tragedy of September 11th we are mindful of the victims including the first responders and the surviving family members. He concluded the meeting with the following comments that referenced some of Mayor Swanson's words from his final meeting as Mayor from November 9, 2015, "Mayor Swanson stated that it was an honor to serve as the Madison Heights Mayor for the past 16 years and he was humbled and appreciative to have done so. Mayor Swanson stated that he held the office of the Mayor in the highest esteem and it was one of the greatest parts of his life. Ed noted that he was blessed to work with great City Managers, Department Heads, and great employees. Mayor Swanson concluded his statements by stating he was proud to be the Mayor, he wished City Council the best of luck, and he thanked the citizens of Madison Heights for the opportunity to serve."

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
September 25, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, September 25, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, Assistant City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Mayor Hartwell followed by the Pledge of Allegiance to the Flag.

CM-17-240. Proclamation Recognizing Fire Prevention Week, October 8-14, 2017.

City Manager Myers read the following proclamation into the record:

City of Madison Heights Fire Prevention Week Proclamation

WHEREAS, the City of Madison Heights is committed to ensuring the safety and security of all those living in and visiting Madison Heights; and,

WHEREAS, U.S. home fires resulted in 2,560 civilian deaths in 2015, representing the majority or 78 percent of all U.S. fire deaths; and,

WHEREAS, many of today's products and furnishings produce toxic gases and smoke when burned, making it impossible to see and breathe within moments; and,

WHEREAS, these conditions contribute to a much smaller window of time for people to escape a home fire safely, with people having as little as one to two minutes to escape from the time the smoke alarm sounds; and,

WHEREAS, a home fire escape plan provides the skill set and know-how to quickly and safely escape a home fire situation; and,

WHEREAS, a home fire escape plan includes two exits from every room in the home; a path to the outside from each exit; smoke alarms in all required

locations; and a meeting place outside where everyone in the home will meet upon exiting; and,

WHEREAS, practicing a home fire escape plan twice a year ensures that everyone in the household knows what to do in a real fire situation; and,

WHEREAS, Madison Heights first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

WHEREAS, the 2017 Fire Prevention Week theme, "Every Second Counts: Plan 2 Ways Out!" effectively serves to educate the public about the vital importance of developing a home fire escape plan with all members of the household and practicing it twice a year;

NOW THEREFORE, BE IT RESOLVED, that City Council does hereby proclaim October 8- 14, 2017, as Fire Prevention Week throughout the city and urges all residents to find develop a home fire escape plan with all members of the household and practice it twice a year.

BE IT FURTHER RESOLVED, that all residents are encouraged to participate in the many fire safety activities being held during the Fire Department's open house on Saturday, October 7, 2017, from 10 am to 2pm.

On behalf of City Council, Mayor Hartwell presented Chief Lelito with the proclamation.

CM-17-241. Firefighter of the Year.

Chief Lelito recognized Firefighter Nate Figueroa as the *2017 Madison Heights Firefighter of the Year* and noted his many fundraising contributions to the community. On behalf of City Council, Mayor Hartwell presented Mr. Figueroa with the *2017 Firefighter of the Year* award.

CM-17-242. Meeting Open to the Public.

Jenna Yuhase, 29027 Tawas, indicated her support for an Arts & Cultural Commission.

Merri Busch, 1117 E Hudson, stated her support for an Arts & Cultural Commission and stated that she would like to see more diverse representation within the City. She noted that Madison Heights has a large

Asian community and it would be nice to see Madison Heights participate in a cultural event such as the Chinese New Year.

Roslyn Grafstein, 29637 Spoon, stated that she has followed up on Mayor Hartwell's call to work on a Farmers Market with the American Chinese Association's Chinese Community Center and a tentative date has been set for July 28, 2018. They are hoping to have 10-15 vendors at the event and it will be alongside the Association's home expo event. She stated that they will be looking for volunteers to help with the event, and those interested should contact the Mayor.

Anita Palazzolo, 27074 Nanton, expressed her support for an Arts & Cultural Commission, stating that she grew up in a house full of music, loves the hometown feel of Madison Heights, and respects the arts.

Kristin Bianchi, 31647 Meadows, stated that it will be a huge benefit to build arts and culture in the community; it is a great way to get people involved and benefits the whole community.

Aaron Flanigan, 26329 Tawas, expressed his support for the mission of an Arts & Cultural Commission. He read a list of festivals which took place in surrounding communities from the past few months, noting that all of these events give people a reason to come to your city. The Commission will help create an identity and give people a reason to visit Madison Heights. He also noted that at the Funky Ferndale Art Fair, a Madison Heights Lamphere graduate's art was selected to become a mural in the community and he would like to see something similar here. Councilwoman Scott stated that the person selected is Heaven Guty, a 2017 Lamphere High School graduate, and she noted that she is currently attending an art school in Maine on a scholarship. Her creation was titled "Human."

CM-17-243. Resolution Establishing the Madison Heights Arts & Culture Advisory Board.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to approve the following resolution establishing the Madison Heights Arts & Cultural Advisory Board and to provide that the Board shall submit a one-year progress report to the City Council:

RESOLUTION ESTABLISHING THE MADISON HEIGHTS ARTS AND CULTURE ADVISORY BOARD

WHEREAS, City Council recognizes that art, community beautification and culture are a vital part of the well-being of our community, and are a reflection of the City's unique nature and personality; and,

WHEREAS, City Council understands that the arts are an important economic development tool in attracting visitors and businesses considering relocation, and are a valuable source of commerce and industry; and,

WHEREAS, City Council desires to nurture arts and culture in the community and to make art and cultural activities more readily available to residents.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights does hereby authorize the establishment of the Madison Heights Arts and Culture Advisory Board, as follows:

1. Mission Statement:

   The Mission of the Madison Heights Arts and Culture Advisory Board is to enhance the quality of life in our community and promote the value of the arts by supporting diverse, innovative, and accessible visual, performing, and cultural arts programming.

2. Purpose / Tasks:

   a. Advise the City Council of the needs of the artistic and cultural community.
   b. On behalf of the City, actively encourage programs for the cultural enrichment of the community, including, but not limited to, exhibitions, displays, performances, events, instruction, and other projects.
   c. Engage community members and local businesses to build a flourishing and vibrant arts and cultural environment.
   d. Recommend and support financing alternatives and resources for arts and culture.
   e. Recommend policies and advise and propose strategies regarding arts and culture.
   f. Make recommendations on the suitability, financing, and placement of public art.

g. Create and maintain a list of community arts and culture resources.
h. Perform such other duties relating to arts and culture as the City Council may require.

3. Membership:

The Board shall be composed of eleven (11) voting members, including eight (8) members to be appointed by City Council and three (3) student members, and one (1) ex officio member as follows:

a. Seven (7) members from the residents of the City at-large (and two (2) alternates), each of whom shall have one vote;
b. One (1) Council Delegate (and alternate) who shall have one vote;
c. One (1) Student chosen by The Lamphere Schools from Lamphere High School (and alternate), who shall have one vote;
d. One (1) Student chosen by the Madison District Public Schools from Madison High School (and alternate), who shall have one vote;
e. One (1) Student chosen by Bishop Foley High School (and alternate), who shall have one vote; and,
f. The City Manager or his/her designee, who shall serve as an ex officio non-voting member of the Board.

4. Terms of Appointment:

The seven (7) citizen members shall be appointed for a term of three (3) years; however, the initial appointments to the Board shall be staggered such that three (3) members are appointed to a term of three (3) years; two (2) members are appointed to a term of two (2) years; and two (2) members are appointed to a term of one (1) year. Vacancies in any at-large term shall be filled by the City Council in like manner for the balance of the unexpired term.

The two (2) at-large alternates shall be appointed for a term of three (3) years; however, the initial appointments to the Board shall be staggered such that one (1) alternate is appointed to a term of three (3) years and one (1) alternate is appointed to a term of two (2) years. Vacancies in any term shall be filled by the City Council in like manner for the balance of the unexpired term.

The terms of the three (3) student members and alternates shall be for one (1) year.

The Council Delegate and Alternate shall be appointed for a two-year term ending in November of odd numbered years. Vacancies in any term shall be filled by the City Council in like manner for the balance of the unexpired term.

5. Officers:

The Board shall elect a Chairperson, Vice Chairperson, Secretary, and any other officers deemed necessary at the beginning of the first meeting of each year. The Chairperson shall preside over meetings and will serve as a voting member of the Board. The Vice Chairperson shall perform the duties of the Chairperson in his/her absence. The Secretary shall record the proceedings of the Board.

6. Meetings:

For the first year, the Board shall meet on a quarterly basis, with additional meetings thereafter scheduled as required and agreed upon by the Board. All Meetings shall be noticed and conducted in accordance with the Michigan Open Meetings Act (1976 PA 267, MCL 15.261 through 15.275, as amended).

Six (6) voting members of the Board shall constitute a quorum for the transaction of business. A majority of affirmative votes of the Board shall be required for adoption and recommendation of any proposed action of the Board.

Discussion followed on appreciation and support of the arts in the community, sustainability of events, partnering with the Downtown Development Authority and Multicultural Relations Advisory Board, and the benefit to the community as a whole. Mayor Pro Tem Bliss also read a letter sent to him in support of the Arts and Cultural Commission from Laurie Geralds. City Manager Myers stated that once the Commission is approved, vacancies to serve will appear on the next City Council meeting agenda and applications are available in the Clerk's office or on the City's website. Assistant City Attorney Sherman noted that the seat terms on the Commission will be staggered.

CM-17-248. Ordinance No. 2121- An Ordinance Amendment to Waive EMS Response Fees for Residents, Second Reading

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve Ordinance No. 2121, an amendment to waive EMS response fees for residents, on Second and Final Reading, as follows:

ORDINANCE NO. 2121
CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN
AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 12, Article V, Section 12-105 of the Code of Ordinances, City of Madison Heights, Michigan, to provide for the billing of the costs and expenses for emergency response and to provide an exception for permanent residents of the City for emergency medical response costs.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 12, Article V, Section 12-105 of the Code of Ordinances, City of Madison Heights, Michigan, is hereby amended in its entirety to read as follows:

Sec. 12-105. - Billing.

(a) Once the amount of a responsible party's liability for the costs and expenses of response has been determined, that amount shall be billed to the responsible party and/or their insurance carrier by a department or agent of the city, as designated and provided in a resolution and contract approved by the city council.

(1) Exception: A resident who is permanently residing in the City of Madison Heights shall not be liable for emergency medical response costs not paid for by their insurance carrier for an emergency medical response under this Article. A resident may be provided a billing statement for purposes of submission to their insurance carrier for payment of emergency medical response costs on behalf of the resident to the City of Madison Heights. The phrase "permanently residing" means a place where a person has his or her true, fixed and permanent home to which, whenever absent therefrom he or she intends to return and continue to reside therein, until another permanent home is established.

(b) When a particular emergency service directly benefits more than one responsible party, each responsible party so benefited shall be jointly and severally liable for the expense of the emergency response. For the purposes of an emergency response involving a motor vehicle, occupants other than the operator and the registered owner shall not be liable for the expense of the emergency response. For purposes of an emergency response involving real property, occupants other than the owner, lessor, lessee and operator shall not be liable for the expense of the emergency response.

(c) The costs and expenses of response shall constitute a debt of the responsible party and is collectible by the city in the same manner as in the case of an obligation under a contract, express or implied. If, in fact, the costs and expenses of response are recoverable under an insurance policy, it shall be the duty of the responsible party to notify the city within 30 days of the incident of the name and address of the insurance company issuing the policy and the policy number.

SECTION 2. Repealer.

All ordinances, or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

SECTION 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and between the hours of 12:30 p.m. and 4:30 p.m. on regular business days.

CM-17-253. Mayor and Council - Comments.

Councilman Corbett stated that the *Meet the Candidates Night* will soon be available to watch on the City's website and cable. City Manager Myers confirmed that the dates for the cable are being finalized and the video will be available tomorrow for viewing on the City's website. Based on the success of the Red Oaks Water Park Ticket Voucher Program, Councilman Corbett stated that this item will be part of the goal process for next year; he continued that he is looking for input from residents on modifications to program and stated that the program was very well received; he is hoping to extend it into next season.

Mayor Pro Tem Bliss commented with success of voucher program, it reminds us how important summer programs are to our families. He stated that the City of Grand Ledge had an innovated way to fund a splash pad. He commented that he is hoping that we can build one here, perhaps by modeling their funding method of equal portions of crowd funding, city financial contribution, and grant funding. He stated he will put this idea

forward as part of the goal process for next the fiscal year. He noted that he appreciates the support he has received for the Arts & Cultural Commission. He believes there is a need for this commission, a strong desire for it, and he expressed his excitement. He concluded his comments by thanking staff, Council, and the residents for their support for the Arts & Cultural Commission.

Councilman Gettings had no comments this evening.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers announced that the City of Madison Heights and the Oakland County Parks and Recreation department are partnering together to sponsor the Hometown Harvest at the Red Oaks Nature Center on Sunday, October 1st, from 12:00 p.m. until 3:30 p.m. and invited all to attend.

City Clerk Printz stated the City General Election is on Tuesday, November 7th. Polls will be open from 7:00 a.m. to 8:00 p.m. in all voting precincts in the City. Absentee ballots applications are available from the City Clerk's office or online on the City's website.

Councilman Clark had no comments this evening.

Councilwoman Scott stated that she subscribes to The Bridge, a publication about things happening in the State of Michigan. She noted that there is an article which states the private sector is paying for portion of the construction of the I-75 Repair Program. The Program is called P3 and it is the largest private-public partnership transportation project in State history. She continued that the phases of this project that specifically affect the City are Thirteen Mile to Coolidge construction, scheduled to finish in 2020, and the second is construction from Thirteen Mile south, to be completed in 2022. She stated that the Chamber of Commerce is having their Auction and $10,000 Draw Down Raffle and Dinner on October 4th from 6:00 p.m. to 10:00 p.m. at the Horace Brown Dr. Union Hall and tickets are available by calling the Chamber of Commerce or going on their website. She announced Lamphere High School will be holding a new fundraiser - Arts, Rhythm, Auction & More! on November 16th at 6 p.m. Prior to this event, on October 11th, Lamphere will be having their 1st Annual Solo Singing Competition at 7:00 p.m. Registration is at 6:45 p.m. at the Lamphere High School auditorium; you must be 21 and over to participate. More information is available on the Lamphere High school website.

Councilman Soltis stated that Manufacturing Day is October 6th where younger students will be learning about high skilled, high technology manufacturing jobs and touring some plants. Hopefully students will see this type of work as a potential career. He recognized Merri Busch, who was previously in the audience, for sponsoring the Firefighter Christmas dinner and thanked her for her continued support for our first responders. He also stated that he appreciates the City using union contractors when possible and that is his preference and would like to see more of it.

Mayor Hartwell re-congratulated Nate Figueroa on his recognition as the *2017 Firefighter of the Year*. He commented that the City is concerned and remains engaged on the I-75 project. He stated that the City has been opposed to this project and noted that the expansion is a disruption to neighborhoods, has major takings of privately owned land and public land resulting in loss of tax revenue, and there are concerns about the destruction to the ecosystem in the area. The City will be keeping an eye on the project and be at the table in the decision making process with MDOT. He announced the Fire Department Open House on Saturday, October 7th from 10:00 a.m. until 2:00 p.m. and the Fire Department Pancake Breakfast on October 21st from 9:00 a.m. until noon, noting proceeds will be going to the American Cancer Society - Real Men Wear Pink Breast Cancer Awareness Program. The Fire Department will be challenged by the Police Department in a *Beats & Heats Bowl-A-Thon* at the Madison Park Bowling Center on October 28th. Registration is at noon and the public is invited to bowl.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
October 9, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, October 9, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. Deputy City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Mayor Pro Tem Bliss followed by the Pledge of Allegiance to the Flag.

CM-17-255. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of Madison Heights Area Senior Citizens will be meeting Tuesday, October 17th at 7:00 p.m. at Wilkinson Middle School. Beverages and snacks will be provided and all are welcome.

Randy Speck, 3903 Nutcracker Ct., Oxford, Michigan, Superintendent of Madison District Schools, stated that he wasn't able to attend the Meet the Candidate event and wished to explain the great things happening in the Madison District Schools. Two and a half years ago, when the new Madison Elementary School opened there were 350 students; now there are 530 students in grades K through 5. Also, Madison Elementary had the highest 3rd Grade math and reading test scores in the surrounding area. Mr. Speck stated that both school districts operating in the City are doing very well. He appreciates the good work both Lamphere Schools and Madison Schools are doing. Mr. Speck continued, stating that Madison Schools has a Bond Proposal November 7th, with which they are looking to invest in Madison High School, the community, and Sunset Park. On October 16, 2017, at Madison High School at 7:00 p.m., there will be a townhall meeting to provide information about the bond proposal and he invited the public, City Council, and all of the candidates to attend. October 20, 2017 is the *Pink Out* game with Lamphere vs. Madison at Madison High School. The game is to raise awareness for Breast Cancer Month. Finally, he stated that if anyone has any questions, please feel free to contact him.

CM-17-257. Lucas Chest Compression System.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to waive the formal bid process and approve the purchase of two (2) Lucas 3.0 Chest Compression Systems from Physio Control, in the amount of $32,515.22.

Mayor Pro Tem Bliss requested Fire Chief Lelito to give a short explanation of the benefits of this new device.

Fire Chief Lelito stated that the Lucas 3.0 Chest Compression System frees up the firefighter to do other vital important tasks and gives high quality CPR. Fatigue is very common when preforming CPR which can lead to improper chest compressions. This device doesn't quit and is a tool that will provide better quality care to residents.

Councilman Corbett asked how this device works with the 12-lead system currently used by the City. Fire Chief Lelito indicated that the 12-lead system reads the electrical activity in your heart, where this Lucas 3.0 assists when the heart is in cardiac arrest. Councilman Corbett asked if the leads need to be removed when using the Lucas 3.0 Chest Compression System. Chief Lelito replied that you do not have to remove the leads, they work in conjunction with each other.

Councilwoman Scott asked Fire Chief Lelito if the machine works on children. Chief Lelito responded that it should only be used on ages 10 and older.

CM-17-271. Mayor and Council - Comments.

Councilman Corbett stated Council office hours will be this Friday from 1 p.m. – 3 p.m. at Library if anyone would like to stop in. Mayor Pro Tem Bliss will be there this coming Friday.

Mayor Pro Tem Bliss commented that he is excited about all of the board appointments this evening. He stated that he was ready to get started and we just need to fill the three student representative positions on the Arts & Culture Advisory Board and stated he will reach out to all three of the school districts. There is lots of excitement and people are energetic about this board and the positive nature it will have on our community.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

Deputy City Manager Marsh had no comments this evening.

City Clerk Printz stated the City General Election is on Tuesday, November 7th. Polls will be open from 7:00 a.m. to 8:00 p.m. in all voting precincts in the City. Absentee ballots applications are available from the City Clerk's office or online on the City's website. The last day to register to vote for this election is tomorrow, Tuesday, October 10th.

Councilman Clark had no comments this evening.

Councilwoman Scott stated Emma Green, who is a Lamphere graduate and attends Ohio Northern University, was granted permission to hold a meeting with all the girls in the 4th and 5th grades of Lamphere Schools. Roslyn Grafstein, Jeannette Eggert, Laurie Geralds, Linda Williams, along with herself spoke to the students about why it is important to be a girl. By using several women in the community as role models, the girls may be thinking about what a girl can do to be of value to the community and have more confidence in themselves. She continued by thanking Lamphere Schools for supporting the program, stating that it is never too early to get women involved in their community and show what power they can have and what they can achieve.

Councilman Soltis stated that we need to continue to look at the higher levels of government to see what will be coming down the path and impact the local level. On the County level, there is a potential for $600,000 to be allocated to Senior Citizens to eliminate need of waitlist for the in-home chores program. At the end of October there is to be a vote on this. Forty-seven million seniors will also be affected by the elimination of the State Health Assistance Program and the Elder Justice Support Programs. Hopefully, the Meals on Wheels program will stay the same. In addition, there is a report stating that over the coming decade, cuts to low income programs include $39 billion to the anti-hunger program SNAP. The report also identifies other areas that would have harmful effects on children and seniors. He suggests calling the President of the United States at 202-456-1111 and Oakland County at 248-858-0100 to express your support for these programs.

Mayor Hartwell stated he will be attending the events at Madison Schools, saying the townhall will be important to learn how the bond will affect the future of the district and he stated he will also be at the Pink Out game. He is inspired by how students want to raise awareness for breast cancer research and patient support. The Madison Heights Firefighters Union will be hosting a Pancake Breakfast on October 21st from 9 a.m. – Noon at Fire Station 1. All proceeds will go to the American Cancer Society to help patients. Also, the firefighters will be selling special edition t-shirts at the breakfast for $15. Friends of the Madison Heights Public Library will be holding their Annual Used Book Sale on Saturday, October 4th, from 9 a.m. – 3 p.m., and Sunday, October 15th, from 1 p.m. – 3 p.m., in the Breckenridge Room.

Mayor Pro Tem Bliss wanted to thank the Fire Department for such a successful Open House event held this past weekend, noting that it was a great event.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
October 23, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, October 23, 2017 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Clark, Corbett, Gettings, Scott and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Clark followed by the Pledge of Allegiance to the Flag.

CM-17-273. Public Hearing – Ordinance 2122 – Amendment and Restated Downtown Development Authority Tax Increment Financing and Development Plan, First Reading.

City Manager Myers stated that City Council adopted a goal to review and update the Tax Increment Financing and Development Plan for the legal basis and procedure for the capture and expenditure of tax increment revenues for the Downtown Development Authority (DDA). The DDA's current twenty-year plan is set to expire in December of 2017. He introduced Linda Williams, the City's Economic and Community Engagement Supervisor to present the specifics of the proposed amended plan. Ms. Williams gave a PowerPoint presentation that summarized what a DDA is, what TIF (Tax Increment Financing) stands for, facts about the DDA and its boundaries, what the DDA projects and accomplishments have been to date, how the DDA is funded through Tax Increment Financing (TIF), and revenue projections for the next twenty (20) years. She continued that the proposed amended Downtown Development Tax Increment and Development Plan includes four categories of goals: Marketing/Branding, Beautification, Maintenance, and Events, and she reviewed each category and what made up the goals. She concluded her comments by thanking the Mayor and City Council, DDA Board, stakeholders, business owners, and public for their work and support during this process.

Mayor Hartwell opened the Public Hearing at 7:47 pm.

Gloria Moore, 27368 Dartmouth, asked how many residents and business people are on the DDA Board. Mayor Hartwell responded that there are thirteen (13) members on the DDA Board and the majority has to have a property interest in the DDA. There are resident members, and the

membership follows statutory requirements. She also asked if City Council would be taking comments at the Second Reading of the ordinance and Mayor Hartwell responded, yes.

Roslyn Grafstein, 29637 Spoon, asked for clarification of the composition of the DDA Board and asked if a Board member needs to own a business in the DDA. Mayor Hartwell stated that the membership is appointed by the Mayor and confirmed by City Council. The majority of the membership must have property interest in the DDA. He stated as a resident and Mayor, he serves on the DDA as designated by ordinance, and noted that the majority of DDA property is commercial and businesses, with the exception of Wilkinson Middle School, and that there is little housing in the DDA.

Seeing no one further wishing to speak, Mayor Harwell closed the Public Hearing at 8:50 p.m.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to adopt Ordinance 2122, Amendment and Restated Downtown Development Authority Tax Increment Financing and Development Plan, by number and title only on First Reading as follows, and schedule second reading on November 27, 2017:

ORDINANCE 2122

AN ORDINANCE TO AMEND ORDINANCE 974, BEING AN ORDINANCE CODIFYING AND ADOPTING A NEW CODE OF ORDINANCES FOR THE CITY OF MADISON HEIGHTS BY AMENDING IN PART CHAPTER 2, ARTICLE XV, DOWNTOWN DEVELOPMENT AUTHORITY, TO PROVIDE A NEW SECTION 2-320 TO APPROVE AND ADOPT A TAX INCREMENT FINANCING AND DEVELOPMENT PLAN FOR THE CITY OF MADISON HEIGHTS DOWNTOWN DISTRICT.

Councilwoman Scott commented that she has seen great, positive changes in this Madison Heights DDA area. She stated that berms were installed in the 1970s to create beautification of the area and noted that the DDA has created positive economic development in area.

Mayor Hartwell recognized the DDA Board members in the audience including Chairperson Michael Van Buren and Vice Chairperson Lenea Renshaw, and noted that some members have been part of the DDA for twenty years. He stated the DDA held a joint townhall with City Council to gain public input on the amended plan and over 70 stakeholders participated, bringing the ideas that formed the basis for the new plan. He stated that the DDA is a great City board and that this plan is exciting. The plan goals will be measurable; some are short-term goals, and some long-term in nature. He thanked the DDA Board, Ms. Williams, Community

Development Director Schafer, Mr. Myers, GIS Coordinator Drew Phillips and the Department of Public Services for their work on the amended plan and their support of the DDA.

In response to Mayor Pro Tem Bliss's question, Ms. Williams stated that the scoring and ranking of the plan goals was a year-long process which was kicked off with the joint DDA City Council townhall. This event generated many ideas. The DDA Board members ranked the list of ideas and prioritized within each of the four main categories and took into account projected budget constraints. The Board ranked the ideas individually and then within their respective categories.

CM-17-274. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of Madison Heights Area Senior Citizens will be meeting Tuesday, November 21st, at 7:00 p.m. at Wilkinson Middle School. Beverages and snacks will be provided and all are welcome.

Roslyn Grafstein, 29637 Spoon, stated that she participated in the townhall last summer, and that she is excited about the DDA plan. She also gave positive feedback on the proposed Fire Station 2 Open House as part of the amended DDA plan, and stated that she looks forward to it.

Kenneth Thweatt, 27700 Brush, requested that a Certificate of Appreciation be given to the United Methodist Church for their support to veterans, including providing food, clothing, bus passes, and housing assistance. The Pastor is very supportive, they help any denomination, and it is a great place to go. He also stated that Council needs to be careful when adopting blight ordinances so that they are not so burdensome to seniors. The ordinances need to be flexible, if possible. He would like to see what the City does to support seniors and he stated that the Madison District is telling seniors they can get a reduction in taxes, but clarified that not all can qualify, including those who will get increases passed on in their rent.

Tom Lewandowski stated he purchased the old Family Heating and Cooling building on John R and another building on Lincoln. He stated that the City services are outstanding. The Department of Public Services is great, as well as the Building Department. This city is on the verge of breaking out, and downtown Madison Heights is just waiting for people to care and

clean it up. There are a lot of great people doing a great job, and he is excited for the future.

CM-17-281. Mayor and Council - Comments.

Councilman Corbett thanked the Firefighters for holding the Pancake Breakfast, stating they did a great job. With the election coming up in two weeks, he wished all the candidates good luck, noting that it is a credit to all of those who put themselves out there, and he expressed his thanks to all of the candidates. He stated that Councilman Clark has served twenty years on the job, and that he was happy to have had the opportunity to serve with him and considers it an honor. He continued that Councilman Clark always acts with dignity and has a real respect for people. He always kept calm and is a role model. Councilman Clark volunteers in the community including serving as a volunteer firefighter, auxiliary police, and for the SHARP program. Everyone speaks highly of Councilman Clark and he will be missed.

Mayor Pro Tem Bliss thanked Councilman Clark for his service, noting that he had the opportunity to serve with him for the past four years. He stated

that Councilman Clark is truly sincere when a resident has an issue and immediately works to help the resident's need. He is passionate for our residents, Councilman Clark truly hears them and that is a phenomenal thing. Council will have to work hard to fill the vacancy he will leave behind. He stated that this is a really exciting time in the city. There is resurgence in Madison Heights building up with positive momentum so hats off to everyone involved. This resurgence can only happen if we have dozens and dozens of people who want to make a difference and he stated that he is really thrilled to be part of the excitement and can't wait to see what the next few years will hold.

Councilman Gettings stated he did some math prior to the meeting and calculated that in his tenure, Councilman Clark attended approximately 500 City Council meetings and only missed one, for a 99.8% attendance record. He continued that Councilman Clark has great character, common sense, is consistent, and will be greatly missed.

City Attorney Sherman stated that he is speaking on behalf of himself, his brother Jeff, and Nic Grochowski and stated that they all have enjoyed working together through good times and bad times, and that Councilman Clark is very dear friend to all of us. Councilman Clark may be leaving Council, but he is starting next chapter of his life. He commented that he will miss seeing him at the Council table, but that he know we will still see you and wished him continued good health and all the best.

City Manager Myers commented that the one thing that stands out to him about Councilman Clark is how prepared he is, and how committed he is to Madison Heights citizens. As a Councilmember and member of the Senior Citizens Advisory Board, he is always prepared to pass on information, provide Board updates, answer questions, and his concern is always genuine and heartfelt. He stated that he was going to miss Councilman Clark and thanked him for his public service.

City Clerk Printz state she will miss Councilman Clark sitting next to her on the dais. He has always been a gentleman, and although he is not one to say much, when he does, people should listen because it is important. She stated that the City General Election is on Tuesday, November 7th. Polls will be open from 7:00 a.m. to 8:00 p.m. in all voting precincts in the City. Absentee ballots applications are available from the City Clerk's office or online on the City's website.

Councilwoman Scott thanked Rich Clark for everything he has done for our Council and city. He is the one who encouraged her husband to get involved in politics. Councilman Clark has always been a good role model, and he helped form the Elected Officials Academy through the Michigan Municipal League to help elected officials become familiar with laws, keep

out of legal trouble, and learn about how local government functions. He was the first Madison Heights official to graduate from the program. Please remember to vote, it is not only your right, but it is your responsibility. She congratulated all those who are participating and seeking election.

Councilman Soltis stated appreciates Mr. Thweatt's comments regarding helping the seniors, and stated that he will work even harder to help seniors if re-elected. Councilman Clark was the one who encouraged him to run in the first place, he respects that he is veteran, and he looks forward to working with him again.

Mayor Hartwell stated it is hard to say goodbye to Councilman Clark who served the City for twenty years, including as Mayor Pro Tem. He provides the example that the job of a City Councilperson is more than just the meetings, but also out in the public. Councilman Clark's public service includes participation in little league, football, baseball, scouting, the Family Coalition, Youth Assistance, Friends of Madison Heights Youth, and Director of the Chamber of Commerce - he really did it all. He reminds us that in this day of technology, that we still need to speak to each other face-to-face and that breeds respect for each other. Your personal touch on so many issues has helped our City to make progress, thank you so much for your service.

Councilman Clark sated that he was nominated for the Quilt of Valor, created by the Stitching Sisters. There were ten other veterans who received quilts and there was a ceremony at the Clawson Police Department to present them. He continued that if there is anyone who would like to nominate a veteran, he can provide the contact information. He thanked everyone who has served with him over the past twenty years, including Councilman Corbett, Councilman Gettings, Councilwoman Scott, and his friend, Mayor Ed Swanson. He stated that the City employees are part of his family. He enjoyed every minute of it, and he may be back, but either way, he will still contribute to the City, to programs with the seniors, and continue to help in any way that he can. He thanked the citizens who kept him on City Council for twenty years, and stated that he only missed one meeting in that time frame. He concluded his comments by stating it was an honor to serve the citizens of Madison Heights on City Council.

CM-17-291. Public Hearing - Special Approval No. 17-04 – 32401 Mally – Woodspring Suites Hotel.

City Manager Myers reviewed the proposed Special Approval No. 17-04.

A public hearing was held at 7:54 p.m. to hear any comments pertaining to the proposed Special Approval 17-04, to allow a hotel to operate in the M-2 Zoning District at 32401 Mally.

City Manager Myers read the comments the City Clerk's office received from Tonya Lewis, General Manager of the Hampton Inn and Megan Puzio, General Manager of the Residence Inn in opposition to Special Approval No. 17-04.

There being no further comments, the public hearing was closed at 7:55 p.m.

Motion by Councilman Corbett, Seconded by Mayor Pro Tem Bliss:

WHEREAS, a Special Approval Board application has been received from M2B1, LLC requesting a hotel at 32401 Mally in a M-2 District; and:

WHEREAS, a public hearing was published in the Madison Park News on October 25, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 32401 Mally

REQUEST: Special Approval is requested under Section 10.332(5) of the Zoning Ordinance to allow a hotel to operate in the M-2 Zoning District at 32401 Mally.

EXISTING ZONING: M2 - Heavy Industrial

EXISTING USE: Vacant

STAFF ANALYSIS:

1. Special Approval is required for operation of a hotel in the M-2 District. Woodspring Suites Hotel proposes to construct and operate a 122 room hotel.
2. While not before City Council for review, please note that the site requires a complex combination of several existing

properties which awaits administrative approval after final action on the special approval by City Council. In addition, access to the property is via both Mally Drive (private road) and an easement out to Stephenson Hwy.

3. The site plan has been revised to address the new required landscaping and bike rack standards. The plan meets those requirements.

4. Parking exceeds the minimum requirements of the Zoning Ordinance.

5. Proposed Hours of Operation: 24 Hours a day – Seven days per week.

6. The Site Plan Review Committee has reviewed the site plan. All review comments have been addressed. Should City Council approve the special approval request, the Site Plan Review Committee recommends that it be conditioned upon final approval of the necessary land divisions and combinations.

7. Attached are specific review standards and criteria for review of Special Approvals (Section 10.201.1) and general standards for all City Council zoning-related decisions (Section 10.805).

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, hereby approves a hotel at 32401 Mally with the following condition:

a. Final approval of the necessary land divisions and combinations.

In response to Councilman Corbett's question, Community Development Director Schafer stated that there was not a required traffic study since the hotel is off Mally (which is a private road) onto Whitcomb, with easements from the existing driveways with Wireless Giant onto Stephenson Highway. In addition, there have been hotels in the area for several years and there have not been complaints through the Traffic Safety Committee or any specific issues regarding backlogs or traffic jams.

In response to Councilwoman Scott's question, Mr. Schafer answered that he believes there are two hotels in the area that are four stories in height.

Councilman Soltis commented that he agreed with the General Managers' comments, stating that he was not sure of the need for a hotel, the City has had crime issues with hotels, and that he is concerned about an increase in crime.

Mayor Pro Tem Bliss stated that he appreciates development in area; newer hotels can attract business, which is a draw for other investments. He stated that it appears the applicant has done their due diligence, and he is confident of the demand.

Motion Carried 6-1.

CM-17-292. Special Approval No. 17-05 – 436 E. 14 Mile – Used Car Sales.

City Manager Myers reviewed the proposed Special Approval No. 17-05.

A public hearing was held at 8:03 p.m. to hear any comments pertaining to the proposed Special Approval 17-05, to allow a used car dealership in the M-1 Zoning District at 436 E 14 Mile Road.

Bill Nalu, owner of Interstate Auto Care, 526 E 14 Mile, stated that he has owned his business for 17 years and he is proud to be part of the community. Madison Heights has been a wonderful community; however, he is a little concerned about the 14 Mile corridor. He stated that he is not sure the City needs another car lot, and he believes that the leasing business is drying up the used car market. Used car lots are magnets for businesses such as payday loans and liquor stores and we do not want to see this. He would prefer the corridor to be something more than that. He continued that the building next door has been vacant for 10 years. A former restaurant now is selling used cars, but it still looks like a restaurant. He stated that he doesn't want to see 14 Mile becoming a used car lot corridor and requested that it be kept more retail. He also commented that he thinks that the Matthew Hargreaves temporary storage of used cars is okay, but did not want used cars sales on a permanent basis.

Merri Bush, 1117 E Hudson, commented that these two Special Approvals raise a point of where the City can go. In consideration for these types of new businesses, how much does the City Council look at urban planning and development for sustainable growth and business? What do we do to attract in our forecast and our twenty-year plan the type of businesses we want to have? She invited Council to consider the decision they are making and how it fits

into what it should be: market researched and scientifically based, not from "a gut, it doesn't feel right" decision making.

There being no further comments, the public hearing was closed at 8:08 p.m.

Motion by Councilman Corbett, Seconded by Councilman Gettings:

WHEREAS, a Special Approval Board application has been received from Moe Dia requesting a used car dealership at 436 E 14 Mile Road in a M-1 District; and:

WHEREAS, a public hearing was published in the Madison Park News on October 25, 2017 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 436 E. 14 Mile

REQUEST: Special Approval to allow a Used Car Dealership in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Auto Repair Facility and Vacant Parcel

STAFF ANALYSIS:

1. Special Approval is required to allow used car sales in the M-1 District. The owner of the existing auto repair facility is proposing to use the existing facility for used car sales as well. The building will continue to be used for auto repairs as well as for the sales activity as noted on the floor plan.

2. In June 2014 the Applicant previously sought and was granted special approval for used car sales for 456 E 14 Mile and the vacant lot associated with this application (the building east of the subject property). That approval was not acted on by the applicant and that approval has lapsed.

3. Parking meets minimum ordinance requirements.

4. Hours of Operation: Mon – Fri: 8:00 am – 6:00 pm; Sat: 8:00 am – 2:00 pm

5. The Site Plan Review Committee has reviewed the plan and all plan review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

    a. Used vehicle display in five (5) designated sales spaces only per site plan.

6. Attached are specific review standards and criteria for review of Special Approvals (Section 10.201.1) and general standards for all City Council zoning-related decisions (Section 10.805).

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, herby approves a used car dealership at 436 E. 14 Mile Road with the following condition:

    a. Used vehicle display in five (5) designated sales spaces only per site plan.

In response to Mayor Pro Tem Bliss's question, Mr. Schafer stated that the number of vehicles spaces for display is based on the number of customer parking spaces required for the site based on the use as an existing car repair facility. The five spaces are the remaining number of spaces available.

In response to Mayor Hartwell's question, Mr. Schafer stated that the condition that is part of the Special Approval will allow the City to make sure there is compliance with using only five sales spaces and allows the City to monitor the site. Further, the code requirement for the parking trumps the display spaces. The parking demand for the site is generated by the existing building itself and the range of uses in it. You back into the available spaces once you provide for all the available parking spaces.

Councilman Corbett stated that this is not a used car dealership, but rather a car repair shop that sells used cars. Mr. Schafer stated that the used car sales are being added to the existing operation.

Moe Dia, 7835 Oakman, Dearborn, owner and applicant was present. He stated that since 2000 he has been investing and improving buildings in the City of Madison Heights. He stated that he purchased the building next door to make a used car lot, but the plan did not go through. He continued that he is trying his best to follow the rules and every building he owns he makes it the best that it can be. By adding this business to his existing one, it is a way to

generate a little extra money. He stated that he wants to improve 14 Mile Road, not make it worse.

In response to Mayor Hartwell's question, Mr. Schafer stated that the adjacent uses to this property are industrial to the south and west and commercial to the east.

In response to Mayor Pro Tem Bliss's question, Mr. Schafer confirmed that the sales spaces are in the middle of the two buildings and there are five north/south facing spaces, off the greenbelt of 14 Mile Road, that would be the display spaces. The remaining spaces are for parking.

In response to Mayor Hartwell's question, Mr. Schafer stated there are no codes that prohibit the type of barrier between the lots and the applicant owns all three of the properties, including the vacant lot, so that would be his preference from a design standpoint. If he wished to combine the driveway, he could do that as well.

In response to Councilwoman Scott's question, Mr. Schafer stated that the property to the west is a small manufacturing firm and to the east is a vacant lot with a small vacant building. Next to the vacant lot is an automotive repair facility.

In response to Mayor Hartwell's question, Mr. Schafer stated that this is a small parcel and the City required that the required landscaping be on the 14 Mile Road side of the property; instead of the standard greenspace of five feet, this will be a fifteen foot greenbelt.

CM-17-293. Meeting Open to the Public.

Martha Kehoe, 1765 Dulong, stated that on behalf of the Madison Heights Parade Committee she thanks everyone on City Council for their financial support. She also thanked County Commissioner Gary McGillivray and City staff for their work on the parade.

Merri Busch, 1117 E Hudson, congratulated the re-elected and new Councilmembers. She stated that people want to participate with the newly energized Council; they like the progress that they are seeing. Many people do not understand how the City works and how they can get their issues addressed in a timely manner. In addition, people want to be a more

significant part of the City goal setting and planning process. To help address these needs, she has asked and Emily Rohrbach has agreed to do a series of educational seminars for our residents. She requested that the City partner with this team to accomplish this. To have the City provide logistical support, Council and City management advice and guidance, and partner to hold a Board Fair by June, 2018. She stated they would like the opportunity to have a meet and greet with all the board members, set expectations for advisory boards, and receive new applications for board members. Their goal is to make boards more participatory in helping the Council set the fiscal year 2019 goals. In preparation, they invite the Council and Mayor to review the nature and activities of all boards and commissions, to decommission those that are inactive, or those with missions that may be combined with another board. They invite the Council to use the Parks and Recreation Board as an example of what is really working. She requested that each City Council member do a quarterly report on the board activities based on the notion of continued improvement as a regularly scheduled agenda item of a City Council meeting. She asked for the thoughts on this at the next City Council meeting as an agenda item and whether the City wishes to participate in the citizen led action plan. She commented that the Madison District is not listed as a participant on the City School Liaison Commission. She also stated that the recent Madison District ballot proposal was thoroughly defeated, but she will be working with school board members to raise money privately for the development of Sunset Park area. She requested that Council participate since the City has a vested interest. Please notify her if you are interested and she requested that a member of the Parks and Recreation Advisory Board also participate in this process. Their first meeting is scheduled for January 13th at 10:00 a.m. at the library.

County Commissioner Gary McGillivray congratulated the newly elected Council members and Mayor and recognized Rich Clark for his service to the City. He stated that many do not realize the amount of time that goes into being an elected official, and Rich has spent a lot of time working for the citizens of Madison Heights. He updated City Council on local road funding, and stated that Oakland County wants to make sure drinking water is safe in all of our schools and has budgeted $500,000 for new, safe, drinking fountains. Unfortunately, the County has not been getting great response from the school districts due to them having to install the fountains at their own expense.

CM-17-329. Mayor and Council - Comments.

Councilman Corbett congratulated Councilor Grafstein and the re-elected members of Council. For those who didn't win he congratulated them as well, noting that the community is stronger with more voices. He expressed his condolences to the family of Irene Landino, and stated that she was Mrs. Claus for the Goodfellows and that the earth is a better place because she was on it. He requested that Council send a Condolence Resolution to the family. He announced that the Goodfellows will be braving traffic at the corners of the City on November 25th to fundraise and almost 100% of the money raised goes to children and families. He also stated that at the next meeting there will be a gift donation collection and monetary donations can also be dropped off as well. He requested a report on re-instituting enhanced code enforcement, stating in the past, this program was very successful and he would like to renew the effort. City Manager Myers added that the late fall code enforcement sweep is underway in the City.

Mayor Pro Tem Bliss thanked Rich Clark for his service to the City noting that he only missed one meeting in his tenure. He welcomed Councilor Grafstein, their newest colleague, stating that he is excited about the energy she is bringing. He thanked his peers for Mayor Pro Tem selection, stating that it means a lot to have their support and he won't let Council down. The Arts and Culture Advisory Board had their first meeting and they already have several ideas and have a lot of excitement. The second meeting will be on December 4th at 6:15 p.m. at City Hall.

Councilman Gettings thanked Rich Clark for his years of service, for all the meetings he went to, the sweat he put in, and stated that he was glad to have served with him. He is a good leader and he thanked him. He welcomed Councilor Grafstein to the Council.

City Attorney Sherman expressed his congratulations to Mayor Hartwell, the re-elected council, and newly elected Councilor Grafstein, stating that he looks forward to working with all of them. He noted that he made comments about Rich Clark at the last meeting, but added that Rich is a wonderful person and we are going to miss you. He wished everyone a happy and safe Thanksgiving.

City Manager Myers congratulated all on their election, stating that he is looking forward to working with newly elected Councilor Grafstein. He also stated that it was an honor and privilege to work with Rich Clark. The City Tree Lighting will be on November 27th at 6:30 p.m. and stated that the City is looking for donations to help support this event. If you are interested in donating, please contact the City Manager's office.

City Clerk Printz welcomed the newly elected Council and thanked all the election inspectors and student inspectors that worked on the November 7, 2017 City Election, stating they were instrumental in making the election run smoothly.

Councilor Grafstein stated thank you to everyone who helped her get where she is and that she looks forward to serving the City.

Councilwoman Scott congratulated all on their election and stated that it will be nice to have another female voice on Council. She noted the trend across the country of woman being elected to local offices. She thanked all the men that she has served with and stated that they have all been role models and she appreciates their graciousness and respect. She thanked her colleagues for her committee appointments. She stated that the Tree Lighting is at 6:30 p.m. before the next Council meeting, and at the meeting Council will be honoring Ed Swanson. She welcomed all to contribute comments to the Historical Society regarding thoughts about Ed Swanson and his life, and the memories that you have of him. They are compiling the information and putting together a memorial book in his honor. She stated that November 13-19th is Traffic Incident Responders Week and stated that State Law requires when you are approaching accident scene, you need to move a lane over from the scene. She also stated that the Mi-Drive app notifies you of any hazardous conditions, or accidents that may be occurring on the roads so that you can make an informed travel decision.

Councilman Soltis stated he rode EMS for years and responder safety is an important issue. He thanked residents for allowing him to serve another four years, and expressed his congratulation to his colleagues and to the other candidates who ran as well. He also thanked the Women's Club for allowing members of Council to serve at your annual Autumn Tea. He thanked Councilman Clark for his service and stated that it was an honor to serve with him.

Mayor Hartwell said thank you to all eight candidates for City Council and stated that he was inspired by the positivity of the campaign. He gave a huge thank you to Councilman Clark for his service and thanked him for his moving speech at Veteran's Day Ceremony held at the Senor Center. He also thanked the Women's Club for the luminary ceremony. He congratulated the Madison Heights Firefighters for finishing 3rd Place in the fundraising for the Real Men Wear Pink campaign in Oakland County.

City Council/Downtown Development Authority Joint Meeting
Madison Heights, Michigan
November 27, 2017

A Joint Meeting of the Madison Heights City Council and Downtown Development Authority (DDA) was held on Monday, November 27, 2017, at 7:30 p.m. in the Council Chambers of the Municipal Building at 300 W. 13 Mile Road, Madison Heights, Michigan.

City Council Present: Mayor Hartwell, Mayor Pro Tem Bliss, and Councilmembers Corbett, Gettings, Grafstein, Soltis, and Scott.

City Council Absent: None.

DDA Present: Chairperson Van Buren, Vice-Chairperson Renshaw, Mayor Hartwell, Mr. Yousif, City Manager Myers, Ms. Valmassei.

DDA Absent: Mr. Busler, Ms. Charlebois, Mr. John, Mr. Johnson, Mr. Keys, Mr. Sheppard, Ms. Spreitzer.

No DDA quorum was present.

Others Present: City Attorney Sherman, City Clerk Printz.

CM-17-331. Meeting Open to the Public.

State Representative Jim Ellison recognized the newly elected City officials. He stated that he was present this evening to honor his friend, Ed Swanson, and presented a State of Michigan Proclamation in Mayor Swanson's honor to the Swanson family. City Manager Myers read a Condolence Resolution from the City of Madison Heights, and on behalf of City Council, Mayor Hartwell presented it to the Swanson family.

Gloria Moore, 27368 Dartmouth, commented that the south end of the City will be hit hard with the I-75 construction. To have the area between Lincoln and 10 Mile zoned industrial, she does not believe to be positive for the area. She expressed that DDA meetings held in the morning may be difficult for the public to attend, and she encouraged better communication from the DDA for those that aren't technically savvy.

Richard Clark, 29328 Howard, stated that the Police Reserves is the only group that has to pay to become a volunteer. Duties of Reserve Officers include

vacation home checks, working the Festival in the Park, attending City Council meetings, delivering subpoenas, policing down wires and signal failures. To be a Reserve Officer, you must attend mandatory training that the volunteer has to pay for. At one time we had 40-50 reserves, and we are now down to 18. More Police Officers can be on the road when the Reserve Officers cover these types of duties. The City needs more public safety personnel. Last year, the City Council spent $7,500 to let people swim in the wave pool. He requested that some of that be used to sponsor attendance at the Reserve Academy so that volunteers don't have to pay to make our community safer.

Jim Cappizo, 863 Venoy, spoke regarding the proposed tax cut being considered in Congress and referenced the Citizens for Tax Justice website, CTJ.org, for those seeking more information. He also spoke on water meters sending out signals every 30 seconds, and commented that he does not believe this level of transmission is necessary since the meters are only read every 3 months.

CM-17-332. Ordinance 2122, Amended and Restated Downtown Development Authority Tax Increment Financing and Development Plan, Second Reading.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to adopt Ordinance 2122, Amended and Restated Downtown Development Authority Tax Increment Financing and Development Plan on the Second Reading, as follows:

ORDINANCE 2122

AN ORDINANCE TO AMEND ORDINANCE 974, BEING AN ORDINANCE CODIFYING AND ADOPTING A NEW CODE OF ORDINANCES FOR THE CITY OF MADISON HEIGHTS BY AMENDING IN PART CHAPTER 2, ARTICLE XV, DOWNTOWN DEVELOPMENT AUTHORITY, TO PROVIDE A NEW SECTION 2-320 TO APPROVE AND ADOPT A TAX INCREMENT FINANCING AND DEVELOPMENT PLAN FOR THE CITY OF MADISON HEIGHTS DOWNTOWN DISTRICT.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. That Chapter 2, Article XV of the Code of Ordinances, Madison Heights, Michigan is hereby amended in part to add a new Section 2-320 to read as follows:

Section 2-320. Tax Increment Financing and Development Plan; Determination of Public Purpose; Approval of Plan.

(1) Determination of Public Purpose.

Following a duly noticed public hearing on the Tax Increment Financing and Development Plan, adopted by the City of Madison Heights Downtown Development Authority on the 12th day of September, 2017 and having given due consideration the following standards and criteria as set forth in Section 19(1) of P.A. 197, of 1975, as amended:

(a) The Tax Increment financing Plan meets the requirements set forth in Section 14 and 15 of said P.A. 197 of 1975, as amended;

(b) The Development Plan meets the requirements set forth in Section 17(2) of said P.A. 197 of 1975, as amended;

(c) The proposed method of financing the development is feasible and the authority has the ability to arrange the financing;

(d) The development is reasonable and necessary to carry out the purposes of said P.A. 197 of 1975, as amended;

(e) That the land included within the development area to be acquired, if any, is reasonably necessary to carry out the purposes of the Plan and of P.A. 197 of 1975, as amended in an efficient and economically satisfactory manner;

(f) The Development Plan is in reasonable accord with the Master Plan of the City;

(g) Public services such as fire and police protection and utilities are or will be adequate to service the project area;

(h) No changes in zoning are necessary for the project and for the City. It is hereby found and determined that the Plan constitutes and seeks to accomplish a public purpose.

(2) Approval of Plan.

In accordance with the foregoing considerations, the Tax Increment Financing and Development Plan is hereby approved and adopted for all purpose of P.A. 197 of 1975, as amended, consistent with said plan. Copies of the Tax Increment Financing and Development Plan and all respective amendments thereto shall be maintained on file in the city Clerk's Office and cross-indexed to this Ordinance.

(3) Public Purpose.

The City Council hereby determines that the Plan constitutes a public purpose.

(4) Best Interest of the Public.

The City Council hereby determines that it is in the best interests of the public to proceed with the Plan in order to halt property value deterioration, to increase property tax valuation, to eliminate the causes of the deterioration in property values, and to promote growth in the Downtown District.

SECTION 2. All Ordinance or parts of Ordinances in conflict with this Ordinance are repealed only to the extent necessary to give this Ordinance full force and effect.

SECTION 3. Should any section, subdivision, clause, or phrase of the Ordinance be declared by the courts to be invalid, the validity of the Ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. All proceedings pending and all rights and liabilities existing, acquired or incurred at the time of this Ordinance takes effect, are saved and may be consummated according the law in force when they are commenced.

SECTION 5. This Ordinance as ordered shall take effect ten (10) days after its adoption and upon publication.

SECTION 6. A copy of the Ordinance may be inspected or purchased at the City's Clerk's Office between the hours of 8:00 A.M. and 4:30 P.M. on regular business days.

DDA Chairperson Michael Van Buren and owner of Artech Printing stated that every member of the DDA Board has a vested interest in the DDA area. The DDA, along with City Council, held a townhall meeting to put the Development and Tax Increment Finance plans together. City Council, the community, and the DDA all worked together with staff to accomplish this. He noted that while the DDA finances are down significantly from 20 years ago, the DDA will work with what they have to accomplish as much as they can and he stated that he supports the plans before City Council.

DDA Vice-Chairperson Lenea Renshaw and owner of Ms. Ne-Ne's Child Care stated that she has operated her business in the City for 22 years. She stated that it has been an honor to be one of the original DDA members. The DDA has experienced lots of growth as well as retraction during the recession. The DDA has been wonderful, but there is still a lot to do. A few of the things that the DDA has done in the past include: signs grants, the clock tower and maintenance, the food festival, and the Art Challenge. The DDA is taking baby

steps, but there is so much more to do. Now is the time to take bigger leaps and she stated that she is willing to do whatever she can to help.

Madison Heights, Michigan
November 27, 2017

A Regular Meeting of the Madison Heights City Council was held on Monday, November 27, 2017 at 7:52 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Gettings, Grafstein, Scott and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilor Grafstein followed by the Pledge of Allegiance to the Flag.

CM-17-334. Presentation of Condolence Resolution for the Family of Mayor Edward C. Swanson.

During the Public Comments portion of the Joint City Council/Downtown Development Authority meeting immediately preceding the Regular City Council meeting, Representative Jim Ellison presented a proclamation from the State of Michigan to the Swanson family. City Manager Myers read the City's Condolence Resolution for the Family of Mayor Edward C. Swanson, and on behalf of City Council, Mayor Hartwell presented the Condolence Resolution to the family.

CM-17-335. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of Madison Heights Area Senior Citizens will be meeting Tuesday, December 19th, at 7:00 p.m. at Wilkinson Middle School. Beverages and snacks will be provided and all are welcome. This Saturday, New Beginnings General Baptist Church at 950 W. Gardenia, is holding a Pancake Breakfast from 8:30 a.m. to noon. She also noted that the Fourth Reich Motorcycle Club will be having their Annual Coat Drive on December 2nd, 9th, and 17th from 10 a.m. until 5:00 p.m. at 702 Eleven Mile Road.

Paul Sanders, 26433 Rialto, stated that he never knew the City had a DDA and asked if the meetings are posted. City Manager Myers answered that the meetings are posted on the Annual Meetings Calendar on display in the City Hall vestibule and the meetings and agendas are also posted on the website calendar.

CM-17-336. City Auditors – Financial Audit Presentation.

The City's Auditing firm, Plante Moran, presented for Council their review of the City's financial statements for the fiscal year ended June 30, 2017. Plante Moran representatives, Lisa Manetta and Keith Szymanski, answered questions from Council pertaining to General Fund revenues and expenditures and the Fund Balance. Mr. Symanski noted that the City's two biggest challenges are capital needs such as infrastructure and equipment, and legacy costs of pension and retiree health care costs. Ms. Manetta reviewed Plante Moran's letter to City Council and noted that State Revenue Sharing appears to have stabilized, with a slight increase expected for 2018.

In response to Councilman Corbett's questions, Ms. Manetta stated that she is not aware of any state-level comprehensive plan addressing pension funding issues; she also stated that the City uses current mortality tables when calculating pension obligation projections.

In response to Councilman Soltis's questions, Mr. Syzmanski clarified the appearance of Debt Administration in General Fund Expenditures in 2017 is due to the principal and interest on pension bonds approved by City Council. Deputy City Manager Marsh explained that there were more expenditures than revenues due to a planned use of Fund Balance; City Council did a mid-year budget amendment to fund the City's actuarial OPEB contributions for the year. Ms. Manetta reviewed the new accounting rule and how it will be recorded on future City's financial documents. Mr. Syzmanski stated that there are some cash outflows that need to be funded by operations such as debt service payment and City Manager Myers noted capital outlay expenditures, which is why there are more revenues than expenditures in the Water-Sewer Funds.

Motion by Councilman Corbett, seconded by Councilman Soltis, to receive and file the Financial Audit for the Fiscal Year Ending June 30, 2017.

CM-17-339. Long-Range Financial Forecast.

City Manager Myers and Deputy City Manager Marsh presented City Council with the Long-Range Financial Forecast 2018-2022, giving a brief overview of the Regional Economic Outlook, the General Fund Reserves, Forecasted Challenges, Forecast Assumptions, Major and Local Street Funds, and the Water and Sewer Funds.

Discussion followed on the accounting of authorized Police Department positions, delinquency rates for water billing and collection, when the Great Lakes Water Authority issues new rates, revenue projections, capital improvement needs and costs, OPEB obligations, the need for new business and investment, estimates of anticipated real property increases, and Headlee tax limitations.

CM-17-340. Program Year 2018 Annual Community Development Block Grant (CDBG) Application.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to adopt the Program Year 2018 Annual Community Development Block Grant (CDBG) Application Resolution, as follows:

WHEREAS, Oakland County is preparing an Annual Action Plan to meet application requirements for the Community Development Block Grant (CDBG) program, and other Community Planning and Development (CPD) programs; and,

WHEREAS, Oakland County has requested CDBG-eligible projects from participating communities for inclusion in the Action Plan; and,

WHEREAS, the City of Madison Heights has duly advertised and conducted a public hearing as follows:

The Chair of the CDBG Review Committee opened the Public Hearing at 5:35 pm on November 9, 2017 for the purpose of receiving public comments regarding the proposed use of PY 2018 Community Development Block Grant funds (CDBG) in the approximate amount of $110,282. There were no public comments. The Chair of the CDBG Review Committee closed the Public Hearing at 5:38 pm; and,

WHEREAS, the City of Madison Heights CDBG Review Committee found that the following projects meet the federal objectives of the CDBG program, are prioritized by the community as high priority need, and recommended that City Council apply for FY 2018 CDBG funds for the following projects:

Account Number	Project Name	Amount
730310	Code Enforcement	$ 87,500
732170	Public Service – Yard Service	$ 22,782
		$110,282

THEREFORE, BE IT RESOLVED, that the City of Madison Heights City Council concurs with the findings and recommendation of the CDBG Review Committee, hereby authorizes the PY 2018 CDBG application to be submitted to Oakland County for inclusion in Oakland County's Annual Action Plan to the U.S. Department of Housing and Urban Development, and hereby authorizes the Mayor to execute all documents, agreements, or contracts which result from this application to Oakland County.

CM-17-348. Mayor and Council - Comments.

Councilman Corbett wished everyone a good holiday season. He stated that on Saturday, December 9th the Goodfellows will be having a Spaghetti Dinner Fundraiser at Augie's. He thanked the volunteers who sold papers for the Goodfellows on the street corners and noted that approximately 138 families will be helped this holiday season.

Mayor Pro Tem Bliss stated that at the last meeting talked a good deal about boards and commissions. He requested a goal proposal that the make-up and mission of boards be reviewed to make sure they are still serving the City's goals for the present day.

Councilman Gettings had no comments this evening.

City Attorney Sherman spoke on the passing of former Planning Commission Chairman Francis McFall and requested that a condolence resolution be sent to his family. He stated that Mr. McFall was a former Marine and a wonderful man. He also complemented the Condolence Resolution for Mayor Swanson, and stated that Mayor Swanson loved the

City of Madison Heights and the City loved him back. He commented that it was fitting that Council gave his family the resolution the night of the Tree Lighting which was very important to him.

City Manager Myers thanked DPS, Recreation staff, and everyone involved in the Tree Lighting ceremony. He reminded the audience that the Holiday Lighting Awards are being reinstituted this year, and if you see any beautiful decorations, nominations need to be made by December 19th by calling the Department of Public Services at 248-589-2294.

Councilor Grafstein stated that she was very happy that the Swanson family was present this evening. She commented that she met Mayor Swanson when he married her, and she treasures many memories of him. Having the Resolution honoring him in conjunction with the Tree Lighting was very fitting.

Councilwoman Scott stated that the Historical Commission is collecting photos and written memorabilia on Mayor Swanson for display in January. Copies of the photos and memories will be given to the family as well. From 11 a.m. – 2 p.m. on December 9th there will be a Bake Sale in the Library for the Madison Heights Animal Shelter. On December 4th at 6:30 p.m. there will a second meeting of Arts and Cultural Advisory Board. Please come with your ideas. She thanked everyone for their participation in the Tree Lighting this evening.

Councilman Soltis stated that the WRAP program helps those who may qualify with their water bills. Call 313-385-9727 for more information. For heating assistance, the HEAT program can be contacted at 855-ASK-MICH. Also, Oakland County Meals on Wheels provides meals for seniors; please call 248-689-0001 for further information.

Mayor Hartwell stated that it was sad to say goodbye to Mayor Swanson and he is thankful to the Swanson family for coming to the Tree Lighting this evening. He thanked County Commissioner Gary McGillivray and Jean Linville for bringing Santa and Ms. Claus to tonight's festivities. He stated that high school students will be raking leave this week; contact him or the Senior Center at 248-545-3464 if you need assistance with leaves. He thanked the City Manager and DPS for extending leaf pick-up until December 9th and encouraged residents to continue to clean and put leaves in the street until then.

CM-17-353. Resolution and Agreement between the City of Madison Heights and Troy SIU.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve the following Resolution and authorize the City Manager and Police Chief to sign the Interlocal and Binder Agreement on behalf of the City:

RESOLUTION FOR INTERLOCAL AGREEMENT FOR PARTICIPATION IN THE TROY POLICE DEPARTMENT SPECIAL INVESTIGATIONS UNIT

WHEREAS, Article VII, Section 28 of the Michigan Constitution of 1963 provides, in part, that two or more counties, townships, cities, villages, or districts, or any combination thereof, may, among other things, enter into contractual undertakings or agreements with one another for the joint administration of any of the functions or powers which each would have the power to perform separately; and,

WHEREAS, The Urban Cooperation Act of 1967, MCLA §124.501 et seq.; MSA §5.4088 et seq. provides that a public agency (defined to mean a political subdivision of this state including, but not limited to, a county, city, village, township, or charter township) may exercise jointly with any other public agency of the state any power, privilege or authority which such agencies share in common and which each might exercise separately; and,

WHEREAS, the City of Troy has established a multijurisdictional Special Investigations Unit (Troy Police Department Special Investigations Unit (TPDSIU)) to conduct undercover police investigations which endeavors to

realize and benefit from each participating officer's accumulated expertise and recognize substantial savings in time, effort, and expenses to each participating police agency by participating in the TPDSIU; and,

WHEREAS, the City of Madison Heights desires to participate in the Troy Police Department's Special Investigations Unit (TPDSIU), to exercise such additional powers, functions, duties and responsibilities granted to the participating Agencies by entering into the attached Interlocal Agreement and Binder Agreement between the City of Madison Heights and the other listed participating Agencies; and,

WHEREAS, The City of Troy and the City of Madison Heights City Attorney's Office have reviewed and approved the attached Interlocal Agreement and Binder Agreement.

NOW THEREFORE BE IT RESOLVED that the City of Madison Heights City Council approves the attached Interlocal Agreement and Binder Agreement with the City of Troy and the other participating Agencies and authorizes the City Manager and the Chief of Police to sign the agreement.

Councilman Corbett stated that reestablishing a S.I.U. was a goal that was important to all members of the Council, and he thanked Councilman Soltis for his efforts on this item.

In response to Mayor Hartwell's question, Chief Haines answered that once we join, there will be a total of seven cities in the collaborative effort. Our officer will be working with the rest of the group on crimes that have been committed in or breached member cities; The S.I.U. will specifically be developing tips that emerge from the various detective bureaus and operate to track down suspects and make arrests for those crimes. It gives all the detective bureaus a better chance to coordinate efforts so that we aren't all using our resources toward the same target or crimes.

In response to Councilman Corbett's question, most S.I.U. response will be supported by on-staff S.I.U. officers. There may be a time when additional backup is required; however, that has not been the experience to date. For the most part, the SIU handles most of everything they need by themselves. If there were to be an additional need, the jurisdiction would need to send cars. Chief Haines also stated that the budget for this item does include the salary for the officer during their assignment to the Troy SIU, but does not include overtime cost for additional support staff, should any occur. The Chief stated that he does not see participating in the S.I.U. as being any additional burden on the budget.

In response to Councilman Soltis's question, Chief Haines replied that the City has felt a strain since we no longer have our own Special Investigations Unit. For example, we have had issues with some of our hotels as well as drug issues. One of the goals was to branch out and participate in some units that are similar, but have a lot more reach. Chief Haines continued that the first step, joining the FBI Task Force, has led to great success. The FBI Task Force is a large collaboration between local, state and federal governments. The Troy SIU has more of a local focus; all cities have same crime and crime has no borders. By branching off with the Troy SIU, we are able to cover more area than we would be able to do previously. In addition, all of the Officers are also Oakland County deputized, giving them increased enforcement capabilities.

CM-17-357. Mayor and Council - Comments.

Councilman Corbett asked everyone to drive carefully tonight and wished a Merry Christmas to all.

Mayor Pro Tem Bliss commented that last week there was a great meeting with ITAC. They discussed the IT-related goals as part of the City's goal process, and getting more services online was a goal that he submitted and ITAC supported, including services such as applying for a board or commission or for emergency permits that cannot currently be done online. Staff is looking into adopting some of these ideas, and he noted that it is time to empower residents to do more with the City's website.

Councilman Gettings wished everyone in the community a great holiday and good New Year.

City Attorney Sherman wished happy holidays to all of the residents and families.

City Manager Myers echoed the comments of Council and the City Attorney.

Councilor Grafstein stated that she hopes everyone enjoys their holiday and drive safe.

Councilwoman Scott stated that Donna Mitchell contacted her to advise her that she was attempting to have a Christmas dinner for those in the City who don't have a place to go for the holiday. Ms. Mitchell is looking for a hall and donations for gifts for the young children. She also received a message from Gloria Moore which stated that senior citizens, homeless, the needy, shut-ins, and those abandoned by family or their communities are especially vulnerable. Businesses, buildings, services, and organizations are closed during the holidays when they may be needed the most by those that are vulnerable. While it may be too late for planning for this Christmas,

future holidays can be planned for. She concluded her comments by thanking the committee that takes dinner to the Police and Fire Department personnel working the holiday. She also thanked the Goodfellows for their work to make sure the children have a nice Christmas and for the way they continue to help others.

Councilman Soltis also stated that Christmas dinner will be provided to the Police and Fire Department staff working on Christmas. He encouraged holiday or thank you cards, stating that it would be appreciated. In addition, gift card will also be accepted for Kroger or Meijers to help offset the cost. The owner of Betty Ross restaurant will be doing cooking, and we appreciate that. He wished everyone happy holidays and a Merry Christmas.

Mayor Hartwell wished everyone happy holidays and stated that he hopes you and your family stay safe.

Madison Heights City Council
Madison Heights, Michigan
January 8, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, January 8, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Gettings, Grafstein, Scott and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Soltis followed by the Pledge of Allegiance to the Flag.

CM-18-01. Ordinance 2123 – Public Hearing and Second Reading for Proposed Zoning Text Amendments

Mayor Hartwell opened the Public Hearing on Ordinance 2123 at 7:36 p.m.

Gloria Moore, 27368 Dartmouth, asked how this would affect garage sale signs. Community Development Director Schafer replied that garage sale signs will remain the same in size; however, they will not be allowed in the right-of-way.

Seeing no one further wishing to speak, Mayor Hartwell closed the Public Hearing at 7:38 p.m.

Discussion followed on the following: the possibility of amending the ordinance in the future to allow temporary signs in the right-of-way for a specific period of time; the Reed Supreme Court decision as it relates to time, place and manner regarding allowable sign regulation as well as sign regulation not being based on content; the amount of lost revenue from the elimination of temporary sign permits; and the positive effect on businesses due to the ordinance change.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to adopt Ordinance 2123 – Zoning Text Amendments 16-01, as follows:

Ordinance No. 2123

Zoning Text Amendment 16-01

An ordinance to amend Ordinance 571, being an ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights, by amending Appendix A, Section 10.511 – Signs and Section 10.516 - Fences of the Zoning Ordinance to establish measures and safeguards to provide for the public health, safety and welfare.

The City of Madison Heights ordains:

Section 1. Section 10.511(I)A is hereby amended to read as follows:

(A) *Findings and Purpose*: The purpose of this section is to regulate signs and outdoor advertising so as to protect the health, safety, general welfare, property values, aesthetics and the character of the various neighborhoods in the City of Madison Heights.

The principle features are the restriction of the location, height, and total area of signs permissible per site. Any sign placed on land or on a building for the purposes of identification or for advertising a use conducted on the premises shall be deemed an accessory use. It is intended that the display of signs will be appropriate to the land, building, or use to which they are appurtenant and be adequate, but not excessive, for the intended purpose of identification or advertisement. With respect to all signs, it is specifically intended, among other things, to reduce visibility blockages for motorists and pedestrians, avoid excessive visual competition and clutter among sign displays that distract motorists and pedestrians, and to reduce the negative aesthetic impact on the City from excessive signage. The regulations contained in this section are the minimum amount of regulations necessary to achieve its purpose.

Nothing in this ordinance shall be construed to prevent the substitution or display of a non-commercial message on any permitted sign.

Section 2. Section 10.511(I)B(10) is hereby amended to read as follows:

(10) *Sign.* Any structure or wall or part thereof, or device attached thereto or painted or represented thereon, or any material or thing, illuminated or otherwise, which displays or includes any numeral, letter, word, model, banner, emblem, insignia, device, service mark, trade mark or other representation used as, or in the nature of, an announcement,

advertisement, direction or designation, of any person, firm, organization, place, commodity, service, business, profession, or industry, or any backlit building area, which is located upon any land or in or on any building, in such a manner as to attract attention from outside the premises. The term "sign" shall also include any bulbs, string of lights, other lighting devices, streamers, pennants, hot and cold air balloon(s) or inflatable structures, propeller(s), flags (other than the official flag of any nation, state or city), other structure(s) conveying a message, any similar device(s) of any type or kind whether bearing lettering or not in any combination of the above. Nothing in this section shall be construed so as to prohibit noncommercial messages on any permitted sign.

Section 3. Section 10.511(I)B(10)(g) is hereby amended to read as follows:

(g) *Temporary Sign*: A free-standing sign, banner or other device, constructed of cloth, canvas, fabric, plastic, wood, paper or other material, with or without a structural frame, or any other sign intended for a limited period of display.

Section 4. Section 10.511(I)C is hereby amended to read as follows:

(C) *Signs Not Requiring Permits*: No permit shall be required for signs enumerated as follows by this paragraph. Such exemptions, however, shall not be construed to relieve the owner of the sign from responsibility for its proper location, erection and maintenance:

(1) *Temporary Signs*: The following regulations shall be applicable to all exterior temporary signs:

(a) *Generally*. Temporary sign(s) may be located only on private property with the owner's permission.

(b) *Placement in Public Right of Way Prohibited:* Signs shall not be placed in the public right of way or between the public sidewalk and the road. Signs located in the public right of way will be removed and discarded.

(c) *Size (area) limitations*. The total combined area of all temporary signs shall not exceed sixteen (16) square feet per address.

(d) *Height Limitation.* No sign shall be greater in height than four (4) feet above the ground.

(e) *Number of signs*. In all R-1, R-2, R-3, R-T, R-C, R-M and H-M Districts, one (1) or more temporary signs for each address may be displayed, up to the maximum permitted sixteen (16) square feet sign area. In all other zoning districts, one (1) temporary sign for each address may be displayed, up to the maximum permitted sixteen (16) square feet sign area.

(f) *Method of Display:* Signs shall not be attached to any utility pole, street sign, traffic signal pole, street light, hydrant or tree. Signs shall not block visibility at intersections, sidewalks or driveways.

(g) *Prompt removal of damaged signs*. Damaged temporary signs shall be removed promptly.

(2) *Interior building signs*. Signs located on the interior of buildings, which are not visible from the exterior of the building.

(3) *On-Site Directional Signs*. Signs which direct traffic movement onto, or within, a property and which do not contain any advertising copy or logo. Said directional signs shall not exceed three (3) feet in height or four (4) square feet in area for each sign. A directional sign shall be located on the property to which it is directing traffic and shall be located behind the front right-of-way line.

Section 5. Section 10-511(I)D is hereby deleted in its entirety and reserved for future use.

Section 6. Section 10-511(III)A(9) is hereby amended to read as follows:

(9) *Public right-of-way*. All signs shall be expressly prohibited from within or above all public rights-of-way and dedicated public easements at all times, unless placed and maintained by a city, county or state governmental agency.

Section 7. Section 10.511(IV)(A)(2) is hereby amended to read as follows:

(2) Advertising Vehicles: Except as specifically permitted elsewhere in this ordinance, no vehicle, or any type of trailer, which has attached thereto, or painted or placed thereon, any sign or advertising device displaying the name of any business, product or service shall be parked on private property, in any commercial or industrial district, between the structure(s) located thereon and any property line abutting any adjacent street, nor shall any such vehicles be parked on a public right-of-way, or on public property so as to be visible from a public right-of-way. Vehicles engaged in attended loading or unloading activities shall be exempt from this provision.

Exception: Any property where no other parking exists, except in front of the building, may utilize not more than ten (10) percent, but not less than one (1), of the existing spaces.

CM-18-02. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, thanked the Korean Church for opening their doors to become a City polling location. She also stated that the Friends of Madison Heights Area Senior Citizens will be meeting Tuesday, January 16th, at 7:00 p.m. at Wilkinson Middle School. Beverages and snacks will be provided and all are welcome.

Paul Sanders, 26433 Rialto St., stated that the City does not have a Winter Festival, but we have one of the greatest sledding hills around. He proposed a friendly sledding competition between the Police and Fire Departments, suggested prizes and incentives for participation, and commented that the second week of February would be an ideal time to hold the event. He concluded his comments by stating that he hoped Council had a good holiday.

Brian Ellison, 26029 Delton St., stated that he was running for United States Senate. He stated that he feels the Police Department is abusive with their power and that some of the abusers are supervisors. He discussed several interactions with Police Department personnel, and stated that he believes the Police Department targets people and is vindictive. He stated that he has tried to contact the Police Chief, but his emails were returned, and he is hoping to hear from the City Attorney. He concluded his comments by stating that the Madison Heights residents deserve better than a vindictive police force.

CM-18-04. Fire Department Monitors/Defibrillators – Initial Purchase.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to award the bid for the initial purchase of three monitor/defibrillator units in FY 2017-18 to Physio-Control, based on the bid specifications and overall purchase price of $105,999.54.

Chief Lelito stated that it should take approximately 2-3 weeks for the City to receive the new monitors/defibrillators and that training on the new equipment will commence immediately upon receiving them. He continued that the City of Ferndale has been instrumental in assisting the City by lending us their extra unit when two of the City's units expectantly had to be placed out of service and the vendor would no longer honor the existing service agreement. He stated that this left the City with only one operational unit on hand.

Councilman Corbett stated that the City needs to determine what legal recourse we have regarding the unfulfilled contract obligation. Chief Lelito responded that he has been in contact with the City Attorney regarding this matter.

Mayor Hartwell requested that the City formally thank the City of Ferndale for their assistance.

CM-18-13. Mayor and Council - Comments.

Councilman Corbett wished everyone a happy, prosperous, and peaceful New Year.

Mayor Pro Tem Bliss highlighted one of the goals he has proposed, pinpointing underutilized land in the City and determining what some of the things the City can do with the land on a part-time or temporary basis. He stated that he would like to have the City's board and commission members provide input on what they think some uses could be, and envisioned ideas such as for displays of public art, recreational uses, or historical displays. If you have any ideas, please email or call him.

Councilman Gettings wished everyone a Happy New Year and a good 2018.

City Attorney Sherman had no comments this evening.

City Manager Myers wished everyone a Happy New Year and prosperous 2018. He commended the staff of the Department of Public Services for their hard work in the bitter cold and with the five snow emergencies the City has experienced in the last few weeks. He noted that they have repaired seven watermain breaks, and thanked them for their service in keeping our roads clear and infrastructure in shape.

Councilor Grafstein thanked Department of Public Services as well and wished everyone a Happy New Year.

Councilwoman Scott asked that the City issue a condolence resolution to the family of Edmund Tatarek and noted that he was a longtime resident and raised his six children in Madison Heights. He was active in Scouts, and served on the Lamphere School Board. She also thanked Donna Mitchell for having a Christmas dinner for all the people who did not have plans for the holiday, and she stated that Ms. Mitchell was even able to get donations for gifts. She asked that Certificate of Appreciation be issued for her efforts.

Councilman Soltis stated that the Christmas dinners sponsored by the Betty Ross Restaurant for the Police and Fire Departments were very successful, and they also had an overwhelming response of Christmas cards from the community. He stated that he appreciates everyone who helped with the event. He noted that the Martin Luther King Jr. holiday is coming up, and requested that residents take a moment to appreciate and reflect on Martin Luther King Jr.'s work and the sacrifices he made for the Civil Rights movement.

Mayor Hartwell thanked all of the employees who worked throughout the holidays. Because of our professional employees, this is a well-run City and that makes the lives of our residents easier.

CM-18-17. Proclamation for Random Acts of Kindness Week, February 11-17, 2018.

City Manager Myers read the following proclamation into the record:

PROCLAMATION
RANDOM ACTS OF KINDNESS WEEK

WHEREAS, our daily news is dominated by tragic stories of crime, violence and disaster, often leaving citizens with feelings of despair and helplessness; and,

WHEREAS, *Random Acts of Kindness Week* is enacted to encourage Madison Heights residents to commit conscious acts of goodwill toward one another as an affirmation of the goodness and generosity of the human spirit; and,

WHEREAS, by performing small acts of kindness during this week, we have an opportunity to recognize and celebrate the far reaching effects we as individuals can have on the world around us; and,

WHEREAS, it is time for everyone to promote and exemplify kindness in our daily lives, and make an effort to be better humans.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council proclaim the week of February 11 – 17, 2018 as

RANDOM ACTS RANDOM ACTS OF KINDNESS WEEK

in Madison Heights and urge all citizens to join in celebrating the week with acts of kindness, patience and understanding. Remember – kindness is an art form – display your masterpiece today!

Mayor Hartwell presented the proclamation to Councilwoman Scott. She stated that this was the 22nd year that the City celebrated Random Acts of Kindness Week and thanked Council for their ongoing support. She stated that on the City's website, there are coupons that you can leave with your random act of kindness. There are also suggestions for random acts of kindness on website and she stated that it only takes a few minutes to do an act. She encouraged participation and noted that kindness breeds more kindness.

CM-18-18. Meeting Open to the Public.

CM-18-24. Mayor and Council - Comments.

Mayor Pro Tem Bliss congratulated the Holiday Lights contest winners, the Goatleys and the Mieschs. He also thanked all the residents that put lights up; it is nice for all the children to see. He stated that the City's newly formed Arts and Culture Board will be announcing a photo contest and participants may submit pictures of the City taken at any time, continuing that they are hoping to make a calendar from the images. He stated to keep an eye on social media for the contest details.

Councilman Gettings congratulated Jim and Pat Goatley, as well as the Mieschs, stating they did a great job and their lighting looked great.

City Attorney Sherman congratulated the winners of the Holiday Lighting contest, noting that the homes were beautiful. He shared a Random Act of Kindness that he witnessed, noting that the young recipient stated he was going to pay the kindness forward.

City Manager Myers congratulated the Holiday Lighting winners, the Goatleys and the Mieschs, and thanked the nominees, Councilor Grafstein, and the Senior Citizen Advisory Board for their time and effort.

Councilor Grafstein expressed her congratulations to the Goatleys and Mieschs, and thanked residents for forwarding nominee addresses to her to submit for judging.

Councilwoman Scott thanked all the holiday lighting participants for beautifying the City. This Saturday, January 27th, there is a *Do You Want to Build a Snowman* event between 1 p.m. and 3 p.m. at the lot north of Keys Car Care in the Downtown Development District. (North of 11 Mile Road and

East of John R.) They are challenging families to build a snowman, and up to 14 families may participate. If there is no snow, the event will be postponed to February 3rd. There will be hot cocoa and cookies for participants and attendees. She announced a Chili Cook Off at the Senior Center on February 20th beginning at 10:30 a.m., registration is due by February 13th. Also on February 13th, there will be 75 cent paczkis at the Senior Center. She announced that Madison Heights has been awarded a $75,000 grant from the DNR for Wildwood Park improvements. The park is located at 2674 Delton, and the grant monies will be used for walkway and parking lot improvements, as well as playground equipment. She commemorated the 63rd year of the citizens voting for Madison Heights becoming a city on January 17, 1955. She stated that it took approximately a year to get the Charter in place and approved after the initial vote.

Councilman Soltis stated that he was sorry to hear that the VFW building is sold, but he noted that the City is gaining the Woodpile Restaurant in its place and welcomed them to the City.

Mayor Hartwell stated that there is a lot of development going on in the City, including the new BBQ restaurant in the former VFW hall, the Madhouse Bar and Grill, a new art supply business is coming to the former Du-All location, the ZapZone is becoming an Escape Room, and the Kmart property owner has a signed purchase agreement. He stated that he will continue to keep the community informed on any economic development going on in the City. He stated that he and Chief Haines attended a press conference regarding the Oakland County Task Force on Human Trafficking. Unfortunately, Madison Heights does have some issues in this area and the Task Force is a call to action. While we continue to fight this problem by participating in undercover work with FBI as well as the Special Investigation Unit with City of Troy, Mayor Hartwell stated that he would like to see other action, whether it is something big or small to help prevent this danger. He concluded his comments by congratulating the Goatleys and Mieschs for winning the 2017 Holiday Lights Award.

Mayor Hartwell opened the floor up for Council comments prior to recessing the meeting.

CM-18-42. Mayor and Council - Comments.

Councilman Corbett stated the reason he was not in attendance at the last City Council meeting was that he was ill.

Mayor Pro Tem Bliss commented that the revisions and renewal of the Environmental Citizens Committee was long over-due. He also stated that he and his family have attended the Lamphere School District Learning Ladder Picnic in the past and commented that it is a fun event to attend.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

Councilor Grafstein stated that over the past few weeks, the City of Royal Oak's Environmental Advisory Committee has held presentations on various environmental issues and she stated that she would like to do something similar in Madison Heights. She invited anyone with ideas for the presentations to contact her.

Councilwoman Scott stated this has been a sad week, with the City of Madison Heights losing three of our citizens and she requested condolence resolutions for the families. She stated that George Derisley played Santa for the City several times, was very active on our Senior Citizens Advisory Board, and was a veteran of WWII. She commented that Matt Burke owned Matt's Glass Depot in Madison Heights, was a member of the Rotary, and was a wonderful contributor to the community. Roger Spaulding was also very active in City and was President of the Michigan Scoliosis Foundation. Councilwoman Scott noted that Congressman Sander Levin is having a get together on February 21st at his Congressional office in Roseville from 4 p.m. to 6 p.m. and she encouraged the public to attend. She announced Coffee Concerts are every Wednesday in February at 7:00 p.m. at the Senior Center; admission is $5.

Councilman Soltis stated that three years ago, when we came up with idea of providing Christmas dinner, the Police Officers requested meals from Betty Ross. He continued that before he could even complete his idea to Ms. Palevic, she volunteered without hesitation. Ms. Palevic and Betty Ross have provided full course holiday meals for all the police officers on duty and he thanked her for her kindness and compassion.

Mayor Hartwell had no comments this evening.

Mayor Hartwell recessed the Regular City Council meeting at 8:13 p.m. to reconvene the Executive Closed.

Mayor Hartwell reconvened the Regular Council meeting at 9:54 p.m.

It was noted for the record that all Councilmembers were present.

CM-18-44. Resolution in Support of Bringing Awareness and Prevention of the Crime of Human Trafficking.

On behalf of City Council, Mayor Hartwell presented Deputy Police Chief Pawlowski with the following *Resolution in Support of Bringing Awareness of the Crime of Human Trafficking* and thanked him for the Department's efforts on helping to eliminate this crime.

Resolution In Support of Bringing Awareness and Prevention of the Crime of Human Trafficking

WHEREAS, human trafficking is a form of modern-day slavery and is a crime against humanity that violates the most basic human rights; and,

WHEREAS, human trafficking victims are children, along with adults, who are recruited, harbored, obtained, or exported through force, fraud or coercion for the purposes of sexual exploitation, forced labor, involuntary servitude, debt bondage and other methods of slavery; and,

WHEREAS, as many as 100,000 to 300,000 American children, as young as 11 years old, are at risk of being trafficked for commercial sex in the United States each year as part of the $9.8 billion U.S. sex trafficking industry, according to a report from anti-trafficking group Shared Hope International; and,

WHEREAS, even with the diligent efforts of federal, state and local law enforcement, human trafficking is the fastest growing and second largest

criminal industry in the world today, according to the U.S. Department of Health and Human Services; and,

WHEREAS, the State of Michigan has the 6th largest call volume to the National Human Trafficking Resource Center hotline; and,

WHEREAS, the Office of the Michigan Attorney General has identified human trafficking as a serious concern for law enforcement agencies, coordinating efforts for training, awareness and victim care; and,

WHEREAS, the Human Trafficking Commission Act, Act 325 of 2014, established the Michigan Human Trafficking Commission for the prevention, intervention, and rehabilitation to the illegal act of human trafficking in the State; and,

WHEREAS, on January 14, 2015 a majority of the new legislation from the 2014 Human Trafficking Legislative Package took effect to fight against the horrific crimes of human trafficking; and,

WHEREAS, Madison Heights is dedicated to preventing and combating Human trafficking and has been actively investigating all reports of Human Trafficking and has made several arrests; and,

WHEREAS, Madison Heights is working through a collaborative effort with the Oakland County Human Trafficking Task Force and will remain unrelenting in its efforts to end the exploitation and injustice suffered by the victims of this crime; and,

WHEREAS, all people must work to dismantle trafficking networks, help survivors rebuild their lives, address the underlying forces that push so many into bondage, develop economies that create legitimate jobs, and build a global sense of justice that says no child or adult should ever be exploited.

NOW THEREFORE BE IT RESOLVED the Madison Heights City Council is committed to bringing awareness and prevention to the crime of human trafficking in Madison Heights and Oakland County and will strive every day to restore to all people the most basic rights of freedom, dignity and justice.

CM-18.45-. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated that the Friends of Madison Heights Area Senior Citizens will be meeting Tuesday, March 20th, at 7:00 p.m. at Wilkinson Middle School. Beverages and snacks will be provided and all are welcome. She stated that they will be discussing the upcoming bowling fundraiser on May 4th and announced that Meijer will be sponsoring raffle prizes. The Community Bar-b-que and Picnic is tentatively scheduled for July 14th.

Donna Mitchell, 27440 Park Ct., stated that she has the Donna's Christmas Land display at her home and she wanted to introduce herself. She is helping the Friends of the Madison Heights Area Senior Citizens with their Community Bar-b-que and Picnic and stated that they would like to have t-shirts made with sponsor logos and was wondering if they could also use the Madison Heights logo. City Manager Myers stated that in the past, third parties have requested to use the logo, but it is not permitted.

County Commissioner Gary McGillivray, 926 Tanglewood, stated that he is representing Little League Baseball this evening and thanked the City for its support of the program. He then distributed appreciation plaques to sponsors. He stated that registration for Little League Baseball is now open and you can register online at madisonheightsbaseball.org. If you have any questions, please contact him or Earl Stone.

Jack Lloyd, former Mayor of Hazel Park, thanked the DPS for the outstanding job they have done on the roads in the inclement weather. DPS staff is working hard and did an excellent job. He also commented that Mayor Hartwell did an excellent job at the State of the City and encouraged others to attend in the future.

Colleen Porter, 30223 Longfellow, stated on behalf of the Lessenger Tiger Den Pack 1587, she thanked the Madison Heights Police Department for the tour given to about a dozen first graders, and commended Officer Lewis and Officer Grimm for giving a wonderful tour.

CM-18-46. R-3 Residential Roads Bid Award – Dilisio Contracting, Inc.

CM-18-52. Mayor and Council - Comments.

Councilman Corbett stated there are Council office hours from 1 p.m. to 3 p.m. on Fridays at the Library, and he invited anyone interested to stop by.

Mayor Pro Tem Bliss stated that the State of Michigan has allocated emergency road funding to address potholes and Madison Heights is scheduled to get $189,460. He continued that the City will be utilizing the money as effectively as possible. He expressed his support of the Resolution on Human Trafficking discussed earlier; he noted that bringing awareness to this issue is a huge component in fighting it. He stated that he believed it would be beneficial to also do an education component, reach out to the public, and to make the education component available on cable television as well; the conversation will be beneficial. It was the consensus to reach out to the City's community partners including other agencies, public officials, Youth Assistance, and the Madison Heights Women's Club when formulating the educational programming. County Commissioner McGillivray stated that Human Trafficking is a real tragedy for the young person victimized and he urged Council to consider working with the Madison Heights hotel managers, increasing police checks, and suggested utilizing video cameras in motel parking lots.

Councilman Gettings had no comments this evening.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

Councilor Grafstein stated that the Environmental Citizens Commission (ECC) is re-activating and if anyone is interested in serving on the ECC, please fill out an application and bring it to City Hall.

Councilwoman Scott congratulated Assistant City Attorney Sherman on his first grandson. Assistant City Attorney Sherman stated that his new grandson's name is Jacob Brady Sherman, and he is the joy of their lives. Councilwoman Scott wished the best of luck and love to him and his entire family. She recognized members of the audience including Gloria Moore for her work with seniors, Donna Mitchell for making the holidays brighter for many, and former Hazel Park Mayor Jack Lloyd for his civic contributions, noting he will always be part of our Madison Heights community.

Councilman Soltis recognized February as Black History Month. He noted that the Library had events including a play and a book reading. He stated that he would like to see more events in the future, and commented Black History Month is important to celebrate.

Mayor Hartwell stated the he appreciates the public's attendance at the Council meetings, noting that resident's feedback is important for Council. He requested that copies of the *Resolution in Support of Bringing Awareness and Prevention of the Crime of Human Trafficking* be sent to the City's United State Senators, Congressman, Michigan State Senator and Representative, and the County Commissioner.

CM-18-54._ Public Comment.

There were no public comments.

CM-18-55. FY 2017-2018 Goal Plan.

City Manager Myers opened the meeting with a presentation summarizing the City's tentative proposed budget goals and the available funding for 2019. He stated that the tentative proposed FY 2018-19 budget maintains the Fund Balance at the Council Policy Minimum Level at 16% (plus one year of debt service), and includes: a Capital Outlay of $1,828,239; the top-rated goal proposals of Police Service Assistant position, top-rated capital goal proposal of refurbished gun range, all approved consent goal proposals, one additional Patrol Officer position, the one-time purchase of 95 gallon-trash receptacles (current year goal) for new solid waste contract/extension; a planned $919,358 use of fund balance, and an available amount of $381,818 for additional Council goals in 2019. He presented a suggested final goals list as follows:

Mayor Hartwell then led a discussion on finalizing the Goal Proposals for Fiscal Year 2018-2019. Discussion followed on the rankings now that more definitive financial figures are in place. Mayor Hartwell stated that Goal A, OPEB Funding Plan, is clearly important, and shows good management for the City. In response to his question, Deputy City Manager Marsh stated that it was possible to extend the number of years for the proposed plan, and that without adopting any funding changes, in ten years the City will be at 40% Annual Recommended Contribution (ARC). She continued that the City does meet our ARC currently, and even with the additional contribution amount, it will not reach 40%. Based on the State of Michigan's new law, it is not clear whether or not the City will qualify for waiver for not meeting the 40% threshold. She stated that currently, in order to meet the ARC for the Police and Fire Retirement System, a $4.38 million contribution would be required and the General Employees Fund ARC contribution would be $2.62 million.

Mayor Pro Tem Bliss stated that it was his preference to wait on additional funding, and suggested that perhaps the City could dedicate a portion of future growth towards additional funding in subsequent years.

Councilor Grafstein suggested a smaller additional contribution amount of $100,000. In response to her question, Deputy City Manager Marsh stated that not meeting the ARC has not affected the City Bond Rating to date, but she cautioned that the City hasn't been re-rated since the new accounting rules have been put in place and the obligation is now reflected on the City's financial statements.

Councilman Gettings stated that additional funding is similar to preventative maintenance and is a good idea.

Councilman Soltis stated that he prefers to wait to additionally fund the plan.

Deputy City Manager Marsh stated that in 2007, the City placed the OPEB contributions in a trust. This enabled the City to pay the benefits from the trust as well as earn additional income above the payout amount that was reinvested into the trust. She continued that since 2010, the trust is just covering the benefit payment and is no longer generating additional earnings beyond the payment amounts.

Councilman Corbett stated that in his opinion, due to the large unfunded obligation amounts, an additional $200,000 will not make that big of an impact in the scheme of things.

It was the consensus not to include Goal A, OPEB Funding Plan, as a 2018-19 goal.

In response to Councilman Soltis's question, City Manager Myers stated that the City's current goals include converting to 95 gallon trash receptacles and negotiating or extending a new solid waste contract since the current one is set to expire. He noted that from examining other city's new waste contracts, it appears that extending the current contract would be less costly financially then going out for bid.

Councilor Grafstein questioned the large size of the receptacles and stated that she believes that the City shouldn't be providing these to the residents. She continued that if the City provided anything, it should be the larger recycle bins.

In response to Councilor Grafstein's question, Deputy City Manager Marsh explained that the reason the trash receptacles were being provided to the residents is because residents pay a solid waste millage. In addition, there is substantial savings by the City purchasing them in bulk and the purchase has been part of the contract extension negotiation process. City Manager Myers added that the City needs to plan for the expense because the contract extension is part of the next budget.

Councilor Grafstein reiterated that she does not support the purchase of the trash receptacles and stated that the Environmental Citizens Committee is just reformulating and hasn't had an opportunity to weigh in on this decision. She stated that these large trash receptacles will encourage more trash to be generated and the City should be encouraging more recycling.

Mayor Pro Tem Bliss stated that the City should try to negotiate a purchase price for the trash receptacles and make it an option for the residents or if they choose, they can purchase them from a home improvement store.

In response to Councilor Grafstein, Deputy City Manager Marsh stated that the portion of one-time funding for this purchase out of the General Operating Millage is approximately $409,000.

It was the consensus to remove the one-time purchase of 95 gallon trash receptacles from the proposed budget and reallocate the General Operating Millage portion to the goals process.

Councilman Soltis stated that he believes that public safety is in need of additional staffing, in addition to the personnel already included in the proposed budget. He reviewed the number of police calls to area hotels and stated that he would like to see another detective on staff to assist in combating gangs, drugs, and trafficking.

In response to Councilor Grafstein's questions, City Manager Myers stated that in the budgeting process, Police Chief Haines requested 3 Patrol Officers and 1 Police Service Assistant. He stated the initial cost for a Patrol Officer is approximately $101,000 and for a Detective it is $157,000 annually.

In response to Mayor Pro Tem Bliss's question, City Manager Myers stated that Fire Chief Lelito requested 2 additional Firefighters in the budget process to be used in eight-hour shifts; however, he cautioned that mixing eight-hour shifts with existing 24-hour shift personnel has not been fully vetted and it is not clear if this is something that could move forward from a union and contract standpoint.

Councilman Corbett commented that he believes the staffing requests are valid and an option would be to prefund some additional positions for a couple of years with this year's budget.

It was the consensus to add one additional Police Officer and one Firefighter to the 2018-19 goals and factor in two years of funding to the amount withheld for the 2019 goals.

Mayor Pro Tem Bliss started the discussion on Goal E, the Enhanced City's Code Enforcement Program, and stated that he would like to see a new policy developed on frequent household code violators, but to enforce any new policy will require manpower.

Councilor Grafstein was not convinced that a policy couldn't be put in place prior to manpower being added.

Discussion followed on the code enforcement process and metrics to measure the policy change; it was Council's consensus to include the goal E, Enhanced City's Code Enforcement Program, in the 2018-19 goal plan.

In response to Councilor Grafstein's question regarding goal G, Make Street Lighting Improvements Dequindre Road (11 Mile to 13 Mile), City Attorney Sherman stated that a special assessment for lighting on Dequindre would only be possible if it could be shown that the ratio of cost to benefit for the property owner could meet the legal threshold; otherwise it would be illegal to do so.

Councilman Corbett suggested making the lighting improvements over several years.

Councilman Soltis stated that he believes that the lighting may not improve the situation; people are not crossing where it is appropriate. City Manager Myers stated that the traffic safety analysis shows that there are only five to six lights in this area of Dequindre. It was the consensus not to include Goal G, Make Street Lighting Improvements Dequindre Road (11 Mile to 13 Mile) in the 2018-19 goals.

It was Council's consensus to remove proposed goal g, Retain Fire Department Grant Writer and goal x, Convert Three Fire Fighter Positions to Sergeant and adopted the remaining suggested goals in the second tier.

Mayor Pro Tem Bliss asked Council to reconsider selecting Goal e, Install Fire Suppression System in City Hall Server Room and instead select Goal t, Increase & Improve Online Services and Goal v, Reactivate the Economic Development Corporation to Encourage Redevelopment City-wide and Explore Funding Opportunities. He stated that while the goal of the Fire Suppression is worthy and necessary, the need is not imminent. It was Council's consensus to include goals t and v as well as goal e in the goal plan.

Discussion followed on reaching consensus on the consent goal NN, Changing Name of Senior Center. Mayor Pro Tem Bliss stated that he was not in favor of this goal because he believes that the City has not made an adequate attempt of asking anyone outside of the senior center about the name, and he believes that there should be some attempt to contact those under 50 about the proposed change. He suggested that

members on the City's boards and commissions be contacted, perhaps utilizing survey monkey.

Councilman Soltis requested that Police Chief Haines and Fire Chief Lelito be present at the next City Council meeting should there be any question.

City Manager Myers confirmed that the concept of additional police staffing is to help with issues relating to gangs, drugs, or trafficking and that the fire fighter position is for a 24-hour position.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
March 12, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, March 12, 2018 at 8:00 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Gettings, Grafstein, Scott and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Gettings followed by the Pledge of Allegiance to the Flag.

CM-18-59. Meeting Open to the Public.

Madison Heights Fire Fighters Union Representative Ray Gilson, 18046 Tatara Dr., Macomb, read from a written statement regarding the staffing of the City's Fire Department. He thanked Council for putting an extra position in the 2018-19 Goal Plan, but stated that the Fire Department is in need of additional personnel. He reviewed some statistics for the Fire Department in 2018, including the number of calls where no Madison Heights Fire personnel were available to respond, instances of where the Fire Marshal and Chief responded to calls, number of mutual aid runs, and the length of time to respond to some calls. He stated that the biggest thing that City Council could do to alleviate the situation is to increase staffing, particularly minimum staffing. He stated that there have been only 13 days in 2018 when the Fire Department had the staffing of 8 personnel and the Department's run volume has increased 36% since 2010. In addition, staffing levels have been reduced during this same period 25%. He stated that he believes these staffing issues affect the service received by the residents. He requested that an additional Fire Fighter be added to the Goal Plan and minimum staffing levels be increased. He also stated that the Goal of converting three Fire Fighter positions to Sergeants is almost cost neutral and will enable the Fire Fighters to receive training and be qualified to perform the role they are currently filling in as in an "acting Sergeant" capacity. He stated that a 7 man minimum and two additional fire fighter positions would bring staffing up to 9 personnel for each unit and would be one step closer to the bare minimum of an 8 man minimum that they need. He concluded his comments by stating that the Fire Department responded to a fire scene this morning, and due to the lack of staffing, there were two Fire Fighters fighting the fire for nine minutes by themselves. For the residents, this is a situation that needs to be corrected.

Treasurer for the Madison Heights Fire Fighters Nate Figueroa, 1576 Myrtle Ave., addressed the lack of minimum staffing in the Fire Department. He stated that this is the city he lives in, works in, and loves. The current six fire fighter minimum staffing level is below recommendations. He added that there are delays in getting mutual aid responses and that is not the answer to the problem. He asked Council to do what residents expect and deserve, and noted that the Fire Department does an outstanding job with what they have.

CM-18-60. 2018-19 City Goal Plan.

City Manager Myers stated that based on input from Council and City Departments, seventy (70) goal proposals were generated and reviewed, and Special Goals Workshops were held on February 5th and March 5th. Presented for Council's consideration is the Proposed 2018-19 Goal Plan which includes an organizational mission statement, and twenty-five (25) goal proposals that are organized into the categories of Health, Public Safety, Quality of Life, and Resource Management and staff recommends that Council adopt the Proposed 2018-19 Goal Plan as presented.

Motion by Councilor Grafstein to not approve the 2018-19 City Goal Plan.

The motion failed for lack of support.

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve the 2018-19 City Goal Plan as presented.

Council Grafstein asked for more information regarding the new Code Enforcement Officer position, and stated that she may have misunderstood, but it was her understanding that the additional Code Officer was to free up the time of our main Code Officer so that they could issue tickets and go to court. City Manager Myers clarified that this goal proposal was a hybrid goal formed out of both a staff and Council goal. The first goal was to have additional staff to target evening and weekend enforcement, and the second goal was to devise a new strategy. He continued that it was discussed at the Goals Workshop that the new Code Officer would support the split schedule, and the second part of the goal was to implement a policy that would basically penalize frequent offenders.

Councilor Grafstein asked what is the expected increase in tickets or decrease in infractions with the frequent offenders. City Manager Myers stated that our aim has always been compliance. He continued that tickets by themselves have never been considered as a measure of success, but rather serve as an indication that staff has not been able to reach compliance with the offender. Council has indicated that there needs to be a more aggressive path to get to the issuing of a ticket, but there is no clear

target on the number of tickets, but rather to be more aggressive in pursuing compliance.

Mayor Pro Tem Bliss stated that increasing the severity of penalties and the frequency of visits, including after-hour checks, are part of the proposal and creating manpower is needed to achieve these goals. He continued that you can have policy, but if we don't have manpower to implement the policy, it will be ineffective. He stated that he believes it is a well-rounded proposal and that City Council can always re-evaluate the goal at the end of the year to see if we want to keep it. A Code Enforcement issue can be a public health crisis, and these issues need to be addressed. We also need to clean up our neighborhoods.

Mayor Hartwell stated that the most common complaint from residents relates to Code Enforcement and the City goal is to reach compliance.

Councilor Grafstein stated that she is leery of hiring someone and would like to know what City has done to this point to increase compliance and decrease the number of complaints. She agreed that this was the biggest compliant that she also hears, that tickets aren't being issued, but rather just warnings. She asked how an extra person will help with that. She is concerned that the City is hiring someone and we don't have a policy. She stated that what she is hearing is the City is going to hire someone, is it only for one year, and that it would be funded through ticketing process. If this person is going to be warning everyone, how will it be any different than it is now? City Manager Myers clarified that the proposed code officer is full-time. The fact that Council wanted to pre-fund the public safety positions for two years in the budget does not mean they are only two-year positions. Council expressed an interest is setting aside the money for the police and fire positions to cover the funding of the positions for the first two years. He added that he did not recall any comments by staff that stated that the Code Enforcement position was going to pay for themselves through tickets. Mayor Hartwell stated that in a workshop, staff did state that "part-time pays for himself on permits alone." Community Development Director Schafer clarified that when the City has a holiday week, the part-time Code Officer will voluntarily work on a Saturday instead of the holiday or when he has another day off. When this occurs, it is common for the Code Enforcement Officer to find people working without permits during the weekend hours, including roofing, siding, and hot-water heaters. He does not issue tickets and the City does not derive revenue from ticketing them. The Code Enforcement Officer will give the person without the permit a warning and then they come in a pull the required permits. He added that the City is prohibited by State Law from imposing any fee to penalize someone under the Building Code for not doing permitted work. We are only allowed to require that they pull the necessary permit. The funding of the part-time Code Officer working on the weekend does not come from

ordinance violations or issuing tickets, but rather fees collected on permits that they should have gotten any way. Councilor Grafstein asked if the Code Enforcement working the weekends and evenings then would only look for unpermitted work and no other ordinance violations. Mr. Schafer answered that the proposed additional Code Enforcement Officer would be handling all of the Code Enforcement issues and functions during their shift, with the exception of rodents, which is an Animal Control function. Code Enforcement's role in building violations is to observe it, record it, document it, and issue a warning so that they follow through and obtain any necessary permits. He continued that Building Code prohibits building code violation fines, but they pay the fee that is associated with the permit. If they fail to pull a permit after they are warned, then Code Enforcement can proceed with enforcement, up to and including a ticket. Councilor Grafstein stated that she is questioning whether it would be more prudent to change shift times of the part-time personnel to just evening and weekends, or maybe increase the existing part-time Code Officer to full-time instead of adding a third person. She stated that her preference would be to add a Fire Fighter position over an additional Code Enforcement Officer.

Mayor Hartwell stated that if any changes were to be made to the Goal Plan, than a Substitute Motion would be in order stating what the amendment is; however, staff does need direction on how to proceed with the budget.

Councilman Gettings commented that he believes it is a disservice to the City's firefighters if we don't have adequate staff to respond, and City Council needs to address this issue.

City Manager Myers confirmed that staff does need direction on goals tonight in order to get the proposed budget to Council on time. The proposed budget is distributed to Council in early April, a Budget Workshop is scheduled for April 25th, and the budget is presented for adoption by Council at the first meeting in May.

Councilor Grafstein proposed making the existing part-time Code Enforcement Officer full-time and not hiring a new full-time position. She suggested hiring both an additional Fire Fighter and Police Officer instead of hiring a Code Enforcement Officer and suggested there may be other resources that can be used to accomplish the goal of Enhanced Code Enforcement because the current way they are operating is not working and is not efficient. She said the City needs to take a step back and establish the policy first. What are the reasons for the issues? Mayor Pro Tem Bliss responded that the Enhanced Code Enforcement Goal is not a process that City Council just came up with tonight. We have been discussing this for years. Part of what staff is waiting for is for us to adopt a goal. In the 2018-19 Goal Plan, the highest priorities were adding staffing in police, fire and code, and improving gun range. It was his opinion that the money allocated

shouldn't be set-aside for prefunding of the public safety positions, but rather freed up for pursuing other goals, but it was Council's consensus to go in the other direction. This has been a whole process, with multiple public meetings, with all of Council at the table, and we have received input from stakeholders. This is a multi-step process, there is not new information, and there has not been a lack of discussion.

Substitute Motion:
Motion by Mayor Pro Tem Bliss, seconded by Councilman Gettings, to approve the 2018-19 Goal Plan as printed with the following amendments:

G) Enhance Fire Department staffing and response through the addition of ~~one~~ *two* 24-hour Fire Fighter position<u>s</u>.

And add to the Goal Plan a goal that states:

Address overtime costs and enhance Police Department staffing and response through the addition of one full-time Police Officer position.

Councilman Corbett stated that it is the goal of all of City Council to increase public safety personnel. He stated that the idea of funding the first and second year for the positions was his idea, and commented that it was not clear how the funding would be available for the positions in subsequent years and we still do not know how. The first year is funded out of the Environmental account, and he reminded City Council of the City's legacy costs which Council decided not to prefund and noted that these positions will add to that obligation. He continued that in the 2020-21 budget year, the City does not currently have the money for these positions. This was one-time money. He then stated that the assumption that Code Enforcement is not functioning is not accurate. There will always be code issues. At one time it was dumpsters behind restaurants, than it was rats, and issues will continue. If you look at the past May and June Code Enforcement statistics, you will see that there were 2,100 Code Enforcement interactions and that amounts to 50 to 60 per day per person. No matter how well they do, things can get missed when you have that volume, and out of the 2,100 interactions, a few slipped through and became an issue. The City policy is to gain compliance and Code Enforcement is vastly successful at getting compliance. He stated that Code Enforcement does a good job, they are just overworked. He stated that he believes Enhanced Code Enforcement is a valid goal, a health and safety issue, and it comes up often. He supports leaving the goal proposal as it was submitted because he believes it is valuable, affects the people in the neighborhood, and is a quality of life issue. He cautioned that if the revenues do not meet expectations, there may be some difficult decisions that City Council will

need to make in the upcoming years. It is not something that should be taken casually.

Councilman Soltis stated that he understands Councilman Corbett's concerns; however, City Council is starting to focus on public safety and that is critical. City Council will have to plan for the future and funding, but this is a real necessary shift in focus. The City Council is trying to do everything we can to combat crime issues in the City. He asked Police Chief Haines to comment on the some of the issues they are facing in the City, specifically with the hotels.

Councilor Grafstein stated that Police Chief Haines should be asked if he would like the additional funding that was set aside to be allocated to an additional officer, which would be a third officer. Discussion followed on the number of positions included in the goals and proposed budget. City Manager Myers stated that should the substitute motion pass, the proposed budget document would include two (2) additional Fire Fighters, two (2) additional Police Officers, one (1) additional Police Service Assistant (dispatcher) and one (1) additional full-time Code Enforcement Officer.

Chief Haines thanked City Council for addressing the Police Department concerns in the 2018-19 Budget. He continued that the Police Department is trying to tackle all types of crime, including trafficking, and over the past several months our FBI Task Force has witnessed eight separate gangs in our hotels. From February 23, 2017 until February 26, 2018, there were 1,128 police calls to hotels located in the City relating to issues such as narcotics, prostitution, and trafficking. The proposed personnel to add to Patrol will help to cut the rate of overtime, the second position he would like to add to the Detective Bureau so that the department can start being more proactive, have our Detective Bureau conduct undercover activities, and to serve as a liaison between other agencies to try to get crime under control within the City.

Councilor Grafstein confirmed that the Goal Plan would include two fire fighter positions and asked for a clarification on police personnel in the Goal Plan. Mayor Hartwell answered that the motion does not include any changes to the Goal Plan pertaining to police personnel. City Manager Myers confirmed that should the Goal Plan be approved, the 2018-19 budget document will include two (2) additional Fire Fighters, two (2) additional Police Officers, one (1) additional Police Service Assistant, and one (1) additional full-time Code Enforcement Officer.

Councilwoman Scott stated that she supports the additional personnel and asked what the difference was in salary for a Patrol Officer and Detective and stated that the Police Chief should be the one to determine the Department's personnel needs and assignments. City Manager Myers

stated there is a 5% differential between Patrol Officer and Detective, but it has been factored into the proposed budget and reflected in the Goals process. As for funding the positions for more than one year, the City appropriates funds on an annual basis, but once they are included in the budget, they are considered to be full-time, career positions.

Councilman Soltis clarified that the original Patrol Officer addition is to help defray overtime costs and the second position for the Detective is aimed to help with the problems with the hotels.

Councilman Corbett stated that during the second Goals Workshop, the live screen exercise reflecting the amounts of money being allocated was a tool to see how much money was being spent and what would remain. He added that the amount of money that was not allocated did not add up to totally funding the personnel for the additional year, but it was an exercise in trying to find the money for the future. Overall, we still need to keep an eye on our revenues or the Council may be faced with a difficult conversation in future years.

City Manager Myers clarified that the Police Service Assistant has already been included in the Proposed Goal Plan as Goal I as well as the Officer position assigned to the Detective Bureau as Goal F. If approved, he will revise and update the Goal Plan to include the new Patrol Officer position that had already been included in the budget document, but not reflected in the Proposed Goal Plan presented this evening.

Councilwoman Scott asked Chief Haines if he had the discretion to determine the best use of the additional personnel. She stated the increase in personnel was long overdue and the primary goal of City Council is to increase public safety. Chief Haines stated that he does need patrol officers, but there are also serious issues that need to be addressed and cannot be done as easily with uniformed patrol officers. He stated that he does have the flexibility to move positions to fit the Department's needs.

Councilor Grafstein asked for clarification on which positions public safety positions are included in the proposed budget and the Goal Plan. City Manager Myers responded that the new personnel included in the proposed budget are one (1) additional Police Service Assistant, one (1) additional Patrol Officer, one (1) additional Police Officer assigned as a Detective and one (1) additional Fire Fighter; the Goal Plan, if approved, will now include an additional Fire Fighter that will be added to the budget. Furthermore, he stated that he will add a Goal to reflect the Patrol Officer that was already in the budget document.

Mayor Hartwell called the question.

CM-18-74. Mayor and Council - Comments.

Councilman Corbett stated there are Council office hours from 1 p.m. to 3 p.m. this Friday at the Library, and he invited anyone interested to stop by. He stated that he will be gone for a few weeks and will be having a heart valve replaced, but it is his goal to be back for the budget meeting.

Mayor Pro Tem Bliss wished Councilman Corbett a speedy recovery. He stated that he would like to see, as part of the budget process, that the Consent Items that receive a majority of yes votes be included as part of the proposed Goal Plan, rather than only the unanimous ones. As an alternative, he suggested having City Council consider the majority vote goals at a public meeting at a later date. City Manager Myers stated that he would need a formal motion to include the Consent Items that received a majority vote to be included in this year's Goal Plan.

CM-18-75. Amendment to the 2018-19 City Goal Plan.

CM-18-76. Mayor and Council – Comments continued.

Councilman Gettings wished Councilman Corbett a quick recovery.

City Attorney Sherman stated on behalf of City Attorney's office and the entire Sherman family that he wished Councilman Corbett a successful surgery and an easy recovery.

City Manager Myers echoed Council's comments.

City Clerk Printz wished Councilman Corbett a speedy recovery from his upcoming surgery.

Councilor Grafstein wished Councilman Corbett a speedy recovery.

Councilwoman Scott stated that she was happy about the increase in personnel for public safety. She thanked the Police and Fire Chiefs for keeping Council informed. She told Councilman Corbett that prayers and thoughts are with him and wished him the very best. She stated that Councilman Corbett is the brains of the City Council, and Council needs

him here. On March 23rd beginning at 5 p.m., the Memorial Day Parade Committee will be holding a Spaghetti Dinner Fundraiser at the Senior Center. She urged everyone to come and participate. She stated that she will be attending the Michigan Municipal League (MML) Capital Conference in Lansing next week, and she is looking forward to spending time with other elected officials in the State and gathering information from other areas in Michigan. She stated she will be attending a session on medical marihuana as well. She also noted that since she is a lifetime member of the MML, the City does not have to pay for her conference registration.

Councilman Soltis stated that to analyze real significant structural changes in the Fire Department, he would like a report on how we as a city can increase the minimum staffing from six to seven, including cost, functionality, status of surrounding cities, and any other relevant information.

Mayor Hartwell stated that this was an important, long meeting and he thanked City Council, staff, and those who participated. He commented that it is a difficult job to balance all of the demands, and it is important to get feedback. He wished good luck to Councilman Corbett, and stated Council will be seeing him soon.

CM-18-86. Meeting Open to the Public.

Gloria Moore, Friends of the Madison Heights Area Senior Citizens, stated their meeting will be on April 17th at 7:00 p.m. at Wilkinson Middle School and all are welcome. She announced the group's bowling fundraiser at Bowl

One Lanes; the cost is $20 per person. She stated that Donna's Christmas Land will be co-hosting the Community BBQ on July 14th from 11 a.m. to 7 p.m. at Rosie's Park and food tickets will be sold in advance. She will announce more information on the event as it becomes available.

Tina Spencer, 350 W. Hudson, stated that she has been a resident for 42 years. There was a fire at 344 Hudson, at her daughter's boyfriend's home, and in her opinion, if there would have been more firefighters on-duty, it would have been contained. As a citizen, she feels that the Fire Department is the most important department of any city, and it is unacceptable to cut Fire Department staffing. Mayor Hartwell responded that reductions in fire staffing occurred over ten years ago and in the upcoming budget, the City will be hiring two additional firefighters in the next fiscal year. He added the City Council shares her concerns, and believes that public safety is most important. Ms. Spencer added that the Police and Fire Departments have always responded promptly, but the lack of staffing needs to be addressed. Councilwoman Scott expressed her sympathy for her family's loss and noted that the City is making steps in the right direction. Ms. Spencer also noted that the homeowner was given a citation when it is clear he is attempting to clean up from the fire, and stated that she did not believe that was appropriate.

Richard Clark, 29328 Howard Ave., referenced an article in the Troy-Somerset Gazette regarding trafficking in the area and stated that the Michigan Abolition Project (MAP) is working to bring awareness to the issue. He noted the average victim's age is 13 and a common ploy is to tell young girls that they are looking for models. He urged children to be careful, especially while visiting the mall over Spring Break. He also stated that when listening to the Council meeting at home, he can hear clearly, but when in attendance at the meeting, it is very difficult to hear. It was noted that the City is trying to correct this issue.

Donna Mitchell, 22470 Park Ct., stated that this past Saturday, Donna's Christmas Land had an Easter Egg Hunt with approximately 125 kids. She stated that the recognition that she has received from the City has been overwhelming and she appreciates it.

Mayor Hartwell introduced Congressman Sander Levin, and stated that the Congressman always finds a way to come to Madison Heights and it is nice to have accessibility to our Member of Congress. Congressman Levin stated that he feels at home in Madison Heights, despite not having an address here and that he has represented the City during his entire career. He reflected back on a meeting in the City in 1994 with the United States Attorney General regarding the COPS program and as a result, the proposed legislation was amended so consortium communities could apply for the grant. The first grant to a consortium was to the group which included

Madison Heights and this led to continued efforts of utilizing law enforcement on multijurisdictional levels. Congressman Levin then gave a report on the recently approved federal budget, noting that it includes funding for: fighting the opioid epidemic, $44 billion for highway transportation - including money for Stephenson Highway work, the COPS program, the heating program, Community Development Block Grants, Great Lakes, and Title 1. He stated that he appreciates the opportunity to come before Council and it is his pleasure to be here. Members of Council thanked Congressman Levin for his work on behalf of the citizens of Madison Heights.

Jim Capizzo, 863 Venoy, stated that he wanted to ask Congressman Levin a question pertaining to tariffs and Mayor Hartwell advised that he ask him directly.

CM-18-95. Mayor and Council - Comments.

Mayor Pro Tem Bliss provided an update on Councilman Corbett's condition, stated that his thoughts and prayers are with him, and wished him a speedy recovery. He announced that the Arts and Cultural Commission is sponsoring a *This is Home Photo Contest*. More information can be obtained on the City's website at www.madison-heights.org/photocontest. Any resident can enter, and any picture, taken at any time within the City will qualify. There will be winners in each category, determined by a panel of professional photographers. The first day for submissions is tomorrow, March 27th and May 15th is the last day. On June 14th there will be an art exhibit to announce the winners and then the exhibit will be on display during the Festival in the Park. He encouraged all to submit a photo and spread the word.

Councilman Gettings hoped that Councilman Corbett has a speedy recovery and will join Council again soon.

City Attorney Sherman echoed comments of Mayor Pro Tem Bliss and Councilman Gettings for a speedy recovery for Councilman Corbett. He thanked the many members of Council and staff who attended his father's 90th birthday, and he thanked Council for the Birthday Resolution for his Dad, noting it was a real celebration of a great career and of a very special person.

Deputy City Manager Marsh had no comments this evening.

Councilor Grafstein stated the newly revised Environmental Citizens Committee (ECC) met this morning and discussed recycling and other environmental topics. She stated that they are looking for grants for large recycling toters. She stated the ECC would like to include as many people in the community, including students in their efforts. She wished Councilman Corbett a speedy recovery.

Councilwoman Scott stated that Councilman Corbett's recovery is going as expected, and knowing him, he will be back sooner than expected. She recognized Eddie Sherman's 90th birthday and all the contributions he has made to the City. She stated that the entire Sherman family is valuable to our City and thanked them all for their contributions. She commented that Southeast Michigan Council of Governments (SEMCOG) helps our city tremendously, as well as the seven county region. SEMCOG is celebrating their 50th Anniversary this year, and there is an exhibit at the Detroit Historical Museum until April 8th highlighting the regions past and exciting future. She requested a Certificate be issued recognizing SEMCOG's 50th anniversary.

Councilman Soltis stated that he watched the March for Our Lives protests this weekend. This tragedy happens over and over and Congress needs to act.

Mayor Hartwell wished a speedy recovery to Councilman Corbett and apologized to Jim Capizzo for cutting off his comments. He thanked City Attorney Sherman for the invitation to his father's party, stating it was an honor to present Council's resolution and that his father should be proud of all that he has accomplished.

CM-18-110. Mayor and Council - Comments.

Mayor Pro Tem Bliss stated that he would like to highlight the Arts & Culture photo contest which has several submissions already. The photo must be taken in Madison Heights at any time since the City was founded. Historic photos are certainly welcome. This contest is being funded by donations from local businesses and residents. Anyone who would like to donate funds may do so and can contact him.

Councilman Gettings stated the 5k Run/Walk is on April 14, 2018 and begins at 8 a.m. Anyone who wishes to participate can register up to and including the day of the event.

City Attorney Sherman congratulated Animal Control Officer Gysel on her recognition and stated that the Quartermania Fund Raiser to benefit the Madison Heights Animal Shelter will be this Friday, April 13, 2018. He continued, indicating that Councilman Corbett is doing extremely well and he sends his regards.

Deputy City Manager Marsh had no comments this evening.

Councilor Grafstein had no comment this evening.

Councilwoman Scott stated the Woman's Club is sponsoring the Quartermania Fund Raiser, which will be held at 846 Horace Brown Drive and the doors open at 5:15 p.m. and should be a lot of fun.

Also, Rick Snyder, Governor has nominated the Chief of Police Corey Haines to service on a committee for juvenile justice. The committee advises the governor on juvenile justice issues and guides effective implementation of policies and programs. She also asked for a Condolence Resolution be sent to the family of Ralph C. Merkel who passed away last week. Ralph was a long-time resident of Madison Heights and a former employee of the City.

Councilman Soltis wanted to recognize that April is National Child Abuse Prevention month. He recommended people visit the website childwelfare.gov to view a nice timeline. He would like staff to draft a resolution to support National Child Abuse Prevention month as he feels it is important to take a stand for those children who cannot speak for themselves. He stated that the following are facts for the State of Michigan, in 2017 there were 90,760 cases investigated; 29% of which resulted in evidence of abuse; 40% of victims were under the age of four; approximately 82% of the cases the perpetrator was a parent of some sort.

Mayor Hartwell stated he agreed with Councilman Soltis and we would work with staff to get a resolution drafted and on an upcoming agenda.

Commissioner Gary McGillivray, 926 Tanglewood, stated that the Woman's Club and Youth Assistance would be hosting an event on Thursday, April 12, 2018 at 5:30 p.m. at the Library. There will be some light refreshments before planting pin-wheels on the lawn of City Hall in honor of National Child Abuse Prevention month.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
April 23, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, April 23, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Gettings, Grafstein, Scott and Soltis. City Manager Myers, City Attorney Sherman, and City Clerk Printz.

The invocation was offered by Councilman Soltis followed by the Pledge of Allegiance to the Flag.

CM-18-112. Presentation – National Letter Carriers Food Drive Day Proclamation.

City Manager Myers read the National Letter Carriers Food Drive Day Proclamation as follows:

PROCLAMATION

WHEREAS, every year on the second Saturday in May, letter carriers across the country collect non-perishable food as a part of the nation's largest one-day food drive, distributing the donations to local food banks; and,

WHEREAS, the Letter Carriers' Stamp Out Hunger Food Drive is just one example of how letter carriers work to make a difference in the lives of those they serve. Since the pilot drive was held in 1991, more than a billion pounds of food have been collected; and,

WHEREAS, the Madison Heights City Council would like to recognize all letter carriers for their hard work and commitment to their communities, noting that all of the food collected in the community stays in the community, and the Council supports carriers' efforts to help those in need in our community; and,

WHEREAS, City Council recognizes the noteworthy milestone of 26 years that the National Letter Carrier Food Drive celebrates in 2018.

NOW, THEREFORE BE IT RESOLVED, that City Council proclaims May 12, 2018 as

in the City of Madison Heights and encourages the citizens of our community to support the food drive by placing non-perishable food items near their mailboxes on food drive day, Saturday, May 12, 2018.

On behalf of City Council, Mayor Hartwell presented the resolution to Madison Heights Letter Carrier Guy Pudzorski.

Mr. Pudzorksi stated that he has worked for the United States Postal Service (USPS) for over 30 years as a letter carrier. Once a year, the USPS attempts throughout the whole nation, to stamp out hunger. He stated that food pantries get depleted this time a year, so the USPS and the National Association of Letter Carriers work together to help replenish them. He thanked Madison Heights for their generosity in the past, and stated they will be collecting non-perishable food at resident's mailboxes again this year. He also stated that plastic bags will be delivered and will include a card with the date of food drive which is May 12th. Residents can use bags, boxes, or any container to place their donations in and your Letter Carrier will collect it. He stated that he is looking forward to collecting food from the citizens of Madison Heights as the USPS has done in the past, and he encouraged residents to please be generous with the food donations this year so they can fill the food banks. He concluded by thanking the City Council and Mayor for the proclamation and the City Manager for his assistance.

CM-18-113. Presentation – 2018 Police Officers Memorial Week Proclamation.

City Manager Myers read the 2018 Police Officers Memorial Week Proclamation as follows:

POLICE OFFICERS MEMORIAL WEEK PROCLAMATION

WHEREAS, the Congress and President of the United States have designated May 15TH as Police Officers Memorial Day, and the week in which it falls as Police Week; and,

WHEREAS, the members of the Madison Heights Police Department play an essential role in safeguarding the rights and freedoms of Madison Heights; and,

WHEREAS, it is important that all citizens know and understand the problems, duties and responsibilities of their police department, and that

members of our police department recognize their duty to serve the people by safeguarding life and property, by protecting them against violence or disorder, and by protecting the innocent against deception and the weak against oppression; and,

WHEREAS, the Madison Heights Police Department has grown to be modern and professional law enforcement agency that provides vital public service.

NOW THEREFORE BE IT RESOLVED, that the Mayor and Council call upon the citizens of Madison Heights and upon all patriotic, civic and educational organizations to observe May 13-19, 2018, as POLICE WEEK to commemorate police officers, past and present, who by their faithful and loyal devotion to their responsibilities have rendered a dedicated service to their community and, in doing so, have established for themselves an enviable and enduring reputation for preserving rights and security of all citizens.

BE IT FURTHER RESOLVED, that May 15, 2018, be observed as POLICE OFFICERS MEMORIAL DAY, in honor of those police officers who, through their courageous deeds, have lost their lives or have become disabled in the performance of duty.

On behalf of City Council, Mayor Hartwell presented the resolution to Lieutenant Fecteau.

CM-18-114. Presentation – April 2018 Child Abuse Prevention Month Proclamation.

City Manager Myers read the April 2018 Child Abuse Prevention Proclamation as follows:

APRIL 2018: CHILD ABUSE PREVENTION MONTH PROCLAMATION

WHEREAS, nationally, it is estimated that more than 1,540 children die each year from child abuse and neglect; and,

WHEREAS, both statewide and nationally, child abuse is considered to be one of the most serious public health problems with scientific studies documenting the link between the abuse and neglect of children and a wide range of medical, emotional, psychological and behavioral disorders; and,

WHEREAS, according to the Children's Trust Fund, in the State of Michigan in 2017, 26,017 or 29% of the 90,760 confirmed complaints of child abuse resulted in evidence of abuse or neglect, with almost 38,000 identified

victims; 40% percent of the victims were under the age of four, and in approximately 82% of the cases, the perpetrator was a parent; and,

WHEREAS, promoting, family functioning/resiliency, social support systems, concrete supports, nurturing and attachment, and knowledge of parenting/child development are all known protective factors which prevent child maltreatment and help to strengthen families; and,

WHEREAS, child abuse prevention is an acknowledged community responsibility. On behalf of Madison Heights's children, this month and each month thereafter we join with the Michigan Department of Health and Human Services and the Children's Trust Fund to commit to "The Power of One." This statewide initiative under the leadership of the Children's Trust Fund asserts that the power of one person, one community, one dollar, one action, etc., during April will help to protect children from abuse and neglect;

NOW, THEREFORE, the Madison Heights City Council does hereby proclaim April 2018 as Child Abuse Prevention Month in the City of Madison Heights.

On behalf of City Council, Mayor Hartwell presented the resolution to Councilman Soltis.

CM-18-115. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, representing the Friends of the Madison Heights Area Senior Citizens, stated that their May meeting will be Thursday, May 15th at 7:00 p.m. at Wilkinson Middle School. All are welcome. She also stated that the Madison Carnival is April 26th – 29th.

Wayne Moore, 27368 Dartmouth, stated that the Friends of the Madison Heights Area Senior Citizens are having a fundraiser at Bowl One on Friday, May 4th starting at 7:00 p.m. He stated that there will be gift card raffles and the cost for bowlers is $20 per person or $5 per person for pizza and pop only.

Sean Fleming, 27120 Barrington St., provided a copy of a press release from the Secretary of State's office regarding Car Hunterz Retail LLC license suspension to the City Council. He stated that this company is no longer in business, but the previous owner has some ongoing criminal issues. He stated that he also had a complaint with the Secretary of State's office about this dealer. He noted that he submitted a FOIA to the City for the business license record and the information that the City Clerk provided shows that the name of business was not the same as what was operating at 530 W. Eleven Mile Road. He suggested that if a business has a State license, that

a copy of their corporation paperwork, along with their DBA from the State, be submitted with the City business license application to make sure the names are the same. He also stated that he is a member of VFW and past Commander. The VFW are meeting in Ferndale since they sold their building, and he requested that the City start a Veterans Committee that would explore programs that would help our veterans.

CM-18-116. Michigan Department of Natural Resources (MDNR) Grant for Wildwood Park Resolution.

Motion by Councilman Corbett, seconded by Councilman Gettings, to adopt the Resolution for implementation of the MDNR Recreation Passport Grant for the Wildwood Park Improvements Project as follows:

MDNR RECREATION PASSPORT GRANT IMPLEMENTATION WILDWOOD PARK IMPROVEMENTS RESOLUTION

"RESOLVED, that the City of Madison Heights, Michigan, does hereby accept the terms of the Agreement as received from the Michigan Department of Natural Resources, and that the City of Madison Heights does hereby specifically agree, but not by way of limitation, as follows:

1. To appropriate all funds necessary to complete the project during the project period and to provide fifty-eight thousand, six hundred dollars ($58,600) dollars to match the grant authorized by the DEPARTMENT.

2. To maintain satisfactory financial accounts, documents, and records to make them available to the DEPARTMENT for auditing at reasonable times.

3. To construct the project and provide such funds, services, and materials as may be necessary to satisfy the terms of said Agreement.

4. To regulate the use of the facility constructed and reserved under this Agreement to assure the use thereof by the public on equal and reasonable terms.

5. To comply with any and all terms of said Agreement including all terms not specifically set forth in the foregoing portions of this Resolution."

CM-18-117. Clinton River Watershed Council's WaterTowns Program Resolution.

Motion by Councilor Grafstein, seconded by Mayor Pro Tem Bliss, to adopt the resolution declaring Madison Heights a participant in the WaterTowns initiative as follows:

STATEMENT OF PURPOSE

The purpose of this resolution is to declare MADISON HEIGHTS' formal participation in the WaterTowns™ initiative through the Clinton River Watershed Council. The resolution reflects MADISON HEIGHTS' support for the Clinton River and its tributaries as valuable community assets and MADISON HEIGHTS' commitment to collaborate with residents, businesses, neighboring cities, non-profit organizations, and other stakeholders to advance watershed management, the blue economy, tourism, and green infrastructure.

A RESOLUTION declaring MADISON HEIGHTS' participation in the WaterTowns™ initiative

WHEREAS, WaterTowns™ is a water-oriented community development initiative designed to assist towns and cities within the Clinton River Watershed to leverage the assets of the Clinton River and Lake St. Clair and to protect and improve water quality;

WHEREAS, the WaterTowns™ initiative is managed by the Clinton River Watershed Council, an organization dedicated to protecting, enhancing, and celebrating the Clinton River, its watershed, and Lake St. Clair;

WHEREAS, MADISON HEIGHTS recognizes the recreational and economic potential of its water resources;

WHEREAS, MADISON HEIGHTS desires to incorporate environmental best management practices as an integral part in community planning and development;

WHEREAS, MADISON HEIGHTS is located within the Clinton River Watershed, and is a member of the Clinton River Watershed Council;

WHEREAS, there is no financial commitment required to participate in the WaterTowns™ initiative;

WHEREAS, MADISON HEIGHTS desires to collaborate with the Clinton River Watershed Council to develop and implement a local WaterTowns™ strategy;

NOW, THEREFORE, be it resolved, that the MADISON HEIGHTS' Mayor and Council declare MADISON HEIGHTS a participant in the WaterTowns™ initiative.

This resolution shall become effective upon adoption.

City Manager Myers introduced Executive Director of the Clinton River Watershed Council, Anne Brasie. Ms. Brasie gave a short PowerPoint presentation which highlighted the following: the existing Watertowns communities, green infrastructure planning and design, project timelines and deliverables, example of projects, and mini-grant opportunities.

Councilor Grafstein stated that this was a very timely conversation, with a lot of these things coming into play currently in the City. She stated that there have been recent conversations in the City pertaining to green initiatives and native plantings, as well as the City's Environmental Citizens Committee has been reactivated. She stated that she is very supportive of participation in the WaterTowns initiative.

Mayor Hartwell stated this could be a good project for the Environmental Citizens Committee to be involved in and provide public input, and he thanked Ms. Brasie for attending meeting.

CM-18-121. Mayor and Council - Comments.

Councilman Corbett stated that it was good to be back, and he wanted to thank everyone for the notes, words of encouragement, and prayers. He highly recommends Beaumont and publically acknowledged Dr. Mark Sakwa, Chief of Cardiovascular Surgery and his team. Without exception - from the nurse assistants to the doctors - everyone was exceptional, and he thanked everyone there. He stated that he is doing well and is glad to be back. He will be continuing office hours at the Library on Fridays from 1:00 p.m. to 3:00 p.m.; or if that is not convenient, please call the City Manager's office to arrange an alternative time. He referenced a newspaper article that related to the issue of responsibilities of owners of hotels and motels, and he thanked Councilman Soltis for his interest in this project. He stated that he wants to acknowledge that a number of the owners of these facilities are very cooperative, are good citizens, and in no way is the City looking to impinge upon them. Depending on the specific circumstance or specific incident, this is something that perhaps the legal team would be able to address appropriate recourse should it seem necessary, and the Council will continue to discuss as a group.

Mayor Pro Tem Bliss also stated that he would also like a legal review regarding hotel regulation. It is a challenging situation to legislate around and we have to make sure we secure and maintain our relationships with the owners, whose help we need to catch criminals, as well. We will need legal review and further review from the Police Department, staff and the Crime Commission. He welcomed Councilman Corbett back. He thanked

all that were involved in the active shooter drill at Lamphere, noting that it is tragic that we have to practice, but as a parent, he feels better that the drill took place. He stated that he is thankful to the police and drama students for participating in the program; it raised awareness and was very impactful.

Councilman Gettings welcome Councilman Corbett back and stated that he is glad he is recovering well.

City Attorney Sherman concurred with Council on Councilman Corbett's return and recovery, and echoed the comments pertaining to the staff at Beaumont hospital. He noted that staff has already begun analyzing the hotel issue raised by Councilman Soltis and a report will be forthcoming for City Council from legal and staff regarding some options that may be considered before moving forward on these issues.

City Manager Myers welcomed Councilman Corbett back. He stated that staff is looking at the hotel issue, with the legal team, Police Department and the department heads all brainstorming on the matter.

Councilor Grafstein stated that the link for information on building a the Free Little Library is on the City's website. If you want to put one up at your home, you can do that. If you want to put one in a park, you can build one and then please deliver it to the City and the DPS will install it. She stated that human trafficking was a topic at the Crime Commission and they all received a copy of the City of Baton Rouge ordinance and are going to look at the specifics at their June meeting. They were looking at this as perhaps a possible template, and it calls for a specific hotel/motel permit. If the police are called three times within three months for prostitution or drugs, they would lose their permit and have 48 hours to vacate all the rooms. To encourage cooperation, if a hotel employee calls, then this is not counted towards the number of calls. She suggested that the City may want to follow something similar. While it probably is impossible to eliminate drugs and prostitution entirely, what the City can do is work to let people know that it is not welcome here. On Friday she attended a student rally in Royal Oak advocating responsible gun ownership. The reality is our children have to go through this active shooter training. The Columbine tragedy was 19 years ago, so these kids know this as their reality. She stated that while she is not sure what City Council can do, but we do need to support responsible gun ownership and support the programs that identify and can follow up on credible threats.

Councilwoman Scott stated she was glad to have Councilman Corbett back. She thanked his caregiver, Councilman Corbett's wife, Linda, for keeping us informed on his progress and wished him good luck in rehab. She congratulated the Madison Heights Women's Club for being honored at as

the Club of the Year for their size group at their State convention. She noted that the Women's Club is very effective at whatever they do. She announced this weekend is Lamphere High School's musical, Bullets over Broadway, and encourage everyone to take the time to go and see it. Performances are on Thursday, Friday, and Saturday, as well as a "G" rated version on Sunday afternoon. She wished her husband, Jack Scott, a happy 85th birthday and thanked him for all that he does, noting that everyone loves him, including her.

Councilman Soltis stated that he was glad Councilman Corbett is back. In light of Child Abuse Awareness Month coming to an end, he expressed that he would like the City to support the rights of our children over corporal punishment, perhaps adopt an ordinance. He continued that corporal punishment is allowed in the State of Michigan despite there being no definition of what is considered reasonable force or what age it is permissible on. In his opinion, it is not necessary to do discipline where the use of force is needed. All types of violence are detrimental, and violence begets violence. In 2018 perhaps we can make a change for the good. He quoted, "When a child hits a child, we call it aggression. When a child hits an adult we call it hostility. When an adult hits an adult we call it assault; but when an adult hits a child, we call it discipline."

Mayor Hartwell welcomed back Councilman Corbett, stating that his voice is so important to the City. He also thanked the medical professionals who helped Councilman Corbett. He thanked Council for engaging in conversation on what the City can do to battle human trafficking. He stated that staff has begun investigation on what the City can do further, and he requested that staff also look to our partners at other levels of government and law enforcement to better illuminate our local debate.

Special Council Meeting
Madison Heights City Council
Madison Heights, Michigan
April 30, 2018

A Special Meeting of the Madison Heights City Council was held on Monday, April 30, 2018, at 7:00 p.m. in the Council Chambers of the Municipal Building at 300 W. 13 Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott (arrived at 7:12 p.m.) and Soltis. City Manager Myers, Deputy City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

Also Present: Fire Chief Lelito, Police Chief Haines, Community Development Director Schafer, Department of Public Services Director Vitali, Library Director Yerman, IT Administrator James Blackburn, and 43rd District Court Judge Hunt.

CM-18-123. Meeting Open to the Public.

Ray Gilson, President of the Firefighters Union, thanked City Council for putting staff first this year and stated that he is looking forward to the additional help and really appreciates it. He requested that Council reconsider Goal x, Convert Three Fire Fighter Positions to Fire Sergeant. He stated that the top 3 fire fighters have already had over 800 hours as Acting Sergeant. The fire fighters are acting in this role with no formal training. Last year, he alone spent 850 hours as Acting Sergeant without training. With the potential to eliminate overtime, the additional cost estimate is $2,500 annually and he stated that he hopes Council will reconsider and adopt this goal.

CM-18-124. Presentation and Review of Proposed FY 2018-19 Budget.

Mayor Hartwell welcomed everyone to the Special Council Meeting to review the Proposed Fiscal Year (FY) 2018-2019 Budget.

City Manager Myers and Deputy City Manager Marsh provided the Council with an overview presentation of the Proposed FY 2018-2019 Budget.

City Manager Myers began the presentation by commending the Deputy City Manager, Department Heads, and staff for their work in preparing a proposed budget that maintains existing services, implements an ambitious city goal plan and reflects recommitment to public safety. He thanked the City Council for their feedback and direction as part of the Financial Outlook, goal setting

process, and Capital Improvement Plan which are important parts of the budget development process.

Mr. Myers stated that the Proposed Budget is presented in accordance with a detailed calendar that is contained in the Policy Document. Last Fall, the annual budget process for 2019 formally began with the development of the Long Range Financial Outlook presented to Council in November. Major capital items over $30,000 are included in the City's Five Year Capital Improvement Plan, or CIP, which was presented to Council in December. Between November and March, Council and staff determined the City's focus for 2019 through the development and adoption of city-wide goals. Preparation of the Operating Budget began in January and following the goal plan adoption, the City Manager, Deputy City Manager, and staff finalized the Proposed Budget which was submitted to Council on April 5th. The remaining highlights of the budget calendar include tonight's Council Budget Presentation and Workshop, and the adoption of the Budget and Tax Levy scheduled to take place on the second Monday in May, which is May 14th.

He summarized the budget presentation this evening stating that it will include: the approved budget goals and policies, the financial challenges we continue to face, significant changes that are included in the budget, a summary of the overall Proposed FY 2019 Budget, and discussion of other funds including the new rate analysis methodology used in the Water and Sewer Fund.

Mr. Myers continued by stating that in preparing the budget, the goals and financial policies adopted by City Council guided our process. First, staff has conservatively estimated revenues and expenditures, including a thorough review of each department with the respective department head, and a careful and updated analysis of projected revenues. Second, we balanced each special millage with the applicable expenses, focusing on millage reserves and prioritized, needed projects. Third, we analyzed projected fund balance levels and, working with City Council through the goal setting process, strategically allocated a minimum use of fund balance to cover goal priorities allowing us to maintain the target fund balance. Fourth, we reviewed taxes and fees being charged to the residents and businesses to make sure they remain reasonable.

Mr. Myers stated as an important ingredient of the Budget, City Council and staff focused on the development of City-wide goals which were adopted by Council in March for Fiscal 2019. All of the 32 adopted goals are referenced in the Budget Policy Document. Goals which require funding have been included in the Proposed Line-Item Budget to accomplish these goals. Some noteworthy examples include the addition of several public safety positions including two police officers to assist with enforcement against gangs, drugs, prostitution and human trafficking as well as enhanced patrol response; two additional Fire Fighter positions to enhance departmental response; a dispatcher position to

comply with state standards, and an additional code enforcement officer to allow for evening and weekend enforcement. Funded goals also include refurbishment of the Police Department Gun Range; parks-related items such as a Parks Master Plan update, renewal of the water park voucher program, and installation of wheelchair swing platforms; and development of a Citizens Academy to educate residents and provide a recruiting tool for future Board and Commission members. A complete list of approved goals is included in the budget document and available online.

City Manager Myers stated that looking ahead to Fiscal 2019; we continue to see encouraging signs of economic recovery both state-wide and locally. While this trend is gradually lessening the budgetary constraints on the City, we continue to face three major financial challenges that restrict the City's ability to keep up with growth and the expectations to restore services and staff that were reduced during the Great Recession from 2008 to 2015. These continued challenges are the overall state-wide municipal funding model, which for FY 2019 caps the City's Taxable Value growth at 2.1% inflation factor that falls short of the actual 3.2% growth that Madison Heights has experienced. The second major challenge involves the legacy cost for pension and other post-employment benefits, namely retiree health care. Together, the unfunded liabilities for these benefits exceed $112 million, and place a serious financial constraint on the City's ability to fund services. Third, while the City's projections for State fuel tax and vehicle registration funding of our major and local streets is expected to increase by 9.6% in FY 2019, funding is not keeping pace with the rapid deterioration of our region's road network. These challenges have hindered the City year after year and will continue to cause funding problems until the State legislature makes significant reforms to the structure of City funding and legacy cost, such as eliminating or offsetting the drastic cumulative effect of the Headlee Amendment and Proposal "A" caps on taxable value.

Ms. Marsh indicated the number one financial challenge facing Madison Heights and most municipalities in the State of Michigan is the current State tax structure. Under the State Headlee Amendment and Proposal "A", growth in property tax values is limited to 5% or the rate of inflation, whichever is less. This forces the City to share in the financial burden during tough times, but it doesn't allow for local governments to share in the prosperity of good times. To illustrate this point, in FY 2019, Madison Heights's personal property taxable values decreased by 4.4% from the prior year; however, increases in real property taxable values offset this resulting in taxable value increase of 3.2%. However, since this increase is greater than the calculated inflation rate of 2.1%, City taxes will be capped through a millage rollback to match this inflation rate.

Ms. Marsh continued that the second major financial challenge facing Madison Heights is legacy cost for pensions and retiree health care. As of June 30,

2017, unfunded liabilities for pension and retiree health care stand at $37.2 million and $75.4 million, respectively, for a total unfunded liability of $112.7 million. The budget includes the actuarially required $3.6 million contribution for pensions in FY 2019 as well as planned $3.8 million contribution to Other Post-Employment Benefits (OPEB), totaling $7.4 million. Compared to FY 2018, this is an increase of $499,000 related to Police and Fire Retiree benefits due specifically to the four new sworn employee positions and the increase in the actuarially calculated City contribution of 54.5% of payroll, which is up from 48.3% in FY 2018. The required Police and Fire pension contribution will necessitate a 9.1% increase in the supporting millage from 6.9586 mills to 7.5927 mills. This contribution is in addition to the debt payment for the Pension Obligation Bonds for General Employees' pension.

Ms. Marsh stated the General Fund Revenues are budgeted at $29.2 million exclusive of the planned use of fund balance. This represents an increase of $2.1 million, or 7.8% from the FY 2018 Amended Budget. This significant increase in revenue is due to two revenue streams both related to taxes. First, property tax, the City's largest revenue, is increasing by $900,000. Over half of this increase is due to the increase of the Police and Fire millage. The resulting change is the taxable value increase of 2.1%.

Ms. Marsh stated for Fiscal 2019, there is one major proposed change to the millage rate. The City's millage rate for Police and Fire Pension is increasing to over 7.5 mills to cover the actuarially required pension contributions. In addition, this millage will result in the same amount as last year going toward the City's calculated annual contribution for OPEB, covering 57.8% of the recommended contribution. All of the remaining millage rates are being reduced under Proposal A of 1994, which limits taxable revenue growth to 5 percent or the rate of inflation, whichever is lower. For FY 2019, the rate of inflation has been calculated at 2.1%. Since the City's taxable value actually grew 3.2%, we are required to "rollback" the millage to equal the 2.1% increase.

Ms. Marsh stated that the average home with a taxable value of $36,000 will see an additional $62 in City taxes in the summer as a result of these millage changes. Later in the presentation, we will discuss the decrease in the water and sewer rate related to stormwater charges and moving the Chapter 20 debt from the sewer rate structure. For the 10,339 single-family homes and condominiums in Madison Heights for Fiscal 2019, the average home market value is $104,000 with a taxable value of $36,000 and an average tax bill of $929 for City services.

Deputy City Manager Marsh commented that as of June 30, 2019, the City will be at 16.84% of the City's debt limit of $80.5 million, which is based on 10% of assessed valuation. The City has general obligation bonds outstanding in the amount of $16.3 million. The City is also responsible for our share of eight bonds related to the George W. Kuhn Drain project, for a total of $4.8 million.

These bonds, which are scheduled for final payment in Year 2029, are not counted toward the debt limit. The City's latest government bond rating occurred in June 2016, when the City secured a rating from Standard and Poor's ("S&P") for the issuance of general obligation bonds. S&P assigned a "AA-/stable" underlying rating, describing the City as having strong management with good financial policies and practices under the financial management assessment methodology; adequate budgetary performance, including operating surpluses in the General Fund and at the total government fund level; and very strong liquidity.

Mr. Myers noted that the Fiscal 2019 Budget reflects a total net increase of 8.1 full-time equivalencies (FTEs). This increase is due to the addition of seven full-time positions and two part-time positions. The majority of full-time positions are related to the City Goal Plan adopted by City Council in March and include one Code Enforcement officer, one Police Service Assistant, two Patrol Officers, and two Fire Fighters. A Water Utility Supervisor is also being added as well as two part-time positions including an Office Assistant at the Senior Center and a Department of Public Services Laborer.

City Manager Myers stated that the Proposed Fiscal 2019 General Fund budget was balanced through the utilization of $518,000 of fund balance. As of June 30, 2017, the General Fund unreserved fund balance was $6.7 million, and is estimated to be $5.9 million at June 30, 2018. Based on the budgeted use of fund balance, the City projects that fund balance will be $5.4 million at the end of Fiscal 2019, or just at the City's financial policy minimum of 16% of regular operating expenditures plus one year of debt payments.

Mr. Myers stated that starting in FY 2017, the City began to adjust the method for billing customers for water, sewer and stormwater charges. The first step of the change was to remove stormwater from the sewage rate and to calculate a new stormwater charge based on the individuals parcel's amount of pervious and impervious surface which directly correlates to the stormwater runoff. The City Engineer calculated the Equivalent Residential Unit (ERU) equal to 2.600 square feet. Parcels containing a higher amount of impervious surface have a higher amount of ERUs and hence, a higher bill for stormwater. The total amount billed for stormwater continues to cover all of the City's stormwater expenses from the Oakland County Water Resources Commissioner, but as a consequence of the rate restructuring, the sewer rate decreased by 25% in FY 2017. In FY 2018, the water and sewer rates decreased again by an additional 9% and the stormwater rate increased to $11.37 per quarter. The second step of this rate method change was implemented with the 2018 budget for water and sewer bills on or after July 1, 2017. This step removed the drain debt from the water and sewer rate and assesses it on the tax bills, pursuant to Michigan Drain Code Chapter 20 of Public Act 40 of 1956. This final step also eliminated the $3 per quarter meter charge, and the flat rate service charge to commercial customers.

Mr. Myers stated that in FY 2019, the City has implemented a rate analysis tool and method for reviewing and adjusting rates annually. This analysis of water and sewer rates includes a five year forecast of known capital outlay, and projected operational expenditures and revenues. The basic principle guiding this rate study and any recommended rate adjustments is that rates should be set to meet revenue requirements as defined by historical costs adjusted by known cost increases and decreases. The analysis also reflects an effort to smooth future rate adjustments to avoid years with high increases for Madison Heights utility customers. New rates, proposed in this study, would come into effect beginning for bills on or after July 1, 2018 and will result in a 3.25% rate increase for water and sewer. No change is being proposed for stormwater rates. For the example home cited earlier with a taxable value of $36,000, assuming quarterly water usage of 12 units and a Stormwater ERU of 1.072, the annual water and sewer bill in Fiscal 2016 would have been $419.52 and would have decreased by 9.3% to $380.73 in Fiscal 2017. In Fiscal 2018, this homeowner would have paid $359.79 in water and sewer charges and a Chapter 20 Drain millage amount of $39.70, resulting in a net increase of $18.77 under the new methodology. In FY 2019, this rate will be an estimated $408.60 annually. It is important to note that over the past three-year rate adjustment period, this homeowner's total bill will decrease by 2.6%, including the drain debt millage.

Mr. Myers stated Fiscal Year 2019 Capital Outlay purchases total $11.3 million for all funds including $1.6 million for the General Fund. Of the General Fund purchases, 27.1% or $440,000 are funded through dedicated millages including Proposals "V-3", "L", Solid Waste and the Senior Millage. The General Fund purchases that are not funded through dedicated millage include carpet in the 43rd District Court building, a fire suppression system for the city hall server room, an on-site generator for city hall, civic center gazebo refurbishing, a vehicle for the new Code Enforcement position, fleet management software, a pavement patch hotbox, replacement of the playscape at Edison Park and a new backstop and fence at Huffman Park. Approximately 64% of the capital outlay expenditures budgeted in the General Fund are related to public safety. These expenditures include two copy machines, two patrol vehicles, a motorcycle, phase three of four for an underground storage tank, replacement of the padded flooring surface and refurbishment of the gun range for the Police Department. The Fire Department is budgeted to receive a generator for Fire Station #2, a new ambulance rescue, resurfacing of the apparatus room floor at Fire Station #1 and new Overhead doors.

Mr. Myers noted that other funds include a capital outlay of $9.7 million. The majority of this amount, or $6.5 million, is budgeted for road rehabilitation and reconstruction projects including Proposal R-3 dedicated millage projects, major roads sectional work, and the sidewalk repair and gap program.

Mr. Myers stated that in the Water and Sewer Fund, $744,000 is budgeted for

watermain replacement, and $663,000 is budgeted for the grant-funded sanitary sewer inspection/rehabilitation program ($497,000 in grant funds). The remaining planned purchases include the final phase of the underground storage tanks located behind the Department of Public Services, repairs and replacement to the Department of Public Services parking lot, a 4-yard loader, a tandem axle dump truck with V-box, and an updated Neptune Collector for the Automatic Meter Reading System.

Mr. Myers stated that the Fiscal 2019 budget also includes $1.2 million for District 9 of the City-wide replacement of water meters which were last replaced between 1995 and 1997 and are at the end of their useful service life. District 9 is the final phase of this program and will cover all commercial users of the system. Money has been reserved to fund this project with a total project cost estimated at $3.9 million.

Mr. Myers noted that the Major Street Fund is projected to increase revenues by $184,500. This is based on MDOT's projections of revenues from fuel tax increases and vehicle registration fees in the State Restricted Revenues package. Rehabilitation work is being budgeted in FY 2019 for a total of $2.1 million. This includes sectional concrete replacement on major streets at $650,000; Stephenson Highway from south of 14 mile to Girard at $170,000; 13 Mile Sectional work in the amounts of $240,000 for the federally funded National Highway Performance Program or NHPP and $75,000 for non-NHPP sectional repairs; and Northbound Stephenson Highway from 12 Mile to 14 Mile at $245,000.

Mr. Myers continued that the Local Street Fund accounts for expenditures associated with the construction and maintenance needs of our local street network and can be divided into Proposal "R-3" road construction and non-"R-3" related expenditures. Fiscal 2019 is the first year of the Proposal "R-3" program. The Proposal "R-3" road construction projects scheduled for this year include Brettonwoods from 11 Mile to W. Farnum for $554,000; Harwood from Battelle to Tawas for $339,000; and Brush from 11 Mile to Farnum for $379,000. Non R-3 repairs include sectional concrete replacement for Research Park and Tech Row.

Mr. Myers concluded the presentation by stating that for the balance of today's meeting, the Deputy City Manager and he would like to answer any questions on the presentation, and make use of the line item budget to walk through the General Fund Revenues and Expenditures and Other Funds. He noted for Council that if expenditures are increased or revenues decreased, staff will need Council's direction to rebalance the Proposed Budget to compensate for those Council-requested changes. After today's Budget Workshop, the plan would be to move forward with the May 14th Public Hearing and the Adoption of the Budget.

Mayor Hartwell reviewed the Proposed FY 2018-2019 Line-Item Budget document page-by-page. During the review of the document, the City Manager and Department Heads addressed Council's questions on a department-by-department basis.

In response to Mayor Pro Tem Bliss's question, Deputy City Manager Marsh stated that the most significant reason for the increase in legal hourly rates is due to the anticipation of potential arbitration costs due to labor contracts being negotiated.

Discussion followed on the need for refurbishing the City Hall Gazebo, refurbishing the Senior Center Pavilion, and purchase of a generator for City Hall. City Manager Myers stated that these items are considered either straight-forward capital outlay expenditures or maintenance items, not goals. Deputy City Marsh noted that the Senior Millage funds the Senior Center budget, including the pavilion project. It was the consensus that the City Hall Gazebo project funding may be used to fund a change in adopted goals and would be discussed at the conclusion of the overview of the line-item budget.

Councilor Grafstein stated that she would like to see Goal x, Convert Three Fire Fighter Positions to Fire Sergeant, in lieu of the City Hall Gazebo project. In response to Mayor Pro Tem Bliss's question, Chief Lelito stated that initial training for Sergeant is approximately one year and conducted through the State of Michigan; however, training will always be ongoing. In response to Councilman Soltis's question, Chief Lelito stated that the cost of promoting these positions is estimated to be $31,467; however, this would be offset by the current out-of-class pay being paid within the department for Acting Sergeant and the eliminated overtime so the estimated net cost is $2,470. In response to Mayor Pro Tem Bliss's question, Chief Lelito stated that the benefit of making this change would be that it almost guarantees a sworn officer on duty at all times for the citizens of Madison Heights. In response to Councilor Grafstein's question, Chief Lelito stated that there are minimum service requirements for the position of Sergeant, and Civil Service rules are followed for promotion; however, due to the young age of the current force, it may be necessary to seek an exception from the Civil Service Commission to the minimum three year experience requirement. Chief Lelito also stated that no manpower changes will be necessary with the change; Sergeants have the same role as fire fighters but they have managerial duties as well. Mayor Hartwell stated the add of Goal x would be discussed at the conclusion of the overview of the line-item budget.

In response to Councilman Soltis's question, City Manager Myers stated that the additional increase in funding to account 101-400-8180-002, Emergency Property Demo/Hazzard Cleanup, is due to the City having one identified commercial property that City may have to address. This property is a Superfund site, and while the City will seek restitution through a lien, if necessary, we do have to pay for the demolition upfront.

In response to Councilor Grafstein's questions, Community Development Director Schafer stated that new vehicle is for the new Code Officer Position and this position will have afternoon, evenings, and weekend hours, but there will be overlaps in shifts. In response to Councilor Grafstein's question about the new Code Enforcement Policy, Mr. Myers answered that the goal needed to be approved and funded, and then a work plan can be established. He added that staff will make sure the new Code Enforcement Policy covers what was discussed by City Council during the goal process. Mayor Pro Tem Bliss stated that the goal itself includes a change in policy, and he is confident that staff will work to meet Council's goals. Councilor Grafstein proposed that the Code position be reduced from 1.0 FTE to .3 and combined with the existing .7 FTE Code Officer to result in a total of 2 full-time Code Officer positions. Mayor Pro Tem Bliss stated that there is a true need for additional staffing in Code Enforcement in the City. There used to be 3 full-time Code Officers and now there is only 1.7. This goal will bring the number to 2.7; still below prior staffing levels. Housing stock is older, and he continued, that Council can always reevaluate staffing at a later date and make changes if it is not working. There was no additional verbal support for Councilor Grafstein's proposed budget change on Code Enforcement personnel.

Discussion followed on energy costs for street lighting, cost of garbage collection in the City, and money considered as reserve in the budget. Deputy City Manager Marsh stated staff is still in the process of analyzing the cost of renegotiating or extending the current waste contract to include more robust recycling. She stated that there is $200,000 set aside which is from the Solid Waste Millage that can only be spent on solid waste related expenditures. She noted that the current rate for solid waste collection is very competitive to neighboring communities. City Manager Myers noted that the cost to households is $6.38 per month for trash, $0.60 for yard waste per week, and $1.89 per month for recycling. If the City decides to do an extension in the future, at that time it will change the costs and will require a budget amendment. Staff is still analyzing the issue and the change, if there is one, is projected for 2019.

Councilor Grafstein stated that she would like to use the money identified as reserve in this year's budget for the funding of future public safety personnel, and instead use it this year to hire an additional police officer. Mayor Hartwell stated that this suggestion would be discussed after the line-item review was completed.

Deputy City Manager Marsh confirmed that the name change for the Senior Center and pavilion rehab project are being fully funded this year from the Senior Millage. In addition, Mr. Myers stated there is a revenue fund offset from programming.

In response to Mayor Pro Tem Bliss's question, Library Director Yerman stated

that the carpeting being replaced is mostly original along with some carpet squares. She added that the aesthetics and functionality of the Library will be improved. Director Vitali answered that the lighting upgrade will save the City money; for every dollar spent there is a 1.2 return on investment.

In response to Councilman Gettings's question, Ms. Marsh stated that Fund 208, Parks Maintenance & Improvement Fund, has approximately $650,000 remaining. She noted that these funds have been invested, and the money used last year was covered by the earnings on the investment for the year. Mr. Myers commented that staff re-examines the 25-year park fund projection annually.

Mayor Hartwell opened up the discussion on Councilor Grafstein's suggestion to add an additional Police Officer. No consensus was reached to add an additional position to this year's budget.

Mayor Pro Tem Bliss suggested that the funding of Goal x, Convert Three Fire Fighter Positions to Fire Sergeant, be obtained from the Council's Conference and Workshop line item. After discussion, it was agreed to add Goal x, Convert Three Fire Fighter Positions to Fire Sergeant, to this year's budget and City Manager Myers stated that the goal would be funded through the Fund Balance.

CM-18-125. Council Comments.

Councilman Corbett stated that tonight's budget conversation was good.

Mayor Pro Tem Bliss requested that staff provide information on the gazebo repairs prior to moving forward on this project.

Councilman Gettings stated that the administration and staff did a good job on the budget, and he thanked City Manager Myers and Deputy City Manager Marsh for their work.

City Manager Myers had no comments this evening.

Deputy City Manager Marsh had no comments this evening.

City Attorney Sherman had no comments this evening.

Councilor Grafstein had no comments this evening.

Councilwoman Scott stated that she appreciates creative ideas and all of the input tonight; however, the reality is the City can't always do everything we would like to.

Councilman Soltis thanked staff, City Manager Myers, Deputy City Manager Marsh, and department heads for their work on the budget, noting they have done a fantastic job and he appreciated their hard work.

Mayor Hartwell thanked City Manager Myers, Deputy City Manager Marsh and the staff for their work on the budget.

CM-18-135. Presentation – National Public Works Week Proclamation, May 20-27, 2018.

City Manager Myers read the National Public Works Week Proclamation as follows:

PROCLAMATION

WHEREAS, the public works services provided in our community are an essential part of our citizens' everyday lives; and,

WHEREAS, informed citizenry is vital to the efficient operation of public works systems and programs such as water distribution, sewer maintenance, storm water management, streets and highways, public buildings, fleet maintenance, parks, recreation and solid waste collection; and,

WHEREAS, the health, safety and comfort of our community greatly depends on these facilities and services; and,

WHEREAS, the quality and effectiveness of these facilities and services, as well as their planning, design, and implementation, are vitally dependent upon the efforts and skill of our Department of Public Services employees; and,

WHEREAS, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the peoples' attitude toward and understanding of the importance of the work they perform.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights does hereby proclaim the week of

MAY 20-27, 2018
NATIONAL PUBLIC WORKS WEEK

and calls upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions that our public services employees make every day to our health, safety, comfort, and quality of life.

On behalf of City Council, Mayor Hartwell presented the Proclamation to Department of Public Services Director Vitali.

CM-18-136. Public Hearing – Special Approval No. 18-01 – 800 E. 14 Mile Road, Golling KIA.

City Manager Myers reviewed the proposed Special Approval No. 18-01.

A public hearing was held at 7:38 p.m. to hear any comments pertaining to the proposed Special Approval 18-01, to allow a new car dealership (KIA) and service facility to be built in the M-1 Zoning District. Location of the proposed dealership is the western portion of 800 E 14 Mile Road (Proposed Land Division). Applicant is Golling Madison Heights, LLC.

There being no comments, the public hearing was closed at 7:39 p.m.

Motion by Councilman Corbett, seconded by Councilman Gettings:

WHEREAS, a Special Approval Board application has been received from Golling Madison Heights, LLC requesting a new car dealership (KIA) and service facility in the M -1 District; and:

WHEREAS, a public hearing was published in the Madison Park News on April 25, 2018 and notices were mailed to property

owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: Part of 800 E. 14 Mile (Land division required if project approved).

REQUEST: Special Approval to allow a new Car Dealership with motor vehicle service in the M-1 District under Section 10.329(5) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Parking lot

STAFF ANALYSIS:

1. Special Approval is required to allow a new car dealership and motor vehicle service facility in the M-1 District. Applicant is proposing a new KIA dealership with motor vehicle service (no bump & paint).

2. If approved, the site will be split from the existing Shannon Precision Fasteners facility and will be assigned a new parcel ID and address.

3. Parking exceeds minimum ordinance requirements for both the proposed KIA dealership as well as the remaining Shannon Precision Fasteners site. However, parking is not permitted in the front yard setback in the M-1 District (50'). Note: Existing parking lot is non-conforming, with spaces coming to within 5' of the front property line. The proposed plan shows parking coming to within 10' of the front property line, doubling the size of the front landscape greenbelt from existing. The applicant is aware of this requirement and has been informed that a ZBA variance would be required to allow this parking lot design if City Council were to grant special approval.

4. The landscape plan meets all ordinance requirements.

5. Hours of Operation:

   Mon & Thursday – 7:00 am – 9:00 pm
   Tuesday, Wednesday, Friday - 7:00 am – 6:00 pm
   Saturday – 8:00 am – 3:00 pm
   Sunday – Closed

6. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed. Should City Council approve this request, the following conditions are recommended:

   a. ZBA approval of variance to allow parking within the front yard setback

   b. Land division approval (administrative)

   c. Reciprocal cross access easement agreement with Shannon Precision Fasteners for the proposed access drive between the two properties.

   d. No bump & paint repair work permitted.

NOW, THEREFORE, BE IT RESOLVED that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, hereby approves the new car dealership and service facility at 800 E. 14 Mile Road with the following conditions:

   a. ZBA approval of variance to allow parking within the front yard setback.

   b. Land division approval (administrative)

   c. Reciprocal cross access easement agreement with Shannon Precision Fasteners for the proposed access drive between the two properties.

   d. No bump & paint repair work permitted.

CM-18-137. Public Hearing – Fiscal Year 2019 Budget Resolution and Tax Levy.

Mayor Hartwell opened the Public Hearing at 7:40 p.m. to hear comments, if any, on the Fiscal Year 2019 Budget Resolution and Tax Levy.

Patricia Shields, 29328 Spoon, asked with increasing home values and property assessments, why the City is increasing the millage rate 2%. City Manager Myers clarified that all of the millage rates, with the exception of Police and Fire millage, have decreased. The Police and Fire millage is assessed based on the amount needed to support required contributions to the pension and post-employment health care funds for public safety personnel.

Seeing no one further wishing to speak, Mayor Hartwell closed the Public Hearing at 7:46 p.m .

Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to approve the FY 2019 Budget Resolution as follows:

CM-18-157. Mayor and Council - Comments.

Councilman Corbett stated that he will have office hours on Friday, from 1 p.m. to 3 p.m. at the Library. He commented that if you would like to talk at a different time or with another Councilmember, please contact the City Manager's office to make arrangements. He thanked the staff for their work on the Spring Clean-up and the extra free chipping. He noted that both were well received by residents. City Manager Myers noted that there were approximately 200 vehicles participating in the Clean-up Day.

Mayor Pro Tem Bliss stated that the Arts & Culture Advisory Board is very active, and reminded the audience that tonight is the final deadline for entrance to the City's Photo Contest. The requirements are that the picture was taken within the City of Madison Heights and the entrant must be

resident of the City. There will be cash prizes, an award ceremony, and the pictures will be on display at the Festival in the Park.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

City Manager Myers had no comments this evening.

Councilor Grafstein stated that last month she attended a student organized rally in Royal Oak for gun safety and last week she attended an assembly at Wilkinson Middle School to promote the *Okay to Say* App. On June 2nd there will be a National Gun Violence Awareness Day and encouraged those to participate by wearing orange. She requested that the City have a proclamation supporting the event at the May 29th City Council meeting. She noted that the Environmental Citizens Committee is meeting and are considering larger options for trash and recycling toters as well as providing residents information on what can and cannot be recycled. She thanked DPS staff for providing information on why trash pick-up has been delayed recently.

Councilwoman Scott wished all the mothers a Happy Mother's Day.

Councilman Soltis stated for the 5th year, the City is sending a delegation to Lansing for Older Michiganian's Day. The event and day are free. If you are interested, please join the group. There is no cost - lunch, tour of the Capitol, and transportation are included. The bus will be leaving this Wednesday at 9:00 a.m. from the Senior Center. Please contact him if you would like to sign up, there is still plenty of room.

Mayor Hartwell thanked staff for preparing tonight's agenda. He thanked Councilman Soltis and Police Chief Haines for exploring with U.S. Department of Veterans Affairs ideas on how the City can work with residents that may be affected by mental health, especially veterans. He stated that he encourages the continuation of this important dialogue.

Madison Heights, Michigan
May 29, 2018

A Regular Meeting of the Madison Heights City Council was held on Tuesday, May 29, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers Corbett, Gettings, Grafstein and Soltis. City Manager Myers, Assistant City Attorney Grochowski, and City Clerk Printz.

Absent: Councilwoman Scott

The invocation was offered by Mayor Pro Tem Bliss followed by the Pledge of Allegiance to the Flag.

CM-18-159. Presentation – National Gun Violence Awareness Day, June 1, 2018.

City Manager Myers read the National Gun Violence Awareness Day Proclamation as follows:

NATIONAL GUN VIOLENCE AWARENESS DAY

WHEREAS, every day, 96 Americans are killed by gun violence and on average there are nearly 13,000 gun homicides every year; and,

WHEREAS, Americans are 25 times more likely to be killed with guns than people in other developed countries; and,

WHEREAS, protecting public safety in the community is one of the City's highest responsibilities; and,

WHEREAS, support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from dangerous people; and,

WHEREAS, local officials and law enforcement officers know their communities best, are the most familiar with local criminal activity and how to address it, and are best positioned to understand how to keep their citizens safe; and,

WHEREAS, in January 2013, Hadiya Pendleton, a teenager who marched in President Obama's second inaugural parade and was tragically shot and killed just weeks later, should be now celebrating her 21st birthday; and,

WHEREAS, to help honor Hadiya – and the 96 Americans whose lives are cut short and the countless survivors who are injured by shootings every day – a national coalition of organizations has designated June 1st, 2018, the first Friday in June, as the 4th National Gun Violence Awareness Day; and,

WHEREAS, the idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing orange. They chose this color because hunters wear orange to announce themselves to other hunters when out in the woods and orange is a color that symbolizes the value of human life; and,

WHEREAS, anyone can join this campaign by pledging to Wear Orange on June 1st, the first Friday in June in 2018, to help raise awareness about gun violence; and,

WHEREAS, by wearing orange on June 1, 2018, Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors; and,

WHEREAS, we renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the wrong hands, and encourage responsible gun ownership to help keep our children safe.

NOW, THEREFORE BE IT RESOLVED, that Mayor and Council of the City of Madison Heights declare the first Friday in June, June 1, 2018, to be **National Gun Violence Awareness Day**, encouraging all citizens to support their local communities' efforts to prevent the tragic effects of gun violence and to honor and value human lives.

On behalf of City Council, Mayor Hartwell presented the Proclamation to Councilor Grafstein.

Alice McKeage, 612 W. Girard, thanked City Council for the opportunity to speak. She thanked City Council for the proclamation, noting that the National Gun Violence Awareness Day is not about a discussion of politics, but rather to reflect on all of the victims of gun violence. She shared her personal experience relating to gun violence and encouraged all to wear orange of Friday, June 1st.

CM-18-160. Presentation – Certificate of Appreciation to Home Depot for sponsorship of the "Pick the Heights Clean" Program.

On behalf of City Council, Mayor Hartwell presented a Certificate of Appreciation to Home Depot for sponsorship of the "Pick the Heights Clean" program. Mark Williams and Victor Awwad accepted the Certificate on behalf of Home Depot.

CM-18-161. Presentation – Resolution Recognizing LGBTQ+ Pride Month, June 2018.

City Manager Myers read the Resolution Recognizing LGBTQ+ Pride Month as follows:

RESOLUTION RECOGNIZING LGBTQ+ PRIDE MONTH

WHEREAS, "LGBTQ+" refers to the identities of lesbian, gay, bisexual, transgender, queer, and other sexual orientations and gender identities separate from the identities of heterosexual and cisgender- including those whose sexual orientations and gender identities which have not been listed; and,

WHEREAS, all people are born free and are equal in dignity and rights, regardless of qualities such as their sexual orientation or their gender identity; and,

WHEREAS, the number of Americans identifying as LGBTQ+ is rising, with 4.1% of the American population identifying as LGBTQ+; and,

WHEREAS, members of the LGTBQ+ community have faced discrimination for a number of years, and are still continuing to fight discrimination; and,

WHEREAS, 42% of LGTBQ+ people report living in an unwelcoming environment as a result of their sexual orientation or gender identities; and,

WHEREAS, 60% of LGBTQ+ students report feeling unsafe or bullied at school as a result of their sexual orientation or gender identities; and,

WHEREAS, 73% of LGBTQ+ youth feel more comfortable being honest about their identities online rather than in person due to fear of discrimination; and,

WHEREAS, 68% of LGBTQ+ youth say that they hear negative messages about being LGBTQ+ from elected leaders; and,

WHEREAS, LGBTQ+ youth contemplate suicide at almost three times the rate of their heterosexual and cisgender peers; and,

WHEREAS, on June 28, 1969 several New York City police officers raided the Stonewall Inn, a gay club in Greenwich Village, and began arresting LGTBQ+ citizens on the basis of their sexual orientations and gender identities, leading to a six day conflict known as the Stonewall Riots; and,

WHEREAS, the LGBTQ+ community recognizes the month of June as "Pride Month" in commemoration of the Stonewall Riots, which are now heralded as the beginning of the LGBTQ+ rights movement.

NOW, THEREFORE BE IT RESOLVED, that the City of Madison Heights recognizes the month of June as LGBTQ+ Pride Month, strives to protect the rights of its LGTBQ+ residents, and calls upon other municipalities to set the precedent in supporting the LGBTQ+ community.

On behalf of City Council, Mayor Hartwell presented the Resolution to Emma Green. Ms. Green stated that although it seems like a small gesture, the resolution is very important. She stated that complacency and silence is quiet acceptance and the resolution recognizing June as Pride Month is very meaningful to the LGBTQ+ community and she thanked City Council for their support.

Without objection, Mayor Hartwell moved the Meeting Open to the Public to this portion of tonight's agenda.

CM-18-162. Meeting Open to the Public.

Tih Penfil, 1676 Myrtle, stated that the action Council has taken today shows extreme courage and will open things up to the youth and minds in our town. She stated that she has been involved in this fight for 40 years and has been part of Motor City Pride for the past 30 years. From then to now, the change has been major. The LGBTQ+ community has been accepted as neighbors, as friends and as part of the community.

Equality Michigan COO Brianna Kingsley, 397 Ferry, Pontiac, thanked City Council for exercising their leadership. This resolution says that the City of Madison Heights is open for business and a light in the dark. She requested that the City also consider a non-discrimination ordinance, something that forty other communities have already adopted and consider other ways City Council and the City of Madison Heights can be on the forefront and exercise leadership on equality.

Karey Hansen, 29324 Mark Ave, on behalf of the group Moms Demand Action, thanked City Council for their support recognizing National Gun Violence Awareness Day on June 1st and in addition to wearing orange, they will also be having a Wear Orange Day Family Picnic at Halmich Park on Saturday, June 2nd from 10:00 a.m. to 2:00 p.m. There will be music, speakers on gun violence, and fun activities for kids. The suggested donation is $10 per adult, no charge for children.

Nicole Tassey, business owner and member of LGBTQ community, thanked the City of Madison Heights for tonight's resolution and noted that her business is in Royal Oak. She continued that one of the things that she likes about Royal Oak is their inclusivity and she thanked Council for their action this evening.

Stacey Winn, 28436 Denise, stated that Emma has made her beyond proud today. We have a wonderful community of young people who have supported her in ways that she didn't know was possible as a gay women. She is so proud of what Emma has done today and thanked City Council for making the community a little more open tonight.

Angie Boccaccio, 1595 Elliott, thanked City Council for the National Gun Violence Awareness proclamation and she stated that she appreciates that Madison Heights encourages safe gun ownership, including by passing out free gun locks. The color of orange is the color of safe gun ownership and that is what this proclamation is about.

CM-18-163. Public Hearing – Special Approval No. 18-03 – 26089 John R – Every Artist Bar & Gallery.

City Manager Myers reviewed the proposed Special Approval No. 18-03.

A public hearing was held at 8:00 p.m. to hear any comments pertaining to the proposed Special Approval 18-03, to allow a bar with entertainment in the B-3 District under Section 10.326(10) of the Zoning Ordinance. Location of the proposed business is 26089 John R.

Property owner and manager, Scott Najor, 27971 Worldcrest Road #12, Farmington, MI., stated that the idea is to create an environment where creative minds can gather. It will be an open space, with stage for music, and a place to hold promotional, charity and community events. The idea is to support local artists and have their voices and visions heard by the rest of the community. This project will be a joint venture with JJ's Grille, but will be a separate entity. He stated that the Gallery and Bar will be open after business hours and continued, the shopping center only has one business open after regular business hours and that is JJ's Grille. He

stated his family has been in the community for 30+ years and he will continue to support the community.

Johnny John, JJ's Grille, stated that he has been in Madison Heights for 32 years; he is a member of the community and serves on volunteer boards. There have never been any parking problems, litter or other issues or complaints in all of those years and asked City Council to give the concept a chance.

Architect and builder Adnan Al-Saati stated that he was available to answer any questions Council may have.

George Knoppe, 26067 Brush, stated that there have been issues that haven't been reported pertaining to JJ's Grille. The City has three bars in less than a ¼ of a mile and, in his opinion that is too much. There are always issues that relate to bars, including noise. He has been a member of the neighborhood for 58 years and he is familiar with the issues that bars cause neighborhoods and he stated he was opposed to the Special Approval.

Seeing no one further wishing to speak, the public hearing was closed at 8:08 p.m.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from Every Artist Bar & Gallery requesting a bar with entertainment in the B -3 District; and:

WHEREAS, a public hearing was published in the Madison Park News on May 9, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION:	26089 John R
REQUEST:	Special Approval to allow a bar with entertainment in the B-3 District under Section 10.326(10) of the Zoning Ordinance.
EXISTING ZONING:	B-3, General Business
EXISTING USE:	Commercial retail unit

STAFF ANALYSIS:

1. Special Approval is required to allow a bar with entertainment in the B-3 District. Applicant is proposing a new bar area with a stage adjacent to the existing JJ's Grille. Applicant is also proposing an art gallery, but that use does not require City Council approval and is not a part of this special approval request.

2. If approved, the site would also need an entertainment agreement from City Council under separate application and consideration.

3. Parking does not meet minimum ordinance requirements. A previous variance from the ZBA was granted to allow the JJ's Grille facility to operate. This proposed expansion would require an additional 66 parking spaces for the center calculated using current parking calculations. This number includes the previously granted variance request. The applicant is aware of this requirement and has been informed that a ZBA variance would be required to allow this project if City Council were to grant special approval.

4. The landscape plan meets all ordinance requirements.

5. Hours of Operation:

   Monday through Saturday – 7:00 am - Midnight
   Sunday - Closed

6. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed.

   Should City Council approve this request, the following conditions are recommended:

   a. ZBA approval of required parking variance.
   b. Entertainment agreement with City Council.

NOW, THEREFORE, BE IT RESOLVED that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.326(10) of the Zoning Ordinance, hereby approves a bar with entertainment in the B -3 District at 26089 John R with the following conditions:

a. ZBA approval of required parking variance.

b. Entertainment agreement with City Council.

CM-18-164. Public Hearing – Special Approval No. 18-04 – 26700 John R – SUNCO Oil Change.

City Manager Myers reviewed the proposed Special Approval No. 18-04.

A public hearing was held at 8:12 p.m. to hear any comments pertaining to the proposed Special Approval 18-04, to allow an oil change facility in the B-3 District under Section 10.326(11) of the Zoning Ordinance. Location of the proposed business is 26089 John R.

There being no comments, the public hearing was closed at 8:13 p.m.

Motion by Councilman Corbett, seconded by Councilman Soltis:

WHEREAS, a Special Approval Board application has been received from SUNCO Properties LLC (Mike Louzon) requesting an oil change facility in the B -3 District; and:

WHEREAS, a public hearing was published in the Madison Park News on May 9, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 26700 John R

REQUEST: Special Approval to allow an oil change facility in the B-3 District under Section 10.326(11) of the Zoning Ordinance.

EXISTING ZONING: B-3 – General Business

EXISTING USE: Vacant

STAFF ANALYSIS:

1. Special Approval is required to allow a new oil change facility in the B-3 District.

2. This site is the subject of a 2005 Leaking Underground Storage Tank Closure Report (Attached). It is the owner's responsibility to secure the Michigan Department of Environmental Quality (MDEQ) approval of any land use change on this site in conformance with the Closure Report. This is an MDEQ issue. Should City Council wish to grant special approval staff recommends that it be conditioned upon written authorization from MDEQ for the proposed land use change.

3. The landscape plan meets ordinance requirements.

4. Hours of Operation:

   Monday – Sunday: 8:00 am – 6:00 pm

5. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed.

   Should City Council approve this request, the following conditions are recommended:

   a. MDEQ authorization of the proposed change in use under the June 2005 Closure Report for Facility ID No. 0-0037204
   b. No exterior storage of vehicles awaiting service.
   c. No bump & paint repair work permitted.

NOW, THEREFORE, BE IT RESOLVED that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.326(11) of the Zoning Ordinance, hereby approves an oil change facility in the B -3 District at 26700 John R with the following conditions:

   a. MDEQ authorization of the proposed change in use under the June 2005 Closure Report for Facility ID No. 0-0037204
   b. No exterior storage of vehicles awaiting service.
   c. No bump & paint repair work permitted.

CM-18-177. Mayor and Council - Comments.

Councilman Corbett stated that he will be having office hours on Fridays, from 1 p.m. to 3 p.m. at the Library until the end of June.

Mayor Pro Tem Bliss stated that he is looking forward to the new art gallery. The Arts and Culture Advisory Committee will be holding an Art Exhibit at City Hall on June 14th from 6:30 p.m. to 8 p.m. There will be live music and the Committee will be awarding winners of photo contest. Light refreshments will be served. In addition, there will be a second pop-up exhibit at the JayCee building at the Festival in the Park on June 24th from 6:00 p.m. to 9:00 p.m. Every photo submitted to the contest will be on display. He added that the Committee will be selling some cool t-shirts to support future programming.

Councilman Gettings stated the City has held the Festival in the Park since 1985, and it is always well received. There will be fireworks, entertainment, and face painting and the date is June 24th. In response to his question, Assistant City Attorney Grochowski stated that the City's Firework Ordinance mirrors State law. Fireworks can be discharged the day before, day of, and day after a national holiday up until midnight only.

City Attorney Grochowski had no further comments this evening.

City Manager Myers had no comments this evening.

Councilor Grafstein stated that the Police Department will be hosting an Open House and Bike Rodeo on June 9th from 10 a.m. to 2 p.m.

Councilman Soltis thanked Mayor Hartwell for his leadership on the Pride Resolution and Councilor Grafstein for her leadership on the Gun Violence Awareness proclamation. He stated the seniors' trip to Lansing was a success; they were introduced on the House Floor by State Representative Ellison. He stated that he supported further discussing a Veterans Affairs committee in the City.

Mayor Hartwell had no comments this evening.

CM-18-184. Public Hearing – Special Approval No. 18-02 – 623 W. 11 Mile Road, Celina's.

City Manager Myers reviewed the proposed Special Approval No. 18-02.

A public hearing was held at 7:36 p.m. to hear any comments pertaining to the proposed Special Approval 18-02, to allow expansion of an existing

outside seating area under Section 10.326(10) of the Zoning Ordinance. Location of the proposed expansion is 623 W. 11 Mile Road.

Ronald Davies, 26759 Brettonwoods, stated that he believes there is not enough parking to accommodate current use and expanding the outdoor seating will just complicate parking issues. He stated there is no parking for the downtown area area, and overflow parking goes onto the side street. He is opposed to approving the Special Approval.

Seeing no one further wishing to speak, the public hearing was closed at 7:38 p.m.

Community Development Director Schafer noted that the property has 56 existing parking spaces and the City Code requires 33 spaces.

Motion by Councilman Corbett, seconded by Councilman Soltis to DENY Special Approval 18-02, an expansion of an existing outdoor seating area under Section 10.326(10) of the Zoning Ordinance at 623 W. 11 Mile Road.

In response to Councilwoman's Scott's question, Mr. Davies noted that he has called the Police Department in the past and issues were resolved.

Mayor Pro Tem Bliss requested the Police run statistics. City Manager Myers noted that in 2017, there were 79 calls for service with 7 of those resulting in case reports from the Police Department. So far this year, there have been 17 calls for service, with 4 resulting in case reports.

In response to Councilman Corbett's question, Mr. Schafer noted that to address noise concerns, the original Special Approval was conditioned upon having no outdoor speakers, flashing lights, or entertainment. If any of these conditions occur, it is in violation of the existing Special Approval. The City did receive one complaint of an outdoor speaker, but when the City followed-up, no speaker was found.

Councilman Gettings suggested altering the permitted use times for the outdoor patio.

Mayor Pro Tem Bliss re-opened the public comments at 7:50 p.m.

Owner and Applicant, Anthony Mancini, stated that he took over the business on June 21, 2017. He continued by stating that people really enjoy eating outside during Michigan's short summer season. The proposed change is only using three of the existing parking spaces and moves the handicapped space closer to front door. He acknowledged that there were two fights in the parking lot, but they were handled properly by the Police, and he stated that unfortunately, fights do occasionally occur. He stated

that on big event days, like after a Madison football game, parking may overflow, but lots of people are now using Uber, so less parking is used. He stated that he has made over $50,000 in improvements to the business and the new patio section will require a substantial investment as well.

In response to Councilman Soltis's question, Mr. Mancini stated he has four bouncers on the weekend.

Councilman Corbett withdrew his motion, Councilman Soltis concurred.

Motion by Councilman Corbett, seconded by Councilman Soltis:

WHEREAS, a Special Approval Board application has been received from Anthony Mancini of Celina's Bar & Grill located in the B-3 District; and:

WHEREAS, a public hearing was published in the Madison Park News on May 23, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 623 W. 11 Mile Road

REQUEST: Special Approval to allow expansion of an existing outside seating area under Section 10.326(10) of the Zoning Ordinance.

EXISTING ZONING: B-3, General Business

EXISTING USE: Celina's

STAFF ANALYSIS:

1. Special Approval is required for outdoor seating at restaurants in the B-3 District. This location was originally denied special approval for outdoor seating by City Council on June 27, 2011 (Minutes attached). The applicant revised the plans and resubmitted for City Council Special Approval, which was granted with conditions on April 23, 2012 (Minutes attached). Those conditions were:

    1. The outdoor seating area is limited to the front (north) side of the building.

2. No outdoor speakers.
3. No outdoor flashing lights.
4. No outdoor entertainment.
5. Outdoor seating use hours limited to
   Sunday – Thursday Noon to 11:00 pm and
   Friday – Saturday Noon to 2:00 am.

The approved outdoor seating area was subsequently built and is in operation today. The new owner seeks to expand the outdoor seating area by 16' to the east and 36' to the south. The proposal would retain the existing approved outdoor seating area as well.

2. Parking, bike rack and landscaping meet the minimum requirements of the Zoning Ordinance.

3. Proposed Hours of Operation:
   Monday through Saturday: 11:00 am – 2:00 am
   Sunday: 12:00 pm – 2:00 am

4. The Site Plan Review Committee has reviewed the site plan and has no additional comments to address. Should City Council grant special approval, the Committee recommends that Council revisit the original conditions to insure they continue to represent the intent of City Council. If this request is denied there is no need for further action and the existing Special Approval remains in place.

NOW, THEREFORE, BE IT RESOLVED that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, hereby approves expansion of an existing outside seating area under Section 10.326(10) of the Zoning Ordinance at 623 W. 11 Mile Road, with the following conditions:

1. The outdoor seating area is limited to the dimensions on the proposal.
2. No outdoor speakers.
3. No outdoor flashing lights.
4. No outdoor entertainment.
5. Outdoor seating use hours limited to
   Monday – Saturday 11:00 a.m. – 2:00 a.m. and
   Sunday – 12:00 p.m. - 2:00 a.m.

In response to Councilman Corbett's question, Mr. Mancini stated that limiting the outdoor seating to 12:00 a.m. would be a burden on the weekends, but probably not on the weekdays.

Councilwoman Scott noted that the business has changed hands, and under new ownership, the operation has improved.

CM-18-185. Meeting Open to the Public.

Caresse Kuhlmann, 27766 Rialto St., stated that her neighborhood is experiencing an invasion of rats and the situation is getting worse. She stated the problem is caused by the City, from a dumpster at Rosie's Park. The gate on the dumpster is 6" off the ground, leaving plenty of room for the rats to access. The City needs to get an exterminator and she noted that this is a quality of life issue. City Manager Myers stated that he will have staff investigate and look into the matter. She stated that she was sorry to see City Manager Myers retire.

JIm Capizzo, 863 Venoy, suggested that to help with the rat issue, the City may want to require that all garbage cans have tops.

Donna Mitchell, 27440 Park Ct., stated that she attended the Police and Fire Open House and had a wonderful time; it was a great event.

CM-18-200. Mayor and Council - Comments.

Councilman Corbett stated that he will have office hours on Friday, from 1 p.m. to 3 p.m. at the Library. This will be his last office hours until resuming in the fall.

Councilman Gettings reminded residents of the Festival in the Park on June 24th. Activities begin at 6:00 p.m. And fireworks will be around 10:00 p.m.

Assistant City Attorney Sherman had no comments this evening.

City Manager Myers also commented on the Festival in the Park, noting the 6:00 p.m. start time and that live entertainment starts at 7:00 p.m. The entertainment will be the band, Stiletto 5, and fireworks are approximately at 10:00 p.m.

City Clerk Printz stated that the State Primary Election is on Tuesday, August 7, 2018. If you would like an absentee ballot application, please stop by or contact the City Clerk's office at 248-583-0826 and they will mail you out an application. An application is required prior to a ballot being sent.

Councilor Grafstein stated the Bike Rodeo was a fun event, and she thanked the Police and Fire Departments for holding the Open House.

Councilwoman Scott announced that the Senior Citizen Advisory Board is presenting Beautification Awards. Please call in and nominate yourself or others who deserve recognition. They will need the names with address of any nominees and the judging will take place on June 14th to decide the award winners. She thanked Donna Mitchell for working on a Community Picnic.

Councilman Soltis had no comments this evening.

Mayor Pro Tem Bliss stated that the Arts and Culture Advisory Committee will be having their first programming this week, the Photo Contest Awards. There were over a hundred submissions from all different ages and backgrounds. Five judges selected the top 18 to be included in the City Calendar and the top 3 will be awarded prize money. The photo reveals and awards will be here at City Hall on Thursday, with the event open at 6:00 p.m. and the awards at 7:00 p.m. Please come out and enjoy. There will also be an exhibition at the Jaycee Building on the night of the fireworks, with doors opening at 6. Support art and purchase the calendar with all the winning photos and support ongoing arts programming. He added that there will also be live entertainment and refreshments at the awards event as well.

Councilwoman Scott added that the Madison Heights Women's Club will be supplying refreshments and the Heritage Rooms will also be open with tours during the Arts & Culture Advisory Photo Contest Awards at City Hall. She applauded the City's artists and invited the public to come see the Heritage Rooms.

CM-18-205. Meeting Open to the Public.

Madison District Public Schools Superintendent Randy Speck, 3903 Nutcracker, Oxford, stated that while the Edison/Keys Grace Academy precinct location is not perfect it has been a voting precinct in the City for decades. He stated that he was confused as to why he and the School Board were not brought into the conversation about moving it and believes the school district should have been part of the discussion before moving the precinct. He stated that he has asked several times as to why they were not included in the discussion but he has not received an answer. He stated the City does not have any problem getting ahold of him when they need to, and he believes this is a big deal. He does not understand why the school district was not brought into the conversation. Mayor Hartwell responded that while the City is excited about the positive changes in the district and the curriculum offered at Keys Academy, maybe it is unfortunate that we did not include you in our decision to run elections; however, doors were chained and locked in the building, there was poor lighting, busses blocked parking spots from voters, City election equipment was lost, and doors were blocked with debris and trash cans. City Council did hold a public meeting on this, and he understands that the Mr. Speck

may be upset about not being involved in the conversation. Mr. Speck stated that the City did not get ahold of the school district regarding the public meeting and he believes that is wrong. He continued that it is not their renter's responsibility; it is the school district's responsibility. He does not understand why they were not included and did not at least get an email or a phone call. Mayor Hartwell stated that conversations and discussions in the end do not matter if voters do not have access to the polls.

Julie Kunze, Clawson and former resident, stated that she has MS which is a silent disease. She stated that medical marijuana helps her escape most of the problems she experiences with MS and she encouraged the Council to support having medical marijuana facilities in the City.

Senior Citizen Advisory Board member Donna Dalling, 30294 Garry, stated that she was present to represent the Board and show their support of the proposed Senior Center name change. She also invited the Council to visit the Senior Center and see what they do there.

Senior Center Advisory Board Chair Michael Salley, 25446 Miracle, stated that the community enjoys the Senior Center and there is no charge to join, but they believe that having "senior" as part of the name detracts from it.

CM-18-209. Solid Waste Contract Extension with GFL.

Motion by Councilor Grafstein, seconded by Councilman Corbett, to approve a seven-year extension with our current Solid Waste contractor, Green for Life Environmental, at the unit prices specified under Option 5 of Exhibit A, which includes that smaller container sizes shall be collected up to the 95-gallons for trash and 64-gallons for recycling. The contract extension will cover Fiscal Years 2019 through 2025 and is subject to final approval by the City Attorney.

Discussion followed on the following: whether or not problems under the previous ownership have been resolved and addressed; timing of the contract extension request; current problems with service delivery; whether the residents can use of other size containers not included in the contract; other waste hauling companies and going out for bid; and how the current company is run.

Councilman Soltis stated that he will be voting against the contract extension because it is his belief the problems from the previous ownership have not been addressed or corrected.

Mayor Pro Tem Bliss asked why staff is recommending a renewal versus going out to bid when the contract expires. In response to Mayor Pro Tem Bliss's questions, DPS Director Vitali agreed that the timing is not optimal given that the service levels have not been good for the last six weeks, but GFL has responded and addressed the issues. He added that on average, over an 8-year period, service levels have been good. DPS Director Vitali stated that residents were requesting larger trash and recycling carts and this began the discussion with GFL and led to contract extension talks. He stated that while there is 3 or 4 Waste Hauling contractors, pricing appears to better for those communities that extended rather than let their contracts expire and go out to bid. The City is responding to the citizens' demand for these size carts and added that the Environmental Citizens Committee has thoroughly reviewed the proposed extension and supports it.

GFL representative Don Barretta stated that residents can use other size containers and bulky items are also still going to be picked up. He stated that operational corrections are being made to address the most current service issues.

CM-18-217. Election Charter Annotations.

Motion by Councilwoman Scott, seconded by Councilor Grafstein, to adopt the resolution to add annotations to sections of the City Charter that have been superseded by Michigan Election Law, as follows:

RESOLUTION TO ADD ANNOTATIONS TO SECTIONS OF THE CITY CHARTER THAT HAVE BEEN SUPERSEDED BY MICHIGAN ELECTION LAWS

WHEREAS, the City of Madison Heights is a Michigan Municipal Corporation, duly and legally incorporated as a Home Rule City under the provisions of 1909 PA 279, being specifically Michigan Compiled Laws (MCL) 117.1, et seq. (hereinafter the "Home Rule City Act"); and,

WHEREAS, Section 3(c) of the Home Rule City Act requires that each city charter shall provide for: "(c) The time, manner, and means of holding elections and the registration of electors, subject to section 261 and other applicable requirements of law;" and,

WHEREAS, Chapter 4, of the City Charter provides for the time, manner and means of holding elections and the registration of electors as required by Section 3(c) of the Home Rule City Act; and,

WHEREAS, 1954 PA 116, being specifically Michigan Complied Laws (MCL) 168.1, et seq., known and cited as the "Michigan Election Law" has been amended and several of the Charter election provisions of the City of Madison Heights are inconsistent with the Michigan Election Law; and,

WHEREAS, Section 4.2 of the Charter of the City of Madison Heights states that "the general election statutes shall apply to and control, as near as may be, all procedures relating to registration and city elections;" and,

WHEREAS, Section 26 of the Home Rule City Act states that: "(2) Notwithstanding another provision of this act or a charter provision, an election under this act is subject to section 641 of the Michigan Election Law, 1954 PA 116, MCL 168.641;" and,

WHEREAS, based on Section 4.2 of the Charter of the City of Madison Heights and Section 26 of the Home Rule City Act, any City Charter provision inconsistent with Michigan election laws are superseded by the Michigan election laws; and,

WHEREAS, Section 3b of the Home Rule City Act provides that a city can pass a resolution to correct any inconsistencies between a charter provision and the Michigan Election Law and states: "(3) Notwithstanding any charter provision, the city may provide by resolution for any election provision that is consistent with the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992;" and,

WHEREAS, Section 4.4 of the Charter of the City of Madison Heights establishes a spring regular municipal election date, however Section 642 of the Michigan election law establishes that a city shall hold its regular election for a city office at the odd year general election which is defined by Section 3 of the
Michigan Election Law as "the election held on the November regular election date in an odd numbered year," which is inconsistent with and supersedes Section 4.4 of the Charter of the City of Madison Heights; and,

WHEREAS, Section 4.9 of the Charter of the City of Madison Heights establishes a ninety (90) day filing deadline for nominating petitions prior to a regular municipal election, however, Section 644e of the Michigan election law establishes a 15-week deadline for nominating petitions which is inconsistent with and supersedes Section 4.9 of the Charter of the City of Madison Heights; and,

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Madison Heights, Oakland County, Michigan, pursuant to Section 3b of the Home Rule City Act, desires to annotate the enumerated superseded sections of the Charter of the City of Madison Heights to be consistent with Michigan Election Law.

IT IS FURTHER RESOLVED, that the language in Section 4.4 of the Charter of the City of Madison, establishing an April regular municipal election date, is superseded by Section 642 of the Michigan Election Law which establishes that a city shall hold its

regular election for a city office at the odd year general election which is defined by Section 3 of the Michigan Election Law as the election held on the November regular election date in an odd numbered year.

IT IS FURTHER RESOVLED, that the City Clerk shall cause Section 4.4 of the Charter of the City of Madison Heights to be annotated as follows:

> "[NOTE: The Charter language establishing an April regular municipal election date, is superseded by Michigan Election Law, MCL 168.642, which establishes that a city shall hold its regular election for a city office at the November regular election date in an odd numbered year.]"

IT IS FURTHER RESOLVED, that the language in Section 4.9 of the Charter of the City of Madison Heights, establishing a ninety (90) day filing deadline for nominating petitions prior to a regular municipal election, is superseded by Section 644e of the Michigan Election Law which provides that the candidate filing deadline or certification deadline is 4 p.m. on the fifteenth Tuesday before the odd year general election.

IT IS FURTHER RESOVLED, that the City Clerk shall cause Section 4.9 of the Charter of the City of Madison Heights to be annotated as follows:

> "[NOTE: The Charter language pertaining to filing nominating petitions for the regular municipal election, is superseded by Michigan Election Law, MCL 168.644e. The candidate filing deadline or certification deadline is 4 p.m. on the fifteenth Tuesday before the odd year general election.]"

CM-18-225. Mayor and Council - Comments.

Councilman Corbett acknowledged City Manager Myers's last meeting and stated that he has enjoyed his experience with him and wished him luck in his future endeavors.

Mayor Pro Tem Bliss stated that the Arts & Culture Advisory Board had their first program, an exhibit of the photographs for the Photo Contest. He continued that there were over 100 people in attendance. There was also a display of the photographs at the Festival in the Park, and he noted that T-shirts are on sale to support future arts and culture programming. He thanked City Council, staff and DPS for their efforts and support in making the event a success. He also noted that the photos will be on the City's Facebook page. He stated that he is happy the City is continuing the Water Park Voucher Program, but expressed that he does not agree with the guidelines of limiting four tickets per family and he doesn't believe the program is as inclusive as it could be. He echoed the comments of Councilman Corbett, adding that City Manager Myers has served City incredibly well, especially in the areas of improving technology and he appreciates his work and wishes him the best.

Councilman Gettings stated that the City may want to meet with the Madison District with the City-School Liaison Committee to discuss the Precinct 2 location change and perhaps change it. Councilor Grafstein stated that she is the Council Liaison to this committee and it is her understanding that neither the Superintendent nor School Board President responded – nor did the Lamphere District - to the City's request to have representatives on this committee. She stated that had they responded, she would have had a meeting because she wants to reactive this board. In response to his question, City Clerk Printz stated that after the doors were

chained locked, the Keys staff did not have a key to the chains, and the City's DPS had to cut the chains off on the Presidential Primary Election day, on which she called the school district to discuss the problems that were occurring at that location including being moved to the new gym which was far from parking and difficult to navigate to, and asked about moving the buses. She spoke directly with Mr. Speck's staff and was told to deal directly with the Keys Grace Academy administration because although the District owned the building, they were not responsible for the administration or maintenance of the building and she needed to talk to them directly. She met with Keys Grace Administrative Staff and every election afterwards there has been one problem or another. As for the changing of the precinct, that is a City decision, If City Council wants to change that decision, they can; however, it is too late to change it for the August election and there is a very small window to change it for November. She stated that she did not recommend changing the location in the middle of an election cycle; if Council wants to change it in the future, that is Council's prerogative, but she does not recommend making any changes until the 2019 election cycle. She continued the City has already notified 1,500 voters of the change and they were sent personal letters about the change. The City Clerk's office is in the process of issuing Absentee ballots for the August election.

Councilman Gettings stated that he would like the City to consider determining the location of the precinct in the future. Mayor Pro Tem Bliss stated there are three things that we could do, including asking for a more detailed report along with responses from the Madison School District; convene the City-School Liaison Committee and include the Royal Oak School District as well; and have a public discussion at a later date at a City Council meeting. Councilman Gettings concluded his comments by stating that the DPS did a fantastic job on the Festival in the Park and hats off to the City for this event. He stated that he has had the privilege of working as an employee and as a Councilmember with Ben, and as a professional, and City Manager Ben Myers is top rate.

City Attorney Sherman echoed comments of Council, and thanked Ben for his 26 years of dedicated public service.

City Manager Myers thanked the DPS, Police, and Fire departments for their work on the Festival in the Park.

City Clerk Printz stated that the State Primary Election is on Tuesday, August 7, 2018. If you would like an absentee ballot application, please stop by or contact the City Clerk's office at 248-583-0826 and they will mail you out an application. An application is required prior to a ballot being sent.

Councilor Grafstein thanked Ben for all of his help with her transition onto City Council. She appreciated his help with reestablishing the ECC, noting he was instrumental. She stated that the Festival in the Park was a really nice event. She also stated she would like to also look at reorganization of the City-School Liaison Committee as well as look at food composting in the future with the ECC.

Councilwoman Scott stated that Arts & Culture Advisory Board is selling T-shirts and order forms are available at the City and online. She applauded all the entrants to the Photo Contest, noting she was privileged to be a judge. On July 14th at Rosie's Park, there will be a BBQ fundraiser sponsored by Donna's Christmas Land. The time is 11 a.m. to 7 p.m. and is raising money for the Harvest Festival, Thanksgiving and Christmas dinners. She thanked staff for the excellent Festival in the Park and Gospel Life Church for cleaning up afterwards, it is a big job and they are a wonderful organization. She stated that it has been a privilege working with Ben, he is a true family man. She is proud to work with him since June 26, 1993. He has been nothing but professional and she thanked him for his dedication and wished him well in his future; she can only see bright things happening to him. She concluded her comments by noting tomorrow she will be celebrating her 25th Anniversary of being on the Council and this is one of the saddest days she has had.

Councilman Soltis thanked the Senior Center Advisory members for attending this evening. He stated that he always enjoys taking seniors to Lansing every year. He announced that Oakland County now has a program for seniors that need homecare. There is a short window of opportunity, please contact him for more info. He thanked Ben Myers for all of his hard work, dedication, and service. He stated that he appreciated Ben giving him an internship when he was in Graduate school.

Mayor Hartwell thanked DPS, Police and Fire departments for their hard work at the Festival in the Park. The event is a draw for the whole region and it takes a lot of effort. He thanked Ben Myers for his 26 years of service to Madison Heights, noting he has worked in many roles in the City and has had a hand in major historic City projects, including the reopening of the Nature Center at Friendship Woods, helping to modernize operations at the DPS, was instrumental in signing the first multi-year solid waste hauling contract, helped us pull through the Great Recession, establishing the Employee Wellness Center, pension bond sale, leader of the City's bargaining team, and maintaining our credit rating. He truly helped Council respond to times of change in our City and took our ideas and turned them into a solution. He transformed some of the ways we address public safety, by expanding undercover operations and upgrading our fire engines to Advance Life Support; he leaves a legacy of professionalism, creativity, support, safety, and innovation in the way the City operates. He

thanked Ben for his time and dedication to the City and he wished him the best.

City Manager Myers thanked Council for their kind words. He stated that the City will be in outstanding hands with Melissa Marsh as the Acting City Manager. He stated that it has been an honor and privilege to serve the City for the past 26 years and more important than the time, it has been an honor to work alongside with such a dedicated hardworking and professional group of Department Heads, City employees, outside contractors, multiple Councils, volunteers, and our friends from other communities where we have helped each other along the way. He stated he is proud of the team's accomplishments, and working together as a staff to get things done. He wished Council and the community all the best.

CM-18-238. Meeting Open to the Public.

George Stephens, 28777 Groveland, stated the City of Hazel Park flies the rainbow flag, something that they have been more emboldened to do than Madison Heights. He stated that he demonstrates in public at various locations against the prospect of having a gay pride parade. He was totally blindsided by the Pride Month and wearing orange for Gun Awareness Month because he does not need to be preached to by City Council. Mr. Stephens indicated the City Offices were very helpful in providing him a copy of the resolution, two days after it was in print in the C & G newspaper. He continued saying that as a bible waving Christian and Orthodox Catholic, he does not use the word pride at all in that sense, because, pride is the capital of all sin. Mr. Stephens then showed a poster board with symbols for many things such as homosexuality, group marriage, pedophilia, etc. He also stated that he would be back in two weeks and he feels that because President Trump did not declare this LGBTQ+ Month that this is was part of the City Council's motivation to do so.

CM-18-239. Consideration of Credentials for City Manager Search Firm.

City Council interviewed three executive search firms to handle the recruitment for the next City Manager. These firms were AmyCell Talent, GovHR USA and Strategic Government Resources (SGR). These interviews took place in alphabetical order, and professional courtesy was asked of the firms to please leave the room while the other firm's interviews are taking place.

Amy Cell, of AmyCell Talent, gave a presentation of what the search firm does and can do to aid the City with its search for the next City Manager. She provided 10 reasons why she is a good fit for the job. She also provided each Council member with a packet of information about the company and the proposal. Councilmembers asked questions of Ms. Cell regarding how she goes about searching for a good fit for the position. Ms. Cell answered the questions and provided further information about how the firm recruits, analyzes, vets, and gathers a variety of information about each of the candidates.

Next, GovHR USA representatives, Heidi Voorhees and Jaymes Vettraino, provided a presentation of their firm. They provided information about the process that they go through to gather candidates for the position of City Manager. A packet proposal was presented to each Council member with information about their firm and the information they use in searching for candidates. Councilmembers asked many questions of the presenters, which they answered and closed their time with thanks for allowing them to present their proposal.

Last, Strategic Government Resources (SGR) representative, Ron Holifield gave a detailed presentation on how SGR conducts their search for executive positions. He also explained how the firm advertises, gathers, and vets the candidates that would be selected to be presented to the Council for interviews for the position of City Manager. Councilmembers then asked questions and had an open dialog with Mr. Holifield about more details on how his firm can find good candidates for our City.

CM-18-240. Parcel Redevelopment Program.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve the purchase agreements with FPJ Investments and HP SNAP Investments to purchase and redevelop the 14 available properties, dividing 7 properties to each developer in an alternating pick system, and pending legal review of the purchase agreements.

Councilman Soltis asked each company how long they had been in business and how long they have been doing this type of work; what type of difficulties they both encounter; and what other communities that they have worked in. James Budziak from FPJ Investments and Jake Woods from HP SNAP Investments both answered the Councilman Soltis' questions.

CM-18-247. Mayor and Council - Comments.

Councilman Corbett thanked and congratulated the professionals who were recognized with the Police Commendations.

Mayor Pro Tem Bliss stated that the single most important thing that this Council will do is selecting the next City Manager. The City Manager handles the day-to-day operation, is the face of the City; manages the entire City staff as well as making sure that the commitments of the City and Councilmembers are upheld. He continued stating that he appreciated the openness of the

process and enjoyed listening to each of the firm's presentations. Secondly, he presented for the Arts & Culture Board t-shirts that have a graphic of the manhole cover of one of the member's front yard. The proceeds of the shirts go to adding more Arts & Culture programming into our community. The cost is $20 and come in many sizes and colors. Finally, he requested that his microphone be checked.

Councilman Gettings stated that June was Recreation Month and everyone should plan some time for themselves because everyone must recreate. Thank you to the Police Chief, DPS Director, and Acting City Manager/Treasurer for doing such a great job. He also wanted to say that Tom Masterson, who was very involved with the Little League Baseball, passed away and his funeral will be tomorrow. Mr. Masterson will be missed dearly.

City Attorney Sherman had no comments this evening.

Acting City Manager Marsh had no comments this evening.

Acting City Clerk Sanchez stated that anyone who needs an absentee ballot for the August 7, 2018 Primary Election can apply for one at the City Clerk's Office during regular business hours.

Councilor Grafstein had no comments this evening.

Councilwoman Scott stated that there are two events coming up at the Active Adults Center. Monday, July 23, 2018 an Ice Cream Social is being held from 1-2:30 p.m. The cost is $2 per person and the celebration is in honor of July being National Ice Cream Month. Last day to sign up is July 18, 2018. Next, Thursday, July 26, 2018 from 9 a.m. - 12 noon there will a Christmas in July event. Come and get your Christmas shopping done and the Center is taking donations of items to be sold at the event. Also, Joy Davids was a big help in writing the Madison Heights Book, and she and her husband Leroy will be celebrating their 70th wedding anniversary on July 29th and she would like the City to acknowledge the anniversary with a proclamation that she can present to them.

Councilman Soltis gave a shout out to the men and women in the blue and black who do a fantastic job day in and day out and he appreciates everything they do. Also, he stated that he drove by the new splash pad in Sterling Heights and it's fantastic. He was totally amazed that it's completely packed every time he has driven by and thinks that Mayor Pro Tem Bliss is on to something.

Mayor Hartwell thanked the Police Chief for bringing to our attention the wonderful deeds of service that the Police Officers, Reserves, Chaplin and members of the public contribute to our community. He continued by thanking

City Council for maintaining the public integrity during the City Manager hiring process. Lastly, there is a non-profit group called the Council of Asian Pacific Americans who will be hosting an Asian Festival on August 4, 2018 from 11:00 a.m. – 6:00 p.m. at the UFCW Union Hall on Horace Brown. There will be approximately 80 exhibitors from a variety of Asian countries and backgrounds.

Special Meeting
Madison Heights City Council
Madison Heights, Michigan
July 23, 2018

A Special Meeting of the Madison Heights City Council was held on Monday, July 23, 2018 at 6:34 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott and Soltis. Acting City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

Absent: None.

CM-18-249. Meeting Open to the Public.

Martha Kehoe, stated that she believes the City does not have to hire a firm to hire a City Manager because we already have a very qualified person who can fill the position and she thought the City hired from within. She doesn't think we should spend taxpayer's money when we already have a qualified candidate.

CM-18-250. Discussion Regarding Recruiting Process/Firms for the City Manager Position.

Mayor Hartwell led a discussion on the process for hiring a firm for the search and recruitment of the next City Manager. He stated that the meeting is an open forum for Councilmembers to figure out what direction they may wish to take.

Special Labor Counsel Brandon Fournier stated that approximately 3 weeks ago, Special Labor Counsel provided information to City Council regarding City Manager search firms that are available in Michigan. He noted that the vast majority of City Manager searches are conducted by the Michigan Municipal League; however, all three of the firms referred to Council have been active in City Manager searches.

Mayor Hartwell noted that there were three firms that made presentations to Council; Amy Cell, GovHR and SGR and each had unique qualities as well as downsides to them. SGR is the biggest firm based out of Texas and had extension background checks. The smallest company Amy Cell, doesn't have as much experience but they will definitely give the City personal attention. The midsize firm, GovHR, does have local connections. Two firms stated the

project will take over 100 hours of work. This includes forming a job description, interviewing staff and Council, canvassing the country for potential candidates, reviewing applications and narrowing down the choices, interviewing, and final contract negotiations. He stated that at this time he had no preference.

Mayor Pro Tem Bliss added that the firms are very different from one another; what we would be the benefit from each would vary depending on which firm is selected. Amy Cell would give us more personal attention and focus. She had the highest percentage of candidate pool that she personally searched. GovHR has a former local City Manager, and both GovHR and SGR would benefit us from a more detailed analysis of each candidate's profile. City Council has to determine what we want.

Councilwoman Scott requested that before Council moves forward, it has to be transparent on how much this search is going to cost the City.

Councilman Gettings stated that Councilwoman Scott has a good point. This search may cost somewhere between $20,000 to $30,000 and that is a lot of money when we already have someone qualified. Before we spend money, we should look at ourselves and the person who is qualified right in front of us.

Councilwoman Scott added that she is not saying that these firms are not worth the price, but Council first has to determine what we want in a City Manager. Until then, she is not comfortable hiring a firm and spend money that is not included in the budget

Mayor Hartwell noted that Amy Cell's cost was $17,000, GovHR $22,000 and SGR was $28,000. The cost range is approximately between $17,000 to $28,000; or the City can do it on our own; however we are looking at over 100 hours of work which would fall on Council or the City Attorney to do. He asked Council to specifically talk about what direction they wish to follow.

Councilman Corbett stated that he believes that this type of job is beyond the City's scope and we want to put a professional face on the City Manager search. He stated he could accept any of the three firms; however, if he had to pick one, SGR would be his preference.

Mayor Pro Tem Bliss stated that while he is always a proponent of saving money, this is not an area where you save money. He continued stating that the City has historically had managers for a long period of time, and making the right hire, is an investment we have to make. Doing it without professional help is possible, but we would still spend attorney fees and staff time. His preference is SGR and then Amy Cell; however he would be okay with either.

Councilman Soltis stated that he didn't like any of the firms. GovHR appeared to inflate their numbers, SGR is too big and from Texas, too remote from here and Amy Cell, seemed knowledgeable but with limited experience, but if he had to choose he would pick first one.

Councilor Grafstein agreed that regardless of who we choose, we have to know what we want in a City Manager. This is what we have to do so the firm will know what to look for. She stated that her preference was for Amy Cell. She has local people that are familiar with issues from this area, will be more personalized and is based in Michigan.

Mayor Pro Tem Bliss stated that he too is very comfortable with Amy Cell, the only thing he felt she was lacking was in the psychological profiling area. He stated that he would like Council to ask her what additional profiling and psychological assessments can be done. Councilor Grafstein added that this type of assessment would only be done on a few final candidates.

Special Labor Counsel Fournier noted that the City's Human Resources does have psychological evaluations for hiring purposes and can do other types of testing as well. This is done through a third party vendor.

Mayor Pro Tem Bliss requested a comparison of what evaluations SGR can provide as well as the in-house vendor.

Councilman Soltis stated the he would like to see a more active approach in regards to recruitment. There should be a balance between seeking resumes and recruiting. Mayor Pro Tem Bliss stated that he believed Amy Cell had a more active approach and in their Holland search, approximately 25% of her candidates were passively found. This firm is more aggressive in seeking candidates than the other two.

City Attorney Sherman stated as a point of information, the selection of a firm could be added to tonight's meeting or to a future Council meeting. There will be four votes required to select the firm and five votes to approve the expenditure of money because it is not previously included in the budget.

It was the consensus to obtain additional information, including a draft contract from Amy Cell as well as analysis from staff regarding psychological assessments and to possibly consider the matter at a meeting in August.

Without objection, Mayor Hartwell adjourned the Special Council Meeting at 7:25 pm.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
July 23, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, July 23, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott and Soltis. Acting City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

Absent: None.

The invocation was offered by Councilwoman Scott and was followed by the Pledge of Allegiance to the Flag.

CM-18-251. 2018 Madison Heights Police Department Bike Rodeo Winners.

Police Chief Haines presented the winners of the 2018 Police Department Bike Rodeo Raffle their new bicycles, and he thanked the Michigan Schools and Government Credit Union (MSGCU) for sponsoring the purchase.

CM-18-252. 2018 Summer Beautification Awards.

DPS Director Vitali announced the winners of the 2018 Summer Beautification Awards who were selected by the Active Adult Center Advisory Board. He then gave a PowerPoint presentation of the winner's beautiful displays. This year's award recipients were:

Sabah and Ann Kado – 30749 Blairmoor
James and Mary Brown – 29651 Sherry
Laura Kosnak – 29651 Sherry

CM-18-253. Meeting Open to the Public.

Mark Holcomb, 628 W. Brockton, inquired about the Madison School District development of Monroe Park, and stated that it was his understanding that the City was interested in the property and wanted to know why the City did not get an opportunity to purchase it.

George Stephens, 2877 Groveland, stated that he had some materials regarding abortion he wished to give to City Council. October is Respect Life Month in the Catholic Church and in the Orthodox and Evangelical church, January celebrates the Sanctity of Life. He requested that Council not pass any resolution in support of Planned Parenthood initiatives during these months.

Madison District Superintendent Randy Speck stated that school starts two weeks from tomorrow and the District is now on a balanced calendar schedule. He spoke regarding the development on the old Monroe site. He stated that in October 2008, the City approved a Community Development Block Grant for the then Superintendent to work together with the City. The City was to redevelop a portion of the property to put a play scape on and tear down the old building. The school district would sell and redevelop an acre of property. The purposes of his comments are to remind Council that they were supportive of development of site. He asked that the City support the development of new homes and new programming in District and invited Council to visit and talk with the District.

Cindy Holder, 901 E. Lincoln, stated that she was not sure what Mr. Speck stated was the intention of the City; however, the process is what residents are questioning. A no-bid sale being awarded to the School Board President's friend is the issue. Matters like this have to be done legally and above board. People don't always agree on policy, but the legal process has to be followed. With the Halfman property, enough people protested and it did not get sold. Mr. Speck promised to have a townhall and that never happened. People are angry and wanted to present the other side.

Alexander Marr, 27129 Alger, stated that the deal was etched in stone with the City and the School District inherited the property. He stated he would talk to Councilmembers separately and not at tonight's meeting under public comments.

CM-18-254. Police Department Vehicle Replacements.

Motion by Councilman Corbett, and seconded by Councilman Gettings, to approve the purchase of one 2018 GMC Terrain from Todd Wenzel Buick GMC at a unit price of $26,582, and one 2018 Dodge Durango SXT at a unit price not to exceed $28,214 from Galeana's Van Dyke Dodge. Amendment to the Code of Ordinances

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 17, Article VII, Sections 17-138 through 17-141 and Sections 17-143 through 17-144 of the Code of Ordinances, City of Madison Heights, Michigan, to regulate firearms in the City to protect the public health, safety and welfare.

Discussion followed on the inclusion of air-soft and pneumatic guns in the amendment. It was the consensus for the City Attorney to review State Law Act 29 of 2015 and any other pertinent legislation as guide in finalizing the proposed amendment and to recommend any changes necessary to be compliant with State law for the Second Reading.

CM-18-265. Mayor and Council - Comments.

Councilman Corbett commented that he believed the conversation in the Special Council meeting went well, and hopefully City Council will be able to soon move forward on the City Manager selection process. He noted that he has officially graduated from Beaumont cardiac rehab.

Mayor Pro Tem Bliss echoed Councilman Corbett's comments regarding the Special Council meeting. He continued that he believed it to be a very

productive meeting, with great dialogue on the process of vetting out how to go about hiring our next City Manager. Council is moving forward and doing our due diligence. He stated that he was enthusiastic about the Beautification Awards and the Bike Raffle winners. He stated that he is glad to see the return of the Beautification Awards. He thanked MSGCU for their sponsorship of the bicycles and staff for their participation. He also thanked the Active Adult Center Board for their participation with Summer Beautification Awards. He stated that there is a Primary Election coming up, and he reminded voters that they must pick a party and vote only that party in this election. On September 9th in Civic Center Park, the Madison Heights Arts and Culture Advisory Board is sponsoring a "Walk thru Time." This will be a Street Performance Art Fair and performers will be dancing to all decades of music, providing historical information, and there will be food. More information can be found on the Madison Heights Arts and Culture Advisory Board Facebook page, please follow us. He stated that the group is looking for community to adopt a decade and historical artifacts as well. It will be a great experience. If you are interested, please email him or see him after the meeting to get involved.

Councilman Gettings stated that it is the volunteers of this community that make Madison Heights what it is. He stated that he would like to re-start the Volunteer Dinner to honor the volunteers, perhaps as a future goal.

City Attorney Sherman congratulated the award winners as well as the DPS Director and the Active Adult Center Board for their participation in the Beautification Awards.

Acting City Manager Marsh announced the kickoff of the Citizens Academy. The Citizens Academy will be 8 weeks long, on Wednesdays, for 1-1.5 hours. If you are interested in participating, the application is online and on the City's Facebook page.

City Clerk Printz reminded voters that the upcoming August 7, 2018 Primary Election is a partisan election, meaning you can only vote for one political party and then the proposition section of the ballot. This election's ballot includes the Republican, Democrat, and Libertarian parties, and only one party can be voted in order for that portion of your ballot to count. She reminded voters in Precinct 2 that their polling location has been moved from the Edison/Keys Grace Academy to the Korean First Central United Methodist Church located at 500 W. Gardenia. The last day to request an absentee ballot by mail is Saturday, August 4th at 2:00 p.m. If you would like an application please contact the City Clerk's office.

Councilor Grafstein thanked the participants of the Beautification contest and congratulated to the kids who received the bikes. She encouraged citizens to take a look at and participate in the Citizens Academy.

Councilwoman Scott stated that she was an appreciative learner in the first Citizen Academy the City held. It is a very interesting and educational experience and helps to understand how the City functions. She thanked the Active Adult Center Board for their participation in the Awards this evening, and stated that she appreciates anyone who beautifies their lawns. A Dream Cruise party will be held at the Active Adult Center on Monday, August 20th from 1-3 p.m. The cost is $6 for residents and $8 for non-residents. She concluded her comments by thanking the seniors for all that they do.

Councilman Soltis congratulated the Police Chief and Deputy for the Department apprehending an arm robbery assailant at a 7-11 store. He stated that he went on a ride-along with an undercover officer and they were out approximately 3 to 4 hours and it was an eye-opener. The City is having a huge problem in our hotels and it is a fight to regain that portion of our City. We are doing a lot about it, working with the FBI, adding a Detective on staff, joining the Troy SIU, but he wanted to let everyone to know that it is a fight. Since implementing these changes, we have been successful in helping address the issue, but it is not going to go away on its own. All of Council supports the police, and Council is looking at a hotel ordinance to add to the tools that the police can use.

Mayor Hartwell stated that the most important acts that City Council does are related to public safety. He commended Councilman Soltis for being a leader on this front, noting that it is important that Councilman Soltis continues to remind the community of these issues. He thanked Chief Haines for coming up with new ideas and being innovative. He stated that second on the resident complaint list is Code Enforcement. There is a need to meet the demand of residents and to help prevent blight in the neighborhoods. Council has adopted a budget with an additional Code Enforcement position. Staff has developed a new Code Enforcement policy. These are some of the areas that Council wants to address. He cautioned that there may be growing pains with a new policy. The new position and policy are steps in right direction and it is about public safety, and maintaining property and housing values. He thanked everyone for attending tonight, stating it was nice to see the Madison Public Schools Superintendent and Board members. We all want the same general outcomes, more people to live, visit and work in City. Madison Heights is special because we have a lot of ideas and people willing to share and express those ideas. He thanked everyone for attending the meeting tonight.

CM-18-269. Public Hearing - Special Approval No. 18-05, 32714 Townley.

Acting City Manager Marsh reviewed the proposed Special Approval No. 18-05.

A public hearing was held at 7:35 p.m. to hear any comments pertaining to the proposed Special Approval 18-05, to allow for a new auto detailing facility in the M-1 District at 32714 Townley.

Seeing no one wishing to speak, the public hearing was closed at 7:36 p.m.

Motion by Councilman Corbett, seconded by Councilwoman Scott:

WHEREAS, a Special Approval Board application has been received from Kawnag Shaba of Formula 1 Service Center located in the M-1 District; and:

WHEREAS, a public hearing was published in the Madison Park News on July 25, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION: 32714 Townley

REQUEST: Special Approval to allow an auto detailing facility in the M-1 District under Section 10.329(6) of the Zoning Ordinance.

EXISTING ZONING: M-1 – Light Industrial

EXISTING USE: Vacant Industrial Building

STAFF ANALYSIS:

1. Special Approval is required to allow a new auto detailing facility in the M-1 District.

2. The applicant owns the used car dealership at the southwest corner of 14 Mile and Townley. He is seeking approval of this facility to conduct automotive inspection and detailing at this location in conjunction with that operation.

3. The landscape plan meets ordinance requirements.

4. Hours of Operation:

   Monday – Saturday: 10:00 am – 5:00 pm

5. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed.

Should City Council approve this request, the following conditions are recommended:

a. No parking of any vehicles north of the building.
b. No exterior storage / parking of vehicles awaiting service on-site or on Townley.
c. No bump & paint or heavy vehicle repair work permitted.
d. No exterior storage of any trash, tires or auto parts.

NOW, THEREFORE, BE IT RESOLVED that the Madison Heights City Council, acting as a Special Approval Board in accordance with Section 10.329(5) of the Zoning Ordinance, hereby approves an auto detailing facility under Section 10.329(6) of the Zoning Ordinance at 32714 Townley, with the following conditions:

a. No parking of any vehicles north of the building.

b. No exterior storage / parking of vehicles awaiting service on-site or on Townley.
c. No bump & paint or heavy vehicle repair work permitted.
d. No exterior storage of any trash, tires or auto parts.

CM-18-271. Meeting Open to the Public.

Gloria Moore, 27368 Dartmouth, stated the Friends of the Madison Heights Area Senior Citizens next meeting will be August 21, 2018 at 7:00 p.m. at Oak Street Health, 1142 E. 9 Mile, Hazel Park, 48030; all are welcome. She also invited the public to a Community Pot Luck on August 26th from 5-8 p.m. at Oak Street Health.

Attorney Karie Boylan, Boylan Law PC, 410 W University Suite 201, Rochester, spoke on behalf of the former owner of 119 E Brockton, her sister, Kathryn Bauss. She stated that this property was part of the City's Parcel Redevelopment Program. She stated that the program is a good one with a valid purpose of increasing property values. She spoke to the circumstances regarding the tax foreclosure on her sister's home and suggested that there is a due process and fairness issue. She suggested contacting homeowners or posting a notice on the property prior to foreclosures being purchased by the City. She stated that she has been in communication with the current owner of the property and she asked if the City could intervene on her sister's behalf and assist in helping to get her house back. Assistant City Attorney Sherman noted that there is a case currently pending in the Oakland County Circuit Court regarding this matter and the property in question was an investment property, not the owner's principal residence. He noted that the owner entered into a payment plan and failed to make the proper payment and that Madison Heights no longer owns the home; it has been deeded to the developer. He

added that at this time, there really is no action the City Council can take. Kathryn Bauss, 42475 Schoenherr, Sterling Heights, tried to clarify the situation regarding her payments and asked that the City help her with the contractors so that she can work something out.

Randy Kenney, 122 E. Kalama, asked for an open discussion about marijuana in the City. He stated that he can't have a rooster but he could have 72 marijuana plants. He stated that the smell is overwhelming and he wants a discussion on the topic. People are putting these grow areas in their garages and basements and the electricity needs are great, yet he can't have a pot belly pig. He requested common sense regulation, but specifically, the smell needs to be address and wants regulation and rules that people have to follow.

Walter Kaufman, stated that you have to be a licensed landlord to collect rent or evict a tenant. He stated that he has been evicted improperly from 26330 Delton and he has been told there is no landlord license and therefore, they they are not in compliance with City rules. He stated that he believes you should go to court in the City where the eviction is taking place. He stated that he was on disability, a single father, and was evicted when he shouldn't have been evicted at all. While he is not sure what can be done, this is an unlicensed landlord and he wants nobody else to be put in this situation. He also stated that his former landlord is stealing his mail and packages and running the home as a boarding house.

CM-18- 272. Addition to the Agenda.

Motion by Councilman Gettings, second by Councilwoman Scott, to further look into the situation regarding 119 E. Brockton, and try to help Ms. Bauss and guide her in anyway.

Secondary Motion:
Motion by Councilman Corbett, seconded by Mayor Pro Tem Bliss, to postpone the question indefinitely.

CM-18-274. Amendments to Code Enforcement Fee Schedule.

Motion by Mayor Pro Tem Bliss, seconded by Councilor Grafstein, to amend the City's Fee Schedule to implement the graduated fee schedule for weeds, snow and junk/debris removal, as follows:

Weeds / High Grass

Weeds / High Grass complaints / violations shall be responded to by code enforcement with the following process:

1. *Code enforcement shall inspect all weed / high grass complaints and observed violations shall be responded to with a written notice allowing 3 days to abate the violation.*
2. *Responsible parties that fail to mow will be placed on the city contractor's mow list and the property will be mowed at the property owner's expense in accordance with the following schedule:*

First Offense:	*$100 + Actual Contractor Invoice (CURRENT)*
Second Offense (Same Growing Season):	*$200 + Actual Contractor Invoice (NEW FEE)*
Third or more Offense (Same Growing Season):	*$300 + Actual Contractor Invoice (NEW FEE)*

Snow

Snow complaints / violations shall be responded to by code enforcement with the following process:

1. *Code enforcement shall inspect all snow complaints and observed violations shall be responded to with a written notice allowing 24 hours to abate the violation.*
2. *Responsible parties that fail to remove snow will be placed on the city contractor's snow removal list and the property will be plowed at the property owner's expense in accordance with the following schedule:*

First Offense:	*$100 + Actual Contractor Invoice (CURRENT)*
Second Offense (Same Winter season):	*$200 + Actual Contractor Invoice (NEW FEE)*
Third or more Offense (Same Winter Season):	*$300 + Actual Contractor Invoice (NEW FEE)*

Junk / Debris

Junk / Debris complaints / violations shall be responded to by code enforcement with the following process:

1. *Code enforcement shall inspect all debris complaints and observed violations shall be responded to with a written notice allowing seven (7) days to abate the violation.*
2. *Responsible parties that fail to abate the violation will be scheduled for an automatic administrative hearing. If the violation is abated by the hearing date, the hearing will be cancelled and the enforcement action closed. If the violation remains, the administrative hearing shall afford the responsible party the opportunity to explain why the violation remains. Unless there are extenuating circumstances such as estate settlements, a ticket shall be issued if the violation remains 24 hours after the hearing.*
3. *Responsible parties that fail to remove junk / debris following issuance of a ticket will be placed on the city contractor's list to remove the debris following issuance of a warrant to do so at the property owner's expense in accordance with the following schedule:*

Clean-up/Debris Removal:

Public Right of Way	*$150 Administrative Fee + Actual Labor and Disposal Charges* *Repeat Offenders $250 Administrative Fee + Actual Labor and Disposal Charges*
Private Property	*$250 Administrative Fee + Actual Labor and Disposal Charges** *Repeat Offenders $500 Administrative Fee + Actual Labor and Disposal Charges**

**Warrant required prior to contractor authorization*

Community Development Director Schafer answered a series of questions from Councilwoman Scott regarding citizen notification of fee changes, time frame of enforcement actions, where City photographs of violations are stored and whether they are provided to the homeowner or tenant, how a warning is delivered, implementation of the new policy and notification process, how a time frame is calculated regrading ability to abate the violation, unlicensed landlords, the code enforcement investigation process, and the length of a landlord license.

CM-18-276. Resolution Denouncing Oakland County Executive L. Brooks Patterson's Recent Comment Regarding the Detroit Regional Chamber and the Regional CEO Group.

Motion by Councilman Soltis, seconded by Councilman Corbett, to adopt the following resolution:

RESOLUTION DENOUNCING OAKLAND COUNTY EXECUTIVE L. BROOKS PATTERSON'S RECENT COMMENT REGARDING THE DETROIT REGIONAL CHAMBER AND THE REGIONAL CEO GROUP

WHEREAS, Oakland County Executive L. Brooks Patterson recently accused the Detroit Regional Chamber and the Regional CEO Group of taking business from Oakland County to benefit the City of Detroit and made a derogatory comment when asked about his interest in joining the CEO Group; and,

WHEREAS, in response to a question about joining the Regional CEO Group, Oakland County Executive L. Brooks Patterson responded by stating, "Oh hell no. I'd rather join the Klan;" and,

WHEREAS, the City of Madison Heights concurs with the press release issued by the Detroit NAACP condemning L. Brooks Patterson's comment as "unwarranted, unnecessary, and most of all plain racist" and reminiscent of "George Wallace standing in the doorway at the University of Alabama in 1963 (to prevent black students from enrolling at the University) and saying, '*Segregation now, segregation tomorrow, segregation forever*;'" and,

WHEREAS, Patterson's Klan comment creates an unnecessary divisiveness between Oakland County and the City of Detroit instead of promoting regional cooperation and unity; and,

WHEREAS, the Tuskegee Institute has documented 3,445 lynching deaths (men, women and children) in southern states by the terrorist group known as the KKK and other white supremacist groups, from the time of reconstruction to the time of the Civil Rights movement; and,

WHEREAS, the City of Madison Heights calls upon all municipalities and counties to publically condemn Patterson's racist comment; and,

NOW, THEREFORE BE IT RESOLVED:

The City Council of the City of Madison Heights, on behalf of the residents of the City of Madison Heights, publically denounces L. Brooks Patterson's racist comment and categorically states that comments such as this one destroy regional cooperation and unity and create unnecessary divisiveness among all residents.

Discussion followed on whether adopting the resolution was an appropriate action by Council and whether it was a good use of Council time and energy,

the conduct of County Executive Patterson and the impact on African Americans, the need for a governmental body to speak out, historical context that needs to be taken into account, past offensive remarks by the County Executive, impact and result of the resolution should it be adopted, City expenses expended on the resolution, whether Council should judge other elected official or concentrate on running the City, the suggestion of obtaining a rebuttal from County Executive Patterson prior to voting on the resolution, and agreeing to amending the motion to exclude the paragraph stating he should resign from office.

Substitute Motion No. 1:

Motion by Mayor Pro Tem Bliss, to postpone the question until the next City Council meeting on August 27, 2018 and have staff send a copy of the proposed resolution to County Executive Patterson to afford him the opportunity for a rebuttal.

Motion was not considered due to lack of second.

Substitute Motion No 2:

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to postpone discussion on the proposed resolution until the next City Council meeting of August 27, 2018 so that alternate drafts can be written for Council's consideration.

CM-18-279. Ordinance No. 2125, Firearms Ordinance Amendment – Second Reading.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve on second and final reading Ordinance No. 2125, Amendment to the Firearms Ordinance, as follows:

ORDINANCE NO. 2125

CITY OF MADISON HEIGHTS,
OAKLAND COUNTY, MICHIGAN

AMENDMENT TO THE CODE OF ORDINANCES

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 17, Article VII, Sections 17-138 through 17-141 and Sections 17-143 through 17-144 of the Code of Ordinances, City of Madison Heights, Michigan, to regulate firearms in the City to protect the public health, safety and welfare.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 17, Article VII, Sections 17-138 through 17-141 and Sections 17-143 through 17-144 of the Code of Ordinances, City of Madison Heights, Michigan, are hereby amended in their entirety to read as follows:

ARTICLE VII. - CONTROL OF WEAPONS

Sec. 17-138. - Exempt persons.

All sworn law enforcement officers, certified by the commission on law enforcement standards, or its successor, and employed on a full-time basis as

a law enforcement officer by this state or a political subdivision thereof, while in the performance of their official duties, all reserve officers performing their official duties as reserve officers, court officers performing their official duties as court officers, animal control officers performing their official duties as animal control officers and active military personnel in pursuit of official duty are exempt from the provisions of this article, except those provisions concerned with hunting.

Sec. 17-139. - Definitions.

As used in this Article:

(a) "Firearm" means any weapon which will, is designed to, or may readily be converted to expel a projectile by action of an explosive.

(b) "Pistol" means that term as defined in section 222 of the Michigan penal code, 1931 PA 328, MCL 750.222.

(c) "Pneumatic gun" means any implement, designed as a gun, that will expel a BB or pellet by spring, gas, or air. Pneumatic gun includes a paintball gun that expels by pneumatic pressure plastic balls filled with paint for the purpose of marking the point of impact.

(State law reference MCL 123.1101)

Sec. 17-140. - Injuring property by reckless use of firearm, pistol or pneumatic gun.

It shall be unlawful for any person to, because of carelessness, recklessness or negligence, cause or allow any firearm, pistol or pneumatic gun under his control to be discharged so as to destroy or injure the property of another, real or personal.

(State law reference MCL 123.1104)

Sec. 17-141. - Reckless handling of a firearm, pistol or pneumatic gun.

It shall be unlawful for any person to recklessly or heedlessly or willfully or wantonly use, carry, handle or discharge any firearm or pneumatic gun without due caution and circumspection for the rights, safety or property of others.

(State law reference MCL 123.1104)
Sec. 17-141a. – Brandishing pneumatic gun, prohibited.

It shall be unlawful for any person to point, wave about, or display a pneumatic gun in a threatening manner with the intent to induce fear in another individual.

(State law reference 123.1103)

Sec. 17-143. - Discharge of firearms, pistols, and bow and arrow with penetrating tip prohibited; exceptions.

(a) It shall be unlawful for any person to discharge any firearm or pistol within the city, except in the lawful defense of his person or property, or as otherwise permitted by law.

(b) It shall be unlawful for any person to discharge a bow and arrow having a penetrating tip or head within the city, except in lawful defense of his or her person or property or as otherwise permitted by law.

(c) The discharge of a pneumatic gun is permitted within the city on or within private property with the permission of the owner or possessor of that property if conducted with reasonable care to prevent a projectile from crossing the bounds of the property.

(d) This section shall not apply to a funeral service, under the direct supervision of a licensed funeral director, for a member of any branch of the Armed Forces, a police officer or a firefighter. The firearm(s) discharged shall only be made by an active member or members of the Armed Forces, police or fire department in the discharge of their proper duties for the funeral service. The firearm(s) so discharged shall contain only blank ammunition incapable of discharging a projectile of any sort. The discharge of said firearm(s) shall only be made between the hours of 9:00 a.m. to 3:00 p.m. The licensed funeral director shall notify the chief of police or his authorized designee at least 24 hours prior to the discharge of any firearm(s).

(e) This section shall not apply to the police department firearm range or a business organization from maintaining and operating a duly licensed and authorized firearm, bow and arrow or pneumatic gun range located in the city, within a permitted zoning classification, upon special approval. Firearm ranges are expressly prohibited in any residential zoning district in the city.

(State law reference MCL 123.1103 and MCL 123.1104)

Sec. 17-144. - Declared contraband.

All firearms, pistols or weapons, declared to be illegal under state or federal law, carried, possessed or used contrary to the provisions of this Code or state or federal law are hereby declared contraband and are forfeited and shall be disposed of in accordance with state law.

(State Law reference MCL 28.434 and MCL 750.239)

SECTION 2. Repealer.

All ordinances or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

SECTION 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

SECTION 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

SECTION 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

SECTION 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and between the hours of 12:30 p.m. and 4:30 p.m. on regular business days.

CM-18-283. Mayor and Council - Comments.

Councilman Corbett had no comments this evening.

Mayor Pro Tem Bliss stated that he is happy the City secured the right search firm for the City. The process has been open and transparent. He also stated that he appreciated staff's work on the new code enforcement policy.

Councilman Gettings thanked Recreation staff for their work on the golf outing; they did a great job and it was well attended. He thanked the City Clerk and staff for their work on the election, noting that the new precinct seems to be working well.

Assistant City Attorney Sherman had no comments this evening.

Acting City Manager Marsh stated that the Citizen's Academy's first night will be September 19th and the deadline for signing up is August 24th. She noted that registration space is running out.

City Clerk Printz thanked the city, school districts and Korean 1st Central United Methodist Church for hosting the August 7th Primary Election. She also thanked DPS staff and the City Clerk's office for working tirelessly to get the job done. She expressed appreciation for the citizens who participated in the election and gave a special recognition all of the Election Inspectors for

working under difficult conditions, from the realistic fear of running out of ballots due to the limitation placed on ballot ordering by the Oakland County Clerk, high voter turnout, and some who worked 15 plus hours with no air conditioning on a very hot, humid day. Your efforts, hard work and dedication to making sure the City's election was administered efficiently are sincerely appreciated.

Councilor Grafstein echoed the sentiments of Councilman Bliss regarding the City Manager search process. She stated that one of the biggest issues citizens speak about pertains to rodent control. She stated that Ferndale has a group that does a presentation on rodent control without the use of poison, and she stated that she would like to have this group come and talk to our citizens as well.

Councilwoman Scott applauded the City Clerk and staff for their work on the election. She read from a press release issued by the area's City Clerks pertaining to the ballot shortage issues in the election. She stated that she likes to see good turnout and believes that voting is a civic duty, responsibility and obligation.

Councilman Soltis stated that the City Clerk did a good job on the election. He stated there was an apartment fire, and the results are devastating, but thank goodness no one was at the apartment during the fire. He stated that both the Police and Fire Departments did a fantastic job working together on the fire. He stated that he also appreciates everybody's time and dialogue on tonight's discussion on the resolution he requested be added to the agenda.

Mayor Hartwell asked if City staff can reach out to the City of Royal Oak about the development on Campbell. He also stated that there was constructive discussion tonight.

CM-18-287. Redevelopment Liquor License – Woodpile BBQ Shack Madison Heights, LLC - 630 E. 11 Mile Rd.

Motion by Mayor Pro Tem Bliss, seconded by Councilor Grafstein, to approve a Redevelopment Liquor License Resolution for Woodpile BBQ Shack Madison

Heights, LLC located at 630 E. 11 Mile Road, as follows:

City of Madison Heights
Development Liquor License Resolution

Whereas, in 2006 in an effort to promote economic development in qualifying communities, the Michigan Legislature passed Act 501, being Section 521a of the Michigan Liquor Control Code of 1998, being MCL 436.1521a, which established the criteria for Development Area Liquor Licenses; and

Whereas, through the provisions of Public Act 501 of 2006, as amended, the Michigan Liquor Control Commission (LCC) may issue new public on-premises liquor licenses in order to allow cities to enhance the quality of life for their residents and visitors to their communities; and

Whereas, Provisions of MCL 436.1521 a (1) (b) of the Act requires a resolution from the governing body of the community that established and certifies certain criteria, including a certification that the community has created a qualifying development area, and approving an applicant at a location within a development area before that applicant may apply to the Michigan Liquor Commission for a development area liquor license; and

Whereas, the Madison Heights City Council created the Madison Heights Downtown Development District by Resolution in 1998 which the Act defines as a qualifying development area, and

Whereas, Woodpile BBQ Shack Madison Heights, LLC intends to apply to the Liquor Control Commission for a development area liquor license for its new business located at 630 E. 11 Mile, Madison Heights, Michigan, and

Whereas, Woodpile BBQ Shack Madison Heights, LLC meets the statutory requirements for a development area liquor license as its business of dining, entertainment or recreation, will be open to the general public and will have a seating capacity of not less than 25 persons, and

Whereas, Woodpile BBQ Shack Madison Heights, LLC has provided evidence with its application that it can document the expenditure to the Michigan Liquor Control Commission, of not less than $75,000.00 in the rehabilitation or restoration of the building that houses the licensed premises over the preceding 5 years as required by the Act, and

Whereas, Woodpile BBQ Shack Madison Heights, LLC has been informed that final approval of a license at 630 E. 11 Mile, Madison Heights, Michigan will be subject to approval by the Michigan Liquor Control Commission and a background investigation and approval by this body; and

NOW, THEREFORE, BE IT RESOLVED, that City Council recommend for the reasons stated above that the Michigan Liquor Control Commission approve the request from Woodpile BBQ Shack Madison Heights, LLC for the issuance of a Redevelopment Liquor License under the Act, and

BE IT FURTHER RESOLVED, the City Council affirms that Woodpile BBQ Shack Madison Heights, LLC is within the established boundaries of the development district (Madison Heights Downtown Development District); and

BE IT FINALLY RESOLVED, that the City Council forwards a copy of this resolution to Woodpile BBQ Shack Madison Heights, LLC and the Michigan Liquor Control Commission.

CM-18-288. 2018 High Intensity Drug Trafficking Area (HIDTA) Subrecipient Agreement with Oakland County.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to approve the HIDTA Subrecipient Agreement between the City of Madison Heights and Oakland County, authorize the Acting City Manager and City Clerk to sign the agreement on behalf of the City, and approve the resolution, as follows:

CITY OF MADISON HEIGHTS
OAKLAND COUNTY, MICHIGAN

RESOLUTION OF SUBRECIPIENT AGREEMENT FOR THE SHERIFFS OFFICE NARCOTICS ENFORCMENT TEAM HIGH INTENSITY DRUG TRAFFICKING AREA (HIDTA)

WHEREAS, Oakland County as the legal entity that administers N.E.T., submitted an Initiative Description and Budget Proposal to the Executive Board for Michigan HIDTA requesting the United States Office of National Drug

Control Policy (ONDCP) to grant N.E.T. an award of $105,000 for program year (PY) 2018 to reimburse N.E.T. participating agencies for eligible law enforcement officer overtime costs; and,

WHEREAS, if ONDCP grants N.E.T. an award for PY 2018, the ONDCP disburses the HIDTA funds to the Michigan State Police (MSP); and,

WHEREAS, the County has the authority to allocate a portion of the Grant funds to reimburse a participating municipality for qualifying overtime costs subject to the terms and conditions of the agreement; and,

WHEREAS, the County requires any participating unit of government to approve the proposed Subrecipient Agreement by Resolution of the governing board of the local unit of government; and,

WHEREAS, the Oakland County Board of Commissioners has agreed to the attached Subrecipient Agreement; and,

WHEREAS, the City of Madison Heights desires to enter into the attached Subrecipient Agreement between the City and Oakland County; and

WHEREAS, Oakland County Corporate Council and the City of Madison Heights City Attorney's Office have approved the attached Subrecipient Agreement.

NOW THEREFORE BE IT RESOLVED that the City of Madison Heights City Council approves the attached Subrecipient Agreement with the County of Oakland and authorizes the City Manager and City Clerk to sign the agreement.

Special Meeting
Madison Heights City Council
Madison Heights, Michigan
September 10, 2018

A Special Meeting of the Madison Heights City Council was held on Monday, September 10, 2018 at 6:00 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott and Soltis. Acting City Manager Marsh, Assistant City Attorney Grochowski, and City Clerk Printz.

Absent: None.

CM-18-297. Meeting Open to the Public.

There were no public comments.

CM-18-298. Discussion on the City Manager Hiring Process.

Amy Cell, representing Amy Cell Talent, the City's City Manager search firm, presented to City Council an overview of the Talent Rubric for the City Manager search. The rubric includes top attributes of interest to the City's stakeholders, the bar for accomplishing these attributes, what ideal characteristics the candidate would have that demonstrate the attribute, and how to evaluate the candidate based on the desired attribute. She presented a draft of the job posting, noting that they tried to highlight the strengths of the City, identify potential issues the candidate may face, and the City's key competencies. A draft timeline was also presented.

In response to Councilwoman Scott's request, Ms. Cell stated that the requirement of holding ICMA and other related credentials will added to the job posting.

The timeline for the hiring process was discussed. Ms. Cell stated that Council would be presented 4-7 finalists on October 18th and her recommendation would be to interview 2-4 of those candidates. It was the consensus to move the press release of the final candidates from October 24th to October 29th to give Council more time to review the finalists.

Discussion followed on: the background check process for candidates; differences, if any, between City Council and City staff on desired City Manager key attributes; explanation of the process of narrowing down the

number of candidates considered for interviews; and the candidate recruitment process.

Ms. Cell explained Amy Cell Talent's vision of the interview process; there will be panels to evaluate the finalists which would include Councilmembers, City staff, and community stakeholders. It was Council's consensus to work together as one panel in the interview process, along with one staff and two community stakeholder panels. It was also the consensus to target November 9th as the final interview date.

Councilwoman Scott suggested that Amy Cell Talent utilize the Madison Heights Community Roundtable as an information and panel member source as well as a way to distribute information efficiently.

Ms. Cell stated that she will work with City staff to invite community stakeholders, citizen board members, and members of the Madison Heights Round Table to establish interview panels. She stated that in addition to advertising in the Michigan Municipal League classifieds, she also utilizes the International City/County Managers Association, personal contacts with City Manager resources, Zip Recruiter, social media, Indeed! as well as other sources to recruit candidates.

In response to Mayor Pro Tem Bliss's request, Ms. Cell stated that they will conduct a personality profile for the final candidates and she will also add video of candidate's recorded answers for Council to review when making their finalist selections.

Motion by Councilman Corbett, seconded by Councilman Soltis, to adopt Ordinance No. 2126, an amendment to the Code of Ordinances to license and regulate hotels in the City of Madison Heights, on Second Reading as follows:

ORDINANCE NO. 2126
CITY OF MADISON HEIGHTS
OAKLAND COUNTY, MICHIGAN

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by adding a new Article XV to Chapter 7 of the Code of Ordinances, City of Madison Heights, Michigan, to license and regulate hotels in the City of Madison Heights to protect the public health, safety and welfare.

THE CITY OF MADISON HEIGHTS ORDAINS:

Section 1. Amendment.

That a new Article XV is added to Chapter 7 of the Code of Ordinances, City of Madison Heights, Michigan, to read as follows:

ARTICLE XV. - HOTELS

Sec. 7-270. - Definitions.

For the purpose of the provisions of this chapter, the following words and phrases shall be construed to have the meanings herein set forth:

(a) *"Call for service"* includes but is not limited to any and all calls to law enforcement or the fire department that result in a representative being dispatched or directed to the hotel. This shall include any calls for service within the surrounding neighborhood that, through information or investigation, can be traced to the hotel staff and/or registered guest(s) and/or visitor(s). Calls for service includes any self-initiated activity and/or investigation based on the observation(s) of an emergency services representative.

(b) *"Drug related arrest"* means any incident involving an arrest for violation of the Michigan Public Health Code, Act 368 of 1978, Article 7, Controlled Substances, MCL 333.7101 et. seq.

(c) "Gambling related arrest" means any incident involving an arrest for violation of the Michigan Penal Code, Act 328 of 1931, Chapter XLIV, Gambling, MCL 750.301et. seq.

(d) *"Guest"* shall mean any person that occupies a guestroom.

(e) *"Guestroom"* shall mean a sleeping room in a hotel designed and intended to be used as lodging as documented by the City Building Official or his or her designee.

(f) *"Hotel"* means a building or structure kept, used, maintained as, or held out to the public to be an inn, hotel, or public lodging house.

(g) *"Human trafficking related arrest"* means any incident involving an arrest for violation of the Michigan Penal Code, Act 328 of 1931, Chapter LXVIIA, Human Trafficking, MCL 750.462 et. seq.

(h) *"Hotel operation"* means the occupancy of any guestroom or use of any hotel facility regardless of compensation or remuneration.

(i) *"Manager"* means any person who, in connection with the activities of a hotel/motel, manages the business's operations, including but not limited to the collection of rental charges, issuing of keys, direction of maintenance personnel, assigning of rooms to guests, and handling guest affairs and overseeing security. The term shall also include resident manager and assistant manager.

(j) *"Minor"* means an individual under 18 years of age.

(k) *"Operator"* means any person who is the proprietor of any hotel, whether in the capacity of owner, lessee, receiver, sub lessee, franchisee, mortgagee in possession, manager or agent of any of the aforementioned, who offers and accepts payment for rooms, guestrooms, sleeping accommodations, or board and lodging, and retains the right of access to, and control of, the dwelling unit.

(l) *"Owner"* shall mean individual, partnership, company, firm, corporation, association, religious sect, society, organization, league, or other business entity, which is the record owner of real property as listed on the last equalized assessment roll as maintained by the Oakland County Assessor. It shall also mean any part owner, joint owner, or lessor of the whole or part of the land or buildings situated thereon.

(m) "*Prostitution related arrests"* include, but are not limited to, those that involve prostitution or prostitution-related crimes such as pimping or pandering, in violation of the Michigan Penal Code, Act 328 of 1931, Chapter LXVII, Prostitution, MCL 750.448 et. seq.

Sec. 7-271. - License required.

(a) *Business license required.* It shall be unlawful for a individual, partnership, company, firm, corporation, association, religious sect, society, organization, league, or other business entity to conduct business as a Hotel in the city without having first obtained from the City an annual business license under this Article and Chapter 7 of the Madison Heights Code of Ordinances that authorizes that person, corporation, or firm to conduct that business.

(b) *Fees.* The fee for a hotel business license shall be set by resolution of the city council. The required fee for each license shall be paid in full at the time of the submission of an application. No rebate or refund shall be made of any license fee or part thereof by reason of the death of the licensee or by reason of denial of the application, nonuse of the license or discontinuance of the operation of the hotel establishment. The fee shall include the cost of the required annual inspection by the Building Official, Fire Marshal, or designee(s) as required in Section 7-271(c) below.

(c) *Application.* Each individual, partnership, company, firm, corporation, association, religious sect, society, organization, league, or other business entity required to obtain a license from the City shall make application for said license to the city clerk in the form and manner prescribed by him/her and shall state under oath such facts as may be required for, or applicable to, the granting of such license as provided in Section 7-21 and Chapter 7 of the Madison Heights Code of Ordinances. The application shall include authorization for the City Building Official, Fire Marshal, or designee(s) to conduct an inspection of the interior and exterior of the entire premises, including all units, common areas and offices. Said inspection shall be for the purpose of determining compliance with the International Fire Code,

International Property Maintenance Code, Michigan Plumbing Code, Michigan Mechanical Code, National Electrical Code, Michigan Rehabilitation Code, International Swimming Pool Code and the Michigan Building Code.

(d) *Approval.* When approvals have been received from the police, fire, community development, treasurer's department, the county health officer and all other required agencies, where applicable, a business license shall be issued by the city clerk. The applicant shall not open the establishment to the public prior to the issuance of a business license.

(e) *Denial or Revocation of license.* In the event that an application is denied by a department based on grounds for denial contained in this Article and/or Sections 7-23, 7-27 or 7-32 of the Madison Heights Code of Ordinances, the clerk shall notify the applicant of the denial and advise the applicant of the right to appeal pursuant to section 7-33. In addition, a license may be revoked or denied for the following reasons:

(1) In addition to Sections 7-23, 7-27 or 7-32 of the City of Madison Heights Code of Ordinances, the City may deny any application for a new license, or renewal of a license, if any of the following are shown to have occurred at the hotel property:

(A) The applicant makes a material misrepresentation of fact on the application;
(B) The applicant or any owner of the hotel has been found in violation of this Article; or;
(C) Any Owner, Operator, Manager, desk clerk or any other person in charge of any hotel has been convicted of any of the crimes enumerated in the definitions of Section 7-270 herein.

(2) The City may deny any application for a new license, renewal of a license or revoke a license if the applicant is delinquent to the city, county or state for any taxes, or indebted to the city, county or state for any other reason unless the delinquency or indebtedness is the subject of pending litigation.

(3) The City may deny any application for a new license, renewal of a license or revoke a license if any of the following are shown to have occurred at the hotel property:

(A) The hotel has outstanding violations from the Health Department of Oakland County, Fire Department or the Community Development Department of the City of Madison Heights that have not been corrected, including but not limited to, violations regarding:

i. Bed bugs, cockroaches, rats, mice, flies, and any other insects or vermin;

ii. Mold;
iii. Heating, cooling, and ventilation;
iv. Water supplies, including drinking water and hot and cold availability;
v. Lavatories, baths, and sewage;
vi. Electricity, plumbing or mechanical
vii. Adequate lighting;
viii. Pools and spas;
ix. Housekeeping practices and policies;
x. Refuse removal;
xi. Defective locks;
xii. Non-functional smoke or fire suppression systems; or
xiii. Severe structural defects.
xiv. Zoning or International Property Maintenance Code.
xv. International Fire Code

(B) The hotel has outstanding violations from the Fire Department that have not been corrected;

(C) The hotel fails to meet accessibility requirements required by the Americans with Disabilities Act (ADA);

(D) The owner, applicant, operator, or manager has obstructed or interfered with correction of the violations, or is party to pending enforcement actions related to the hotel; or

(E) The applicant or any Owner, Operator, Manager, desk clerk or any other person in charge of the hotel has hindered or prevented any inspection of the hotel authorized by this or other applicable code or law.

(F) The applicant or Owner, Operator, Manager, desk clerk or any other person in charge of the hotel has previously violated this chapter by operating without a license.

(G) Such other relevant facts as the Chief of Police, or his designee, may discover or deem advisable or necessary in the course of the review of the application, renewal or revocation of the license, such as:

1. Criminal activity affecting the public health, safety and welfare;
2. Drug-related arrests;
3. Gambling related arrests
4. Human trafficking related arrests
5. Prostitution-related arrests;
6. Excessive number of Calls for Service.
7. Drug Overdoses
8. Child Neglect and/or Child Endangerment

(H) Noncompliance with Federal, State, and/or City codes.

(I) Any other conditions, problems, issues, concerns or facts that would be relevant to the protection of the health, safety and welfare of the public.

(4) In processing a revocation of a license under this Article, the Chief of Police, or his designee, shall prepare an investigation report that details the circumstances that have led to the requested revocation of the license. It may include any or all of the following that are applicable:

(A) Frequency or occurrence of violation(s), arrest(s), or call(s) for service;

(B) Seriousness of the violation(s), arrest(s), or call(s) for service in relation to its threat or impact upon public health, safety or welfare;

(C) History of the violation(s), arrest(s), or call(s) for service;

(D) Good faith efforts taken by the responsible party to correct, reduce and/or alleviate violation(s), arrest(s), or call(s) for service;

(E) Any activity, action or effort taken by the responsible party to obstruct or interfere with correction of the problem;

(F) The impact of the violation(s), arrest(s), or call(s) for service on the surrounding property and community;

(G) The financial impact to the City.

(f) *Appeal of denial or revocation of license.* Any applicant who is denied an initial or renewal license, or has a license suspended or revoked, shall be entitled to notice and a hearing before a hearing officer, appointed by city council, to determine if grounds for denial, non-renewal, suspension or revocation exist pursuant to the Procedure for Appeal as provided for in Section 7-33 of the City of Madison Heights Code of Ordinances.

(g) *Posting of license.* Any individual, partnership, company, firm, corporation, association, religious sect, society, organization, league, or other business entity licensed under this article shall display the city license, in a conspicuous location visible to the general public.

(h) *Term.* The term of license is one year from date of issuance, unless revoked for cause, and is not transferable.

(i) *Compliance with state law.* Any Manager, Operator or Owner shall comply with the terms of any and all applicable state laws including but not limited to, Chapter 427 of the Michigan Compiled Laws, Hotels, MCL 427.1 et. seq., in addition to the requirements of this Article.

Sec. 7-272. - Operating requirements.

(a) *Guest Register.* The Owner, Operator, Manager, desk clerk or any other person in charge of any hotel shall:

(1) Maintain a register in which shall be inscribed in ink, at the time of arrival, the correct name of every guest renting or occupying room or rooms;

(2) Together with the name in the register shall be inscribed the home street and city address of each guest and the make, year, state of registration and the license number of the motor vehicle in which each such guest arrived;

(3) The register shall also indicate the room, rooms or space rented or assigned to each guest and the date and time of arrival and date of departure of every guest, and the number of days each guest has been at the establishment during the calendar year.

(4) The police may request to inspect the register required under this section, provided however, if such request is refused by the Owner, Operator, Manager, desk clerk or any other person in charge of any hotel, inspection shall not occur without a search warrant.

(b) *Unlawful Registration or Occupancy.*

(1) No person shall knowingly write, cause to be written, or permit to be written in any register provided for by this Article any false, incorrect or inaccurate information.

(2) No person shall occupy any room, rooms or space in any accommodation until the information provided in Section 7-272(a) shall have been entered in the register therein provided for.

(3) Accommodations shall not be made available for a period in hourly increments, nor shall any accommodation be made available more than one time during the eighteen-hour period of 12:00 p.m. to the following morning at 6:00 a.m.

(c) *Identification required.* A hotel shall require that an individual provide photographic documentary evidence confirming the age and identity of an individual renting or leasing a hotel room or documentary evidence of the emancipation of a minor, including a motor vehicle operator's or chauffeur's license, a registration certificate issued by the federal selective service, a marriage license, or other bona fide documentary evidence of the age and identity of the individual or emancipation of the minor.

(d) *Minors.* A hotel shall refuse to rent or lease a hotel room to a minor other than an emancipated minor.

(f) *Loitering prohibited.* It shall be unlawful for any person to loiter on hotel property where one has no particular or legal purpose, including the parking of motor vehicles, without being a registered patron or registered guest of the hotel.

(g) *Sanitation.* Rooms must be kept clean and free from dirt, vermin, garbage and rubbish. Clean sheets, pillowcases and towels must be provided before a transient guest may occupy a bed previously occupied by another person. Each room of every establishment shall receive daily housekeeping/cleaning and inspection.

(h) *Cooking.* The cooking of food in or upon the licensed premises is prohibited, other than in a kitchenette facility in compliance with applicable codes and regulations, and approved by the proper authorities designated in those codes and regulations. The use of hotplates or similar equipment which can be utilized to heat or cook food is specifically prohibited. A notice to this effect shall be conspicuously posted in each accommodation.

(i) *Unlawful activities*. No Owner, Operator, Manager, desk clerk or any other person in charge of any hotel shall knowingly permit any accommodations and/or other location on the premises to be used for an unlawful purpose.

(j) *Occupancy*. Occupancy of a room shall be limited to the number of beds in the room, but in no event shall occupancy exceed more than two persons for every one bed.

Sec. 7-273. – Other remedies.
Nothing in this Article shall prohibit or limit the City from pursuing any and all available criminal or civil remedies, including, but not limited to, condemnation and civil forfeiture for maintaining a public nuisance or nuisance per se.

Section 2. Repealer.

All ordinances, or parts of ordinances, in conflict with this ordinance are repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. Severability.

Should any section, subdivision, clause, or phrase of this ordinance be declared by the courts to be invalid, the validity of the ordinance as a whole, or in part, shall not be affected other than the part invalidated.

Section 4. Savings.

All proceedings pending and all rights and liabilities existing, acquired or incurred at the time this ordinance takes effect, are saved and may be consummated according to the law in force when they were commenced.

Section 5. Effective Date.

This ordinance as ordered shall take effect Ten (10) days after its adoption and upon publication.

Section 6. Inspection.

A copy of this ordinance may be inspected or purchased at the City Clerk's office between the hours of 8:00 a.m. and 11:30 a.m. and between the hours of 12:30 p.m. and 4:30 p.m. on regular business days.

CM-18-310. Mayor and Council - Comments.

Councilman Corbett stated that he will hold office hours on Friday from 1:00 p.m. to 3:00 p.m. at the Library if anyone would like to discuss any questions or concerns. He thanked Ms. Cell for her firm's efforts on the City Manager search, and noted that the previous meeting had an interesting discussion and he thanked Council for their input.

Mayor Pro Tem Bliss welcomed Cadillac Straits Microbrewery. He stated that the City has just recently approved the Woodpile BBQ, and before that Madhouse restaurant. He commented that it was nice to see more choices and new establishments, and this is positive for the future of the City. He announced that the tentatively on November 8th there is going to be a reception for the public to meet the finalist of City Manager search process. This will be a great opportunity for the public to have input. He noted that the City boards are currently undergoing a review, including the structure, makeup, powers, number of alternate positions, and suggested that representatives from the boards have an opportunity to meet each other or increase communications with each other for cross collaboration.

Councilman Gettings had no comments this evening.

Assistant City Attorney Grochowski wished Mayor Hartwell a Happy Birthday.

Acting City Manager Marsh had no comments this evening.

City Clerk Printz stated that a new court ruling has eliminated straight ticket voting and this could increase your time in the voting booth. She encouraged citizens to take a minute and review the ballot online prior to coming to the voting precinct so they can be familiar with the ballot. She also stated that if you are eligible, the City Clerk's office can send you an Absentee Voter application and ballot.

Councilor Grafstein had no comments this evening.

Councilwoman Scott stated that Congressman Sandy Levin announced the Department of Homeland Security SAFER grant of $368,962 has been awarded to Madison Heights. She stated that Madison Heights was one of ten communities to be awarded the grant. She also stated that the September 12th Meet the Candidate night has been cancelled due to scheduling conflicts. She encouraged the public attend the viewing of *Angst*, which brings awareness of anxiety, at Lamphere High School on September 12th at 7:00 p.m. The event is sponsored by the Madison Heights Community Coalition, Madison District Schools and Lamphere Schools. On September 29th from 6:00 p.m. – 7:30 p.m., the Active Adult Center will host the Motor City Brass Band Community Concert. Payments are due on October 5th for the Apple Pie Fundraiser; the

cost is $12 per pie. For more information, please call the Active Adult Center at 248-545-3464.

Councilman Soltis read from a summary of the Auditor General's Performance Audit on Child Protective Services, noting they had 23 citations in 2-year span. He stated that he was dissatisfied with their performance. He stated that he would like to bring a resolution forward for a "Hit Free Zone" for facilities that are publically owned. Mayor Hartwell agreed to moving the resolution forward for Council's consideration at the next City Council meeting.

Mayor Hartwell stated that it is nice to see development of downtown, noting that it all started with joint City Council – DDA Townhall meeting, and each year there is more progress.

Others Present: Community Development Director Schafer, Fire Chief Lelito, Human Resources Director Misczak, Department of Public Services Director Vitali, Library Director Yerman, and Police Chief Haines.

Absent: None.

CM-18-312. Meeting Open to the Public.

Ray Gilson, representing the Fire Fighters Union, stated that he was present to be engaged in the process. He stated that last year was positive for the Fire Department, and he continued that he would like to see the department's minimum staffing increased in the future.

CM-18-313. Strategic Planning.

Mayor Hartwell opened the Strategic Planning meeting and thanked all the Councilmembers and department heads for their participation. He thanked Acting City Manager Marsh for her vision and initiating this process.

Acting City Manager Marsh provided an overview of the process and the goal of tonight's meeting. She stated that strategic planning is a best practice and she is hoping that it will lead to more open communication between Council and staff as well as be used in the future, on a multi-year basis. She reviewed the process and timeline and provided a brief overview of the strategic planning survey results from Council and staff. The results are the strategic areas of focus for the City's budgeting process, and include:

- Public Safety
- Infrastructure and capital assets
- Quality of Life
- Economic Development

- Financial Stability

At this time, each Department Head gave brief presentations of their department's successes as well as the following challenges and the needs of their departments, including:

City Clerk
- Staffing – change from one part-time to one full-time employee
- Record Retention of permanent records

Fire Department
- Minimum Staffing Levels – 3 additional firefighter positions
- Capital Equipment and the related high cost
- Infrastructure of Fire Station No. 2 – crumbling floor, leaking ceiling, failing HVAC, and not designed for a woman firefighter.

Library
- Staffing – Restore full time Youth Services Librarian position
- Staffing – Increase staff hours, including the possibility of additional full time positions
- Facility upgrades and improvements – implement draft project list with initial funding using reserved millage funds. Carpet replacement is scheduled for current fiscal year.
- Facility upgrades and improvements – rework staff workroom to allow staff to work off the floor with scheduled service desk shifts, providing better focus for materials ordering and program planning.

Community Development
- Record Retention of old records and blue prints
- Staffing – add one part-time staff to accommodate increased work load of new Code Enforcement policy and Hotel Ordinance
- Resources for possible Master Plan update
- Lack of Security at City Hall

Department of Public Services
- Aging Vehicle Fleet of the City
- Aging City Infrastructure
- Aging City facilities, including parks
- Unfunded Mandates
- Request to consolidate DPS office to Ajax location
- Staffing for Active Adult Center – change from one part-time to one full-time position

- Staffing for Recreation – add Recreation Supervisor and add Recreation Coordinator, keep a part-time Recreation Coordinator position
- Staffing for DPS – add three full-time equipment operators

Human Resources

- Need to promote the City's strengths more effectively
- Facilitation of employee training
- Mindful of adding staff without a long-term plan. We do not want to return to the need to downsize again.

Police Department

- Record Retention of old records
- Aging Infrastructure of Police Building
- Re-establishment of Special Investigations Unit
- Staffing levels at Dispatch – increase minimum staffing levels

Staff answered City Council's questions related to their departments. After the conclusion of the presentations and questions, Acting City Manager Marsh stated that there will be additional meetings necessary in order to complete the strategic planning process. The next scheduled meeting is on October 1, 2018, with the location to be determined.

CM-18-316. Fire Prevention Week Proclamation.

Acting City Manager Marsh read the following proclamation:

City of Madison Heights Fire Prevention Week Proclamation

WHEREAS, the City of Madison Heights is committed to ensuring the safety and security of all those living in and visiting Madison Heights; and,

WHEREAS, fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and

WHEREAS, home fires killed 2,735 people in the United States in 2016, according to the National Fire Protection Association (NFPA), and fire departments in the United States; and

WHEREAS, the majority of U.S. fire deaths occur at home each year; and

WHEREAS, working smoke alarms cut the risk of dying in reported home fires in half; and

WHEREAS, Madison Heights residents should install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home; and

WHEREAS, Madison Heights residents should listen for the sound of the smoke alarm and when it sounds respond by going outside immediately to the designated meeting place;

WHEREAS, Madison Heights residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

WHEREAS, the City of Madison Heights is dedicated to reducing the occurrence of smoke and fire spread within a public and commercially owned buildings; and recommends the regular inspection of the buildings Heating, Ventilation, and Air Conditioning ("HVAC") fire and smoke dampers systems;

WHEREAS, the 2018 Fire Prevention Week theme, "Look. Listen. Learn. Be aware – fire can happen anywhere" effectively serves to remind us that we need to take personal steps to increase our safety from fire.

NOW THEREFORE, BE IT RESOLVED, that City Council does hereby proclaim October 7-13, 2018, as Fire Prevention Week throughout the city and urges all residents to be aware of their surroundings, look for available ways out in the event of a fire or other emergency, respond when the smoke alarm sounds by exiting the building immediately, and

BE IT FURTHER RESOLVED, that all residents are encouraged to participate in the many fire safety activities being held during the Fire Department's open house at Fire Station 2, on Saturday, October 6, 2108 from 10 a.m. to 2 p.m.

Mayor Pro Tem Bliss, on behalf of City Council, presented the proclamation to Fire Chief Lelito.

CM-18-317. Meeting Open to the Public.

Donna Daling, 30294 Garry , homeowner and taxpayer, questioned why the City is paying an outside company to find a City Manager. She stated that she

believes that Ms. Marsh is doing an amazing job and the City does not need to look any further when we already have the best person for the job.

Michael Salley 25446 Miracle, stated that he distributed a copy of the Active Adult Center newsletter to Council and he invited the City Council members to come on over the Active Adult Center to see what they are about.

CM-18-318. Hit Free Zones Resolution.

Motion by Councilman Soltis, seconded by Councilwoman Scott, to adopt the Hit Free Zones resolution, as follows:

Hit Free Zone Resolution

WHEREAS, the City of Madison Heights supports safe, healthy and nurturing family relationships and environments throughout the life of all citizens in our community; and

WHEREAS, the use of corporal punishment to discipline children has proven to result in negative outcomes associated with such punishments, putting children at risk of developing increased aggression, antisocial behavior and mental health problems as well as physical injury; and

WHEREAS, ending violence against children can reduce the risk that any given child will suffer child abuse, or engage in criminal conduct as an adult or juvenile; and

WHEREAS, the Council believes that as a community committed to the well-being of children, the City can help prevent and lessen life-long consequences of violence by promoting the well-being of children and adults in our homes and community; and

WHEREAS, the Council designated all City-owned property and facilities as "Hit Free Zones," which are areas in which no adult shall hit another adults, no adult shall hit a child, no child shall hit an adult, and no child shall hit another child; and

WHEREAS, the purpose of the "Hit Free Zone" areas is to create and reinforce an environment of safety and comfort for all people who come in or on City-owned property or facilities; now therefore

NOW THEREFORE BE IT RESOLVED by the Council of the City of Madison Heights that

1. City-owned property and facilities shall be designated as "Hit Free Zone" areas and urge the City staff to install signage at City-owned property and facilities of Hit Free Zone.

2. Promote, throughout the community, informational brochures and local and online programs that are available to parents on alternative discipline methods.

Discussion followed on the reasoning behind the resolution, what the consequences would be for violators of the resolution and the use of the resolution as a deterrent, the cost of the signs to be placed on City-owned property and facilities, and the need for alternative discipline techniques. Councilman Soltis stated that the concept behind the resolution is to raise level of conversation regarding alternate types of discipline.

CM-18-319. Ordinance No 2127 – Recycling and Waste Disposal Amendment, Second Reading.

Motion by Councilor Grafstein, seconded by Councilman Corbett, to adopt Ordinance No. 2127, an amendment to the Code of Ordinances to regulate recycling and waste disposal in the City of Madison Heights to protect the public health, safety and welfare, on Second Reading as follows:

ORDINANCE NO. 2127
CITY OF MADISON HEIGHTS
OAKLAND COUNTY, MICHIGAN

An Ordinance to amend Ordinance No. 571, being an Ordinance codifying and adopting a new Code of Ordinances for the City of Madison Heights by amending Chapter 14, of the Code of Ordinances, City of Madison Heights, Michigan to regulate recycling and waste disposal in the City of Madison Heights to protect the public health, safety and welfare.

THE CITY OF MADISON HEIGHTS ORDAINS:

SECTION 1. Amendment.

That Chapter 14, of the Code of Ordinances, City of Madison Heights, Michigan, is hereby amended in its entirety to read as follows:

Sec. 14-1. - Definitions.

The following words and phrases, when used in this chapter, shall have the following meanings respectively ascribed to them:

"*Bulky waste"* means discarded furniture, appliances, tools and other goods, including tables, sofas, stoves, refrigerators, lawn mowers, and such other items as are commonly known as junk.

"Garbage" means rejected food wastes including waste accumulation of animal, fruit, or vegetable matter used or intended for food or that results from the preparation, use, cooking, dealing in, or storing of meat, fish, fowl, fruit, or vegetable matter. .

"Recyclable materials" means source separated materials, site separated materials, high grade paper, glass, metal, plastic, aluminum, newspaper, corrugated paper, yard clippings, and other materials that may be recycled or composted.

"*Rubbish"* means nonputrescible solid waste, excluding ashes, consisting of both combustible and noncombustible waste, including paper, cardboard, metal containers, yard clippings, wood, glass, bedding, crockery, demolished building materials, or litter of any kind that may be a detriment to the public health and safety.

"*Wood*" means trees, branches and associated leaves, bark, lumber, pallets, wood chips, sawdust, or other wood or wood product but does not include scrap wood, treated wood, painted wood or painted wood product, or any wood or wood product that has been contaminated during manufacture or use.

"*Yard clippings*" means leaves, grass clippings, vegetable or other garden debris, shrubbery, or brush or tree trimmings, less than 4 feet in length and 2 inches in diameter, that can be converted to compost humus. Yard clippings do not include stumps, agricultural wastes, animal waste, roots, sewage sludge, or garbage.

Sec. 14-2. - Enforcement of chapter.

(a) Authorized employees and representatives of the police department, the community development department, the fire department and the county health department are hereby authorized to issue citations or warrants to any person violating the provisions of this chapter.

(b) The director of the department of public services or his designee shall have the authority to promulgate rules and regulations concerning the implementation of this chapter and the design and availability of garbage, recycling and/or wood and yard clipping containers.

Sec. 14-3. - Authorized recyclable materials.

(a) Occupants of any dwelling, house, building or structure of any kind or description whatsoever shall separate authorized recyclable materials and place them in an authorized container, at the curb on their normal garbage pickup day and in the manner set out in this chapter, or for multiple dwellings at approved locations on the site in authorized containers. Authorized containers shall not exceed the gallon capacity or weight as defined by the current recycling and waste disposal contract, in effect and approved by the city council, and shall be published as provided in section 14-3(b).

(b) Due to the rapidly changing technology in the area of recycling, authorized recyclable materials and authorized containers may change from time to time based upon available markets, transportation vehicle sizes, pickup methods and by the current recycling and waste disposal contract, in effect and approved by the city council. To keep the public informed of the current authorized recyclable materials and authorized containers, the city shall on a regular basis distribute in newsletter form, or to be included with other information in an appropriate newsletter, details and listings of the current authorized recyclable materials and authorized containers. In addition, the city shall provide a leaflet containing a list and details of the current authorized recyclable materials and authorized containers, which leaflets shall be available for pickup by the public at the city clerk's office, the information desk at City Hall and the department of public services.

Sec. 14-4. - Garbage, bulky waste, rubbish wood and yard clippings, deposit in authorized receptacles; kind; placement, use.

(a) All yards, alleys, streets, vacant lots or other places in the city shall be kept free from garbage, bulky waste and rubbish. Garbage, bulky waste and rubbish shall be deposited in an approved container or placed for

collection as set out in this chapter. The occupants of any dwelling, house, building or structure of any kind or description whatsoever shall provide authorized containers that are covered and watertight with handles, for receipt of garbage and rubbish or shall have authorized containers compatible with the city-authorized mechanical handling equipment. Authorized containers shall not exceed the gallon capacity or weight as defined by the current recycling and waste disposal contract, in effect and approved by the city council, and shall be published as provided in section 14-4(b).

(b) Due to the constantly changing technology in the area of garbage, bulky waste and rubbish collection, authorized materials and authorized containers may change from time to time based upon available markets, transportation vehicle sizes, pickup methods and by the current recycling and waste disposal contract, in effect and approved by the city council. To keep the public informed of the current authorized garbage, bulky waste and rubbish materials and authorized containers, the city shall on a regular basis distribute in newsletter form, or to be included with other information in an appropriate newsletter, details and listings of the current authorized recyclable materials and authorized containers. In addition, the city shall provide a leaflet containing a list and details of the current authorized garbage, bulky waste and rubbish materials and authorized containers, which leaflets shall be available for pickup by the public at the city clerk's office, the information desk at City Hall and the department of public services.

(c) Occupants of any dwelling, house, building or structure of any kind or description whatsoever shall separate authorized wood and yard clippings and place them in an authorized container, at the curb on their normal garbage pickup day and in the manner set out in this chapter, or for multiple dwellings at approved locations on the site in authorized containers. Authorized containers shall not exceed the gallon capacity or weight as defined by the current recycling and waste disposal contract, in effect and approved by the city council, and shall be published as provided in section 14-3(d).

(d) Due to changing technology in the area of wood and yard clippings collection, authorized wood and yard clippings and authorized containers may change from time to time based upon available markets, transportation vehicle sizes, pickup methods and by the current recycling and waste disposal contract, in effect and approved by the city council. To keep the public informed of the current authorized wood and yard clippings and authorized containers, the city shall on a regular basis distribute in newsletter form, or to be included with other information in an appropriate newsletter, details and

listings of the current wood and yard clippings material and authorized containers. In addition, the city shall provide a leaflet containing a list and details of the current authorized wood and yard clippings and authorized containers, which leaflets shall be available for pickup by the public at the city clerk's office, the information desk at City Hall and the department of public services.

(e) No containers, garbage, bulky waste, rubbish, recyclable materials, wood, yard clippings or other materials to be disposed of in accordance with this Chapter, shall be placed in any public street, alley or other public place, or in a front or side yard, prior to 12 hours before the regular collection time, and said containers shall be removed from said places not later than 12 hours after collections are made.

(f) Containers and bulky waste on collection day shall be placed between the curb and the sidewalk unless otherwise authorized. The use of plastic containers will be permitted, provided, that tops of same are secured to prevent garbage, bulky waste, rubbish, recyclable materials, wood and yard clippings from spilling or otherwise escaping the confines of such containers. At no time will the use of paper bags be permitted, except to hold yard clippings or newspapers as set out in paragraph (g). Wood or yard clippings shall not be placed in plastic bags for collection.

(g) Stacks of newspapers or boxes may be placed at the curb without being in a container if said newspapers or boxes are placed in paper bags.

(h) Wood and small tree limbs, two inches and less in diameter, shall be collected only if they have been cut into lengths not to exceed three feet in length and tied securely into bundles not to exceed three feet in length and tied securely into bundles not to exceed three feet in girth. In lieu of this paragraph, brush chipping services are available as specified under paragraph (i) of this section.

(i) The city will provide brush chipping services upon request of the landowner or occupant of the premises. The fee for brush chipping services has previously been established by resolution of the city council. The individual making the request for services will be billed after the services are rendered.

If payment is not received within 30 days after the services are billed, the director of the department of public services shall make a sworn statement of said account and deliver the same to the city clerk. The city clerk shall certify them forthwith to the city treasurer. The city treasurer shall then enforce

payment for those services as prescribed in this chapter for the collection of special assessment.

Sec. 14-5. - Garbage to be drained of liquids.

No person shall place in any garbage container or any materials which have not been well-drained of all liquids.

Sec. 14-6. - Civil penalties.

Any person, firm, partnership, association or corporation that violates the provisions of sections 14-3, 14-4 or 14-5 of this chapter shall be deemed responsible for a civil infraction for which a civil fine in the amount not to exceed $30.00 may be ordered. A separate offense shall be deemed committed on each day during or at which a violation occurs.

Sec. 14-7. - Scavenging of authorized recyclable materials prohibited.

Recyclable materials placed appropriately at the curb in accordance with this chapter shall become the exclusive property of the city or the city's authorized recycler. There shall be a presumption that the property owner(s) or occupant(s) intended to recycle materials under this chapter if the authorized recyclable material is placed at curb side as provided in this chapter.

Sec. 14-8. - Unauthorized collection prohibited.

No person shall dispose of any containers, garbage, bulky waste, rubbish, recyclable materials, wood or yard clippings except to an authorized collector of the city.

Sec. 14-9. - Vehicles.

Any vehicle used for the purpose of conveying garbage, bulky waste, rubbish, recyclable materials, wood or yard clippings shall be constructed, covered and equipped so as to prevent any of the contents thereof from leaking, spilling, falling or blowing off, and any such vehicle, when not in immediate use, shall not be stored or parked in any street, alley or public place so as to become offensive or a hazard to any person.

Sec. 14-10. - Burning restrictions.

(a) Burning of garbage, bulky waste, rubbish, recyclable materials or yard clippings, or any other waste material shall be prohibited within the city.

(b) A person shall not kindle or maintain any outdoor fire nor shall one be maintained on any premises unless the outdoor burning is in compliance with Chapter 12, Article II, Section 12-27, adopting the International Fire Code, Section 307, as amended, by the City of Madison Heights.

Sec. 14-11. - Dumps prohibited.

It shall be unlawful for any person, firm, partnership, association or corporation or agents or employees thereof to maintain or operate upon any land within the city a public or private dump, landfill, or incinerator.

Sec. 14-12. - Criminal penalty.

CM-18-322. Mayor and Council - Comments.

Councilman Corbett stated that this was the Water Park Voucher program's second year and he is happy with the program's results. He stated that there was some tweaking to the program, and the number of families that participated this year increased approximately 33-50%. He stated that Council will soon be receiving a recommendation from the Parks and Recreation board for the installation of handicap swings that can accommodate wheelchairs, at Rosie's and Civic Center parks. In addition, there will be some that can accommodate younger children, with the goal being that no child is left out. He stated that he will hold office hours on Friday from 1:00 p.m. to 3:00 p.m. at the Library if anyone would like to discuss any questions or concerns. He

concluded his comments by noting he had a very educational experience doing a ride-along with a police officer doing hotel surveillance. He stated that the officer was great and makes a persuasive case for reestablishing the Special Investigations Unit in the City. This is a matter the City will be considering at the October 8th meeting.

Councilman Gettings gave a reminder that the Fire Station Open House at Fire Station 2 will be Saturday, October 6th from 10 a.m. to 2 p.m.

City Attorney Sherman stated that the Sherman and Sherman Rangers little league team had an undefeated season and he was invited to the team's championship dinner. He was able to meet the players, coaches, and parents, and noted that it feels great to have a small hand in helping the team. He was appreciative of the coach for reaching out to him.

Acting City Manager Marsh stated that the Citizen's Academy has started with a great turnout and had 21 participants sign up. She stated that the City is hoping to repeat the program next year. The Chamber of Commerce is having their annual Draw Down Raffle and Auction on October 4th from 6:00 p.m. to 9:00 p.m. at the UFCW Local Hall.

City Clerk Printz encouraged citizens to take a minute and review the ballot online prior to coming to the voting precinct so they can be familiar with the ballot. The deadline to register to vote is October 9th. She also stated that if you are eligible, the City Clerk's office can send you an Absentee Voter application and ballot.

Councilor Grafstein had no comments this evening.

Councilwoman Scott applauded the senior citizens who attending the meeting this evening. She stated that she has a report from AAC Advisory Board and their needs at the Center that she will be submitting to Council. She stated that they are looking to change the part-time position to a full-time position at the Center, more part-time hours for drivers, as well as money for emergency exit funding. Apple Pie day is Monday, October 8th, order by October 5th. The price is $12 per pie, and there will also be a sample box available. The Animal Shelter is having a Howl-O-Ween Treat or Treats on October 20th; parents bring your children. There will also be a bake sale, raffle, and rummage sale and the event is from 11 a.m. to 3 p.m.

Councilman Soltis stated he appreciates Council's support on the Hit Free Zone resolution. He stated that it is a matter of thinking differently, and if hitting is done in the public, we have a moral obligation to speak out for those who can't.

Mayor Pro Tem Bliss stated that the Arts and Culture t-shirts are available at City Hall and purchases support future arts and culture programming in the City. He stated that he is still getting a lot of complaints from citizens regarding garbage pickup and he is hoping that service can be turned around; he urged staff to reach out to GFL to ensure timely pickup and containers are not being broken. He commented that he wants it to be the best deal for the City with the best level of service, and right now it is not there. He noted that the City is undergoing long-term strategic planning and this is a new version of goal process. It is what do we want to do with limited resources on a long-term basis and he encouraged input from the public. Councilman Corbett added that for cause, the City can terminate the GFL contract. Ultimately, the City can do what it has to do on behalf of residents, if necessary.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
October 8, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, October 8, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott and Soltis. Acting City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

Absent: None.

An invocation was led by Councilman Gettings and was followed by the Pledge of Allegiance to the Flag.

CM-18-327. Meeting Open to the Public.

Pat Shield, 29328 Spoon, stated that she was appalled that the Council has not taken a stance on recreational marijuana. She reads specific sections of the proposed law and noted that police have no way of checking to see if drivers who may be impaired are under the influence of marijuana. She also noted that City Council adopted a Hotel Ordinance to curtail crime, but if this passes, you may as well throw it away. She stated that if you read the proposed law, it is all about money and not about our society or kids, and she urged to City Council to oppose the legalization of recreational marijuana.

Kelly Carter, Assistant Attorney General in the Criminal Division of the Michigan Attorney General's office in Detroit, stated that she is responsible for the prosecution and policy regarding human trafficking. She stated that she has worked with our police officers and asked for Council's support for the reinstatement of the Special Investigation Unit (SIU) for the purpose of targeting human trafficking, which requires a good deal of investigative effort. She noted that human trafficking is done by very complex organizations and the appropriate investigation requires a good deal of resources and she asked for Council's support for funding the SIU.

County Commissioner Gary McGillivray, 926 Tanglewood, stated Oakland County is offering a prescription discount card. The card offers up to 24% off on the average prescriptions and includes discounts for dental, hearing aids, vision services, and lab work. It also includes some pet coverage. He stated that the plan is offered through the National Association of Counties and he

requested that the City display the information so that it can be made available to the public.

Deliza Lee, 31800 Harlo Dr., noted that she is a 15 year resident of the City. Her church is having an event on October 29th at 7:00 p.m. to shed light on domestic violence and cyber bullying. There will be a panel of judges and prosecutors from Oakland County Circuit Court for questions and answers and the event is at the United Methodist Church located at 246 E. 11 Mile Road, all are welcome.

Johnnette Eggert, 30486 Winthrop, stated that she was here in support of the reinstatement of the Madison Heights Special Investigation Unit. She commented that she believes it is very necessary in our community. The City needs to prevent crime and the SIU will have a huge impact on those efforts.

CM-18-328. Road Commission for Oakland County – 2018-19 Winter Maintenance Agreement.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett, to approve the 2018-19 Winter Maintenance Agreement with the Road Commission for Oakland County and authorize the Mayor and City Clerk to sign on behalf of the City.

CM-18-329. Re-establishment of the Police Department's Special Investigation Unit.

Motion by Councilwoman Scott, seconded by Councilman Soltis, to approve the reinstatement of the Police Department's Special Investigations Unit prior to the next budget cycle.

Chief Haines stated that the Special Investigations Unit, by design, is the unit best suited for undercover operations, surveillance, fugitive apprehension, search warrant executions, and Liquor Control Inspections. The Special Investigations Unit works closely and in conjunction with many other police and federal agencies. He provided Council with Madison Heights statistical information regarding juvenile victims of human trafficking and prostitution, current staffing levels at the Police Department, what operational changes he proposed to reinstate the unit, the additional costs for this budget year and future budget years of reinstituting the unit, and how reinstatement will assist in the enforcement of the new Hotel Ordinance.

CM-18-335. Mayor and Council - Comments.

Councilman Corbett stated that he will hold office hours on Friday from 1:00 p.m. to 3:00 p.m. at the Library if anyone would like to discuss any questions or concerns.

Mayor Pro Tem Bliss stated that he has been receiving complaints about GFL regarding service including late pick-ups and broken trash containers. He requested a report on what average pick-up time is and the number of complaints received at City Hall pertaining to service. If the City continues to see no improvement, he stated that he will want to have a GFL representative back before Council. He announced that the Arts & Culture Advisory Board has a meeting this week; if interested, please come out and make your voice heard. They will be narrowing down projects for next year. He stated the City will be commissioning a mural, and three City locations are proposed: Fire Station 2, the west exterior Library wall, and the Jaycee building at Civic Center Park and they are looking for input.

Councilman Gettings had no comments this evening.

City Attorney Sherman had no comments this evening.

Acting City Manager Marsh had no comments this evening.

City Clerk Printz stated that the Close of Registration for the November 6th State General Election is tomorrow, Tuesday, October 9th. Please come to the City Clerk's office, the Secretary of State or online to register. Registrations must be postmarked by October 9th to register in time for the upcoming election. She also stated that Absentee Ballots are available in the City Clerk's office.

Councilor Grafstein thanked the DDA and fire fighters for the Fire Department Open House last Saturday. While the weather was bad, it was a nice event. She also attended the Hometown Harvest at the Red Oaks Nature Center this past Sunday, and she thanked all of the groups for making the event a success. She stated that the City is always looking for new event ideas, so please reach out if you have any ideas.

Councilwoman Scott noted that there are three ballot proposals on the November ballot. The MSU Extension website has information on each proposal and she asked that a link be added to the City's website so the public can easily access the information. She stated that Tyler Black, a Lamphere student, has written and is directing a play. Seniors will have a complimentary viewing and lunch, and the play is called *Not Funny – A Comedy in One Act*. She noted that there are four openings on the Historical Commission and they are looking for members. The Heritage Rooms are enlisting local youth to work with adults and they will get credit for working. The Heritage Rooms are open the 1st and 3rd Tuesday of the month, from 3:00 p.m. to 7:00 p.m.

Councilman Soltis thanked Acting City Manager Marsh for her patience and assistance in putting together the No-Hit Resolution and the agenda item for the Special Investigations Unit.

Mayor Hartwell acknowledged Jack Lloyd, former Mayor of Hazel Park, Mike Van Buren, Chair of the DDA, and Mike Salley, Chair of the Active Adult Advisory Board for attending tonight's meeting. He stated that the City always needs active volunteers. He stated the most important duty for City Council is to protect the public. He thanked Chief Haines, Councilman Soltis, all the Council members, City Attorney Sherman, and Acting City Manager Marsh for their assistance in the reestablishment of SIU.

CM-18-340. Meeting Open to the Public.

Tom Smith, 1166 E. Kalama, congratulated the City of receiving the GFOA Distinguished Budget Award. He stated that he read an article in the paper regarding the business practices of the Madison District Public Schools and he stated that this is how not to operate a local government. Their practices circumvent the bidding process, and he stated an overview of the findings. He stated that he was present because he is concerned about how the City of Madison Heights engages in their business practices, and noted that procedures are put in place to serve the public trust. They add value, promote accountability, and he encouraged the City to engage in these best practices. Acting City Manager Marsh noted that the City follows best practices and has a strong purchasing procedure that is outlined in the City Charter. She encouraged Mr. Smith to attend the audit presentation in November, and noted that the City has annually received clean audits and that the City has a $50 limit for Petty Cash.

Dunaskiss Consulting and Developing representative Erin Lammers, 169 West Clarkston Rd., Lake Orion, stated that she was here to discuss the Medical Marijuana Facilities Licensing Act (MMLFLA) and noted that her firm collaborates with many municipalities in helping craft zoning ordinances; she continued that cities have opportunities to opt-in to having Medical Marijuana Facilities, and there are many benefits to doing so. While it is a daunting task, the best way to police is to regulate it, and her firm can assist municipalities in doing so.

CM-18-347. Mayor and Council - Comments.

Councilman Corbett stated that he will hold office hours on Friday from 1:00 p.m. to 3:00 p.m. at the Library if anyone would like to discuss any questions or concerns. Next time we meet, the election will be held. It is a long ballot and there is no straight ticket voting; he suggested that it may be wise to get an absentee ballot if you are qualified, or arrive at the polls early. He added, don't overlook proposals and make sure to vote, it is your right. He wished good luck to all the candidates.

Mayor Pro Tem Bliss stated that the next couple weeks will be impactful for the City. The election ballot initiatives will make significant changes for our City and the results will directly impact us. The vote will also help Council consider the wishes of the community in regards to marijuana. The other thing happening in the City is the active search for a new City Manager. On Thursday, November 8th, there will be a workshop with candidates as well as

an evening reception for the community to meet the candidates. He encouraged anyone that has an interest to come to the reception.

Councilman Gettings had no comments this evening.

City Attorney Sherman stated that the Election Commission held the Public Test to make sure the voting equipment is working properly and everything went very smoothly. We are expecting a large voter turnout, and everyone who wishes to have their voices be heard should vote.

Acting City Manager Marsh had no comments this evening.

City Clerk Printz stated that Absentee Ballots are available in the City Clerk's office. All precinct locations will be open on Election Day, Tuesday, November 6th from 7:00 a.m. to 8:00 p.m. Please visit the front page of the City's website to see a sample ballot for your precinct. She also stated that there may be long lines on Election Day due to the high anticipated turnout, please be patient and kind to our citizen volunteers that work the polls on Election Day. They work long hours and want to do a good job for the community.

Councilor Grafstein stated that the Teal Pumpkin Project is for non-food items to be given out on Halloween and is designed to let those who have food allergies participate. There is a map available through the allergy community website to see where safe treats are available and teal buckets are available at local stores. She also commented that she participated in the Halloween event at the Animal Shelter this past weekend and visited the Used Book Sale and enjoyed both events. She stated that Red Oaks Nature Center is doing their trick-or-treat event this Saturday. If anyone has any event ideas please email us, we are always open for suggestions and are looking for new ideas.

Councilwoman Scott stated that the Active Adult Center will be honoring Veterans at 11 a.m. on Wednesday, November 7th. This is a wonderful event with a free lunch for veterans afterwards. She stated that she hope to see everyone there. She stated that City employee Russel Grieve is retiring after 29 years and that he is a resident and Lamphere Schools graduate. She thanked him for his long-time employment. She also encouraged the use of sample ballot available online and bring it to the polls to assist you in voting.

Councilman Soltis had no comments this evening.

Councilman Corbett stated that the Animal Shelter is selling hoodies and t-shirts to raise money for the shelter. He acknowledged and congratulated Nicole and Matt Ball on their first child and his 3rd great-grandchild.

Mayor Hartwell thanked Mayor Pro Tem Bliss for filling in for him while he was out of town, noting that the Mayor Pro Tem officiated two weddings while he

was gone. He urged everyone to please vote and commented that the City has a good relationship with both candidates for Governor.

Interviews of City Manager Candidates Melissa Marsh and Khalfani Stephens.

Mayor Hartwell opened the meeting by stating that the purpose of today's meeting was to interview the two finalists for the position of Madison Heights City Manager. It would be held in two parts, the first an interview by City Council with candidate Melissa Marsh, followed by an interview by the Staff and Citizens panel. The same format would follow with candidate Khalfani Stephens.

City Council members, followed by the Staff and Citizen panel interviewed Ms.

Marsh from 12:30 p.m. until 2:32 p.m.

Mayor Hartwell adjourned the meeting at 2:32 p.m. and reconvened the meeting to interview Khalfani Stephens at 2:43 p.m.

City Council members, followed by the Staff and Citizen panel interviewed Mr. Stephens from 2:43 p.m. until 4:28 p.m.

CM-18-355. Adjournment.

Mayor Hartwell thanked the City Council, staff representatives, and the members of the Boards and Commissions for participating in today's interviews. He noted that there were many great questions and he appreciated everyone's interest and input. He thanked both candidates for their participation and for their thoughtful and thorough responses. He stated that there are comment cards available for the public to complete and submit so that their input can be heard by City Council. He noted that the next step is to determine who the next City Manager will be, and stated that a decision will be made at the next regular City Council meeting on Monday, November 12, 2018.

There being no further business, the Special Meeting was adjourned 4:31 p.m.

CM-18-360. Appointment of City Manager.

Mayor Hartwell began the discussion by noting that the most important job of City Council is to hire a City Manager to affect the policy goals of City Council. He thanked Amy Cell for her assistance in the search process. He stated that it was important to evaluate the credentials of our Acting City Manager against the nation and world's best candidates. The City of Madison Heights received applications from Great Britain and from across the nation. Last week, the City Council narrowed down the candidates to Acting City Manager Melissa Marsh and Khalfani Stephens and interviewed both last week. He opened the floor for motions to appoint the next City Manager.

Motion by Councilman Corbett, seconded by Councilman Gettings, to appoint Melissa Marsh as the City Manager of Madison Heights and authorize the City Attorney to enter into contract negotiations with the assistance of Special Labor Counsel.

Mayor Hartwell thanked Melissa Marsh for applying for the position. He stated that what made the decision easy for him was the passion she displayed in her interview. When you stated that "you would be the best person for the position of City Manager," he believed it. When you stated that there was no other person more qualified for the job, he believed it. You have demonstrated it over the last several weeks in the position. He also liked that she stated "if she was City Manager for just one day, it wouldn't be the status quo," and it hasn't

been. Melissa has already made a difference and the future is bright under her leadership and he stated that he is excited to work with her. He also liked her commitment to service in the position and that she understood that it was not a 9 to 5 job. Every department has stated that since you have taken over as Acting City Manager, there has been a boost in moral, and Melissa has brought that through her leadership and tone. She inspires people to try new things. She is certainly qualified for the position and her commitment to prepare for the position is admired.

Councilman Corbett stated Melissa did a fine job in the interview process and her work has always been top quality. He respects the other candidate as well, and knows wherever he lands, his future employer will be happy.

Mayor Pro Tem Bliss stated the City Manager hiring process has set a new bar for transparency and public involvement. Hiring a City Manager is the biggest thing that we do as a Council and it was a great process. It cemented how important financial management, economic development, and quality of life issues are for this community. He stated that he believes that Ms. Marsh is better for going through the process and it has made him confident in how she will handle the job. The City will benefit from her strengths and he committed to working with Ms. Marsh to give her the tools and resources to achieve the City's goals and be successful in her role as City Manager.

Councilman Gettings stated that he is hoping Ms. Marsh's background in running will help her to support the Parks and Recreation Department and he thanked Amy Cell for her work.

Councilwoman Scott stated that she has supported Melissa for the City Manager position since the former City Manager left; however, Council needed to come to the decision through this process. She stated that working with Amy Cell has helped bring out Melissa's strengths for all to see. She will be a good match for the City and she is proud to support her.

Councilman Soltis stated that he has known Melissa for about five years and he has the upmost confidence in her. Since starting as the Acting City Manager, she has begun innovating and thinking outside of the box, and she will do a wonderful job. Ms. Marsh has proven herself over and over again.

Councilor Grafstein thanked Amy Cell and the residents for their support of the search process. City Council made the decision to use this process to make sure she was the best candidate, and she is. Melissa has done an outstanding job over the last several months.

CM-18-364. Mayor and Council - Comments.

Councilman Corbett congratulated Ms. Marsh on her appointment. He stated that he holds office hours on Fridays from 1:00 p.m. to 3:00 p.m. at the Library if anyone would like to discuss any questions or concerns, with the exception of the Friday after Thanksgiving. He stated that it was quite a turnout for the Election. He stated that he has requested information from the City Attorney regarding Medical Marijuana options for Council to consider and is expecting Council to review and consider the options in the near future.

Mayor Pro Tem Bliss stated the election had an incredible turnout. He noted that there are consequences to the election from the proposals that were passed, and Council will be working towards action plans in preparation for and making necessary adjustments as needed. He stated that he has been talking about the GFL contract over the past several weeks, and requested that a representative of GFL appear before Council with a correction plan as our service provider. Specifically, how will GFL proactively reduce the amount of

complaints the City receives. He echoed Councilman Corbett's comments on Ms. Marsh's appointment to City Manager and stated that he is excited about what this means for the future of the City.

Councilman Gettings thanked the City Clerk's Office for their work on the Election, and announced the Tree Lighting Ceremony on Monday, November 26th at 6:30 p.m. at City Hall. He expressed congratulations to Ms. Marsh on her appointment to City Manager.

City Attorney Sherman thanked Amy Cell for walking the City through the process. He wished Mr. Stephens the best of luck, and he thanked members of community and staff for participating in the process. He stated that on behalf of staff, Melissa is an incredibly gifted employee.

Acting City Manager Marsh thanked Council for the vote of confidence, staff for their support, and the support and encouragement of the residents. She also thanked Amy Cell for their work.

City Clerk Printz thanked the community's residents for coming out to vote in the State General Election last week, there was a 67% increase in voter turnout compared to the last mid-term election. She also thanked all of the Election Inspectors, Student Election Inspectors, and the DPS and Clerk's office staff for making the day run smoothly and uneventfully. She stated that Ms. Marsh is a tremendous mentor and the hardest worker in City Hall, and she is looking forward to learning from her leadership.

Councilor Grafstein thanked all the Veterans who have served. Last night was the 100 year anniversary of Veterans Day and the Women's Club had their Luminary Ceremony. She stated that she, along with the Mayor and the Acting City Manager, attended training on place making and the addition of a mural is a tremendous start towards placemaking in Madison Heights. She noted that Hazel Park had an Art Fair last summer, and suggested that perhaps the City and Hazel Park collaborate and have the Art Fair in conjunction with the Festival in the Park. If anyone has any other ideas that we may be able to partner with or do on our own, please feel free to contact her.

Councilwoman Scott acknowledged audience member, former Councilmember Kyle Geralds, who is now teaching government at Lamphere High School. She stated that the issue of marijuana has to be addressed and she is seeking opinions on the topic so she can represent those voices. She thanked everyone for voting, and hopes the trend will continue on every election. She wished a Happy Birthday to Jean Linville and Dolly Ferries. She thanked Melissa for applying for the City Manager position and stated that she appreciates the vote of City Council for supporting to her. She concluded her comments by wishing a Happy Thanksgiving to all.

Councilman Soltis congratulated City Manager Marsh and stated that he knows she will do a good job. He noted that the American Academy of Pediatrics has advised against corporal punishment, and he encouraged the residents to read the article updating their guidelines, noting that it makes kids more aggressive and raises the risk of mental health issues.

Mayor Hartwell recognized all of the veterans for their service. He thanked former Councilman Kyle Geralds for his return to City Hall. He welcomed City Manager Marsh and stated she has his full support. He also stated that he supports Mayor Pro Tem Bliss's request for GFL to come speak to Council. He also reached out to the new school board members of Madison District as well as the Lamphere District and stated that he would like the City to reach out to new members of both boards.

Regular Meeting
Madison Heights City Council
Madison Heights, Michigan
November 26, 2018

A Regular Meeting of the Madison Heights City Council was held on Monday, November 26, 2018 at 7:30 p.m. in the Municipal Building at 300 West Thirteen Mile Road, Madison Heights, Michigan.

Present: Mayor Hartwell, Mayor Pro Tem Bliss, Councilmembers: Corbett, Gettings, Grafstein, Scott and Soltis. City Manager Marsh, City Attorney Sherman, and City Clerk Printz.

Absent: None.

An invocation was led by Councilman Soltis and was followed by the Pledge of Allegiance to the Flag.

CM-18-366. Meeting Open to the Public.

Toni Hall, 410 E. 13 Mile Road Apt 102, stated that she had thank you cards and letters from students at Lamphere High School regarding the issues before Madison Heights City Council. On behalf of City Council, Mayor Hartwell accepted the letters and thank you cards.

Rico Garcia, 28528 Park Ct., stated that his classmates believe that Madison Heights should opt-out of recreational marijuana. He commented that they made that decision because they know what marijuana can do to people. Teenagers already drive high and crime rates will go up. From 2013 -2016, in Colorado, crime rates increased 11% after the legalization of marijuana. Marijuana can have an effect on mental health, increase schizophrenia symptoms, and cause memory loss. By opting out, we can reduce driving under the influence, prevent children from getting ahold of marijuana, and deter people from using more drugs due to marijuana being a gateway drug.

Terrance Binion, (no address given), student at Lamphere High School, stated that he believes Madison Heights should not opt-out of recreational marijuana dispensaries. By not opting-out, Madison Heights can increase their revenues. Colorado brought in $1 billion dollars in revenue since 2015, and Canada is projected to bring in $7 million next year. This will be a boost to the economy and increase jobs. Madison Heights should be a part of that. The money can be used to fix roads, improve school technology, make our city bigger and better, fund police, bring in tourists, and be an overall boost to the economy. He concluded by stating Madison Heights should convert unused facilities for this use, and Council should consider having dispensaries in the City.

Alex Ooten, 299 Sonia Avenue, stated that she thinks the City of Madison Heights should opt-in to recreational marijuana. By opting-in, it will increase restrictions on buying because customers will have to purchase marijuana at a licensed facility, with identification. She also stated that she believes it will create jobs for her peers.

Jesse Oyao, 30783 Brush St., stated that marijuana is already in high school. She has done research and marijuana use can be harmful if used improperly. Part of the extra funding received from sales and can be used to for educating users and implementing safety regulations, and she believes Madison Heights should opt-in to recreational marijuana.

Kyle Geralds, teacher at Lamphere High School, thanked all the students who spoke this evening as well as the teachers and volunteers who helped students with their research.

Mayor Hartwell thanked the students for attending the meeting and for their research. He stated that he appreciates their work and open mindedness, and they are always welcomed back to City Hall. He noted that when the students turn 18 they can vote and, if they desire to, run for office.

CM-18-367. Resignation of Christian Tecker from the Zoning Board of Appeals.

CM-18-368. Financial Audit Presentation.

Lisa Manetta and Keith Szymanksi representing the City's Auditing firm, Plante Moran, presented for Council their review of the City's financial statements for the fiscal year ended June 30, 2018. Ms. Manetta noted that the City's two biggest challenges are capital needs such as infrastructure and equipment, and legacy costs of pension and retiree health care. Ms. Manetta reviewed Plante Moran's letter to City Council.

Motion by Mayor Pro Tem Bliss, seconded by Councilwoman Scott, to receive and file the Financial Audit for the Fiscal Year Ending June 30, 2018.

In response to Councilman Corbett's question, Ms. Manetta stated that as Council is aware, Madison Heights is not the only municipality dealing with underfunded legacy costs. The State of Michigan has begun taking steps to increase awareness of the funding status. Ms. Manetta stated that their recommendation is for the City to try handle the liability through negotiations and to fund as much as possible in order to get higher returns that can then be used to fund the liability, as well as try to prefund as much as is prudent under the budget.

Motion by Councilman Corbett, seconded by Councilwoman Scott, to adopt the Program Year 2019 Annual Community Development Block Grant (CDBG) Application Resolution, as follows:

WHEREAS, Oakland County is preparing an Annual Action Plan to meet application requirements for the Community Development Block Grant (CDBG) program, and other Community Planning and Development (CPD) programs; and,

WHEREAS, Oakland County has requested CDBG-eligible projects from participating communities for inclusion in the Action Plan; and,

WHEREAS, the City of Madison Heights has duly advertised and conducted a public hearing as follows:

The Chair of the CDBG Review Committee opened the Public Hearing at 5:05 pm on November 8, 2018 for the purpose of receiving public comments regarding the proposed use of PY 2019 Community Development Block Grant funds (CDBG) in the approximate amount of $115,589. Public comment was received from Janet Vermuelen of HAVEN requesting $2,500 of CDGB funds for fiscal year 2019-2020 as noted in the attached September 7, 2018 letter that was included in the CDGB Review Committee packet. The Chair of the CDBG Review Committee closed the Public Hearing at 5:10 pm; and,

WHEREAS, the City of Madison Heights CDBG Review Committee found that the following projects meet the federal objectives of the CDBG program,

are prioritized by the community as high priority need, and recommended that City Council apply for FY 2019 CDBG funds for the following projects:

Account Number	Project Name	Amount
730310	Code Enforcement	$ 80,000
732170	Public Service – Yard Service	$ 35,589
		$115,589

THEREFORE, BE IT RESOLVED, that the City of Madison Heights City Council concurs with the findings and recommendation of the CDBG Review Committee, hereby authorizes the PY 2019 CDBG application to be submitted to Oakland County for inclusion in Oakland County's Annual Action Plan to the U.S. Department of Housing and Urban Development, and hereby authorizes the Mayor to execute all documents, agreements, or contracts which result from this application to Oakland County.

CM-18-376. Mayor and Council - Comments.

Councilman Corbett congratulated the Madison Eagles on playing a great championship game this weekend. He congratulated Coach Rogers, Quarterback Brown, and stated the team had great leadership and gave a great

effort. He noted that he attended the swearing-in of four members of Madison School Board and wished them good luck. He offered Council's support to the school district. He noted that there will be Council office hours on Friday from 1 p.m. to 3 p.m. at the library. He wished everyone a happy holiday season.

Mayor Pro Tem Bliss echoed Councilman Corbett's sentiments on the Madison football team's efforts. Although they did not win, they are still the second best team overall. He requested a congratulatory resolution to the team. He thanked the volunteers at the Tree Lighting this evening, noting a good time was had by all. He stated that the City went through the audit review and there is a lot of positive news pertaining to stability; however, there is a lack of growth, putting us at a risk due to the City's unfunded liabilities. Growth is the only real solution. He stated that he believes a millage would hurt those on a fixed income and he is looking forward to the revision of the Master Plan. The City needs to focus on its strengths, market ourselves, promote economic development, and be aggressive. He stated that he concurs with Mayor Hartwell to develop an "Asia Town" to help bring a return on investment, and bring in revenue to help address these unfunded liabilities as well as fund other City needs. He continued that he is committed to giving City staff the necessary tools to achieve the City's goals, with a focus on redevelopment, economic development, and strategic planning.

Councilman Gettings congratulated the Madison Eagles team, noting they had an incredible year, with talented ball players and a good coaching staff. He noted that this is the second time recently that they have played in the championships. He thanked DPS staff and the volunteers for their work on the Tree Lighting, including Gary McGillivray and Mrs. Claus for making it a great evening for everyone.

City Attorney Sherman hoped everyone had a happy Thanksgiving and wished everyone a happy holiday season.

City Manager Marsh thanked the Finance department for another clean audit opinion, and noted that is directly attributable to the integrity and hard work of the Finance team. She also thanked the DPS staff and the Lamphere students for their work on Tree Lighting ceremony, noting it was a great event.

Councilor Grafstein congratulated the Madison Eagles, and thanked everyone for coming out to the Tree Lighting tonight. She also thanked Santa and Mrs. Claus for joining the City this evening.

Councilwoman Scott thanked the DPS staff for decorating the City so beautifully, and noted that she appreciates all of the work that they do. The Active Adult Advisory Board will be going out on December 18th to judge the beautiful holiday displays and select the top three for awards, so make sure you have your lights on and decorations up. She acknowledged former

Councilman Kyle Geralds in the audience, and thanked him for his work with students. She applauded all of the students for participating this evening, and noted that children are our future and she wants to do well by them. She stated that the Downtown Development Authority will be having a "Creative Art on Fire" Hydrant Art Challenge Art Exhibit and Reception on December 6th at Mulberry Plaza from 5:30 p.m. to 7:00 p.m. She also noted that the Arts and Culture Advisory Board will be meeting tomorrow at 6:45 p.m. and the public is welcome.

Councilman Soltis stated that a few weeks ago he attended a fundraiser for the Michigan Abolitionist Project. The guest speaker spoke of her 17 year experience as a victim of human trafficking. This is a great organization that works to prevent human trafficking through education and awareness. He announced that the Madison Heights Youth Assistance is putting on a Grinch Candy Cane Hunt at the Library. Chief Haines will be reading and he will be the Grinch. The event is free, but the registration deadline is tomorrow.

Mayor Hartwell acknowledged former Hazel Park Mayor Jack Lloyd, former Lamphere School Board Member Jeffrey Geralds, and former Councilmember Kyle Geralds and thanked them for attending tonight's meeting. He thanked Councilman Soltis for his invocation tonight, and stated that it is wise to remember that we will be judged by how we treat people. He stated that the City faces financial challenges; challenges that we can't cut or tax our way out of. Our residents probably cannot handle a greater tax burden and he is worried about the effect of the GM announcement on our residents, noting that 1,000 residents are either active or retired UAW members. He stated that he would like the City to be proactive for residents with job search announcements. He commented that the DDA board has made exciting progress with a new microbrewery, bar-b-que restaurant, and JJ's expansion. He noted that in order to be successful, it takes the public and the elected officials to work together. The City has other opportunities and we need to advertise ourselves better. We have 500 minority owned businesses; 200 of which are Asian owned. The concept of "Asia Town" is thinking outside of the box. The City is looking for new ideas and he believes next year will be a great one for the City.

CM-18-394. Public Hearing - Special Approval 18-06, 29101 John R.

City Manager Marsh reviewed the proposed Special Approval No. 18-06.

A public hearing was held at 8:04 p.m. to hear any comments pertaining to the proposed Special Approval 18-06, to allow outdoor seating and a motor vehicle light repair/fuel sales facility in the B-2 District of the Zoning Ordinance.

Civil engineer and site designer for the applicant, Tim Ponton, was present. He stated that the applicant is looking to revitalize the development with a large

retail wholesaler, BJ's Wholesale, and this will be their first of two sites in the State of Michigan. He reviewed the fuel center design, lighting, landscape and storm water management plans for City Council.

In response to Mayor Hartwell's question, Mr. Ponton stated that they are looking to break ground in the spring for BJ's Wholesale and the fast food restaurant site. The remainder of the center will be done in Phase 2. The warehouse is ready to go, however, they have not yet secured a restaurant tenant.

In response to Councilman Corbett's question, Mr. Ponton stated that the ten foot differential in the height of the building is due to branding and design of the building. The additional height space will not be utilized for any other purpose, and is a design element.

Mr. Ponton answered questions from Council regarding the layout, size, and traffic flow of the fueling station. He stated that there will be twelve (12) fueling stations and six (6) pumps. The location of the fueling station is south of the building and at the rear of the parcel. He noted that the fueling station can accommodate 36-40 vehicles at a time. Community Development Director Schafer stated that the Traffic Safety Committee has reviewed the proposal and the City has met with the applicant to address all concerns. Mr. Schafer added that as indicated in the report, the applicant has agreed to cost sharing the addition of a right hand turn lane on eastbound 12 Mile Road should the City be able to attain the rights to a portion of the property from the current owners. In addition, Mr. Schafer noted that the design plan for the turn lane is already in place should the property become available. Discussion followed on the need for an additional turn lane on 12 Mile Road and the impact that construction would have on the owners of the existing businesses. Mr. Schafer stated that only a small portion of the property would be needed to add the lane, but neither business has been approached yet.

Discussion followed on current levels of traffic, impact from the construction project on I-75 and I-696, and it was noted that commuters are using alternative routes including 12 Mile Rd. Once the I-696 is reopened, Councilman Corbett stated that the increase from the shopping center traffic will most likely be offset by the reduction in construction related traffic. Mr. Ponton stated that with or without the additional turn lane, the level of service remains at level D, and the development is not contingent upon the addition of the turn lane. He continued that during peak time periods on the weekend, with the addition of a turn lane, the level of service will only improve wait time a minute of two. The traffic study assumes a full center, and the level of service remains the same. In response to Mayor Hartwell's question, Mr. Ponton stated that if City Council should choose to postpone approval tonight, the development could not move forward.

Discussion followed on the use of local contractors and prevailing wages. Mr. Ponton responded that they are using local contractors for site work and BJ's will be contracting out the building work. Asbestos abatement has already started, and two local contractors are being used. The site work is prevailing wage; however, it is not union specific.

In response to Councilor Grafstein's question, Mr. Ponton stated that although he did not have the authority to commit to the addition of vehicle charging stations, he believes the idea is a good one, and stated that he will take the suggestion back to BJ's to discuss.

In response to Mayor Pro Tem Bliss's question on landscaping improvements, Mr. Ponton responded that they are tripling amount of green space at the site, with 75 trees and 200 shrubs. They are also making storm water management improvements.

Donna Dalling, 30294 Garry Ave., stated that she has visited BJ's Wholesale in another state and it is a really nice business and well done.

Suzanne Patton, 30472 Alger, noted that in her opinion, people avoid the traffic on 12 mile because of the left turn at the intersection, not the right turn.

Crystal Fox, 38474 Hales, suggested that it would be helpful to use native plants in the landscaping.

Brian Najor, Najor Companies, representing the Madison Plaza at 100-200 W. 12 Mile, stated that the project has their full support and it is a great project. He stated that as long as the design of the fuel station has been reviewed, their property shouldn't see an impact from stacking. They do, however, have a concern with the proposed fast food restaurant. If developed as proposed, they will be eliminating 22 spaces near Madison Plaza. He also stated that while they have shared parking agreement with the adjacent properties, the major issue is the out lot parcel and the elimination of parking to the west. It was originally designed to be a north-south oriented building and this proposal has it east-west orientation which may be problematic. He also stated that if there is a right turn lane problem, whether or not if BJ's is there, the problem will still exist.

Foster Swift, Collins & Smith Attorney, Lisa Hamameh, representing Madison Plaza LLC, stated that they have no objection to the use, however, filling the space of the out lot as suggested could cause problems down the line for the other tenants, and their primary concern is the configuration of the out lot.

In response to Councilman Corbett's question, Mr. Schafer stated that there is substantial parking on the site. Mr. Paton stated that the size and location of

the proposed BJ's is firm; however, the restaurant is more conceptual and they are happy to talk with their neighbors to work out any parking concerns.

Seeing no one further wishing to speak, the public hearing was closed at 9:11 p.m.

Motion by Councilman Corbett, seconded by Councilman Gettings:

WHEREAS, a Special Approval Board application has been received from Madison Center Owner, LLC located in the B-2 District; and:

WHEREAS, a public hearing was published in the Madison Park News on November 21, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION:	29101 John R
REQUEST:	Special Approval to allow outdoor seating (10.322.2) and a motor vehicle light repair / fuel sales facility (10.322.3) in the B-2 District of the Zoning Ordinance.
EXISTING ZONING:	B-2 – Planned Business
EXISTING USE:	Vacant K-Mart Building

STAFF ANALYSIS:

1. Special Approval is required to allow outdoor seating, fuel sales and motor vehicle light repair in the B-2 District. Special approval is <u>not</u> required for any other aspect of the warehouse facility and is not the subject of this request.

2. The site plan calls for creation of an out lot (parcel split) to accommodate a future fast food restaurant with outdoor seating. The request is made by the applicant in full knowledge that the Planning Commission has just recommended approval of zoning text amendments that would accommodate outside seating at this location without the need for special approval. However, those amendments are still making their way through the approval

process. Accordingly, the applicant seeks to insure outdoor seating authorization regardless of the outcome of the pending amendments. The proposed outdoor seating meets existing and proposed standards. Should this request be approved, the applicant is aware that a parcel split will be required to accommodate the proposed restaurant site.

3. The motor vehicle repair / fuel sales components of the request meet applicable design standards.

4. The landscape plan meets ordinance requirements.

5. Hours of Operation:

Fueling Station:	Monday – Sunday: 6:30 am – 10:00 pm
Warehouse Club/Auto Service:	Monday – Sunday: 9:00 am – 10:00 pm
Restaurant:	24 / 7

6. The applicant submitted a traffic impact study which was reviewed by the City's Traffic Safety Committee (TSC). The applicants met with the TSC to address the TSC's review comments. Plans have been revised to address the TSC's comments. Please note that the applicant has agreed to participate in the cost of a new right turn lane from EB 12 Mile Rd. to SB John R should the City secure necessary property owner and Road Commission approval of the turn lane within two years. The proposed Agreement is attached.

7. The proposed building façade is 39' high. The maximum height allowed in the B-2 District is 30'. The applicant is aware that a variance will be required from the Zoning Board of Appeals (ZBA) to accommodate this proposed height. Should City Council approve the special approval request, application to the ZBA is required for this variance.

8. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed. Should City Council approve this request, the following conditions are recommended:
    a. Administrative approval of land division for restaurant parcel.
    b. No bump & paint repair work permitted.
    c. ZBA approval of proposed building height variance.
    d. Agreement for 12 Mile Road right turn lane cost participation (proposed agreement attached)

to approve Special Approval 18-06 to allow a motor vehicle light repair/fuel sales facility in the B-2 District of the Zoning Ordinance at 29101 John R, with the following conditions:

a. Administrative approval of land division for restaurant parcel.
b. No bump & paint repair work permitted.
c. ZBA approval of proposed building height variance.
d. Agreement for 12 Mile Road right turn lane cost participation

Councilor Grafstein suggested the decision be postpone until an answer about the vehicle charging stations can be obtained. Mr. Shafer noted that charging stations are put into an existing parking space and only requires an electrical permit; it would not impact the development design.

CM-18-395. Public Hearing – Special Approval 18-07, 32401 Edward.

City Manager Marsh reviewed the proposed Special Approval No. 18-07.

A public hearing was held at 9:16 p.m. to hear any comments pertaining to the proposed Special Approval 18-07, to allow construction of a 75' tall communications tower at 32401 Edward. The property is zoned M-1, Light Industrial District.

APC Towers LLC and T-Mobile Central LLC representative, Bob Przybylo, was present. He stated that T-Mobile is looking to enhance their service area, and there are no existing poles to co-locate on. He reviewed the proposal for City Council, and stated they have capacity and coverage problems that they are trying to resolve.

In response to Councilman Soltis's question, Mr. Przybylo stated that eventually 5G technology will be operating on the pole, but for now it is 4G technology. He continued that there is no danger from the 5G because they operate within state and federal guidelines for electric magnetic waves.

Mr. Przybylo stated that perhaps the best place to get an answer to Councilwoman's Scott question regarding whether the pole will be included on aeronautical maps would be the FAA; however, he noted that the pole is not required to be lighted.

Seeing no one wishing to speak, the public hearing was closed at 9:24p.m.

Motion by Mayor Pro Tem Bliss, seconded by Councilman Corbett:

WHEREAS, a Special Approval Board application has been received from APC Towers LLC and T-Mobile Central LLC, and the request is in a M-1, Light Industrial District; and:

WHEREAS, a public hearing was published in the Madison Park News on November 21, 2018 and notices were mailed to property owners within 500 feet of the aforementioned property; and,

WHEREAS, a report has been received from the Community Development Department stating:

LOCATION:	32401 Edward
REQUEST:	Special Approval to allow a new wireless communication tower in the M-1 District under Section 10.601(10) of the Zoning Ordinance.
EXISTING ZONING:	M-1 – Light Industrial
EXISTING USE:	Rear portion of an existing Industrial Property

STAFF ANALYSIS:

1. Special Approval is required to allow construction of a new cell tower in the M-1 District.

2. The applicants are APC Towers LLC and T-Mobile Central LLC. The tower will be located on leased property.

3. The 75' tower is a monopole design as required and has colocation space for up to 3 additional antennae. The proposed tower and site meet all applicable design and locational standards.

4. The Site Plan Review Committee has reviewed the plan and all review comments have been addressed.

to approve Special Approval 18-07 to allow construction of a 75' tall communications tower at 32401 Edward, in the M-1, Light Industrial District.

CM-18-411. Mayor and Council - Comments.

Councilman Corbett wished everyone a Merry Christmas and Happy Holidays.

Mayor Pro Tem Bliss stated that the Arts & Culture Commission was having a fundraiser at Texas Road house tomorrow night from 4 p.m. to 10 p.m. Proceeds will help fund future arts and culture programming in the City. He stated that he appreciates everyone who participated in Citizens Academy, it was a great group, and he enjoyed meeting everyone today.

Councilman Gettings wished everyone a Merry Christmas and Happy New Year. If there is snow, hopefully anyone who gets a sled or toboggan for Christmas can come out and use the hill.

City Attorney Sherman wished everyone Happy Holidays.

City Manager Marsh echoed the comments of Council.

Councilor Grafstein stated that when City Council is making a special approval, we really need to build with the future in mind. City Council needs to have a future outlook and be mindful of changes and what that will mean for the future of the City. We need to look at industry trends, such as electric vehicle technology, and as we are building for the future, make decisions based on what will attract more people to the City. She suggested that as the City repairs their parking lots, we investigate the possibly of partnering with DTE to do charging stations on city property. She stated that the Environmental Citizens Committee is looking to add attractive native plants to have environmentally sustainable landscaping, rain gardens, and bee and butterfly sanctuaries. All of these are things that will not only make the City look more attractive, which can bring people here, but it is also something that is good for the environment. Tonight we had a good conversation about BJ's, and BJ's looks like it will be a good fit for the City, but we do need to look forward when making decisions, build on the momentum, and continue to engage citizens. She concluded her comments by wishing everyone Happy Holidays and a Happy New Year.

Councilwoman Scott stated that in the spirit of wishing everyone Happy Holidays, the Active Adult Center Advisory Board will be going out on Tuesday, December 18th, to judge holiday displays. If you would like to be considered, you need to be nominated by calling the DPS or emailing the City the address. She suggested bringing your holiday company to the Heritage rooms, noting that they are open by appointment. The Heritage rooms are also scheduled to be open January 8th and January 22nd from 3:00 p.m. – 7:00 p.m. If you would like to visit on another date, please call 248-837-2687 for an appointment. She wished a Happy Holidays to all. She invited the public to speak to the City Council on the medical marijuana topic at any upcoming meeting.

Councilman Soltis stated that Public Safety Christmas Dinner will be held again this year and to please keep our first responders in your prayers.

Mayor Hartwell stated that it has been a long, successful year and thanked Ms. Marsh for applying and accepting the City Manager position. On behalf of City Council, he thanked all City staff for the work they do for the City.
